Moon Child

The Craft meets The Shining in this slow-burn Florida gothic horror. 18-year-old Cuban-American Valentina Callejas was raised to do what her Catholic grandparents say to do. But Valentina feels a different pull--an affinity with nature, a desire to read tarot cards and study the occult. After ditching her church retreat, Valentina flees home and ends up five hours away at Macy's house, a half-sister she's never met until now. When a mysterious wolf leads Valentina to the abandoned Sunlake Springs Resort, she meets the "clairs," young psychics drawn to the hotel's haunted history. They've been waiting for her, they say, to open a magical entryway to the spirit world. But Valentina's sensitive hands tell a different story--of anguished spirits, menacing cracks, and hooded ghosts of Florida's hateful past. Even a local legend, the beautiful "Lady of the Lake," hints to the hotel's sinister history. To protect the

clairs from the horrors awaiting them on the other side, Valentina must use her growing powers and decide, once and for all, if she's the witch she was always meant to be.

You Can Still Make that Person So Specific that You Become Vulnerable to What They Say to You Even if There's no Force behind It So if Your Opposite of Flat Reader and They Say to You I Don't Love You if I Know Who You Are to Me and You Said that You Don't Love Me It Still Can Move Me so It's Not the Best and You Can't Try To Force It To Compensate for What They're Not Doing because You'll End Up Indicating but You Can Endow Them in the Same Way That Tom Hanks Endowed a Volleyball Admitted His Best Friend You Can Endow Them Enough
He Worked on Where that Character Lived inside Him and He Went in He Was Perfectly Nice When He Went in but He Had an Edge that no One Expected To See and Suddenly He Gets Cast as that and Then They See Him as that and Then You Have To Go Back the Other Way Again It's Just the Life of an Actor but every Role Exists inside of Someone I Just like this Question Kaz Asked Will Ai Put Us out of Business Howard I Hope Not I Don't Know We Might all Be li Want To Say this That's Why I'm So against Pre Shaping and Pre-Planning Which Leads to Robotic Acting
So We a Very Often Have To Learn To Be Still When You Can Make Yourself Still for Periods of a Time What You Do Will Be by Choice Rather than Have It if You Can Never Make Yourself Still You Will Not Be Able To Make Yourself Still as an Actor so the Tough Thing about Being an Actor Is It's Your Mind Your Body Your Voice Your Soul and You Have To Work every Aspect of Yourself in Order To Be Able To Work the Way You Want To Work So Stillness Is a Big One but It's Something I Wish Everybody Would Work On on Their Own as I Said Dance Classes Alexander Technique Yoga Martial Arts Anything That's Going To Be about Centering
So the Tough Thing about Being an Actor Is It's Your Mind Your Body Your Voice Your Soul and You Have To Work every Aspect of Yourself in Order To Be Able To Work the Way You Want To Work So Stillness Is a Big One but It's Something I Wish Everybody Would Work On on Their Own as I Said Dance Classes Alexander Technique Yoga Martial Arts Anything That's Going To Be about Centering Finding Your Core and Yes the Power of Stillness It's Part of My Foundation Question That's Coming Up Now Is Should You Get into Character for a One-Liner
Because You Have To Look at that and Think Am I Getting some Reinforcement from Anyone Who Doesn't Know Me Who Thinks Boy He or She That's the Person I Want To Hire for this So Again Doesn't Even Have To Be a Paying Gig What What Feedback Are You Getting if You Are Taking Classes What Are You Hearing from Your Teachers in Terms of How They Value Your Work How Is Your Work Comparing with Others but More than Anything You Got To Check In with Yourself Is this My Love Is this Can I Live without this and if You Can Live without It You Have Your Answer if You Can't Live without It
