HIDDEN TEACHINGS of the Bible That Explain Manifestation, Consciousness & Oneness (POWERFUL Info!) - HIDDEN TEACHINGS of the Bible That Explain Manifestation, Consciousness & Oneness (POWERFUL Info!) by Your Youniverse 11,393,136 views 5 years ago 26 minutes - These are the hidden teachings which Jesus spoke and Didymus Judas Thomas wrote down (known as The Gospel of Thomas).

Gregg Braden discussing The Gospel of Thomas

When you come to know yourselves, then you will become known, and you will realize that it is you who are the sons of the living Father.

But if you will not know yourselves, you dwell in poverty and it is you who are that poverty.

If you do not fast from the world, you will not find the (Father's) domain.
His disciples said to him, "When will the kingdom come?"

For Robert Jacklin - packed off without warning to boarding school in Zimbabwe - everything is terrifyingly new. Branded an outsider from the moment he opens his mouth and unable to decode the subtle power struggles of the classroom, he longs for the safety of his old life in England. And then he meets Ivan. Clever, cunning, seductive Ivan, who offers him not only friendship, but power. As Robert is drawn slowly into Ivan's destructive web, he begins to question things he'd always held true and, as Ivan's grip tightens, he finds himself caught up in something far more dangerous than he could have imagined.

Encounters

Zimbabwe, 1994. A group of children spot peculiar lights in the sky over the grounds of their school. From this moment on, six young people's lives are changed forever. Gary hides the anguish he feels now his mum's left, acting out in fury and hatred. Chloe has no words for the thing she fears most every day. Karl is the headmaster's son, now fallen from grace. Tendai knows he can never live up to his grieving father's ideals. And Sixpence watches all, knowing he'll never be like these other children. All of them have seen something they can't explain. In amongst these tangled, tortured lives, comes a group of psychologists to verify the spookily similar claims of every witness. Their daughter, Holly, can tell there's more to it than aliens or mass hysteria – can she reveal the dark truths that haunt them? Inspired by true accounts, this is the long-awaited new novel from Costa-award-winner Jason Wallace.

The Wheel of Surya Anniversary Edition

A beautiful new edition of the first volume in the Surya Trilogy by Whitbread award-winning author Jamila Gavin.

Being Billy

Faces flashed before my eyes. And for every face there was a time that they had let me down. Each punch that landed was revenge, my chance to tell them I hadn't forgotten what they did. Eight years in a care home makes Billy Finn a professional lifer. And Billy's angry with the system, the social workers, and the mother that gave him away. As far as Billy's concerned, he's on his own. His little brother and sister keep him going, though they can't keep him out of trouble. But he isn't being difficult on purpose. Billy's just being Billy. He can't be anything else. Can he?

Crow Country

From the author of the Chanters of Tremaris series comes a contemporary time travel fantasy, grounded in the landscape of Australia Beginning and ending, always the same, always now. The game, the story, the riddle, hiding and seeking. Crow comes from this place; this place comes from Crow. And Crow has work for you. Sadie isn't thrilled when her mother drags her from the city to live in the country town of Boort. But soon she starts making connections--with the country, with the past, with two boys, Lachie and Walter, and, most surprisingly, with the ever-present crows. When Sadie is tumbled ba.

Darkside

Jonathan Starling's father is in an asylum and his home has been attacked when, while running away from kidnappers, he stumbles upon Darkside, a terrifying and hidden part of London ruled by the descendants of Jack the Ripper, where Jonathan is in mortal danger if he cannot find the way out.

The Knife That Killed Me

Anthony McGowan is the Carnegie Medal 2020 winning author of Lark. He is coming to kill me. Now would be a good time to run. I cannot run. I am too afraid to run. Paul Varderman could be at any normal school - bullies, girls and annoying teachers are just a part of life. Unfortunately 'normal' doesn't apply when it comes to the school's most evil bully, Roth, a twisted and threatening thug with an agenda quite unlike anyone else. When Paul ends up delivering a message from Roth to the leader of a gang at a nearby school, it fuels a rivalry with immediate consequences. Paul attempts to distance himself from the feud, but when Roth hands him a knife it both empowers him and scares him at the same time . . . This thought-provoking and original novel highlights the terrible consequences of peer pressure and violence, and casts a spotlight on the worrying rise in knife crime among teenagers.

