The Dead Man's Ink Series

Sophia Sometimes, you don't mean to become another person. Sometimes the choice is made for you, and pretending is the only thing that keeps you going. When Alexis Romera is taken and her kidnappers find her fake ID in her purse, she must become Sophia in order to keep her family safe. Revealing her real identity to the man she's sold to would be easy enough, but can she trust him? Hell bent on revenging the murder of his uncle, Rebel doesn't seem all that interested in playing things safe. In fact, nothing about the secretive, dark and brooding MC president seems safe at all. Rebel What do you do when the man who raised you is murdered, and the only witness is kidnapped girl who's being sold as a sex slave? You buy her, of course. As president to the most powerful motorcycle club in America, Rebel isn't lacking in power. There are strings the man can pull, and entire criminal organisations and corporate businesses alike would fall to their knees. However, along with such power comes intense interest. The DEA have their eye fixed solely on the MC...and they're just waiting for Rebel to trip up. Getting Sophia to testify is the only way to bring the Los Oscuros cartel down. The beautiful, dark haired,

dark eyed woman is belligerent and uncooperative and unlikely to bend to his will, but Rebel has a few tricks up his sleeve to make her compliant--he'll charm her until she's bending over backwards to please him. Of course, falling for her might cause a few hiccups along the way... * The Dead Man's Ink series contains strong ties with the Blood & Roses series, but you do not have to have read those works in order to read this one. The Dead Man's Ink series is contemporary romance story with occasional dark themes that some people might find confronting. *

Ransom

SOPHIA 6 Months A lot can happen in six months. A heart can break and heal countless times. A life can change so dramatically that it's unrecognizable anymore. Sophia was a ghost, a made up pseudonym on a fake ID that helped Alexis buy beer. She was never meant to become a real person. She was never meant to live. Breathe. Hurt. Love. It's funny how one moment can alter the course of a lifetime. Now Alexis is a ghost, and Sophia is all that remains. But what happens when the threats you're terrified to acknowledge come true? What happens when your loved ones are in danger, and facing the past is the only way to save them? The newest prospect of the Widow Makers Motorcycle club is about to find out. REBEL Louis James Aubertin III has always been single minded in his goal: bring down the Los Oscuros cartel, and kill Hector Ramirez for ordering the death of his uncle. Over the course of the last 6 months, things don't seem that cut and dried anymore, though. If chasing down Hector means endangering the woman he loves, is it really worth the risk? If sending his club to war against one of the most dangerous cartels in the world means ruining the one good thing in his life, is the price worth paying? Jamie will do anything to protect Sophia, but with Hector kidnapping her family members and demanding the greatest of ransoms, keeping her safe is beginning to seem like an impossible task.

The Rebel of Raleigh High

* The Rebel of Raleigh High is the first book in the Raleigh Rebels Series. Please be advised, this book comes with a trigger warning. Intended for readers 17+ * SilverHit me. Kick me. Hurt me. Hate me. There's nothing that the students of Raleigh High can do to Silver Parisi anymore. Over the past year, she's had to endure more pain and suffering than most people are asked to bear in their lifetimes. She's a pariah, an outcast, a ghost. She's also never been one to take shit lying down, though...despite what half the football team might say. With only one hundred and sixty-eight days left of the school year, it won't be long until graduation, and Silver's planning on skipping town and leaving Raleigh firmly in her rearview mirror... Until he comes along...AlexOrphan. Degenerate.Reprobate.Deviant. Alex Moretti's earned most of his labels, and he's not ashamed of a single one of them. He'll earn far worse before he's finished with his new found 'friends' at Raleigh High. Having spent years being ground down under the boot heel of society, it's time for a little payback. And if exacting revenge upon the heads of the Raleigh elite means he can also help the beautiful girl who hovers in the shadows, then that's all for the better. Oil and water. Fire and ice. The differences between Silver and Alex are broader than any chasm. To reach one another, they must take a leap of faith and fall into the divide. And falling?Nothing good ever came from falling.

