Introdução

O cântico dos cânticos tinha que vir mesmo depois de Eclesiastes. Porque, em Eclesiastes, a alma humana demonstra o quanto está vazia, perdida. É um homem em busca de algo para preencher um vazio interior. A alma ficou sem direção depois do pecado e em Eclesiastes Salomão fala dessa alma em busca de preencher esse espaço com dinheiro, fama, amores, mas no final o pregador conclui que tudo é vaidade e que nada preencheu o vazio da alma humana.

Fala de beijo. Face a face - a noiva queria que toda a atenção do Noivo estivesse voltada só para ela. Há muitos tipos de beijo: de amor, fraternal e até de traição. Vinho representa alegria, mas o beijo dele seria melhor do que qualquer alegria, qualquer festa, assim como encher-se do Espírito é melhor do que o vinho. Paulo em Efésios 5:18 diz para não nos embriagarmos com vinho, porque nos encher com o Espírito é melhor

7 A noiva mostra na intimidade todo o seu sentimento de menos-valia. Ela se envergonha diante do Noivo, de seus pecados e de suas vergonhas. No original não é morena e sim rachada, ressecada por causa do sol. Morena, queimada era desvalorizada. É como se ela estivesse dizendo: "Estou fela, suja, ressequida" e se compara com as tendas de Quedar que eram feias, ressequidas, empoeiradas. Mas por dentro as tendas de Quedar eram bonitas. Tinha que tomar conta da vinha do irmão e isso era serviço de homem. É como se ela tivesse dito: fui exposta. Havia um problema familiar, pois ela nem disse meus irmãos e sim os filhos de minha mãe.

ela pede que Ele diga onde Ele apascenta, para que ela possa desfrutar de sua presença ao meio-dia. Quando ela se encontra face a face, se sente indigna, mas não quer continuar igual, quer mudar. Ela viu que não pode mais andar sozinha, porque sozinha ela erra e se desvia do caminho. Ela quer estar num contexto de proteção, quer ser gulada. Mesmo sentindo-se indigna, ela só queria um pouco da presença dEle. Como a mulher fenícia que queria só as migalhas, a mulher hemorrágica que só queria tocar na orla e o centurião que pediu só uma palavra.

9 O Rei fala que ela é a mais formosa. É a Igreja que para Jesus é a mais formosa de todas as mulheres. Ele manda que a noiva vá à batalha para conhecê-lo melhor, indo pelas pisadas de seus rebanhos. É no Éden que começam os rebanhos de Deus. Os cavalos do Egito são os mais belos e as éguas dos carros de Faraó eram lindas, era o que tinha de melhor e Salomão amava e entendia de cavalos. O Rei compara sua noiva com aquelas éguas (vs. 9). Salomão tinha 12.000 cavalos que importava do Egito, porque lá havia os melhores e mais famosos cavalos, e 1.400 cavaleiros para as carruagens (1Rs 10:26-29 e 2Cr 9:25,28).

11 Aquilo que vai cercar a sua altivez será aquilo que o Rei dara, porque ouro significa divindade e glória de Deus. ...te faremos (vs. 11). Tem a presença da Trindade, por estar na primeira pessoa do plural. Ouro representa glória; prata representa redenção, preço pago. . Vs. 12 O nardo é o perfume

mais precioso que existe. É um elogio que ela faz a Ele.

Saquitel de mirra: segundo o costume, este saquinho se achava pendurado no pescoço das damas, exalando suave perfume. É uma ilustração para as virtudes da Noiva (2Co 2:15,16). É o que está entre os seios é o coração. O bom perfume tem que estar no coração. Os antigos acreditavam que o perfume entre os selos, melhora o hálito. Vs. 14 En Gedi é o oásis que ficou escondido. É um lugar maravilhoso no meio do deserto e foi para lá que Davi foi quando estava se escondendo de Saul (15m 24:1).

O Rei está dizendo para ela com ela é linda e seus elogios vão pouco a pouco curando as feridas dela. Os olhos das pombas não são predatórios e não podem olhar para duas coisas ao mesmo tempo. Quando os olhos da pomba se fixam em algo, eles estão entregues e os olhos da pomba são puros, doces e dóceis. E os olhos são a lâmpada do corpo e se forem bons, todo o corpo será bom (Mt 6:22).

## The Norton Shakespeare

"The introductions in this anthology are meant to be just that: a basic overview of what students need to know before they begin reading, with topics that students can research further. An open access literature textbook cannot be a history book at the same time, but history is the great companion of literature: The more history students know, the easier it is for them to interpret literature. In an electronic age, with this text available to anyone with computer access around the world, it has never been more necessary to recognize and understand differences among nationalities and cultures. The literature in this anthology is foundational, in the sense that these works influenced the authors who followed them. A word to the instructor: The texts have been chosen with the idea that they can be compared and contrasted, using common themes. Rather than numerous (and therefore often random) choices of texts from various periods, these selected works are meant to make both teaching and learning easier. While cultural expectations are not universal, many of the themes found in these works are."--Open Textbook Library.
