The Lady in Gold

The spellbinding story, part fairy tale, part suspense, of Gustav Klimt's Portrait of Adele Bloch-Bauer, one of the most emblematic portraits of its time; of the beautiful, seductive Viennese Jewish salon hostess who sat for it; the notorious artist who painted it; the now vanished turn-of-the-century Vienna that shaped it; and the strange twisted fate that befell it. The Lady in Gold, considered an unforgettable masterpiece, one of the twentieth century's most recognizable paintings, made headlines all over the

world when Ronald Lauder bought it for \$135 million a century after Klimt, the most famous Austrian painter of his time, completed the society portrait. Anne-Marie O'Connor, writer for The Washington Post, formerly of the Los Angeles Times, tells the galvanizing story of the Lady in Gold, Adele Bloch-Bauer, a dazzling Viennese Jewish society figure; daughter of the head of one of the largest banks in the Hapsburg Empire, head of the Oriental Railway, whose Orient Express went from Berlin to Constantinople; wife of Ferdinand Bauer, sugar-beet baron. The Bloch-Bauers were art patrons, and Adele herself was considered a rebel of fin de siècle Vienna (she wanted to be educated, a notion considered "degenerate" in a society that believed women being out in the world went against their feminine "nature"). The author describes how Adele inspired the portrait and how Klimt made more than a hundred sketches of her—simple pencil drawings on thin manila paper. And O'Connor writes of Klimt himself, son of a failed gold engraver, shunned by arts bureaucrats, called an artistic heretic in his time, a genius in ours. She writes of the Nazis confiscating the portrait of Adele from the Bloch-Bauers' grand palais; of the Austrian government putting the painting on display, stripping Adele's Jewish surname from it so that no clues to her identity (nor any hint of her Jewish origins) would be revealed. Nazi officials called the painting, The Lady in Gold and proudly exhibited it in Vienna's Baroque Belvedere Palace, consecrated in the 1930s as a Nazi institution. The author writes of the painting, inspired by the Byzantine mosaics Klimt had studied in Italy, with their exotic symbols and swirls, the subject an idol in a golden shrine. We see how, sixty years after it was stolen by the Nazis, the Portrait of Adele Bloch-Bauer became the subject of a decade-long litigation between the Austrian government and the Bloch-Bauer heirs, how and why the U.S. Supreme Court became involved in the case, and how the Court's decision had profound ramifications in the art world. A riveting social history; an illuminating and haunting look at turn-of-the-century Vienna; a brilliant portrait of the evolution of a painter; a masterfully told tale of suspense. And at the heart of it, the Lady in Gold—the shimmering painting, and its equally irresistible subject, the fate of each forever intertwined.

Ernst Ludwig Kirchner

A founding member of the early twentieth century German avant garde artists' group "Die Brücke," Ernst Ludwig Kirchner moved to Berlin in 1912 and became enthralled by what he called "the symphony of the great city." He responded to the intensity of Berlin's street life by recording the urban spectacle around him--most notably in "Berlin Street Scene" (1913-14), which is widely considered one of the greatest German paintings of the twentieth century. This beautifully illustrated, scholarly volume--written and edited by the noted independent curator and art historian Pamela Kort--provides a full exploration of the history and significance of Kirchner's masterpiece. Featuring full reproductions and details of "Berlin Street Scene" and other related artworks, as well as plentiful documentary photographs and supporting materials, this volume illuminates the ominous force of nervous energy and sexual tension that Kirchner sensed lurking beneath the veneer of civilized life.

