My Wife, the Escort - The Complete Collection

For the very first time, all 12 episodes of this bestselling serial in one volume. When Jack's wife, Heather, is mistaken for a high-class escort in a hotel bar, it begins a journey of exploration and excitement for the couple. What starts as a fantasy becomes a game, and what was a game becomes a profession. As Jack watches his wife with other men, will jealousy and distrust ruin their marriage...or will their

shared experiences make them even stronger? And can they keep their secret life under wraps...or is everything destined to come crashing down?

My Wife, The Escort - The Complete Collection

One of the most popular cuckold series of all time. Get all twelve episodes of Victoria Kasari's hugely popular serial in one volume at a huge discount. Over 130,000 words! When Jack's wife, Heather, is mistaken for a high-class escort in a hotel bar, it begins a journey of exploration and excitement for the couple. What starts as a fantasy becomes a game, and what was a game becomes a profession. As Jack watches his wife with other men, will jealousy and distrust ruin their marriage...or will their shared experiences make them even stronger? And can they keep their secret life under wraps...or is everything destined to come crashing down?

Watching My Wife in Jamaica

(36,000 words + alternate ending, male point of view) I didn't mean to start showing off my wife. But the way the local men stared at her, undressing her with their eyes...I couldn't help it. I was overjoyed when she went along with my game, pretending to be single and flirting with the local men. All my fantasies were coming true... But when we met Jaric, everything changed. He wasn't satisfied with just looking and flirting. He wanted to take her body to the limits of pleasure, right in front of me. The question was: how far would I let her go?

Call Me Elizabeth

Dawn Annandale is bright, witty and well educated. But when her marriage began to fall apart, she had to face a seemingly insurmountable pile of debts on her own. Determined that her children would not suffer because of their parents' mistakes, and with no family to turn to for help, she searched desperately for a way to make some money, and fast. And made the decision to become an escort. CALL ME ELIZABETH offers an insight into the sex industry in the UK today, as well as the shocking truth that increasing numbers of women in a similar situation to Dawn are turning to prostitution to make ends meet. It is by turns sad, funny, frightening and empowering, but it is above all honest and compelling. From Emanuelle to Pretty Woman, the life of an escort remains deeply fascinating. There will be those who will judge the author, but there will be many more who will recognise her dilemma and understand how she reached her decision. This is her story - decide for yourself.

The Escort Collection

Love don't cost a thing... except everything. When billionaire mogul James Preston hires an escort as a date for his brother's wedding, he knows he's taking a risk. One thing he won't be taking? The escort's clothes off. He just wants a date—not a girlfriend. Not a relationship. No strings. No ties. No games. No sex. He has his reasons. He lost someone he loved, and isn't interested in trying again. Too many opportunities for mistakes or worse, heartbreak. Audrey Reynolds became a high-end escort to keep her brother in his expensive group home. James Preston is the client of her dreams—he's offering to pay her more money for two weeks than she's ever made before. But James is... difficult. He's gorgeous, troubled and all too human for Audrey's business-like tastes. Determined to complete her assignment and collect the money, Audrey tries to play by James's rules. But before she knows what's happening, he's rewriting the contract. When Audrey ends up in James's bed, he realizes that she's everything he's wanted... and everything he's been running from.

Escorting the Billionaire

Ruthless technology billionaire Lucas Ford has run out of time. The rules of his trust make it clear: be married by thirty-five and stay married for one year. Otherwise, bye-bye inheritance—and the family fortune will be inherited by his sister, who might very well blow it on Botox and funding her sorority alma mater. Struggling escort Blake Maxwell has a choice: accept Lucas's offer to marry him in exchange for a million dollars or keep working as an escort until she can scrape enough money together to quit the business for good. This is the chance she's been waiting for—to take care of her ailing mother and leave her own backstabbing sister behind...Both Blake and Lucas are forced to make the best of a bad situation. As their enemies fight to take them down, they have to work together to meet their goal: stay married for one year and persuade everyone that it's real so the terms of the trust can't be contested. But keeping things real complicates matters even further. Blake can't afford to have feelings for her

brooding client. She needs to take the money and run to protect her seriously wounded heart. On the other hand, Lucas can't afford to lose the one woman he's ever really fallen for...the woman he never expected to steal his heart. But they have to survive their respective demons, their attraction to each other, and their enemies first!