Ghost Hawk

At the end of a winter-long journey into manhood, Little Hawk returns to find his village decimated by a white man's plague and soon, despite a fresh start, Little Hawk dies violently but his spirit remains trapped, seeing how his world changes.

Out of the Shadows

'A gay man could read this book as if his life depended on it - and perhaps it does' Andrew Holleran, author of *Dancer from the Dance* 'Poignant and achingly beautiful' The New York Times Even in our modern progressive world, it's not easy to be a gay man. While young men often come out more readily, even those from the most liberal of backgrounds still struggle to accept themselves and experience stigma, shame and difficulties with intimate relationships. They also suffer from ongoing trauma wrought by the AIDS epidemic, something that is all too often relegated to history. Drawing on a lifetime's work as a clinical psychologist, Walt Odets uses the stories of his patients as well as those of his own deep relationships with other gay men to illuminate how these difficulties may be overcome. From a 74-year-old who only felt able to come out after his wife had died, to the boy raised in a strict religious family who worked his way to San Francisco, to the middle-aged defence lawyer who left everything behind to embrace a new life, the experiences here explore everything from grief to survival, childhood pain to the definition of gay itself. *Out of the Shadows* shows us how a new way forward is possible through learning to accept ourselves and others as they are, and independently inventing our own lives.

The Prince Who Walked With Lions

The British Army is circling the stronghold of the King of Abyssinia. Its mission is to rescue the British Envoy, held prisoner. Watching with terror and awe is the king's young son, Alamayu. He knows that his father is as brave as a lion, but the fighting is cruel and efficient. By the time it is over, Alamayu is left without parents, throne or friends. In a misguided attempt to care for him, the British take Alamayu to England. There he is befriended by the Queen herself and enrolled at Rugby College to become a 'proper' English gentleman. What the English see as an honour is, to this lonely Ethiopian prince, terrifying and brutal. *The Prince Who Walked With Lions* is Alamayu's story, seen through his eyes: the battle, the journey to England and the trauma of an English public school as he tries to come to terms with the hand that fate has dealt him, skillfully told by Elizabeth Laird.

Now is the Time for Running

When soldiers attack a small village in Zimbabwe, Deo goes on the run with Innocent, his older, mentally disabled brother, carrying little but a leather soccer ball filled with money, and after facing prejudice, poverty, and tragedy, it is in soccer that Deo finds renewed hope.

The Darwin Elevator

After aliens constructed an elevator from Darwin, Australia into space, humanity established orbital colonies along the elevator's cord. Years later, those outside of the machine's protective aura were wiped out by a mysterious plague. When the elevator's virus shield begins to break down, a scavenger and a scientist must unravel the mystery of the failing alien technology to save what's left of the world.

Shadow Child

Fact and fiction combine in a classic that scared Vermonters out of the woods.

A Beautiful Lie

An extraordinarily rich debut novel, set in India in 1947 at the time of Partition, touching on the importance of tolerance, love and family. The main character is Bilal, a boy determined to protect his dying father from the news of Partition - news that he knows will break his father's heart. With great spirit and determination, and with the help of his good friends, Bilal persuades others to collude with him in this deception, even printing false pages of the local newspaper to hide the ravages of unrest from his father. All that Bilal wants is for his father to die in peace. But that means Bilal has a very complicated relationship with the truth...

Now Is the Time for Running

Just down the road from their families, Deo and his friends play soccer in the dusty fields of Zimbabwe, cheered on by Deo's older brother, Innocent. It is a day like any other... until the soldiers arrive and Deo and Innocent are forced to run for their lives, fleeing the wreckage of their village for the distant promise of safe haven in South Africa. Along the way, they face the prejudice and poverty that greet refugees everywhere, but eventually Deo finds hope, joining dozens of other homeless, displaced teens on the World Cup Street Soccer team--a possible ticket out of extreme hardship to a new life. Captivating and timely, *Now Is the Time for Running* is a staggering story of survival that follows Deo and his brother on a transformative journey that will stay with readers long after the last page.

The Kissing Game

A collection of sixteen (16) short stories.

