I: The Creation of a Serial Killer

Prize-winning journalist Jack Olsen, armed with unprecedented access to one of the most infamous serial killers in American history, provides a fascinating glimpse into the mind of a murderer in the killer's own words . . . In February 1990, Oregon State Police arrested John Sosnovke and Laverne Pavlinac for the vicious rape and murder of Taunja Bennet, a troubled 23-year-old barfly who had suffered mild retardation since birth. Pavlinac had come forth and confessed, implicating her boyfriend and producing physical evidence that linked them to the crime. Authorities closed the case. There was just one problem. They had the wrong people. And the real killer wasn't about to let anyone take credit for his kill. Keith Hunter Jespersen was a long haul truck driver and the murderer of eight women, including Taunja Bennet. As the case wound through police precincts and courts--ending in life sentences for both Sosnovke and Pavlinac--Jespersen began a twisted one man campaign to win their release. To the editors of newspapers and on the walls of highway rest stops, Jespersen scribbled out a series of taunting confessions: I killed Tanya Bennett . . . I beat her to death, raped her and loved it. Yes I'm sick, but I enjoy myself too. People took the blame and I'm free . . . Look over your shoulder. I may be closer than you think. At the end of each confession, Jespersen drew a happy face, earning for himself the grisly sobriquet "The Happy Face Killer." Based on access to interviews, diaries, court records, and the criminal himself, I: The Creation of a Serial Killer is Jespersen's chilling story. It chronicles his evolution from angry child to sociopathic murderer, from tormentor of animals to torturer of women. It is also the story of the fate that befell him after two innocent citizens were imprisoned four years for one of his killings. Edgar Award winner Jack Olsen lets the killer to tell his story in his own words, offering unprecedented insight into the twisted thought process of a serial murderer. Olsen takes his readers along on Jespersen's vicious cross-country killing spree, letting him describe how he played his "death game" with eight innocent victims and how he finally came to grips with the fate he deserved. I: The Creation of a Serial Killer is one of the most revealing and insightful pieces of crime reporting ever published.

I: The Creation of a Serial Killer

Little Artie Shawcross bullied classmates, insulted teachers, started fires, tortured animals, and roved the woods of New York's hardscrabble North Country with imaginary friends, talking in a high squawk. He also scored top grades, excelled in sports and shared his money and toys with the children who ridiculed him. From the second grade on, he was subjected to psychiatric examination, regularly confounding the experts. Years later, while serving in Vietnam, Arthur John Shawcross wrote bloodcurdling letters about his battlefield ordeals, then returned to Watertown to commit a string of arsons and burglaries. He served two years in prison, was paroled to his respectable parents - and murdered a boy and a girl. Back in the penitentiary, he proved as enigmatic as ever. Some counselors saw him as a Frankenstein monster, beyond hope, irredeemable. To others he was a troubled young man who could be saved. No two psychiatrists seemed to agree. Shawcross served fifteen years, then conned a parole board into an early release. He settled in Binghamton, but angry citizens learned of his bloody history and ran him out of town. After two smaller communities turned him away, desperate parole authorities finally smuggled the child-killer into Rochester in the dead of night - neglecting to alert the local police. Soon the corpses started turning up, locked in winter ice, covered by reeds in swamps, floating in streams. The homicidal pedophile had changed his M.O., this time murdering diminutive women. As the body count grew, Rochester streets swarmed with police, and still the serial killer managed to snare his tenth victim, then his eleventh. Amazon.com Accounts of more famous serial killers like Ted Bundy or Jeffrey Dahmer may have ghoulish entertainment value, but I agree with writer Darcy O'Brien that this meticulously factual study of child sex-murderer Arthur Shawcross "comes closer to capturing the psychology of a serial killer than anything else I've ever read." The strength of this book (semi-finalist for a 1994 Edgar Award) comes first from the quality of the materials--including first-person interviews with the killer's wives, girlfriends, co-workers, police officers, therapists, and even a prostitute who "played dead" for Shawcross--and second, from Olsen's ability to weave the information into a highly readable story that reveals, above all, the ineffectiveness of our system of rehabilitation and parole. From Publishers Weekly An experienced and skilled writer, Olsen (Predator) proves himself equal to the formidable task of studying serial killer Arthur Shawcross. Born in 1945 in upstate New York, Shawcross was perceived as different even in childhood (his classmates dubbed him "Oddie," and elementary school officials called for mental health evaluations). In the early '70s he murdered two children and was sentenced to up to 25 years in prison; he served less than 15 years before he was paroled in 1987. He was difficult to place--townspeople drove him out as soon as his past became known. After three such episodes, parole officials sent him surreptitiously to Rochester, N.Y., where he killed at least 11 prostitutes. He was arrested in 1990 and eventually sentenced to 250 years in prison. During the trial, he claimed that he had been physically and sexually abused by his mother (untrue, the authorities concluded) and that he had committed horrible atrocities in Vietnam (probably untrue). He did not fit the classic pattern of the sociopath, nor did he seem either schizophrenic or paranoid. It remained for psychiatrist Richard Kraus to hypothesize that physiology was the basis for Shawcross's behavior--he diagnosed Shawcross as suffering from a metabolic ailment known as pyroluria and an abnormal genetic constitution. Told by Olsen with contributions from others affected by Shawcross's crimes, the story is a triumph of true-crime writing.

The Misbegotten Son

Based on access to interviews, diaries, court records and the criminal himself, this is the story of serial killer Keith Hunter Jespersen, who wrote confession signed with a happy face.

The Happy Face Killer

In a tree-lined community near Seattle, young women were drawn to George Russel Jr.. They crowned him "cool"

Charmer

A classic from "the dean of true crime" (The Washington Post)—now with a new foreword—this 1983 masterpiece tells the incredible story of a Spokane, Washington serial rapist who was exposed as the handsome, privileged son of one of the city's most elite families. For more than two years, a rapist prowled the night streets of the homey, All-American city of Spokane, Washington, terrorizing women, sparking a run on gun stores, and finally causing one newspaper to offer a reward—the calls taken by the distinguished managing editor himself, Gordon Coe. In March 1981, luck and inspired police work

at last produced an arrest, and Spokane shuddered. The suspect was clean cut and conservative...and Gordon Coe's son. For eighteen months, Jack Olsen researched the cases of Fred and Ruth Coe to try to learn not only what happened within that family, but how and why. He interviewed more than 150 people and built up a portrait not only of that extraordinary family, but of the mind of a psychopath. And searching the memories of the women in Fred Coe's life, he unearthed a most horrifying question: What is it like to love and live with a man for years—and then discover he is a psychopathic criminal? In this "gruesomely spellbinding" (Glamour) examination of the mind of a psychopath and of the women—and men—who were his victims, Olsen delivers "a harrowing portrait...It has become fashionable with books about vicious crimes to compare them to Truman Capote's *In Cold Blood*. Finally there is a book that deserves the comparison" (Richmond Times-Dispatch).

Son: A Psychopath and his Victims

Jack Olsen, "the master of the true crime book,"* now gives us an incisive, probing look into the creation and development of the criminal mind, as well as a shocking case of justice gone awry. From childhood, McDonald Smith took to heart the lessons drummed into him by antisocial relatives and peers. As a teenager, unburdened by conscience or pity, he experimented with child abuse and bestiality, then moved on to larceny, stickups, incest, and, finally, rape. Warned by a "witch" that he was about to be arrested, he fled Los Angeles for Seattle and the Northwest -- already the breeding ground of predatory monsters like Ted Bundy, Kenneth Bianchi, and the Green River Killer. There, for years, he stalked the women of Seattle, seeking his prey on the dark streets and in the quiet homes, then returning to his wife and family: too careful -- and too clever -- to be caught. By fall 1980, Mac Smith's luck still held. A respectable young businessman named Steve Titus found himself charged with one of Smith's most sadistic rapes in a nightmarish case of mistaken identity and injustice. The idealistic Titus was certain that the American system of justice would clear him -- right up to the day that a jury of his peers returned a verdict of guilty as charged. While Mac Smith continued to terrorize the women of Seattle, Titus lost everything: his reputation, his job, his loved ones, his freedom. It was only when a Pulitzer prize-winning reporter answered Titus's pleas for justice that the terrible truth emerged: a truth that was darker than anyone imagined. *Predator* is a gripping work of true crime reporting: Jack Olsen doing what he does best. It is a searing study of violations: of women, of justice, of power, and of the human spirit. *Jonathan Kellerman Review: With careful reporting that sticks close to the facts, Jack Olsen tells stories that seem straight out of crime fiction, and yet are all the more compelling for being true. This book focuses on three men--a criminal who preyed on women, a carefree partygoer who was wrongly convicted of the predator's crimes, and a reporter for the Seattle Times who won a Pulitzer Prize for tracking down the truth. It's supposed to be a rare event in the U.S. judicial system that someone this innocent gets screwed this badly. Even if it only happened to one person every decade, it would still be a horrible thing. And the smiling rapist, described as having a sweet "Jesus-like" countenance, knowingly allowed that to happen. Olsen not only delivers a real page-turner, but he ties up all the loose ends before the book's memorable and satisfying finale.

Predator

The true story of the 1985 murder of a young boy whose unidentified body was found in Nebraska. Two years later, a phone call from Ohio led authorities to the boy's father, an Amish bishop involved with pornography and drugs. of photos.

Abandoned Prayers

The mass murder of almost thirty young boys in Houston may well have been the most heinous crime of the century. How could such a series of murders go undetected for almost three years before being exposed? *The Man with the Candy* is a brilliant investigative journalist's story of the crime and the answer to that question. The night David Hilligiest didn't come home was both like and unlike other nights when other Houston boys disappeared between the years 1971 and 1973. At three in the morning the police were called, but they just said that boys were running away from the best of homes nowadays and that they'd list David as a runaway. No, there would be no official search for the youngster. Aghast, the Hilligiests, in the months that followed, hired their own detective, put up posters, even sought the aid of clairvoyants. But David never did come home again because, along with at least twenty-six other Houston boys, he had been murdered and buried by the homosexual owner of a candy factory, the mass murderer of the century, Dean Corll, according to his two teenage confessed accomplices, Elmer Wayne Henley, Jr., and David Brooks. Many of the young boys had not even been reported as missing,

and the fact that they were dead would probably never have come to light had not one of the murderers confessed. For in Houston, where in a typical year the total number of murders is twice that of London despite the fact that London is six times as large and far more densely populated, missing persons and violence are likely to be considered commonplace. In the months before the trial of Henley and Brooks, Jack Olsen interviewed and probed for answers about the criminals, the victims and the city itself, which remained for the most part silent, angry and defensive. The result is a classic of true crime reportage.