The Hotwife Club

The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

The Negro Motorist Green Book

The story of my oversexed wife, how she became a hotel Escort, many of her sexual adventures, her many lovers, and her devoted husband who accepted a lot over a 41-year marriage.

I, My Wife and Her Many Lovers

When Sarah Purcell ends up in hospital, she's shocked to find the dreamy doc by her bedside is her soon-to-be ex-husband, Cullen Grey!

Winning Back His Wife

A true, open, and honest version of events in my life after the wife. Its sexy, funny, informative, and emotional. Starting with a few pages of how I got to be who I am, not too in depth but enough to make your imagination work. Followed by how I got into escorting and what I got up to as an escort, moving on to my time on the Internet dating sites, how I got on with some women I met and how with some I didnt. I get on my soapbox every so often talking about benefits, money, and maintenance! I try my best to explain how to make your sex life better without trying to sound like I know it all because I certainly do not. I originally wrote this with men in mind that were separated or divorced, but the sexual advice is great for any couple especially married ones. LOL. People of all age ranges from over eighteen obviously have liked the samples of the book they have read and have given me great reviews. I hope you also enjoy it.

Life After the Wife

April and Thomas continue on their hotwifing journey, with another thoroughly indecent, but lucrative, proposal from April's voyeuristic benefactor. But as they stretch the boundaries of their marriage, Thomas senses that he is losing control: of April's actions, of himself, and of his own dark fantasies. Is his wife the same April he married? Or have they really gone too far? Worse yet: has April gone too far, all by herself?

Corrupting April

WINNER OF THE PULITZER PRIZE • THE EMMY AWARD–WINNING HBO MINISERIES STARRING FRANCES MCDORMAND, RICHARD JENKINS, AND BILL MURRAY In a voice more powerful and compassionate than ever before, New York Times bestselling author Elizabeth Strout binds together thirteen rich, luminous narratives into a book with the heft of a novel, through the presence of one larger-than-life, unforgettable character: Olive Kitteridge. At the edge of the continent, Crosby, Maine, may seem like nowhere, but seen through this brilliant writer's eyes, it's in essence the whole world, and the lives that are lived there are filled with all of the grand human drama—desire, despair, jealousy, hope, and love. At times stern, at other times patient, at times perceptive, at other times in sad denial, Olive Kitteridge, a retired schoolteacher, deplores the changes in her little town and in the world at large, but she doesn't always recognize the changes in those around her: a lounge musician haunted by a past romance; a former student who has lost the will to live; Olive's own adult child, who feels tyrannized by her irrational sensitivities; and Henry, who finds his loyalty to his marriage both a blessing and a curse. As the townspeople grapple with their problems, mild and dire, Olive is brought to a deeper understanding of herself and her life—sometimes painfully, but always with ruthless honesty. Olive Kitteridge offers profound insights into the human condition—its conflicts, its tragedies and joys, and the endurance it requires. NAMED ONE OF THE BEST BOOK OF THE YEAR BY People • USA Today • The Atlantic • The Washington Post Book World • Seattle Post-Intelligencer • Entertainment Weekly • The Christian Science Monitor • San Francisco Chronicle • Salon • San Antonio Express-News • Chicago Tribune • The Wall Street Journal "Perceptive, deeply empathetic . . . Olive is the axis around which these thirteen complex, relentlessly human narratives spin themselves into Elizabeth Strout's unforgettable novel in stories."—O: The Oprah Magazine "Fiction lovers, remember this name: Olive Kitteridge. . . . You'll never forget her. . . . [Elizabeth Strout] constructs her stories with rich irony and moments of genuine surprise and intense emotion. . . . Glorious, powerful stuff."—USA Today BONUS: This edition includes an excerpt from Elizabeth Strout's The Burgess Boys.

Hotwife Explores Her MFM Fantasy - A Wife Sharing Romance Fantasy Novella

What has happened to the world since the dead took over? Where have the humans gone to hide? Who do the living most have to fear? B Smith is heading for unknown territory... Leading a group of humans through London and out into zombie-infested suburbs sounds like suicide - but not for the undead! Even so, the horrors of the journey will be beyond anything B has yet seen . . . 'Do not underestimate the dangers of this mission. Other zombies will not ignore you when they catch the scent of fresh brains. You will almost surely be called upon to fight. The city and countryside are full of angry, bitter people who are trying to execute as many of the undead as they can. They will not distinguish between a revitalised and a revived. Most do not know there is a difference. And most would not care.'

