Her Best Friend (Mills & Boon Cherish) (More than Friends, Book 1)

What's a girl to do when she's secretly in love with her best friend...and he's married to someone else?

Her Best Friend

"Being a single dad was never on Michael Young's agenda. Yet with the sudden loss of his wife, that's exactly the role he has. On his best days, he thinks he can handle it. On his worst ... Luckily, family friend Angie Bartlett has his back, easily stepping in to help out. Lately, though, something has changed. Michael is noticing exactly how gorgeous Angie is, and how single she is. She's constantly in his thoughts and he feels an attraction he never expected. Does he dare disrupt the very good thing they have going? If they have a fling that goes nowhere, he stands to lose everything-including her. But if they make it work, he stands to gain everything."--P. [4] of cover.

Within Reach

A new meaning for office politics Audrey Mathews has worked hard to get here. Now she's up for a promotion and nothing will stand in her way—including Zach Black. He's hot, smart and the competition. When they're assigned to the same project, she's shocked at how much she actually likes about him...and how much she misjudged him. Before long Audrey is seriously falling for Zach—and indulging in an affair that's against company policy. And the stakes rise when it's clear only one of them can get ahead. So where do they draw the line between competition and love? Especially when she doesn't want to lose either the promotion or the guy....

Her Favorite Rival

Her Best Friend - Sarah Mayberry What's a girl to do when she's secretly in love with a friend and he's married to someone else? She gets over it. That's what Amy Parker has done. Rather than lose her best bud Quinn Whitfield with an ill-timed, crazy confession of affection, she's taken the smart route. She's eased away from him. Just enough to get past the unrequited bits. And you know, it's working...until the day Quinn announces he's now single. That's right. He's single. And he wants to hang out. With her. Get reconnected the way they used to be. Oh, this is so not good for Amy's equilibrium. Daily doses of Quinn remind her of everything she loves about him. But if he's free...and she's free...well, maybe the time has come for one of those crazy confessions. Always The Best Man - Michelle Major Hometown Golden Girl Emily Whitaker couldn't have left Crimson in her rear view mirror fast enough...until life threw her some curveballs and she's back - divorced and with a young son. Her brother's wedding should have been a welcome reprieve, but Jase Crenshaw is the best man to her maid of honour. She'd steered clear of him when they were kids, but now Jase has become one highly irresistible man. Jase always harbored a crush on his best friend's sister. Back then, she was too good for the kid from the wrong side of the tracks. Now she thinks the upstanding town lawyer and mayoral candidate is too good for her. Can Jase convince the girl of his dreams they're they're both actually perfect...for each other? Small-Town Cinderella - Stacy Connelly After years of putting other people first, Debbie Mattson is ready to look for her own happily-ever-after. Clearville's favorite baker is determined to shake off the dust of her small hometown and find her perfect man — someplace far, far away. The last person she would ever consider dating is childhood friend Drew Pirelli. He's a homebody. He loves small-town life. And he is ready to settle down, just when she is ready to venture out. She's convinced he is Mr. Wrong. And then one magical kiss changes everything...

More Than Friends/Her Best Friend/Always the Best Man/Small-Town Cinderella

From bed to baby to?bliss? A chance encounter. A steamy night together. That's all Rhys Walker signs on for when Charlotte "Charlie" Long sashays across his path. Sure, maybe he catches a glimpse of forever in her eyes. But the brush-off note the gorgeous brunette leaves the next morning says it all, doesn't it? Time to move on. Rhys never expects that moving on actually means reconnecting with Charlie. Or that her big news changes everything. Becoming a father now, under these circumstances, never factored into his plans. Yet he's not as upset as he thought. Because now he has the opportunity to explore that glimpse of forever?and turn it into reality.

More Than One Night

He's everything she despises—a babe magnet with more notches on his belt than a millipede has legs.

Can't Get Enough (Mills & Boon Blaze)

"The best thing between Oliver Barrett and Mackenzie Williams is a fence. Ever since Oliver's new-neighbor gestures were met with unfriendly responses, he's decided to keep his distance. After all, he's in this seaside town to get his life on track again. That doesn't include working hard to get on Mackenzie's good side--no matter how intriguing she may be. His intentions are put to the test, however, when his dog becomes infatuated with hers. The two crafty canines do their best to break down the barriers between the properties. And where the dogs go ... well, the humans must follow! It doesn't take long for a powerful attraction to build between Oliver and Mackenzie. They soon discover that the worst of first impressions can lead to the best possible outcomes."--P [4] of cover.