The Man with Candy

Joe Gere said he died on the afternoon his twelve-year-old daughter Brenda disappeared. It was left to Brenda's mother Elaine to sustain her stricken family, search for her missing child, and pressure the authorities for justice. From the first minutes of the investigation, suspicion fell on Michael Kay Green, a steroid-abusing "Mr. Universe" hopeful, but there was no proof of a crime, leaving police and prosecutors stymied. With a new introduction by bestselling true crime author M. William Phelps. Tips and sightings poured in as lawmen and volunteers combed the Cascades forest in the biggest search on Northwest history. Years passed with no sight of the blue-eyed girl or the bright clothes she'd worn on the day she disappeared, but Elaine remained undaunted. *Salt of the Earth* is the true story of how one woman fought and triumphed over life-shattering violence and how she healed her family-and herself. *Salt of the Earth* is the true story of a courageous woman who survived a hellish twentieth-century nightmare. Mob violence, injustice, kidnapping, murder, and suicide were the black holes in the awful astronomy of Elaine Gere's life. Somehow she had to summon the courage to endure: to honor her beloved dead and to rebuild the shattered lives of the sons who depended on her strength. Jack Olsen has been lauded for his psychological insights into the most violent criminals in such previous masterworks as *Doc*, *The Misbegotten Son*, and *Predator*, but he has never overlooked their victims. By viewing the world through the eyes of Elaine Gere and her devastated family, he finds the core values that enabled them not only to survive and flourish, but, in the end, to triumph. *Gilbert Taylor: In the annals of humanity, the Gere family is unexceptional and ordinary--unless one looks as closely at their lives as Olsen does.* A boomer-age couple, Joe and Elaine Gere move between California and Idaho a dozen times on their roller coaster ride of solvency and bankruptcy and have three children. Much the steadier spouse, energetic Elaine always manages to land a clerical federal job wherever Joe moves the family. The wanderlust ensues from Joe's first career misfortune, as a cop disabled during a melee with a mob. His relatives thought that incident started his slide toward suicide, and his addictive (regrets of hitting her and promises to reform) abuse of Elaine demonstrates the complexity of Joe's insidious demons. But he holds on, Elaine remaining loyal, until another bolt from the blue--the kidnapping and murder of their 12-year-old daughter. Here Olsen is at his dispassionate, yet concerned, best, introducing the subplot of the suspect's life (a wife beater), the course of the investigation, and the ultimate denouement of the case. In this mass-media age, many women will identify with, and perhaps be inspired by, Olsen's fine chronicle of the Gere family.

Salt of the Earth

David loved Cindy and was loved in return. Or so he thought. The troubled young man clung to his new love and dreamed of their future together. So begins the chain of events that was to evolve into a horror of terrifying proportions. Jack Olsen, bestselling author of *"Son,"* now reveals the details of a true-life romance gone hideously awry. After weeks of planning, the young misfits from two fine old Texas families donned grotesque battle gear and crept into the luxurious home where Cindy Ray's parents lay asleep with her two small sons. In the hot muggy room, the "cold kill" was over in seconds. Everyone who knew the unpredictable Cindy suspected that she was involved, but the ghastly crime had been so carefully orchestrated that Houston's top homicide detectives could get nowhere. Cindy wore black and sobbed at the funeral, then began a frenzied attempt to collect her inheritance and as many of her wealthy parents possessions as she could haul away. No one except David West was surprised when she walked out on him. Then the story took another bizarre turn. In a final bid to solve the case, a seductive young private investigator named Kim Paris was assigned to cozy up to West. Soon the gullible killer was in love, once again with fateful consequences. Traditionally, true-crime drama illuminates the sinister motivations in the human psyche. Yet *Cold Kill* reveals something still more frightful -- unspeakable murders are committed, not out of greed, revenge, or blind demented rage, but out of a troubled young man's tragically misconceived code of honor and a desperate need to please and protect the woman of his dreams. Jack Olsen's *Cold Kill* is a stunning testament to the profoundly discerning eye of a grand master of true crime. To read *Cold Kill* is not to forgive David West. It is,

however, to undergo the uncanny experience of feeling oneself slowly but surely moving into the shoes of a pathological killer.

Cold Kill

Award Winner! For twenty-five years, the trusted family doctor in a small Wyoming town had been raping and molesting the women and children who most relied on him. Mostly Mormons, the naive victims sometimes realized on their wedding nights the truth about what had happened in Dr. Story's office. In riveting detail, veteran crime writer Jack Olsen tells the searing story of a small group of courageous women who decided to bring a doctor to justice — and unearthed a legacy of pain and anger that would divide their families, their neighbors, and an entire town. Publishers Weekly: This masterful book by the author of *Son*, as much a searching sociological study as a true-crime narrative, tells what happened in Lovell when these happenings came to light: the community lost its bearings and the doctor was convicted of rape. Kirkus: From popular true-crime veteran Olsen (*Son*; *Cold Kill*; etc.), the widely publicized case that tore a small Wyoming town apart when the local doctor was accused, then convicted, of raping patients under the guise of giving them pelvic examinations. Lowell, Wyoming, was a town divided largely along religious lines: a Mormon majority and a Baptist minority. When Dr. John Story arrived to start up a practice, he found a warm welcome: a doctor was needed and, though he was a Baptist, his strict habits (which led him to start his own, more fundamentalist church) won the respect of Mormons who flocked to him as patients. But in 1983, after years of suspicions they had tried to dismiss, two sisters came forward with accusations of rape, inspiring dozens of other women (some elderly) to at last speak up. Some victims had been silent because of the Mormon code that seemed to hold women responsible for any extramarital sex; others had taken their case to the police (and not been believed), to Church leaders (who told them to switch doctors), and to the medical association (which did nothing). The 1983 accusers were vilified by the town (even by many Mormons, some grateful for Story's medical care, others sensitive to his claim that the case was a Mormon conspiracy); some lost their jobs and businesses, but Story was eventually convicted and is now doing 15-20 years. Engrossing true drama--and a more balanced than usual picture of Mormon life and values. The award-winning author of thirty-three books, Jack Olsen's books have been published in fifteen countries and eleven languages. Olsen's journalism earned the National Headliners Award, Chicago Newspaper Guild's Page One Award, commendations from Columbia and Indiana Universities, the Washington State Governor's Award, the Scripps-Howard Award and other honors. He was listed in *Who's Who in America* since 1968 and in *Who's Who in the World* since 1987. The *Philadelphia Inquirer* described him as "an American treasure." Olsen was described as "the dean of true crime authors" by the *Washington Post* and the *New York Daily News* and "the master of true crime" by the *Detroit Free Press* and *Newsday*. Publishers Weekly called him "the best true crime writer around." His studies of crime are required reading in university criminology courses and have been cited in the *New York Times* Notable Books of the Year. In a page-one review, the *Times* described his work as "a genuine contribution to criminology and journalism alike."

Doc: The Rape of the Town of Lovell

Jack Olsen's *Last Man Standing* is the gripping story of Geronimo Pratt, war hero and community leader, who was framed by the FBI in one of the greatest travesties of justice in American history. Geronimo Pratt did not commit the murder for which he served twenty-seven nightmarish years. As a UCLA student, though, he had led the Los Angeles Chapter of the Black Panther Party, and became a target of the FBI. Here is the spellbinding saga of Pratt, his heroic lawyers, Johnnie Cochran and Stuart Hanlon, and the Reverend James McCloskey, who overcame all the odds to bring the truth to light and free Geronimo.

Last Man Standing

True crime journalist Gregg Olsen, author of the instant bestseller *If You Tell*, unravels the twisted tale of a shocking murder in Amish country. On Christmas Eve in 1985, a hunter found a young boy's body along an icy corn field in Nebraska. The residents of Chester, Nebraska buried him as "Little Boy Blue," unclaimed and unidentified-- until a phone call from Ohio two years later led authorities to Eli Stutzman, the boy's father. Eli Stutzman, the son of an Amish bishop, was by all appearances a dedicated farmer and family man in the country's strictest religious sect. But behind his quiet façade was a man involved with pornography, sadomasochism, and drugs. After the suspicious death of his pregnant wife, Stutzman took his preschool-age son, Danny, and hit the road on a sexual odyssey

ending with his conviction for murder. But the mystery of Eli Stutzman and the fate of his son didn't end on the barren Nebraska plains. It was just beginning... Olsen's *Abandoned Prayers* is an incredible true story of murder and Amish secrets.

Abandoned Prayers

'Olsen will have you on the edge of your seat' Lee Child For two women, Ted Bundy, America's most notorious serial killer is the ultimate obsession. One is a cop whose sister may have been one of Bundy's victims. The other is a deranged groupie who corresponded with Bundy in prison - and raised her son to finish what he started. To charm and seduce innocent girls. To kidnap and brutalize more women than any serial killer in history. And to lure one obsessed cop into a trap as sick and demented as Bundy himself... Praise for Gregg Olsen: 'Wickedly clever... twisted' Lisa Gardner 'Olsen is a top-notch writer' Michael Connelly 'Olsen keeps the tension taut and pages turning' *Publishes Weekly*

The Fear Collector

The chilling true story of the Spahalski brothers, who looked alike, acted alike—and killed alike . . . Robert Bruce Spahalski and Stephen Spahalski were identical twins. Same hair, same eyes, same thirst for blood. Stephen was the first brother to kill—by viciously bashing in storeowner Ronald Ripley's head with a hammer. Unlike Stephen, Robert didn't stop with just one victim. With the cord of an iron, Robert strangled prostitute Morraïne Armstrong during sex. With his bare hands, he choked his girlfriend Adrian Berger. He brutally bludgeoned to death businessman Charles Grande. Even his friend Vivian Irizarry didn't escape his lurid killing spree. Robert ultimately confessed to the four murders in vivid detail. But police suspected there were many more. The twins' twisted story became even more bizarre as the true nature of their sick psyches came to light. In *Killer Twins*, through extensive interviews, Michael Benson reveals for the first time the horrific details of Robert Spahalski's life and crimes in a disturbing look at the inner workings of a homicidal mind.

In Cold Blood

Paul John Knowles, nicknamed the Casanova killer, went on a 4 month killing spree in 1974. He still remains one of the lesser known serial killer of his generation. Read all about this psychopath who wanted fame before his life ended November 7, 1974 As she entered her home in Milledgeville, Georgia, all Ellen Carr probably had on her mind was going to bed. She was a registered nurse who worked a night shift, and although the small family welcomed the money, the job was a demanding one. Inside, the house was unnaturally quiet. She found that odd. Her husband, forty-five-year-old businessman Carswell Carr and fifteen-year-old daughter Amanda usually greeted her when she came home from the hospital. That wasn't the only sign that something was seriously amiss. As an investigator later put it, "The (place) looked as if it had been attacked by an animal." Mirrors were smashed. Slashed furniture lay everywhere, some of it in pieces. Books from the bookshelves littered the floor. Had they been robbed? Where were Carswell and Mandy? Heart pounding, Mrs. Carr ran from room to room, calling out. Minutes later, she was back outside, screaming hysterically. Neighbors called the police to what was obviously the scene of gruesome double homicide. Carswell Carr's nude corpse was lying face down on the couple's bed, hands bound behind his back and twenty-seven stab wounds, inflicted by scissors, all over his body. The medical examiner later determined that he had died of a heart attack, likely brought on by the torture. Down the hall, Amanda was also face down in her room, one nylon stocking tied tightly around her neck and the other shoved down her throat. To compound the horror, she appeared to have been raped after death. When Mrs. Carr regained her senses, she went through the house with the police and identified several things that were missing: Carswell's briefcase, shaving kit, credit cards, identification, and most of his clothing. While detectives searched for more clues, the murderer, wearing his victim's clothes, was in an Atlanta bar, flirting with a lady reporter. He told her his name was Daryl Golden, but his real name was Paul John Knowles, and he was destined to be remembered as one of most vicious and unpredictable serial killers of his generation. Killer Twins

They were a notorious gypsy family that seeped into their victims' lives like a deadly cancer. And they couldn't be stopped-- until one courageous woman took on the cases no one else would touch... THE VICTIMS: Elderly, well-to-do men and women who, due to their failing health, strength, and faculties, could be conned out of their fortunes by heinous neglect, abuse, and possibly even murder. THE

ACCUSED: Several members of a ruthless family of Gypsies known for their cunning con-games and remarkable ability to extract large sums of money from their unwitting pawns. **THE INVESTIGATOR:** Fay Faron, a beautiful, never-say-die P.I., determined to bring these culprits to justice-- even when the authorities turned a blind eye to the Gypsies' crimes time and time again. In this shattering expose, bestselling author Jack Olsen follows Fay Faron as she retraces every step of the Gypsy family and the crimes they stand accused of: moving in on their helpless prey, extorting money, signing the fortunes of elderly millionaires into their own names-- and speeding up the death process with sadistic neglect, slow poison, and unspeakable cruelty. Not since Peter Maas' *King of the Gypsies* has the world of Gypsy crime been exposed in such shocking detail and with more fascinating insight.

