Gypsy Music Street

It's 1937, the eve of World War II. At twenty-six years old, Rezső Lehrer leaves Munkacs, a small charming city located deep within a remote corner of the Carpathian mountains and travels alone to the United States. War breaks out and Eastern European borders are sealed. Rezső's family is trapped in Czechoslovakia and the packages she sends home are returned unopened. When the war ends, Rezső discovers her parents, two brothers and scores of relatives perished in the Holocaust. Gypsy Music Street is the story of one woman's endless sorrow and guilt she suffers at the loss of her family, the family she left behind "to die alone." Yet she still yearns to return to her town, "the little Paris of the East," to see it just one more time. But after the war, countries borders are redrawn and Mukacevo is no longer located in Czechoslovakia. It becomes completely closed off within the iron grip of the Soviet Union and the political climate is one of Cold War. Mukacevo is off limits for travel. As the years pass, Rezső reminisces, sharing her longing and grief about the past with her daughter Bobbie. And when she dies an old woman, her dream unfulfilled, Bobbie is driven by her own loss and grief to make this journey home for her mother, and for herself. Adventures in Budapest, Ukraine and Israel make Gypsy Music Street an enthralling memoir of love and loss. Yet, it is also a story of the overwhelming joy a daughter experiences when she travels back in time and discovers her own torn roots.

Little Money Street

"Here she found a jealously guarded culture - a society made, in part, of lawlessness and defiance of non-Gypsy norms - that nonetheless made room for her, "a privileged American in a Mediterranean underworld." As her relationship with the Espinas family changed over the years from mutual bafflement to a deep-rooted friendship, Eberstadt found herself a part of Gypsy life, moving about in a large group whose core included Moise, his wife, her sister, and their children - at cockfights, in storefront churches, at malls, in their homes, and at their rehearsals, discovering lives lived "between biblical laws and strip-mall consumerism" - and always accompanied by the intense and infectious beat of their heart-stopping music."--BOOK JACKET.

Gypsy Jazz

Of all the styles of jazz to emerge in the twentieth century, none is more passionate, more exhilaratingly up-tempo, or more steeped in an outsider tradition than Gypsy Jazz. And there is no one more qualified to write about Gypsy Jazz than Michael Dregni, author of the acclaimed biography, *Django*. A vagabond music, Gypsy Jazz is played today in French Gypsy bars, Romany encampments, on religious pilgrimages--and increasingly on the world's greatest concert stages. Yet its story has never been told, in part because much of its history is undocumented, either in written form or often even in recorded music. Beginning with Django Reinhardt, whose dazzling Gypsy Jazz became the toast of 1930s Paris in the heady days of Josephine Baker, Picasso, and Hemingway, Dregni follows the music as it courses through caravans on the edge of Paris, where today's young French Gypsies learn Gypsy Jazz as a rite of passage, along the Gypsy pilgrimage route to Les Saintes-Maries-de-la-Mer where the Romany play around their campfires, and finally to the new era of international Gypsy stars such as Bireli Lagrene, Boulou Ferre, Dorado Schmitt, and Django's own grandchildren, David Reinhardt and Dallas Baumgartner. Interspersed with Dregni's vivid narrative are the words of the musicians themselves, many of whom have never been interviewed for the American press before, as they describe what the music means to them. Gypsy Jazz also includes a chapter devoted entirely to American Gypsy musicians who remain largely unknown outside their hidden community. Blending travelogue, detective story, and personal narrative, Gypsy Jazz is music history at its best, capturing the history and culture of this elusive music--and the soul that makes it swing.

Little Money Street

In 1998, Fernanda Eberstadt, her husband, and their two small children moved from New York to an area outside Perpignan, France — a city with one of the largest Gypsy populations in Western Europe. Here she found a jealously guarded culture, a society made, in part, of lawlessness and defiance of non-Gypsy norms; and she met Moïse Espinas, the lead singer of the Gypsy band, Tekameli. As her relationship with the Espinas family developed over the years, progressing from mutual bafflement to a deep-rooted friendship, Eberstadt found herself a part of the captivating Gypsy life—a life rich with tradition and culture, but slowly being consumed by the modern world.

