And I Actually Went through All the Narrations I Studied all 19 Narrations Was like Let Me Find What the First Word Was I Want To Be Sure of It What Was It Close First before that Even She Said Kella Tallulah No and Karla Is no Way Absurd these Are Glad Tidings Subhanallah Tenly Eps if these Are Glad Tidings this Is Good News from Allah and Then She Said Oh Allah Hina Yozak Allahu Allah Da I Swear that Allah Would Never Disgrace You First Thing She Denies because the Prophets Lie some

Needed To Hear I'M Not Crazy Did I Lose My Mind Am I Possessed Tenda of Course Not You Don't Just Spend on Them You Actually Carry Their Burdens As Well and Then He Says What's Up Did Life She Says What's Up Good Life You Entertained Your Guests Your Even Good with Your Guests What to Re nor I Don't Know I Will Help and You Assist those Who Are Stricken with Calamities You Are Always There for those Who Are in Hardship Somehow Allah in this and these Few Sentences That Is the Prophets Lie some Came Down with Revelation Hadees Double D Alana Has Inspiration How Does She Come Up with those Words if You Were To Actually Take the Time To Come Up with those Words for that Moment You Would Not Be Able To Come Up with Better Words She Reassured the Prophet Sallallahu Wasallam in So Many Different Ways First of all

And Who Establishes Prayer and Give Zakah those Who Fulfill Their Promises When They Make Promises and those Who Are Patience and Poverty and Hardship and during during Struggle those Are the Ones Who Have Been Truthful and It Is They Who Are Righteous so these Are the Alone and Heard Description of Why Allah Would Not Disgrace the Prophets Why some Actually Already Matches Up with Koran That Would Come Later On Somehow Allah She Could Have Said Allah Would Not Disgrace You and She Could Have Said You Never Worship the Idols You Did this He Did that She Could Have but She Mentioned these Reasons That Actually Line Up Almost Exactly with What Allah Would Describe as Righteousness in the Quran

That Would Come Later On Somehow Allah She Could Have Said Allah Would Not Disgrace You and She Could Have Said You Never Worship the Idols You Did this He Did that She Could Have but She Mentioned these Reasons That Actually Line Up Almost Exactly with What Allah Would Describe as Righteousness in the Quran in Surah Al-Baqarah and Also some of the Scars Mentioned Khadijah with the Law and Her Mentioning these Things this Confidence that She Has in the Messenger Sallallaahu Name Is Allah Is Important because no One Knows the Prophet Slicin Him like Her this Is Only Wife His Only Wife They Have Been Married Now for 15 Years Right I Mean no One Knows the Prophets Lie some Better than Her and so those Words of Confidence Coming from Your Spouse Are Particularly Significant this Isn't some Poet in Front of the Kaaba

Proofs of Prophethood
