Lyndon Johnson's War: America's Cold War Crusade in Vietnam 1945-1968 critically examines the pivotal role of President Johnson and the United States' deep involvement in the Vietnam War. This book offers an in-depth analysis of America's foreign policy and strategic decisions during the Cold War era, from the immediate aftermath of World War II in 1945 through the tumultuous year of 1968, highlighting the profound impact of this conflict as a critical issue in global history.

The Art of War in an Age of Peace

An informed modern plan for post-2020 American foreign policy that avoids the opposing dangers of retrenchment and overextension Russia and China are both believed to have "grand strategies"--detailed sets of national security goals backed by means, and plans, to pursue them. In the United States, policy makers have tried to articulate similar concepts but have failed to reach a widespread consensus since the Cold War ended. While the United States has been the world's prominent superpower for over a generation, much American thinking has oscillated between the extremes of isolationist agendas versus interventionist and overly assertive ones. Drawing on historical precedents and weighing issues such as Russia's resurgence, China's great rise, North Korea's nuclear machinations, and Middle East turmoil, Michael O'Hanlon presents a well-researched, ethically sound, and politically viable vision for American national security policy. He also proposes complementing the Pentagon's set of "4+1" pre-existing threats with a new "4+1" biological, nuclear, digital, climatic, and internal dangers.

Katori Shinto-ryu

The inspirational teachings in this collection show that the real way of the warrior is based on compassion, wisdom, fearlessness, and love of nature. The teachings are drawn from the talks and writings of Morihei Ueshiba, founder of the popular Japanese martial art of Aikido, a mind-body discipline he called the "Art of Peace," which offers a nonviolent way to victory in the face of conflict. Ueshiba believed that Aikido principles could be applied to all the challenges we face in life—in personal and business relationships, and in our interactions with society. This is an expanded version of the original miniature edition that appeared in the Shambhala Pocket Classics series. It features a new introduction by John Stevens, recently translated doka, didactic "poems of the Way," and Ueshiba's own calligraphy.

The Art of Peace

How can a just peace be built in sites of genocide, massive civil war, dictatorship, terrorism, and poverty? In *Strategies of Peace*, the first volume in the *Studies in Strategic Peacebuilding* series, fifteen leading scholars propose an imaginative and provocative approach to peacebuilding. Today the dominant thinking is the "liberal peace," which stresses cease fires, elections, and short run peace operations carried out by international institutions, western states, and local political elites. But the liberal peace is not enough, the authors argue. A just and sustainable peace requires a far more holistic vision that links together activities, actors, and institutions at all levels. By exploring innovative models for building lasting peace—a United Nations counter-terrorism policy that also promotes good governance; coordination of the international prosecution of war criminals with local efforts to settle

civil wars; increasing the involvement of religious leaders, who have a unique ability to elicit peace settlements; and many others--the authors advance a bold new vision for peacebuilding.

Strategies of Peace

This new translation of the strategy classic *The Art of War* restores the authentic meaning of the original work by showing how finding balance rather than doing battle is the true means to overcoming adversity. *The Art of Peace* is drawn from the ancient Taoist work *The Art of War* by Sun-tzu—it is, in effect, the Tao of Peace. This version brings an entirely fresh yet textually sound interpretation to the many translations of *The Art of War* by emphasizing the true slant of the original text: balance over conflict. By newly translating Sun-tzu's strategy classic, Philip Dunn provides the peaceful warrior with methods of getting in touch with the inner and outer nature of silence and vigilance that has been forgotten over millennia of war.

The Art of Peace

"If you want peace, prepare for war." "A buildup of offensive weapons can be purely defensive." "The worst road may be the best route to battle." Strategy is made of such seemingly self-contradictory propositions, Edward Luttwak shows—they exemplify the paradoxical logic that pervades the entire realm of conflict. In this widely acclaimed work, now revised and expanded, Luttwak unveils the peculiar logic of strategy level by level, from grand strategy down to combat tactics. Having participated in its planning, Luttwak examines the role of air power in the 1991 Gulf War, then detects the emergence of "post-heroic" war in Kosovo in 1999—an American war in which not a single American soldier was killed. In the tradition of Carl von Clausewitz, *Strategy* goes beyond paradox to expose the dynamics of reversal at work in the crucible of conflict. As victory is turned into defeat by over-extension, as war brings peace by exhaustion, ordinary linear logic is overthrown. Citing examples from ancient Rome to our own days, from Barbarossa and Pearl Harbor down to minor combat affrays, from the strategy of peace to the latest operational methods of war, this book by one of the world's foremost authorities reveals the ultimate logic of military failure and success, of war and peace.

Strategy

Art of Peace is offering a profoundly different way to achieve peace compared to everything we have seen in the past. The author, Axel Schultze, is highly experienced in innovative thinking and solving extremely complex problems. Today he consults some of the largest enterprises to get to breakthrough innovation or multi-billion dollar business transformations. The approach of getting to a strategy for peace, a purpose for making peace, and a path for maintaining peace, is provoking, compelling and very surprising. *Art of Peace* is similarly rational and straight to its counterpart, *Art of War*. A neuroscientific method for problem-solving and an AI system for assessing all the facts have been key to finding a stunning solution. Many aspects have been argued before, but *Art of Peace* puts it all together like a gigantic puzzle.

Art Of Peace

Sun Tzu, author of 'The Art of War', believed that the acme of leadership consists in figuring out how to subdue the enemy with the least amount of fighting a fact that America's Founders also understood, and practiced with astonishing success. For it to work, however, a people must possess both the ability and the willingness to use all available instruments of power in peace as much as in war. US foreign policy has increasingly neglected the instruments of civilian power and become overly dependent on lethal solutions to conflict. The steep rise in unconventional conflict has increased the need for diplomatic and other non-hard power tools of statecraft. The United States can no longer afford to sit on the proverbial three-legged national security stool ("military, diplomacy, development"), where one leg is a lot longer than either of the other two, almost forgetting altogether the fourth leg information, especially strategic communication and public diplomacy. The United States isn't so much becoming militarized as DE civilianized. According to Sun Tzu, self-knowledge is as important as knowledge of one's enemy: "if you know neither yourself nor the enemy, you will succumb in every battle." Alarmingly, the United States is deficient on both counts. And though we can stand to lose a few battles, the stakes of losing the war itself in this age of nuclear proliferation are too high to contemplate.

The Art of Peace

Sun Tzu, author of 'The Art of War', believed that the acme of leadership consists in figuring out how to subdue the enemy with the least amount of fighting—a fact that America's Founders also understood, and practiced with astonishing success. For it to work, however, a people must possess both the ability and the willingness to use all available instruments of power in peace as much as in war. US foreign policy has increasingly neglected the instruments of civilian power and become overly dependent on lethal solutions to conflict. The steep rise in unconventional conflict has increased the need for diplomatic and other non-hard power tools of statecraft. The United States can no longer afford to sit on the proverbial three-legged national security stool ("military, diplomacy, development"), where one leg is a lot longer than either of the other two, almost forgetting altogether the fourth leg—information, especially strategic communication and public diplomacy. The United States isn't so much becoming militarized as de-civilianized. According to Sun Tzu, self-knowledge is as important as knowledge of one's enemy: "if you know neither yourself nor the enemy, you will succumb in every battle." Alarming, the United States is deficient on both counts. And though we can stand to lose a few battles, the stakes of losing the war itself in this age of nuclear proliferation are too high to contemplate.

The Art of Peace

As a career soldier, I have studied the art of war, yet, most of what I learned from the great warriors of history did not prepare me for the reality that I had faced in Afghanistan and Iraq. My deployed experiences taught me that I had trained for victory in combat, but they did not prepare me for the challenges of maneuvering through the quagmire of building peace. I now realize that building peace is the required means to accomplish the strategic end. My experience has taught me that disabling enemy networks is only a fraction of the problem, and that more time, energy and effort should be placed on enabling friendly networks. A singular security focus will often enable enemy networks through disenfranchising the populace. To accomplish the strategic aim of building a stable Government of the Islamic Republic of Afghanistan (GIROA) the United States should apply the appropriate strategic means. Learning the right lessons from history illustrate the importance of peacebuilding and the need for the US Military to study beyond the art of war and to learn the art of peace.

The Art of Peace

In a world full of challenges and conflicts, the quest for peace emerges as an essential and urgent ideal for the survival and prosperity of humanity. While history is marked by wars and violent disputes, the time has come to question and reflect on the true meaning of peace and how we can achieve it in a lasting way. The concept of peace transcends the mere absence of war and violence. Peace covers the creation of an environment conducive to human flourishing, the guarantee of rights and dignity, respect for diversity, social justice and harmony between individuals and nations. Peace is not only a passive state, but an active condition, built with continuous and strategic efforts. In this ebook, we will explore various perspectives on the quest for peace, questioning the paradigm of war as a solution to conflicts and presenting alternatives for building a more peaceful world. Through historical examples, contemporary analyses and insights from visionary thinkers, we will examine how ideas and practices that sustain war can be questioned, challenged and replaced by a culture of peace. We believe that peace is not only a distant utopia, but an achievable goal through collective commitment, dialogue, mutual understanding and cooperation. In this journey, we will unveil the inner and outer dimensions of peace, recognizing its importance in our personal, community and global lives. Throughout the next chapters, we will explore various areas in which the quest for peace can be applied, from diplomacy between nations to the promotion of inner peace in each individual. Together, we will seek to expand our understanding of the complex nature of peace and learn how we can contribute significantly to building a more just, secure and peaceful world for all. We invite you to engage in this journey of reflection and discovery, in which the art of peace is revealed not only as an ideal to be pursued, but as a path that leads us towards a more promising future for all humanity. The quest for peace is in itself an act of courage and wisdom, and it is through it that we will find the strength to transform conflicts into opportunities for growth and harmony, building a world where the true art of peace prevails over the art of war.

THE ART OF PEACE

Examines how the US, the Soviet Union and various European powers have developed their grand Strategies - how they have integrated their political, economic and military goals in order to preserve their long-term interests in times of war and peace.

