BTS: the Most Beautiful Rise of Bangtan

BTS (Korean: Bulletproof Boy Scouts; RR: Bangtan Sonyeondan), also known as the Bangtan Boys, is a seven-member South Korean boy band formed in Seoul in 2010. The septet co-writes and produces much of their output. Originally a hip hop group, their musical style has evolved to include a wide range of genres. Their lyrics, often focused on personal and social commentary, touch on the themes of mental health, troubles of school-age youth, loss, the journey towards loving oneself, and individualism. Their work features references to literature and psychological concepts and includes an alternative universe storyline. The group initially formed as teenagers under and released their debut single album, . Subsequent works--such as their first U.S. The Most Beautiful Moment in Life, The Most Beautiful Moment in Life:--helped establish BTS' reputation as a socially-conscious group. Wings became BTS' first album to sell one million copies in South Korea. BTS crossed into the international music market

BTS

BLACKPINK: Pretty Isn't Everything (The Ultimate Unofficial Guide)

Join BTS's ARMY and learn the history of the international K-POP sensation! BTS (aka Bangtan Sonyeondan) has become one of K-POP's most well-known singing groups. The seven-member Korean boy band formed in 2013 and has slowly grown to worldwide fame through their music. Despite slow beginnings, the K-POP group now has millions of listeners around the world. They led the Korean Wave of music into the United States in 2017, and as of 2019, they are the only Korean group to top the US Billboard 200, and the first group since the Beatles to have three number-one albums in less than a year. BTS is also known for breaking the mold of K-POP, including social topics such as mental health, individualism, and social commentary in their hip-hop lyrics. TIME Magazine named the Korean Pop group as one of the 25 most influential people on the internet and named them as one of TIME's 100 most influential people of 2019. In the BTS Bible, you'll learn everything you could want to know about the sensational singing group, including: Individual member profiles Band concept and style History of their six-year rise to fame Chart-topping songs and videos Interviews with worldwide fans and music experts And more! Don't get left behind in the wake of the BTS success. Read all about the K-POP group that is changing the face of international music in the Unofficial BTS Bible.

The Unofficial BTS Bible

There are so many k-pop boy groups, while the groups are too numerous to mention one by one. However, some of them just disappear after debut, and only a very small minority of k-pop boy groups can become popular. By the way, there is a boy group who has been on the steady rise since its debut and is now considered as one of the most popular k-pop idol groups. Yeah, it's BTS. As BTS is enjoying a huge popularity at home and abroad, many people in the k-pop world are now saying "The boy group is the future of k-pop." Actually, BTS' success is considered as being very special by people in the k-pop industry. Because BTS is in Big Hit entertainment, which is not as big k-pop agency as SM, YG, or JYP. Achieving success as an idol group of small and medium agency in the k-pop world is much harder than you could ever have imagined, and that's why BTS deserves to be called "The k-pop pioneer". Then, what do you think is the reason for BTS' great success? First, the main reason for BTS' success is that the boy group differentiated itself from other boy groups by doing "real hip hop" music.

The group writes its own music and sings about teenager's life, arousing empathy from young k-pop fans. Second, some of BTS fans may disagree, but the members have ordinary looks unlike other pretty k-pop idols. They're not traditionally good-looking, and frankly speaking, I thought they are too ugly to be idols when I saw BTS for the first time. However, because of this, they could become the hottest idol group. I mean, fans could feel more comfortable and familiar with the members because they do not look like cartoon characters. Third, BTS is an idol group, but its members, Rap Monster and Suga have released their mixtapes just like underground rappers do. By doing so, they stressed the fact that they're different from other puppet like idols. Especially, Rap Monster, who has polished his rap skills in the Korean underground hip hop scene before debut is getting the spotlight in the k-pop industry by showing off his outstanding rapping ability. He's been active not only as an idol but also as a rapper, and he was also featured as a rapper in the album of MFBTY, comprised of Tiger JK, Yoon Mirae, and Bizzy who are considered as heavyweights in the Korean hip hop scene. BTS certainly succeeded in fascinating k-pop fans and it's mainly because of the group's image as a skilled hip hop idol. Oh, it's not just an image. The BTS members have sufficient performing skills and always prove it on the stage. Unlike other puppet like k-pop idol groups, they enjoy the stage and show high quality live performance. Have you been to BTS' concert? It's really gorgeous. So, are you a big fan of BTS? Do you want to know all the stories about BTS members? contains all the things about BTS. The author, who has been working as a k-pop journalist since 2010 gives you answers to all the questions about BTS such as "What are their real personality like?", "What were they like in school?" and "How did they become k-pop idols?". The book also includes various stories behind BTS members. So, welcome to the real world of k-pop. Enjoy your time, and love yourself!