The Other Side of Us

"This is hockey romance for hockey fans." --Rachel Reid, author of the Game Changers series A veteran hockey player and a rookie can't get away from each other—or their own desires—in this sexy, heartfelt opposites-attract hockey romance. Olly Järvinen has a long way to go. He's got a fresh start playing for a new team, but getting his hockey career back on track is going to take more than a change of scenery. He's got to shut his past out and focus. On the game, not on his rookie roommate and his annoyingly sunny disposition—and annoyingly distracting good looks. All Benji Bryzinski ever wanted was to play in the big leagues, and he's not going to waste one single second of his rookie season. Yoga, kale smoothies and guided meditation help keep his head in the game. But his roommate keeps knocking him off track. Maybe it's just that Olly is a grumpy bastard. Or maybe it's something else, something Benji doesn't have a name for yet. Olly and Benji spend all their time together—on the ice, in the locker room, in their apartment—and ignoring their unspoken feelings isn't making them go

away. Acting on attraction is one thing, but turning a season's fling into forever would mean facing the past—and redefining the future. Trade Season Book 1: Season's Change Book 2: Contract Season

The final two stories in The Great Wedding Giveaway! When a few of Marietta's long standing bachelors start walking down the aisle they vowed to avoid, the town's residents are speculating there must be something magical in the water. Be our wedding guest during The Great Wedding Giveaway as these chiseled, brooding cowboys, sexy business owners, and local bad boys return to town to prove a point and say "I do" to the women of their dreams. Books included: Last Year's Bride It's for the ranch. It's your duty. A man does his duty, always. His father Sam's words were carved into Cole McCullough's brain. His responsibilities lay with Rafter M Arrow, which had been in their family for over a hundred years. Even though they were fighting a losing battle to keep the place going. The ranch always came first, over personal comfort, sometimes reason and definitely women. Sam had seen both his wives walk away, dismissing them as hot-house city girls who couldn't survive the wilds of rural Montana. So how had Cole ended up making a spur-of-the-moment marriage last year in Reno to TV director Nell, who was as city as they came? Nell was prepared to give it all up to be with Cole. But he knew how it would end: as it had always ended before. It was time to stop living a pipe dream and sue for divorce. But then Nell came back to Marietta with The Compatibility Game, a reality program, in which couples discovered what they were willing to do for love by living and working at Rafter M, and Cole found himself taking part too... Make-Believe Wedding Everyone in Marietta, Montana, is in love and getting married - at least that's the way it feels to Andie Bennett the night of the Valentine's Ball. As she watches the man she's loved from afar for half her life dance with another woman, Andie allows herself a moment of sheer fantasy as she fills out a stray entry form for the Great Wedding Giveaway. Andie channels years of fantasy and yearning for Heath McGregor onto the page, but she never intends to actually enter the Giveaway. Only a crazy woman would do that. But fate has other ideas.... When Heath learns he and Andie are last minute finalists in the Great Wedding Giveaway, he's completely baffled. How on earth could anyone make such a ridiculous mistake? When it becomes clear that Andie will be humiliated if the slip-up becomes public, Heath does what any good friend would - he suggests they pretend the engagement is real until the Giveaway is over and then quietly "break up" when no one is paying any attention. It's the perfect solution, except Heath very quickly realises that pretending Andie is his is no hardship at all. In fact, it may just be the best thing that's ever happened to him...

Amorous Liaisons Sarah Mayberry

Amorous Liaisons

Told in alternating timelines, THE THINGS WE LEAVE UNFINISHED examines the risks we take for love, the scars too deep to heal, and the endings we can't bring ourselves to see coming. Twenty-eight-year-old Georgia Stanton has to start over after she gave up almost everything in a brutal divorce—the New York house, the friends, and her pride. Now back home at her late great-grandmother's estate in Colorado, she finds herself face-to-face with Noah Harrison, the bestselling author of a million books where the cover is always people nearly kissing. He's just as arrogant in person as in interviews, and she'll be damned if the good-looking writer of love stories thinks he's the one to finish her grandmother's final novel...even if the publisher swears he's the perfect fit. Noah is at the pinnacle of his career. With book and movie deals galore, there isn't much the "golden boy" of modern fiction hasn't accomplished. But he can't walk away from what might be the best book of the century—the one his idol, Scarlett Stanton, left unfinished. Coming up with a fitting ending for the legendary author is one thing, but dealing with her beautiful, stubborn, cynical great-granddaughter, Georgia, is quite another. But as they read Scarlett's words in both the manuscript and her box of letters, they start to realize why Scarlett never finished the book—it's based on her real-life romance with a World War II pilot, and the ending isn't a happy one. Georgia knows all too well that love never works out, and while the chemistry and connection between her and Noah is undeniable, she's as determined as ever to learn from her great-grandmother's mistakes—even if it means destroying Noah's career.