Grand Strategies in War and Peace

In the fifth century BC, Sun Tzu wrote: 'In peace prepare for war, in war prepare for peace. The art of war is of vital importance to the state. It is a matter of life and death. A road either to safety or ruin. Hence it is a subject of inquiry which can on no account be neglected...' In the twentieth century: 'I truly believe that if our military and political leaders in recent times had studied this work of genius, Vietnam could not have happened as it happened; we would not have lost the war in Korea (we lost it because we did not achieve victory); the But of Pigs could not have occurred; the hostage fiasco in Iran would not have come to pass; the British Empire would not have been dismembered; and, in all probability, World Wars I and II would have been avoided...'

The Art of War

This book explains the principles of judo and aikido in order to show their fundamental relationship to the basis of happiness, justice, freedom, and world peace as presented in macrobiotic theory. Previously published as The Art of Peace.

The Art of Peace

The Art of Creating Power explores the intellectual thought and wider impact - on military affairs, politics and the universities - of Professor Sir Lawrence Freedman, one of the world's leading authorities on strategy, conflict and international politics. In this volume, senior scholars of international relations and military history trace the long trajectory of Freedman's career and scholarly contribution.

The Art of Creating Power

The third in Robert Greene's bestselling series is now available in a pocket sized concise edition. Following 48 Laws of Power and The Art of Seduction, here is a brilliant distillation of the strategies of war to help you wage triumphant battles everyday. Spanning world civilisations, and synthesising dozens of political, philosophical, and religious texts, The Concise 33 Strategies of War is a guide to the subtle social game of everyday life. Based on profound and timeless lessons, it is abundantly illustrated with examples of the genius and folly of everyone from Napoleon to Margaret Thatcher and Hannibal to Ulysses S. Grant, as well as diplomats, captains of industry and Samurai swordsmen.

The 33 Strategies Of War

Over two thousand years ago, Sun Tzu wrote The Art of War. In today's struggle to stop war, terrorism, and other global problems, West Point graduate Paul K. Chappell offers new and practical solutions in his pioneering book, The Art of Waging Peace. By sharing his own personal struggles with childhood trauma, racism, and berserker rage, Chappell explores the anatomy of war and peace, giving strategies, tactics, and leadership principles to resolve inner and outer conflict. Chappell explains from a military perspective how Gandhi and Martin Luther King Jr. were strategic geniuses, more brilliant and innovative than any general in military history, courageous warriors who advanced a more effective method than waging war for providing national and global security. This pragmatic and richly instructive book shows how we can become active citizens with the skills and strength to defeat injustice and end all war.

The Art of Waging Peace

One of the world's leading authorities on war and international politics synthesizes the vast history of strategy's evolution in this consistently engaging and surprising account of how it came to pervade every aspect of life.

Strategy

Tells how to analyze a situation, plan actions, obtain an advantage, make use of information, and gain a favorable position

The Art of Strategy

This book introduces ten key terms for analysing grand strategy and shows how the world's great powers – the United States, China, Russia and the European Union (EU) – shape their strategic decisions today and shows how the choices made will determine the course of world politics in the first half of the 21st century.

Grand Strategy in 10 Words

On War is a treatise about a military art which Prussian officer Carl Philipp Gottlieb von Clausewitz had been working on for 15 years. It is commonly believed that Clausewitz's treatise had a greater impact on military leaders of the late XIX and XX centuries than any other book. In reality, this book is an overturn in the war theory. The work is notable for its brightness, narration details as well as hard criticism of many war events. The author dedicates a special place in his work to politics, its influence on the war events, the dependence how the war finishes on powers and weaknesses of particular politicians and military leaders. There is a good reason why his famous phrase "the war is the continuation of the politics, but with other, strong arm methods" is still relevant.

On War

This engrossing anthology gathers together a remarkable collection of writings on the use of strategy in war. Gérard Chaliand has ranged over the whole of human history in assembling this collection—the result is an integration of the annals of military thought that provides a learned framework for understanding global political history. Included are writings from ancient and modern Europe, China, Byzantium, the Arab world, Persia, and the Ottoman Empire. Alongside well-known militarists such as Julius Caesar, Napoleon, Walter Raleigh, Rommel, and many others are "irregulars" such as Cortés, Lawrence of Arabia, and even Gandhi. Contrary to standard interpretations stressing competition between land and sea powers, or among rival Christian societies, Chaliand shows the great importance of the struggles between nomadic and sedentary peoples, and of the conflicts between Christianity and Islam. With the invention of firepower, a relatively recent occurrence in the history of warfare, modes of organization and strategic concepts—elements reflecting the nature of a society—have been key to how war is waged. Unparalleled in its breadth, this anthology will become the standard work for understanding a fundamental part of human history—the conduct of war. "This anthology is not only an unparalleled corpus of information and an aid to failing memory; it is also and above all a reliable and liberating guide for research. . . . Ranging "from the origins to the nuclear age," it compels us to widen our narrow perspectives on conflicts and strategic action and open ourselves up to the universal."—from the Foreword

The Art of War in World History

Published in the United Kingdom in 2014 by C. Hurst & Co.

Deciphering Sun Tzu

The United States faces an increasingly turbulent world. The risk of violent conflict and other threats to international order presents a vexing dilemma: should the United States remain the principal guarantor of global peace and security with all its considerable commitments and potential pitfalls—not least new and costly military entanglements—that over time diminish its capacity and commitment to play this vital role or, alternatively, should it pull back from the world in the interests of conserving U.S. power, but at the possible cost of even greater threats emerging in the future? Paul B. Stares proposes an innovative and timely strategy—"preventive engagement"—to resolve America's predicament. This approach entails pursuing three complementary courses of action: promoting policies known to lessen the risk of violent conflict over the long term; anticipating and averting those crises likely to lead to costly military commitments in the medium term; and managing ongoing conflicts in the short term before they escalate further and exert pressure on the United States to intervene. In each of these efforts, forging "preventive partnerships" with a variety of international actors, including the United Nations, regional organizations, nongovernmental organizations, and the business community, is essential. The need to think and act ahead that lies at the heart of a preventive engagement strategy requires the United States to become less shortsighted and reactive. Drawing on successful strategies in other areas, Preventive Engagement provides a detailed and comprehensive blueprint for the United States to shape the future and reduce the potential dangers ahead.

Preventive Engagement

The classic from ancient Chinese wisdom, on war, peace and the modern lessons for statecraft and strategy. The equal of Machiavelli's superb tract. CALLENDER PEACE AND WAR STUDIES

The Art of War

Composed by two prominent statesmen-generals of classical China, this book develops the strategies of Sun Tzu's classic, *The Art of War*, into a complete handbook of organization and leadership. The great leaders of ancient China who were trained in Sun Tzu's principles understood how war is waged successfully, both materially and mentally, and how victory and defeat follow clear social, psychological, and environmental laws. Drawing on episodes from the panorama of Chinese history, *Mastering the Art of War* presents practical summaries of these essential laws along with tales of conflict and strategy that show in concrete terms the proper use of Sun Tzu's principles. The book also examines the social and psychological aspects of organization and crisis management. The translator's introduction surveys the Chinese philosophies of war and conflict and explores in depth the parallels between *The Art of War* and the oldest handbook of strategic living, the *I Ching* (Book of Changes).

Mastering the Art of War

"War and peace begin in the hearts of individuals," declares Pema Chodron in her inspiring and accessible new book, which draws on Buddhist teachings to explore the origins of aggression and war.

Practicing Peace in Times of War

The original and bestselling leadership book! Sun Tzu's ideas on survival and success have been read across the world for centuries. Today they can still be applied to business, politics and life. *The Art of War* demonstrates how to win without conflict. It shows that with enough intelligence and planning, it is possible to conquer with a minimum of force and little destruction. This luxury hardback edition includes an introduction by Tom Butler-Bowdon that draws out lessons for managers and business leaders, and highlights the power of Sun Tzu's thinking in everyday life.

The Art of War

The Russian invasion of Crimea in 2014, subsequent war in Eastern Ukraine and economic sanctions imposed by the West, transformed European politics. These events marked a dramatic shift away from the optimism of the post-Cold War era. The conflict did not escalate to the levels originally feared but nor was either side able to bring it to a definitive conclusion. Ukraine suffered a loss of territory but was not forced into changing its policies away from the Westward course adopted as a result of the EuroMaidan uprising of February 2014. President Putin was left supporting a separatist enclave as Russia's economy suffered significant damage. In *Ukraine and the Art of Strategy*, Lawrence Freedman-author of the landmark *Strategy: A History*-provides an account of the origins and course of the Russia-Ukraine conflict through the lens of strategy. Freedman describes the development of President Putin's anxieties that former Soviet countries were being drawn towards the European Union, the effective pressure he put on President Yanukovich of Ukraine during 2013 to turn away from the EU and the resulting 'EuroMaidan Revolution' which led to Yanukovich fleeing. He explores the reluctance of Putin to use Russian forces to do more that consolidate the insurgency in Eastern Ukraine, the failure of the Minsk peace process and the limits of the international response. Putin's strategic-making is kept in view at all times, including his use of 'information warfare' and attempts to influence the American election. In contrast to those who see the Russian leader as a master operator who catches out the West with bold moves Freedman sees him as impulsive and so forced to improvise when his gambles fail. Freedman's application of his strategic perspective to this supremely important conflict challenges our understanding of some of its key features and the idea that Vladimir Putin is unmatched as a strategic mastermind.

Ukraine and the Art of Strategy

Stress Management

The Art of Peace and Relaxation Workbook

This workbook contains over 130 exercises in the form of surveys, questionnaires, inventories, and journal entries, to help students make some or all of these stress-reducing skills part of their daily routine, and achieve balance. Available in print and electronically as an Express PDF.

The Art of Peace and Relaxation Workbook

UPDATED WITH TWO NEW CHAPTERS 'One of the most provocative and startling books ever written by a British commander ... an update of the two great thinkers on war and peace, Clausewitz and

Sun Tsu, for our time ... it is for anyone interested in the well-being of our world' Robert Fox, Evening Standard Why do we try to use military force to solve our political problems? And why, when our forces win the military battles does this still fail to solve those problems? It is because the force lacks utility. From Iraq to the Balkans, and from Afghanistan to Chechnya, over the past fifteen years there has been a steady stream of military interventions that have not delivered on their promise for peace, or even political resolution. The Utility of Force explains this anomaly at the heart of our current international system. 'Britain's outstanding soldier of modern times ... a book that will assure his reputation as a serious and original thinker among soldiers and strategists' Sir John Keegan, Daily Telegraph 'It is hard to overstate the devastating nature of this book as an indictment of almost everything the West has done in recent years, and is doing today' Sir Max Hastings, Sunday Telegraph

The Utility of Force

Many of war's lethal failures are attributable to ignorance caused by a dearth of contemporary, accessible theory to inform warfighting, strategy, and policy. To remedy this problem, Colonel Geoffrey F. Weiss offers an ambitious new survey of war's nature, character, and future in the tradition of Sun Tzu and Clausewitz. He begins by melding philosophical and military concepts to reveal war's origins and to analyze war theory's foundational ideas. Then, leveraging science, philosophy, and the wisdom of war's master theorists, Colonel Weiss presents a genuinely original framework and lexicon that characterizes and clarifies the relationships between humanity, politics, strategy, and combat; explains how and why war changes form; offers a methodology for forecasting future war; and ponders the permanence of war as a human activity. The New Art of War is an indispensable guide for understanding human conflict that will change how we think and communicate about war.