Rogue

*** Part 2 in the Dead Man's Ink Series. Contains scenes of violence and serious themes. Part 3 in the series will be out Jan 2016 *** When people get too close to me, they wind up dead. Blood. Bullet holes. Stab wounds. I've kept my identity secret to protect the ones I love, but now the most dangerous man in my world knows exactly who I am... And he's coming for me. Hector Ramirez has brought war to my doorstep, but he won't win. I'll fight to defend the vulnerable. I'll kill to protect my club. But I'll die to save the woman I love.

Rebel Spirits

Haunted by history. Bound by mystery. Lori Chase doesn't know what to think about ghosts. She may have seen a few in the past, but those were just childish imaginings . . . right? Only now that she is living in Gettysburg, Pennsylvania, spirits seem to be on everyone's mind. The town is obsessed with its bloody Civil War history, and the old inn that Lori's parent run is supposedly haunted by the souls of dead soldiers. Then Lori meets one such soldier -- the devastatingly handsome Nathaniel Pierce. Nathaniel's soul cannot rest, and he desperately needs Lori's help. Because Nathaniel was not killed in the famous battle. He was murdered. Lori begins to investigate the age-old mystery, stumbling upon

shocking clues and secrets. At the same time, she can't help falling for Nathaniel, just as he is falling for her

Dirty Nasty Freaks

Face of an angel. Body of a god. And a mouth so dirty he could make the devil blush... Fix Marcosa's time can be bought with money, but he isn't selling sex. Murderers, rapists, criminals: if you're on the wrong side of Fix's moral code, you're in trouble. The kind of trouble that winds up getting you killed. As a hitman for hire, Fix is no stranger to violence. He's merciless. Relentless. A true savage, down to the roots of his very soul. You can beg. You can plead. You can pray, but it won't do you any good. Once the tall, dark stranger arrives at your doorstep, it's already too late to repent. Sera Lafferty's no stranger to heartbreak. With an abusive father and a dependant sister, her life has been one of sacrifice and compromise. As soon as she sets eyes on Felix 'Fix' Marcosa, she recognizes the darkness in him and makes a vow: she will not get involved. But trapped inside a motel room with the sexiest man to ever walk the earth? Throw in some tequila and the storm to end all storms, and Sera finds herself worshipping at the altar of Marcosa. She knows she made a mistake. She knows she needs to run. But when she witnesses the assassin at work first hand, she knows it's far too late. Thrown into the back of his sleek black ride, Sera finds herself trapped, and in more way than one. Fix is deadly. He's demanding, he's dirty, and he's determined to claim her for his own. * THIS THE THE FULL BOOK OF DIRTY NASTY FREAKS*

Sugar and Skulls

Sugar and SkullsJesseWhen I was ten I was a naïve, shy girl. A girl who dreamed of sunsets and roller skates. Until my grandparents died. Then I found myself alone in the world. One bad thing after another seemed to find me but I dealt. I dealt because a man with a black leather jacket and ink from head to toe told me how to survive this world. He told me sometimes you have to get mean. And so, I embraced my mean. I hated it at first but as time went on being mean became second nature. I rule my world, staying ahead, never stopping. You won't find anyone like me. I'm Jesse Miller and I'm one of a kind. I'm fine on my own. Fine.Perfect.Good.Until, I'm not. DirkWhen I found Jesse at ten years old she was cute as a button and sweet as a jar of honey. I gave her a bit of advice to survive this world. I hated to be cynical, but she was in the foster care system. She needed to learn a little mean, otherwise she would be eaten alive.Now, I've found her again and believe me, Jesse Miller isn't a little girl anymore. Seems she took my advice to heart. I may have created a monster. She's a dark-haired vixen with a wicked mind and sharp tongue. Jesse is very, very enticing. She thinks she can do it on her own.She doesn't have to.She has a family.A tribe.Me.She has me.Sugar and Skulls is a stand-alone novel. It is a dark romance, but I promise it does have a HEA. There is no cheating in this novel. It does contain dark content, including, but not limited to profanity, sexual abuse, and violence. It could possibly have triggers for some individuals.

Rebel Cities: From the Right to the City to the Urban Revolution

Explores cities as the origin of revolutionary politics, where social and political issues are always at the surface, using examples from such cities as New York City and Mumbai to examine how they can be better ecologically reorganized.