The Casanova Killer

The war between society and the antisocial personality has long been a subject of fascination, and few have explored it as thoroughly as award-winning author Jack Olsen. In his national best seller *Son: A Psychopath and His Victims*, Olsen studied a psychopathic rapist who found the perfect protective coloration in jogging shoes and sweats. In this book, the story of Claude Lafayette Dallas, Jr., Olsen takes on perhaps his most challenging assignment -- explicating the curious relationship between a homicidal young "mountain man" and those who saw in his colorful ways the embodiment of the cowboy mystique of the West. On a snow-blown day, Dallas killed two game wardens who entered his trapping and poaching camp in Idaho's Owyhee Desert. The cold-bloodedness of Dallas's crime shocked the West. Stained with his victim's blood, he confessed to a companion, "This is Murder One for me." Then Claude Dallas vanished into the wild and rugged mountains that had sheltered him for so long. For fifteen long months he was the subject of an international manhunt until the FBI and a drawling country sheriff joined forces to run him to earth in a rain of bullets. Only then did lawmen learn about the network of friends who had helped him elude capture. To some of Dallas's rustic neighbors the deadly progression from cowboy to poacher to killer seemed justifiable, even admirable. Clanking around the bars and barrancas of the high desert country in his hand-filed spurs and well-oiled guns, Claude Dallas had brought a strange new madness to the mythology of the West, a madness that even a jury of his peers found nostalgically seductive in a sensational trial. Claude Dallas came within a whisker of going free. Only Jack Olsen, through painstaking research into Dallas's background and exhaustive on-the-scene interviewing, could unravel such a rat's nest of contradictions and confusions and create so compelling a portrait of the killer whose bloody deeds might have been foreordained from childhood. From *Publishers Weekly* Claude Dallas Jr. was raised in Upper Michigan and Ohio by a father whose philosophy was "give a boy a gun and you're makin' a man." After high school, the young man went to the rugged border area of Idaho, Oregon and Nevada and worked as a cow-puncher and handyman on several ranches. But his dream was evidently to become a 19th century style mountain man and so he turned to poaching, often killing animals even though he had no need for the meat. In 1981, he killed two game wardens in front of a witness. On the run for 15 months, he was eventually captured in a shootout and found guilty of manslaughter in a singularly bizarre trial. From *Library Journal* "Give a boy a gun and you're makin' a man," Claude Dallas, Sr., is quoted as saying in this book about his son, Claude Jr., a self-made cowboy, trapper, and "mountain man" who was convicted of manslaughter in the shooting deaths of two Idaho game wardens. Claude Jr. was well-liked by many, including a sympathetic jury which rejected possible first or second degree murder verdicts. Was it a case of self-defense or outright murder? Olsen, who last wrote the popular "Son": a psychopath and his victims (LJ 11/15/83), skillfully presents his viewpoint in a readable tale more reminiscent of Old West traditions than of the 1980s. Recommended.

Hastened to the Grave

From New York Times bestselling author Pete Earley—the strange but true story of how a young man's devastating brain injury gave him the unique ability to connect with the world's most terrifying criminals. Fifteen-year-old Tony Ciaglia had everything a teenager could want until he suffered a horrific head injury at summer camp. When he emerged from a coma, his right side was paralyzed, he had to relearn how to walk and talk, and he needed countless pills to control his emotions. Abandoned and shunned by his friends, he began writing to serial killers on a whim and discovered that the same traumatic brain injury that made him an outcast to his peers now enabled him to connect emotionally with notorious murderers. Soon many of America's most dangerous psychopaths were revealing to him heinous details about their crimes—even those they'd never been convicted of. Tony despaired as he found himself inescapably drawn into their violent worlds of murder, rape, and torture—until he found a way to use his gift. Asked by investigators from the National Center for Missing and Exploited Children

to aid in solving a murder, Tony launched his own searches for forgotten victims with clues provided by the killers themselves. The Serial Killer Whisperer takes readers into the minds of murderers like never before, but it also tells the inspiring tale of a struggling American family and a tormented young man who found healing and closure in the most unlikely way—by connecting with monsters.

Give a Boy a Gun

Keith Hunter Jespersen, The Sad Story of the Happy Face Killer Stories about serial killers are incredibly popular. Tracking down a mass murderer is a constant plot line in films, television, and literature. But these stories are so often based on real life. In certain circumstances, however, real life goes a step beyond what we could imagine happening in fiction. Sometimes, the actions of a serial killer can seem so extreme and strange, their motivations so twisted and evil, that we struggle to comprehend exactly how they fit into the modern world. In the case of Keith Hunter Jespersen, the truth behind his murder spree is more horrific than anything dreamt up by Hollywood's best screenwriters. After a disturbing childhood left the giant of a man riddled with emotional and psychological scars, Jespersen travelled across Canada and spent time strangling and killing women whom he met along the way. While he was only convicted of eight murders, his own boasts suggest that total could have reached as high as 160. As a truck driver, he had the perfect cover story for travelling from town to town without having to put down roots. Often leaving an unsuspecting family at home, he was out in the wilderness committing heinous acts without anyone from the authorities coming close to suspecting his guilt. Jespersen, annoyed by the lack of attention he was receiving, began to leave messages to the public. Scrawled onto the walls of truck stop bathrooms, he signed each confession with a happy, smiley face. This led the media to christening him the Happy Face Killer. It was decades before the investigators came close to catching the killer, so read on to discover just how Keith Hunter Jespersen managed to get away with numerous horrific murders. This is the story of the Happy Face Killer. Scroll back up and grab your copy today!

The Misbegotten Son

Larry W. Eyler was caught in 1983, accused of being the "homosexual highway killer," responsible for 22 murders in three states. Unbelievably, he was indicted for just one killing and spent three months in jail before an Illinois judge determined that the overwhelming evidence against him was tainted. He was released. Six months later Eyler was caught again. This time he was accused of a brutal, unimaginable murder of a 15-year-old street hustler. Crime journalist Gera-Lind Kolarik was the first person to recognize the killer's hunting pattern, which crossed state lines -- she alerted the Illinois Lake County sheriff, thus initiating a crucial turn in the investigation. In Freed to Kill, Kolarik with journalist Wayne Klatt intelligently examines the story of Eyler and his victims and investigates the institutions and officials that allowed Eyler a chance to hunt again.

The Serial Killer Whisperer

Leading crime expert Christopher Berry-Dee gained the trust of some of the most infamous convicted killers, having corresponded with them and even entered their prison lairs to discuss their horrific crimes in detail. In this book, he presents six unforgettable prisoners and allows them to tell their stories, as well as giving the details and background of their terrifying cases - making this a must-read for aficionados of the genre and anyone fascinated by the extremes of human behaviour. Beyond the headlines, once the drama of the courtroom has subsided and the prison gates have been locked behind these killers for good, Talking With Serial Killers: Dead Men Talking allows the reader to get up close and personal with torturers, sexual psychopaths and mass murderers, to read the stories that are rarely heard and get the last word from some of the world's most pitiless killers.

The Happy Face Murderer

A Storm Of Violence Paul St. Pierre was an alcoholic driven by an urge to kill all the time. He bullied his younger brother, Chris, into committing unspeakable acts. His childhood friend, Andrew Webb, took drugs, talked to skulls, and dreamed about eating human flesh. It was only a matter of time before the trio terrorized a quiet neighborhood near Tacoma, Washington, with the brutal murders of innocent victims caught in a storm of senseless rage. Then the twisted triad turned on each other--over money. Paul shot Andrew in the stomach. Chris called the cops. But with tortured individuals like these, justice opened the doors to more surprising revelations. . . Warning: contains graphic photos. "True crime at its best." --Jack Olsen

Freed to Kill

This is an in-depth interview between the author and Keith Jespersen, the notorious serial killer. Keith describes his murders, the last moments of his victims life and what he thinks made him kill in the first place. This is a must read for psychology professionals, behavioral specialists, law enforcement, forensic and criminal justice teachers and those that have a fascination with true crime. This book is graphic and horrifying and is considered adult content. This may provide answers for why a person murders not only one person, but eight women; murdered innocence.

Talking with Serial Killers: Dead Men Talking

Canada is seen as a peaceful place, but this wake-up call shows us that there have been more than 60 serial killers in our history. Limited time offer. There are more than 60 serial murderers in Canadian history. For too long awareness of serial murder in Canada has been confined to West Coast butcher Clifford Olson and the "Schoolgirl Murderers" Paul Bernardo and Karla Homolka, along with the horrific acts of pig farmer Robert Pickton. Unlike our American neighbours, Canada has been viewed as a nation untouched by the shadow of multiple murder. Then came Colonel Russell Williams and his bizarre homicides and serial home invasions, which were sensational news worldwide on the Internet and television and in scores of newspapers and magazines. The reason for Canada's serial killer blackout is clear: until now such information has never been compiled and presented in a single concise work. Cold North Killers is a wake-up call. This detailed and haunting account of Canada's worst monsters analyzes their crimes, childhoods, and inevitable downfalls. It is an indispensable compendium for any true crime lover, criminologist, or law-enforcement officer.

Head Shot

Edgar Award Finalist: The true story of a serial killer who terrorized a midwestern town in the era of free love—by the coauthor of *The French Connection*. In 1967, during the time of peace, free love, and hitchhiking, nineteen-year-old Mary Terese Fleszar was last seen alive walking home to her apartment in Ypsilanti, Michigan. One month later, her naked body—stabbed over thirty times and missing both feet and a forearm—was discovered, partially buried, on an abandoned farm. A year later, the body of twenty-year-old Joan Schell was found, similarly violated. Southeastern Michigan was terrorized by something it had never experienced before: a serial killer. Over the next two years, five more bodies were uncovered around Ann Arbor and Ypsilanti, Michigan. All the victims were tortured and mutilated. All were female students. After multiple failed investigations, a chance sighting finally led to a suspect. On the surface, John Norman Collins was an all-American boy—a fraternity member studying elementary education at Eastern Michigan University. But Collins wasn't all that he seemed. His female friends described him as aggressive and short tempered. And in August 1970, Collins, the "Ypsilanti Ripper," was arrested, found guilty, and sentenced to life in prison without chance of parole. Written by the coauthor of *The French Connection*, *The Michigan Murders* delivers a harrowing depiction of the savage murders that tormented a small midwestern town.

