SEGONA EDICIÓ Els millors articles i cartes als diaris de Groucho Marx, un còmic universal, en una esplèndida traducció de Màrius Serra i Albert Nolla Si mai has rigut veient una pel·lícula dels Germans Marx, has de comprar aquest llibre. Si no has rigut, compra'l igualment i almenys que rigui l'editor. Hi podreu llegir les propostes més enginyoses de Groucho Marx per trobar un lloc on viure (cabines de telèfons, formigoneres, arbres), les seves desventures en teatres de mala mort, les paraules immortals de Harpo sobre el whisky escocès, i inestimables reflexions marxistes sobre l'art de flirtejar amb les dones, a quin cavall apostar o com invertir (i arruïnar-se) en borsa. Groucho Marx Julius Henry Marx va néixer el 1895 a la ciutat de Nova York. Fill d'un modest sastre alemany d'origen jueu, va crear amb els seus germans «Chico» (Leonard, 1891-1961), «Harpo» (Arthur, 1893-1964), «Gummo» (Milton, 1894-1977) i «Zeppo» (Herbert, 1901-79) un grup de varietats comicomicals de gran popularitat. Amb ells va fer per al cinema una sèrie de films d'un humor disbauxat i enginyós que esdevindria un gènere irreplicable. D'aquest període són les seves pel·lícules: «The Cocoanuts» (1929), «Monkey Business» (1931), «Duck Soup» (1933), «A Night at the Opera» (1935), «A Day at the Races» (1936), «Room Service» (1938), «At the Circus» (1938), «Go West» (1940) i «Love Happy» (1948). Al teatre, amb obres com «Time for Elizabeth» (1948), a la ràdio, amb programes com «Pabst Blue Ribbon Town» (1943), i a la televisió amb «You Bet your life» (1947), va aconseguir èxits que el van mantenir com un referent universal. Va morir l'any 1977.

El Abc De La Consultoría

Paraguay has been called the least-known country in Latin America, an island surrounded by land, and the "South American Tibet." For many years, foreign writers and journalists described it as an enigmatic land where a peculiar people endured calamities and Nazis sought refuge. Tomas Mandl spent 2016 to 2020 traveling through the country, meeting leading minds and sifting through data. Drawing on more than 40 interviews with historians, political scientists, economists, journalists and diplomats, this book provides a timely assessment of Paraguay's strengths, challenges and developmental outlook, and their implications for the world.

Modern Paraguay

"Included among these essays are his featherbedding campaign against standardization of cots, a defense of bedbugs, and a full chapter on 'The Advantages of Sleeping Alone.' Not only has Groucho made his BEDS; he lies in it. Call him bedroom radical, call him dreamer, call him collect, Groucho's BEDS is the last word on bedroom bedlam, and 'no Marx ever breaks his word-except maybe to an employer, the landlord or a lady" --

But Groucho Marx, like Stefan Kanfer's biography, consists of much more than just throwaway jokes. Beneath the most famous Marx Brother's one-liners can carefree attitude was a life dominated by

deep sadness, professional dissatisfaction and personal turmoil. Now, for the first time, one of the most influential and revered comedians of the 20th century is revealed in all his fascinating complexity.

This Pocket Essential includes a concise look at the incredible career of this unforgettable troupe, from their beginnings on the vaudeville circuit, to becoming Broadway stars, to their classic film stardom. All of the films, the co-stars, the plotlines, and all of the background tales are included. En esta novela sentimental, Irene de Lezo nos asoma a sus pensamientos más íntimos, los de una mujer atractiva y de original inteligencia inmersa en una espiral de improbable enamoramiento. También su círculo de amigos la ocupa. Ella y ellos se enfrentan al mundo y a sus convenciones elementales sin tabúes y con sutileza sospechosa. Es por esto por lo que su vida se desenvuelve acaso más intensamente de lo que en un principio desearían. Gracias a ello, el lector descubre los entresijos de sentimientos y sensaciones perpetuos y universales.

Groucho

Este libro muestra, de forma visual, amena e intuitiva, y con un lenguaje claro y directo, que los fallos que limitan nuestro desarrollo personal y profesional se pueden agrupar en tres tipos: errores de planificación, errores de dirección (de uno mismo o de otros) y errores de control (de uno mismo, de otros o de la situación); y que estos errores se refieren a cuatro ámbitos: conocerse (a uno mismo), conocer (el entorno), dirigirse (a uno mismo) y dirigir (a otros). Para sacar el máximo partido al libro, propone tres vías de lectura diferentes. • De principio a fin. • Por bloques. • Leer los distintos errores sin seguir un orden predeterminado. Además, es adecuado si se dispone de poco tiempo. Por otra parte, el libro es una invitación a la reflexión del lector. Personalmente, ¿qué errores consideras más

importantes? ¿Cuáles te parecen más fáciles y más difíciles de evitar? ¿En cuáles necesitas mejorar? ¿Cuáles cometen las personas que aprecias y cómo podrías ayudarlas (y ayudarte) a partir de los consejos que proporciona el libro?

Bruce Springsteen est une figure incontournable du rock américain, ayant à son actif une carrière prolifique, marquée par des albums devenus cultes et des prises de position personnelles marquées. Cet ouvrage retrace dans le détail la construction et l'évolution de celui que l'on appelle désormais le « Boss », tout en l'inscrivant dans un cadre plus large, s'attachant à la contextualiser dans l'histoire des États-Unis et faisant des références multiples à la musique américaine, source d'inspiration inépuisable de celui qui déclara : « Elvis a libéré les corps alors que Bob Dylan a libéré les esprits... »

LOS 100 ERRORES EN EL DESARROLLO DE HABILIDADES DE GESTIÓN

Este Diccionario no sólo es breve por el espacio dedicado al significado de cada término relacionado con la creación humorística y los datos profesionales de cada creador de humor, sino también porque es imposible que estén presentes en esta selección todos los humoristas escénicos, audiovisuales, gráficos, literarios, musicales, etcétera, de todos los tiempos y de todos los países de la Tierra. Ha llevado años de investigación y recopilación lo que usted puede leer en este libro. Pero es una obra descomunal y ambiciosa, como para pensar que esté completamente terminada. Si dudas, este es un trabajo abierto al enriquecimiento constante. Esperamos que este Breve Diccionario del humor sea de utilidad para estudiosos e investigadores sobre el tema, profesionales, críticos, periodistas y estudiantes; pero también, por supuesto, sea disfrutable para todos los interesados en conocer el fascinante universo del humor.
