Sprichwörter und Redensarten deutsch-jüdischer Vorzeit

Abraham Moses Tendlau sammelte in diesem Werk Sprichwörter und Redensarten aus der deutsch-jüdischen Vorzeit. Dieses Werk gibt einen Einblick in die Sprache und Kultur der deutsch-jüdischen Gemeinschaften im Mittelalter. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the "public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Sprichwörter und Redensarten deutsch-jüdischer Vorzeit

Dieses Buch bietet eine Sammlung von Sprichwörtern und Redewendungen, die in der deutsch-jüdischen Kultur in der Zeit vor dem Holocaust verwendet wurden. Dabei geht der Autor auf die Bedeutung und den historischen Kontext dieser Sprichwörter ein und zeigt auf, wie sie unser Verständnis der deutsch-jüdischen Kultur beeinflusst haben. Eine wichtige Ressource für alle, die sich für die Geschichte und Kultur der deutsch-jüdischen Gemeinschaft interessieren. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the "public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. This 1996 volume contains George Eliot's notebooks 1872-77, with notes and translations, and guidance to links with Daniel Deronda.

Sprichwörter und Redensarten deutsch-jüdischer Vorzeit

A remarkable, in-depth study of Jewish history, culture, and memory in a historic and contemporary German city

Sprichwörter Und Redensarten Deutsch-Jüdischer Vorzeit

This history of post-Emancipation German Jewry and of the Holocaust aftermath has received considerable scholarly attention. The study of Jewish life in Germany in the 1930s and the migration impelled by the Nazi period has, on the other hand, been comparatively neglected. The work of Werner J. Cahnman (1902-1980) goes a long way toward filling this gap. Cahnman's examination of "the Jewish people that dwells among the nations" is focused on Germany because it was the country "where in modern times the symbiosis . . . has been most intimate and it also has been the country where the conflict degenerated into the monstrosity of the Holocaust." This representative anthology of his essays shares a common theme, although the examples differ in thought, method and style. Whether he explores the stratification of pre-Emancipation German Jewry, the rise of the Jewish national movement in Austria, or such an esoteric topic as the influence of the kabbalistic tradition on German idealist philosophy; whether he muses on the writing of Jewish history or reports on his firsthand experience in Dachau, Cahnman's work reflects central concerns of his personal and scholarly existence as a German Jew. Because he usually combined extensive empirical data with his own background and personal experience, he is able to craft a penetrating analysis of the recent history of Jewish life in Central Europe. Werner Cahnman believed that the "writing of history is vital for the continued cultural identity of the human kind."

Sprichwörter und Redensarten deutsch-jüdischer Vorzeit

Explores a core medieval myth, the tale of an Arthurian knight called Wigalois, and the ways it connects the Yiddish-speaking Jews and the German-speaking non-Jews of the Holy Roman Empire.

Sprichwörter und Redensarten deutsch-jüdischer Vorzeit ... Aufgezeichnet aus dem Munde des Volkes und ... erläutert

Hebrew manuscripts are considered to be invaluable documents and artefacts of Jewish culture and history. Research on Hebrew manuscript culture is progressing rapidly and therefore its topics, methods and questions need to be enunciated and reflected upon. The case studies assembled in this volume explore various fields of research on Hebrew manuscripts. They show paradigmatically the current developments concerning codicology and palaeography, book forms like the scroll and codex, scribes and their writing material, patrons, collectors and censors, manuscript and book collections, illuminations and fragments, and, last but not least, new methods of material analysis applied to manuscripts. The principal focus of this volume is the material and intellectual history of Hebrew book cultures from antiquity to the Middle Ages and Early Modern Period, its intention being to heighten and sharpen the reader's understanding of Jewish social and cultural history in general.

Sprichwörter Und Redensarten Deutsch-Jüdischer Vorzeit

The present volume is devoted to the study of the life and work of Moritz (Moshe) Steinschneider (1816-1907). It shows that far from being a "mere bibliographer," Steinschneider pursued a precise scientific agenda. This is a noteworthy contribution to our understanding of the project of the Wissenschaft des Judentums.

Sprichwörter und Redensarten deutsch-jüdischer Vorzeit

New essays from the Duke German Jewish Studies Workshop, the first and only ongoing forum for German Jewish Studies in North America.

