This spirited picture book celebrates Native American traditions as it teaches young children to count from one to ten. The whimsical illustrations of Ten Little Rabbits, reminiscent of Beatrix Potter, glow with brilliant color and are filled with fascinating detail. Each number introduces a facet of traditional Native American culture, such as Pueblo corn dances or Navajo weaving, and the simple, rhyming text is enhanced by a brief afterword on Native American customs. Ideal for story time or bedtime, this is a book sure to leave children counting rabbits instead of sheep. Winner of the International Reading Association Children's Book Award Praise for Ten Little Rabbits "Writer Virginia Grossman and artist Sylvia Long, a Dakota Indian, have created this book with honesty and careful attention to authenticity and beauty, and the result is a high-quality combination of rhyme, culture, and artistic expression that will please children." —Booklist "A valuable replacement for the old, stereotypical ten little Indians rhyme. . . . A delightful visual treat." —TheFive Owls "A quiet, respectful survey of some Native American customs organized through the structure of a counting rhyme, populated by rabbits dressed in traditional garb. . . . Notes at the back identify each tribe represented (Plains, Pueblo, Great Lakes, Northwestern, and Southwestern peoples), and provide information about the pictures. The rabbits have an earnest charm reminiscent of Marjorie Flack's industrious family." —School Library Journal

Whimsical World #3 - Mythical Sweetness is the seventh in Molly Harrison's Whimsical World series of coloring books. (Whimsical World, Whimsical World #2, Whimsical Spring, Whimsical Halloween, Spooky Cute, and Whimsical Winter Wonderland) This book features fairies, mermaids, dragons, a unicorn, pegasus, lots of furry friends, flowers and butterflies. This coloring book is intended for colorists who are young at heart as well as youngsters (I recommend 8 and up depending on your child's ability). The subject matter is seemingly for little ones, however, the level of detail in some of the pieces is quite high. Perfect for anyone who enjoys fantasy themes and lots of cuteness! Suitable mediums for this coloring book are colored pencil, markers (alcohol and others), soft pastels, pastel pencils, and gel pen. It is not suited for painting of any kind as the water will ruin the paper. Most of all, enjoy being taken to a world of innocence, beauty, and sweetness all wrapped into one. If you are interested in the PDF of this coloring book, be sure to see Molly's website, www.mollyharrisonart.com where you can find all her coloring books as PDFs.
