Kid reviews for I Was Here | Common Sense Media

20 May 2015 — This isn't a story about depression or suicide, not really. It's a murder mystery with the flavoring of a coming-of-age novel. While in the end we learn that Meg wasn't actually murdered, Meg is still as much of a prop to the story as Mr. Body is to Clue.

BOOK REVIEW I WAS HERE BY GAYLE FORMAN - Neliti

by A Roefmelinda — Some people may want to commit suicide to escape bullying, charges, and depression as described in the novel I Was Here written by. Gayle Forman. In brief, this novel is chosen to be reviewed because this novel is based on true suicidal story. I Was Here tells about a ...

I Was Here Summary - SuperSummary

16 Jan 2015 — Characters: The protagonist is Cody, and it took me an embarrassingly long time to realise that Cody was a girl. It also took me a fraction too long to realise that Tricia was her mother. I Was Here is about Meg's death.

If I Stay Summary of Key Ideas and Review | Gayle Forman - Blinkist

29 Jan 2015 — While I Was Here tackles a heavy topic, I wouldn't categorize it as an issue book. Instead, it's a story of friendship, loss, guilt, grief, and learning to move on. It's a very powerful book, something that combines the very best qualities of If I Stay and Where She Went.

Jual Buku I Was Here - Aku Pernah Di Sini Karya Gayle ...

From the #1 New York Times bestselling author of If I Stay comes "a heartbreaking novel about coping with loss" (People). When her best friend, Meg, commits suicide by drinking a bottle of industrial-strength cleaner alone in a motel room, Cody is understandably shocked and devastated.

Review: I Was Here by Gayle Forman

28 Mar 2015 — This is how our story begins. Cody is living her average life, in her average small town, when she receives an email from her best friend, Meg, saying she has killed herself. Suddenly, Cody's life is anything but average. Now it is a dark, gloomy pit of despair. Well, more despair than she was already ...

Slow Burn

When a woman returns to her tiny hometown after a long absence, she is stunned to find herself implicated in a decades-old murder and is left in the position of not knowing whom she can trust, or whom she should fear the most.

Slow Burn

The Ferrante Letters

Like few other works of contemporary literature, Elena Ferrante's Neapolitan novels found an audience of passionate and engaged readers around the world. Inspired by Ferrante's intense depiction of female friendship and women's intellectual lives, four critics embarked upon a project that was both work and play: to create a series of epistolary readings of the Neapolitan Quartet that also develops new ways of reading and thinking together. In a series of intertwined, original, and daring readings of Ferrante's work and her fictional world, Sarah Chihaya, Merve Emre, Katherine Hill, and Juno Jill Richards strike a tone at once critical and personal, achieving a way of talking about literature that falls between the seminar and the book club. Their letters make visible the slow, fractured, and creative accretion of ideas that underwrites all literary criticism and also illuminate the authors' lives outside the academy. The Ferrante Letters offers an improvisational, collaborative, and cumulative model for reading and writing with others, proposing a new method the authors call collective criticism. A book for fans of Ferrante and for literary scholars seeking fresh modes of intellectual exchange, The Ferrante Letters offers incisive criticism, insouciant riffs, and the pleasure of giving oneself over to an extended conversation about fiction with friends.

Slow Burn: Zero Day

A new flu strain has been spreading across Africa, Europe, and Asia. Disturbing news footage is flooding the cable news channels. People are worried. People are frightened. But Zed Zane is oblivious. Zed needs to borrow rent money from his parents. He gets up Sunday morning, drinks enough tequila to stifle his pride and heads to his mom's house for a lunch of begging, again. But something is wrong. There's blood in the foyer. His mother's corpse is on the living room floor. Zed's stepdad, Dan is wild with crazy-eyed violence and attacks Zed when he comes into the house. They struggle into the kitchen. Dan's yellow teeth tear at Zed's arm but Zed grabs a knife and stabs Dan, thirty-seven times, or so the police later say. With infection burning in his blood, Zed is arrested for murder but the world is falling apart and he soon finds himself back on the street, fighting for his life among the infected who would kill him and the normal people, who fear him.

Slow Burn

'Leather's latest full-throttle thriller could hardly be more topical . . . it hurtles off the page, grabbing the reader by the throat' Daily Mail 'This cracking Spider Shepherd thriller zips along like a sniper's bullet' The Sun Should we bring them back? There are thousands of jihadi brides in refugee camps in the Middle East. Some of them were once British before they were stripped of their citizenship. Were they brainwashed or simply naive when they set out for Syria as teenagers? And, if they were allowed to return, would they pose a threat to our country? Spider Shepherd is about to be sent on an extraordinary mission to the Syrian border by his MI5 boss. There he will have to decide which of the women he meets is still a threat, and if not, which of them has information useful to the Secret Service and can be allowed back. His are life or death decisions. But there is one bride he must take back to the

UK whatever her circumstances. She is the wife of a notorious ISIS bombmaker, Salam Jaraf. Jaraf is an asylum seeker who has information on terrorist cells in Britain. But the bombmaker will only tell MI5 what he knows if his wife and son are brought to him. However, it soon becomes obvious that hostile forces are following Spider and Mrs Jaraf across Turkey. Bringing this woman back from the warzone will become one of the most dangerous missions Spider has ever undertaken.

