Christmas Shopaholic

The #1 New York Times bestselling author of The Party Crasher and Love Your Life returns with a festive Shopaholic adventure filled with holiday cheer and unexpected gifts. "Sophie Kinsella keeps her finger on the cultural pulse, while leaving me giddy with laughter."—Jojo Moyes, author of The Giver of Stars and The Last Letter from Your Lover 'Tis the season for change and Becky Brandon (née Bloomwood) is embracing it, returning from the States to live in the charming village of Letherby and working with her best friend, Suze, in the gift shop of Suze's stately home. Life is good, especially now that Becky takes time every day for mindfulness—even if that only means listening to a meditation tape while hunting down online bargains. But Becky still adores the traditions of Christmas: Her parents hosting, carols playing on repeat, her mother pretending she made the Christmas pudding, and the neighbors coming 'round for sherry in their terrible holiday sweaters. Things are looking cheerier than ever, until Becky's parents announce they're moving to ultra-trendy Shoreditch—unable to resist the draw of craft beer and smashed avocados—and ask Becky if she'll host this year. What could possibly go wrong? Becky's sister demands a vegan turkey, her husband insists that he just wants aftershave (again), and little Minnie needs a very specific picnic hamper: Surely Becky can manage all this, as well as the surprise appearance of an old boyfriend-turned-rock star and his pushy new girlfriend, whose motives are far from clear. But as the countdown to Christmas begins and her bighearted plans take an unexpected turn toward disaster, Becky wonders if chaos will ensue, or if she'll manage to bring comfort and joy to Christmas after all. Praise for Christmas Shopaholic "Funny, charming, and the perfect read to get into the holiday spirit."—PopSugar "Kinsella's popular heroine, Becky Bloomwood Brandon, is back for a delightful ode to shopping, in the engaging eighth Shopaholic novel, this time with a Christmas theme. . . . Becky is as whimsical and wonderful as ever. . . . Kinsella delivers a solid and laugh-out-loud funny installment that longtime readers and new fans alike will gleefully devour."—Publishers Weekly

Two for the Dough is irresistibly fun and powerful suspense entertainment featuring beloved bounty hunter Stephanie Plum, from #1 New York Times bestselling and acclaimed author Janet Evanovich. It's the return of Stephanie Plum, New Jersey's "fugitive apprehension" agent (a.k.a. bounty hunter), introduced to us in the award-winning and bestselling novel One for the Money. Now Stephanie's back, armed with attitude—not to mention stun guns, defense sprays, killer flashlights, and her trusty .38, Stephanie is after a new bail jumper, Kenny Mancuso, a boy from Trenton's burg. He's fresh out of the army, suspiciously wealthy, and he's just shot his best friend. With her bounty hunter pal Ranger stepping in occasionally to advise her, Stephanie staggers knee-deep in corpses and caskets as she traipses through back streets, dark alleys, and funeral parlors. And nobody knows funeral parlors better than Stephanie's irrepressible Grandma Mazur, a lady whose favorite pastime is grabbing a front-row seat at a neighborhood wake. So, Stephanie uses Grandma as a cover to follow leads, but loses control when Grandma warms to the action, packing a cool pistol. Much to the family's chagrin, Stephanie and Granny may soon have the elusive Kenny in their sights. Fast-talking, slow-handed vice cop Joe Morelli joins in the case, since the prey happens to be his young cousin. And if the assignment calls for an automobile stakeout for two with the woman who puts his libido in overdrive, Morelli's not one to object. Low on expertise but learning fast, high on resilience, and despite the help she gets from friends and relatives, Stephanie eventually must face the danger alone when embalmed body parts begin to arrive on her doorstep and she's targeted for a nasty death by the most loathsome adversary she's ever encountered. Another case like this and she'll be a real pro.