BTS: 100% Unofficial - Everything You Need to Know about the Kings of K-Pop

There are two sides to the BTS story. The all too familiar rags to riches odyssey in which seven young South Korean boys (RM, Suga, V, J-Hope, Jin, Jimin, Jungkook) emerge from obscurity to become true superstars in the pop music universe. Of equal importance was the relationship between the wide-eyed group members and the forward-thinking head of their record company, Bang Si-hyuk, which resulted in newfound freedom and a new way of creating the K-Pop sound. Both of these elements and more are the subject of the book *Burn the Stage: The Rise of BTS and Korean Boy Bands* by New York Times best-selling author Marc Shapiro. This timely look at BTS and the K-Pop genre, told in quotes and anecdotes from BTS, delves into the history of K-Pop music, its pivotal twists and turns, insights into the modern K-Pop training and audition process, as well as the rise of BTS and their personal and professional development on the road to worldwide popularity. Author Marc Shapiro acknowledges that making the BTS story more than a mere rehashing of familiar material was a challenge. "This was an opportunity to follow the story of what many considered 'The Next Big Thing' hand in hand with the group in fairly real time. Seeing what they experienced as it happened rather than looking back on their lives years later. There was a sense of immediacy that appeared more in tune with the way the world turns now. Which is fast." As with the current state of pop culture, BTS and the K-Pop world are constantly evolving and presenting new challenges and ideas. *Burn the Stage: The Rise of BTS and Korean Boy Bands* chronicles BTS in the now. There will certainly be a future.

Jin, Suga, J-Hope, RM, Jimin, V and Jungkook, seven good-looking boys who can dance and sing, are tearing up the global music charts. Nothing fresh? Again, think. BTS, which rose to fame in 2013 in their native South Korea and sings almost entirely in Korean, is now an international sensation. K-pop has steadily garnered a huge following among social-media-savvy teen girls over the last three years. And BTS are leading the advance with their clean-cut good looks, fabulously choreographed and perfectly executed dance moves, and catchy blend of pop, soft hip hop and r&b. They were recently profiled in *US Vogue*, the first K-pop band to receive such an honor; they won the 2017 Top Social Artist Billboard Music Award, beating Justin Bieber, Ariana Grande and Selena Gomez; they were listed on Twitter in March 2016 by *Forbes* as the most retweeted artist, and their fanbase has ballooned since then; they were named in *Time* magazine's "Top 25 Most Influential People on the Internet 2017;" and they've recently embarked on a sold-out tour across the globe. Extensively researched, and written in an upbeat and accessible style, this book interweaves the success stories of each of the boys with how

the band got together, while documenting their amazing rise to fame in Southeast Asia, and then the world.

Beyond summarizing the three volumes on *Persona*, *Shadow* and *Ego* in the *Map of the Soul* series, this latest book explores the entire BTS album, start to finish, revealing profound insights into the collective psyche of BTS. The title of BTS’s latest album, *Map of the Soul: 7*, captivates the mind with its suggestive and alluring imagery. It came as a surprise to many fans. Expected was an album that would follow upon *Map of the Soul: Persona* with songs about *Shadow* or *Ego*. While the new album does indeed include songs with these themes, it is much more complex and broader in vision than expected. The number 7 suggests mystery. It catches the mind’s attention with its symbolic significance. What does this number mean in relation to the idea of a “map of the soul?” This book dives into this mystery and explores the unconscious reaches of our mind. Fans of BTS from around the world will marvel at the depth of meaning in the songs contained in *Map of the Soul: 7*. They take the listener into deep reflection upon the meaning of striving and ambition, the dangers of worldly success, and the amazing resiliency of the human spirit to recover and go on despite the pitfalls on life’s journey. The songs themselves function as a map for souls who are setting out in life and engaging in challenging relationships. The songs are reflective, mirroring what we find within ourselves in our struggles to become and to thrive. When you stand on the threshold of a new land, it is useful to have a map as your guide. The great psychologist of the 20th Century, Carl Jung, created a *Map of the Soul* that many people in his time found more than a little helpful, even lifesaving. It is even more so now, for people in the 21st Century, caught in the profound complexities of modern life. Armed with this map, people are better able to find their way successfully through life’s journey. Today, BTS is putting this map into the hands of their fans. For this great service we are profoundly very grateful.