Slow Burn City

A provocative, brilliant and humane new book from 'one of our most intelligent architecture critics' (Daily Telegraph). London has become the global city above all others. Money from all over the world flows through it; its land and homes are tradable commodities; it is a nexus for the world's migrant populations, rich and poor. Versions of what is happening in London are happening elsewhere, but London has become the best place to understand the way the world's cities are changing. Some of the transformations London has undergone were creative, others were destructive; this is not new. London has always been a city of trade, exploitation and opportunity. But London has an equal history of public interventions, including the Clean Air Act, the invention of the green belt and council housing, and the innovation of the sewers and embankments that removed the threat of cholera. In each case the response was creative and unprecedented; they were also huge in scale and often controversial. The city must change, of course, but Moore explains why it should do so with a 'slow burn', through the interplay of private investment, public good and legislative action. Fiercely intelligent, thought-provoking, lucidly written and often outrageously and uncomfortably funny, *Slow Burn City* is packed with fascinating stories about the physical fabric of London in the twenty-first century. But by seeing this fabric as the theatre of social and cultural struggles, Moore connects the political and architectural decisions of London's enfeebled and reactive government with the built environment that affects its inhabitants' everyday lives. In this urgent and necessary book, Moore makes a passionate case for London to invent new ways to respond to the pressures of the present, from which other cities could learn.

A Slow Fire Burning

NATIONAL BESTSELLER NEW YORK TIMES BESTSELLER Years ago someone lit a match... Laura has spent most of her life being judged. She's seen as hot-tempered, troubled, a loner. Some even call her dangerous. Miriam knows that just because Laura is witnessed leaving the scene of a horrific murder with blood on her clothes doesn't mean Laura is a killer. Bitter experience has taught her how easy it is to get caught in the wrong place at the wrong time. Carla is reeling from the brutal murder of her nephew. She trusts no one and no thing: good people are capable of terrible deeds. But how far will she go to find peace? Innocent or guilty, everyone is carrying damage. Some are damaged enough to kill. Look what you started.

Managed

It started off as a battle of wits. Me: the ordinary girl with a big mouth against Him: the sexy bastard with a big...ego. I thought I'd hit the jackpot when I was upgraded to first class on my flight to London. That is until HE sat next to me. Gabriel Scott: handsome as sin, cold as ice. Nothing and no one gets to him. Ever. He's a legend in his own right, the manager of the biggest rock band in the world, and an arrogant ass who looks down his nose at me. I thought I'd give him hell for one, long flight. I didn't expect to like him. I didn't expect to want him. But the biggest surprise? He wants me too. Only in a way I didn't see coming. If I accept his proposal, I leave myself open to falling for the one man I can't manage. But I'm tempted to say yes. Because the real man beneath those perfect suits and that cool façade just might be the best thing that's ever happened to me. And I just might be the only one who can melt the ice around his heart. Let the battle begin...

Slow Burn

She doesn't want to deal with the past... Ten years ago, Ashley Fitzgerald witnessed the death of her parents in a tragic fire and her mind blocked the memory. She pretends to have moved on, is a successful artist and photographer, until she opens her door to a stranger, assumes he's a model and asks him to strip to his briefs. He plans to expose the truth... Wealthy businessman Ron Noble has the body, the jet, the fast cars and the women, but he hides a deadly secret. His father started the fire that killed Ashley's parents. Now someone is leaving him clues that could exonerate his father and they lead to Ashley's door. Blindsided by the blazing attraction between them and a merciless killer

silencing anyone who was there the night of the fire, Ron can't dare tell Ashley the truth. Yet the answer he seeks may very well tear them apart. While a demented arsonist plots his ultimate revenge...

Just One Touch

#1 USA Today and New York Times bestselling author Maya Banks continues her suspenseful and sizzling Slow Burn series with the fifth book featuring the men and women of Devereaux Security Services. Raised in a strict religious cult since she was a young girl, Jenna has no connection to the outside world beyond vague flashes of memory that seem to be from another life. Memories she clings to when the cult leaders discover her extraordinary ability to heal—and punish her. Years held captive and forced to do the cult's bidding have turned Jenna into a meek, timid woman...or so they think. In truth, she is merely biding her time, waiting for the perfect moment to escape. When a terrified young woman tries to steal the SUV of Devereaux Security's toughest recruit, Isaac's anger quickly turns into a strange sort of protectiveness for the beautiful, bruised stranger. But when they are caught in a firestorm of bullets and Isaac is hit, he's sure the end is near, until Jenna touches him and closes his wounds. As he tries to bring Jenna to safety, she refuses to tell him what danger haunts her or how she healed him, but Isaac vows to do whatever it takes to gain her trust...and her heart. Because with just one touch, Isaac knows he wants Jenna to be his—forever.

See What I Have Done

"One of America's most notorious murder cases inspires this feverish debut" novel that goes inside the mind of Lizzie Borden (The Guardian). On the morning of August 4, 1892, Lizzie Borden calls out to her maid: Someone's killed Father. The brutal ax-murder of Andrew and Abby Borden in their home in Fall River, Massachusetts, leaves little evidence and many unanswered questions. In this riveting debut novel, Sarah Schmidt reimagines the day of the infamous murders as an intimate story of a family devoid of love. While neighbors struggle to understand why anyone would want to harm the respected Borden family, those close to the family have a different tale to tell of a father with an explosive temper, a spiteful stepmother, and two spinster sisters desperate for their independence. As the police search for clues, Lizzie's memories of that morning flash in scattered fragments. Had she been in the barn or the pear arbor to escape the stifling heat of the house? When did she last speak to her stepmother? Were they really gone and would everything be better now? Shifting among the perspectives of the unreliable Lizzie, her older sister Emma, the housemaid Bridget, and the enigmatic stranger Benjamin, the events of that fateful day are slowly revealed through a high-wire feat of storytelling.