Hostage Three

It's a once-in-a-lifetime thing: a girl on a yacht with her super-rich banker father; a chance for the family to heal after a turbulent time; the peaceful sea, the warm sun . . . But a nightmare is about to explode as a group of Somali pirates seizes the boat and its human cargo - and the family becomes a commodity in a highly sophisticated transaction. Hostage One is Dad - the most valuable. Amy is Hostage Three. As she builds a strange bond with one of her captors, it becomes brutally clear that the price of a life and its value are very different things . . .

Mistletoe and Mireworth

Will Mireworth yield her secrets to her new mistress...? As the family gathers at Mireworth for their first Christmas, Hannah is determined to unravel the secrets within its walls. Why did Wycliff's ancestor hide the tower from the world, and what grip did the long-ago shadow mage have upon his family? With Barnes as her assistant, Hannah sets out to discover the truth. This is an epilogue novella to the *Manners and Monsters* series.

Half Brother

Ben Tomlin has been an only child for thirteen years. So when his research-scientist parents bring home a baby chimp to raise as a human child, Ben's life is turned upside-down. Teaching a baby chimp how to understand language is not his idea of fun, especially when he's trying to settle in at his new school. But it isn't long before Zan's infectious personality endears him to everyone and he becomes a real member of the family. But just what will happen when he grows up and the experiment comes to an end? Ben must take dramatic steps, and the repercussions ricochet through his home and community with devastating results. This phenomenal novel is a thought-provoking story of relationships and family, first love, growing up, ethics and dilemmas.

A Wrinkle in Time

Meg Murry and her friends become involved with unearthly strangers and a search for Meg's father, who has disappeared while engaged in secret work for the government.

Cloud Atlas

CLOUD ATLAS, David Mitchell's bestselling Man Booker Prize-shortlisted novel which was also one of Richard & Judy's 100 Books of the Decade, has now been adapted for film. In this enhanced edition you can read the original novel along with a new essay by David Mitchell about the transformation of his novel into a film, and watch four exclusive videos about the book and film. The major motion picture, directed by Lana Wachowski, Tom Tykwer, and Andy Wachowski, stars Tom Hanks, Halle Berry, Susan Sarandon, Jim Sturgess, Ben Whishaw, Jim Broadbent, Hugo Weaving, Doona Bae, James D'Arcy, Zhou Xun, Keith David and Hugh Grant. The novel features six characters in interlocking stories, each interrupting the one before it: a reluctant voyager crossing the Pacific in 1850; a disinherited composer blagging a precarious livelihood in between-the-wars Belgium; a high-minded journalist in Governor Reagan's California; a vanity publisher fleeing his gangland creditors; a genetically modified diner server on death-row; and Zachry, a young Pacific islander witnessing the nightfall of science and civilisation. The narrators of CLOUD ATLAS hear each other's echoes down the corridor of history and their destinies are changed in ways great and small. Mitchell's other novels are GHOSTWRITTEN,

NUMBER9DREAM, BLACK SWAN GREEN and A THOUSAND AUTUMS OF JACOB DE ZOET, all published by Sceptre. www.sceptrebooks.com Facebook: Sceptre Books Twitter: SceptreBooks

The Weight of Water

Armed with a suitcase and an old laundry bag filled with clothes, Kasienka and her mother head for England. Life is lonely for Kasienka. At home her mother's heart is breaking and at school friends are scarce. But when someone special swims into her life, Kasienka learns that there might be more than one way for her to stay afloat. The Weight of Water is a startlingly original piece of fiction; most simply a brilliant coming of age story, it also tackles the alienation experienced by many young immigrants. Moving, unsentimental and utterly page-turning, we meet and share the experiences of a remarkable girl who shows us how quiet courage prevails.

Night Runner

Zinny's life is falling apart. Shadowy figures are following him. His parents are keeping secrets but he can't figure out why. Then his mum ends up in hospital, his dad disappears, and Zinny has to do whatever he can to save his family. Even if it means helping the very men he's been running from . . . As the clock ticks, Zinny knows it's only a matter of time before someone ends up dead - and it could be him.