Penguin Readers Level 3: The Secret Dreamworld Of A Shopaholic (ELT Graded Reader)

NATIONAL BESTSELLER • From the #1 New York Times bestselling author of Love Your Life comes a humorous and heartwarming novel about family and finding a second chance at love, set against the backdrop of the most fabulous party you've ever snuck into. "Sophie Kinsella keeps her finger on the cultural pulse, while leaving me giddy with laughter."—Jojo Moyes, author of The Giver of Stars and The Last Letter from Your Lover It's been almost two years since Effie's beloved parents got divorced, destroying the image of the happy, loving childhood she thought she had. Since then, she's become estranged from her father and embarked on a feud with his hot (and much younger) girlfriend, Krista. And now, more earth-shattering news: They've sold Greenoaks, the rambling Victorian country house Effie has always called home. When Krista decides to throw a grand "house-cooling" party, Effie is originally left off the guest list—and then receives a last-minute "anti-invitation" (maybe it's because she called Krista a gold-digger, but Krista totally deserved it, and it was mostly a joke anyway). Effie declines, but then remembers a beloved childhood treasure is still hidden in the house. Her only chance to retrieve it is to break into Greenoaks while everyone is busy celebrating. As Effie sneaks around the house, hiding under tables and peeping through trapdoors, she realizes the secrets Greenoaks holds aren't just in the dusty passageways and hidden attics she grew up exploring. Watching how her sister, brother, and dad behave when they think no one is looking, Effie overhears conversations, makes discoveries, and begins to see her family in a new light. Then she runs into Joe—the love of her life, who long ago broke her heart, and who's still as handsome and funny as ever—and even more truths emerge. But will Effie act on these revelations? Will she stay hidden or step out into the party and take

her place with her family? And truthfully, what did she really come back to Greenoaks for? Over the course of one blowout party, Effie realizes that she must be honest with herself and confront her past before she'll ever be able to face her future.

Two For The Dough

As Becky discovers just how much her friends and family need help, she comes up with her biggest, boldest, most brilliant plan yet! So can she save the day just when they need her most? Becky is setting out to make things right in this laugh-out-loud, feel-good conclusion to her American adventure that began with SHOPAHOLIC TO THE STARS.

The Party Crasher

Chick Lit. Lara has always had an overactive imagination. Now she wonders if she is losing her mind. Normal twenty-something girls just don't get visited by ghosts! But inexplicably, the spirit of Lara's great aunt Sadie - in the form of a bold, demanding Charleston-dancing girl - has appeared to make one last request: Lara must track down a missing necklace Sadie simply can't rest without. Lara's got enough problems of her own. Her start-up company is floundering, her best friend and business partner has run off to Goa, and she's just been dumped by the love of her life. But as Lara spends time with Sadie, life becomes more glamorous and their treasure hunt turns into something intriguing and romantic. Could Sadie's ghost be the answer to Lara's problems and can two girls from different times end up learning something special from each other?

Shopaholic to the Rescue

After making a mistake that will ruin any chance of a partnership, workaholic attorney Samantha Sweeting suffers a breakdown, gets on a train, and ends up in the middle of nowhere, where she is mistaken for someone looking for a job and is hired as a housekeeper, but her new employers are unaware that she is an attorney with no housekeeping skills at all. Reprint.

Twenties Girl

Becky's life is perfect, with a job at London's biggest new store, house-hunting with husband Luke, and a baby on the way, until she discovers that her new celebrity obstetrician is Luke's glamorous ex-girlfriend.

The Undomestic Goddess

'I absolutely loved this book and devoured it in a matter of hours! The perfect Saturday-night read which I found impossible to put down... I literally laughed out loud.' Book Lover, ~~When~~ When the inflatable hot tub my boyfriend hired for a surprise deflated with me in it, spilling water everywhere and almost flooding our flat, I should have known it was a sign... Could things get any worse? First Alice gets fired from her job as a lawyer out of the blue, and she has absolutely no idea what to do with her life. Then she and her boyfriend Joe bump into his ex, Zoe, with her annoyingly glossy hair and sparkling smile. And now they can't afford the rent on their flat and Alice might have to cut back on her gin and tonics, the one thing getting her through. With her life crumbling around her, Alice ends up ugly crying in the middle of the street, with mascara running down her face. She's such a sorry sight that a kind old man stops and gives her his handkerchief. But if that wasn't bad enough, it turns out that Zoe is looking for a place to stay. And Joe has the bright idea of asking her to move in. Living with The Ex, and her fluffy cat Frazzle who leaves ginger hair everywhere, is Alice's idea of hell. Especially when she finds Joe and Zoe singing and dancing in the kitchen as they cook chilli con carne together, or sneaking off to the pub without her. Losing her job was one thing, but now it looks like she might also lose her boyfriend and her home Just how on earth is she going to turn this around? This fabulous, feel-good page-turner is for anyone who has ever felt a little lost in life and turned to a bottle of wine to get you through! Fans of romantic comedies by Sophie Kinsella and Lindsey Kelk, and TV shows like Crazy Ex-Girlfriend and Jane the Virgin, will love this utterly relatable read. Readers absolutely love Just Saying: 'Absolutely brilliant!... After months of struggling to find another author I love as much as I love Sophie Kinsella I have found her!... Just Saying