In this inclusive, illustrated history and guide to skin care and beauty, journalist and founder of Very Good Light David Yi teaches us that self-care, wellness, and feeling beautiful transcends time, boundaries, and binaries—and that pretty boys can change the world Chanel and Goop might have seemed ahead of the curve when they launched their men's beauty and wellness lines, but pharaohs were exfoliating, moisturizing, and masking eons earlier. Thousands of years before Harry Styles strutted down the red carpet with multicolored fingernails, Babylonian army officials had their own personal manicure sets. And BTS might have become an international sensation for their smoky eyes and perfect pouts, but the Korean Hwarang warriors who put on a full face before battle preceded them by centuries. Pretty Boys unearths diverse and surprising beauty icons who have redefined what

masculinity and gender expression look like throughout history, to empower us to live and look our truths. Whether you're brand new to beauty, or you already have a ten-step routine, Pretty Boys will inspire and teach you how to find your best self through tutorials, beauty secrets, and advice from the biggest names in the beauty industry, Hollywood, and social media. From Frank Ocean's skin-care routine to Clark Gable's perfectly styled hair, Rami Malek's subtle eyeliner to a face beat to the gods à la Boy George or Kimchi the drag queen, K-Beauty to clean beauty, Pretty Boys will completely change the way we all see gender expression and identity.

BTS, also known as the Bangtan Boys, is a seven-member South Korean boy band composed of RM, Jin, Suga, J-Hope, Jimin, V, and Jungkook. Originally a hip hop group, their musical style has evolved to include a wide range of genres. Their lyrics, often focused on personal and social commentary, touch on the themes of mental health, troubles of school-age youth, loss, the journey towards loving oneself, and individualism. After debuting in 2013 with their single album 2 Cool 4 Skool, BTS released their first Korean-language studio album, *Dark & Wild*, and Japanese-language studio album, *Wake Up*, in 2014. The group's second Korean studio album, *Wings* (2016), was their first to sell one million copies in South Korea. By 2017, BTS crossed into the global music market, leading the Korean Wave into the United States and breaking numerous sales records. BTS became the fastest group since the Beatles to earn four No 1 US Albums, doing so in less than four years. By 2020 they had become the biggest selling band on the planet.

They record their songs in Korean, Mandarin and Japanese, they have millions of fans all over the world, their music videos clock up hundreds of millions of views, and a captivated global audience watched this Korean-Chinese band close the 2018 Winter Olympics in South Korea. No wonder Dazed magazine called them the 'biggest Korean boyband in the world'. Featuring biographies of each of the nine current members - Suho, Xiumin, Lay, Baekhyun, Chen, Chanyeol, D.O., Kai and Sehun - as well as previous members Luhan, Kris and Tao, and taking an in-depth look at what makes them stand out from the K-pop crowd, this accessible and upbeat book is a must for any fan of one of the biggest bands on the planet.

BTS - Dynamite

An evil spirit has invaded the Battle Station. Will the cadets be ready for the fight? Find out in the fourth installment of *Battle Station Prime*! With the Prime Knight by their side, the young cadets of the Battle Station are convinced that no enemy is a match for their forces. But when one of their own group gets possessed by an evil spirit, it will take everything they have to get their friend back and banish the spirit from the realm for good. Meanwhile, attacks are coming in from all sides. Waves of skeletons and

zombies continue to assault the Battle Station and all of the outposts in the land. An unexpected alliance with a witch leads to an even more unexpected trip to the Far Lands, while a mission to discover the identity of their enemy will take the others through a desert temple. All of this is a lot of responsibility for six young warriors, and most of the Battle Station leaders are not sure they can handle it. But fortunately, Ned, the Prime Knight, believes these young heroes have what it takes to survive and succeed to save the Battle Station and the entire realm. Pell, Logan, Maddy, Brooklyn, Cloud, and Zoe will do everything they can to make sure his bet on them pays off.