Annexed

Everyone knows about Anne Frank and her life hidden in the secret annex – but what about the boy who was also trapped there with her? In this powerful and gripping novel, Sharon Dogar explores what this might have been like from Peter's point of view. What was it like to be forced into hiding with Anne Frank, first to hate her and then to find yourself falling in love with her? Especially with your parents and her parents all watching almost everything you do together. To know you're being written about in Anne's diary, day after day? What's it like to start questioning your religion, wondering why simply being Jewish inspires such hatred and persecution? Or to just sit and wait and watch while others die, and wish you were fighting. As Peter and Anne become closer and closer in their confined quarters, how can they make sense of what they see happening around them? Anne's diary ends on August 4, 1944, but Peter's story takes us on, beyond their betrayal and into the Nazi death camps. He details with accuracy, clarity and compassion the reality of day to day survival in Auschwitz – and ultimately the horrific fates of the Annex's occupants.

In the Sea There Are Crocodiles

I read somewhere that the decision to emigrate comes from a need to breathe. The hope of a better life is stronger than any other feeling. My mother decided it was better to know I was in danger far from her; but on the way to a different future, than to know I was in danger near her; but stuck in the same old fear. At the age of ten, Enaiatollah Akbari was left alone to fend for himself. This is the heartbreaking, unforgettable story of his journey from Afghanistan to Italy in an attempt to find a safe place to live.

The Pale King

The character David Foster Wallace is introduced to the banal world of the IRS Regional Examination Center in Peoria, Illinois, and the host of strange people who work there, in a novel that was unfinished at the time of the author's death.

Into the Wild

With an introduction by novelist David Vann In April 1992, Chris McCandless set off alone into the Alaskan wild. He had given his savings to charity, abandoned his car and his possessions, and burnt the money in his wallet, determined to live a life of independence. Just four months later, Chris was found dead. An SOS note was taped to his makeshift home, an abandoned bus. In piecing together the final travels of this extraordinary young man's life, Jon Krakauer writes about the heart of the wilderness, its terribly beauty and its relentless harshness. Into the Wild is a modern classic of travel writing, and a riveting exploration of what drives some of us to risk more than we can afford to lose.

Skinner's Drift

Lisa Fugard's *Skinner's Drift* is a beautifully written début that reveals the secrets and violence buried beneath the earth of a South African farm. *Skinner's Drift*, lying amongst the sandstone rocks of the eastern borders of South Africa, beside the snaking bed of the Limpopo River, was Eva Van Rensburg's home. As a young girl she would range through its mopane trees at night, hunting jackals with her stammering father. But as soon as she grew up, Eva fled the farm and has not returned for more than ten years. Now, as her father lies dying in hospital with only his claustrophobic sister for company, Eva must go back to confront her family and remember the beauty, and the horror, of her life on *Skinner's Drift*. Praise for *Skinner's Drift*: 'A wonderfully brave novel - unflinchingly and lovingly written. It is books like this - books that shake the dust out of our heads and hearts - that allow us all to understand our past slightly better and walk forward more confidently' Alexandra Fuller 'An achingly beautiful book' Monica Ali 'Fugard wonderfully captures the swift rivers of change in which contempt and fear, resentment, righteousness and loyalty churn in one unending torrent' Daily Mail Lisa Fugard grew up in South Africa and now lives in the desert of Southern California with her husband and young son. Her short stories have been published in magazines and literary journals and she has written many travel pieces for the New York Times. *Skinner's Drift* is her first novel.

The Kraken Wakes

It started with fireballs raining down from the sky and crashing into the oceans deeps. Then ships began sinking mysteriously and later sea tanks emerged from the deeps to claim people . . . For journalists Mike and Phyllis Watson, what at first appears to be a curiosity becomes a global calamity. Helpless, they watch as humanity struggles to survive now that water - one of the compounds upon which life depends is turned against them. Finally, sea levels begin their inexorable rise . . . *The Kraken Wakes* is a brilliant novel of how humankind responds to the threat of its own extinction and, ultimately, asks what we are prepared to do in order to survive.