The New Art of War

A clearly articulated, well-defined, and relatively stable grand strategy is supposed to allow the ship of state to steer a steady course through the roiling seas of global politics. However, the obstacles to formulating and implementing grand strategy are, by all accounts, imposing. The Oxford Handbook of Grand Strategy addresses the conceptual and historical foundations, production, evolution, and future of grand strategy from a wide range of standpoints. The seven constituent sections present and critically examine the history of grand strategy, including beyond the West; six distinct theoretical approaches to the subject; the sources of grand strategy, ranging from geography and technology to domestic politics to individual psychology and culture; the instruments of grand strategy's implementation, from military to economic to covert action; political actors', including non-state actors', grand strategic choices; the debatable merits of grand strategy, relative to alternatives; and the future of grand strategy, in light of challenges ranging from political polarization to technological change to aging populations. The result is a field-defining, interdisciplinary, and comparative text that will be a key resource for years to come.

The Oxford Handbook of Grand Strategy

Nations and international organizations are increasingly using sanctions as a means to achieve their foreign policy aims. However, sanctions are ineffective if they are executed without a clear strategy responsive to the nature and changing behavior of the target. In The Art of Sanctions, Richard Nephew offers a much-needed practical framework for planning and applying sanctions that focuses not just on the initial sanctions strategy but also, crucially, on how to calibrate along the way and how to decide when sanctions have achieved maximum effectiveness. Nephew—a leader in the design and implementation of sanctions on Iran—develops guidelines for interpreting targets' responses to sanctions based on two critical factors: pain and resolve. The efficacy of sanctions lies in the application of pain against a target, but targets may have significant resolve to resist, tolerate, or overcome this pain. Understanding the interplay of pain and resolve is central to using sanctions both successfully and humanely. With attention to these two key variables, and to how they change over the course of a sanctions regime, policy makers can pinpoint when diplomatic intervention is likely to succeed or when escalation is necessary. Focusing on lessons learned from sanctions on both Iran and Iraq, Nephew provides policymakers with practical guidance on how to measure and respond to pain and resolve in the service of strong and successful sanctions regimes.

The Art of Sanctions

As the rest of the world worries about what a future might look like under Chinese supremacy, Luttwak worries about China's own future prospects. Applying the logic of strategy for which he is well known,

he argues that the world's second largest economy may be headed for a fall unless China's leaders check their military ambitions.

The Rise of China vs. the Logic of Strategy

The Business-IT Wall Must Come Down With A Seat at the Table, thought leader Mark Schwartz pulled out a chair for CIOs at the C-suite table. Now Mark brings his unique perspective and experience to business leaders looking to lead their company into the digital age by harnessing the expertise and innovation that is already under their roof: IT. In the war for business supremacy, Schwartz shows we must throw out the old management models and stereotypes that pit suits against nerds. Instead, business leaders of today can foster a space of collaboration and shared mission, a space that puts technologists and business people on the same team. For business leaders looking to unlock their enterprise's digital transformation, War and Peace and IT provides clear context and strategies. Schwartz demystifies the role IT plays in the modern enterprise, allowing business leaders to create new strategies for the new digital battleground. It is time to change not only the enterprise's relationship with technology, but its relationship with technologists. To accelerate, enterprises must bring technology to the heart of their work, for just as technology is causing this disruption, it is technology that provides the solution. Unlike Napoleon, it is time for business leaders to come down from the hill atop the Battle of Borodino and enter the fray with the technologists, for that is where the war will be won or lost.

War and Peace and IT

Along with Sun Tzu's The Art of War, The Book of Five Rings is considered to be one of the most insightful texts on the subtle arts of confrontation and victory to emerge from Asia. It analyzes the process of struggle and mastery over conflict that underlies every level of human interaction. For Musashi, the way of the martial arts was a mastery of the mind rather than simply technical prowess-and it is this path to mastery that is the core teaching in The Book of Five Rings. This brilliant manifesto is written not only for martial artists but for anyone who wants to apply the timeless principles of this text to their life.

Strategic Theory for the 21st Century: The Little Book on Big Strategy

Scott Ritter, former Marine and UN weapons inspector, argues that there is a growing despondency amongst the anti-war movement. Ritter proposes the anti-war movement seek guidance from sources they normally spurn — that one must study the "enemy" in order to learn the art of campaigning and of waging battles when necessary. They need to understand the pro-war movement's decision-making cycle, then undertake a comprehensive course of action.

The Book of Five Rings

Waging Peace

The War on Lebanon

Israel's 34-day bombardment of Lebanon in the summer of 2006 demands international attention not only for its tragic results-the death of over 1,000 Lebanese civilians and the devastation of Lebanon's infrastructure and environment-but for its implications for all of the Middle East. What explains Hizballah's capture of two Israeli soldiers and the scale of Israel's retaliation? Why did the US reject an early cease-fire, instead encouraging Israel as Lebanese casualties mounted? Why did President Bush and Secretary of State Rice claim the Lebanese and the Arab world would welcome the "birth pangs" of a "new Middle East" designed by the US and Israel? And where will it all lead? Will Lebanon become a modern, non-sectarian state or will the confessional order be further entrenched?

War in Lebanon

This is the first comprehensive account of the progression of the Second Lebanese War, from the border abduction of an Israeli soldier on the morning of July 12, 2006, through the hasty decision for an aggressive response; the fateful discussions in the Cabinet and the senior Israeli command; to the heavy fighting in south Lebanon and the raging diplomatic battles in Paris, Washington and New York. The book answers the following questions: has Israel learned the right lessons from this failed military confrontation? What can Western countries learn from the IDF's failure against a fundamentalist

Islamic terror organization? And what role did Iran and Syria play in this affair? 34 Days delivers the first blow-by-blow account of the Lebanon war and new insights for the future of the region and its effects on the West.

34 Days

This bilingual anthology, edited by Christophe Ippolito, contains Samuel Hazo's complete translation of Lebanon: Twenty Poems for One Love and Paul B. Kelley's selections from the never-before-translated Sentimental Archives of a War in Lebanon. The Francophone poet Nadia Tueni has devoted readers in Lebanon and elsewhere in the Middle East and has quickly achieved poetic distinction in France. The fluency of her poetic language and motifs—reflecting Tueni's love of her people and country—is illuminated in Ippolito's introduction: "She chose to create a new poetic language that captured the fragile essence of her troubled country and exposed the many crises of identities present in the war. By identifying with her country, she placed herself beyond all parties and created a sacred river that irrigates her poems." Drawn from two collections that were published during the civil war in Lebanon in 1979 and 1982, these poems are haunted by the Lebanese war: some transcend famous Lebanese locales as the symbolic incarnations of the land's eternal essence; others, illuminated at first by nostalgic memories, take on a prophetic tone. Tueni's work merges the poetic with the political landscape of her country. She writes: "I belong to a country that commits suicide every day, while it is being assassinated." The languages of Rimbaud, Lautreamont, and surrealist poetry have had a decisive influence on Tueni's poetry. But she also owes a great debt on the Arabic side to the avant-garde poets, for example, the celebrated Adonis. Like many Lebanese writers, Tueni was active in political circles, particularly after the war in 1967. Her poems tell of suffering—"memories of an abandoned garden slip away"—of her own life slipping away, and in the end, the reader is invited to reflect on the mimesis of identity: identity of a country, identity of a woman, each echoing the other.

Lebanon / Liban

Leila Fawaz's pioneering study tells the story of the 1860 civil wars that began in Mount Lebanon and spilled over into Damascus. This period witnessed the most severe outbreak of sectarian violence in the history of Ottoman Syria and Lebanon. The author's close analytical narrative of the dramatic events of that year is set against the broader themes of nineteenth-century social, political, and economic change. Fawaz shows how social conflict, including "ethnic" civil wars, cannot be explained without analyzing the regional and international currents that play upon both central state power and local autonomy. She also demonstrates the important role of the communal balance between social and political institutions within regions. Fawaz's new insights into the formation of sectarian identities and conflict will make *An Occasion for War* essential reading for all students of the modern Middle East.

An Occasion for War

Rarely have the horror and tragedy of war been so graphically--and brilliantly--portrayed as in Robert Fisk's epic account of the Lebanon conflict. A Critical scrutiny of a terrible war that has yet to be resolved.

Lebanon

From 1975 to 1990, Lebanon endured one of the most protracted and bloody civil wars of the twentieth century. Sune Haugbolle's timely and often poignant book chronicles the battle over ideas that emerged from the wreckage of that war. While the Lebanese state encouraged forgetfulness and political parties created sectarian interpretations of the war through cults of dead leaders, intellectuals and activists - inspired by the example of truth and reconciliation movements in different parts of the world - advanced the idea that confronting and remembering the war was necessary for political and cultural renewal. Through an analysis of different cultural productions - media, art, literature, film, posters, and architecture - the author shows how the recollection and reconstruction of political and sectarian violence that took place during the war have helped in Lebanon's healing process. He also shows how a willingness to confront the past influenced the popular uprising in Lebanon after the assassination of Prime Minister Rafiq Hariri.

Pity the Nation

A reflective examination of everyday life in Lebanon in times of precarity and political torpor.

War and Memory in Lebanon

This book contains some 600 entries on a range of topics from ancient Chinese warfare to late 20th-century intervention operations. Designed for a wide variety of users, it encompasses general reviews of aspects of military organization and science, as well as specific wars and conflicts. The book examines naval and air warfare, as well as significant individuals, including commanders, theorists, and war leaders. Each entry includes a listing of additional publications on the topic, accompanied by an article discussing these publications with reference to their particular emphases, strengths, and limitations.