Sprichwörter und Redensarten deutsch-jüdischer Vorzeit

Folktales from Eastern Europe presents 71 tales from Ashkenasic culture in the most important collection of Jewish folktales ever published. It is the second volume in Folktales of the Jews, the five-volume series to be released over the next several years, in the tradition of Louis Ginzberg's classic, Legends of the Jews. The tales here and the others in this series have been selected from the Israel Folktale Archives at The University of Haifa, Israel (IFA), a treasure house of Jewish lore that has remained largely unavailable to the entire world until now. Since the creation of the State of Israel, the IFA has collected more than 20,000 tales from newly arrived immigrants, long-lost stories shared by their families from around the world. The tales come from the major ethno-linguistic communities of the Jewish world and are representative of a wide variety of subjects and motifs, especially rich in Jewish content and context. Each of the tales is accompanied by in-depth commentary that explains the tale's cultural, historical, and literary background and its similarity to other tales in the IFA collection, and extensive scholarly notes. There is also an introduction that describes the Ashkenasic culture and its folk narrative tradition, a world map of the areas covered, illustrations, biographies of the collectors and narrators, tale type and motif indexes, a subject index, and a comprehensive bibliography. Until the establishment of the IFA, we had had only limited access to the wide range of Jewish folk narratives. Even in Israel, the gathering place of the most wide-ranging cross-section of world Jewry, these folktales have remained largely unknown. Many of the communities no longer exist as cohesive societies in their representative lands; the Holocaust, migration, and changes in living styles have made the continuation of these tales impossible. This volume and the others to come will be monuments to a rich but vanishing oral tradition

Sprichwörter und Redensarten deutsch-jüdischer Vorzeit

This work analyzes the history of the Frankfurt Neo-Orthodoxy in the 19th century and explains its impact on Jewish religious parties in the 20th century. Focussing on Isaac Breuer and his philosophy, it describes the dilemmas of observant Jewry vis-a-vis the secularist Zionist movement.

Sprichwörter Und Redensarten Deutsch-Jüdischer Vorzeit

A collection of 20 studies of proverbs first published in 1981 by Garland. Among the general topics are structure, oral transmission, and practical reasoning. Proverbs examined in detail include African, Yiddish, Shakespeare's, Chinese, Irish, and those used in advertising. Includes an addenda to the bibliography. No index. Paper edition (unseen), \$19.95. Annotation copyright by Book News, Inc., Portland, OR

Sprichwörter und Redensarten

This concise edition of the definitive 3-volume Dictionary of European Proverbs constitutes a fascinating collection of proverbs in 29 languages. The entries are arranged alphabetically according to the English equivalent, allowing the reader to identify common trends easily and quickly. * All proverbs listed in original language * 29 European languages featured * Includes all proverbs in current use * Thoroughly checked by language specialists to ensure accuracy. The Concise Dictionary of European Proverbs is based on over 40 years in-depth research by the compiler. It is an essential reference source for linguists, ethnologists and folklorists, and of interest to anyone wanting to know about the origins, development and current usage of the proverb. Emanuel Strauss is a world-renowned expert on proverbs.

Sprichwörter und Redensarten deutsch-jüdischer Vorzeit

As the world of Jewish studies continues to expand, Studia Rosenthaliana enters a new phase with this 36th volume, the first in a series of yearbooks. In this edition, an international panel of authors takes an innovative look at the theme of Jewish multilingualism from various, multidisciplinary perspectives. Several research projects on various aspects of Dutch Jewish history and culture are currently under way at academic institutions in Amsterdam and elsewhere, while Dutch academics are regularly involved in extensive international research projects. The research that resulted in the articles presented in this volume of Studia Rosenthaliana was carried out by the Menasseh ben Israel Institute and the University of Amsterdam in collaboration with the Solomon Ludwig Steinheim Institute in Duisburg and forms part of a larger programme on Yiddish in the Netherlands currently being conducted together with the Abteilung für Jiddische Sprache, Kultur und Literatur at Heinrich Heine Universität, Düsseldorf.

Sprichwörter und Redensarten deutschjüdischer Vorzeit, aufgezeichnet aus dem Munde des Volkes und nach Wort und Sinn erläutert von Abraham Tendlau

Mit Band 5 präsentiert die Reihe Jiddistik: Edition & Forschung erstmals in einer kommentierten wissenschaftlichen Edition vier altjiddische Versepen aus dem sechzehnten Jahrhundert, die nur in historischen Einzelexemplaren erhalten sind. Diese Werke sind typisch für das einst populäre Genre der altjiddischen Bibelepik. Die Erzählungen greifen auf Stoffe der jüdischen Quellen zum Buch Josua und dem Buch der Richter zurück; sie adaptieren Stil- und Formelemente der mittelalterlichen deutschsprachigen Heldenliteratur und erweitern den biblischen Stoff um Passagen, welche die kulturellen Umstände ihrer Entstehung, vermutlich im deutschen und italienischen Sprachraum, widerspiegeln. Da diese Werke zu den frühesten Beispielen biblischer Versepen in jiddischer Sprache gehören, berührt deren Analyse auch die Ursprünge dieser Gattung und zeichnet ihren Weg von der Mündlichkeit zur Schriftlichkeit nach. Die kommentierte Edition präsentiert das Original im Älteren Jiddisch zusammen mit einer englischsprachigen Einführung.
