Décider. Changer. Se réinventer. Agir. Expérimenter. Réussir. Oser. Rêver. Gagner. Découvrir. Eloigner. S'engager. Penser. Croire. Grandir. Appartenir. S'éveiller. Nous avons parfois besoin de redonner un sens à notre vie, de lui rendre souffle et équilibre. Et si un livre en avait le pouvoir ? Et si, grâce à la

magie des mots et d'une histoire, vous commencez un nouveau chapitre de votre vie ? Aleph est ce livre. Aleph est un voyage qui pourrait bien changer votre existence.

Aleph

The stunningly personal new non-fiction work from one of the world's most inspiring and intuitive authors, Paulo Coelho.

Alef

Varje ögonblick är en ny början. Ibland känner man behovet att förändra sig. Behovet att återskapa sig själv. Sätta upp nya mål. Experimentera, uppdaga. Tro på sina drömmar och erövra det okända. Ställa frågor och vara medveten. Känna sig levande. Det finns dagar då vi undrar om vi är det vi vill vara och gör det vi vill göra. Alef bjuder in oss att handla. Paulo Coelho är en av världens mest lästa författare. Skickligt och flyhänt griper han tag i läsaren, och han tycker om att överträda gränsen mellan verklighet och fantasi.

The Zahir

"One day a renowned author discovers that his wife, a war correspondent, has disappeared leaving no trace. Though time brings more success and new love, he remains mystified - and increasingly fascinated - by her absence. Was she kidnapped, blackmailed, or simply bored with their marriage? The unrest she causes is as strong as the attraction she exerts." "His search for her - and for the truth of his own life - takes him from France to Spain, Croatia and, eventually, the bleakly beautiful landscape of Central Asia. More than that, it takes him from the safety of his world to a totally unknown path, searching for a new understanding of the nature of love and the power of destiny."--BOOK JACKET.

The Spy

When Mata Hari arrived in Paris she was penniless. Within months she was the most celebrated woman in the city. As a dancer, she shocked and delighted audiences; as a courtesan, she bewitched the era's richest and most powerful men. But as paranoia consumed a country at war, Mata Hari's lifestyle brought her under suspicion. In 1917, she was arrested in her hotel room on the Champs Elysees, and accused of espionage. Told in Mata Hari's voice through her final letter, The Spy is the unforgettable story of a woman who dared to defy convention and paid the ultimate price.

The Winner Stands Alone

The Winner Stands Alone is the enthralling new novel by the incomparable Paulo Coelho.

L'espionne

Arrivée à Paris sans un sou en poche, Mata Hari s'impose rapidement comme une danseuse vedette du début du XXe siècle. Insaisissable et indépendante, elle séduit le public, ensorcelle les hommes les plus riches et les plus puissants de l'époque. Mais son mode de vie flamboyant fait scandale et attire bientôt les soupçons tandis que la paranoïa s'empare du pays en guerre. Arrêtée en 1917 dans sa chambre d'hôtel sur les Champs-Élysées, elle est accusée d'espionnage. En faisant entendre la voix de Mata Hari, Paulo Coelho nous conte l'histoire inoubliable d'une femme qui paya de sa vie son goût pour la liberté.

L'Alchimiste

« Accomplir sa légende personnelle est la seule et unique obligation de l'homme. » « Mon cœur craint de souffrir, dit le jeune homme à l'Alchimiste, une nuit qu'ils regardaient le ciel sans lune. — Dis-lui que la crainte de la souffrance est pire que la souffrance elle-même. Et qu'aucun cœur n'a jamais souffert alors qu'il était à la poursuite de ses rêves. » Santiago, un jeune berger andalou, part à la recherche d'un trésor enfoui au pied des Pyramides. Lorsqu'il rencontre l'Alchimiste dans le désert, celui-ci lui apprend à écouter son cœur, à lire les signes du destin et, par-dessus tout, à aller au bout de son rêve. Merveilleux conte philosophique destiné à l'enfant qui sommeille en chacun de nous, ce livre a marqué une génération de lecteurs.

By the River Piedra I Sat Down and Wept

A parable set against the backdrop of the French Pyrenees follows an independent but restless young woman whose life is changed forever by an encounter with a childhood friend, now a mesmerizing seminarian and rumored miracle worker.