Lebanon

This book challenges the assumption that men write of war, women of the hearth. The Lebanese war has seen the publication of many more works of fiction by women than by men. Miriam Cooke has termed these women the Beirut Decentrists, as they are decentered or excluded from both literary canon and social discourse. Although they may not share religious or political affiliation, they do share a perspective which holds them together. Cooke traces the transformation in consciousness that has taken place among women who observed and recorded the progress towards chaos in Lebanon. During the so-called "two year" war of 1975-76 little comment was made about those (usually men in search of economic security) who left the saturnalia of violence, but with time attitudes changed. Women became aware that they had remained out of a sense of responsibility for others and that they had survived. Consciousness of survival was catalytic: the Beirut Decentrists began to describe a society that had gone beyond the masculinization normal in most wars and achieved an almost unprecedented feminization. Emigration, the expected behavior for men before 1975, became the *sin qua non* for Lebanese citizenship. The writings of the Beirut Decentrists offer hope of an escape from the anarchy. If men and women could espouse the Lebanese women's sense of responsibility, the energy that had fueled the unrelenting savagery could be turned to reconstruction. But that was before the invasion of 1982.

Reader's Guide to Military History

This book will serve as a guide for those who wish to understand the Lebanese conflict-expert and general reader alike-and for those, as well, who would work to bring peace to that tormented land. From Palestinian, Syrian, and Israeli intervention to delicate inter-Arab relations, the Arab-Israeli conflict, and superpower involvement, sixteen experts analyze the motives and actions of the men and groups engaged in the bloody Lebanese hostilities. Tables, notes, and index included.

War's Other Voices

An essential resource, completely revised and updated for the sixtieth anniversary of the founding of Israel In print for forty years, The Israel-Arab Reader is a thorough and up-to-date guide to the continuing crisis in the Middle East. It covers the full spectrum of the Israel-Arab conflict, including a new chapter recounting the Gaza withdrawal, the Hamas election victory, and the Lebanon-Israel War. Featuring a new introduction that provides an overview of the past 115 years of conflict, and arranged chronologically and without bias, this comprehensive reference includes speeches, letters, articles, timelines, and reports dealing with all the major interests in the area.

Lebanon in Crisis

Under Siege is Rashid Khalidi's firsthand account of the 1982 Lebanon War and the complex negotiations for the evacuation of the P.L.O. from Beirut. Utilizing unconventional sources and interviews with key officials and diplomats, Khalidi paints a detailed portrait of the siege and ensuing massacres, providing insight into the military pressure experienced by the P.L.O., the war's impact on Palestinian and Lebanese civilians, and diplomatic efforts by the United States. A new preface by Khalidi considers developments across the Middle East in the thirty years since the conflict. The preface also cites recently declassified Israeli documents to offer surprising new revelations about the roles and responsibilities of both Israeli leaders and American diplomats in the tragic coda to the war, the Sabra and Shatila massacres.

The Israel-Arab Reader

At one time, Lebanon was considered the most cosmopolitan country in the Middle East. That changed with a devastating 15-year-long civil war that began in the mid-1970s, followed by another 15 years of

Syrian domination. As Lebanon attempts to rebuild, it faces many problems. The terrorist organization Hezbollah operates freely in southern Lebanon, and its leaders have been elected to important positions in the state's government. In addition, more than 400,000 Palestinians live as refugees in the country. Periodic attacks on Israel from within Lebanon have led to deadly retaliation. This book examines the economic and political issues facing Lebanon today. It provides up-to-date information about the country's geography and climate, history, society, important cities and communities, and relations with other countries. Each title in this series contains color photos, maps, timelines and graphics that will help student readers put events into historical and present day perspective as well as back matter including: an index, further reading lists for books and internet resources, and a series glossary. Mason Crest's editorial team has placed Key Icons to Look for throughout the books in this series in an effort to encourage library readers to build knowledge, gain awareness, explore possibilities and expand their viewpoints through our content rich non-fiction books. Key Icons are as follows: Words to Understand are shown at the front of each chapter with definitions. These words are then used in the prose throughout that chapter, and are emboldened, so that the reader is able to reference back to the definitions- building their vocabulary and enhancing their reading comprehension. Sidebars are highlighted graphics with content rich material within that allows readers to build knowledge and broaden their perspectives by weaving together additional information to provide realistic and holistic perspectives. Text Dependent Questions are placed at the end of each chapter. They challenge the reader's comprehension of the chapter they have just read, while sending the reader back to the text for more careful attention to the evidence presented there. Research Projects are provided at the end of each chapter as well and provide readers with suggestions for projects that encourage deeper research and analysis. A Series Glossary of Key Terms is included in the back matter contains terminology used throughout the series. Words found here broaden the reader's knowledge and understanding of terms used in this field.

Under Siege

Beirut to Carnival City: Reading Rawi Hage is a pioneering collection of critical essays on the work of the Lebanese-Canadian writer, situating his fiction in contexts such as diasporic writing or trans-geographical literature, and reflecting the worldwide range of research into his literary output.

Lebanon

"The many facets of Middle Eastern history and politics are admirably represented in this far-ranging anthology." —Publishers Weekly In this insightful anthology, historians Marvin E. Gettleman and Stuart Schaar have assembled a broad selection of documents and contemporary scholarship to give a view of the history of the peoples from the core Islamic lands, from the Golden Age of Islam to today. With carefully framed essays beginning each chapter and brief introductory notes accompanying over seventy readings, the anthology reveals the multifaceted societies and political systems of the Islamic world. Selections range from theological texts illuminating the differences between Shiite and Sunni Muslims, to diplomatic exchanges and state papers, to memoirs and literary works, to manifestos of Islamic radicals. This newly revised and expanded edition covers the dramatic changes in the region since 2005, and the popular uprisings that swept from Tunisia in January 2011 through Egypt, Libya, and beyond. The Middle East and Islamic World Reader is a fascinating historical survey of complex societies that—now more than ever—are crucial for us to understand. "Ambitious . . . A timely work, it focuses mainly on sociopolitical texts dating from the rise of Islam to the debates concerning U.S. foreign policy in the post-9/11 world." —Choice

Beirut to Carnival City

From Simon & Schuster, **Israel's Lebanon War** is the first and only complete inside account of a disastrous military adventure and its ongoing consequences. A detailed narrative by two Israeli journalists on the origins, conduct, and political repercussions of the Lebanon war, based on previously unreleased documents and interviews with high officials.

The Middle East and Islamic World Reader

A noted historian analyzes Yasser Arafat's role in destabilizing the Middle East in a book praised as "eye-opening and exhaustively researched" (New York Post). Offering the first comprehensive account of the collapse of the most promising peace process between Israel and the Palestinians, historian Efraim Karsh details Arafat's efforts since the historic Oslo Accords in building an extensive terrorist

infrastructure, his failure to disarm the extremist groups Hamas and Islamic Jihad, and the Palestinian Authority's systematic efforts to indoctrinate hate and contempt for the Israeli people through rumor and religious zealotry. Arafat has irrevocably altered the Middle East's political landscape, and the ongoing Israeli-Palestinian conflict will always be Arafat's war.

Israel's Lebanon War

This book offers a reconceptualisation of conventional deterrence theory, and applies it to enduring rivalries in the Middle East. The work argues that many of the problems encountered in the development of deterrence theory lay in the fact that it was developed during the Cold War, when the immediate problem it had to address was how to prevent catastrophic nuclear wars. The logic of nuclear deterrence compelled a preoccupation with the problem of stability over credibility; however, because the logic of conventional deterrence is different, the solution of the tension between credibility and stability is achieved by deference to credibility, due to the requirements of reputation and costly signaling. This book aims to narrow the gap between theory and evidence. It explores how a reconceptualization of the theory as a process that culminates in the internalization of deterrence within enduring rivalries is better suited to account for its final success: a finding that has eluded deterrence theorists for long. This interdisciplinary book will be of much interest to students of deterrence theory, strategic studies, international security, Middle Eastern studies and IR in general.

Arafat's War

Reconceptualizing Deterrence

'Beware of Small States' wrote Mikhail Bukarin in 1870. He could have meant Lebanon: a sectarian state no bigger than Wales that has become battleground for one of the defining conflicts of twentieth-century history. Throughout its short existence, it has been attacked, invaded, occupied or interfered with to serve the political interests of foreign powers, resulting a series of devastating wars and crises. To understand Lebanon's history is to understand the history of the entire region - and, with the rise of Hizbullah, it has come to assume a disproportionate, dangerous power of its own. Iran and Israel now face each other in the hills of south Lebanon. David Hirst, author of *The Gun and the Olive Branch*, is a hugely respected commentator on the Arab-Israeli crisis. In a masterly narrative, he gives a much-needed, comprehensive history of the country and its conflicts, culminating with the recent war in Gaza and its fallout in Lebanon. Powerful and often moving, *Beware of Small States* is a magisterial book, essential reading for understanding Lebanon or the current political climate of the Middle East.

Middle East Studies for the New Millennium

No country in the world has more political battles, military conflicts, and ethnic complexity per person and per square mile than does Lebanon. This book explains the issues, events, and personalities involved in one of the globe's most dramatic and important stories.

Beware of Small States

In *Spoils of Truce*, Reinoud Leenders documents the extensive corruption that accompanied the reconstruction of Lebanon after the end of a decade and a half of civil war. With the signing of the Ta'if peace accord in 1989, the rebuilding of the country's shattered physical infrastructure and the establishment of a functioning state apparatus became critical demands. Despite the urgent needs of its citizens, however, graft was rampant. Leenders describes the extent and nature of this corruption in key sectors of the Lebanese economy and government, including transportation, health care, energy, natural resources, construction, and social assistance programs. Exploring in detail how corruption implicated senior policymakers and high-ranking public servants, Leenders offers a clear-eyed perspective on state institutions in the developing world. He also addresses the overriding role of the Syrian leadership's interests in Lebanon and in particular its manipulation of the country's internal differences. His qualitative and disaggregated approach to dissecting the politics of creating and reshaping state institutions complements the more typical quantitative methods used in the study of corruption. More broadly, *Spoils of Truce* will be uncomfortable reading for those who insist that

power-sharing strategies in conflict management and resolution provide some sort of panacea for divided societies hoping to recover from armed conflict.