Gustav Klimt

The prince of decadence: Looking at Klimt in a whole new light: a groundbreaking monograph The countless events being held to celebrate the 150th anniversary of his birth make a clear statement to the enduring appreciation for the work of Gustav Klimt. Not that it takes such a special occasion for the press and the public to start talking about Klimt. More than two hundred articles about the artist appeared online in August 2011 alone, in comparison with barely seventy on Rembrandt within the same period. This media publicity set editor Tobias G. Natter thinking about the value of compiling the present book. During his lifetime, Klimt was a controversial star whose works made passions run high; he stood for Modernism but he also embodied tradition. His pictures polarized and divided the art-loving world. Journalists and general public alike were split over the question: For or against Klimt? The present publication therefore places particular emphasis upon the voices of Klimt's contemporaries via a series of essays examining reactions to his work throughout his career. Subjects range from Klimt's portrayal of women to his adoption of landscape painting in the second half of his life. The cliché that Gustav Klimt was a man of few words who rarely put pen to paper is vehemently dispelled: no less than 179 letters, cards, writings and other documents are included in this monograph. This wealth of archival material, assembled here for the first time on such a scale, represents a major contribution to Klimt scholarship. Defining features of this edition: Catalog of Klimt's complete paintings All known letter

correspondence Featuring new photographs of the Stoclet Frieze commissioned exclusively for this book Contributing authors: Evelyn Benesch, Marian Bisanz-Prakken, Rainald Franz, Anette Freytag, Christoph Grunenberg, Hansjörg Krug, Susanna Partsch, Angelina Pötschner and Michaela Reichel

The Pretender's Lady

From the author of *The Last Testament* comes the true love of Bonnie Prince Charlie, her adventures in America and her lasting legacy. In the page-turning popular genre trail-blazed by Antonia Fraser and Philippa Gregory, *The Pretender's Lady*, Alan Gold's meticulously researched novel, accurately opens history's pages on a peerless woman who helped change the course of history and whose legend lives on in Scotland today—Flora MacDonald. She was the most famous Scotswoman of her day, single handedly saving Bonnie Prince Charlie. This is her fictionalized life story—her relations with the Prince, her flight to America, Ben Franklin's influence, and her return to Britain to lobby for peace. But what's hidden from history, revealed now for the first time in Gold's dazzling new work of fiction, is the result of Flora's and Charlie's love: a beautiful and talented boy raised on an American farm. But only she knows his true heritage and his claim to the world's greatest throne. And only the genius of Ben Franklin understands how to use this naïve boy to change the history of America. Skyhorse Publishing, as well as our Arcade, Yucca, and Good Books imprints, are proud to publish a broad range of books for readers interested in fiction—novels, novellas, political and medical thrillers, comedy, satire, historical fiction, romance, erotic and love stories, mystery, classic literature, folklore and mythology, literary classics including Shakespeare, Dumas, Wilde, Cather, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Gustav Klimt

Gustav Klimt's art thoroughly expresses the apocalyptic atmosphere of Vienna's upper middle-class society - a society devoted to the cultivation of aesthetic awareness and the cult of pleasure. The ecstatic joy which Klimt and his contemporaries found - or hoped to find - in beauty was constantly overshadowed by death. And death therefore plays an important role in Klimt's art. Klimt's fame, however, rests on his reputation as one of the greatest erotic painters and graphic artists of his times. In particular, his drawings, which have been widely admired for their artistic excellence, are dominated by the erotic portrayal of women. Klimt saw the world "in female form". The Accidental Caregiver

"From the most unlikely of unlikely romances comes a deeply felt, touching, humorous exploration of what love and age mean in today's world. I can't recommend this book highly enough." -- Stan Evans, Emmy-award winning writer, and author of *Box of Mustaches* When thirty-two-year-old actor Gregor Collins reluctantly interviewed for a job as a caregiver more out of a favor to a friend - he had no idea his life was about to change forever. Seconds into the chance meeting in 2008 with, it would turn out, a world-renowned Holocaust refugee named Maria Altmann, there was an unexplainable magic in the air - it felt as if they had already met. And Collins was suddenly thrown into a situation with which he had never before been confronted: caring for someone other than himself. Gregor offers us a personal and unprecedented look at Maria over the three intimate years he cared for her - her thrilling escape from the Nazis, her fight and subsequent win in the landmark Supreme Court Case to return original Gustav Klimt artwork that belonged to her family in Austria, and the extraordinary people she met along the way. But the real heart of the story transcends mere historical facts. Through a refreshingly raw portrayal of their unlikely and unbreakable bond, imbued with humorous, candid anecdotes about his mercurial relationship with Hollywood, Gregor takes us on a deeply emotional journey of how he opened up his heart to a 92-year-old woman in need - and in turn experienced the love he had been searching for his entire life.