Hero at the Fall

The breathtaking finale to the "New York Times"-bestselling series. Armed with only her revolver, her wits, and her untamable Demdji powers, Amani Al'Hiza must rally her skeleton crew of rebels for a rescue mission through the unforgiving desert to a place that, according to maps, doesn't exist.

Badlands

Badlands is a special edition mini novella, covering themes from both the Blood & Roses series and the Dead Man's Ink series. Michael Aubertin has an arrangement - one that not only suits him, but also the couple he spends time with, too. No strings. No questions. No complications. Nothing could be simpler. His work life, on the other hand... With strange, intense women showing up on his employer's doorstep, dodging crazed English mob bosses, and dealing with a long-lost cousin on a mission, Michael's day couldn't possibly get more complicated. Badlands is a short story, released especially for Christmas 2015. Michael will be receiving his own full-length story in late 2016.

Violent Things

You're never really out until you're dead. That's what the mob bosses, gunrunners and car thieves of Seattle will tell you, anyway. Zeth Mayfair, ex mafia enforcer, has other ideas. Since falling for Sloane, he's managed to turn her life upside down. Now, he's determined to give her a stable, happy and, most importantly, safe life. If that means he has to sleep with one eye open and one hand on a shotgun, then that's what he'll do. Mason Reeves is just looking for a way to take care of his sick sister. Since their mother left, things have been hard, and they're only getting harder. Prescription meds don't come cheap, and working as an auto mechanic only pays so well. If he wants to give Millie the life she deserves, he's going to have to earn it with his fists. And who better to teach him how to fight than the guy who took down the biggest gangster in Seattle? You can try to get out... You can try to be good... You can steer clear of trouble... But it's only a matter of time before trouble comes looking for you.

*** Zeth and Sloane are back alongside a cast of new characters in the new Chaos & Ruin series *** Violent Things is Book 1 in this, the sister series to Blood & Roses. You can read this book if you haven't already read the Blood & Roses series! Upon delivery of the book, you will find an in-depth synopsis of the previous series, should you wish to jump straight into Violent Things but are yet to meet Zeth Mayfair & Sloane Romera. Of course, Violent Things will be more enjoyable if you start their journey from the very beginning. If you choose to do so, the reading order for the Blood & Roses series is as follows: Deviant Fracture Burn Fallen Twisted Collateral.

Vice

In war, there are only three rules. Obey orders. Protect the guy standing next to you. Stay alive. Cade Preston left the military a long time ago, but he has never ceased to live by the laws of combat. As vice president of the Widow Makers Motorcycle club, he's been loyal. He's fought tooth and nail to stay alive. He's shed blood to save the lives of those who matter to him. And now he's gone and done something he swore he would never do. He's fallen for the one girl he can't have. Cortina Villalobos is an untouchable. The daughter of one of Ecuador's most notorious cartel leaders, she is beyond Cade's reach in every way. Fernando Villalobos is a murderer and a madman. He will kill anyone who dares look twice at his daughter, and yet Cade can't walk away. Will he disobey orders? Will he abandon his club? And will taking on the House of Wolves cost him his life? **Vice is a STANDALONE novel, with a complete beginning, middle and end. If you would like to read more about Cade Preston, you can find him featured in both the Blood & Roses series and the Dead Man's Ink series. However, you do NOT need to read those books in order to enjoy this one. **

Legend

Legend is the much-anticipated dystopian thriller debut from US author, Marie Lu. THE must-read dystopian thriller fiction for all teen fans of The Hunger Games by Suzanne Collins and Divergent by Veronica Roth. A brilliant re-imagining of Les Misérables, the series is set to be a global film sensation as CBS films have acquired rights to the trilogy. The Twilight Saga producers, Marty Bowen and Wyck Godfrey, will produce. Los Angeles, California Republic of America He is Day. The boy who walks in the light. She is June. The girl who seeks her brother's killer. On the run and undercover, they meet by chance. Irresistably drawn together, neither knows the other's past. But Day murdered June's brother. And now it's time to make her pay.