Lebanon

The war for Lebanon -- a conflict of domestic and external forces seeking to shape and control the Lebanese entity -- began long before 1970 and unfortunately did not end in 1983. But these years, the focus of this book, form a particularly significant phase in the history of both Lebanon and its immediate environment. The events of this period unfolded through 4 distinct stages: the collapse of the Lebanese political system between 1970 and 1975; the civil war of 1975-76; the lingering crisis of the years 1976-82; and the war of 1982. This book primarily explores the interplay between Lebanon's domestic politics and developments in the larger Middle East.

Spoils of Truce

"A Beirut Heart" is the unforgettable story of an American woman who lived amidst the Lebanese Civil War for eight years and through it all attempted to sustain a life with her Lebanese husband and two small children. It is a memoir that offers a unique illustration of the unsung heroes of war--the women who assume the awesome task of keeping the family united during wartime. The book tells the story of how Cathy Sultan moved with her family to Lebanon in 1969. For six years they led an ideal life experiencing the rich culture, exotic food and breathtaking landscape of the city located along the blue waters of the Mediterranean Sea. After the war began in 1975, their lives changed forever. Sultan recounts how she held the family together by comforting her children after bomb blasts and consoling her physician husband who spent his days treating wounded civilians. To keep sane, she used cooking as her tranquilizer. The unique narrative places us uncomfortably inside something we seldom consider--the domestic element of civil war--and leaves on the reader a permanent impression of the destroyed city and its resilient people.

War for Lebanon, 1970-1985

This is an English translation of a book which was written in Arabic and published in Lebanon in 1999. It is about the struggles, sufferings and hopes of the people of South Lebanon during the period 1976 to 1986. The author outlines the troubles the people of this area lived through. He discusses causes and effects of cooperation between Lebanese and their Israeli neighbours. He takes us on a journey from East Beirut to the Jezzin area of Mount Lebanon as it would have been undertaken during the years 1984 to 1990. The narrative starts at the Port of Beirut and follows the sea route to Nakoura in South Lebanon. It then proceeds across the mainland through various villages and towns, covering the geographic and historic diversity of the population and the problems they faced. This is a story of a society living in a part of the Holy Land, the land of the "Good News". It outlines a continuous struggle to survive, a search for a long-lasting peace and a background worth considering in a Middle East filled with hatred. We can, by reading between the lines, understand how terrorism developed in this area and later expanded to the whole world. Some of the questions and concerns the author raised in 1999 were answered at the Twin Towers, the chaos in Paris, the attacks in the U.K. and Spain and, unfortunately, on and on.

A Beirut Heart

This book offers a fresh perspective on the impact of the US intervention in Lebanon in 1982 and the decision-making drivers that led the Reagan Administration into the Lebanese Civil War. Based on newly released archival materials from high level Washington officials such as President Reagan, Secretary of State Shultz and Secretary of Defense Weinberger, it argues that the failure of the Reagan Administration to accurately understand the complex political landscape of the Lebanese Civil War resulted in the US-led Multinational Force becoming militarily intertwined in the conflict. This book challenges the notion that Reagan deployed US Marines under the ideals of international peacekeeping, asserting that the US Administration hoped that the Multinational Force would create the political capital that Reagan needed to strengthen the US' position both in the Middle East and globally. Ultimately, the peacemakers were forced to withdraw as they evolved into antagonists. A case study in the foreign policy doctrines of key Washington decision-makers throughout the 1980s, this project is perfect for any International Relations scholar or interested reader seeking to understand the links between the mistakes of the Reagan Administration and contemporary US interventions in the Middle East.

Madameek Courses

A new edition of the widely acclaimed account of the civilian experience of fifteen years of war in Beirut- "a profound, heartbreaking book" (Los Angeles Times Book Review), "an impassioned cry against indifference" (New York Times Book Review), "a work ringing with truth and insight" (Arab Book World)-now with an Afterword about the postwar years. A New York Times Book Review Notable Book. An intensely personal yet timelessly crafted portrait of life in a worn-torn city, Beirut Fragments spans the years of the civil war in Lebanon, 1975-1990. When thousands fled, Jean Said Makdisi chose to stay. She raised three sons, taught English and Humanities at Beirut University College-and she wrote. She records the breakdown of society and the physical destruction of Beirut, the massacres of Sabra and Shatila, the Israeli Invasion, everyday acts of terrorism, the struggle to maintain ordinary routines amid chaos, and the incredible spirit of a people. A Palestinian, a Christian, a woman who has lived in Jerusalem, Cairo, the United States, and Beirut, Jean Said Makdisi uses the migrations of her own life as a paradigm which helps elucidate many of the conflicts in the region. The new afterword covers the postwar years, from the last ceasefire to the present day.

US Foreign Policy and the Multinational Force in Lebanon

Despite the torrent of coverage devoted to war with Iraq, woefully little attention has been paid to the history of the region, the policies that led to the conflict, and the daunting challenges that will confront America and the Middle East once the immediate crisis has ended. In this collection, Micah L. Sifry and Christopher Cerf, coeditors of the acclaimed Gulf War Reader, have assembled essays and documents that present an eminently readable, up-to-the-moment guide -- from every imaginable perspective -- to the continuing crisis in the Gulf and Middle East. Here, in analysis and commentary from some of the world's leading writers and opinion makers -- and in the words of the key participants themselves -- is the engrossing saga of how oil economics, power politics, dreams of empire, nationalist yearnings, and religious fanaticism -- not to mention naked aggression, betrayal, and tragic miscalculation -- have conspired to bring us to the fateful collision of the West and the Arab world over Iraq. Contributors include: Fouad Ajami George W. Bush Richard Butler John le Carré Noam Chomsky Ann Coulter Thomas Friedman Al Gore Seymour Hersh Christopher Hitchens Arianna Huffington Saddam Hussein Terry Jones Robert Kagan Charles Krauthammer William Kristol Nicholas Lemann Kanan Makiya Kevin Phillips Kenneth Pollack Colin Powell Condoleezza Rice Arundhati Roy Edward Said William Safire Jonathan Schell Susan Sontag George Will

On Evelyne Accad

A major New York Times bestseller by NBC's Chief Foreign Correspondent Richard Engel—this riveting story of the Middle East revolutions, the Arab Spring, war, and terrorism seen close up “should be required reading” (Booklist, starred review). In 1997, young Richard Engel, working freelance for Arab news sources, got a call that a busload of Italian tourists was massacred at a Cairo museum. This is his first view of the carnage these years would pile on. Over two decades he has been under fire, blown out of hotel beds, and taken hostage. He has watched Mubarak and Morsi in Egypt arrested and condemned, reported from Jerusalem, been through the Lebanese war, covered the shooting match

in Iraq and the Libyan rebels who toppled Gaddafi, reported from Syria as Al-Qaeda stepped in, and was kidnapped in the Syrian cross currents of fighting. Engel takes the reader into Afghanistan with the Taliban and to Iraq with ISIS. In the page-turning *And Then All Hell Broke Loose*, he shares his "quick-paced...thrilling adventure story" (Associated Press). Engel takes chances, though not reckless ones, keeps a level head and a sense of humor, as well as a grasp of history in the making. Reporting as NBC's Chief-Foreign Correspondent, he reveals his unparalleled access to the major figures, the gritty soldiers, and the helpless victims in the Middle East during this watershed time. His vivid story is "a nerve-racking...and informative portrait of a troubled region" (Kansas City Star) that shows the splintering of the nation states previously cobbled together by the victors of World War I. "Engel's harrowing adventures make for gripping reading" (The New York Times) and his unforgettable view of the suffering and despair of the local populations offers a succinct and authoritative account of our ever-changing world.

Beirut Fragments

The must-read summary of Daniel Gordis's book: "Saving Israel: How the Jewish People Can Win a War That May Never End". This complete summary of "Saving Israel" by Daniel Gordis, an influential Jewish author, presents his account of life in Israel and having to confront the sad truth that peace may not be attainable there for years to come. He argues that Jews in Israel need a stronger sense of purpose and idea of their own identity as a unique country with a particular set of issues to contend with. Added-value of this summary: • Save time • Understand the issues of peace and conflict in and around Israel • Expand your knowledge of Judaism and its role in Middle Eastern politics To learn more, read "Saving Israel" and discover how Israel needs to accept its uniqueness and devise its own strategy for achieving peace and contending with its own issues.

The Iraq War Reader

More information to be announced soon on this forthcoming title from Penguin USA.

And Then All Hell Broke Loose

"Why is there so much conflict in the Middle East? Since World War II, conflicts such as the Iran-Iraq War and the Kuwait Crisis have made the Middle East the main focus of military attention. Conflicts in the Middle East since 1945 analyzes the nature of conflict in the Middle East, with its racial, ethnic, political, cultural, religious, and economic factors." "Giving a historical overview, the main conflicts are also put in their wider context with a thematic debate of issues such as: the emergence of radical Islam, the resolution of conflicts, diplomacy and peace-making, and the role of superpowers." "With further reading suggestions and chronologies of the main episodes of conflicts, Conflicts in the Middle East since 1945 is an introduction to modern Middle Eastern history for undergraduates and the general reader alike."--BOOK JACKET. Title Summary field provided by Blackwell North America, Inc. All Rights Reserved

Summary: Saving Israel

This novel examines the strength of kin ties against the pull of national identity. The story follows the lives of three generations in a Lebanese family, and thus offers the reader a moving picture of how the Lebanese Civil War caused the dispersal of a traditional family across the world.

The Israel-Arab Reader

"Kamal Salibi is the foremost living historian of Lebanon, and his new book is even more important than his earlier one because it throws light on the present and future of the country as well as its past."—Albert Hourani, author of *A History of the Arab Peoples* "Among Lebanese historians only Kamal Salibi has the credibility to write such a book. Its timely appearance signals a new era in Lebanese history. It will undoubtedly become a classic."—Nadim Shehadi, Director, the Centre for Lebanese Studies, Oxford

Conflicts in the Middle East Since 1945

An INDOMITABLE SPIRIT: LIFE IN THE SHADOW OF DEATH, is a story about youth of Lebanon who came to age during the war and refused to allow it to subdue them. They resisted the evils of war and defied the death machine destroying the country around them, sustaining their humanity and

maintaining their civility in spite of it all. They braved the most dangerous of conditions to find the joys of life in the shadow of death surrounding them. They threw parties in the face of raging battles and danced against all odds. They lived to make beautiful memories that they now look back on with a strange sense of nostalgia. They overcame the evil that befell them in their youth and went on to succeed in all walks of life. This is a story of the resilience and strength of the human spirit. The Indomitable Spirit.