Slow Burn (Lost Kings MC #1)

"If Sons of Anarchy impregnated The Crossfire Series, their baby would be Slow Burn." -Nothing But Sexy Books Blog
Forced to represent an outlaw biker, a married attorney must come to terms with her feelings for her client while avoiding the danger he brings into her sedate life. President of the Lost Kings MC, Rochlan "Rock" North, hasn't managed to find a woman capable of making him want to curb his wild ways—until he meets sweet, innocent, married lawyer Hope Kendall. Forced to represent the outlaw biker, Hope is rattled by her immediate attraction to Rock. Hope is a good girl in a good marriage. Rock thrills her, but she's not going to throw away everything she's built on a fling with her criminal client. Rock respects Hope enough to leave her alone, even as he realizes he's become a little obsessed with her. When their connection endangers her life, he'll have to destroy her in order to save her. After tragedy strikes, Rock is determined to earn Hope's forgiveness and convince her that even with their staggering differences, they're meant to be together. Slow Burn is the first book in the popular Lost Kings MC series. It features a loving, faithful, dirty-talking alpha hero and a happy for now ending, not a cliffhanger. The Slow Burn

Tobias Gamble knew from a young age precisely the kind of woman he was going to make his. She was not going to be like his mother. She was going to be like the mother he claimed. In other words, she was going to be just right. And when Toby returns to his hometown of Matlock, Kentucky and claps eyes on Adeline Forrester, he knows she's the one. The problem is, his brother Johnny has a new girlfriend. And Addie is her sister. Last, Toby would do nothing to hurt Johnny's chance at happiness. Toby hangs around town to get to know the woman Johnny fell in love with. He also hangs around to get to know Addie. But he's fallen hard, and he knows the best thing for him-and Addie-is for him to leave. Addie Forrester is thrilled her sister Eliza found a good, solid man. Johnny Gamble is the salt of the earth. The best guy in the world. The best except for his brother, Toby. Toby doesn't know it, but Addie's fallen hard too. He's perfect, except for the fact that he's hands off and it's torture, being friends with Toby when she wants so much more. Addie also has a lot on her mind. She's got bills to pay, her young son needs food, Christmas is coming and her job at the grocery store just isn't cutting it. Toby is steering clear of Addie. Addie is steering clear of Toby. But everyone around them knows this is the slow burn. Because just like Eliza and Johnny, Addie and Toby were made for each other.

In His Keeping

#1 bestselling author Maya Banks continues her suspenseful and steamy Slow Burn series with this second book—a twisting tale featuring a strong yet vulnerable heroine in danger and the sexy alpha hero who must save her. Abandoned as a baby to a young wealthy couple and raised in a world of privilege, Ariel has no hint of her past or who she belonged to. Her only link lies in the one thing that sets her apart from everyone else—telekinetic powers. Protected by her adoptive parents and hidden from the public to keep her gift secret, Ari is raised in the lap of luxury, and isolation. That is, until someone begins threatening her life. Beau Devereaux is no stranger to the strange. As the head of Devereaux Security, he's more than familiar with the realities of psychic powers. So when a family friend approaches him about protecting his daughter, he's more than ready to jump on board. What Beau isn't prepared for is the extent of his attraction to his beautiful and powerful client. What began as a simple assignment, just another job, quickly turns personal as Beau discovers he'll do anything at all to protect Ari. Even if it costs him his life.

Burn for You

Jackson "The Beast" Boudreaux is rich, gorgeous, and unbelievably rude to the staff at Chef Bianca Hardwick's New Orleans restaurant. Bianca would sooner douse herself in hot sauce than cook for Jackson again, but when he asks her to cater his fundraiser, Bianca can't refuse, knowing the cash will help pay her mother's medical bills. Then Jackson makes another outrageous request: Marry me. The unconventional offer includes an enormous sum--money Bianca desperately needs, even if it does come with a contract--and a stunning ring.

Slow Burn

From the New York Times and USA Today bestselling author of the Driven series. One night. That's all it was supposed to be . . . Reeling from the sudden loss of her sister, Haddie Montgomery has sworn off relationships. All she wanted from Beckett Daniels was a sexy distraction to help her escape her pain for just a little while . . . There weren't supposed to be any strings attached—so why can't she shake the memory of that unforgettable night from her thoughts? Or the taste of his kiss from her lips? No matter how hard Haddie tries to forget about him, Becks relentlessly tries to prove that she should start living for today. But she is determined to avoid romantic commitment, and she can always use her ex-boyfriend's reappearance to help snuff out the slow burn within her that Becks has sparked . . . Or will fate force her to realize that this kind of connection doesn't come along very often and a chance at love is worth the risk?