Murdered innocence Look through the eyes of serial killer Keith Jespersen

The bestselling author of *Targeted* shares the identity of the serial killer who co-starred with him on *Dark Minds* and the story of their intriguing bond. In September 2011, M. William Phelps made a decision that would change reality-based television—and his own life. He asked a convicted serial killer to act as a consultant for his TV series. Under the code name "Raven," the murderer shared his insights into the minds of other killers and helped analyze their crimes. As the series became an international sensation, Raven became Phelps's unlikely confidante, ally—and friend. In this deeply personal account, Phelps

traces his own family's dark history, and takes us into the heart and soul of a serial murderer. He also chronicles the complex relationship he developed with Raven. From questions about morality to Raven's thoughts on the still-unsolved, brutal murder of Phelps's sister-in-law, the author found himself grappling with an unwanted, unexpected, unsettling connection with a cold-blooded killer. Drawing on over seven thousand pages of letters, dozens of hours of recorded conversations, personal and Skype visits, and a friendship five years in the making, Phelps sheds new light on Raven's bloody history, including details of an unknown victim, the location of a still-buried body—and a jaw-dropping admission. All this makes for an unforgettable journey into the mind of a charming, manipulative psychopath that few would dare to know—and the determined journalist who did just that. Praise for New York Times bestselling author M. William Phelps “Anything by Phelps is an eye-opening experience.” —Suspense Magazine “Phelps is the king of true crime.” —Lynda Hirsch, Creators Syndicate columnist

Cold North Killers

With an exclusive behind-the-scenes conversation between Billy Jensen and retired detective Paul Holes on the Golden State Killer, their favorite cold cases, and more Have you ever wanted to solve a murder? Gather the clues the police overlooked? Put together the pieces? Identify the suspect? Journalist Billy Jensen spent fifteen years investigating unsolved murders, fighting for the families of victims. Every story he wrote had one thing in common—they didn't have an ending. The killer was still out there. But after the sudden death of a friend, crime writer and author of *I'll Be Gone in the Dark*, Michelle McNamara, Billy became fed up. Following a dark night, he came up with a plan. A plan to investigate past the point when the cops had given up. A plan to solve the murders himself. You'll ride shotgun as Billy identifies the Halloween Mask Murderer, finds a missing girl in the California Redwoods, and investigates the only other murder in New York City on 9/11. You'll hear intimate details of the hunts for two of the most terrifying serial killers in history: his friend Michelle McNamara's pursuit of the Golden State Killer and his own quest to find the murderer of the Allentown Four. And Billy gives you the tools—and the rules—to help solve murders yourself. Gripping, complex, unforgettable, *Chase Darkness with Me* is an examination of the evil forces that walk among us, illustrating a novel way to catch those killers, and a true-crime narrative unlike any you've read before.

The Michigan Murders

And on its surface, the Chappaquiddick Incident (as it has infamously become known) was a simple but tragic traffic accident. However, its political fallout caused it to become the most speculated-upon car accident until Princess Diana's fatal ride, some 28 years later: Was Kennedy drunk? Was he trying to conceal an affair by deliberately killing Kopechne? Why did he wait for so long before reporting the accident? And who else was involved? Olsen tells the tale with as much detail as was made available to him. Though there is apparently only a single living eye-witness to the accident (Kennedy himself, who described having the "sensation of drowning" on live television a week later), Olsen tracks down the incongruous statements made by others who were indirectly involved... and comes to a potential conclusion which would be difficult to refute. There is no legal evidence of this conclusion, of course, but his alternate explanation of events turns much of the circumstantial evidence into a logic-of-sorts.

Dangerous Ground

A #1 Wall Street Journal, Amazon Charts, USA Today, and Washington Post bestseller. #1 New York Times bestselling author Gregg Olsen's shocking and empowering true-crime story of three sisters determined to survive their mother's house of horrors. After more than a decade, when sisters Nikki, Sami, and Tori Knotek hear the word mom, it claws like an eagle's talons, triggering memories that have been their secret since childhood. Until now. For years, behind the closed doors of their farmhouse in Raymond, Washington, their sadistic mother, Shelly, subjected her girls to unimaginable abuse, degradation, torture, and psychic terrors. Through it all, Nikki, Sami, and Tori developed a defiant bond that made them far less vulnerable than Shelly imagined. Even as others were drawn into their mother's dark and perverse web, the sisters found the strength and courage to escape an escalating nightmare that culminated in multiple murders. Harrowing and heartrending, *If You Tell* is a survivor's story of absolute evil--and the freedom and justice that Nikki, Sami, and Tori risked their lives to fight for. Sisters forever, victims no more, they found a light in the darkness that made them the resilient women they are today--loving, loved, and moving on.

Chase Darkness with Me

New York Times Bestseller: The “fascinating” true story of John Dale Cavaness, a much-admired Illinois doctor—and the cold-blooded killer of his own son (The Washington Post). Fusing the narrative power of an award-winning novelist and the detailed research of an experienced investigator, author Darcy O’Brien unfolds the story of Dr. John Dale Cavaness, the southern Illinois physician and surgeon charged with the murder of his son Sean in December 1984. Outraged by the arrest of the skilled medical practitioner who selflessly attended to their needs, the people of Little Egypt, as the natives call their region, rose to his defense. But during the subsequent trial, a radically different, disquieting portrait of Dr. Cavaness would emerge. Throughout the three decades that he enjoyed the admiration and respect of his community, Cavaness was privately terrorizing his family, abusing his employees, and making disastrous financial investments. As more and more grisly details of the Cavaness case come to stark Midwestern light in O’Brien’s chilling account, so too does the hidden gothic underside of rural America and its heritage of violence and blood. “A meticulous account . . . An implicit indictment of a culture that condones and encourages violent behavior in men.” —The New York Times Book Review “A fascinating story, and Darcy O’Brien does a great job of structuring it for suspense.” —The Washington Post “Riveting.” —Publishers Weekly “A terrifying story of family violence and the community that honored the perpetrator.” —Kirkus Reviews “Stunning material . . . Handled with justice and fastidiousness by a natural storyteller.” —Seamus Heaney, winner of the Nobel Prize

The Bridge at Chappaquiddick

Ten-Year-Old Krystal Surles Watched In Horror As Her Best Friend Was Murdered At The Hands Of An Intruder. Then with cold-blooded precision he brought a twelve-inch boning knife to Krystal's throat. With a single, violent slash, he severed her windpipe and left her for dead. Miraculously, she survived and would lead authorities to the arrest of 35-year-old Tommy Lynn Sells, a former truck driver, carnival worker, and cross-country drifter... He Aspired To Become "The Worst Serial Killer Of All Time." With no apparent motive and no common pattern to his inconceivable bloodshed, the elusive Sells had carved his way across the country for two decades slaughtering women, men, transients, entire families, teenagers, and even infants with ghoulish abandon. Through The Window is more than an investigation into a crime spree that stunned a nation. It's an utterly terrifying plunge into the unfathomable dark mind of a serial killer, and the heart-wrenching story of the brave child who finally brought him to justice.

If You Tell

Never Trust a Chained Captive. That was one of the rules David Parker Ray posted on the isolated property where he and his girlfriend Cynthia Hendy lived near New Mexico's Elephant Butte Lake. They called their windowless trailer The Toybox. Over the years they lured countless young women into its chamber of unspeakable pain and horror--and filmed every moment. A Satanist, Ray was the center of a web of sadism, sex slavery, and murder. Authorities suspect he murdered more than 60 women. In October 2011, a flood of tips led to a renewed search for the remains of more possible victims. This updated edition reveals all the details, plus the inside story on the controversial movie based on these unforgettable events. "An eye-opening journey into the world of criminal sexual sadism." --Jim Yontz, Deputy District Attorney, Albuquerque, New Mexico 16 pages of haunting photos "Darkly fascinating. . .a shocker from beginning to end." --Gregg Olsen, New York Times bestselling author

Murder in Little Egypt

A Simon & Schuster eBook. Simon & Schuster has a great book for every reader.

Through the Window

True crime anthology that takes a closer look at some of the worst of the worst serial killers.

Slow Death:

In 1985, Charles Ng and Leonard Lake were spotted shoplifting. Ng escaped, but Lake's capture led police to a concrete bunker in the Sierra Nevada foothills, where they discovered the grisly evidence of an orgy of sex crimes, torture and murder that claimed at least sixteen victims. Lake committed suicide: Ng fled to Canada, where he was tracked down and extradited to California. This 14-year, \$10 million legal case was the costliest and longest criminal prosecution in California history.

How to Make a Serial Killer

Few serial killers in history have garnered as much attention as Jeffrey Lionel Dahmer. Although Dahmer killed seventeen young men and boys, it was not so much the number of people he killed that makes him stand out among famous serial killers, but more so the acts of depravity that he committed on the corpses of his victims. In this true crime story you will read how Dahmer transitioned from a loner to serial killer, committing numerous unnatural acts along the way such as necrophilia and cannibalism. Following in the macabre tradition of another infamous Wisconsin serial killer-Ed Gein-Jeffrey Dahmer terrorized Milwaukee for most of the 1980s until he was finally captured in 1991. Perhaps one of the most frightening aspects of Jeffrey Dahmer's serial killer career was how easy he was able to lure his victims into his trap. Dahmer possessed above average intellect, was conventionally good looking, and usually had a calm demeanor that could disarm even the most paranoid of people. Because of these traits, Dahmer was able to evade justice numerous times, which allowed him to keep killing. Truly, Dahmer was able to fool his family, the police, his neighbors, and even the judicial system into believing that he was not a threat; but during the entire time his kill count increased and the body parts of his victims began to pile up around his apartment. Open the pages of this book to read a story that is among the most disturbing of all true crime serial killers. You will follow the course of Dahmer's life from an alcoholic outcast in high school to a vicious predator who stalked the streets of Milwaukee. Finally, you will read about Dahmer's trial, his jail house murder, and the impact that his many crimes had on Milwaukee.

The Stolen Girl

"For as long as thirteen-year-old Diya can remember, it's always been just her and her mum, Vani. Despite never staying in one place long enough to call it home, with her mother by her side, Diya has never needed anything else. Then, in an instant, Diya's fragile world is shattered. Her mother is arrested, accused of abducting Diya when she was a baby..."--Back cover.

Girl, Stolen

Cheyenne, a blind sixteen year-old, is kidnapped and held for ransom; she must outwit her captors to get out alive. Sixteen year-old Cheyenne Wilder is sleeping in the back of a car while her mom fills her prescription at the pharmacy. Before Cheyenne realizes what's happening, their car is being stolen--with her inside! Griffin hadn't meant to kidnap Cheyenne, all he needed to do was steal a car for the others. But once Griffin's dad finds out that Cheyenne's father is the president of a powerful corporation, everything changes—now there's a reason to keep her. What Griffin doesn't know is that Cheyenne is not only sick with pneumonia, she is blind. How will Cheyenne survive this nightmare, and

if she does, at what price? Prepare yourself for a fast-paced and hard-edged thriller full of nail-biting suspense. This title has Common Core connections.

Stolen Girl

A fictionalised account of the now universally known story of the Stolen Generation and tells of an Aboriginal girl taken from her family and sent to a children's home.

Stolen Girl

A companion to *Making Bombs for Hitler* and *The War Below*, this novel follows a Ukrainian girl who was kidnapped as a child to be raised by a Nazi family. Nadia is haunted by World War II. Her memories of the war are messy, coming back to her in pieces and flashes she can't control. Though her adoptive mother says they are safe now, Nadia's flashbacks keep coming. Sometimes she remembers running, hunger, and isolation. But other times she remembers living with a German family, and attending big rallies where she was praised for her light hair and blue eyes. The puzzle pieces don't quite fit together, and Nadia is scared by what might be true. Could she have been raised by Nazis? Were they her real family? What part did she play in the war? What Nadia finally discovers about her own history will shock her. But only when she understands the past can she truly face her future. Inspired by startling true events, Marsha Forchuk Skrypuch delivers a gripping and poignant story of one girl's determination to uncover her truth.