Lost Souls

Vampires . . . they ache, they love, they thirst for the forbidden. They are your friends and lovers, and your worst fears. "A major new voice in horror fiction . . . an electric style and no shortage of nerve."—Booklist At a club in Missing Mile, N.C., the children of the night gather, dressed in black, look for acceptance. Among them are Ghost, who sees what others do not; Ann, longing for love; and Jason, whose real name is Nothing, newly awakened to an ancient, deathless truth about his father, and himself. Others are coming to Missing Mile tonight. Three beautiful, hip vagabonds—Molochai, Twig, and the seductive Zillah, whose eyes are as green as limes—are on their own lost journey, slaking their ancient thirst for blood, looking for supple young flesh. They find it in Nothing and Ann, leading them on a mad, illicit road trip south to New Orleans. Over miles of dark highway, Ghost pursues, his powers guiding him on a journey to reach his destiny, to save Ann from her new companions, to save Nothing from himself. . . . "An important and original work . . . a gritty, highly literate blend of brutality and sentiment, hope and despair."—Science Fiction Chronicle

Unhooking the Moon

Meet the Rat: A dancing, football-playing gangster-baiting ten-year-old. When she foresaw her father's death, she picked up her football and decided to head for New York. Meet her older brother Bob: Protector of the Rat, but more often her follower, he is determined to find their uncle in America and discover a new life for them both. On their adventures across the flatlands of Winnipeg and through the exciting streets of New York, Bob and the Rat make friends with a hilarious con man and a famous rap star, and escape numerous dangers. But is their Uncle a rich business man, or is the word on the street, that he something more sinister, true? And will they ever find him? Hughes has created a funny, warm, unique world that lives and breathes. Like *I Capture the Castle*, *Breakfast at Tiffany's*, *The Curious Incident*, Hughes' story and characters will resonate for many and for years to come.

Star Wars

A detailed look at one hundred of the most exotic locales in the Star Wars cosmos.

Tall Story

Be careful what you wish for . . . Andi is short. And she has lots of wishes. She wishes she could play on the school basketball team, she wishes for her own bedroom, but most of all she wishes that her

long lost half brother, Bernardo, could come and live in London, where he belongs. Then Andi's biggest wish comes true and she's minutes away from becoming someone's little sister. As she waits anxiously for Bernardo to arrive from the Philippines, she hopes he'll turn out to be tall and just as mad as she is about basketball. When he finally arrives, he's tall all right. But he's not just tall ... he's a GIANT. In a novel packed with humour and quirkiness, Gourlay explores a touching sibling relationship and the clash of two very different cultures.

The Day Louis Got Eaten

When Louis gets eaten up by a Gulper, his big sister Sarah knows she has to act fast, and sets off in hot pursuit. But rescuing a boy from a Gulper's tummy isn't so simple - especially when other strange and scary creatures are looking for their dinner too. . .

Person of Interest

Join a cold-case detective as he uncovers the truth about Jesus using the same approach he employs to solve real murder cases. Detective J. Warner Wallace was skeptical of the Bible's claims about Jesus. But he'd investigated several no-body homicide cases in which there was no crime scene, no physical evidence, and no victim's body. He wondered if the truth about the historical Jesus could be investigated in the same way. In *Person of Interest*, cold-case detective and bestselling author J. Warner Wallace describes his own personal investigative journey from atheism to Christianity as he carefully sifts through the evidence from history alone, without relying on the New Testament. In this book, you'll: Understand like never before how Jesus—the most significant person in history—changed the world and why he still matters today. Learn how to think like a cold-case detective by using an innovative and unique "fuse and fallout" investigative strategy, which you can also use to examine other claims of history. Explore and learn how to respond to common objections to Christianity. Creative, compelling, and fully illustrated, *Person of Interest* will strengthen the faith of believers while engaging those who are skeptical and distrusting of the New Testament gospel accounts.

Rage of Angels

The international bestseller from the master of suspense. Jennifer Parker is brilliant, beautiful and bold. . She seems unbeatable – but is she really?

The Voluptuous Delights Of Peanut Butter And Jam

Nyree and Cia live on a remote farm in the east of what was Rhodesia in the late 1970s. Beneath the dripping vines of the Vumba rainforest, and under the tutelage of their heretical grandfather, theirs is a seductive childhood laced with African paganism, mangled Catholicism and the lore of the Brothers Grimm. Their world extends as far as the big fence, erected to keep out the 'Terrs' whom their father is off fighting. The two girls know little beyond that until the arrival from the outside world of 'the bastard', their orphaned cousin Ronin, who is to poison their idyll for ever.