Lady Almina and the Real Downton Abbey

'Bright, breezy and unpretentious' Guardian 'A loving and faithful portrait of Almina and her world' Countryfile magazine * * * * * The story of the real Downton Abbey, told by Lady Fiona Carnarvon, chatelaine of Highclere Castle where the phenomenally successful TV series was filmed. Lady Fiona Carnarvon became the chatelaine of Highclere Castle - the setting of the hit series *Downton Abbey* - eight years ago. In that time she's become fascinated by the rich history of Highclere, and by the

extraordinary people who lived there over the centuries. One person particularly captured Fiona's imagination - Lady Almina, the 5th Countess of Carnarvon. Almina was the illegitimate daughter of banking tycoon Alfred de Rothschild. She was his only daughter and he doted on her. She married the 5th Earl of Carnarvon, at 19, with an enormous dowry. At first, life at Highclere was a dizzying mix of sumptuous banquets for 500 and even the occasional royal visitor. Almina oversaw 80 members of staff - many of whom came from families who had worked at Highclere for generations. But when the First World War broke out, life at Highclere changed forever. History intervened and Almina and the staff of Highclere were thrown into one of the most turbulent times of the last century. Almina was forced to draw on her deepest reserves of courage in order to ensure her family, the staff and the castle survived. This is the remarkable story of a lost time. But Highclere remains and in this book, Fiona weaves Almina's journey and those of her family into the heritage and history of one of England's most exquisite Victorian castles.

The Book of Gold

Award-winning illustrator Bob Staake (*Bluebird* and *The Red Lemon*) brings us an emotionally rich picture book about a boy who discovers that the search for knowledge is more important than knowledge itself. Young Isaac Gutenberg isn't a curious boy . . . that is, until he meets an old shopkeeper who tells him about *The Book of Gold*. This special book, hidden somewhere in the world, holds all the answers to every question and turns to solid gold when opened. Isaac is determined to find the book—it will make him rich! He opens many books in his search, but quickly closes them when they don't turn to gold. That changes one day when he opens a book, looks at the page, and a question pops into his mind. From then on, he reads every word. Time passes and Isaac ages, but he still scours dusty attics and flea markets, crisscrossing the world, searching for *The Book of Gold*. This sweeping picture book asks important questions: Is searching for knowledge better than having it? How important is curiosity? And what makes a life meaningful?

Rescuing Da Vinci

Uses photographs to tell the untold story of the "Monuments Men" and their discovery of more than 1,000 repositories, many of which contained paintings, sculpture, furniture, and other treasures stolen by the Nazis.

The Lady of the Sorrows

A courageous maiden searches for her forgotten history as her king wages desperate war on malevolent creatures known as the unseelie, who are plotting the destruction of all humankind. The newly named Lady of the Sorrows must carry important tidings to the King-Emperor of Caermelor. In her heart she longs to encounter the king's ranger Thorn, a dark-haired warrior of bewitching beauty and unsurpassed skill. But upon reaching the royal court, she learns that the ruler and his men have gone to war against the forces of wickedness threatening the mortal realms. As the lady awaits their return, a dreadful suspicion unfolds: The brutal Lord Huon and his monstrous Wild Hunt are attacking again and again. Is she the target they seek? The 2nd book in the acclaimed *Bitterbynde* Trilogy, *The Lady of the Sorrows* confirms author Cecilia Dart-Thornton's standing as a bold, fresh, and vitally important voice in fantasy fiction. Ingeniously weaving the ancient legends and folklore of the British Isles into a rich and colorful tapestry, she has created an epic work of the imagination, a uniquely unforgettable heroine, and a fantasy adventure for the ages.

The Painted Kiss

In the tradition of "The Girl with the Pearl Earring" and "The Girl in Hyacinth Blue," a beautiful, atmospheric, and sensual debut re-imagines the tempestuous relationship between painter Gustav Klimt and Emilie Floege, the youngest daughter of a bourgeois businessman.