With Every Breath

#1 USA Today and New York Times bestselling author Maya Banks continues her suspenseful and sizzling Slow Burn series with this fourth book—a mesmerizingly sexy tale of a strong, brilliant woman who encounters the one man who makes her lose all control. Eliza Cummings fought free of a monster who terrorized her when she was an innocent teenager and helped put him away for good. She took a job with Devereaux Security Services and devoted every hour to taking down the very thing she'd nearly become. No one, not even those closest to her, know her darkest, shameful secrets. But now the killer has been set free on a legal loophole and it's only a matter of time before he comes for her. Eliza's only choice is to run and lead the monster away from the people she loves. Wade Sterling has always lived by his own rules, a law unto himself who answers to no one. He's never professed to be a good man, and he's definitely not hero material. Wade never allows anyone close enough to see the man behind the impenetrable mask—but one woman threatens his carefully leashed control. He took a bullet for her and the result was more than a piece of metal entrenched in his skin. She was under his skin and nothing he did rid himself of the woman with the courage of a warrior and who thinks nothing of putting her life before others. But when Wade sees a panicked and haunted Eliza he knows something is very wrong, because the fool woman has never been afraid of anything. And when she tries to run, the primal beast barely lurking beneath his deceptively polished façade erupts in a rage. She may not know it, but she belongs to him. This time, Eliza isn't going to play the protector. She was damn well going to be the protected. And as long as Wade breathes, no one will ever hurt what is his.

His Only Weakness

#1 New York Times bestselling author Maya Banks continues her suspenseful and sexy Slow Burn series in this story of a woman who has fought to survive and the man who is determined that no one will ever hurt her again. Tori Devereaux is a survivor. With the support of her family and the brave protectors at Devereaux Security Services, she's finally ready to put her past behind her and move on. But her gift, the ability to see the future, has also become her greatest curse as the visions come more frequently than ever. She doesn't know if the dreams are foretelling the future or are nightmares of her past. Refusing to allow the monster who abducted her rule her life forever, she's determined to stop looking back. Dane Elliot, the front man for DSS, has never been far from Tori's side since her rescue from a maniac several years before. Hired by her brothers in the wake of her abduction, there's never been anything brotherly about his feelings for her. As she is plagued by visions that haunt her night and day, and with her attacker still on the loose, Dane isn't taking any chances with Tori's safety. This hardened warrior will move heaven and earth to protect the woman who is his one weakness, to make sure she's safe and finally in his arms.

Slow Burn: Firestorm, Book 10

Fourteen years have passed since the virus ripped through the global population, crushing the modern world and leaving the cities crawling with the infected. The immune who survived the violence of the collapse fled to remote havens like Balmorhea, a tiny town in the desert of far West Texas. There, a few hundred normals made a go of it, building walls, farming the dry dirt, and learning to thrive together. With them, Zed and Murphy, survivors of the infection are different but still human. Distrusted and despised because of what they are, they're still the first to fight when the hordes maraud out of the wastes. Now, a new menace is lurking beyond the horizon, threatening to destroy everything they've built. Will they survive the savage violence sweeping across the desert, or will they be consumed by the FIRESTORM?

The Gods of Tango

February 1913: seventeen-year-old Leda, clutching a suitcase and her father's cherished violin, leaves her small Italian village for a new home (and husband) halfway across the world in Argentina. Upon her arrival in Buenos Aires, Leda is shocked to find that her bridegroom has been killed. Unable to fathom the idea of returning home, she remains in this unfamiliar city, living in a commune, without friends or family, on the brink of destitution. She finally acts on a passion she has kept secret for years: mastering the violin. Leda is seduced by the music that underscores life in the city: tango, born from lower-class immigrant voices, now the illicit, scandalous dance of brothels and cabarets. Leda knows, however, that she can never play in public as a woman, so she cuts off her hair, binds her breasts, and, as a young man, joins a troupe of musicians bent on bringing tango into the salons of high society. As time progresses, the lines between Leda and her disguise will begin to blur, and feelings that she has long kept suppressed will reveal themselves, jeopardizing not only her music career but her life itself. With evocative scenery, prose suffused with the rhythms of the tango, and a deep, resonant core, De Robertis delivers her most accomplished novel yet. This eBook edition includes a Reading Group Guide.

Keep Me Safe

A sizzling story of a woman who risks her life and her heart to find a wealthy man's missing sister—the first novel in a sexy new romantic suspense series from #1 New York Times bestselling author Maya Banks When Caleb Devereaux's younger sister is kidnapped, this scion of a powerful and wealthy family turns to an unlikely source for help: a beautiful and sensitive woman with a gift for finding answers others cannot. While Ramie can connect to victims and locate them by feeling their pain, her ability comes with a price. Every time she uses it, it costs her a piece of herself. Helping the infuriatingly attractive and impatient Caleb successfully find his sister nearly destroys her. Even though his sexual intensity draws her like a magnet, she needs to get as far away from him as she can. Deeply remorseful for the pain he's caused, Caleb is determined to make things right. But just when he thinks Ramie's vanished forever, she reappears. She's in trouble and she needs his help. Now, Caleb will do risk everything to protect her—including his heart. . . .

Ache for You

In this fairy tale with a sexy twist, she's a penniless San Francisco seamstress. He's the king of Italian couture. Who's got designs on whom? Boutique owner Kimber DiSanto has seen better days. She's been dumped at the altar by Prince Charmless, her business went up in flames (literally), and now she's stuck in Florence, Italy, with an ice-queen stepmother, to try to save her late father's failing dress shop. Only one thing could make it worse: another man in her life. The arrogant Italian fashion tycoon offering to buy her father's shop is as rich as he is sexy, and their attraction is off the charts. But Kimber's not about to get burned again. Women don't say no to Matteo Moretti--and certainly not with Kimber's stinging precision. With all the heat and fury sparking between them, Matteo can't resist baiting the gorgeous American. His plan? Win her over one scorching kiss at a time. Kimber tells herself it's all just a game. That her broken heart isn't in danger, and that Matteo's touch does not make her Lady Land dance with joy. But sometimes it takes the fieriest of enemies to turn a fantasy into a real-life romance.