Wie die Schweden das Träumen erfanden

Schläfst du noch oder träumst du schon? Das perfekte Weihnachtsgeschenk für eine glückliche Lesezeit Überall auf der Welt schlummert man selig in den kuscheligsten Betten der Marke Traumbett, made in Hamburg, Germany. Überall? Nein, einzig in Schweden konnte das Unternehmen sich noch nicht durchsetzen. Das will der neue Firmenbesitzer Konrad Kaltenbacher Jr. schnellstens ändern. Und wenn es nach Julia, der Bürgermeisterin von Halstaholm in der schwedischen Provinz, ginge, dann hätte sich Traumbett mitsamt seinen 800 neuen Arbeitsplätzen sowieso schon längst bei ihnen niedergelassen. Um die Deutschen von den Vorzügen ihrer Heimatstadt zu überzeugen, startet Julia fest entschlossen eine Charmeoffensive, die man so in Halstaholm noch nicht gesehen hat: Vom kurzerhand umbenannten Angela-Merkel-Kreisverkehr, selbstverständlich mit schwarz-rot-goldener Bepflanzung, über eine aus dem Boden gestampfte Deutsche Schule unter der Führung von drei betagten Rentnerinnenfräuleins, bis hin zur umfunktionierten »Bierstube Badehaus« – das Schwimmbad stand doch sowieso schon seit Jahren leer! –, jeder muss mitziehen. Denn Julia bekommt immer, was sie sich in den Kopf setzt. Eine Hartnäckigkeit, die auch den deutschen Traumbett-Chef Konrad Jr. beeindruckt ... Charmant, rasant und originell wie immer! »In diesen schweren Zeiten wollte ich etwas Hoffnungsvolles schreiben, über die Freundschaft – nämlich über die Freundschaft zwischen den Schweden und den Deutschen, die ich so sehr liebe. In meiner neuen Geschichte trifft Blau-Gelb auf Schwarz-Rot-Gold und es zeigt sich: Mit den richtigen Freunden an der Seite geht es für alle wieder bergauf!« Jonas Jonasson

The Stechlin

Theodor Fontane (1819-98), widely regarded as Germany's most significant novelist between Goethe and Thomas Mann, pioneered the German novel of manners and upper-class society, following a trend in European fiction of the period. The Stechlin is Fontane's last book and his political testament. Like Effi Briest, his great work on the place of women in Bismarck's empire, it is set at the apex of the Wilhelmine era, both in Berlin and on the estate of a Prussian Junker on the shores of Lake Stechlin. It is a significant historical and cultural document, probably the finest chronicle of the life style of the German upper classes in the late nineteenth century; Fontane portrays the best in the life and ways of the passing Prussian aristocrats, while describing his hopes for the future of Germany and its nobility, which were never to be fully realized. Although this novel has been translated into many languages, it has never before been available in English; this edition thus fills an important gap in the significant works of European literature accessible to English readers.

'I loathe what I did, but what I loathe even more is your virtue.' Seventeen-year-old Effi Briest is steered by her parents into marriage with an ambitious bureaucrat, twenty years her senior. He takes her from her home to a remote provincial town on the Baltic coast of Prussia where she is isolated, bored, and prey to superstitious fears. She drifts into a half-hearted affair with a manipulative, womanizing officer, which ends when her husband is transferred to Berlin. Years later, events are triggered that will have profound consequences for Effi and her family. Effi Briest (1895) is recognized as one of the masterpieces by Theodor Fontane, Germany's premier realist novelist, and one of the great novels of marital relations together with Madame Bovary and Anna Karenina. It presents life among the conservative Prussian aristocracy with irony and gentle humour, and opposes the rigid and antiquated morality of the time by treating its heroine with sympathy and keen psychological insight. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