Manuel du guerrier de la lumière

Les guerriers de la lumière se reconnaissent au premier regard. Ils sont au monde, ils font partie du monde. Souvent, ils trouvent que leur vie n'a pas de sens. Mais ils n'ont pas renoncé à lui en donner un. Ils s'interrogent, refusent la passivité et le fatalisme. C'est ce qui fait d'eux des guerriers de la lumière. Ce livre bref, simple et précieux, offre une véritable synthèse de la philosophie humaniste de Paulo Coelho : un message de confiance et de vie qui a déjà touché des millions de lecteurs. <http://paulocoelhoblog.com> « Cette édition est publiée avec l'accord de Sant Jordi Asociados, Agencia Literaria, S.L.U., Barcelone, Espagne. » © Paulo Coelho, 1997 (tous droits réservés) Pour la traduction française : © Éditions J'ai Lu, 2012

Aleph

"J'aurais beau parler toutes les langues des hommes et des anges, s'il me manque l'Amour, je ne suis qu'un cuivre qui résonne, une cymbale retentissante." À la fin du XIXe siècle, Henry Drummond, jeune Écossais tout juste rentré d'Afrique, livra une interprétation de la Lettre de saint Paul aux Corinthiens qui captiva son auditoire et fut considérée comme l'un des textes les plus beaux jamais écrits sur l'amour. À travers ces pages, Paulo Coelho en propose une adaptation vibrante et nous offre ainsi des perles de sagesse pour apprendre à vivre mieux en cultivant l'amour, le trésor de l'âme, le Don suprême, comme notre bien le plus précieux.

Le Don suprême

Analyse : Paraboles. Nouvelles.

Maktub

I have written down more than 8000 dreams in the last 35 years. I have had and continue to have hundreds of precognitive dreams. They describe events up to 35 years BEFORE they materialise. Everything can be proven 100%, through newspaper reports, reports on the internet and/or dozens of witnesses. It concerns myself, my family, friends and acquaintances, but also people who are complete strangers to me. Some I also had from disasters. The write-ups are completely unfalsifiable. I also learned to influence "coincidences"

A Spiritual Life

La jeune Maria, comme toutes les jeunes filles, n'aspire qu'à l'aventure, au grand amour, et rêve de vivre un conte de fées... Mais la réalité est souvent autre. Attirée en Suisse par un homme qui lui promet monts et merveilles, le retour à la réalité est terrible. Maria en vient à se prostituer, apprenant à bien séparer l'esprit de la chair et s'interdisant de tomber amoureuse. Mais le sexe, comme l'amour, reste pour elle une énigme. Onze minutes est le parcours initiatique d'une jeune prostituée brésilienne qui passe par la réconciliation de l'âme et du corps, et s'achève par un retour aux valeurs romantiques qui leur sont liées. « Cette édition est publiée avec l'accord de Sant Jordi Asociados, Agencia Literaria, S.L.U., Barcelone, Espagne. » © Paulo Coelho, 2003 (tous droits réservés) Pour la traduction française : © Édition J'ai Lu, 2010 VO : ONZE MINUTOS

Onze minutes

Veronika a les mêmes rêves, les mêmes désirs que tous les jeunes gens du monde. Elle a un métier raisonnable et vit dans un petit appartement, s'offrant ainsi le plaisir d'avoir un coin à elle. Elle fréquente les bars, rencontre des hommes. Pourtant, elle n'est pas heureuse. Quelque chose lui manque. Alors, le matin du 11 novembre 1997, Veronika décide de mourir. Imagination et rêves, amour et folie. Désir et mort. Alors qu'elle s'en approche, Veronika se rend compte que chaque moment de l'existence constitue un choix, celui de vivre, ou d'abandonner. La jeune femme expérimente de nouveaux plaisirs et découvre qu'il y a toujours un sens à la vie. Mais celle-ci est courte. Veronika a décidé de mourir, et maintenant, elle ne peut renoncer.

Veronika décide de mourir

"A highly original, moving, and ultimately life-affirming book." – Sunday Mirror (London) Twenty-four-year-old Veronika seems to have everything – youth and beauty, boyfriends and a loving family, a fulfilling job. But something is missing in her life. So, one cold November morning. She takes a handful of sleeping pills expecting to never wake up. But she does—at a mental hospital where she is told that she has only days to live. Inspired by events in Coelho's own life, *Veronika Decides to Die* questions the meaning of madness and celebrates individuals who do not fit into patterns society considers to be normal. Bold and illuminating, it is a dazzling portrait of a young woman at the crossroads of despair and liberation, and a poetic, exuberant appreciation of each day as a renewed opportunity.