Ghost Story

One of the great classics of modern horror, set in a small New York town and filled with creeping dread. 'The terror just mounts and mounts' Stephen King It began shortly after the party at which one of their members, Edward Wanderley, had died - or was killed. The Chowder Society, who for years had met in customary evening dress with the object of telling each other tales of every kind, now found themselves drawn towards the supernatural. It was some sort of solace for Edward's loss. They began to tell ghost stories, extraordinary ghost stories ... ghost stories that did not always stop when the teller finished speaking ... Then came the dreams, shared simultaneously by the Chowder Society members, forecasting horrors the four ageing men can scarcely bring themselves to discuss. And now they are about to learn what happens to those who believe they can bury the past - and get away with murder. Readers can't stop turning Ghost Story's pages: 'A real haunting good read, the story drives you crazy in places' Goodreads reviewer, **★★★★** Intelligent and ambitious . . . one of the best horror novels of the 20th century . . . the terror, sometimes expected, often unexpected, is measured out in precise and exact quantities' Goodreads reviewer, **★★★★** This beautifully written story of evil in a small town has a lot in common with Stephen King's IT . . . The stories of these men, the stories about the relatives of these men, and the stories about the town itself, wind around and through each other' Goodreads reviewer, **★★★★** Probably the scariest book I ever read' Goodreads reviewer, **★★★★** Loved this book! The setting, the characters, the atmosphere, the small town... some really creepy scenes. All of it just worked for me' Goodreads reviewer, **★★★★** This is actually one of the "scariest" books I've read so far as atmosphere and actual emotional scare goes' Goodreads reviewer, **★★★★** Fantastic book if you like to be scared. Straub is a master of this genre' Goodreads reviewer, **★★★★** This is a book that combines the chill of the New York winter with the arthritic helplessness of old man nightmares . . . If you want to read some of the best writing that horror has to offer, read Ghost Story' Goodreads reviewer, **★★★★**

The Awakening of Ivy Leavold

Yorkshire, 1879 I am alone. When Ivy Leavold is left destitute by her brother's death, she is taken in by her cousin's brooding, tortured widower--Julian Markham. Handsome and possessive, it's not long before Ivy falls for him. But Mr. Markham has dark secrets, secrets that may put Ivy in danger... I am afraid. As Ivy unravels the mystery surrounding her cousin's death, she falls deeper and deeper in love with Julian, who opens her body and her mind to his indomitable will. But even as he draws pleasure and desire from her night after night, Ivy can't shake the feeling that their passionate affair may end in violence... And I am completely his. The first book in the Markham Hall series.

Amour Amour

The best aerial technique won't land 21-year-old Thora James her dream role in Amour—a sexy new acrobatic show on the Vegas strip. Thora knows she's out of her element the second she meets Amour's leading performer. Confident, charming and devilishly captivating, 26-year-old Nikolai Kotova lives up to his nickname as the "God of Russia." When Thora unknowingly walks into the crosshairs of Nikolai's after-show, her audition process begins way too soon. Unprofessional. That's what Nik calls their "non-existent" relationship. It's not like Thora can avoid him. For one, they may be partners in the future--acrobatic partners, that is. But getting closer to Nik means diving deeper into sin city and into his dizzying world. Thora wants to perform with him, but when someone like Nikolai attracts the spotlight wherever he goes—Thora fears that she's destined to be just background to his spellbinding show.

This sexy and exhilarating New Adult Romance can best be described as Cirque du Soleil meets the steamy, athletic romance of Center Stage.

Missing Time: Essays

Over the past few years, in essays published in *n+1*, *Jewish Currents*, and elsewhere, Ari M. Brostoff has grappled with the intellectual upheavals and political contradictions that surfaced during the Trump era. After the breaking point of the 2016 election, Brostoff writes, "the world came back into hideous focus" and they began to feel, for the first time, "like a long-term inhabitant of the present." *Missing Time* collects five remarkable essays and a new introduction that trace the return of the 20th century's political and cultural repressed in personal and collective terms. In prose that is simultaneously sharp and soulful, mournful and ecstatic, Brostoff offers lucid considerations of the reemergent millennial left, the enigmas of the X-Files, the complexities of Philip Roth's (anti-)Zionism, and other novelties, atavisms, and atavisms newly reborn as novelties. From the communist ardor of the Bronx circa 1940 to the '90s haze of the San Fernando Valley to a Brooklyn apartment building's tenants' association in the midst of a global pandemic, *Missing Time* collapses past and present into a revelatory encounter with very recent history.

A Slow Burn

"I will punish you as your deeds deserve..." Emory Chance knows the cross-stitched warning points directly to her motherly neglect. Burying her grief, she's determined to find her daughter Daisy's murderer. But when the investigation hits a dead end, her anger escalates. Not even the kindness of her persistent suitor Hixon can soften her heart towards the community of friends that can help her begin to heal. And as the questions surrounding Daisy continue to mount, Emory can't shake the fear that her own choices contributed to Daisy's disappearance. Will she ever experience the peace her heart longs for? A gripping suspense novel, *A Slow Burn* is about courageous love, the burden of regret, and the bonds that never break. It is about the beauty and pain of telling the truth and letting God take over. Most of all, it is about the strength of forgiveness and what remains when shame no longer has power. Mary DeMuth's distinctive new voice in Christian fiction will keep readers enthralled as they ask soul-searching questions in this second book of the *Defiance, Texas* Trilogy.