Princes Amongst Men

Weaving historical fact, mythic tales and contemporary voices, *Princes Amongst Men* recounts a Balkan odyssey in search of the secret history and culture of Europe's greatest musicians - the Roma Gypsies. On his wild and affectionate journey, Garth Cartwright wanders through the ruins of post-Communist Serbia and observes Roma refugees from the Kosovo conflict. He attends a Gypsy wedding in Macedonia, conveys the tragedy of Romania in the aftermath of Ceaucescu, scours Skopje for opium, charts the Euro-Asian beauties so prominent in Bulgaria, almost marries a Gypsy princess in Kocani and witnesses the fiery celebrations that mark Ederlezi, the Night of the Gypsies, in an impoverished Bulgarian Gypsy ghetto. Cartwright's engagement with Gypsy communities bypasses cliché and overturns prejudice to return with the true story of the Gypsies? Balkan blues.

Music, City and the Roma under Communism

This book highlights the role of Romani musical presence in Central and Eastern Europe, especially from Krakow in the Communist period, and argues that music can and should be treated as one of the main points of relation between Roma and non-Roma. It discusses Romani performers and the complexity of their situation as conditioned by the political situations starkly affected by the Communist regime, and then by its fall. Against this backdrop, the book engages with musician Stefan Dymiter (known as Cororo) as the leader of his own street band: unwelcome in the public space by the authorities, merely tolerated by others, but admired by many passers-by and respected by his peer Romain musicians and international music stars. It emphasizes the role of Romani musicians in Krakow in shaping the soundscape of the city while also demonstrating their collective and individual strategies to adapt to the new circumstances in terms of the preferred performative techniques, repertoire, and overall lifestyle.

Gypsy Music in European Culture

Translated from the Polish, Anna G. Piotrowska's *Gypsy Music in European Culture* details the profound impact that Gypsy music has had on European culture from a broadly historical perspective.

The author explores the stimulating influence that Gypsy music had on a variety of European musical forms, including opera, vaudeville, ballet, and vocal and instrumental compositions. The author analyzes the use of Gypsy themes and idioms in the music of recognized giants such as Bizet, Strauss, and Paderewski, detailing the composers' use of scale, form, motivic presentations, and rhythmic tendencies, and also discusses the impact of Gypsy music on emerging national musical forms.

Gypsy Music

Gypsies have for centuries been simultaneously vilified and romanticized—associated with criminality and dirt, but at the same time with color, magic, and music. Gypsy music is popular around the world and often performed with gusto at major events, including at weddings in Bulgaria, jazz bars in Paris, and festivals in the United States. In *Gypsy Music*, Alan Ashton-Smith explores why this music has such wide appeal, surveying the varied styles that are considered to be gypsy music and asking what links them together. The book begins in the Balkans, home to the world's largest Romani populations and a major site of gypsy music production. But just as the traditionally nomadic Roma have traveled globally, so has their music. Gypsy music styles have roots and associations outside of the Balkans, including Russian Romani guitar music, flamenco and gypsy jazz, and the more recent forms of gypsy punk and Balkan beats. Covering the thirteenth century to the present day, and with a geographical scope that ranges from rural Romania to New York by way of Budapest, Moscow, and Andalusia, *Gypsy Music* reveals the remarkable diversity of this exuberant art form.

The Gypsy Caravan

A formidable challenge to the study of Roma (Gypsy) music is the muddle of fact and fiction in determining identity. This book investigates "Gypsy music" as a marked and marketable exotic substance, and as a site of active cultural negotiation and appropriation between the real Roma and the idealized Gypsies of the Western imagination. David Malvinni studies specific composers—including Liszt, Brahms, Rachmaninov, Janacek, and Bartók—whose work takes up contested and varied configurations of Gypsy music. The music of these composers is considered alongside contemporary debates over popular music and film, as Malvinni argues that Gypsiness remains impervious to empirical revelations about the "real" Roma.