Veronika Decides to Die

En plein festival de Cannes, la Croisette fourmille de starlettes en mal de gloire, de puissants réalisateurs, d'acteurs de renom et de touristes surexcités. Parmi eux rôde également Igor, brisé par une rupture sentimentale douloureuse. Et qui a décidé de se venger. Les destins se croisent : Gabriela, jeune actrice naïve mais ambitieuse ; Jasmine, mannequin rwandais exilé aux Pays-Bas ; Javits, producteur influent et véreux ; Hamid Hussein, styliste parti de rien et aujourd'hui au sommet de sa gloire... Tous tentent de se faire remarquer dans le monde vicieux et superficiel du show-business. Mais l'irruption d'Igor bouleversera leur vie à jamais. La Solitude du vainqueur fait le portrait d'un monde aux valeurs morales en perdition. Paulo Coelho dépeint une Croisette où les puissants écrasent les faibles, où les hommes s'accrochent à des espoirs illusoires de réussite et les femmes à des canons de beauté tyranniques pour atteindre un but superficiel et vain.

La solitude du vainqueur

Pilar et son compagnon se retrouvent après onze années de séparation. Elle, une femme à qui la vie a appris à être forte et à ne pas se laisser déborder par ses sentiments. Lui, un homme qui possède le don de guérir les autres et cherche dans la religion une solution à ses conflits intérieurs. Tous deux sont unis par le désir de changer et de poursuivre leurs rêves. Ils décident alors de se rendre dans un petit village des Pyrénées pour découvrir leur vérité intime. La presse en parle : "Paulo Coelho touché par la Grâce." LiRE

Sur le bord de la rivière Piedra, je me suis assise et j'ai pleuré

The latest novel from #1 internationally bestselling author Coelho is a classic of inspiration and reflection. A novel of philosophical reflection set in Jerusalem during the time of the Crusades. Here a community of Christians, Arabs, and Jews who have long lived together harmoniously have been warned of an imminent attack and certain destruction.

Manuscript Found in Accra

Zomer 1970: de Magic Bus van Amsterdam naar Nepal De jonge Paulo wil schrijver worden en laat zijn haar groeien. Nadat hij tijdens de militaire dictatuur in Brazilië gearresteerd wordt op verdenking van terrorisme trekt hij, eenmaal vrijgelaten, de wijde wereld in op zoek naar vrijheid en de ultieme zin van het leven. Hij maakt een rondreis door Zuid-Amerika en gaat dan naar Europa om aan te spoelen in Amsterdam, waar hij in 1970 – de Nederlandse Summer of Love – op de Dam de Nederlandse Karla leert kennen. Met haar besluit hij op de Magic Bus richting Nepal te stappen. De reis is het begin van een onstuimige liefdesgeschiedenis en een periode die hen beiden diepgaand verandert en nieuwe waarden verschaft.

Hippie

14 juillet 1099. Alors que les croisés sont aux portes de la ville, les habitants de Jérusalem se pressent autour d'un homme mystérieux connu sous le nom du Copte pour entendre ses derniers enseignements. La foule, composée de chrétiens, de juifs et de musulmans qui vivaient jusqu'alors en parfaite harmonie, s'apprête à livrer combat et la défaite semble imminente. Mais loin de toute stratégie guerrière, c'est une véritable leçon de vie qui leur est dispensée. Le Manuscrit retrouvé est une invitation à repenser notre humanité qui pose une question d'une brûlante actualité : quelles valeurs subsistent lorsque tout a été détruit ?

Le manuscrit retrouvé

Fuyant Israël sur l'ordre de Dieu, le prophète Elie se retrouve à Sarepta, petite cité phénicienne assiégée par les Assyriens. Il y perdra ce qu'il a de plus cher : la femme aimée. La révolte contre Dieu n'est-elle pas la façon la plus juste, la plus humaine, de réagir ? Comment le prophète peut-il défendre son propre peuple des menaces qui pèsent sur lui, quand le doute l'envahit ? C'est alors qu'un ange est envoyé à sa rencontre... « Cette édition est publiée avec l'accord de Sant Jordi Asociados, Agencia Literaria, S.L.U., Barcelone, Espagne. » © Paulo Coelho, 1996 (tous droits réservés) Pour la traduction française : © Éditions J'ai Lu, 2011

La cinquième montagne

Un écrivain célèbre remet en cause tous les principes qui ont gouverné sa vie lorsque sa femme disparaît sans laisser de traces. Au fil d'un périple qui le conduira de Paris jusqu'en Asie centrale, il traverse la steppe, son désert, sa magie et ses légendes pour retrouver celle qui donne plus que jamais un sens à sa vie. Paulo Coelho revisite mythes antiques et traditions lointaines pour évoquer les thèmes de la quête de l'amour, de la femme éternelle, du pèlerinage, de la recherche de soi et des origines de la croyance. Il recourt à l'autobiographie pour décrire avec ironie l'état du monde moderne, parler de la liberté et de la solitude, et s'interroger sur l'avenir de l'homme en quête de repères, d'amour et de spiritualité.

