The 3 Keys to the Kingdom

Imagine how terrible it would be to find yourself a prisoner, locked behind bars with no chance of escape. The enemy has captured you with his lies and robbed you of your freedom. But a light suddenly dispels the darkness. You have a visitor! His eyes are full of compassion. "I have a key that opens all prison doors," He tells you gently. "The Spirit of the Lord is upon Me, because He anointed Me to preach the gospel to the poor. He has sent Me to proclaim release to the captives, and recovery of sight to the blind, to set free those who are oppressed." In The 3 Keys to the Kingdom: Binding, Loosing, and Knowledge, Mary Garrison imparts the wisdom she's gathered during her years of ministry. She shares personal experiences and testimonies of people who've been freed from Satan's grasp as she covers topics such as: How we know Christ chooses us Using our keys to save others Binding amiss for personal reasons Destroying the work of the devil Dealing with a perverse spirit Four things from which we must abstain God's solution for complete freedom And much more! Learn about the keys you hold that Satan cannot take away.

Three Keys to Spiritual Renewal

The Three Keys to Contentment offers the use of spiritual Keys to open emotional Locks preventing one from living a peaceful life. Regrets of the past open to Forgiveness, Self-pity of the present moment opens to Gratitude, and Fear of the future opens to Faith. Supported by quotes from spiritual leaders, authors and inspiring figures past and present, the author guides the reader through the process of discovering inner strength and freedom. Practices are given for using the keys to liberate ourselves from habitual patterns and open to contentment. It is a simple and universal spiritual message for daily living.

Marcia Rowe has focused her life on creating beauty in many forms. She received a BFA from Moore College of Art, Philadelphia, PA and is a fine artist, muralist and graphic designer. Marcia's spiritual journey has led her to write The Three Keys to Contentment . She lives in Berks County, Pennsylvania. Praise for The Three Keys to Contentment "Marcia has distilled the essence Eastern and Western wisdom that will generate much thought about the meaning and goal of one's life. Both the Buddhist concept of acceptance and transcendence and Jesus' teaching about forgiveness do not imply forgetfulness, but rather learning from the past and yielding any claims it might have on your future...Inner peace comes from knowing that one is loved by our Creator, that life has a purpose,

and that contentment is derived from satisfaction and fulfillment. Before one can look at the world, one must first look within in order to discover this. The Three Keys to Contentment will be a helpful guide to this awareness." --The Rev. Dr. Harry L. Serio, pastor, theologian, author of The Dwelling Place of Wonder "The gently delivered material, which is filled with love and compassion...is offered as a simple, accessible guide for modern life...I love the book and can think of a dozen people I'd like to hand it to, today." -- Sarajane Williams, MA, licensed psychologist, CCM, VAHT, editor, The Harp Therapy Journal "Marcia portrays a unique and creative approach for looking at one's life; the past, the present and the future. In allowing yourself to open your heart and to embark upon her journey, you may find the answers to the many questions for which you are searching." -- Samantha Wesner, MSN, CRNP, RNC, nurse practitioner and wellness enthusiast "Marcia is a skillful intuitive who has compassionately and clearly laid out a genuinely helpful book for those who become interested in awakening to inner guidance in the midst of life." -- Wali Ali Meyer, Universal Sufi master and co-author of Physicians of the Heart "The Three Keys to Contentment opened my eyes to the substantial abilities we already have inside us. Because of this book, I now recognize the keys in my own life and know how to use them." -- Jan McGinley Bubbenmoyer, author of The Tree of Love and visual stylist

The Three Keys to Contentment

The kingdom of God is divided into three sectors. We have the spiritual kingdom (Heavenly realm where the saints, holy angels and the saint's lives), the inner kingdom (the heart of the Christian) and the visible kingdom (the church on earth). The Kingdom of God is controlled by spiritual keys because God is a Spirit. Every kingdom has a key they use to operate. In the satanic kingdom, they have their keys. In the animal kingdom, they have their keys. In the metaphysical realm, there is a key, Psychics use to operate. The elemental spirits, the occult, the agents of Satan, the Muslims, the Pagans, the Buddhist, the Shinto's, the Jews, The Atheist, the Hindus, the humanist, the scientist, the free thinkers, the universalist, the Freemasons and other religious bodies have the keys they use to operate. Each Kingdom uses its keys to exalt their faith. The Christian must know certain rules and regulations that govern the Kingdom of God because ignorance of these deeper truths and keys allows the wicked to dominate. In this booklet, I have laid down deeper truth and keys every Christian must know to enable him to become resourceful. You can use my booklet as a teaching manual in your church and in various organizations. I have added four powerful chapters to the book to help broaden your spiritual strength in the Lord.

Three Spiritual Keys During Difficult Times

There are three components involved in one's spiritual journey through life. The first is our body. I have detailed the components within our body that affect us, and which can be worked on to help with our spiritual progress. The book has massage techniques that I've found useful in aiding both myself and others. It explains several physical-related spiritual indicators that one finds on the journey. It is also a record of my both usage and assessment of various physical healing treatments available.