The Gold Leaf Lady and Other Parapsychological Investigations

For over thirty years, Stephen Braude has studied the paranormal in everyday life, from extrasensory perception and psychokinesis to mediumship and materialization. *The Gold Leaf Lady and Other Parapsychological Investigations* is a highly readable and often amusing account of his most memorable encounters with such phenomena. Here Braude recounts in fascinating detail five particular cases—some that challenge our most fundamental scientific beliefs and others that expose our own

credulousness. Braude begins with a south Florida woman who can make thin gold-colored foil appear spontaneously on her skin. He then travels to New York and California to test psychokinetic superstars—and frauds—like Joe Nuzum, who claim to move objects using only their minds. Along the way, Braude also investigates the startling allegations of K.R., a policeman in Annapolis who believes he can transfer images from photographs onto other objects—including his own body—and Ted Serios, a deceased Chicago elevator operator who could make a variety of different images appear on Polaroid film. Ultimately, Braude considers his wife's surprisingly fruitful experiments with astrology, which she has used to guide professional soccer teams to the top of their leagues, as well as his own personal experiences with synchronicity—a phenomenon, he argues, that may need to be explained in terms of a refined, extensive, and dramatic form of psychokinesis. Heady, provocative, and brimming with eye-opening details and suggestions, *The Gold Leaf Lady and Other Parapsychological Investigations* will intrigue both adherents and detractors of its controversial subject matter alike.

Lost Lives, Lost Art

The legendary names include Rothschild, Mendelssohn, Bloch-Bauer--distinguished bankers, industrialists, diplomats, and art collectors. Their diverse taste ranged from manuscripts and musical instruments to paintings by Old Masters and the avant-garde. But their stigma as Jews in Nazi Germany and occupied Europe doomed them to exile or death in Hitler's concentration camps. Here, after years of meticulous research, Melissa Müller (*Anne Frank: The Biography*) and Monika Tatzkow (*Nazi Looted Art*) present the tragic, compelling stories of 15 Jewish collectors, the dispersal of their extraordinary collections through forced sale and/or confiscation, and the ongoing efforts of their heirs to recover their inheritance. For every victory in the effort to return these works to their rightful heirs, there are daunting defeats and long court battles. This real-life legal thriller follows works by Rembrandt, Klimt, Pissarro, Kandinsky, and others. Praise for *Lost Lives, Lost Art*: "A heartbreaking and enthralling story of the brutal and mindless Nazi destruction of a singularly cultivated caste of rich German and Austrian Jews and the pillage of their great art collections: a world that was lost and could never be recreated." ~ Louis Begley "Each chapter focuses on a single collector. . . the adulatory profiles [are] matched with an attractive layout and an abundance of well-selected images." ~ *Wall Street Journal* "The book is meticulously researched, brilliantly and dispassionately written, and is in all likelihood a game changer in the world of art, art provenance, and art restitution that will resound for years to come." ~ *ForeWord Reviews* "Richly illustrated with excellent art reproductions and family photographs, this is a solid addition to works on Nazi art plundering and the world of art restitution, ownership, and property rights. This will be of great interest to readers wanting to know more about upper-class Austrian and German Jews. Recommended." ~ *Library Journal*

Klimt's Women

Viennese artist Gustav Klimt (1862-1918) was known for his paintings of women--from classic portraits to erotic drawings. In this first survey of Klimt's approach to the female form, readers can view samples of his work and learn how fundamental changes in the social structure at the turn of the century raised women's status on ideological and cultural levels. 220 bandw, 133 color illustrations.

