Time Is Money

Follow us on <http://www.instagram.com/GOOD2GOPUBLISHING> for Free Giveaways. Meet Anthony Stone one of the best detective's that New York City has ever seen. He lives by the motto shoot first and ask questions never. Stone's life changes when his lieutenant assigns him to a bank robbery case. His job is to take down four ruthless and vicious bank robbers who will do anything to stay alive and more importantly stay out of jail. The leader of the bank robber's is a man that goes by the name Ghost. When it comes to money Ghost and his team will do anything it takes to get it, even if that means taking innocent lives. Ghost's one weakness is his little sister Dana. Dana is a beautiful young lady that always seems to attract the wrong type of guy. But when she finds Mr. Right and refuses to leave him no matter what anyone says including her brother Ghost things take a turn for the worst. Join Anthony Stone as he goes deep into the underworld to track down a crew of the most violent and deadliest bank robbers. Editorial Review: Kirkus - "Veteran author White (Tears of a Hustler PT 6, 2014, etc.) once again demonstrates a keen mastery of the genre. Pacing is swift and plot twists are plentiful." "Fans will enjoy another winner from White"

Time Is Money

With Time Is Money, keeping track of your time (and money) is as simple as filling in the blanks! Ideal book for: Freelance professionals Auto mechanics Construction and Maintenance workers Individuals receiving cash payments Employees who are not currently using payroll software Makes a great gift for men and women! Although there is payroll software and various time keeping mobile apps, nothing can ever really compare to the reliability and convenience of the good ol' fashioned "pen and paper" method. Time is Money is a 6x9 paperback thus making it convenient and practical. No having to boot

up a PC, no having to recall your log in and password info- just simply flip to the page of the current pay period you're working on, fill in the blanks and THAT'S IT! Yes, it's really that simple! Features: Blank time cards Lined pages for notes Keep track of any days absent Area to add up total Over Time Hours Area to add up total Weekly Hours Record start and stop times Log daily break minutes Document meal periods Makes a great gift! Thank you for your purchase and please, ENJOY

Becoming the 1%: How to Master Time Management and Rise to the Top in 7 Days

The Same System That Gave Me Back Control Of My Life...What will you learn in this book? The seven techniques that everyone who wants to be successful in time management must know. The only tasks that you should care about. This only can completely change the way you approach work. How to set your goals the right way. If you do this, then everything else becomes crystal clear. The exact same productivity method that saved my life. I would have been trapped in life without this. A simple technique that instantly took me from average to SUPERSTAR. How to get more work done in 2 hours than most can get done in a whole day. My 100% guaranteed method to ensure that you are successful at whatever you do. Before I wrote this book, I gave three of my friends a layout of the system to try. To my surprise, they saw almost the same amount of increase in productivity as I did. They reported feeling like they had more time than they knew what to do with. Finishing large projects in half the time as before. Making more HUGE steps towards their goals fast and feeling much better about life. That is the power of mastering your time. What took me almost a year to achieve, by using my system, it only took them days. This is the power of learning to master your time. This is what every person who wants to be successful most know. This will help you achieve your goals faster These are the results you can have. All you have to do is click BUY. I look forward to taking our journey together-Dennis

Money Is Time

Stop and think about the following... Everything you have ever bought has been paid for with your time, with time from your own life: every cup of coffee, every new wardrobe item, latest gadget, newer smartphone, bigger TV, more powerful car. Three minutes, two hours, five days, seven weeks, three months, six years etc. These are, however, the price tags which are measured not in terms of dollars, but in terms of your time spent working and earning these dollars in order to buy yet another 'extremely important' thing for you. Such an insight is shocking, is it not? Welcome to the modern world! We are now all used to living this way. This has become the norm. And the key question is - are you doing this consciously, or unconsciously? This book will provide you with the key to the door of a financially-conscious life. You are the only one who can decide whether or not you will pass through this door. If you show the courage to do so, you will learn not just how to optimize your debts, correctly plan your budget, and distribute your private finances, but also you will realize and understand the true value of things. These skills will allow you to spend your money consciously, on what is truly important for you. Æ Open this door right now, and pass on through! Æ

Time Is the New Money

Time Is the New Money: A Walkthrough to Finding a Balance Between the Types of Wealth, Achieving Financial Freedom, and Experiencing a Lifestyle More Fulfilling to Your Soul How often do you forsake your mental and physical health only to meet that sales target? Did you not sacrifice your family time only to earn that extra money for sticking to an unsatisfactory lifestyle? Most people believe the word 'wealth' is related only to finance, but this is only one part of being wealthy. By the time you achieve the riches you were dreaming about, you will be losing out on the people you loved the most. Being wealthy in its true sense is not all about the numbers on your bank statement; it is about finding the balance between the four types of wealth to live freely for a fulfilling life. If you're earning millions at the cost of your health, social relationships, and the time you were supposed to spend with your loved ones, then you must redesign your lifestyle and prioritize your time wisely. To stop exchanging your time for money, Andrew Richards has summarized his knowledge and experience in the book "Time is The new Money" to achieve financial freedom and improve the quality of your life. In this book, you'll discover: The four forms of wealth: Learn how to balance financial and social wealth while prioritizing your time and health to avoid going down the road to self-destruction. The type of wealth you are building: Acknowledge the kind of wealth you are connecting more to your life and how you can achieve the wealth of fulfillment. The effective investment strategies: How you can successfully save your money in a way that helps it grow over time and apply the actionable advice to avoid the pitfalls. The ways to redesign your lifestyle: How to achieve the work-life balance and shift your mindset towards minimalism for a financially free

and fulfilling life. If you want to achieve financial freedom and lead a life of harmony, find the right balance of time and money!