Strengthening Forensic Science in the United States

Scores of talented and dedicated people serve the forensic science community, performing vitally important work. However, they are often constrained by lack of adequate resources, sound policies, and national support. It is clear that change and advancements, both systematic and scientific, are needed in a number of forensic science disciplines to ensure the reliability of work, establish enforceable standards, and promote best practices with consistent application. *Strengthening Forensic Science in the United States: A Path Forward* provides a detailed plan for addressing these needs and suggests the creation of a new government entity, the National Institute of Forensic Science, to establish and enforce standards within the forensic science community. The benefits of improving and regulating the forensic science disciplines are clear: assisting law enforcement officials, enhancing homeland security, and reducing the risk of wrongful conviction and exoneration. *Strengthening Forensic Science in the United States* gives a full account of what is needed to advance the forensic science disciplines, including upgrading of systems and organizational structures, better training, widespread adoption of uniform and enforceable best practices, and mandatory certification and accreditation programs. While this book provides an essential call-to-action for congress and policy makers, it also serves as a vital tool for law enforcement agencies, criminal prosecutors and attorneys, and forensic science educators.

Heir of Fire

'One of the best fantasy book series of the past decade' TIME The heir of ash and fire bows to no one. A new threat rises in the third book in the #1 bestselling Throne of Glass series by Sarah J. Maas. Celaena Sardothien has survived deadly contests and shattering heartbreak, but now she must travel to a new land to confront her darkest truth. Rock Me

A wildly entertaining biography of the British fashion designer who set the trends for rock royalty from the Beatles to Mick Jagger to Elton John. Tommy Nutter was a visionary tailor in the bespoke tradition who dressed everybody from Lord Montagu of Beaulieu to Twiggy, who outfitted three of the Beatles for the cover of Abbey Road (George Harrison preferred jeans), who put Mick Jagger in a white suit for his wedding to Bianca and who dressed Elton John for years, using the singer as his muse for his signature outrageous style. Nutter was alluring for his ambiguity -- a chameleon who could rub shoulders with Princess Margaret and then dance with the drag queens at Last Resort -- and his clothes were the physical expression of a sharp, audacious wit. *House of Nutter* charts Tommy Nutter's dramatic career that spanned barely 23 years, ending in 1992 with his untimely death. It is a history of London during an era of economic and cultural upheaval, a celebration of the methods and traditions of Savile Row; and an elegy for what was lost during the worst days of the HIV/AIDS epidemic. With archival access to photos, letters and interviews from Tommy Nutter's sole living relative, his brother,

David, Lance Richardson takes us behind the '70s glamour to explore the public face and private life of one of Britain's most respected yet rule-breaking bespoke clothiers and the celebrities he dressed.

House of Nutter

George Orwell set out 'to make political writing into an art', and to a wide extent this aim shaped the future of English literature – his descriptions of authoritarian regimes helped to form a new vocabulary that is fundamental to understanding totalitarianism. While 1984 and Animal Farm are amongst the most popular classic novels in the English language, this new series of Orwell's essays seeks to bring a wider selection of his writing on politics and literature to a new readership. In Politics and the English Language, the second in the Orwell's Essays series, Orwell takes aim at the language used in politics, which, he says, 'is designed to make lies sound truthful and murder respectable, and to give an appearance of solidity to pure wind'. In an age where the language used in politics is constantly under the microscope, Orwell's Politics and the English Language is just as relevant today, and gives the reader a vital understanding of the tactics at play. 'A writer who can – and must – be rediscovered with every age.' — Irish Times

Politics and the English Language

In this third book of the acclaimed series, Percy and his friends are escorting two new half-bloods safely to camp when they are intercepted by a manticores and learn that the goddess Artemis has been kidnapped.

The Percy Jackson and the Olympians, Book Three: Titan's Curse

Science fiction-roman.

The Moon Is a Harsh Mistress

Invisible Ink is a helpful, accessible guide to the essential elements of the best storytelling by award-winning writer/director/producer Brian McDonald. Readers learn techniques for building a compelling story around a theme, engaging audiences with writing, creating appealing characters, and much more.

Invisible Ink

Eden Wynn just inherited her grandfather's hockey empire and became a brand new owner of the Titans. Eden is shocked to learn that her new head of security is Holt Rossi with whom she shares a history. Would they get a second chance to make it right?