Flight Against Time

The Middle East provides a thematic analysis of major forces and trends in contemporary Middle East and a thorough examination of individual countries in the region. This comprehensive anthology, the first in more than two decades, explores the political environment, religious and ethnic factors, economic factors, the Arab world, the Palestinians and the territories, Israel, the role of the superpowers, and the Middle East's relationship with the rest of the world. Every informed reader will want to consult The Middle East to understand this important and complex area of the world. Contents (partial): William L. Cleveland, "Sources of Arab Nationalism"; Carl Leiden, "Arab Nationalism Today"; Opoku Agyeman, "Pan-Africanism versus Pan-Arabism"; Elbani Hermassi, "The Maghrib and the Middle East Conflict"; Lenore G. MATING TEMPEST PARANORMAL WARS

Mating Tempest [Siren Classic ManLove: Erotic Alternative Futuristic Paranormal Romance, M/M, HEA]
 Even though E. J. Jennings was forced to fight for the psy, he never believed that violence was the answer. In fact, the very thought of causing harm made him sick. Strafe Winchester learned early on that violence was a part of life. He didn't enjoy it, but he never shied away from it. If inflicting pain on the bad guys saved innocent lives, Strafe would make sure to inflict as much pain as possible. Strafe and E. J. were from different worlds, yet they must find a way to compromise if they have any chance to make their mating work. As they struggled to find common ground they started to realize that their rigid views weren't as black and white as they believed. Will they be able to find a shade of gray where they can be happy or are they destined to live apart? ** A Siren Erotic Romance

Sweet Buns

Welcome to Cedar Falls, a small North Carolina town nestled amongst the Smokey Mountains. Zane Fisher is prepared to fight against a proposed casino being built in his small hometown. Sure, it would bring in more visitors to their dying town, but at what risk? Aidan Dempsey is sick of the bad coffee Cedar Falls has so far had to offer. After an exceptionally bad cup, he's decided to swear off the stuff, that is until he's dragged into the local bakery. Not only does he find the best cup of coffee he's ever tasted, but the bakery owner, Zane Fisher, just might be the sexiest man he's ever met. Too bad Zane seems hell bent on avoiding him, as he's the project manager for the casino Zane is against. Will they be able to find common ground or will Aidan be doomed to only having bad coffee?

Fearless Mating

Their jobs have set them at odds, but the attraction brewing between them is too strong to resist in this all-new paranormal romance from the author of *Dangerous Mating*. Sergeant Major Candace Obermier has arrived at Alpha League Federal Agency headquarters with one task in mind--shutting it down. While A.L.F.A.'s pledge to protect humans from paranormal threats is noble, they've caused nothing but mayhem as far as Candy can tell. And their director? He's the worst of the lot. Director Josh Tumbel has finally found his mate. And she's doing everything she can to shut down operations, while he struggles to control his mating instincts. But when A.L.F.A. headquarters is taken in a hostage situation, Josh has a chance to demonstrate the critical nature of the agency's existence, and prove his worth to Candy as a protector and lover.

Claimed by a Demon King

The moment the demon King Thorne of the Third Realm set eyes on the mortal huntress Sable, he knew she was his fated one. The fiery, dangerous female awakened hungers he had never experienced before, a dark craving and passion that has consumed him in their time apart. As the lunar cycle wanes, she enters his world again and nothing will stand in the way of him claiming his forever with her—not the relentless assault from the Fifth Realm or the dark elf male determined to seduce her out of his grasp. Intent on achieving the coveted position of commander at Archangel, Sable leads her small team into the dark underworld and the Third Realm, to a war where her allies are the very creatures she normally hunts—vampires, werewolves, and demons. Her eagerness to lead the deadly mission has everything to do with winning her promotion, and nothing to do with the kingdom's brash, lethally seductive demon king—a king who stirred fierce desire and wildfire heat in her with just a look and an innocent touch when they first met, and has been in her wicked dreams ever since. As the gathering storm between rivals unleashes irresistible passion that flares white-hot and the heat of the battle brings life-shattering realisations, can Sable place her duty before her heart? Or will she surrender to her deepest desires and be claimed by a demon king? *Claimed by a Demon King* is the second novel in the *Eternal Mates Romance* series, a fated mates paranormal romance featuring a possessive royal demon hero who will stop at nothing to claim his mate, a cast of vampires, demons, dark elves, wolf shifters, immortals and demon hunters, and full of action and adventure--and steamy scenes! The Vampire's Storm

Bestselling author, Juliette N. Banks, brings you this thirteenth installment in the sizzling Moretti Blood Brothers series – a love story laced with spice, danger, and sexy banter. Vampire assassin, Logan Mathieson has joined the king's fight against their human enemies. He's spent decades as a sniper eliminating the evil living among the inferior race and has a healthy distaste for all of them. That includes sexy Brooklyn Wade, a scientist working for the vampire king, tasked with producing an antidote to protect them in the war. Even if he can't help antagonising her or control his body's reaction to her lustrous angry blue eyes and dangerous curves. But when he discovers Brooklyn's reason for joining the science team and the ethical boundary she's crossed, Logan has a decision to make. Now they're connected in ways that can't be undone. At least while she lives. He can help her... or he can destroy her. And he has the power to do both. The Vampire's Storm is the next installment in the Moretti Blood Brothers paranormal romance series. Part romance, part suspense, this spicy love story will appeal to anyone who loves fated-mates, enemies to lovers and military romances with dominant bantering alpha heroes. What readers are saying about this series: "A thoroughly captivating story with a lot of action and of course steamy scenes to keep you reading for more, more, more! The characters are very interesting and witty and funny at times. I highly recommend this book to all other readers (of legal age lol)!" Five-stars - Carol Craft "Juliette has been added to my favorite authors list. I can not wait until the next addition to the Moretti Blood Brothers series. I know I suck at giving reviews, but buy it, you will not regret it! Once I started the book, I couldn't put it down. This series will be your new favorite." - Five stars - Miranda S "Juliette has been added to my favorite authors list. I can not wait until the next addition to the Moretti Blood Brothers series. DAMIENS PAST MATES CAPULET 1 (

Damien's Past Mates [MENage Amour ManLove: Erotic Alternative Paranormal Romance, M/M/M, time travel, shape-shifters, sex in partially shifted form, HEA] Damien thought he was crazy when he went to sleep in 2015 and awoke in 1915. As if that wasn't enough, Damien has to grasp he is surrounded by wolf shifters and two of them are his mates. Not knowing, if they follow through, everyone could die. Alpha Asher, of East Capulet, has known that Alpha Asa, from West Capulet is his mate he could never have. Their packs have been at war for over 100 years. Banished to this realm, as a result of their war, or so they thought. When Damien has a meltdown, Asher calls Asa in to help him. They cannot resist the mating pull any longer and the three become one. A Magic spell takes effect they did not know was written in the ancient logs the Elders hold and refuse to hand over. Can the mates get what they need to save everyone or will they die trying to find out the secret? ** A Siren Erotic Romance

The Vampire Protector

Can he let go of the past for true love? Commander of the vampire army, Craig found and lost his mate three hundred years ago. Or so he thought. Then he meets Brianna Jones. When they are thrown together in Italy and Brianna's life is threatened by vampire rebels, their powerful attraction becomes undeniable. But they both know a human cannot stay in his world and Craig doesn't believe it's possible the sassy human could be his mate. It's his job to protect the race, and now the sophisticated operation of the rebellion threatens their very existence. He can't allow his feelings for Brianna to distract him and knows he must return Brianna to Los Angeles and wipe her memories when it is safe. Can he win the war and let Brianna go? Or will he face his past and fight for true love? The Vampire Protector is the next installment, in the steamy new paranormal romance series the Moretti Blood Brothers. Part paranormal romance, part action-adventure, it will appeal to anyone who loves fated-mates, forced proximity, and military romance with supernatural abilities. And happy ever after's. Blood be Damned

When the Underworld burned, I thought that was the end. Turns out it was only the beginning. Lucifer's death was a shot heard around the world. The sudden loss of magic turned the tides for the first time in over two decades. The humans are rallying. Rioting. It feels like the stirrings of war. As if that wasn't enough, Bree isn't the sister I remember—and her desire to return to Hell is creating more fires than I know how to put out. Things are changing. Lines are drawn. Everyone must choose a side. Even me. Sometimes the world needs a hero. In a city that's already gone to hell in a hand basket, it might just need a demon. Note: Blood be Damned is book 3 of 4 in the COMPLETE Demons of New Chicago series. This story is an ADULT enemies-to-lovers urban fantasy romance.

Tempest Rising

In the tradition of Charlaine Harris's Southern Vampire Mysteries comes an irresistible urban fantasy debut set in small-town Maine, and featuring half-human and half-selkie Jane True, who comes across a murder victim during her nightly clandestine swim in the freezing ocean. Original.