The development of the «Zeitroman» is traced through detailed analysis of five examples of the genre, beginning with Immermann's «Die Epigonen» and concluding with H. Mann's «Im Schlaraffenland». Marking a new direction in German literature of the 19th century, the «Zeitroman» was frequently concerned with locating the changing relationship between social classes in the broad social conditions of the age portrayed. Approaches ranged in formal terms from the panoramic novels of Immermann, Spielhagen and Gutzkow to less ambitious, but artistically more satisfying works later in the century. Tensions typifying the «Zeitroman» include those between universal and ephemeral concerns, between historical documentation and a fictional rendering of reality, and between characterizing individuals and depicting an age in more abstract terms. Through examination of these varying balances, plus reference to the German «Bildungsroman» and social novels in England and France of the same period, a closer understanding is reached of the much abused term «Zeitroman».

Zeitroman

Human life is susceptible of changing suddenly, of shifting inadvertently, of appearing differently, of varying unpredictably, of being altered deliberately, of advancing fortuitously, of commencing or ending accidentally, of a certain malleability. In theory, any human being is potentially capacitated to conceive of—and convey—the chance, view, or fact that matters may be otherwise, or not at all; with respect to other lifeforms, this might be said animal's distinctive characteristic. This state of play is both an everyday phenomenon, and an indispensable prerequisite for exceptional innovations in culture and science: contingency is the condition of possibility for any of the arts—be they dominantly concerned with thinking, crafting, or enacting. While their scope and method may differ, the (f)act of reckoning with—and taking advantage of—contingency renders rhetoricians and philosophers associates after all. In this regard, Aristotle and Blumenberg will be exemplary, hence provide the framework. Between these diachronic bridgeheads, close readings applying the nexus of rhetoric and contingency to a selection of (Early) Modern texts and authors are intercalated—among them *La Celestina*, Machiavelli, Shakespeare, Wilde, Fontane.

This book, written by a team of experts from many countries, provides a comprehensive account of the ways in which translation has brought the major literatures of the world into English-speaking culture. Part I discusses theoretical issues and gives an overview of the history of translation into English. Part II, the bulk of the work, arranged by language of origin, offers critical discussions, with bibliographies, of the translation history of specific texts (e.g. the Koran, the Kalevala), authors (e.g. Lucretius, Dostoevsky), genres (e.g. Chinese poetry, twentieth-century Italian prose) and national literatures (e.g. Hungarian, Afrikaans).

"Shows how the connection between divinatory magic and reading shaped the experience of reading and aesthetics among nineteenth-century realists and modernist thinkers, including writers, artists, and critics such as Gottfried Keller, Theodor Fontane, and Walter Benjamin"--

Dictionary Catalog of the Research Libraries of the New York Public Library, 1911-1971

German writers, from Luther and Goethe to Heine, Brecht, and Günter Grass, have had a profound influence on the modern world. This Very Short Introduction presents an engrossing tour of the course of German literature from the late Middle Ages to the present, focussing especially on the last 250 years. Emphasizing the economic and religious context of many masterpieces of German literature, it highlights how they can be interpreted as responses to social and political changes within an often violent and tragic history. The result is a new and clear perspective which illuminates the power of German literature and the German intellectual tradition, and its impact on the wider cultural world. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable.

A rich and enjoyable novel about marriage, love and betrayal, from the great German realist Theodor Fontane. Charming, cheerful Count Holk is delighted to be called away from his solemn wife to the distant court of a Danish princess. Swept up in the romance of his new, lively surroundings at a 'castle by the sea', the Count does not realize that not everyone there is what they seem - and that a wrong decision may have fatal consequences. Published in 1892, this tragicomic work of failing marriage and modern sexual politics is full of the irony, elegance and masterful dialogue for which Theodor Fontane is acclaimed. Theodor Fontane was born in the Prussian province of Brandenburg in 1819. After qualifying as a pharmacist, he made his living as a writer. From 1855 to 1859, he lived in London and worked as a freelance journalist and press agent for the Prussian embassy. While working as a war correspondent during the Franco-Prussian war of 1870-1 he was taken prisoner, but released after two months. His first novel, *Before the Storm*, was published when he was fifty-eight and was followed by sixteen further novels, of which *Effi Briest*, *No Way Back* and *On Tangled Paths* are all published in Penguin Classics. He died in 1898. Hugh Rorrison and Helen Chambers have both published extensively on German literature, and translated together the Penguin Classics translation of Fontane's *Effi Briest*. 'No Way Back has the amplitude, the social and personal varieties, we expect of the major social novel; it surely ranks among the most imaginatively challenging and intellectually satisfying attainments in that dominant nineteenth-century form' - Paul Binding, *The Spectator* 'Helen Chambers and Hugh Rorrison have improved on the previous English version...natural, idiomatic' - Ritchie Robertson, *Times Literary Supplement* 'Theodor Fontane's standing in Germany is comparable to Jane Austen's in the English-speaking world...his best work is an elegant and engaging blend of irony, penetration and compassion' Helen Chambers