Pinocchio

Though one of the best-known books in the world, *Pinocchio* at the same time remains unknown—linked in many minds to the Walt Disney movie that bears little relation to Carlo Collodi's splendid original. That story is of course about a puppet who, after many trials, succeeds in becoming a "real boy." Yet it is hardly a sentimental or morally improving tale. To the contrary, *Pinocchio* is one of the great subversives of the written page, a madcap genius hurtled along at the pleasure and mercy of his desires, a renegade who in many ways resembles his near contemporary Huck Finn. *Pinocchio* the novel, no less than *Pinocchio* the character, is one of the great inventions of modern literature. A sublime anomaly, the book merges the traditions of the picaresque, of street theater, and of folk and fairy tales into a work that is at once adventure, satire, and a powerful enchantment that anticipates surrealism and magical realism. Thronged with memorable characters and composed with the fluid but inevitable logic of a dream, *Pinocchio* is an endlessly fascinating work that is essential equipment for life.

Munich Art Hoard

In February 2012, in a Munich flat belonging to an elderly recluse, German customs authorities seized an astonishing hoard of more than 1,400 paintings, drawings, prints and sculptures. When Cornelius

Gurlitt's trove became public in November 2013, it caused a worldwide media sensation. Catherine Hickley has delved into archives and conducted dozens of interviews to uncover the story behind the headlines. Her book illuminates a dark period of German history, untangling a web of deceit and silence that has prevented the heirs of Jewish collectors from recovering art stolen from their families more than seven decades ago by the Nazis. Hickley recounts the shady history of the Gurlitt hoard and brings its story right up to date, as 21st-century politicians and lawyers puzzle over the inadequacies of a legal framework that to this day falls short in securing justice for the heirs of those robbed by the Nazis.

Short Nights of the Shadow Catcher

The Monuments Men

Now a major film starring GEORGE CLOONEY, MATT DAMON, CATE BLANCHETT, BILL MURRAY, JOHN GOODMAN, HUGH BONNEVILLE, BOB BALABAN, JEAN DUJARDIN and DIMITRI LEONIDAS. What if I told you that there was an epic story about World War II that has not been told, involving the most unlikely group of heroes? What if I told you there was a group of men on the front lines who didn't carry machine guns or drive tanks; a new kind of soldier, one charged with saving, not destroying. From caves to castles in a thrilling race against time, these men risked their lives daily to save hundreds of thousands of the world's greatest works of art. THEY were the Monuments Men, and THIS is their extraordinary true story. 'Remarkable' Washington Post 'Engaging, inspiring' Publishers Weekly

Stolen Legacy

"This former BBC journalist's passionate search for justice is a suspenseful confrontation with World War II history. A fascinating journey." --Anne-Marie O'Connor, national bestselling author of *The Lady in Gold* Dina Gold grew up hearing her grandmother's tales of the glamorous life in Berlin she once led before the Nazis came to power and her dreams of recovering a huge building she claimed belonged to the family - though she had no papers to prove ownership. When the Wall fell in 1989, Dina decided to battle for restitution. Built by Dina's great grandfather in 1910, the property was the business headquarters of the H. Wolff fur company, one of the largest and most successful in Germany during the early part of the last century. In 1937, the Victoria Insurance Company foreclosed on the mortgage and transferred ownership of Krausenstrasse 17/18 to the Reichsbahn, Hitler's railways, that later transported millions of Jews across Europe to the death camps. The Victoria, headed then by a German businessman and lawyer with connections to the very top of the Nazi Party, is still today one of Germany's leading insurance companies. But during the war it was part of a consortium insuring workshops at Auschwitz. When the Third Reich was defeated in 1945 the building lay in the Soviet sector - just past Checkpoint Charlie - and beyond legal reach.

The Lady in Red

"Wonderful! A charming, clever, and engaging storyteller not to be missed." -- Sarah MacLean, New York Times bestselling author A lady with secrets, a man with a burning desire, a love that breaks all the rules Lady Charlotte Beaumont has spent her whole life being ignored. By her parents, her brother, even the servants. So she was secretly able to develop her talent for painting well beyond the usual watercolors. Too bad no one will let her actually use it-women are rarely accepted into the Royal Academy. But when a connection at the Haverhall School for Young Ladies gets Charlotte her dream commission, she'll do whatever it takes to make it work. Including disguising herself as "Charlie." Flynn Rutledge has something to prove. His lowly upbringing is not going to stop him from achieving his artistic dreams. This commission is the key to his future, and his partner, an unknown youth in oversized clothes who is barely old enough to shave, doesn't exactly inspire confidence. But Charlie does inspire Flynn's artistic passion-something he worried he might have lost forever. For all his street smarts, nothing can prepare Flynn for the shock of Charlie's true identity. He doesn't care that she's a woman, but a lady of the ton is a different matter altogether . . .