Gypsy Music

This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

The Gipsy in Music; 1

One of the greatest musicals of all time, with music by Jule Styne, lyrics by Stephen Sondheim, and a book by Arthur Laurents. *Gypsy* is based on the memoirs of Gypsy Rose Lee, a famous burlesque stripper. The musical focuses on her overbearing mother, Rose, the quintessential stage mother, as she pushes Gypsy (then known as Louise) and her sister June into life on the vaudeville circuit, forever trying to break into the big time. The musical contains many songs that have become popular standards, including 'Everything's Coming up Roses' and 'Let Me Entertain You'. *Gypsy* was premiered on Broadway in May 1959 at The Broadway Theatre (transferring to the Imperial Theatre), directed and choreographed by Jerome Robbins, with Ethel Merman starring as Rose.

Gypsy

Presented here is a rare collection of some of the best Gypsy folk songs popular among the Romanies of Russia and Eastern Europe. All offered in the original Romany tribal dialect, as appropriate to each song, with easy-to-follow pronunciation guide specially formulated for the native English speaker and literal (word-for-word) English translation. The appended short historical and linguistic overview offers

a rare insight into the history, traditions, language as well as the music and songs of this unique and mysterious people. Great addition to any pianist's collection!

Russian Gypsy Folk Songs

The book is a documented history of Hungarian-Slovak Gypsies that came to America over 120 years ago, they brought to America the traditional Hungarian Gypsy music they and their ancestors played in Europe for hundreds of years. They are directly linked to Europe's finest Gypsy musicians. From the villages of Hungary, this music was brought to America to make our hearts sing. It is part of world roots music. Piskor tells us, using words and striking photographs, the inside story about his Gypsy family and friends, and warns us of cultural treasures we may be losing. --Professor Steve Balkin, Roosevelt University I encourage you to acquire a book long overdue when concerning American-Hungarian music. Gypsy Violins is a significant historical document for anyone who has danced or listened to a csárdás or any other Magyar folk music. --Tibor Check Jr. William Penn Life Magazine Congratulations on your new book! Incredibly valuable. --Professor Ian Hancock Ph.D.

Gypsy Violins Hungarian-Slovak Gypsies in America

First published in 1994 in one volume. An A-Z of the music, musicians and discs. 2006 edition available as an e-book.

World Music: Africa, Europe and the Middle East

Django Reinhardt was arguably the greatest guitarist who ever lived, an important influence on Les Paul, Charlie Christian, B.B. King, Jerry Garcia, Chet Atkins, and many others. Yet there is no major biography of Reinhardt. Now, in *Django*, Michael Dregni offers a definitive portrait of this great guitarist. Handsome, charismatic, childlike, and unpredictable, Reinhardt was a character out of a picaresque novel. Born in a gypsy caravan at a crossroads in Belgium, he was almost killed in a freak fire that burned half of his body and left his left hand twisted into a claw. But with this maimed left hand flying over the frets and his right hand plucking at dizzying speed, Django became Europe's most famous jazz musician, commanding exorbitant fees--and spending the money as fast as he made it. Dregni not only chronicles this remarkably colorful life--including a fascinating account of gypsy culture--but he also sheds much light on Django's musicianship. He examines his long musical partnership with violinist Stéphane Grappelli--the one suave and smooth, the other sharper and more dissonant--and he traces the evolution of their novel string jazz ensemble, Quintette du Hot Club de France. Indeed, the author spotlights Django's amazing musical diversity, describing his swing-styled Nouveau Quintette, his big band Django's Music, and his later bebop ensemble, as well as his many compositions, including symphonic pieces influenced by Ravel and Debussy and his unfinished organ mass inspired by Bach. And along the way, the author offers vivid snapshots of the jazz scene in Paris--colorful portraits of Josephine Baker, Bricktop, Louis Armstrong, Coleman Hawkins, and countless others--and of Django's vagabond wanderings around France, Europe, and the United States, where he toured with Duke Ellington. Capturing the extraordinary life and times of one of the great musicians of the twentieth century, *Django* is a must-read portrait of a true original.

CD contains: Market Day in Jumaya -- Afternoon at Mahala Café -- At home in Mahala -- At church, Sunday, December 31 -- Pre-New Year's parties in Serres -- Parties for the new year in Sohos -- Taverna party at Nikisiani -- The road home.