The Battle for the Dragon's Temple

One in a series of unofficial graphic novels for Minecraft The sequel to Megan Miller's Quest for the Golden Apple Follows Phoenix and her new friends as they fight to save Xenos from zombie monks Phoenix, Wolfie, and their friends are back in this exciting second part of the Unofficial Graphic Novel for Minecrafters series! Past the walls of their monastery, the monks of Xenos grow enchanted golden apples for their neighbor villagers. As readers learn in Quest for the Golden Apple, these golden apples have magical healing abilities and have the power to keep the villagers safe. The monks also have and protect the knowledge that connects Xenos to her sister worlds. This knowledge keeps Xenos and her citizens safe. But when the monks are zombified, Xenos's citizens need a new hero. Following the design of zombie comics and Minecraft comics, follow Phoenix and her friends as they fight to save the citizens and monks of Xenos. But Phoenix and her crew of heroes have no idea and do not suspect the culprit behind this disaster—an incredibly powerful foe who will do anything to keep Phoenix from saving her world. The following three books in this series—Chasing Herobrine, The Ender Eye Prophecy, and Battle for the Dragon's Temple—continue the adventures of Phoenix and are written by Cara J. Stevens. This book is sure to delight fans of both authors, graphic novels, and Minecraft. Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. In particular, this adventure series is created especially for readers who love the fight of good vs. evil, magical academies like Hogwarts in the Harry Potter saga, and games like Minecraft, Terraria, and Pokemon GO. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

EXO

How has Hanguk (South Korean) hip hop developed over the last two decades as a musical, cultural, and artistic entity? How is hip hop understood within historical, sociocultural, and economic matrices of Korean society? How is hip hop represented in Korean media and popular culture? This book utilizes ethnographic methods, including fieldwork research and life timeline interviews with fifty-three influential hip hop artists, in order to answer these questions. It explores the nuanced meaning of hip hop in South Korea, outlining the local, global, and (trans)national flows of musical and cultural exchanges. Throughout the chapters, Korean hip hop is examined through the notion of buran—personal and societal anxiety or uncertainty—and how it manifests in the dimensions of space and place, economy, cultural production, and gender. Ultimately, buran serves as a metaphoric state for Hanguk hip hop in that it continuously evolves within the conditions of Korean society.

Kiss Me, Tate

Tate Kilbourn was Bunny Bergen's long-forgotten, secret high school crush. But that was twenty-four years ago, and a lot has happened since. Devastated by a nasty divorce, trying to juggle kids, bills and her new job - not to mention a boatload of insecurities - the last thing Bunny needs is to fall for Tate again. But then she finds herself working with him, and gee, he sure did grow sexier with age... Quiet and deeply private, Tate barely knew that Bunny was alive in high school. And now that he's back in Rustic Woods, he has a million reasons to fight his growing attraction for this gorgeous woman with the less-than-stellar reputation. The last thing he needs in his life is a woman, much less a woman like Bunny Bergen. On the surface, Tate and Bunny appear to be an unlikely match. But, as Bunny knows all too well, appearances can be deceiving. Kiss Me, Tate is the first book in the new Love in Rustic Woods Series, a romantic spin-off from Karen Cantwell's Barbara Marr Murder Mysteries. If you are a fan of Cantwell's zany, problem-prone protagonist, Barbara Marr, you'll remember lovable Bunny Bergen from the fun and hilarious mystery, Citizen Insane.

Don't Kiss Me

Edited by Louise Downie. Essays by James Stevenson, Katharine Conley, Gen Doy, Claire Follain, Tirza True Latimer, Jennifer Shaw and Kristine von Oehsen.