Long Slow Burn

Kath Weston's powerful collection of essays, *Long, Slow Burn*, challenges the preconception that queer studies is the brainchild of the humanities and argues that social science has been talking about sex all along. To deny this one would have to overlook Kinsey's pioneering sex research in the 1950s, or the psychiatrist Evelyn Hooker's pathbreaking study of homosexuality, but also in the "sex talk" that lies at the heart of classic debates on kinship, inequality, cognition, and other foundational topics in the social sciences. What is different now, Weston claims, is the way sexuality has been isolated from

other contemporary issues. Not content with its ghettoization as a contained subfield, Weston refuses to draw an artificial line around sexuality.

Slow Burn

In *Slow Burn*, endurance master Stu Mittleman delivers a program for creating energy and increasing endurance so you can go the distance and feel great doing it every day, week, and year. Eat: Stu teaches you how to make nutritional choices that leave you energized -- not exhausted -- all day long. You really can accomplish more -- with less effort -- than you ever imagined. All you have to do is change your focus and you'll change your life. Let *Slow Burn* show you how to enjoy the journey and achieve the results.

Radiance

Ildiko has always known her only worth to the royal family lay in a strategic marriage. Resigned to her fate, she is horrified to learn that her intended groom isn't just a foreign aristocrat but the younger prince of a people neither familiar nor human. Bound to her new husband, Ildiko will leave behind all she's known to embrace a man shrouded in darkness but with a soul forged by light. Two people brought together by the trappings of duty and politics will discover they are destined for each other, even as the powers of a hostile kingdom scheme to tear them apart.

Luna and the Lie

The problem with secrets is that they're too easy to keep collecting. Luna Allen has done some things she would rather no one ever know about. She also knows that, if she could go back in time, she wouldn't change a single thing. With three sisters she loves, a job she (mostly) adores, and a family built up of friends she's made over the years, Luna figures everything has worked out the way it was supposed to. But when one of those secrets involves the man who signs her paycheck, she can't find it in her to regret it. Despite the fact that he's not the friendliest man in the world. Or the most patient. Sometimes there are things you're better off keeping to yourself.-----#1 Overall Amazon Kindle Best Seller

Slow Burn

Anticipating disaster, a prestigious global restaurant convention hires Leo as Special Security Officer. His assignment: monitor the movements of two adversarial steakhouse competitors whose "beef" has previously made for some nasty confrontations and a food critic who's caught in between the warring factions. But soon, Leo finds himself served up as the prime suspect in a murder, and both his life and career are at stake.

Mother of Learning: ARC 1

Zorian Kazinski has all the time in the world to get stronger, and he plans on taking full advantage of it. A teenage mage of humble birth and slightly above-average skill, Zorian is attending his third year of education at Cyoria's magical academy. A driven and quiet young man, he is consumed by a desire to ensure his own future and free himself of the influence of his family, resenting the Kazinskis for favoring his brothers over him. Consequently, Zorian has no time for pointless distractions, much less other people's problems. As it happens, though, time is something he is about to get plenty of. On the eve of Cyoria's annual summer festival, Zorian is murdered, then abruptly brought back to the beginning of the month, just before he was about to take the train to school. Finding himself trapped in a time loop with no clear end or exit, he will have to look both within and without to unravel the mystery set before him. He does have to unravel it, too, because the loop clearly wasn't made for his sake, and in a world of magic even a time traveler isn't safe from those who wish him ill. Fortunately for Zorian, repetition is the mother of learning...

Slow Burn

From New York Times bestselling author Brenda Jackson, *Slow Burn* continues the popular Madaris Family series--in this specially priced volume. ONCE YOU FIND Everything in attorney Skye Barclay's life is fitting smoothly into place until she makes the startling discovery that she was adopted. Not only

does she learn that her birth mother has died, but now Skye finds out that she has a biological brother: Vincent. Skye wants to track him down, and her parents support her. But her fiancé, Wayne, refuses to accept her decision...and abruptly ends their engagement. A LOVE THAT'S TRUE Skye's search for Vincent leads her to his adoptive parents, Dr. Justin and Lorren Madaris, and, lo and behold, Slade Madaris—Vincent's tall, dark, and sexy cousin. Slade is by far the most compelling man Skye has ever met, but she isn't ready to get involved so soon after Wayne's rejection...not even when Slade offers her a job so she can stay in town and get to know her brother better. MAKE IT LAST...FOREVER. Slade is a shrewd businessman, but hiring Skye is one of the riskiest moves he's ever made. Soon their mutual attraction explodes into a steamy summer affair. When Wayne shows up in town, determined to win Skye back, Slade sets out to prove that he and Skye are meant to be together. Because a Madaris man never walks away from a challenge—especially when true love is on the line... "The Madaris family is one that fans will never tire of!" —Romantic Times BOOKreviews

Full Movie

A man comes home feeling optimistic about life, but his wife reveals they have received good news about a business deal instead of expecting a baby.

Stanley Banks is shocked to learn that his daughter is pregnant and he will become a grandfather.

Ellie suggests that Kay and Buckley move in with them to help take care of the baby.

A couple discusses their new house and preparations for their baby's arrival.

A family discusses possible names for their upcoming baby, causing tension and arguments.