How to Make a Six-Figure Income Working Part-Time

"How to Make a Six-Figure Income Working Part-Time" is a book to help you achieve the ever elusive state of work-life balance. The book explains that there are seven key areas of your life. Many people think that they must get the money first, before they can live their best life. In this book, the exactly opposite approach is described. Although, it may seem counter intuitive, financial abundance will be created as a by product of getting these specific areas of life in alignment. This book is about creating more fun and freedom in your life, by using simple tools and strategies. You can benefit in seven key areas of your life and the information is easy to apply for immediate results. Rebecca Whitman, the author, has synthesized teachings from the leading experts in order to save you time and money in seeking and comprehending this information on your own. "How to Make a Six-Figure Income Working Part-Time" is a fast and easy read. This is not a get rich quick book; or a gimmick to get you to sell no money down real estate; or how to make money working from home. Rather, it is an outline on how to have a happy, successful life. Money isn't everything in life, until you don't have it. Money buys freedom and this book teaches you not to be slave to money. But how money can create a happy and fulfilling life. Ms. Whitman has been making a six-figure income working part-time for over a decade. She shares practical advice on how you can apply these same principles to your life. Not many people have all seven areas of their life in balance, but all these areas are interwoven. One small tweak in your approach could be a huge game changer in your lifestyle. The author's digestible, down to earth approach makes you feel like you are having coffee and getting tips from your closest friend. If you are seeking to feel more empowered in areas of relationships, finances, emotional and physical well being, this book is for you!

Time, Team and Money

Want to have the mindset to be more successful? Time, Team and Money is Barry's journey from being a financially drained, overworked, self-employed landscape gardener... going round in circles, trying to make money, and not getting very far.....to owning a multimillion pound landscaping company that works day to day without needing to be around to handle anything.....and how the decision to read one book changed his fortunes.

The Book of Times

An endlessly fascinating, beautifully designed survey of time—how long things take, how long things last, and how we spend our days Our relationship to time is complex and paradoxical: Time stands still. Time also flies. Tomorrow is another day. Yet there's no time like the present. We want to do more in less time, but wish we could slow the clock. And despite all our time-saving devices—iPhones, DVRs, high-speed trains—Americans feel that they have less leisure time than ever. In an era when our time feels fractured and imperiled, The Book of Times encourages readers to ponder time used and time spent. How long does it take to find a new mate, digest a hamburger, or compose a symphony? How much time do we spend daydreaming, texting, and getting ready for work? The book challenges our beliefs and urges us to consider how, and why, some things get faster, some things slow down, and some things never change (the need for seven to eight hours of sleep). Packed with compelling charts, lists, and quizzes, as well as new and intriguing research, The Book of Times is an addictive, browsable, and provocative look at the idea of time from every direction.

Time Is Money

The new book, Time Is Money, comes from Kerry Given, the author of No Hype Options Trading, and discusses the concept of non-directional trading. The non-directional trader doesn't try to predict where the market is going; he uses a set of rules to react to today's price moves. Trading non-directionally is an attractive trading strategy that eliminates the stress of predicting the market.

Introduction to Electronic Commerce and Social Commerce

This is a complete update of the best-selling undergraduate textbook on Electronic Commerce (EC). New to this 4th Edition is the addition of material on Social Commerce (two chapters); a new tutorial on the major EC support technologies, including cloud computing, RFID, and EDI; ten new learning

outcomes; and video exercises added to most chapters. Wherever appropriate, material on Social Commerce has been added to existing chapters. Supplementary material includes an Instructor's Manual; Test Bank questions for each chapter; Powerpoint Lecture Notes; and a Companion Website that includes EC support technologies as well as online files. The book is organized into 12 chapters grouped into 6 parts. Part 1 is an Introduction to E-Commerce and E-Marketplaces. Part 2 focuses on EC Applications, while Part 3 looks at Emerging EC Platforms, with two new chapters on Social Commerce and Enterprise Social Networks. Part 4 examines EC Support Services, and Part 5 looks at E-Commerce Strategy and Implementation. Part 6 is a collection of online tutorials on Launching Online Businesses and EC Projects, with tutorials focusing on e-CRM; EC Technology; Business Intelligence, including Data-, Text-, and Web Mining; E-Collaboration; and Competition in Cyberspace. the following="" tutorials="" are="" not="" related="" to="" any="" specific="" chapter.="" they="" cover="" the="" essentials="" ec="" technologies="" and="" provide="" a="" guide="" relevant="" resources.="" p

Kindle: The Mini Missing Manual

So, you have your Kindle and are ready to start reading. Great! But did you know that you can play music on the Kindle while you are reading that new bestselling novel? How about sharing your thoughts about the book with friends via Facebook and Twitter? More than just an e-reader, Amazon's popular device lets you do those things and much more. You can create a custom calendar to help plan your day or remember your mom's birthday, calculate the tip at your favorite restaurant, and waste a little time and have fun playing games or surfing the web. Check out Kindle: The Mini Missing Manual to learn how to get the most out of your device.