Egon Schiele's Portraits

Egon Schiele was a meteor that flashed across the galaxy of Viennese art at the beginning of the last century. Although he lived only twenty-eight years-dying quite suddenly of influenza in 1918 just as World War I came to an end-he left a stunning pictorial oeuvre. Schiele's obsession with sexuality, his own and that of others, made him at once a voyeur and a participant in that sexual imperative which Freud was simultaneously plumbing with such unsettling results. The disturbing revelations of Schiele's unmasking portraiture and of the new science of psychology disclosed a collective cultural anxiety during the last years of the crumbling Austrian empire. As a seer into the souls of his sitters, Schiele redefined portraiture in the age of Angst. Alessandra Comini is University Distinguished Professor of Art History Emerita at Southern Methodist University, where she taught for thirty-one years after having served on the faculty at Columbia University for ten years. She is the author of eight books, one of which, "Egon Schiele's Portraits," was nominated for the National Book Award. The Republic of Austria extended her its Grand Decoration of Honor in 1990. This is her third book on the artist; she has also published "Schiele in Prison," an extended essay and English translation of the 1912, makeshift diary Schiele kept during his twenty-four days in a provincial prison cell-a forgotten cell which she discovered and photographed in 1963. The cell is now part of a Schiele Museum in the village of Neulengbach. Her 2014 Megan Crespi mystery novel, "Killing for Klimt," is followed by "The Schiele Slaughters."

Gold Dust Woman

A NEW YORK TIMES BESTSELLER! "All you ever wanted to know about Fleetwood Mac's mesmerizing frontwoman." - People Magazine "Davis is astute and respectful...adept in his literary analysis." - The New York Times Book Review Stevie Nicks is a legend of rock, but her energy and magnetism sparked new interest in this icon. At sixty-nine, she's one of the most glamorous creatures rock has known, and the rare woman who's a real rock 'n' roller. Gold Dust Woman gives "the gold standard of rock biographers" (The Boston Globe) his ideal topic: Nicks' work and life are equally sexy and interesting, and Davis delves deeply into each, unearthing fresh details from new, intimate interviews and interpreting them to present a rich new portrait of the star. Just as Nicks (and Lindsey Buckingham)

The Lady In The Tower

Never before has there been a book devoted entirely to Anne Boleyn's fall. Now, Alison Weir's richly researched and impressively detailed portrait gives us the compelling story of the last days of history's most charismatic, controversial and tragic heroines. On 2 May, 1536, in an act unprecedented in English history, Anne Boleyn, Henry VIII's second wife, was imprisoned in the Tower of London. On 15 May, she was tried and found guilty of high treason and executed just four days later. Mystery surrounds the circumstances leading up to her arrest - did Henry VIII instruct Thomas Cromwell to fabricate evidence to get rid of her so that he could marry Jane Seymour? Did Cromwell, for reasons of his own, construct a case against Anne and her faction, and then present compelling evidence before the King? Or was Anne, in fact, as guilty as charged? In *The Lady in the Tower*, Weir has constructed a gripping tale of betrayal and treason, wrought with her trademark forensic research and penchant for an enthralling narrative. For Her Good Estate