A couple discusses their concerns about a new approach to childbirth with a doctor, but their daughter goes missing.

A couple has a heated argument and the wife leaves, causing the husband to call the police and search for her.

A couple anxiously prepares for the birth of their baby and rushes to the hospital.

A grandfather struggles to bond with his grandson but eventually learns to accept and love him.

A baby is lost in the park and the grandfather frantically searches for him.

The video captures the christening of the narrator's grandchild and his feelings towards becoming a grandfather.

The Fruit, the Tree, and the Serpent

The global prominence of snakes in religion, myth, and folklore underscores our deep connection to them—but why, when few of us have firsthand experience? The answer, Isbell suggests, lies in snakes' singular impact on primate evolution; predation pressure from snakes is ultimately responsible for the superior vision and large brains of primates.

The Fruit, the Tree, and the Serpent

The worldwide prominence of snakes in religion, myth, and folklore underscores our deep connection to the serpent -- but why, when so few of us have firsthand experience? The surprising answer, this book suggests, may lie in the singular impact of snakes on primate evolution. Predation pressure from snakes, Lynne Isbell tells us, is ultimately responsible for the superior vision and large brains of primates -- and for a critical aspect of human evolution. Drawing on extensive research, Isbell further speculates how snakes could have influenced the development of a distinctively human behavior: our ability to point for the purpose of directing attention. A social activity (no one points when alone) dependent on fast and accurate localization, pointing would have reduced deadly snake bites among our hominin ancestors. It might have also figured in later human behavior: snakes, this book eloquently argues, may well have given bipedal hominins, already equipped with a non-human primate communication system, the evolutionary nudge to point to communicate for social good, a critical step toward the evolution of language, and all that followed. --publisher description.

Dickinson's Theological Quarterly

Vivid descriptions and interesting events parallel human life throughout time make this book a fascinating story for every Christian. Lucifer, the fallen angel and cause of all evil, is a well-known entity. However, during the course of Bible study and Biblical history research, the author realizes that there was never a lot of time and thought put into Lucifers life story and the true reason that he fell from grace. Since he was the first of all created creatures and intelligent beings called into existence, surely he began his life in a state of absolute innocence. In the evolution of time, the core of his character underwent change in the same manner as do ours from the moment of our birth. The difference between our growth years, during which many of us fall from grace committing sin and become evil, and his time of growth is a matter of parental and friendship influences that are of a fallen nature. Lucifer was surrounded by beings loyal to the Creator and the Creator was his teacher. Therefore, Lucifer had no excuse for his course of action. He had never seen any examples of disobedience. Hence, his rebellion was an invention that materialized from within his own heart. He is not only the father of lies, but also the inventor of games involving deception and misdirection. Like the peoples of this world who spend a great deal of their time playing all types of games to distort good into evil, so did Lucifer play a game of deceit. Even though the angels were naive and did not know the purpose of Lucifers games, just by innocently participating they turned away from the Lord, causing them to lose eternal life. Through the course of this reading, you will see both the mercy and love of God extended without limitations to his fallen creation. You will see the progression of character development, one in obedience to the Creator and the other in disobedience that leads to death. It is the authors hope that this work will help you develop a deeper relationship with our Redeemer Christ Jesus the Son of God by making you aware of how easy it is to fall from grace.

Almost Mine

This introduction to a biblical theology of the New Testament seeks to revitalize our engagement with the Scriptures for the twenty-first century by showing not only how the assemblage of ancient writings consisting of both Old and New Testaments is intrinsically relevant, but also how we can remain faithful to Jesus Christ, the organizing principle of those writings, in the process. The book is an invitation to all people of goodwill--believers and unbelievers, liberals and conservatives--to put aside their differences in order to cooperate in the revolution that Jesus inaugurated, the creation of a new and better world in the here and now as an anticipation of the eschatological finale. In an age in which many people are overwhelmed by life and looking for ways to cope, this book offers fresh perspectives and penetrating insights that are grounded in solid biblical scholarship with the aid of contemporary philosophical concepts.

Essential Knowledge, Volume One

The first twenty-five chapters of the book of Genesis from the verse translation and commentary, The Beloved and I, greatly amplified with the text of the King James Version embedded in prose sermons along with additional explanatory notes in prose and poetry.

The Jesus Revolution

This is a guide to the Hebrew Bible unlike any other. Leading us chapter by chapter through its most important stories--from the Creation and the Tree of Knowledge through the Exodus from Egypt and the journey to the Promised Land--James Kugel shows how a group of anonymous, ancient interpreters radically transformed the Bible and made it into the book that has come down to us today. Was the snake in the Garden of Eden the devil, or the Garden itself "paradise"? Did Abraham discover monotheism, and was his son Isaac a willing martyr? Not until the ancient interpreters set to work. Poring over every little detail in the Bible's stories, prophecies, and laws, they let their own theological and imaginative inclinations radically transform the Bible's very nature. Their sometimes surprising interpretations soon became the generally accepted meaning. These interpretations, and not the mere words of the text, became the Bible in the time of Jesus and Paul or the rabbis of the Talmud. Drawing on such sources as the Dead Sea Scrolls, ancient Jewish apocrypha, Hellenistic writings, long-lost retellings of Bible stories, and prayers and sermons of the early church and synagogue, Kugel reconstructs the theory and methods of interpretation at the time when the Bible was becoming the bedrock of Judaism and Christianity. Here, for the first time, we can witness all the major transformations of the text and recreate the development of the Bible "As It Was" at the start of the Common era--the Bible as we know it.