Stolen Life

"The award-winning *Stolen Life* is a remarkable collaborative work between a distinguished novelist and a Cree woman who broke a lifetime of silence to share her story. Imprisoned for murder at the age of twenty-seven, Yvonne Johnson sought out Rudy Wiebe, the chronicler of her ancestor Big Bear, as a means of coming to terms with her self, her past, and the crime that defines her future. The ensuing story, which is told with Wiebe's compassion and infused with Johnson's intelligence and spirituality, defies the grisly events of her life"--Back cover.

Stolen Sisters

In 2014, the nation was rocked by the brutal violence against young Aboriginal women Loretta Saunders, Tina Fontaine and Rinelle Harper. But tragically, they were not the only Aboriginal women to suffer that year. In fact, an official report revealed that since 1980, 1,200 Canadian Aboriginal women have been murdered or have gone missing. This alarming official figure reveals a national tragedy and the systemic failure of law enforcement and of all levels of government to address the issue. Journalist Emmanuelle Walter spent two years investigating this crisis and has crafted a moving representative account of the disappearance of two young women, Maisy Odjick and Shannon Alexander, teenagers from western Quebec, who have been missing since September 2008. Via personal testimonies, interviews, press clippings and official documents, Walter pieces together the disappearance and loss of these two young lives, revealing these young women to us through the voices of family members and witnesses. *Stolen Sisters* is a moving and deeply shocking work of investigative journalism that makes the claim that not only is Canada failing its First Nations communities, but that a feminicide is taking place.

The Stolen Girls

Shortlisted for the Irish Book Awards - RTE Radio One's The Ryan Tubridy Show Listeners' Choice The young woman standing on Lottie's step was a stranger. She was clutching the hand of a young boy. 'Help me,' she said to Lottie. 'Please help me.' One Monday morning, the body of a young pregnant woman is found. The same day, a mother and her son visit the house of Detective Lottie Parker, begging for help to find a lost friend. Could this be the same girl? When a second victim is discovered by the same man, with the murder bearing all the same hallmarks as the first, Lottie needs to work fast to discover how else the two were linked. Then two more girls go missing. Detective Lottie Parker is a woman on the edge, haunted by her tragic past and struggling to keep her family together through difficult times. Can she fight her own demons and catch the killer before he claims another victim? *The Stolen Girls* is a gripping and page-turning thriller that will leave you breathless. Perfect for fans of Karin Slaughter, Tess Gerritsen and Helen Fields. What people are saying about *The Stolen Girls*: 'THE BEST BOOK I'VE READ IN A LONG, LONG TIME! If I could have given it ten stars I would have!' Goodreads Reviewer 'A

thrilling mystery with great characters and a dark and disturbing plot.' Deja Read 'A highly engrossing and very emotive story, tension which will keep you on the edge of your seat and not just chewing but chomping at those finger nails.' Jen Med's Book Reviews 'I absolutely, totally and utterly blinking loved reading The Stolen Girls and I can't wait to read more.' Ginger Book Geek 'Patricia has written another un-putdownable police procedural which is fast-paced and a page-turner of epic proportions.' Sweet Little Book Blog 'This is Patricia Gibney's second novel, following her amazing debut, The Missing Ones. I gave The Missing Ones 5 stars, and I liked this one even better, but alas, Goodreads won't let me give it 6 stars.' Dark Twisty Books

A Sister's Promise

The girl looked so peaceful, she could have been asleep. Except her eyes were open, blankly reflecting the flickering flames spreading towards her... When firefighters discover the body of a teenage girl at an abandoned house, Detective Amanda Steele hurries to the scene. Dumfries, Virginia is a small town, yet no one seems to have any idea who the dead girl is until Amanda finds a dragonfly pin with the name Crystal engraved on it. Working tirelessly, Amanda traces the pin to Crystal Foster, a thirteen-year-old who disappeared three years ago from her wealthy parents' home. Breaking the news to the distraught parents won't be easy, but the loss of her own daughter still haunts Amanda, and she knows this will bring them closure. But when Amanda goes to see the Fosters, they do not recognize the girl. She isn't Crystal. Before Amanda can react to this new development, she gets an urgent call. A fire has consumed another vacant house, and the remains of two more girls have been found. Who are these girls, and why are they being picked off? Amanda must stop this killer before the pattern continues, and the death toll climbs. When Amanda receives a taunting note from the killer, she realizes that she holds the missing piece of this puzzle. The victims are connected to Amanda's past, to a case she can never forget, and which almost claimed her life. As she follows the clues to their deadly conclusion, can she save more innocent lives... even if it risks her own? An unputdownable, pulse-pounding mystery. Fans of Rachel Caine, Lisa Regan and Robert Dugoni will be gripped. Readers love Carolyn Arnold: "OMG YES. This was an amazing book... I couldn't put it down... Best book I read this year." Goodreads reviewer P My heart is still beating fast! Wow!! By far, one of the best thrillers I've read in a long time!" Goodreads reviewer P

Stolen Daughters

What if you discovered that everything you knew about yourself was a lie? When pregnant Jaya loses her mother, then her baby son Arun in a tragic cot death, her world crashes down. Overcome by grief and guilt, she begins to search for answers – to the enigma of her lonely, distant mother, and her mysterious past in India. Looking through her mother's belongings, she finds two diaries and old photographs, carrying the smoky aroma of fire. A young boy smiles out at Jaya from every photograph – and in one, a family stand proudly in front of a sprawling mansion. Who is this child? And why did her mother treasure this memento of a regal family lost to the past? As Jaya starts to read the diaries, their secrets lead her back to India, to the ruin of a once grand house on a hill. There, Kali, a mad old lady, will unlock the story of a devastating lie and a fire that tore a family apart. Nothing though will prepare Jaya for the house's final revelation, which will change everything Jaya knew about herself. If you enjoy Dinah Jefferies, Lucinda Riley and Santa Montefiore, you will love this unforgettable journey through the lush landscape of India to the heart of what it means to be a mother and daughter. What everyone is saying about A Mother's Secret: '5 out of 5 stars...I read it in one shot because I couldn't bear to stop...what I can promise you is that it is a great read...A book that was an absolute pleasure to read.' Any Excuse to Read 'I loved this book, the descriptions of India, the mansion, the food and the people are swoon worthy. And the characters are so real, so believable, so frail and fraught with their own mistakes, I felt like I was an observer, watching real people as I read this book.' For the Love of Books 'I was hooked...I absolutely adored this book...This won my heart...5*.' Laura's Book Blog Corner 'From the very beginning A Mother's Secret by Renita D'Silva has rightfully bagged its place in my list of favourite books...The character development is phenomenal and these are characters that will remain etched in my memory for a long time...D'Silva weaves magic with her words...To say that D'Silva is a brilliant writer would not be an exaggeration...There were times during the course of the story that I became aware of goosebumps on my skin because of the very raw emotions...wonderful' Indian Fiction for You 'Love, loss, deceit, envy, pride, heartache ...well-written, entertaining and satisfying.' Janni B's Books 'Renita's wonderful writing...radiates from the pages...an absorbing story...a story that unfolded layer by layer into what proved to be a beautifully crafted piece of writing where the author laid bare her heart and soul on every page...had me hooked throughout...a remarkable book...a feast for the senses and

your imagination. I really was transported...once it caught me in its hold it didn't let go until that jaw dropping moment near the very end that had me gasping out loud. I was beginning to wonder how all the dots as such could be joined together but the author did it with a mixture of sensitivity and flair that leaves the reader satisfied and very impressed.' Shaz's Book Blog 'Beautifully written . . . Renita D'Silva skilfully weaves an enthralling tale . . . In so doing, she manages to seamlessly incorporate love, betrayal, disappointment, heartbreak, deceit and victory. This is a wonderful, evocative story that readers will easily embrace and enjoy.' Jan's Book Buzz

A Mother's Secret

On July 31, 2020, the Orlando Magic starting forward Jonathan Isaac was the lone NBA player not to kneel for the national anthem amid a league-wide demonstration in support of Black Lives Matter. In *Why I Stand*, he shares the journey of how--through a series of divine connections and a willingness to follow Christ--his fear and insecurity-driven life was transformed into one of confidence and purpose.

Stolen Youth

She allows herself to kiss her perfect child just once. She wraps the baby in her last gift: a hand-knitted cardigan, embroidered with a water lily pattern. 'You're better off without me,' she whispers and although every step breaks her heart, she walks away. 1910, India. Young and curious Alice, with her spun-gold hair, grows up in her family's sprawling compound with parents as remote as England, the cold country she has never seen. It is Raju, son of a servant, with whom she shares her secrets. Together, their love grows like roses – but leaves deep thorns. Because when they get too close, Alice's father drags them apart, sending Raju far away and banishing Alice to England... 1944. Intelligent and kind Janaki is raised in an orphanage in India. The nuns love to tell the story: Janaki's arrival stopped the independence riots outside the gates, as the men on both sides gazed at the starry-eyed little girl left in a beautiful hand-knitted cardigan. Janaki longs for her real mother, the woman who was forced to abandon her, wrapped in a precious gift... Now old enough to be a grandmother and living alone in India, Alice watches children play under the tamarind trees, haunted by the terrible mistake she made fifty years ago. It's just an ordinary afternoon, until a young girl with familiar eyes appears with a photograph and Alice must make a choice. Will she spend the rest of her life consumed by dreams of the past, or can she admit her mistakes and choose love and light at last? A stunning and heartbreaking novel about how a forbidden love can echo through the generations. Readers who love Lucinda Riley, Kathryn Hughes and *The Storyteller's Secret* will be captivated. Readers absolutely adore *The Orphan's Gift*: 'Utterly spellbinding and so beautifully written... Will draw you in and immediately transport you... This heart-warming and heartbreaking novel is a story of friendship, of love, of tragedy and loss... I absolutely LOVED it as I have ALL of Renita's novels... Couldn't put it down and as always the tissues were definitely needed.' NetGalley Reviewer **P**So beautiful!... As I was reading, I was crying... Well written and the characters were really brought to life.' Goodreads Reviewer **P**Wow! This was an incredible story... Fantastic and the emotions were so real.' Goodreads Reviewer 'I kept turning the pages until my eyes blurred. I just wanted to hear how all of the stories would come together... Look forward to checking out her other books!' Goodreads Reviewer **P**Could not put this book down, a real page-turner. Definitely will be recommending this book to other readers, love to read more books from this author.' Goodreads Reviewer **P**I could not put this story down... The ending was perfect!... This book is captivating, sad and then more sad added in. This was a quick read for me but super enjoyable.' Goodreads Reviewer **P**Transported me to another world... The characters are vibrant and dance off the page. I couldn't stop once I started. I laughed and cried.' Goodreads Reviewer **P**This book was so good! The characters were so well rounded, you felt like you actually knew them! The plot was so good you didn't want the book to end!' Goodreads Reviewer 'This book has everything... I loved each and every character and felt every emotion that they did.' Rachel Marie's Blog **P**

The Orphan's Gift

When an heiress on a secret mission gets into trouble, she just might uncover her heart's true desire in this Roaring 20s romance. Minnesota, 1925. Quiet and reserved, Josie Nightingale has always been the odd girl out. While her sisters swoon over guys at their father's swanky resort, she's busy trying to change the world! Which isn't easy with Eric 'Scooter' Wilson watching her every move. She might be out of his league, but the day Scooter rescued Josie from jail and discovered her secret, he vowed he'd do anything to protect her. And if keeping Josie safe means not letting this stubborn dame out of his sight—then so be it!