Spiritual Keys For Life

This book is a "wake-up" call and a guide for Christians who are physically alive, but spiritually dead! Those who are Christian in name only! They do not attend regular worship services. They seldom communicate with God through prayer. They do not read the word of God or understand it. They do not live righteously because their lives are ruled by the sinful nature. They do not have the 'gift' of God, but expect to receive eternal life after death. However, many won't! Unless they repent, and receive the 'gift' of God, they will die in hell with the anti-Christ's and non-believers. This book is about the plan of God to reconcile humanity to himself through the sacrifice of Jesus Christ on the cross. His sacrifice enabled the coming of the Holy Spirit. Both are essential for spiritual growth in this life; and later eternal life in the kingdom of God. Without Jesus Christ and the Holy Spirit there is no spiritual growth or eternal life for anyone. In the 1st century A.D., a fraction of 1% of the world (the saints) received the 'gift' of God and eternal life, as prophesied [see Daniel 12:1-3]. The other 99.99999999% perished in hell! Today, nearly 33% of the world has received the "gift" of God. They are growing spiritually in 'this life' and will become spirit beings like the angels at the resurrection [see Luke 20:34-36]. The other 67% of the world (the anti-Christ's), however, will perish in hell. This, and much more, is revealed in the 'secrets' of the kingdom of God. Finally, this book provides biblical proof of the "second coming" of Christ and where he is on earth - today!

Spiritual Keys to the Holy Bible and the 'gift' of God

Nothing is more important than what a person believes about Jesus Christ. To understand Christ correctly is to understand the very heart of God, Scripture, and the gospel. To get to the core of this belief, this latest volume in the Foundations of Evangelical Theology series lays out a systematic summary of Christology from philosophical, biblical, and historical perspectives—concluding that Jesus Christ is God the Son incarnate, both fully divine and fully human. The Key to Experiencing Christ--the Human Spirit

Wherever there is life, there is increase and growth. In God's kingdom, there is a constant interchange of receiving and returning. Thus the capacity for receiving is increased. As one communicates the heavenly gifts to others, he makes room for fresh supplies to flow into his soul from the living fountain. Greater light, increased knowledge, and blessing are multiplied to him. Whoever is satisfied in receiving and never giving loses his capacity to receive. This is true in temporal as in spiritual things. There can be no life without growth. A plant must either grow or die. As its growth is silent and imperceptible, but continuous, so is the growth of character. The plant grows by receiving that which God has provided to sustain its life. Spiritual growth is attained through cooperation with divine agencies. As the plant takes root in the soil, so we are to take root in Christ. As the plant receives the sunshine, the dew, and the rain, so are we to receive the Holy Spirit. The object of the husbandman in sowing and planting is the production of grain--bread for the hungry, and seed for future harvests. So the divine husbandman looks for a harvest. He is seeking to reproduce himself in the hearts and lives of his followers, that through them he may be reproduced in other hearts and lives. Eight Keys takes you step-by-step through the process of spiritual growth and development.

God Encounters

King David's love for the Father gave him access to the presence of God in a time where, according to the Law of Moses, it was not permitted and warranted death. This love gave David access to hear the Father's voice, which positioned him to do the impossible, killing giants, conquering armies, equipping spiritual sons, and ruling nations. In this book, you will experience three spiritual life keys including:
-How the gifts of the Holy Spirit flow out of a heart given to love-How the gift of tongues is the key that

unlocks all of the gifts of the Holy Spirit-The connection between a desperate heart for the presence of God and the power of the Holy Spirit Get ready to experience the vast contrast between the heart of David versus the religious system that appears righteous, but does not know God intimately. David demonstrated such a unique love for the Holy Spirit that the Father declared that the coming messiah would be known as the Son of David and establish the promises given to David. Love truly conquers all!

6 Keys of Spiritual Transformation

This book presents the profound spiritual principles of "A Course in Miracles" with great simplicity. In the classic story "Les Misérables," the main character is forgiven and so turns his life around by seeing everything through the "eyes of forgiveness." Your life can also be transformed by practicing forgiveness and six other life-changing lessons from "A Course in Miracles." To understand the Course, you must have the humility to "stand under" its wisdom by letting go of the lessons you have taught yourself. "To learn this course requires willingness to question every value that you hold." To simplify your learning process, this book focuses on the seven pillars of thought that serve as a foundation for applying the Course to your daily life. The seven essential tools of the Holy Spirit are: forgiveness, Christ's vision, the holy instant, the holy relationship, the quiet time of meditation, miracles, and the Atonement. This book clarifies the significance of these seven tools of the Holy Spirit and also identifies the interrelationships between them, showing how they work together to unify the mind and bring about spiritual transformation. These are the keys to Heaven because the Holy Spirit uses them to enable you to awaken in your true Home in Heaven. This is the third book in a three-part series. The first book, "An Overview of 'A Course in Miracles,'" introduces the Course. The second book, "The Two-Month Bridge to 'A Course in Miracles,'" is a condensed version of the Course, including study questions and answers. The same questions raised in the second book are presented again in this third book, but this time are answered in a much more complete way to review and to build on what you have previously learned. Ideally all three books will be read in this consecutive sequence. However, these

are companion books that can be read in any sequence, and each book also stands on its own as a preparation for a more in-depth study and application of the Course.