Ugly Love

From Colleen Hoover, the #1 New York Times bestselling author of It Starts with Us and It Ends with Us, a heart-wrenching love story that proves attraction at first sight can be messy. When Tate Collins meets airline pilot Miles Archer, she doesn't think it's love at first sight. They wouldn't even go so far as to consider themselves friends. The only thing Tate and Miles have in common is an undeniable mutual attraction. Once their desires are out in the open, they realize they have the perfect set-up. He doesn't want love, she doesn't have time for love, so that just leaves the sex. Their arrangement could be surprisingly seamless, as long as Tate can stick to the only two rules Miles has for her. Never ask about the past. Don't expect a future. They think they can handle it, but realize almost immediately they can't handle it at all. Hearts get infiltrated. Promises get broken. Rules get shattered. Love gets ugly.

She was banished from England...and she banished him from her heart. Upon her return to England following her father's death, Miss Ava Knight becomes the owner of one of the largest racehorse estates in the country. There's only one problem: the future of the estate requires a strong breeding program with the services of a stallion named, Titan. A shame that the horse is owned by a man she swore to never see again. The Duke of Whitstone, Tate Wells, was heartbroken when Ava abandoned him on the night of their elopement, and he vowed to never lay eyes on Ava again. Despite Tate's unwillingness to forgive Ava, she comes to his aid during a deliberately lit fire at his estate. Someone is determined to destroy them. Now, the two are forced to work together to ensure the safety of their horses and their

homes. Will their previous feelings for each other rekindle their love, or will their feelings stall out at the starting gates?

Tempt Me, Your Grace

Book Three in the Divination Falls Trilogy by Sommer Marsden. Leaving behind a violent ex and coming to a new town isn't on Tate Moore's list of fun things to do. And his newfound psychic abilities are becoming more of a hindrance than a help. So he's having a wee bit of trouble controlling his temper. Hence a fight his first night in Divination Falls with a cocky, yet gorgeous, stranger. A tall, dark and handsome stranger, just to drag that cliché into the mix. Finding his niche in such a small, tight-knit town won't be easy, but keeping busy will definitely help. Which is how Tate finds himself slinging hash from a rebuilt trailer and trying to convince himself that hooking up with that hunky Cheat MacDougal would be a very bad idea. After all, a fox and a horse? It sounds like the beginning to a bad joke. And yet . . . Despite his annoying concerns, Tate's starting to think the one thing that can soothe the sting of having to run from his past is running toward his future. And though temporary, being with Cheat might be part of his future. In the midst of his emotional turmoil, fist fights and trying to get a food truck going in a town full of hungry shifters, his pesky new talents are warning him of a stranger in his new land. Tate's cryptic but accurate intuition tells him the worse thing possible, they could all be in danger . . .

Kiss Me, You Animal - Book Three in the Divination Falls trilogy

Kiss My Boots is the second sultry novel in the Coming Home series from New York Times and USA Today bestselling author Harper Sloan. Perfect for fans of Kelly Elliott, Diana Palmer, Jennifer Ryan and Maisey Yates. Quinn Davis is the stereotypical tomboy who prefers to live her life quietly. Of course, it doesn't help that her heart has been hardened when it comes to devilishly handsome cowboys with silver tongues. That is, until Tate Montgomery rides back into town. Growing up, Tate only felt truly at home during the long, sweltering summers at his grandparents' farm in Pine Oak, Texas. Now, Tate has returned to his childhood sanctuary - although if he's honest, he's not just back for the wranglers and Stetsons. Quinn was a friend-turned-young-love who Tate lost when life threw him a curveball. But all it takes is one glance at the raven-haired beauty he did his best to forget for him to realize just how much he's been missing... Want more rugged, charismatic cowboys? Don't miss the rest of this sizzling Texas-set series which began with Lost Rider.

A river divides Cottonbloom in two: the upscale enclave on the Mississippi side and the rundown, rough and tumble side in Louisiana. They're worlds apart—but nothing can build a bridge like love... Cade Fournette never had it easy Cottonbloom. He stuck around long enough to raise his orphaned siblings and then hightailed it out West—and never looked back. Even though he's made a success of himself in Seattle, Cade never lost the toughness and the angry edge that helped him survive down South. His only weak spot: the girl he left behind... Monroe Kirby came from the wealthy side of town, but that didn't protect her from her mother's drinking—or her mother's boyfriend. It was Cade who did that, on a long-ago hot September night, before he disappeared...along with a piece of her heart. Now Monroe is a physical therapist who can fight for herself, and it's Cade who could use some conditioning when he makes an unexpected return back home. Will he and Monroe pick up where they left off and finally explore their mutual passion—or will the scars and secrets of the past divide them once more? Enjoy this childhood crush, bad boy made good steamy small town romance for free! Kiss Me That Way is Book 1 of the Cottonbloom series.