Strauss's *Radetzky March*, signature tune of one of Europe's most powerful regimes, presides over Joseph Roth's account of three generations of the Trotta family in the years preceding the Austro-Hungarian collapse in 1918. Grandfather, son and grandson are equally dependent on the empire: the first for his ennoblement; the second for the civil virtues that make him a meticulous servant of an administration whose failure he can neither comprehend nor survive; the third for the family standards of conduct which he cannot attain but against which he is too enfeebled to rebel.

The Oxford Guide to Literature in English Translation

A dazzling, award-winning new novel by the 'offensively gifted' author of *How the Soldier Repairs the Gramophone* It's the night before the feast in the village of Fürstenfelde (population: an odd number). The village is asleep. Except for the ferryman - he's dead. And Mrs Kranz, the night-blind painter, who wants to depict her village for the first time at night. A bell-ringer and his apprentice want to ring the bells - the only problem is that the bells have gone. A vixen is looking for eggs for her young, and Mr Schramm is discovering more reasons to quit life than smoking. Someone has opened the doors to the Village Archive, but what drives the sleepless out of their houses is not that which was stolen, but that which has escaped. Old stories, myths and fairy tales are wandering about the streets with the people. They come together in a novel about a long night, a mosaic of village life, in which the long-established and newcomers, the dead and the living, craftsmen, pensioners and noble robbers in football shirts bump into each other. They all want to bring something to a close, in this night before the feast. The highly regarded and bestselling author Saša Stanišić was born in 1978 in what was then Yugoslavia (now Bosnia and Herzegovina), and currently lives in Germany. Before the Feast, his second novel, was a bestseller in Germany and won the prestigious Leipzig Book Fair Prize; his award-winning debut *How the Soldier Repairs the Gramophone* has been translated into 30 languages, and is also published by Pushkin Press.

The Modern Language Review

Current demographic developments and change due to long life expectancies, low birth rates, changing family structures, and economic and political crises causing migration and flight are having a significant impact on intergenerational relationships, the social welfare system, the job market and what elderly people (can) expect from their retirement and environment. The socio-political relevance of the cate-

gories of 'age' and 'ageing' have been increasing and gaining much attention within different scholarly fields. However, none of the efforts to identify age-related diseases or the processes of ageing in order to develop suitable strategies for prevention and therapy have had any effect on the fact that attitudes against the elderly are based on patterns that are determined by parameters that are not biological or sociological: age(ing) is also a cultural fact. This book reveals the importance of cultural factors in order to build a framework for analyzing and understanding cultural constructions of ageing, bringing together scholarly discourses from the arts and humanities as well as social, medical and psychological fields of study. The contributions pave the way for new strategies of caring for elderly people.

The three concepts mentioned in the title of this volume imply the contact between two or more literary phenomena; they are based on similarities that are related to a form of 'travelling' and imitation or adaptation of entire texts, genres, forms or contents. Transfer comprises all sorts of 'travelling', with translation as a major instrument of transferring literature across linguistic and cultural barriers. Transfer aims at the process of communication, starting with the source product and its cultural context and then highlighting the mediation by certain agents and institutions to end up with inclusion in the target culture. Reception lays its focus on the receiving culture, especially on criticism, reading, and interpretation. Translation, therefore, forms a major factor in reception with the general aim of reception studies being to reveal the wide spectrum of interpretations each text offers. Moreover, translations are the prime instrument in the distribution of literature across linguistic and cultural borders; thus, they pave the way for gaining prestige in the world of literature. The thirty-eight papers included in this volume and dedicated to research in this area were previously read at the ICLA conference 2016 in Vienna. They are ample proof that the field remains at the center of interest in Comparative Literature.
