Don't bite off more than you can chew.

Practice makes perfect.

Don't count your chickens before they hatch.

Actions speak louder than words.

A penny saved is a penny earned.
Don't put all of your eggs in one basket.
Don't judge a book by its cover.
The early bird gets the worm.
Don't cry over spilt milk.
Don't look a gift horse in the mouth.
An apple a day keeps the doctor away.
Look before you leap.
Good things come to those who wait
Early to bed, early to rise, makes you healthy, wealthy, and wise.
Don't add insult to injury.
Rome wasn't built
Strike while the iron is hot.
Too many cooks spoil the broth.
Many hands make light work.
Honesty is the best policy
Where there's a will there's a way.
Don't make a mountain out of a molehill.
Better late than never.
Put your best foot forward.
Don't bite the hand
The squeaky wheel gets the grease.
If it ain't broke, don't fix it.
Curiosity killed the cat.
Learn to walk before you run.