Olive Kitteridge

After Logan Bradshaw's dreams go up in smoke, he's left broken and haunted by a cruel betrayal from his former business partner, a man he once thought of as a friend. His life as a professional escort helped pay for his future once, so maybe a few more jobs can give him back what he's lost. And if that means being a third for one night for a wealthy couple living out a menage fantasy, then so be it. It might just be the final payout he needs to get his life back on track. Dominic Barretti has everything money

can buy, but it can't save his beautiful young wife as cancer steals her away from him. He also can't deny her one last request - a menage encounter with another man. It's the perfect excuse to meet the man who's been haunting his dreams. On paper, Logan is the perfect choice to give his wife what she needs, but he doesn't expect his own fierce desires to flare up when the young man enters their lives. Dom and Logan don't know it, but Sylvie Barretti has decided to play matchmaker from beyond the grave. Unfortunately, getting two broken men to find each other makes dying seem like the easy part. Logan can't deny his attraction to Dom, but the surprise desire for another man has left him reeling and questioning everything he's ever known about himself. But when a threat from the past surfaces, will Logan be able to let go of the life he knew and embrace the one he needs? Note: This book contains M/M sexual content and is intended for mature audiences ***This is Book 3 in the series, but can be read as a stand-alone story - no cliffhangers. However, more enjoyment can be gained by reading the series in order: Book 1 - Gabriel's Rule Book 2 - Shane's Fall (Note: Logan's Need DOES contain spoilers for events first presented in Books 1 & 2)***"

Sacrament

When Greg's wife returns to the small tourist town of her early adulthood, she begins to behave strangely: dressing down, wearing her hair in a bun, avoiding all the local businesses. His suspicions are fueled when he goes to the town watering hole himself and meets some of the town's denizens. When he explains what has brought him to Walla Beach, the characters in the bar seem to think his wife Beth is a woman named Liza - and Liza had quite a reputation. When a mysterious envelope - containing only a USB key and a dozen video files - arrives at their doorstep, Greg opens a Pandora's box: he has a cameraman's view into his wife's past, in all of its sordid details. It's a conundrum, because whoever left this footage left no explanation and no demand, leaving Greg to navigate the collision of the past and present, with the future on the line. This is a full-length, stand-alone novel, with plenty of details about a wild past, and a couple's journey into hotwifing in the present. Enjoy!

RETURN TO THE WORLD OF THE BRIDGERTONS . . .

Go back to where it all began with the second book in Sunday Times bestselling author Julia Quinn's dazzlingly witty Bridgerton prequel series. A generation before the Bridgertons, there were the Rokesbys . . . While you were sleeping . . . With her brother Thomas injured on the battlefield in the Colonies, orphaned Cecilia Harcourt has two unbearable choices: move in with a maiden aunt or marry a scheming cousin. Instead, she chooses option three and travels across the Atlantic, determined to nurse her brother back to health. But after a week of searching, she finds not her brother but his best friend, the handsome officer Edward Rokesby. He's unconscious and in desperate need of her care, and Cecilia vows that she will save this soldier's life, even if staying by his side means telling one little lie . . . I told everyone I was your wife When Edward comes to, he's more than a little confused. The blow to his head knocked out six months of his memory,

but surely he would recall getting married. He knows who Cecilia Harcourt is - even if he does not recall her face - and with everyone calling her his wife, he decides it must be true, even though he'd always assumed he'd marry his neighbor back in England. If only it were true . . . Cecilia risks her entire future by giving herself - completely - to the man she loves. But when the truth comes out, Edward may have a few surprises of his own for the new Mrs Rokesby. Return to the world of the Bridgertons with The Rokesbys, featuring the ancestors of the Bridgerton characters we know and love . . .