Hellion at Heart Sifting through the sands in the Middle East while learning of ancient cultures and buried civilizations is all Miss Hallie Evans dreams about.

But when an impending scandal forces her back to England, her hopes and dreams are destroyed. Now, as a hired archaeologist for the rich, Hallie explores and studies the ancient ruins excavated on their properties. The Viscount of Duncannon, Arthur Howard, was beguiled after a chance encounter with Miss Hallie Evans several years ago. She left an impression on him that never faded. But when their paths cross again, Arthur is determined to win Hallie's heart this time around—at all costs. But as Hallie's buried secrets begin to surface, neither can stop society from unearthing the truth. Now, Arthur must choose between love and family duty. Can Hallie cease those who threaten her livelihood for a real chance at true love? Dare to be Scandalous After inheriting a small fortune, Willow Perry has everything she's ever wanted. Except a husband, that is. But not just any husband will do. She's looking for a grand love—someone who will challenge and excite her. It's just her folly that the one man who interests her is a notorious rake. He's as wild and passionate as Willow is sheltered and staid. Love between such polar opposites would be impossible ... wouldn't it? Abraham Blackwood has devoted his life to the pursuit of pleasure. He's perfectly happy to run his gaming den and ignore the expectations of society. But meeting the lovely Willow gives him another goal. Revenge. Making her pay for the sins her family committed against his will be easy. Ignoring how much he wants her—not only beneath him, but at his side, forever? That might prove to be infinitely more difficult. When Willow discovers Abraham's true intentions, can the fragile bonds they've begun to form survive? Or will the cards remain firmly stacked against their happily ever after?

Hailed by Katee Robert as “an author to keep your eye on,” Jessica Lemmon brings her heartfelt storytelling to a sizzling novel about a steamy kiss—and a relationship that only gets hotter from there. Cade: I tried. I really tried. I should be out of this small town by now, finishing my law degree and partnering up with my buddies, but I couldn't resist one last street race. Now I'm sidelined in the hospital, and while my injuries will heal, I'm not so sure my voice will return. What kind of attorney can't talk? Yeah, exactly. I'm afraid that I won't be able to come back from this . . . until Tasha Montgomery reawakens every competitive bone in my body. Tasha: I nearly watched Cade Wilson die on that lonely stretch of road. He's damn lucky just to be alive, even if he doesn't realize it. I know he's destined for bigger and better things, but I don't mind helping him get there as he relearns everything he took for granted. Cade's a good student, a real perfectionist; I can tell how much his stutter bothers him. But when he lets his kisses do the talking, everything else disappears. And one day, maybe he'll be able to tell me that he wants me—as much as I want him. Look for Jessica Lemmon's standalone romances with heartfelt HEAs: **FIGHTING FOR DEVLIN | FORGOTTEN PROMISES | SHUT UP AND KISS ME | EYE CANDY | ARM CANDY | MAN CANDY | RUMOR HAS IT** Praise for Shut Up and Kiss Me “Steamy romance and heartfelt emotion with a couple you can root for—Jessica Lemmon brings them all! Love The Way You Kiss Me

What if Romeo wore hockey skates, and Juliet was raised on a farm next door? As a life-long Vermonter, there are three beliefs I've always held true: 1. Our family farm is everything 2. Hockey is a close second 3. The Todds next door are our sworn enemies But this season will test everything I stand for. I have an illicit side job that could cost me my hockey scholarship. And now Maggie Todd knows my secret. She's waiting for the right moment to use it against me. But every time I face off against her, I learn things I shouldn't want to know. Like how deeply her competitive streak runs, and how sexy that is. And how easy it is to make her blush... everywhere. An Adler and a Todd cannot be lovers. Breaking that rule is like pulling a pin on a grenade--everything in my life could blow up. Can we surrender to these feelings... or will our families' feud make us its next casualty?