The McElwain Bible ~ A Commentary on Genesis One to Twenty-Five

Edited by Wes Bassett, Joseph P. King's autobiography spotlights American life between 1846 and 1946. King tells of his boyhood in Wilmington, N.C., during the Civil War, his bout with Yellow Fever, and his love affair with his wife of 60 years. He also tells of his long service as a minister. Included is his defense when he was put on trial for heresy in 1880. This 2nd edition contains corrections, additions, and a section of newly uncovered and collected photographs.

The Devil is a Father, Too, is birthed out of a series of dreams the Lord began to give me allowing me to experience the unseen world. Divinely set up visitation of the Spirit realm and the encounter of the truth, some, I refer to as a sneak preview of the supernatural realm. By which the Lord displayed the undeniable power of His word giving me a deeper understanding and knowledge of the truth that absolutely set me free and transformed my life forever. Often times, the Lord uses the mess of our life into a life time message to demonstrate and disclose His power and reach out to mankind. This revealed truth has consequently birthed a passion and pursuit of purpose that inspired me to share in this book. The father you submit to has full power to control you. While the final choice and the decision is left up to you, but the choice and the decision you make has a very serious and eternal consequences. Therefore, this book is inspired by the Holy Spirit to give you insight into the Truth so you make the right choice from the standpoint of understanding and knowledge of the truth.

The Living Church

The first anthology of Jewish mythology in English, Tree of Souls reveals a mythical tradition as rich and as fascinating as any in the world. Drawing from the Bible, the Pseudepigrapha, the Talmud and Midrash, the kabbalistic literature, medieval folklore, Hasidic texts, and oral lore collected in the modern era, Schwartz has gathered together nearly 700 of the key Jewish myths. The myths themselves are

marvelous. We read of Adams diamond and the Land of Eretz (where it is always dark), the fall of Lucifer and the quarrel of the sun and the moon, the Treasury of Souls and the Divine Chariot. We discover new tales about the great figures of the Hebrew Bible, from Adam to Moses; stories about God's Bride, the Shekhinah, and the evil temptress, Lilith; plus many tales about angels and demons, spirits and vampires, giant beasts and the Golem. Equally important, Schwartz provides a wealth of additional information. For each myth, he includes extensive commentary, revealing the source of the myth and explaining how it relates to other Jewish myths as well as to world literature (for instance, comparing Eves release of evil into the world with Pandoras). For ease of use, Schwartz divides the volume into ten books, Myths of God, Myths of Creation, Myths of Heaven, Myths of Hell, Myths of the Holy Word, Myths of the Holy Time, Myths of the Holy People, Myths of the Holy Land, Myths of Exile, and Myths of the Messiah.

Byron s Works

Well I need who ever getting ready to read my book to listen to me real good right now, before you read my book, because I need you to sat down and take a deep breath of air and prepare yourself before you read all these unbelievable true Stories about what happen to me in my life here on earth. Because I know for myself before you get through reading my book you are going to take ten more deep breaths of air before you get through reading my book. Because my stream of Visions and Insights looking back into the past to see what happen and looking into the future to see what were going to happen in the future. Well all of these things happen to me and all the unbelievable things happen to me, that you are going to be reading about, well all of those Stories are really true. Also all those true Stories run together with each other but on separate days. So I wrote all my Visions and Insights down essentially as they occurred to me, so all of my true Stories would be accountable for, and specially the unbelievable true Stories that happen to me here on earth, and I know all those unbelievable things that happen to me will be hard for you to believe, but all of those Stories throughout my book that you or reading is the true and happen to me. See as a writer, I would normally remove such repetition, but this time I kept those Visions and Insights in my Stories of what happen to me, and I know some of those things that happen to me may seem unbelievable to you, but all of those unbelievable true Stories really happen to me. Because this is the truth as I saw it happening to me and I wrote them down as they was happening to me, because I have special Gifts and Psychic Powers to look back in the past to see what had happen in the past and look into the future to see what were going to happen in the future. Because God gave me special Gifts and Psychic Powers to look back into the past to see what had happen, and to look into the future to see what were going to happen I the future, and what you are going to read right now the truth as I saw it. So what you need to do right now is just keep on reading about all the bad and wonderful unbelievable things that happen to me in my true Stories and I hope that you enjoy every moment of it.

The Poetical Works

Watts takes the reader inside certain biblical stories in order to experience the feelings and emotions of Bible characters and to learn principles about loving each other and God. (Biblical Studies)

The Works

The crafts in this book coordinate with each lesson in the Noah's Park Leader's Guide. Each craft activity is designed to help reinforce the Bible story the children have heard and participated in during the lesson. The craft is also designed to help the children and their parents extend the learning even further by linking it to activities they can do at home during the following week. Each craft activity in the book has a list of supplies which should be obtained prior to the session.

The Poetical Works of Lord Byron

Worship in spirit and in truth has to be based on God's Word that regulates us on how we must worship Him. The foundation of the regulative principle of worship is found in the first two commandments. Self-styled worship is unacceptable to God, regardless of the good intentions. Worship based on the traditions of men which were inspired by Satan are used as a sword and a shield against the truth. In doing this they successfully execute that very purpose which Satan intends them to; that of a false and perverse worship shielded by obstinacy. A top priority in choosing a church to become a member should be based on no other criteria than that of a church that has its form of worship based on biblical principals.