The Forgotten Daughter

Piper Winslow's life is destroyed when her mother is arrested for kidnapping her as an infant. With her mom in jail and her real family about to reclaim her as Greta--her birth name--what can she do? Run, of course. Escaping close calls and dominating headlines while eluding authorities, Piper and an unlikely passenger are on a harrowing adventure. Piper's birth parents are determined. She is discovered and returned to her real family... but not everyone is happy to see her. As Piper struggles to cope in her new life, she hits one obstacle after another. This family that appears so perfect on the outside harbors secrets, and nothing is as it seems. Will she ever be accepted? Will she ever fit in? Will they stop calling her Greta?

A Daughter's Courage

TOP TEN BESTSELLER 'Compelling. Poignant. Haunting. Heart wrenching. Just beautiful. Everyone needs to read this wonderful book.' - Renita D'Silva, bestselling author of *The Forgotten Daughter* 1939. Seventeen-year-old Nora Jennings has spent her life secure in the certainty of a bright, happy future - until one night of passion has more catastrophic consequences than she ever could have anticipated. Labelled a moral defective and sectioned under the Mental Deficiency Act, she is forced to endure years of unspeakable cruelty at the hands of those who are supposed to care for her. 1981. When psychiatrist Janet Humphreys comes across Nora, heavily institutionalised and still living in the hospital more than forty years after her incarceration, she knows that she must be the one to help Nora rediscover what it is to live. But as she works to help Nora overcome her past, Janet realises she must finally face her own. Based on a true story, *The Girl Behind the Gates* is perfect for fans of *The Girl in the Letter* and *Philomena*. Further praise for *THE GIRL BEHIND THE GATES*: 'The Girl behind the Gates absorbed me from the start. A haunting, heart-wrenching but ultimately heart-warming novel.' - Gill Thompson, bestselling author of *The Oceans Between Us* 'The Girl Behind the Gates is a powerful, emotional novel. I was moved to tears by the ending and will certainly not hesitate to recommend it.' - Jill Childs, bestselling author of *Gracie's Secret* 'A powerful story of trust, compassion, healing - and the transforming power of love, that can give new life to a broken spirit.' - Sharon Maas, bestselling author of *The Violin Maker's Daughter* Readers LOVE *The Girl Behind the Gates*! 'The best book of the year. I read 125 books a year and this is the best I have read' - 5 STARS 'I can't stop crying having just finished the book. It's an incredible piece of literary genius' - 5 STARS 'A story that needs to be told' - 5 STARS 'An inspirational and very moving story' - 5 STARS 'Just brilliant. I wholeheartedly recommend this book' - 5 STARS 'I hardly ever write a review but if you read one book this year this is it' - 5 STARS 'A very moving and heartbreaking story' - 5 STARS 'I would have given this book 10 STARS if I could' - 5 STARS 'This book is beautifully written and captivating in every way' - 5 STARS

Don't Call Me Greta

'Twist after twist!... I loved this. Kept me going through the early hours of a sleepless night.' I'm Reading **P**My name is Phoebe Locklear. I think I'm your daughter.' I rehearse the words as I walk up the path, clutching a faded old photograph of a little girl with thick dark hair. When I knock, the door opens, and there she is: the woman I believe is my mother. The woman whose five-year-old daughter disappeared fifteen years ago. Had I known what would happen next, would I have knocked on that door? Would I take back the lives I've destroyed? But now that I've started, there's no going back. I can't stop until I find out who I really am. Even if the truth could kill me. Addictive, nail-biting and utterly unputdownable, *Gone Before* asks what happens when your whole life turns out to be a lie. Perfect for fans of Mark Edwards, *Gone Girl* and *The Silent Patient*. What readers are saying about *Gone Before*: 'Absolutely fantastic... both gripping and addictive... I absolutely loved how unpredictable this was and the author definitely kept me guessing. A definite five star read.' Little Miss Book Lover 87 **P**Wow!... This book kept me captivated, and I had to finish it in one go... The twists and turns just made me crave for more, and the suspense was too much for me to simply stop reading the book.' The World is Ours to Read **P**'Moly!!! Sam Hepburn can WRITE! *Gone Before* kept me so gripped from the first page right through to the last... loved every minute of it! I loved the character development. I loved not knowing who to trust... I couldn't turn the pages fast enough! Definite 5 stars from me!' Goodreads Reviewer **P**After the first two chapters I was hooked! 60% through I was enchanted. This is one of those suspenseful, addictive stories that has to be read in one sitting.' Netgalley Reviewer **P**Exquisite. Perfect from start to finish. Addictive. Charged. Suspenseful. A masterpiece. Highly recommend this to everyone. Five stars are not enough. One of the best thrillers I have ever read.' Renita D'Silva, **P**This is a 5 star book... well plotted, stunningly written, fast paced... Completely unpredictable. Every time I thought I knew where the book was taking me I was wrong and I couldn't put the book down.' Goodreads Reviewer **P**'From the first chapter I just knew I was going to love this twisty thriller. This is a must read for fans of

psychological thriller books.' Goodreads Reviewer P'This is the first book I've read from this author and I can't wait to read more. A psychological thriller full of twist. Stunningly written, fast paced, addictive from start to finish.' Goodreads Reviewer P'This is a terrific book! Took my interest from page 1 and I read it in a day, really well written and a fab page turner!' Netgalley Reviewer P'Caught my attention from the first page and all I wanted to do was keep reading to the end... Sam Hepburn is a new author for me and I definitely will be checking out more by her.' Goodreads Reviewer P'An intensely emotional domestic thriller with many twists and turns... Superbly plotted, this novel will have you alternatively rooting for Phoebe and for Kay. Definitely a novel that I shall recommend and pass on to my friends!' Goodreads Reviewer P'Grabbed hold of me and whenever I wasn't reading it, I was desperate to get back to it. A great read which I thoroughly enjoyed.' Goodreads Reviewer P'Great book, loved all the twists and turns. Certainly kept me up at night trying to race towards the end.' Goodreads Reviewer P

The Girl Behind the Gates

An unforgettable and heart-wrenching story of love, betrayal and family secrets. In colonial India a young woman finds herself faced with an impossible choice, the consequences of which will echo through the generations... 1928. In British-ruled India, headstrong Sita longs to choose her own path, but her only destiny is a good marriage. After a chance meeting with a Crown Prince leads to a match, her family's status seems secured and she moves into the palace, where peacocks fill the gardens and tapestries adorn the walls. But royal life is far from simple, and her failure to provide an heir makes her position fragile. Soon Sita is on the brink of losing everything, and the only way to save herself could mean betraying her oldest friend... 2000. When Priya's marriage ends in heartbreak, she flees home to India and the palace where her grandmother, Sita, once reigned as Queen. But as grandmother and granddaughter grow closer, Priya has questions. Why is Sita so reluctant to accept that her royal status ended with Independence? And who is the mysterious woman who waits patiently at the palace gates day after day? Soon Priya uncovers a secret Sita has kept for years - and which will change the shape of her life forever... A breathtaking journey through India from British rule to Independence and beyond; a world of green hills, cardamom-scented air, and gold thread glinting in the sun, brought to life by Renita D'Silva's exquisite writing. If you love Kathryn Hughes, Dinah Jefferies or Kristin Hannah, this is the novel for you. What readers are saying about Renita D'Silva: 'WOW!!... I was absolutely blown away by this book and couldn't put it down. I'm going straight to Amazon to buy another book by Renita D'Silva - I need more! Just incredible... this is an absolutely stunning book which I can't praise enough.' Roxanne Starr, 5 stars 'So compelling I literally didn't want to put it down... A sheer joy to read and I am putting myself out on a limb by saying this is the best book I have read in this genre this year... A truly outstanding book.' Best Crime Books and More, 5 stars 'Every now and again a book comes along that I can't stop thinking about long after I've turned the last page. A Daughter's Courage was one of those books... An absolutely beautiful story... I really can't say anything that will adequately describe how much I enjoyed this book so I will just say that I highly recommend it... I loved every minute of it.' Twin Spin, 5 stars 'Renita D'Silva has done it again... Truly sensational story... Stunning... Remarkable and overwhelming... Renita's words are like liquid gold... This book even took over my dreams. My mind was completely mesmerised... I cannot recommend this book enough.' Little Miss No Sleep, 5 stars 'Heartrending... beautiful... a dream... I did not just love this book, I actually LIVED it. A Daughter's Courage is one of the most beautiful books I've ever read.' Relax and Read Book Reviews, 5 stars

The Next Girl

Tortoises disappear from a Madagascar reserve and reappear in the Bronx Zoo. A dead iguana floats in a jar, awaiting its unveiling in a Florida court. A viper causes mayhem from Ethiopia to Virginia. In *Stolen World*, Jennie Erin Smith takes the reader on an unforgettable journey, a dark adventure over five decades and six continents. In 1965, Hank Molt, a young cheese salesman from Philadelphia, reinvented himself as a "specialist dealer in rare fauna," traveling the world to collect exquisite reptiles for zoos and museums. By the end of the decade that followed, new endangered species laws had turned Molt into a convicted smuggler, and an unrepentant one, who went on to provide many of the same rare reptiles to many of the same institutions, covertly. But Molt soon found a rival in Tommy Crutchfield, a Florida carpet salesman with every intention of usurping Molt as the most accomplished reptile smuggler in the country. Like Molt, Crutchfield had modeled himself after an earlier generation of natural-history collectors celebrated for their service to science, an ideal that, for Molt and Crutchfield, eclipsed the realities of the new wildlife-protection laws. Zoo curators, caught between a desire for rare animals and the conservation-minded focus of their institutions, became the smugglers' antagonists in court but also their best customers, sometimes simultaneously. Crutchfield forged ties with a criminally

inclined Malaysian wildlife trader and emerged a millionaire, beloved by some of the finest zoos in the world. Molt, following a string of inventive but disastrous smuggling schemes in New Guinea, was reduced to hanging around Crutchfield's Florida compound, plotting Crutchfield's demise. The fallout from their feud would result in a major federal investigation with tentacles in Germany, Madagascar, Holland, and Malaysia. And yet even after prison, personal ruin, and the depredations of age, Molt and Crutchfield never stopped scheming, never stopped longing for the snake or lizard that would earn each his rightful place in a world that had forgotten them—or rather, had never recognized them to begin with.

Gone Before

1956: When Ivy Jenkins falls pregnant, she is sent in disgrace to St Margaret's: a dark, brooding house for unmarried mothers. Her baby is adopted against her will. Ivy will never leave. Present day: Samantha Harper is a journalist desperate for a break. When she stumbles on a letter from the past, the contents shock and move her. The letter is from a young mother, begging to be rescued from St Margaret's before it is too late. Sam is pulled into the tragic story and discovers a spate of unexplained deaths surrounding the woman and her child. With St Margaret's set for demolition, Sam has only hours to piece together a sixty-year-old mystery before the truth, which lies disturbingly close to home, is lost forever.

Beneath an Indian Sky

_____ Former Crime Analyst Marilyn Davies brings to life a gritty, heart-stopping crime thriller that will have you utterly obsessed. 'Assured, fresh, engrossing' MEL SHERRATT 'Taut, authentic and sensitively told' CHRIS EWAN 'Compassionately, confidently and beautifully written' STEVE MOSBY 'A breath-taking, page-turning read' CLARE MACKINTOSH 'Fast-paced, authentic ... you'll be desperate to get to the bottom of the case' CRIME MONTHLY MAGAZINE _____ When a young couple are the lead suspects for the murder of their only child, Crime Analyst Carla Brown and DS Nell Jackson are assigned to investigate. The evidence seems conclusive, but something just doesn't feel right. The case is quickly cast into doubt when the lead forensic pathologist starts receiving threatening letters – containing details only the police should know. Who's sending them? What do they want? And how did they get hold of the information? As Carla and Nell dig deeper, it soon becomes clear that this case isn't the first of its kind. They must stop at nothing to find the truth – even if it hits close to home. _____ Readers can't stop talking about When I Lost You: 'An exciting and twisty police thriller' 'A very unusual but gripping storyline' 'I read this almost in one sitting as I was so gripped' 'A first class debut, a mix of psychological thriller meets police procedural' 'All the twists and turns kept me reading into the early hours' 'I love the two main characters - I really hope we see more of them.' 'Once I started, I couldn't put it down.'