THE NEW YORK TIMES BESTSELLER* THE UNMISSABLE TIKTOK SENSATION* OVER 1.6 MILLION COPIES SOLD WORLDWIDE Grumpy, small-town barber + hopelessly romantic runaway bride = great big bust ups, all the tension and lots of steamy encounters! Escaping her seemingly perfect

wedding, Naomi Witt arrives in rough-around-the-edges Knockemout, Virginia, running to the rescue of her estranged twin, Tina. Too bad for Naomi her evil twin hasn't changed at all. After helping herself to Naomi's car and cash, Tina leaves her with something unexpected: the 11-year-old niece she didn't know she had. Now she's stuck in town with no job, no plan, no home and a whole lot of extra responsibility. There's a reason local barber Knox doesn't do complications or high-maintenance women, especially not the romantic ones. But since Naomi's life imploded right in front of him, the least he can do is help her out of her jam. And just as soon as she stops getting into trouble, he can leave her alone and get back to his peaceful, solitary life. At least that's the plan, until their lives begin to entwine in ways they never imagined . . . *New York Times bestseller, 18 weeks from October 2022 - February 2023* *With 78.9 million views on #thingswenevergotover as of April 2023* 'I laughed. Virgil: Aeneid Book XI

A Tale of Two Cities (1859) is the second historical novel by Charles Dickens, set in London and Paris before and during the French Revolution. It depicts the plight of the French proletariat under the brutal oppression of the French aristocracy in the years leading up to the revolution, and the corresponding savage brutality demonstrated by the revolutionaries toward the former aristocrats in the early years of the revolution. It follows the lives of several protagonists through these events, most notably Charles Darnay, a French once-aristocrat who falls victim to the indiscriminate wrath of the revolution despite his virtuous nature, and Sydney Carton, a dissipated English barrister who endeavours to redeem his ill-spent life out of love for Darnay's wife, Lucie Manette.

Things We Never Got Over

My wife, Veronica Miller, used to be a school teacher. She was good at her job, the students liked her, the staff loved her, everything was perfect. We bought a big house. We were planning on starting a family. I couldn't have been happier. I had a hot young wife, a great career, and dreams of a bright future. Then the recession hit. People lost their jobs. People lost their homes. People moved away. Student enrollment at Veronica's school dropped. Soon teachers were being laid off. We worried and kept our fingers crossed. Then my wife was laid off. She was a young teacher and didn't have the seniority other teachers had. Suddenly we had a huge mortgage, bills to pay, and not enough money to cover it. Then I lost my job and things really got bleak. We searched for work, but the outlook was dismal. Because Veronica was young and exceptionally beautiful, a friend recommended she try and work as an escort. There is good money to be made. We balked at the idea, but her friend drove a Mercedes and was pulling in huge dollars as an escort herself, and she wasn't half as hot as Veronica. With nothing to lose, we tried a few dates. I was always the chaperone, keeping a close eye on my wife as she dated other men - wealthy men - and soon we were making money. It turns out, Veronica is something of a hot ticket. Word spread and more clients appeared. Not every story is worth repeating, but some are just too hot to keep to ourselves. For instance, "Hired By Her Co-Worker" is one encounter that left us both hot and sweaty. It all started when Chris, her former co-worker and fellow teacher, decided to become a client. He always had the hots for my wife while she was a teacher (who could blame him?) and had some specific kinky requests. It wasn't easy watching Veronica with him, but a client is a client. I just hope whatever those two had together in the past is out of their system now. Each story in the My Wife The Kinky Escort series is a stand alone novella. Each Novella takes the characters into a new setting and follows another noteworthy encounter with a kinky client. The series can be read individually or you can follow their hot adventures in chronological order. This stand alone Novella contains BDSM roleplaying sex, a hot wife and cuckolding, and is intended for mature readers.

Nothing Personal

A #1 New York Times Bestseller From #1 New York Times bestselling author Julia Quinn comes the story of Daphne Bridgerton, in the first of her beloved Regency-set novels featuring the charming, powerful Bridgerton family, now a series created by Shondaland for Netflix. In the ballrooms and drawing rooms of Regency London, rules abound. From their earliest days, children of aristocrats learn how to address an earl and curtsy before a prince—while other dictates of the ton are unspoken yet universally understood. A proper duke should be imperious and aloof. A young, marriageable lady should be amiable...but not too amiable. Daphne Bridgerton has always failed at the latter. The fourth of eight siblings in her close-knit family, she has formed friendships with the most eligible young men in London. Everyone likes Daphne for her kindness and wit. But no one truly desires her. She is simply too deuced

honest for that, too unwilling to play the romantic games that captivate gentlemen. Amiability is not a characteristic shared by Simon Basset, Duke of Hastings. Recently returned to England from abroad, he intends to shun both marriage and society—just as his callous father shunned Simon throughout his painful childhood. Yet an encounter with his best friend's sister offers another option. If Daphne agrees to a fake courtship, Simon can deter the mamas who parade their daughters before him. Daphne, meanwhile, will see her prospects and her reputation soar. The plan works like a charm—at first. But amid the glittering, gossipy, cut-throat world of London's elite, there is only one certainty: love ignores every rule... This novel includes the 2nd epilogue, a peek at the story after the story.