The Things We Leave Unfinished

Two cowboys will have to risk their hearts—again—to find a home on the ranch. Hugo Turner's boots haven't touched Texas soil in almost a decade, and he's not sure they should now. Being in the state is complicated, but Hugo can't resist going back for a job working with his teenage crush. His best friend's hot older brother is now the ranch's foreman, so he'll be Hugo's boss. Inappropriate? Probably. Will it stop Hugo? Probably not. Brand Woods isn't ready for the return of Hugo Turner. He decided long ago to keep his bisexuality private and to focus his life on running the ranch. Working next to the

most dangerously tempting man he's ever known stirs up questions Brand thought he'd put to rest. The sparks that send their hearts galloping lead to a deeper passion than either man expects. But by giving in to the chemistry without taking a risk and committing to each other—or, more importantly, to themselves and living the lives they've always wanted—Brand and Hugo might lose their second chance at true love. Woods Ranch Book 1: His Fresh Start Cowboy

His Fresh Start Cowboy

If Jocelyn Swann weren't so furious, she'd probably laugh. Her best friend, Dan Jansen, has launched a campaign worthy of his Special Forces training to arrange their wedding, from music and minister to flowers and food. What part of no does he not understand? Their marriage was a tipsy scrawl on the back of a coaster three years ago! It's not a question of love. Of course she loves Dan. She's loved him all her life. If only she could get him to slow down a minute and listen to be the friend she needs right now she could convince him that marriage would ruin everything.

Here Comes The Groom

When a few of Marietta's long standing bachelors start walking down the aisle they vowed to avoid, the town's residents are speculating there must be something magical in the water. Be our wedding guest during The Great Wedding Giveaway as these chiseled, brooding cowboys, sexy business owners, and local bad boys return to town to prove a point and say "I do" to the women of their dreams. The Tycoon's Kiss Taylor Harris--Marietta, Montana's new librarian--is the quiet type who likes her glamour between the book covers. When she's pushed into attending the formal Valentine Ball with Marietta's Most Eligible Bachelor, Troy Sheenan, Taylor can't imagine a worse pairing. What in the world would she have in common with a wealthy playboy like Troy? Technology tycoon Troy is forced by business concerns to return to his hometown and take the town librarian to the Valentine Ball... what he doesn't expect is that Taylor is even less excited about the prospect than he is! Intrigued by the only woman in town who wouldn't be thrilled to take his arm at the big event, he's determined that she will not just agree to be his date... but she's going to like it. Can Taylor turn a cold shoulder to Troy's heart-melting charms, or is this about to be Marietta's hottest Valentine's Ball yet? What A Bride Wants Ella Grace Emerson adores her father, but he keeps trying to marry her off to every eligible rancher in Montana. When he puts an ad in the paper on her behalf – for a docile house-husband – Ella retaliates with one of her own, pinned to the noticeboard of the local saloon. No husband required, housebroken or otherwise. What she wants is the perfect lover. Newcomer Cam Sawyer is perfectly willing to tear up the sheets with Ella and be her partner in chaos. She wants a bad boy and he's had experience aplenty. But what she really needs is a strong and loving partner, and until Sawyer stops running from his past he can never be that. Sawyer's the one Ella wants. But can he be the man she needs? Second Chance Bride Scarlett Buck has always been flaky in comparison to her sensible twin sister Tara, so nobody is really surprised when Scarlett spends all her money on a one way ticket to Australia to be with the man she's met on the Net. But she hasn't reckoned on the guy already being married and now she needs money for a flight home to Marietta, MT—quick. Mitch Bannister's ex is about to marry his best friend, and he could really do with a cold beer and a hot woman. When Mitch spies the cowgirl in the local pub begging for a job, he shrinks into the shadows--he's not looking for complications, and something tells him that Scarlett Buck is a whole handful of them. But soon it's clear she's not just trouble, she's in trouble, and like it or not, he's not about to turn his back on this stray from the States. Especially if she can do him a favor in return. After all, it's just a helping hand. Or is it? Almost A Bride Tara Buck has always been the good sister, level-headed by comparison to Scarlett, her flaky, impulsive twin. But when Tara learns her fiancé has been cheating on her with one of his school students, the orderly world she's created for herself suddenly feels as if it's falling apart. For years she chose the safe option, but from now on she's going to live a little...be a little daring. And if that means acting on the long-suppressed feelings she's always had for Reid Dalton, then so be it! Reid has wanted Tara from the moment he met her, but she's always been out of bounds. Not only is she his patrol partner at the Bozeman PD, she's also engaged. But then her relationship blows up, and Reid finds himself battling his own instinct to stake his claim with the finest, hottest woman he's ever known. Even if anything did happen between them, it would only be temporary. So even if things are good between them, it seems their romance is destined to be short and sweet...