Through Romany Songland

This book focuses on the key elements of the Django Reinhardt Gypsy jazz or jazz Manouche guitar style. the information revealed here was gleaned from years of experience jamming with French

Gypsies and studying with masters of the style. A native of France, Stephane Wrembel acquired his skills entirely by ear and has taught scores of musicians worldwide using the method that appears here in text and notation for the first time. Written in English, German and French with all musical examples in standard notation and tablature, Wrembel conveys his knowledge in a logical step by step manner, exposing the reader to the authentic Manouche style as it continues to evolve in France and Holland. Medium to advanced in difficulty, this method is designed for the guitarist who is already familiar with jazz harmony and note locations on the fretboard.

Songs of the Open Road

For this authoritative post-cold-war biography of Shostakovich's illustrious but turbulent career under Soviet rule, Laurel E. Fay has gone back to primary documents: Shostakovich's many letters, concert programs and reviews, newspaper articles, and diaries of his contemporaries. An indefatigable worker, he wrote his arresting music despite deprivations during the Nazi invasion and constant surveillance under Stalin's regime. Shostakovich's life is a fascinating example of the paradoxes of living as an artist under totalitarian rule. In August 1942, his Seventh Symphony, written as a protest against fascism, was performed in Nazi-besieged Leningrad by the city's surviving musicians, and was triumphantly broadcast to the German troops, who had been bombarded beforehand to silence them. Alone among his artistic peers, he survived successive Stalinist cultural purges and won the Stalin Prize five times, yet in 1948 he was dismissed from his conservatory teaching positions, and many of his works were banned from performance. He prudently censored himself, in one case putting aside a work based on Jewish folk poems. Under later regimes he balanced a career as a model Soviet, holding government positions and acting as an international ambassador with his unflagging artistic ambitions. In the years since his death in 1975, many have embraced a view of Shostakovich as a lifelong dissident who encoded anti-Communist messages in his music. This lucid and fascinating biography demonstrates that the reality was much more complex. Laurel Fay's book includes a detailed list of works, a glossary of names, and an extensive bibliography, making it an indispensable resource for future studies of Shostakovich.

New York Magazine

This book contains practice tips, a helpful glossary, a short essay on the Gypsy touch and a fine assortment of approximately 50 annotated traditional Gypsy tunes from Russia, Romania, Hungary, and Bessarabia. Based on many years of research, travel, and participation in slavas or Gypsy jam sessions, this long-anticipated book makes a significant and colorful contribution to the violin repertoire while providing a thorough grounding in the characteristic elements of the passionate Gypsy style. The CD is a stereo recording of every song in the book at performance tempo with violin accompaniment. Intermediate to advanced.

Gypsy Fires in America

This collection was inspired by the international conference "Dynamics of National Identity and Transnational Identities in the Process of European Integration"

F-O

Smart. Funny. Fearless."It's pretty safe to say that Spy was the most influential magazine of the 1980s. It might have remade New York's cultural landscape; it definitely changed the whole tone of magazine journalism. It was cruel, brilliant, beautifully written and perfectly designed, and feared by all. There's no magazine I know of that's so continually referenced, held up as a benchmark, and whose demise is so lamented" --Dave Eggers. "It's a piece of garbage" --Donald Trump.

Bright Balkan Morning

(Jazz Piano Solos). Over 20 swinging Gypsy favorites, including: After You've Gone * Ain't Misbehavin' * Are You in the Mood * Crepuscule * Daphne * Django's Tiger * Djangology * Honeysuckle Rose * Minor Swing * Nuages * Swing de Paris * Swing Guitar * Ultrafox * and more.

Getting into Gypsy Jazz Guitar

A Choral Extended Work for SATB composed by Johannes Brahms.

Shostakovich

In this book, Silverman introduces readers to the people and cultures who produce this music, offering a sensitive and incisive analysis of how Romani musicians function successfully within oppressive circumstances.

THE INDIAN LISTENER

This book presents 53 vibrant, passionate songs transliterated from Russian and Hungarian to singable English. You'll dance! You'll weep! for voice and piano in guitar-friendly keys with suggested guitar chords. Illustrated with period photographs and artwork. Standard notation.