The Rebel

They might be richer than gods, but they're morally bankrupt. As far as the boys who run America's most exclusive international academy are concerned, I'm an unwelcome interloper, an inconvenience, and they're determined to make my life a living hell. When Wren Jacobi sets eyes on Wolf Hall Academy's newest inductee, all he sees is an easy mark. A reserved little girl with a target painted on her back. He knows nothing of my troubled past, though. Nothing of my mother's suspicious death, or the horrific treatment I've had to endure at the hands of my psychotic father. And he has no idea of the lengths that I, unassuming little Elodie Stillwater, will go to in order to break the savage beast who dreams of breaking me first. There's a wolf stalking the forests that surround my new school. Little does he know... There are far scarier predators lurking out there in the dark.

Riot House

The first book in The Last War series: a debut epic fantasy full of crunching revolutionary action, twisted magic, and hard choices in dark times. The war is over. The enemy won. Jia's people learned the hard way that there are no second chances. The Egril, their ancient enemy, struck with magic so devastating that Jia's armies were wiped out. Now terror reigns in the streets, and friend turns on friend just to live another day. Somehow Tinnstra - a deserter, a failure, nothing but a coward - survived. She wants no more than to hide from the chaos. But dragged into a desperate plot to retake Jia, surrounded by people willing to do anything to win the fight, this time Tinnstra will need to do more than hide. If Jia is to get a second chance after all, this time she will need to be a hero. With all the grit of Joe Abercrombie, Mark Lawrence and Ed McDonald, this is fantasy with the sharpest of edges. * * * * * 'The next Game

We Are The Dead

A bestselling summer read as heartbreaking as The Lovely Bones and as gripping as Jenny Downham's Before I Die. **Now a major Netflix movie starring Zoey Deutch, Halston Sage, Logan Miller, Kian Lawley* 'Gossip Girl meets Groundhog Day' Grazia 'Tender, funny and raw' Marie Claire 'A clever, funny, insightful and utterly addictive novel' Daily Mail 'Compelling and poignant, a truly memorable read' Closer They say 'live every day as if it's your last' - but you never actually think it's going to be. At least I didn't. The thing is, you don't get to know when it happens. You don't remember to tell your family that you love them or - in my case - remember to say goodbye to them at all. But what if, like me, you could live your last day over and over again? Could you make it perfect? If your whole life flashed before your eyes, would you have no regrets? Or are there some things you'd want to change...? 'This book will take your breath away' She 'A beautifully written and outrageously weepy tale' Daily Mirror

Description * Full length standalone novel, containing dark themes* Coralie Twelve years ago, I ran to stay alive. Port Royal, South Carolina, was my home. I was born there. I fell in love there. And I nearly died there. I never thought I'd go back. Now, after so many years, I have to return to bury the man who made my life a living hell. Some nights, I used to cry myself to sleep, praying my father would die. Other nights were different. Other nights, there was him. Callan Cross. My first confidante. My first kiss. My first love. My first everything: Callan was the glue that held me together when everything else was falling apart. He was my savior. He was there for me whenever I needed him... Until he wasn't. Every night, I've seen the love of my life in my sleep. I just never thought I'd have to face him again. Callan Twelve years ago, I f*#@ed up big time. Living life through a camera lens is sometimes easier than dealing with it head on. Scratch that. It's always easier. For over a decade, I've been a master of my art, taking photographs all over the world. Yet despite all of the countries I've visited, the amazing things I've seen, the beautiful women I've screwed, my heart has remained in pieces. Coralie's the only woman I've ever loved, will ever love. And I'm determined to show her that we're meant to be together. Even if it means unearthing the bones of the past in the process. A lifetime and a thousand miles have stood between us. Now, there's no length of time I won't wait, no distance I won't travel, in order to make her mine.