Stolen by her Bear

Saint is a bear shifter on the war path. He just wants to sleep the winter away, but his rowdy neighbours in the remote Rocky Mountains valley have other plans. When the cougar shifter brothers refuse to keep the noise down, he reacts on instinct, kidnapping a beautiful female who smells like sweet berries and tempts him like no other—a female who happens to be mated to one of the brothers. Holly's first taste of freedom isn't going as planned. Escaping her family to join in the winter wedding celebrations at Cougar Creek with her friend Ember sounded fantastic, until a grouchy bear shifter grabs her—a

gorgeous male who rouses instincts in her that are startling and powerful, igniting a fierce need to growl and stake a claim on him. A gorgeous bear who might be her fated mate. Can Holly resist the hungry Saint awakens in her? And when Saint realises his mistake about her identity, can he convince the stunning Holly to give him a second chance? If you love bear shifter romances featuring hot alpha heroes and strong heroines in an immersive paranormal romance world, the Black Ridge Bears series is for you! Stolen by her Bear is the first book in the Black Ridge Bears paranormal romance series. This fated mates shifter romance features a grumpy grizzly bear shifter who just wants to sleep, a cougar shifter heroine unlucky in love, a case of mistaken identity, a blizzard, and a cast of bear shifters and cougar shifters, all set in the stunning scenery of the Canadian Rockies. Plus, lots of action and adventure--and steamy scenes! All Black Ridge Bears books have no cliffhangers, a guaranteed happily ever after, and some strong language. Enjoy! Discover five growly bear shifters guaranteed to become your next book boyfriends in this hot new shapeshifter romance series from New York Times and USA Today international best-selling author Felicity Heaton, set in the same rich and addictive world as her Eternal Mates and Cougar Creek Mates paranormal romance series. Book 1: Stolen by her Bear Book 2: Rescued by her Bear Book 3: Saved by her Bear Book 4: Unleashed by her Bear Book 5: Awakened by her Bear No cliffhangers. No cheating. Dire Wolf Wanted

The magical world stands on the brink of war, unless two extraordinary shifters can bridge the gulf between them. Dire wolf shifter and Shifter Tribunal agent Rayne Chekal poses as a prisoner to take down an illegal auction house that trafficks in shifters. Arvik Inuktan, agent for the Wizard Imperium and secret mythic shifter, infiltrated the auction staff with the same mission objective. Rayne finds him sexy as hell, but confusing. Her inner wolf says they're in the mating dance, but to her, it feels more like a flailing tumble down the stairs. Arvik finds her irresistible, smart, and gorgeous. His inner beasts say Rayne is their mate, but he realizes he must track down his dark, forgotten past if he hopes to have a future with her. However, when the auction house falls, they open a whole new can of worms. War is coming. Separated, they must figure out what they can do to stop this, and hope the other can forgive them for the choices they're forced to make. When Rayne and Arvik meet on the battlefield, can they overcome their differences and work together to stop the evil, or will this war engulf the magical world? Continue the enthralling paranormal romance with Dire Wolf Wanted, the fourth book in USA TODAY bestselling author Carol Van Natta's fun, action-filled, steamy-hot Ice Age Shifters™ series. Note to readers: Dire Wolf Wanted is a complete story with an HEA and no cliffhanger, but your reading experience will be enhanced if you've read Shift of Destiny and Heart of a Dire Wolf first. - - - - - - - The Ice Age Shifters series: • Shifter Mate Magic (Book 1) • Shift of Destiny (Book 2) • Heart of a Dire Wolf (Book 3) • Dire Wolf Wanted (Book 4) • Shifter's Storm (Book 5) _____ Series Keywords: paranormal shifter romance, shifter romance, shifter series, bear shifter, wolf shifter, lion shifter, true mates, fated mates, elf, dragon, wyvern, fairy, ogre, psychic, dire wolf, prehistoric, Ice Age, sanctuary, coyote, magic, wizard, warlock, witch, charms, billionaire, ghosts, spy, agent, trucker, sheriff, oracle

Paranormal Passions

Nuit Aux Trois: Quinn's two roommates, lovers Fletcher Covair and Devlin St. Giles, have the perfect idea: Quinn will accompany them on a Halloween ghost hunt at a haunted plantation. Quinn agrees, knowing there's no such thing as ghosts and thinking the time away will give her time to assess her future job prospects, and if nothing else, a chance to relax. But the plantation's resident ghost, Alison, has other ideas. She wants help in righting a longtime wrong, and it seems that the ghost has chosen Quinn, Dev, and Fletch to assist her. While Quinn's mind is reeling from the knowledge that there are really ghosts, she comes to another shocking realization: Dev and Fletch have more on their minds than ghost hunting, and Alison isn't the only restless spirit who wants to make contact. The Resurrection of Josephine: Martin Vandreen avoids graveside funerals at all costs-for good reason. As a spiritual medium with the ability to communicate with the dead, cemeteries tend to be filled with restless souls that want to chat with him. But when Martin makes an exception and attends the burial ceremony of his dear friend's departed father, he encounters a powerful entity that nearly kills him. Rumer Rousseau and her lover Noah Hopper will do anything to stop the resurrection of Josephine, including forcibly

enlisting the help of Martin. Martin reluctantly agrees to help find a way to destroy Josephine before the evil witch gains enough power to overturn the spell binding her spirit to her crypt, thus allowing her to return to the world of flesh and blood. Suddenly, Martin's orderly lifestyle is turned upside down. But within the arms of Rumer and Noah, he's finds that he no longer desires the solitude he once treasured, and longs to have a relationship that can stand the test of time. But will the bond they forged together be strong enough to survive the resurrection of Josephine? Come As You Are: Tempest Gandy needs a change. After leaving her job as a television news producer, she purchases a house in the French Quarter and is now working to turn it into a B&B. Unfortunately, she's not sleeping well at night and she's pretty sure something paranormal is going on in her house. When her fatigue starts to interfere with her work during the day, she contacts her friend Quinn, who works with the New Orleans Ghost Seekers. Franco LeBeau can read minds. When the Ghost Seekers meet at his French Quarter establishment to discuss a new case, he meets Tempest and is thrilled to discover that her thoughts match his own: instant attraction. But after hearing Tempest's story, his attraction instantly turns to worry. He knows it's not a ghost disturbing Tempest's sleep, but an incubus. The Seekers agree to help Tempest battle the incubus, and Franco offers to act as a bodyguard during the night. Of course, Tempest hopes Franco will do more with her body than guard it. Only one thing stands in their way: a demon who wants Tempest all for himself. Conjurer at the Crossroads: Pebbles Malloy has tried to fight her heritage as a conjurer. She doesn't mind working at her grandmother's shop in the French Quarter, but she doesn't want the responsibilities that come with conjuring. Then she tells the members of the ghost seekers that she can banish an incubus who has decided to target one of the group's lovers. The problem is she doesn't have enough practice to harness her energy and get rid of the demon for good. So she promises to meet him at the crossroads where she will make a pact with him to bear him a child, something he desires more than anything in the world. But as time passes, Pebbles finds out this demon has a tragic past, one that haunts him and keeps him enslaved when he would like nothing more than to reclaim his soul. Can Pebbles and her fellow Ghost Seekers find a way help the incubus break out of his prison, or will she find herself in his position, lost to an evil presence, in mind, body and soul?

Haunted World War II

"Discover the paranormal legacy of the most devastating clash of nations in living history. In Haunted World War II, you will discover battlefields in Europe and invasion sites in the South Pacific where the spirits of soldiers, sailors, and civilians return again and again to recreate their last moments"--

Ghost Storm

What will you value when the end of the world arrives? Successful attorney Jim Preston has it all. A prestigious job, wonderful house, fancy sports car, a wife, family, and a girlfriend. He is the poster child for the opulent lifestyle. Too bad it takes it all for granted until he and his family are faced by a demonic storm of soul-stealing spirits sent by an evil Sharman to end the immoral lives of man for him to realize what is truly important. When faced with the ultimate decision, what will Jim protect? His material possessions? His wife and family? Or, his girlfriend? Ghost Storm is a terrifying supernatural suspense novel. If you like mythic folklore, reluctant heroes, and stories of malevolent threats, then you'll love David Clark's chilling tale.

Kiss My Asteroid

**** COMPLETELY STANDALONE ****Discover a brand new race of Alpha males ready to find their mates in a dangerous warrior planet. Sassy women traveling with Gerri Wilder are in for the journey of a lifetime and a mate that will love them through the galaxy. Are you ready? Ivy Grimaldi can't stand change. Ever. But change is something she's had to deal with a lot lately. Like when her cousin Cassandra moved away to start a new life, baby and all. That all changes when Gerri Wilder shows up at her door with a letter from her cousin. Cassie wants her to come visit. Sure, why not? There's just one problem. Cassie lives on another planet. A far-the-heck-away planet, with her hotter than hell shifter mate. Vander Kasval, King of the shifter warrior planet Galaxa, has his own problems with change. A lead by example kind of a king, he's between a rock and a hard place. He needs to find a mate to help put an end to a brewing civil war. None of this would be happening if not for a plague affecting only the females of his planet. His warriors and the men of the Palladian Capitol are ready to riot. Vander reluctantly agrees to send for matchmaker, Gerri Wilder. If she can find a match for him and his men, then his world might be saved. Ivy agrees to go, if only to make sure Cassie's okay. Oh, alright, and to maybe find an intergalactic hookup for herself in the process. In a planet full of big, bad, sexy shifters, anything's possible, right?

Ivy's in for the time of her life in a planet of unimaginable beauty and dangers she had no idea existed. But Ivy isn't one to sit idly by and let something happen. With two new friends, they're about to take Galaxa by storm.

Gefährten mit Gegensätzen

E.J. Jennings wurde zwar dazu gezwungen, für die Psy zu kämpfen, aber er hat nie geglaubt, dass Gewalt die Antwort ist. Tatsächlich bereitet ihm allein der Gedanke daran, Schmerz zuzufügen, Übelkeit. Straphe Winchester lernte schon früh, dass Gewalt ein Teil des Lebens ist. Er hat keine Freude daran, ist aber auch nie davor zurückgeschreckt. Wenn es unschuldige Leben rettet, den Bösen Schmerz zuzufügen, dann sorgt Straphe dafür, dass er so viel Schmerzen zufügt wie möglich. Straphe und E.J. stammen aus verschiedenen Welten und doch müssen sie einen Kompromiss finden, wenn ihre Paarung funktionieren soll. Während sie sich bemühen, eine gemeinsame Basis zu finden, erkennen sie, dass ihre strikten Ansichten nicht so gegensätzlich sind, wie sie dachten. Werden sie eine Grauzone finden, in der sie glücklich sein können, oder sind sie dazu bestimmt, voneinander getrennt zu leben? Ein homoerotischer Liebesroman für Erwachsene mit explizitem Inhalt. Jeder Band dieser Reihe geht auf die romantische Beziehung eines anderen Paares ein. Die Reihe Paranormal Wars: Juarez ist ein Spin Off der Paranormal Wars: Stone Haven-Reihe. Die Handlung beider Reihen läuft teils parallel. Zum besseren Verständnis empfiehlt es sich, beide Reihen entsprechend der Handlung zu lesen. Die Reihenfolge lautet Paranormal Wars: Stone Haven 1-5, Juarez 1, Stone Haven 6, Juarez 2, Stone Haven 7. Grundsätzlich können die Reihen aber auch jeweils einzeln gelesen werden. Länge: rund 40.500 Wörter