Can two IRL enemies find their happily ever after online? Stella Greene and Wesley Clarke are Gene Connolly Memorial High School's biggest rivals. While the two have been battling it out for top student, it's a race to the bottom when it comes to snide comments and pulling the dirtiest prank. For years, Stella and Wes have been the villain in each other's story, and now it's all-out war. And there is no bigger battle than the one for valedictorian, and more specifically, the coveted valedictorian scholarship. But Stella and Wes have more in common than they think. Both are huge fans of Warship Seven, a popular sci-fi TV drama with a dedicated online following, and the two start chatting under aliases--without a clue that their rival is just beyond the screen. They realize that they're both attending SciCon this year, so they plan to dress in their best cosplay and finally meet IRL. While tensions at school are rising and SciCon inches closer and closer, the enemy lines between Stella and Wes blur when a class project shows them they might understand one another better than anyone else--and not just in cosplay. From the author of *The Last Confession of Autumn Casterly* comes a heartfelt story about rivalry, friendships, and defying preconceived notions--even the ones about yourself.

Kiss Me Kate is the sixth book about the Philadelphia-based, wildly-handsome English brothers (and one lovely cousin!) who are all on the look-out for love. Kate English, cousin to the beguiling English Brothers, has relocated to Philadelphia and now works with her cousins at English & Company. The problem with moving to Philly? It was where Kate met her first love, Etienne Rousseau. Since the move, Kate can't seem shake the painful memories of a romance that broke her heart. Etienne Rousseau, neighbor and arch-enemy of the English family, is recently single and has every intention of enjoying his newly-minted bachelor-status. That is...until his brother inks a deal with English & Company, forcing Etienne to work with his one-time lover, Kate English. Though he wants to hate the girl who once destroyed his life, he can't deny the fierce attraction or hide the deep tenderness he still feels for Kate. With vibrant flashbacks of their passionate, teenage love affair making it impossible to ignore their unresolved history, Kate and Etienne will commit to unraveling the secrets of their heartbreaking past to make way for a breathtaking future.

Kiss Me Kate

See what's happening at Christmas in Coyote Ridge with never-before-seen characters who are proving that the holidays are even better when they're naughty. Reilly Jameson has had a crush on her older brother's best friend for as long as she can remember. This year, she's decided to put it all on the line and see if she can give Brady McCord a nudge in the right direction. She intends to show him that despite the age difference, they can be really good together. Donovan Jameson has shrugged off his attraction to his little sister's best friend for quite some time because Tate Riggs is not his type. But for some reason, he can't shake it anymore. When Tate calls him sweetie, Donovan wants nothing more than to dominate the younger man and show him just how sweet they can be together. This is a full-length holiday romance with HEAs for two separate couples. Since their lives are so intertwined, it seemed more fun to let it play out side by side.

A selection of the most touching and transformative expressions of romantic love drawn from Tate's collection. Divided among key themes - such as courtship, passion, symbolism, enduring love and even loss - each of the 50 works of art included has been individually selected for the particular way in which the artist has attempted to capture the ineffable, affirmative, devotional aspects of love. Works of art - including paintings, drawings, sculptures, illustrations and installations - are punctuated by brief captions adding background detail or additional information about the art, artists and their subjects. Sometimes chaste, sometimes frenzied, often passionate and occasionally heartbreaking, placed together these beautiful images create a fascinating and enlightening journey through the visual portrayal of love and sexuality in Western art. Proposed artists for inclusion: Felix Gonzalez-Torres, Wolfgang Tillmans, David Hockney, Sunil Gupta, Diane Arbus, Gwen John, Simeon Solomon, Auguste Rodin, William Blake, Bandele 'Tex' Ajetunmobi, Duncan Grant, Christopher Wool, Sir Lawrence Alma-Tadema, Sylvia Sleigh, Sophie Calle and many, many more

LOVE

My love is poison. His kiss is mine. "The first time he saw me I was shattered glass, and he was a shadow. If I had stayed, he would have just faded away."It's strange how easy it is to tell our stories to a stranger's eyes. The truth about Connor Stratford and I had always been a sad tale. Over ten years of chasing, tears, lies, vows, and leaving. Two people who never loved each other at the same time, but couldn't let each other go. Now here I was telling our story over drinks midday in an airport bar with my old diary clutched in my hand. Telling some version of our story, anyway. I left him once with no goodbye. Now I was returning home to give him what he needed to move on. "It's important. It's what you're thinking." I knew what his message meant, sent in the middle of the night after I woke from a fever dream. He was finally ready, and so was I. I just needed to finally give him the kiss he begged for. The one that meant goodbye.