Letters & Journal of W. Stanley Jevons

An unexpected email arrives from a billionaire. He requests Veronica's services for a very special rite of passage. His request is so unusual that he is willing to pay almost anything. It turns out that every male in his family is expected to prove their manhood on their 18th birthday, by sleeping with a woman, and the billionaire's nephew is no exception. So far there is nothing unusual about the request. It's not until Veronica discovers who she will be expected to help with his rite of passage that she has pause. A former student from her past remembers Veronica. She was his teacher, before she was an escort. It turns out that her former student specifically requested her and the billionaire is willing to pay just about anything for her services not just with his nephew, but also privately, with him too. Can Veronica handle two clients? But everything is not quite as it seems. The lives of the wealthy are filled with games, and deceit and backstabbing. Can Veronica and her husband navigate the complicated hallways of power, get their payment and escape with their dignity? Or will they find themselves thoroughly ensnared in the lives of the rich and powerful? My Wife The Kinky Escort: Book Two is a stand alone novella dealing with BDSM, Hot Wives, bondage sex and situations not intended for those easily offended. Each book in the Kinky Escort series is written to be enjoyed alone, or it can be read chronologically, allowing readers to follow the lives of the main characters. Enjoy!

He was the first modern English-language author to have a truly international career in his lifetime, with many contemporary readers in Europe, Australia, and North America. His novels and poetry are still read, and many of his works remain classics of both English-language literature and of Scottish literature. Famous titles include Ivanhoe, Rob Roy, The Lady of the Lake, Waverley, The Heart of Midlothian and The Bride of Lammermoor.

My Wife the Kinky Escort

A fascinating overview of prostitution and sex work in the United States, from the Colonial era to today, examines the issue as it affects men, women, and transgender individuals of all races and classes. Prostitution and Sex Work is the first book since 1921 to offer a historic overview of this controversial topic—and what our views on it say about American society. Exploring key people, places, and events, the guide includes descriptions of the myriad variations of the sale of sex and of the venues where prostitution occurs, as well as recurring themes such as panics about sexually transmitted diseases and the ever-present issue of violence in the sex trade. After reviewing the history of prostitution and sex work over the past 400 years, the book offers detailed information about the legal context of prostitution in America during the last century. It focuses particularly on the period since prostitution was criminalized during a panic over "white slavery" in the early 20th century, drawing parallels with current

"sex trafficking" topics. An appendix of materials produced by sex workers is especially informative for those wishing to truly understand both sides of the issue.

The Instant New York Times Bestseller! A Good Morning America* Book Club Pick! Named a Best Book of the Year by NPR! Named a Notable Book of the Year by the Washington Post! "Historical fiction at its best!"* A remarkable novel about J. P. Morgan's personal librarian, Belle da Costa Greene, the Black American woman who was forced to hide her true identity and pass as white in order to leave a lasting legacy that enriched our nation, from New York Times bestselling authors Marie Benedict and Victoria Christopher Murray. In her twenties, Belle da Costa Greene is hired by J. P. Morgan to curate a collection of rare manuscripts, books, and artwork for his newly built Pierpont Morgan Library. Belle becomes a fixture in New York City society and one of the most powerful people in the art and book world, known for her impeccable taste and shrewd negotiating for critical works as she helps create a world-class collection. But Belle has a secret, one she must protect at all costs. She was born not Belle da Costa Greene but Belle Marion Greener. She is the daughter of Richard Greener, the first Black graduate of Harvard and a well-known advocate for equality. Belle's complexion isn't dark because of her alleged Portuguese heritage that lets her pass as white—her complexion is dark because she is African American. The Personal Librarian tells the story of an extraordinary woman, famous for her intellect, style, and wit, and shares the lengths she must go to—for the protection of her family and her legacy—to preserve her carefully crafted white identity in the racist world in which she lives.