Tempted by a Rogue Prince

An elf prince on the verge of losing himself to the darkness, Vail is maddened by the forty-two centuries he was under the control of a witch and forced to war with his brother. Now, he roams Hell seeking an escape from his terrible past and the heads of all who bear magic. When demons of the Fifth Realm capture him, he sees a chance to end his existence, but when he wakes in a cell to a beautiful female, he finds not death but his only shot at salvation—his true fated mate. Captured by the enemy of the Third Realm when the war ended, Rosalind has spent months in the cells of the Fifth Realm with her magic bound, forced to heal the new king's demon warriors, and haunted by the lives she has taken. When she's brought to heal an unconscious man, she discovers her only hope of escape has come in the form of her worst nightmare and the first part of a prediction that might spell her doom—a devastatingly handsome and dangerous dark elf prince. Unwilling to fall under the control of anyone ever again, Vail must escape before the Fifth King can use him as a pawn in a deadly game of revenge, but he cannot leave without Rosalind, the woman who looks at him with dark desire in her stunning eyes and awakens a fierce hunger in his heart. A witch who drives him mad with need even as the darkness within whispers she will enslave him too. Can Rosalind escape her fate as they embark on a journey fraught with danger and resist the temptation of her rogue elf prince? And can Vail overcome the memories that madden him in order to seize his chance for salvation and the heart of his fated female forever? Seduce

Bloodlust runs in his veins, a dark master waiting for the day it will reign over him. Now a woman with a pure soul and wicked intentions has him in her sights and is determined to crack the ice around his heart, and she might save or damn him. Antoine stands apart from the world around him, a dangerous and broken soul who must maintain rigid control at all times or risk his dark addiction finally seizing hold of him. The shadows of his past haunt him and he sees his bleak future each night when his brother wakes screaming, his blood addiction turning him savage. He cannot allow himself to feel, but when Sera walks into Vampirerotique, the theatre he runs with three other vampires, to audition, she awakens dangerous desires in him—hungers that could spell the end of both of them. Sera has wanted Antoine since the night she first saw the gorgeous aristocrat vampire. She can't ignore the deep carnal hunger he stirs in her or the ache to know the heat of his touch. With the help of her sire, an ex-performer at Vampirerotique, she sets in motion a game of seduction, one designed to thaw the ice in Antoine's veins and make him burn for her. When Sera discovers the shocking truth about his past and the darkness that lurks within him, will she be strong enough to seize his heart with both hands and win him forever or will she lose him to the ghosts that still haunt him? Dark Melody

Dayan has been searching for centuries to find the one woman who can complete him, a true lifemate, who can save him from the darkness in his soul. Despairing of ever finding her, and on the run from his enemies, something drives Dayan to stop at a bar and perform some of his music. Then Corrine Wentworth walks in, and Dayan knows instantly that she is the one. Corrine wants nothing more than to surrender her life and soul to Dayan, but she is suffering from a degenerative heart disease, and pregnant with her late husband's child. She is also running from the men who killed her husband, the same group of fanatics who are hunting Dayan and his kind. Dayan must call on his family, and the greatest healers of the Carpathians to aid him in a race against time to save Corrine, whose fate is now inextricably linked to his own.

A Tempest of Shadows

A reverse harem, enemies to lovers, slow burn romance. "The relentless clock of fate was groaning over to the next hour, ringing the arrival of a battle as old as time, sounding the final alarm, the final chance to fall to our blades or lift them high. It was repeating infernal hours that grew hungrier with each turn, more vicious than the day, the year, the century before." The end was here. The great war had begun. I had been torn apart and remade, a marionette to dance over the coals of this world, stitched together by my tormentors. The great masters thought they could break me down and own me. They were wrong. I had won my freedom, my place in this world, my golden-eyed protector by my side. Until it happened again; the grim call of fate looking out at me through eyes of darkness, the great masters waiting with the power I needed, curses and promises in their hands. It was time to make another deal. It was time to play their game in earnest. Book 2 in the Tempest of Shadows series. Over 105,000 words. This is a

slow burn with DARK themes, unwilling anti-heroes, and one hell of a kick-ass heroine woven through a rich fantasy setting.

Tempest

He has resisted temptation for centuries - until he meets someone whose heart is as frozen as his... With a dagger in her hand and vengeance on her mind, Elise Chase prowls Boston's streets in search of retribution against the Rogue vampires who took from her everything she cherished. Using her psychic gift she stalks her prey, well aware that the power she possesses is destroying her. She must learn to harness this gift and for that she can turn to only one man - the vampire Tegan. Tegan is no stranger to loss and he knows fury, but when he slays his enemies it is with ice in his veins. He is perfect in his self-control - until Elise seeks his aid. An unholy alliance is forged, one which will plunge them into a tempest of danger, desire, and the darkest passions of the heart...

Midnight Awakening

What do medieval Icelanders mean when they say ¿troll¿? What did they see when they saw a troll? What did the troll signify to them? And why did they see them? The principal subject of this book is the Norse idea of the troll, which the author uses to engage with the larger topic of paranormal experiences in the medieval North. The texts under study are from 13th-, 14th-, and 15th-century Iceland. The focus of the book is on the ways in which paranormal experiences are related and defined in these texts and how those definitions have framed and continue to frame scholarly interpretations of the paranormal. The book is partitioned into numerous brief chapters, each with its own theme. In each case the author is not least concerned with how the paranormal functions within medieval society and in the minds of the individuals who encounter and experience it and go on to narrate these experiences through intermediaries. The author connects the paranormal encounter closely with fears and these fears are intertwined with various aspects of the human experience including gender, family ties, and death. The Troll Inside You hovers over the boundaries of scholarship and literature. Its aim is to prick and provoke but above all to challenge its audience to reconsider some of their preconceived ideas about the medieval past.

The Troll Inside You

Aleksei is too damaged to fall in love or for anyone to love him. No brave wolftress would want to be mated to the enforcer who couldn't save their alpha from being assassinated. The last thing he needs is to be set up by the matchmaking widow of the man whose life he failed to protect, at a Friendsgiving dinner with their whole family, and at a strip club, none the less. What he needs is a decoy date to get everyone off his back. Helena has purposefully pushed love away anytime it even looks at her funny. She won't be burned like that again. She's even gone so far as to get the one job in town that would keep men off her back. No one is going to make a pass at the plus-size manager of the Naughty Wolf gentleman's club. Except the town's matchmaker doesn't buy any of it. Now Helena's goal is to get through Friendsgiving without appearing like a pathetic loser who doesn't have anyone to love them. What she needs is one of those growly Troika boys to act as her date just for one night. Hungry Wolf is a holiday fake relationship story about a broken hero and a sassy curvy girl set in the Wolves Want Curves world where you'll get to revisit all your favorite characters again.

Hungry Wolf

Lora Leigh does it--in the lair of a strange breed, part man, part wolf, on the hunt for the woman he craves--and needs--to fulfill a hunger clawing at him from within. Angela Knight does it--in the psychic realm of a woman attuned to the touch of strangers--and the powerful temptations of a seductive and mysterious protector. Emma Holly does it--in the fantastic Demon World where a powerful Queen rules--until she commits the sin of falling in love with the handsome son of her worst enemy. Diane Whiteside does it--in an alternate universe of Regency magic where two lovers are threatened by a vicious mage, and swept up in a turbulent war off the Cornish cliffs.

Beyond the Dark

My tracking powers are changing, and I fear what I might become. My life has turned into a Mission Impossible flick, and my tracking agency is paying the price. No matter how hard I try to stay out of the pandemonium unfolding around my city, I keep getting pulled into the thick of things. So the bills

are piling up, our reputations hang in the balance, and we have no new customers. I can almost see the writing on the wall. My dream will crash and burn. To top it all off, my tracking skills are acting up, confusing me and throwing me for a loop when I least expect it. Despite all of this, I can't turn away from the chaos that threatens to turn St. Louis into a Skew warzone, and I keep getting deeper and deeper into the awful scheme that the power-hungry werewolves and vampires that rule the city have concocted. And as I become the center of their deranged plot, I know I have no other choice but to fight them. I just hope I don't lose myself in the process. If you enjoy K.F. Breene, Shannon Mayer, Annette Marie, and CN Crawford then step into a conspiracy where you don't know whom to trust.

The Tracker's Rage

As one of the twelve Guardians, Urian has spent the last several centuries in a constant battle to keep the inhabitants of Earth's Realms under control. Humanity has to evolve, hell beasts need to die, and Immortals need mates. But lately, Uri's mind is overrun with thoughts of the sexy Demi-Goddess he's forbidden contact with. Alexandra and her brothers have managed to evade the Guardians for centuries. Sensing she was needed on Earth, Alexandra forces herself to stay away from the only male who has ever truly enticed her. Until her world turns upside down. For a hundred years she's watched Urian from the shadows, playing a wicked voyeuristic game to no end but to fuel her obsession with him. But now, she must seek out the enthralling Guardian to save her brother's life, even if it means her own exile. Either way, she won't go quietly. Warning: This book contains explicit and sizzling sex scenes with big dominant males.

Ecstasy Unbound

The shifter lord of the criminal underworld. A valiant huntress destined to stop him. A forbidden love that should never have happened.

The Heir

Remembering the dead will always give them life. The coveted Morrígan's staff is up for sale on the black market to the highest bidder, and SOA Special Agent Patrick Collins will do whatever it takes to ensure the Dominion Sect doesn't get their hands on it. Returning the weapon to its rightful owner is another step on the long road toward clearing Patrick's soul debt, but he won't walk it alone. Jonothan de Vere won't let him. Obeying the gods means Patrick must travel to London. For Jono, it means facing a past he thought he'd left behind forever. His return to England isn't welcome, and neither is their pack, but Jono and Patrick will face the antagonism together. Politics aside, their priority must be the mission, but the bone-chilling secret they uncover in the London god pack will have far-reaching repercussions no one can ignore. A race against time takes Patrick and Jono from the streets of London to the bright lights of Paris, where hospitality is thin on the ground, the air is filled with whispered prayers for the missing, and the Morrígan's staff will end up in the one place it should never have gone--a graveyard. For beneath Paris lie the long-forgotten dead, and when they rise to walk again, the living can only hope to die. *On the Wings of War* is a 109k word m/m urban fantasy with a gay romantic subplot and a HFN ending. It is a direct sequel to *A Vigil in the Mourning*. Reading the first book in the series would be helpful in enjoying this one.

On the Wings of War