Don't Kiss Me

All was right in Peyton Tanner's world until trouble walked into her bar, and his name was Tate Briggs. For the past ten years Peyton's managed to live her life scandal-free while running the Grog Monster. A feat considering her father's the mayor, in a very small town. Staying under the radar is a priority when her every action is reported like the hottest news. And Peyton knows how fast that grapevine can turn on her. So no matter how delicious and forbidden Tate can be, she's not willing to turn her world into gossip central again for lust. Tate Briggs learned a long time ago to want what you want and not apologize for it, and he wants Peyton. He can understand her trepidation. Small towns are only kind to their local sweethearts when she's agreeable and perfect, but at some point Peyton's got to live for herself. But his patience is tested when she insists their affair must remain a secret. It goes against everything he believes in. When their relationship becomes more than a sexual affair, Peyton will have to decide between her beloved small town or the man she loves.

Grog Monster

Meet Christopher Henderson. Kit to his friends and admirers. Hendo to the jocks who worship him. Butt-head (or Topher) to me and my best friend. AKA, the dillweed of a human being. Meet Alexander Henderson. Ander to the people who put up with his skinny ass. Hendo Jr to the jocks sucking up to Topher. Best Friend Extraordinaire to me. AKA, the love of my life. Meet Addison MacGuire. Addy to whoever asks because (honestly) what kind of name is Addison? Addy Mac to anyone who sees her doing stupid sh*t. And well...me to me. AKA, the girl you don't date because... Well, who knows. So, what happens when you take one tomboy, one best friend, and that best friend's stupidly hot, popular older brother with a bad attitude? That's right, you get a story worthy of a teen rom-com. Because, sometimes real life is a bitch. Sometimes the only guy to come between you and the love of your life is the one guy you weren't supposed to fall in love with. But, how do you tell the difference between love, lust and friendship? Please be aware that this story is set in Australia and therefore uses Australian English spelling and syntax.

Just One Kiss

I had given him everything. He turned around and left me with nothing... It was your smile. Your laugh. The color of your eyes. The way you looked at me when no one else was looking. The way you held me. The way you kissed me. It was everything about you I loved. The flattening of that smile. The silence of your laughter. The loss of your lips. The way you left. The way you destroyed it all. The way you destroyed me. Destroyed us. It was everything about you I hated. Everything about you. I wanted. Needed. Hoped for. And that day you not only broke my heart. You f*cking crushed it. Note: Everything About you is a standalone gay (M/M) second chance romance. Please refer to the content note at the beginning of the book before buying or reading. This info can also be found on my website here: <https://www.jeannestjames.com/everythingaboutyou>. As always, this book doesn't have a cliffhanger and an HEA is guaranteed.

Kiss Me Everyday

Lori Wick's bestselling English Garden series (more than 720,000 copies sold) is filled with engaging characters and stories. Now with fresh, new covers, each of the four books in the series will hold a favorite spot on the nightstand or bookshelf of any reader who loves a great romance. The Pursuit, book four in the series, is set in the spring of 1812, in Collingbourne, England. Edward Steele has enjoyed a great adventure in Africa with his brother, Henry. Now Henry has returned to England, and Edward is ready to follow. However, on his way home, he tells two strangers he will help them, and he stands by that promise. Little does he know that meeting these two men will delay his return, lead him to encounter a woman who captivates him, and change his life forever. Rerelease with new cover.

A Few Steps Beyond Normal: Krieg

When Tatum's boyfriend Weston loses his memories of her in The Program, they decide to undergo The Adjustment, where Tatum's memories of their time together are implanted into Weston's mind, but trouble lies ahead when Weston's emotions do not match the experiences.