Villa and Zapata

The Mexican Revolution (1910-19) was the first seismic social convulsion of the twentieth century, superseded in historical importance only by the Russian and Chinese revolutions. *Tierra y Libertad* (land and liberty) was the watchword of the revolutionaries who fought a succession of autocrats in Mexico City. But the revolution was fired by a confusing multiplicity of issues- local, national, international, cultural, racial and economic. The two greatest rebel leaders were Francisco (Pancho) Villa and Emiliano Zapata, and Frank McLynn here tells the story of the Revolution through a dual biography of these legendary heroes. The great ten-year struggle that devastated Mexico was essentially a war on two fronts- in the north waged by Villa and a mobile army of ex-cowboys and ranchers; and in the south carried on by Zapata and an infantry army recruited from the peons of the sugar plantations. Villa was the Revolution's great military hero, but Zapata was its soul and the only rebel whose revolt was aimed at a genuine root-and-branch transformation of Mexican society. The two men reached the peak of their careers in 1914 when they met briefly in triumph in Mexico City. Failing to make common cause, over the next five years they gradually fell victim to their great rivals.

Bloods

A NEW YORK TIMES NOTABLE BOOK • The national bestseller that tells the truth about the Vietnam War from the black soldiers' perspective. An oral history unlike any other, *Bloods* features twenty black men who tell the story of how members of their race were sent off to Vietnam in disproportionate numbers, and of the special test of patriotism they faced. Told in voices no reader will soon forget, *Bloods* is a must-read for anyone who wants to put the Vietnam experience in historical, cultural, and political perspective. Praise for *Bloods* "Superb . . . a portrait not just of warfare and warriors but of beleaguered patriotism and pride. The violence recalled in *Bloods* is chilling. . . . On most of its pages hope prevails. Some of these men have witnessed the very worst that people can inflict on one another. . . . Their experience finally transcends race; their dramatic monologues bear witness to humanity."—*Time* "[Wallace] Terry's oral history captures the very essence of war, at both its best and worst. . . . [He] has done a great service for all Americans with *Bloods*. Future historians will find his case studies extremely useful, and they will be hard pressed to ignore the role of blacks, as too often has been the case in past wars."—*The Washington Post Book World* "Terry set out to write an oral history of American blacks who fought for their country in Vietnam, but he did better than that. He wrote a compelling portrait of Americans in combat, and used his words so that the reader—black or white—knows the soldiers as men and Americans, their race overshadowed by the larger humanity Terry conveys. . . . This is not light reading, but it is literature with the ring of truth that shows the reader worlds through the eyes of others. You can't ask much more from a book than that."—*Associated Press* "*Bloods* is a major contribution to the literature of this war. For the first time a book has detailed the inequities blacks faced at home and on the battlefield. Their war stories involve not only Vietnam, but Harlem, Watts, Washington D.C. and small-town America."—*Atlanta Journal-Constitution* "I wish *Bloods* were longer, and I hope it makes the start of a comprehensive oral and analytic history of blacks in Vietnam. . . . They see their experiences as Americans, and as blacks who live in, but are sometimes at odds with, America. The results are sometimes stirring, sometimes appalling, but this three-tiered perspective heightens and shadows every tale."—*The Village Voice* "Terry was in Vietnam from 1967 through 1969. . . . In this book he has backtracked, Studs Terkel-like, and found twenty black veterans of the Vietnam War and let them spill their guts. And they do; oh, how they do. The language is raw, naked, a brick through a window on a still night. At the height of tension a sweet story, a soft story, drops into view. The veterans talk about fighting two wars: Vietnam and racism. They talk about fighting alongside the Ku Klux Klan."—*The Boston Globe*

The Day the Screens Went Blank

'So funny' Noel Fielding 'Brilliantly funny' Shappi Khorsandi 'Hilarious' Tim Minchin 'Warm and funny' Frank Cottrell-Boyce Can you imagine a world with no screens? Don't miss the hilarious new 'what-if' adventure from bestselling author, comedian, and presenter Danny Wallace, with illustrations throughout from Gemma Correll.