The Lost Letters

France 1944 and the streets are filled with swastikas. The story of a brave English girl behind enemy lines, a German soldier, and a terrible sacrifice... English nurse Sibyl Lake is young but skilled and confident. Resolving to do everything she can to help her country she begins to spy to support the French Resistance. She arrives in Colmar, a French town surrounded by vineyards and swarming with German soldiers, but her fear is dampened by the joy of being reunited with her childhood sweetheart. Jacques is now a French Resistance fighter, risking his life to free his friends and family from German occupation. Sibyl's arrival has not gone unnoticed by Commander Wolfgang von Haagan, the commandant of the Colmar region. She realises letting him get closer is her best chance of learning enemy secrets. Yet despite her best intentions, Sibyl soon finds betrayal does not come easy to her. Commander von Haagen is a soldier who yearns for poetry, music, something beyond the war, and Sibyl begins to enjoy the company of the man she's spying on... Determined to do what is right for her country, Sibyl knows what she must do. But will it put both the men she loves into terrible danger? A beautifully written, heart-wrenching and unforgettable tale of love and loss in a time of war. Perfect for fans of The Letter by Kathryn Hughes and The Nightingale by Kristin Hannah. What readers are saying about The Soldier's Girl: 'The Soldier's Girl is a gripping and heart wrenching read that I couldn't tear myself away from... A moving and at times touching read that will stay with me for some time.' By the Letter Book Reviews 'This book brought tears to my eyes and every chapter was a new twist to the story... I could not stop reading this book and I know everyone is sure to love it.' The Lovely Library 'The

Soldier's Girl is a captivating, historical fiction novel... I was wholly engrossed until the very end.' Write Escape 'I loved this book a wonderful and heartbreaking tale which drew me in; it has strong characters and a beautiful story' Goodreads Reviewer, 5 stars 'A fantastic book. I also loved reading about the Alsace Region. Makes you think "what would you do in her shoes.' Goodreads Reviewer, 5 stars 'I really enjoyed this book and all of the characters. What an exciting book with many twists and turns. This book kept me on the edge of my seat and it was hard to put down.' Goodreads Reviewer, 5 stars 'Really enjoyed this book. Great characters, very well written and it was fascinating and informative with the Resistance theme. Highly recommend!' Netgalley Reviewer, 5 stars What readers are saying about Sharon Maas: 'Wow! ... Such a powerful story, so brilliantly narrated, in such a way that you feel part of it all and are left bereft when it is finished ... I LOVED this story so much. So poignant and touching and heartbreaking ... All the descriptions are so visceral and beautiful. I loved this book. I lived it.' 5 stars – Renita D'Silva 'A powerful and emotional story ... truly heartbreaking. The writing was so beautifully descriptive and at times I felt as though I was right there in India. Wonderful ... truly stunning ... I can highly recommend this book.' Goodreads Reviewer 'This has everything ... great characters ... strong settings ... serious issues. Put all these together with a fantastic writing style and this easily makes my top 10 books of 2016 list.' 5 stars – Lexi Reads 'Simply perfect! ... from the first few pages I was drawn in and hooked! ... I was blown away by how much I was affected by the story ... a fantastic, emotional, evocative read ... I urge you to pick up this book, you won't be disappointed!!!' Dash Fan Book Reviews, 5 stars 'I absolutely loved everything about this book ... beautifully and evocatively written ... , this is a definite 'can't put it down' read.' 5 stars – Goodreads Review 'A beautiful, mesmerising work of fiction ... I was completely transported.' Krafti Reader 'A powerful story with so much depth your ears might pop, I absolutely loved this book. I was completely absorbed by this stunning story, I was there in India, living everything ... Another exceptional read from Sharon Maas, 5*.' Purple Book Stand 'WOW I think Winnie is the biggest hero ever ... This truly was a masterpiece.' Reading Renee 'I loved, loved, loved this. An easy 5 stars. One of my top reads of this year ... wonderful' Goodreads Reviewer, 5 stars

Bad Little Girl

Stolen World

A BBC Radio 2 Book Club pick Inspired by true stories, *The Woman in the White Kimono* illuminates a searing portrait of one woman torn between her culture and her heart, and another woman on a journey to discover the true meaning of home. 'A book that is meant to be savoured and re-read' Renita D'Silva, author of *The Forgotten Daughter Japan, 1957*. Seventeen-year-old Naoko Nakamura's prearranged marriage secures her family's status in their traditional Japanese community. However, Naoko has fallen for an American sailor and to marry him would bring great shame upon her entire family. When it's learned Naoko carries the sailor's child, she's cast out in disgrace and forced to make unimaginable choices with consequences that will ripple across generations. America, present day. Tori Kova, caring for her dying father, finds a letter containing a shocking revelation. Setting out to learn the truth, Tori's journey leads her to a remote seaside village in Japan where she must confront the demons of the past to pave a way for redemption. WHAT REVIEWERS AND READERS SAY 'Cinematic, deeply moving, and beautifully written. I so enjoyed this' Carol Mason, author of *After You Left* 'The Woman in the White Kimono is an elegant testament to the tenacity of hope, even when the bindings of cultural and familial expectations are drawn so tight. I look forward to reading more from this talented author' Kelli Estes, bestselling author of *The Girl Who Wrote in Silk* 'A well-researched piece of historical fiction, loosely inspired by the military experience of the author's father, that shines a light on a dark chapter of Japanese history that will be unfamiliar to many readers' Booklist 'The Woman in the White Kimono is a powerful and heartbreaking literary novel; a lush and masterful exploration of the indomitability of the human spirit set against the backdrop of post-World War II Japan. Johns's exquisite and emotionally satisfying tale spans a cultural divide to marry a mother's courageous determination to protect her daughter at any cost with a daughter's quest for truth. I loved this book!' Karen Dionne, bestselling author of *The Marsh King's Daughter* 'Johns weaves together past and present in wonderful ways ... [T]his outing is richly-researched, moving and cinematic in feel. Toronto Star 'An excellent personal read and one I am sure many book clubs will immensely enjoy and share heartfelt concern about the facts behind the fiction' New Books Magazine

The Girl in the Letter

Victorian England, 1846: A gripping and powerful story about one woman's incredible courage in the face of heartbreak, and a secret that – if revealed – could destroy everything. Six years ago, Bella Farrow lost everything. Desperate and starving, she made a terrible mistake that forced her to abandon her home, her livelihood and her family. And when the only person she trusted – her beloved, steadfast husband – was killed in a tragic accident, Bella was left alone. She had to make her own way, while keeping her past hidden upon risk of imprisonment, or worse... Now Bella is living a quiet life under a secret identity and making a good, honest living. But then a young, handsome man named James Earlham comes to town, and everything changes. Their instant connection disturbs her heart, her peace and her safety. Because Bella knows that for their love to flourish, she will have to reveal the secret that has remained hidden all these years – and put her trust in James. Bella's heart tells her to confess everything. But can she be sure James is really who he says he is? Can Bella truly be herself with him? Or is she putting her life in the hands of the one person who could betray her? A page-turning novel about secrets, mistaken trust and the impossibility of hiding from your past, *The Widow's Last Secret* is a must-read for fans of Kerry Barrett, Kate Morton and Tracy Rees. Readers are loving *The Widow's Last Secret*: 'What can I say about this book in one word! Tremendous!!! Sheer escapism, beautifully written... I highly recommend it.' NetGalley reviewer PSpellbinding!... What a whirlwind ride... I was hooked from the first line... Gorgeous... I absolutely loved this.' Musician's Poet Pt'll bring you to tears!' Spooky's Maze Of Books Praise for Lora Davies: 'Outstanding, remarkable!... A soaring, sweeping, satisfying novel that kept me up late for several nights... I didn't want this story to end!' Goodreads reviewer PIncredible. This book broke me into a million pieces.' @southernbellebooks P I thoroughly enjoyed this novel... I was trying hard not to shed a tear.' Tani Reads PWhat a fantastic epic story... truly a heart-wrenching read... with characters that I'll remember for a long time. If you enjoy historical fiction, this really is a must read!' Carla Kovach P I felt like I was there... loved the characters... Highly recommended read.' NetGalley reviewer PMoving... I was totally immersed in this book and couldn't put it down... Really enjoyable.' Goodreads reviewer P

How to Mend a Broken Heart

'For fans of Jodi Picoult and Liane Moriarty, this book is an intense page-turner... a book that you won't be able to put down until the very last page. It's awesome, read it!' Our Grand Life A new home can be a happy ending. Or a fresh start. Or a hiding place... Of all the emotions single mother Kate Jones feels as she walks into her brand new house on Parkview Road, hope is the most unexpected. She has changed her name and her daughter's, and moved across the country to escape the single mistake that destroyed their lives. Kate isn't the only woman on the street starting afresh. Warm, whirlwind Gisela with her busy life and confident children, and sharp, composed Sally, with her spontaneous marriage and high-flying career, are the first new friends Kate has allowed herself in years. Whilst part of her envies their seemingly perfect lives, their friendship might help Kate to leave her guilt behind. Until one day, everything changes. Kate is called to the scene of a devastating car accident, the consequences of which will test everything the women thought they knew about each other, and themselves. Can Kate stop her own secrets from unravelling, or was her hope for a new life in vain? From the bestselling author of *The Silent Wife*, *The Woman I Was Before* is a book about the things we hide from those closest to us – and the terrible consequences that keeping those secrets can have. Perfect for fans of Jodi Picoult, Liane Moriarty and Diane Chamberlain. Readers love *The Woman I Was Before*: 'It's been a long time since I read a whole book in 24 hours but there was no way I was putting down *The Woman I Was Before*. No one writes complex, painful family love like Kerry Fisher. Real and raw but funny too. Loved it!' Iona Grey, author of *Letters to the Lost* 'Wow, what a corker of a novel... exactly the sort of novel that creeps into your life and you don't want to put down... will keep you turning the pages, anxiously, excitedly and soon to reach a thrilling conclusion.' Goodreads Reviewer, 5 stars 'Loved it!!!! Fell in love with the characters, so real and relatable.' Goodreads Reviewer, 5 stars 'I was absolutely smitten with this book! I enjoyed it from the first page to the last.' Goodreads reviewer, 5 stars 'I loved this book – I lost my whole Sunday reading – just couldn't put it down!' Goodreads reviewer, 5 stars 'Kate's secret, when revealed, is gut-wrenching... An excellent read.' Goodreads reviewer, 5 stars 'A cracking character-driven story that enthralled me.' Goodreads reviewer, 5 stars '5 stars! Kerry Fisher has once again nailed it with this fantastic book about how our lives may not really be as wonderful as we like to present them on social media.' Goodreads reviewer, 5 stars 'This is the first book I've read by Ms Fisher and I thoroughly enjoyed every minute of it! It sucked me in from the beginning!' Goodreads reviewer, 5 stars 'Wives and mothers have an inexplicable need to use social media to share cozy snapshots and smart hash-tags that give the sense of a bright and shiny life. Kerry Fisher writes an endearing story about what really happens outside of the photo frame for women who are dealing with the challenges

life brings. A wonderful read.' Goodreads reviewer, 5 stars 'There are secrets galore, some big, some bigger. Very well done!' Goodreads reviewer, 5 stars 'Absolutely loved this book.' Goodreads reviewer, 5 stars 'An excellent read.' NetGalley Reviewer, 5 stars 'I enjoyed every page.' NetGalley Reviewer

When I Lost You

English rain smelt and tasted of nothing at all. It had none of the fury, the passion of the monsoons. Instead, it was weak; half-hearted.