-A revised, updated version of the enchanting biography of Elizabeth de Burgh, Lady of Clare, originally published in Britain and America in 1999 -Contains beautiful new illustrations and additional material -Elizabeth de Burgh was an unusual medieval woman that lived a fascinating, varied life - she promoted education and managed her own property, whilst also living in piety in her various dwellings in East Anglia, London, Wales and Ireland - all of which are shrewdly captured in this new title Elizabeth de Burgh was that unusual medieval woman, one who, after being widowed three times, held firmly on to her own property and managed it for her own and her family's benefit. The granddaughter of King Edward I, she lived during the turbulent reign of her uncle, Edward II, and survived to old age during the more settled times in the mid-fourteenth century when his son, Edward III, was on the throne. She was shrewd in her business dealings, cultivated men and women who would support and help her as both colleagues and friends, and lived a pious life in her various dwellings in East Anglia, London, Wales, and Ireland. She was unusual for the time in seeking to promote education, and as a result her name lives on today in her most prestigious foundation, Clare College, Cambridge. This book is a reprint with additional material and new illustrations of the original biography published both in Britain and America in 1999.

My Year with Eleanor

After losing her high-octane job as an entertainment blogger, Noelle Hancock was lost. About to turn twenty-nine, she'd spent her career writing about celebrities' lives and had forgotten how to live her own. Unemployed and full of self-doubt, she had no idea what she wanted out of life. She feared change—in fact, she feared almost everything. Once confident and ambitious, she had become crippled by anxiety, lacking the courage required even to attend a dinner party—until inspiration struck one day in the form of a quote on a chalkboard in a coffee shop: "Do one thing every day that scares you." —Eleanor Roosevelt

Painfully timid as a child, Eleanor Roosevelt dedicated herself to facing her fears, a commitment that shaped the rest of her life. With Eleanor as her guide, Noelle spends the months leading up to her thirtieth birthday pursuing a "Year of Fear." From shark diving to fighter pilot lessons, from tap dancing and stand-up comedy to confronting old boyfriends, her hilarious and harrowing adventures teach her about who she is and what she can become—lessons she makes vital for all of us.

Klimt

Gustav Klimt (1862-1918) is one of the most popular artists of the late 19th- and early 20th-centuries. A founding member of the Viennese Secession and a leader of the Art Nouveau movement, Klimt was an innovator who achieved success with large decorative schemes as well as smaller portraits and paintings. He is admired for his sensuous images of women and for his original vision, producing images such as *Love*, *The Three Ages of Man* and *The Kiss*.

Gustav Klimt at Home

Gustav Klimt at Home explores the influences of Vienna and other places Klimt travelled to and called home on his life and work. Klimt was one of the most prominent members of the Vienna Secession movement. He was both influenced by and shaped the city of Vienna at the turn of the century, undertaking several public commissions. Klimt travelled little, but trips to Venice and Ravenna, as well as annual summer holidays with the Flöge family on the shores of Attersee, were a source of inspiration and influence on his creative output. Fully illustrated, the book features paintings, archive imagery and photographs of the surrounding city and landscape to provide an insight into how the people and places of his life relate to his work.

Klimt and the Women of Vienna's Golden Age, 1900-1918

This authoritative and generously illustrated book highlights Gustav Klimt's portrayals of women in his work. Klimt was a central figure in Vienna at the turn of the twentieth century, and a crucial link between nineteenth-century Symbolism and Modernism. His sensual portrayals of women are among his most celebrated works and the focus of this book. Highlights of the publication include Klimt's most important society portraits, such as *Serena Lederer* (1899); *Gertrud Loew* (1902); *Adele Bloch-Bauer I* (1907); *Ma& da Primavesi* (1913); *Elisabeth Lederer* (1914–16); and *Ria Munk III* (1917). These works cover the gamut of Klimt's portrait style, from his early ethereal works influenced by Symbolism and the Pre-Raphaelite movement to his so-called "golden style," as well as his almost Fauvist depictions. These art works are complemented by preparatory Klimt sketches and decorative arts from the Wiener Werksta& tte.

Red Rising

Red Rising is the story of a society in a desolate future, riven by class conflict and shaken by the tremors of an impending revolution. But more than that, it's the story of Darrow--a secret revolutionary who is inspired not only by a longing for social justice, but by lost love. It's only when Darrow's beloved wife is executed by the oppressive government that he begins to question the harsh world he lives in. Recruited by an underground revolutionary cell, Darrow is given a perilous mission: infiltrate the academy that educates this elite--and become one of them.