Preppy, Part One

Face of an angel. Body of a god. And a mouth so dirty he could make the devil blush... Fix Marcosa's time can be bought with money, but he isn't selling sex. Murderers, rapists, criminals: if you're on the wrong side of Fix's moral code, you're in trouble. The kind of trouble that winds up getting you killed. As a hitman for hire, Fix is no stranger to violence. He's merciless. Relentless. A true savage, down to the roots of his very soul. You can beg. You can plead. You can pray, but it won't do you any good. Once the tall, dark stranger arrives at your doorstep, it's already too late to repent. Sera Lafferty's no stranger to heartbreak. With an abusive father and a dependant sister, her life has been one of sacrifice and compromise. As soon as she sets eyes on Felix 'Fix' Marcosa, she recognizes the darkness in him and makes a vow: she will not get involved. But trapped inside a motel room with the sexiest man to ever walk the earth? Throw in some tequila and the storm to end all storms, and Sera finds herself worshipping at the altar of Marcosa. She knows she made a mistake. She knows she needs to run. But when she witnesses the assassin at work first hand, she knows it's far too late. Thrown into the back of his sleek black ride, Sera finds herself trapped, and in more way than one. Fix is deadly. He's demanding, he's dirty, and he's determined to claim her for his own.

WINNER OF THE THURBER PRIZE The compelling, inspiring, (often comic) coming-of-age story of Trevor Noah, set during the twilight of apartheid and the tumultuous days of freedom that followed. One of the comedy world's brightest new voices, Trevor Noah is a light-footed but sharp-minded observer of the absurdities of politics, race and identity, sharing jokes and insights drawn from the wealth of experience acquired in his relatively young life. As host of the US hit show The Daily Show with Trevor Noah, he provides viewers around the globe with their nightly dose of biting satire, but here Noah turns his focus inward, giving readers a deeply personal, heartfelt and humorous look at the world that shaped him. Noah was born a crime, son of a white Swiss father and a black Xhosa mother, at a time when such a union was punishable by five years in prison. Living proof of his parents' indiscretion, Trevor was kept mostly indoors for the first years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, take him away. A collection of eighteen personal stories, Born a Crime tells the story of a mischievous young boy growing into a restless young man as he struggles to find his place in a world where he was never supposed to exist. Born a Crime is equally the story of that young man's fearless, rebellious and fervently religious mother - a woman determined to save her son from the cycle of poverty, violence and abuse that ultimately threatens her own life. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Noah illuminates his curious world with an incisive wit and an unflinching honesty. His stories weave together to form a personal portrait of an unlikely childhood in a dangerous time, as moving and unforgettable as the very best memoirs and as funny as Noah's own hilarious stand-up. Born a Crime is a must read.

Born A Crime

The international bestseller about life, the universe and everything. 'A simply wonderful, irresistible book' DAILY TELEGRAPH 'A terrifically entertaining and imaginative story wrapped round its tough,

thought-provoking philosophical heart' DAILY MAIL 'Remarkable ... an extraordinary achievement' SUNDAY TIMES When 14-year-old Sophie encounters a mysterious mentor who introduces her to philosophy, mysteries deepen in her own life. Why does she keep getting postcards addressed to another girl? Who is the other girl? And who, for that matter, is Sophie herself? To solve the riddle, she uses her new knowledge of philosophy, but the truth is far stranger than she could have imagined. A phenomenal worldwide bestseller, SOPHIE'S WORLD sets out to draw teenagers into the world of Socrates, Descartes, Spinoza, Hegel and all the great philosophers. A brilliantly original and fascinating story with many twists and turns, it raises profound questions about the meaning of life and the origin of the universe.

"911. What is your emergency?" Every night, Zara Llewelyn picks up the phone and assists people in distress. House fires. Assault. Motor vehicle accidents. Home invasions... Between the hours of six and two, she is the answer to a thousand cries for help. But when the payphone outside Zara's apartment building mysteriously begins ringing night after night, the very last thing she wants to do is pick it up. And yet, she can't seem to help herself... Pasha Rivin's trying to outrun fate. He's been running from it for years now, but escape isn't in his cards. As the oldest son of the oldest Roma family in the country, he's not just a member of a proud and fiercely traditional clan. He is their reluctant king... and now he's expected to find a wife. The fiery redhead that shows up on his doorstep, following a trail of breadcrumbs, hunting for a missing little boy, is the last person Pasha's mother has in mind, however. She's an outsider, an intruder, and as far as his family are concerned, she's not welcome on their land, let alone in their king's bed. Pasha has never allowed his destiny to stand in the way of what he wants, however. And he's never wanted anything more than he wants the girl with the burning green eyes.*** Zara Llewelyn picked up the phone and learned a secret. Falling in love has never been so dangerous...