Le Zahir

I want to change. I need to change. I'm gradually losing touch with myself. *Adultery*, the provocative new novel by Paulo Coelho, best-selling author of *The Alchemist* and *Eleven Minutes*, explores the question of what it means to live life fully and happily, finding the balance between life's routine and the desire for something new.

Adultery

"The book casts a curiously sweet spell." – Entertainment Weekly *Eleven Minutes* tells the story of Maria, a young girl from a Brazilian village whose first innocent brushes with love leave her heartbroken. At a tender age, she becomes convinced that she will never find true love, instead believing that "love is a terrible thing that will make you suffer." A chance meeting in Rio takes her to Geneva, where she dreams of finding fame and fortune, yet ends up working as a prostitute. In Geneva, Maria's despairing view of love is put to the test when she meets a handsome young painter. In this odyssey of self-discovery, Maria must choose between pursuing a path of darkness—sexual pleasure for its own sake—or risking everything to find her own inner light and the possibility of true love.

Contes de Noël

The latest novel from the #1 internationally best-selling author of *The Alchemist*. There is nothing wrong with anxiety. Although we cannot control God's time, it is part of the human condition to want to receive the thing we are waiting for as quickly as possible. Or to drive away whatever is causing our fear. . . . Anxiety was born in the very same moment as mankind. And since we will never be able to master it, we will have to learn to live with it—just as we have learned to live with storms. * * * July 14, 1099. Jerusalem awaits the invasion of the crusaders who have surrounded the city's gates. There, inside the ancient city's walls, men and women of every age and every faith have gathered to hear the wise words of a mysterious man known only as the Copt. He has summoned the townspeople to address their fears with truth: "Tomorrow, harmony will become discord. Joy will be replaced by grief. Peace will

give way to war. . . . None of us can know what tomorrow will hold, because each day has its good and its bad moments. So, when you ask your questions, forget about the troops outside and the fear inside. Our task is not to leave a record of what happened on this date for those who will inherit the Earth; history will take care of that. Therefore, we will speak about our daily lives, about the difficulties we have had to face." The people begin with questions about defeat, struggle, and the nature of their enemies; they contemplate the will to change and the virtues of loyalty and solitude; and they ultimately turn to questions of beauty, love, wisdom, sex, elegance, and what the future holds. "What is success?" poses the Copt. "It is being able to go to bed each night with your soul at peace." * * * Now, these many centuries later, the wise man's answers are a record of the human values that have endured throughout time. And, in Paulo Coelho's hands, The Manuscript Found in Accra reveals that who we are, what we fear, and what we hope for the future come from the knowledge and belief that can be found within us, and not from the adversity that surrounds us. This eBook edition includes a Reading Group Guide.

Manuscript Found in Accra

Set in Paris and in the enchanting landscape of central Asia, this new novel by the author of the international bestsellers *The Alchemist* and *Eleven Minutes* follows the journey of a man obsessed with finding the wife who left him without an explanation. The narrator of *The Zahir* is a bestselling novelist who lives in Paris and enjoys all the privileges that money and celebrity bring. His wife of ten years, Esther, is a war correspondent who, despite her professional success and freedom from the conventional constraints of marriage, is facing an existential crisis. When she disappears along with a friend, Mikhail, who may or may not be her lover, the authorities question the narrator. Was Esther kidnapped, killed, or did she simply abandon a marriage that left her unfulfilled? The narrator doesn't have any answers but he has plenty of questions of his own. Then one day Mikhail, the man with whom Esther was last seen, finds the narrator and promises to take him to his wife. In his attempt to recapture a love lost, the narrator discovers something unexpected about himself.

En 1986, Paulo Coelho entreprend le pèlerinage de Saint-Jacques-de-Compostelle, sur la route empruntée par des millions de croyants depuis le Moyen Âge. De ce voyage initiatique, dont il relate ici les étapes, l'homme est sorti transformé, convaincu que "l'extraordinaire se trouve sur le chemin des gens ordinaires". Il restitue, dans un style simple et fluide, son aventure comme expérience universelle. « Cette édition est publiée avec l'accord de Sant Jordi Asociados, Agencia Literaria, S.L.U., Barcelone, Espagne. » La presse en parle : "Quelles que soient les réponses, les messages de Paulo Coelho sont clairs : il faut prendre des risques, accepter les défis, croire à l'amour, au destin, s'émerveiller quotidiennement devant le mystère de la vie." Another stunning novel by the author of *The Alchemist*.

