States of Consciousness

Is Usually What Motivates Us To Move from One State to a Higher Level since the State Is Total and Complete in Itself When We Enter a State We Are Compelled To Behave in a Manner Dictated by that State for Instance in the State of Poverty We Would Find Ourselves Constantly in Need of Funds We Would Have Difficulty Making Ends Meet and Have no Way To Enjoy Luxuries Should We Be Given a Large Sum of Money if We Remain in the State of Poverty by Filling Our Mind with Thoughts of Lack and Limitation We Would Soon Find Ourselves without Funds and Again Experiencing the Same Difficulties the Reverse Would Be True if We Occupied a State of Wealth

By Filling Our Mind with Thoughts of Lack and Limitation We Would Soon Find Ourselves without Funds and Again Experiencing the Same Difficulties the Reverse Would Be True if We Occupied a State of Wealth When We Are in a State We See Only the Contents of that State and Are Compelled To Act in Accordance with all That the State Entails while in a Particular State You Believe Certain Things Are True and Would Find It Difficult To Understand another Point of View in the State of Poverty It Is Easy To Focus Your Thoughts on the Problems of Providing Food Shelter

While in a Particular State You Believe Certain Things Are True and Would Find It Difficult To Understand another Point of View in the State of Poverty It Is Easy To Focus Your Thoughts on the Problems of Providing Food Shelter and Clothing When You Succeed in Moving out of this State You No Longer Find It Difficult To Acquire these Things Most People Attribute this Change of Fortune to a Change in Circumstances However unless You Have Moved from the State of Poverty no Change

in Circumstance Would Be Permanent

Most People Attribute this Change of Fortune to a Change in Circumstances However unless You Have Moved from the State of Poverty no Change in Circumstance Would Be Permanent Rather Moving out of One State and into another in Your Imagination Automatically Creates a Change in Your Outer World the Bible Has Personified every Type of State and Calls these States by Names Known to Us as Moses Noah Jobe Peter Andrew and Jesus throughout Our Journey We Enter these States and Experience all That They Offer the Last State We Will Enter Is the State of Jesus Christ in this State We Become Aware that We Are God the Father and that We Have a Son Symbolized The Journey Begins with Adam Who Fell Asleep and Dreamed the Dream of Life and Then Entered the Myriad States To Gain the Experiences Necessary before Awakening When You Enter the State of Jesus You Know Yourself To Be God and Your Journey into this World of Death Is Then Complete the Play as Shakespeare Said All the World Is a Stage and All the Men and Women Merely Players They Have Their Exits and Their Entrances

You Know Yourself To Be God and Your Journey into this World of Death Is Then Complete the Play as Shakespeare Said All the World Is a Stage and All the Men and Women Merely Players They Have Their Exits and Their Entrances and each Man in His Time Plays Many Parts this World Which Seems So Real Is As Much a Dream as the Dreams We Encounter while Asleep Our Waking Dreams Seem So Real because It Has Continuity while Our Dreams at Night Appear To Be Random Sequences Taking Place in Unfamiliar Surroundings and Situations God Is Dreamer Dreaming the Play into Existence and God Plays All the Parts Everyone Who Appears in Your World Is God Playing that Part for You the Author

You CanNot Demand that the Actors in Your Play Changed the Character They Are Portraying all Changes Must Take Place in the Mind of the Author if There Is Someone in Your World Who Is the Source of Annoyance or Irritation to You that Person Has no Choice but To Play the Part Called for in Your Script There Is Nothing You Can Do on the Outside To Bring About Changes in another If There Is Someone in Your World Who Is the Source of Annoyance or Irritation to You that Person Has no Choice but To Play the Part Called for in Your Script There Is Nothing You Can Do on the Outside To Bring About Changes in another You Can Use the Art of Revision To Change a Line of Dialogue To Replace a Certain Character with another and To Write Happy Endings to the Subplots of the Play Again if There Is Someone in Your World Who Is the Source of Annoyance or Irritation to You that Person Has no Choice but To Play the Part Called for in Your Script There Is Nothing You Can Do on the Outside To Bring About Changes in another

Again if There Is Someone in Your World Who Is the Source of Annoyance or Irritation to You that Person Has no Choice but To Play the Part Called for in Your Script There Is Nothing You Can Do on the Outside To Bring About Changes in another You Can Use the Art of Revision To Change a Line of Dialogue To Replace a Certain Character with another and To Write Happy Endings to the Subplots of the Play When You Begin To View this Wakingdream Objectively You Will Be Able To Verify that You Have Been the Author of both the Pleasant and Unhappy Acts in Your Play You Can Radically Change the Play by Using Your Imagination Creatively by Assuming Your Wish Is Fulfilled You Will Be Able To Verify that You Have Been the Author of both the Pleasant and Unhappy Acts in Your Play You Can Radically Change the Play by Using Your Imagination Creatively by Assuming Your Wish Is Fulfilled You Can Change the Script on a Daily Basis by Revising the Scenes That Did Not Please You the Character Who Disturbed You Today Will Not Do So Tomorrow if You Write the Dialogue You Wish To Hear and Alter that Role in Your Imagination

God Totally Forgets that He Is God in Order To Become and Animate His Creation Man God Then Goes through all of the Experiences of Knowing Good and Evil and Even Death in Confidence that Man Will Eventually Awake from the Stream of Life To Once Again No that He Is God There Is Only God in the Universe Fragmenting Himself as Humanity and God Plays all of the Parts in this Time-Space Dream Your Own Wonderful Human Imagination Is God in Action I Am Is Christ in You Your Savior and Christ Is the Power of God and the Wisdom of God God Speaks to Us through Desire Urging Us To Reach Higher and Higher Levels of Awareness Exercising His Own Wonderful Human Imagination To Achieve these Desires Man Is Actually Experiencing God in Action