Start with Jesus

Everyone, no matter how spiritual and energetic a person may be, needs to be intentional and make a strategic decision to make a personal investment in themselves for a time of enrichment. Even Jesus saw the need to get away and reset. Jesus was "busy" and He saw the need to step back and reset in prayer. Taking a personal retreat is not an "escape" but it is a time to "be" and then "listen" and then to "plan" what God calls you to do and then be "able" to have the emotional, mental, and physical energy to do it well. We are being pulled in a million ways. No one can sustain that kind of tension forever. Is there an answer to your need to retreat and refresh? I believe this practical resource you are holding in your hands is the tool you need to help you reset in three essential areas of life: Your personal life, your professional life and your spiritual life. The beauty behind "Mastering The Three Keys To Experiencing A Quality Life" is that it is simple to use but profound in its process.

Fasting: The Key to Spiritual Wisdom

In the midst of COVID-19, a full-blown pandemic-along with numerous other worldwide atrocities, calamities, devastation, and tragedies-Rev. Dr. Vic Beasley writes that too many of God's children are "catching hell"-caught up in a perversion that clearly goes against God's will. Even before the outbreak in 2020, the focus of many high-profile, celebrity-status pastors, preachers, and teachers, with their followers, was primarily based on financial prosperity, personal accomplishment, and material gain. This misguided focus on religion and worldly wisdom, as opposed to a true relationship with God, has left countless people emotionally, psychologically, and spiritually bankrupt and unfulfilled. Reverend Beasley changes the focus to spiritual prosperity, personal accountability, and godliness with contentment. In *Catching Heaven: The Keys to Spiritual Funding*, Reverend Beasley establishes a personal approach for the advancement of the kingdom of Jesus Christ here on earth. The primary goal of *Catching Heaven* and spiritual funding is the furtherance of the church without walls by the emotional, psychological, and spiritual maturity of each individual during the last days. Based on godly wisdom and revelation insights found in Matthew 16:16–19, Romans 8:14–19, and Revelation 20:4–6, he provides practical guidance for continuing in the Word during troubled times as never before. Contrary to the popular Epicurean spirit of today, Beasley offers keys, concepts, and insights advanced by Soren Kierkegaard's "Christian Existentialism" and Viktor Frankl's logotherapy. Reverend Beasley offers inspirational growth for "born-again believers" of all faiths and religions. Ultimately, *Catching Heaven: The Keys to Spiritual Funding* serves to help prepare the church for the Second Coming of Jesus Christ.

How to Master Abundance and Prosperity...The Ancient Spiritual Keys to Success.

Written mostly in prose, "Uncovering and Discovering the KEY to Spiritual Growth" is sprinkled with some beautiful and transforming original poetry. It is a fascinating story of one man's attempt to make sense out of a world turned upside down. In the midst of personal disaster, Rich Kae asked, "How do you find meaning in a world where all the givens are gone?" He started looking for the key or answer to this question by addressing the only thing he knew for certain -HIS PAIN! One chapter in the book entitled, "Pain is your Friend" reveals how being honest with and accepting his pain helped him to discover a new foundation upon which he could start to rebuild his life "one day at a time." The Book reflects the Author's broad experience and education in the fields of psychology, religion, philosophy and the sciences. Many readers responded positively after having read the pre-publication manuscript. One such response by Rev. Donald Tastad reads, "One cannot read it without asking the most basic and important questions in life. One finds ample answers to those questions and of more importance, a way of life that leads to fulfillment and meaning."

These Three

Many Christians think of end times prophecy as a gigantic, intimidating puzzle -- difficult to piece together and impossible to figure out. But every puzzle can be solved if you approach it the right way. Paul Benware compares prophecy to a picture puzzle. Putting the edge pieces together first builds the 'framework' that makes it easier to fit the other pieces in their place. According to Benware, the framework for eschatology is the biblical covenants. He begins his comprehensive survey by explaining the major covenants. Then he discusses several different interpretations of end times prophecy. Benware digs into the details of the Rapture, the Great Tribulation, the judgements and resurrections, and the millennial kingdom. But he also adds a unique, personal element to the study, answering questions as: -Why study bible prophecy? -What difference does it make if I'm premillennial or amillennial? If what the Bible says about the future puzzles you, Understanding End Times Prophecy will help you put together the pieces and see the big picture.

Uncovering and Discovering the Key to Spiritual Growth

The authors demonstrate that much of Jesus' teaching has been lost -- either removed from the Gospels, suppressed, kept secret for those being initiated into the deeper mysteries, or never written down at all. Then, in modern vernacular, they present a bold reconstruction of the essence of Jesus' message -- the lost teachings Jesus gave his disciples 2000 years ago on karma, reincarnation, good and evil, and how to reunite with the Higher Self. Includes 32 Roerich art reproductions and illustrations of the chakras in the body of man.