Hippie

Les gens créent une réalité et ils en sont ensuite les victimes. Athéna s'est rebellée contre cela – et elle l'a payé très cher. HERON RYAN, journaliste Athéna m'a utilisée et manipulée, sans la moindre considération pour mes sentiments. Elle était ma maîtresse, chargée de transmettre les mystères sacrés, de réveiller la force inconnue que nous possédons tous. Quand nous nous aventurons sur cette mer inconnue, nous faisons confiance aveuglément à ceux qui nous guident – croyant qu'ils en savent plus que nous. ANDREA MCCAIN, actrice de théâtre Le grand problème d'Athéna, c'est qu'elle était la femme du XXI^e siècle, alors qu'elle vivait au XX^e – et qu'elle permettait à tous de le voir. L'a-t-elle payé ? Sans doute. Mais elle aurait payé bien plus cher si elle avait réprimé son exubérance. Elle aurait été amère, frustrée, toujours inquiète de « ce que les autres vont penser », disant toujours « laisse-moi résoudre d'abord ces problèmes, ensuite je me consacrerai à mon rêve », se plaignant sans cesse que « les conditions idéales ne se présentent jamais ». Cependant, elle ne supporte plus de faire semblant d'être heureuse quand, en vérité, elle ne ressent rien d'autre qu'un

sentiment grandissant d'apathie et d'indifférence. Jusqu'au jour où elle retrouve un ancien petit ami. Jacob est un homme politique de premier plan et, lors d'une interview, il éveille en elle un sentiment oublié depuis longtemps : la passion. Elle fera tout pour conquérir cet amour impossible et devra aller au plus profond d'elle-même pour enfin trouver le bonheur.

La sorcière de Portobello

The unnamed narrator of this story is a wildly successful novelist and celebrity who lives in Paris with his wife Esther, a war correspondent who speaks four languages. Their marriage has hit a dry spot and she is restless, wanting to move on in search of her own happiness. When Esther disappears, he is tormented and traumatized by the mystery of what has happened to her. Has she been kidnapped, killed, or has she left him for another lover? The narrator has had plenty of success in his life: well attended book signings, power lunches with film industry people, and interviews with journalists. But it all leaves him with a sour taste in his mouth. He remembers a story by Jorge Luis Borges about a mystical coin: "A year later, I wake thinking about the story by Borges, about something which, once touched or seen, can never be forgotten, and which gradually so fills our thoughts that we are driven to madness. My Zahir is not a romantic metaphor - a blind man, a compass, a tiger, or a coin. It has a name, and her name is Esther." The narrator's struggle is that of a man as trying to come to terms with something he cannot understand or control: the mystery of Esther's absence. It is very hard for him to let go of his feeling that she is the only one who fills his life with meaning. The inner journey he takes opens him up to new possibilities. Then Mikhail, the last person Esther was seen with, contacts the narrator and promises to take him to her. Mikhail, a young man who works with unhappily married couples, has his own spiritual perspective on love. Coelho has not created a masterwork on the level of *The Alchemist*, but for those who are willing to travel lightly, there are some interesting insights here on obsessive love, the emptiness of celebrity-status success, and the courage needed to square off against the mysteries and rewards of letting go of ego and stepping into the dark unknown.

From the #1 best-selling author of *The Alchemist* comes an inspiring story about a young man seeking wisdom from an elder, and the practical lessons imparted along the way. Includes stunning illustrations by Christoph Niemann. "A novelist who writes in a universal language." —The New York Times In *The Archer* we meet Tetsuya, a man once famous for his prodigious gift with a bow and arrow but who has since retired from public life, and the boy who comes searching for him. The boy has many questions, and in answering them Tetsuya illustrates the way of the bow and the tenets of a meaningful life. Paulo Coelho's story suggests that living without a connection between action and soul cannot fulfill, that a life constricted by fear of rejection or failure is not a life worth living. Instead one must take risks, build courage, and embrace the unexpected journey fate has to offer. With the wisdom, generosity, simplicity, and grace that have made him an international best seller, Paulo Coelho provides the framework for a rewarding life: hard work, passion, purpose, thoughtfulness, the willingness to fail, and the urge to make a difference.