The Soldier's Girl

Shivering in the early morning chill, the caretaker flips the switch on the Ferris wheel and stumbles back in shock. The teenage girl's body is slumped in a halo of pretty colored lights, long red hair spilling over her tear-stained cheeks, her eyes fixed forever on her dangling feet. When teenager Nikki Jackson's body is found at an amusement park, just hours after Fourth of July fireworks lit up the night sky, the Lost Creek police rule her death as suicide-a devastating final act from a girl who had lost all hope. But the absence of the knife used to make the wounds on her delicate wrists makes Detective Madison Harper think otherwise. And the partial fingerprint found on the girl's face proves her right. Someone else was with Nikki in her final moments... Back home in Colorado for the first time in seven years to investigate the murder of a woman with ties to the son she lost to the care system, the pressure is on for Madison to work both cases at once. Fearing the team has missed a vital clue, Madison searches the crime scene alone and finds the last thing she ever expected: a note proving the victims knew each other, and that the cases are linked. Is this a coincidence, proof a dangerous murderer is on the loose, or a trap set to lead Madison off the trail? It's only when Madison finally finds the knife used to harm Nikki, tucked in an almost impossible to find hiding place, that she knows she is closing-in on a twisted killer. But the last person she expects to see dragged into the department in handcuffs is her own missing son... An absolutely unputdownable crime thriller that will have you sleeping with the lights on. Addictive reading for anyone who loves Lisa Regan, Robert Dugoni and Melinda Leigh. Everyone is talking about Cry For Help 'Oh man, what a rollercoaster of a ride... jaw-dropping and edge-of-the-seat stuff... couldn't put it down till it was finished!' Goodreads reviewer, 5 stars 'Absolutely LOVED... Kept me guessing right up to the end. Non-stop from page one. This is a must-read!' Owl Books, 5 stars

The Stolen Daughter

"Two gone. One whose past could kill her. When the body of Lola Evans is found in a local park on a cold winter's morning, Detective Alex King and her new recruit Chloe Lane are called in to lead the hunt for the killer. Days later, a second girl goes missing. It seems the two shared a troubled history, and were members of the same support group. Who is the monster preying on these vulnerable girls? As the detectives start to piece together the clues, Chloe realizes that she too is in danger - as she uncovers secrets about her own brother's death which someone will kill to keep hidden. Alex and Chloe are determined to find the killer before more lives are lost"--

The Secret Child

Two women separated by time, but united by passion and art. In 1504, Cecilia, a lady of Venice, joins the court of Queen Caterina Cornaro-- where she catches the eye of a powerful stranger who will stop at nothing to make her his. Summer 1989, and Fern, on vacation in Italy to deal with a personal trauma, finds herself pulled back to the sixteenth century to be drawn inescapably into Cecilia's life. Intrigue and romance flourish at the Queen's court as Cecilia embarks on a passionate but ill-fated affair with a penniless painter. Luca, a twentieth century Italian architect, notices a resemblance between Fern and the girl in a painting by the artist, Giorgione. He helps Fern cope with her visions while falling increasingly under her spell. Echoes of the past begin to manifest themselves in the present through a series of startling coincidences, until past and present collide-- throwing both Fern and Cecilia into deathly danger. Can Fern stay safe and come to terms with her own past? This book was previously published as "Lady of Asolo".

The Woman in the White Kimono

A history of shoplifting, revealing the roots of our modern dilemma. Rachel Shteir's *The Steal* is the first serious study of shoplifting, tracking the fascinating history of this ancient crime. Dismissed by academia and the mainstream media and largely misunderstood, shoplifting has become the territory

of moralists, mischievous teenagers, tabloid television, and self-help gurus. But shoplifting incurs remarkable real-life costs for retailers and consumers. The "crime tax"-the amount every American family loses to shoplifting-related price inflation-is more than \$400 a year. Shoplifting cost American retailers \$11.7 billion in 2009. The theft of one \$5.00 item from Whole Foods can require sales of hundreds of dollars to break even. The Steal begins when shoplifting entered the modern record as urbanization and consumerism made London into Europe's busiest mercantile capital. Crossing the channel to nineteenth-century Paris, Shteir tracks the rise of the department store and the pathologizing of shoplifting as kleptomania. In 1960s America, shoplifting becomes a symbol of resistance when the publication of Abbie Hoffman's *Steal This Book* popularizes shoplifting as an antiestablishment act. Some contemporary analysts see our current epidemic as a response to a culture of hyper-consumerism; others question whether its upticks can be tied to economic downturns at all. Few provide convincing theories about why it goes up or down. Just as experts can't agree on why people shoplift, they can't agree on how to stop it. Shoplifting has been punished by death, discouraged by shame tactics, and protected against by high-tech surveillance. Shoplifters have been treated by psychoanalysis, medicated with pharmaceuticals, and enforced by law to attend rehabilitation groups. While a few individuals have abandoned their sticky-fingered habits, shoplifting shows no signs of slowing. In *The Steal*, Shteir guides us through a remarkable tour of all things shoplifting-we visit the Woodbury Commons Outlet Mall, where boosters run rampant, watch the surveillance footage from Winona Ryder's famed shopping trip, and learn the history of antitheft technology. A groundbreaking study, *The Steal* shows us that shoplifting in its many guises-crime, disease, protest-is best understood as a reflection of our society, ourselves.

The Widow's Last Secret

'If only I could give this book 100 stars rather than 5!... This book is epic, a mesmerizing book of strength through unimaginable losses... Heartbreaking and beautifully written this is a gripping tale of bravery... One of the best and most memorable historical books I've ever read!' Deanne's Book Thoughts, 5 stars 'When the Nazis march onto the cobbled streets of Colmar on November 1st 1940, Josef, a Jewish violin maker, gathers his wife and daughters closely to him and tells them everything will be alright. But one year later, three sharp knocks on the door at midnight turn his seventeen year old daughter Sarah's world upside down. As the oldest child, Sarah must be the first to leave her family, to make her escape in a perilous journey across France via Paris to Poitiers. And she must hide who she is and take a new name for her own safety. For now, bilingual Sarah is no longer a French Jew but a German girl. As she bids farewell to her beloved father and family, Sarah has hope, against all odds, that she will see them again when the war is over. But, travelling through the mountains she finds herself in terrible danger and meets Ralf, a German deserter, who risks his own life to save her. Ralf and Sarah continue their journey together, keeping their identities secret at all cost. But when Ralf is captured, will Sarah pay the ultimate price for sharing who she really is? A gripping and heart-breaking account of love, bravery and sacrifice during the terror of war. A story of standing up for what you believe in; even if it's going to break your heart. Perfect for fans of *The Tattooist of Auschwitz* and *The Ragged Edge of Night*. Readers have fallen in love with *The Violin Maker's Daughter* : 'From the minute I opened this book I was completely enthralled. I couldn't put it down. It was well thought out and expertly written... Really a great read and I can't wait to look into other books by this author!' Being Perry, 5 stars 'This is the first book I have read by Sharon Maas and from the moment I started reading it I just could not wait to continue reading it. It's sad, its poignant, its uplifting and it tells the wonderful story of Sarah, the violin makers daughter and her journey as she flees her home country, to escape Nazi's ...Beautifully written and a memorable read.' Netgalley Reviewer, 5 stars 'Sharon Maas never disappoints! She is one of my favourite authors and with this wonderful, harrowing, heart breaking tale of courage and love in the face of unimaginable danger, she has cemented her place as one of the best historical fiction writers of today, right up there with Antony Doerr and Kristin Hannah. I SO loved this beautiful story... so stunningly realised. ...I would very highly recommend this book and give it ten stars if I could. If you're going to read one war book this year which marks the 75th anniversary of D-day, make it this one!' Renita D'Silva, 5 stars 'A gripping, heartbreaking, but yet heartwarming historical fiction (that is based on real facts concerning Colmar, Alsace and Lorraine as well as French and German Resistance)... It is raw and emotional, yet a necessary story to tell ... A great read. 5/5 stars' Goodreads Reviewer, 5 stars 'I loved it! Once I started reading, I could not stop... I was on the edge of my seat... This is the first book I have read by this writer, I am eager for more!' Goodreads Reviewer, 5 stars 'A heart wrenching story of bravery, love and sacrifice.' For the Love of Books 'I'm a huge fan of historical fiction

and this one didn't disappoint. I felt it was a good book about the horrors of wartime France.'Goodreads Reviewer

The Woman I Was Before

Meet Detective Lottie Parker in this page-turning serial killer thriller, guaranteed to keep you reading late into the night that's great for fans of Rachel Abbott, Karin Slaughter and Robert Dugoni. When a woman's body is discovered in a cathedral and hours later a young man is found hanging from a tree outside his home, Detective Lottie Parker is called in to lead the investigation. Both bodies have the same distinctive tattoo clumsily inscribed on their legs. It's clear the pair are connected, but how? The trail leads Lottie to St Angela's, a former children's home, with a dark connection to her own family history. Suddenly the case just got personal. As Lottie begins to link the current victims to unsolved murders decades old, two teenage boys go missing. She must close in on the killer before they strike again, but in doing so is she putting her own children in terrifying danger? Lottie is about to come face to face with a twisted soul who has a very warped idea of justice.

Lola is Missing

A secret history. A long-ago summer. A house with an untold story . . . ****THE TOP 5 eBook BEST-SELLER**** THE SPELLBINDING MYSTERY FROM THE SUNDAY TIMES BESTSELLING RICHARD & JUDY PICK, THE GLASS HOUSE 'Completely swept me away. Glorious, beautifully written . . . I absolutely loved it' LISA JEWELL 'Utterly gorgeous, atmospheric and spellbinding' 5***** READER REVIEW 'Black Rabbit Hall's beautifully crafted mystery is a delight I want to experience again and again' STYLIST _____ The hours pass differently at Black Rabbit Hall. For the four Alton children, it's the perfect summer escape where not much ever happens - until one stormy evening their idyllic world is shattered. Decades later, Lorna is drawn to a crumbling Cornish manor house she hazily remembers from childhood - feels a bond she does not understand. But a disturbing message left by one of the Alton children tells her that Black Rabbit Hall's history is as dark and tangled as its woods. And much like her own past, it must be brought into the light . . . A spellbinding story of two women, separated by decades, but inextricably linked by their connection to the beautiful and mysterious Black Rabbit Hall. ****THE BIRDCAGE**, the new novel by Eve Chase, is available to buy now!****** _____ 'Black Rabbit Hall's beautifully crafted mystery is a delight I want to experience again and again' Stylist 'Beautifully written and evocative . . . A delight' 5***** Reader Review 'Atmospheric, with echoes of du Maurier, this haunting novel enchanted me' Woman & Home 'Beautifully, poetically written and reminiscent of everything from I Capture The Castle to Hansel And Gretel' Daily Mail 'Enchanting and moving . . . I loved this beautifully poetic book' 5***** Reader Review 'There's something about tales of mysterious old buildings that have the ability to set hairs on end . . . Perfect' Red
