Mansarovar - Part III

As a story-writer Premchand had become a legend in his own lifetime. The firmament of Premchand's stories is vast. In view of variety of topics, he, as though, had encompassed the entire sky of humane world into his fold. Each of Premchandji's stories unravels many sides of human mind, many streaks of man's conscience, the evils in some societal practices and heterogeneous angles of economic tortures. All this is done with complete artistry. His stories stir the readers' mind even today by means of their variegated layers of thoughts and feelings. They are all the heralds of human glories coming from the pen of a time-tested author. The very intrinsic nature of his stories, their external formats unfold their entire uniqueness and appeal to the reader's mind. Owing to such special features Premchandji's stories arc still relevant today, as much as they were five decades ago. The chief themes of his stories arc rooted to the rural life with city social life appearing as the contrast to illustrate the complete picture of contemporary Indian life. The stories of Munshi Premchand, fighting on behalf of the downtrodden of the society, who arc suffering from the social and economic agonies, are the strongest assets of our Literature.

Mansarovar

It is an attainment for the Hindi Literature that at the very initial times of its journey, it got a deft painter of human mind like Munshi Premchand. As a story writer Munshi Premchand had become a legend in his own life time. The themes of his stories are rooted to the rural life with urban social life appearing as the contrast to illustrate a complete picture of contemporary life. They also effected the foundation of a new philanthropic heritage of welfare of society. His distinctive style and content are deeply steeped in the hardcore of reality. In view of variety of topics, he, as though, has encompassed the entire sky of humane world into his fold, and are generally based upon some inspiration or experience. Each of Munshi Premchand's stories unravels many sides of human mind, streaks of human's conscience, the evils in some societal practices and heterogeneous angles of economic tortures. His stories are the strongest assets of our literature, thus are still relevant today, as much as they were five decades ago. His stories have been translated in almost all the languages of India and world.

11 Selected Stories of Munshi Premchand

Munshi Premchand, widely lauded as the greatest Hindi fiction writer of the twentieth century, wrote close to 300 short stories over the course of a prolific career spanning three decades. His range and diversity were limitless as he tackled themes of romance and satire, gender politics and social inequality, with unmatched skill and compassion. By turns poignant, acerbic, comical and tragic, many of his stories powerfully invoke the countryside-its pastoral simplicity as well as its harsh realities-while others capture the hopes and anxieties that accompany life in a teeming city where the underdog and the exploiter are caught in an age-old conflict. For the first time ever, Penguin Classics brings together Premchand's entire short-fiction oeuvre for the delight of the English-speaking world. Along with M. Asaduddin's illuminating Introduction, this pathbreaking anthology features several stories not hitherto available either in Hindi or Urdu. Also included are comprehensive notes that provide the publication history of each story-highlighting the differences, sometimes significant and radical, between the Hindi and the Urdu versions of the same story-as well as a definitive chronology, making this a truly singular collection.

Mansarovar

Munshi Premchand-pen name of Dhanpat Rai Srivastava born in Lamhi Village, near Banaras on August 31 July, 1880, died at Banaras on October 8, 1936. Mother died when he was 7 and father died when he was 15 years old. First wife, married when he was 13, left him in 1904 and he remarried a child widow. Became a teacher in 1899 and served in Education department. U.P. till 1921, when he resigned his post to support Gandhiji's non co-operation movement worked as editor of "Maryada" and "Madhuri" and started "Jagaran" and "Hans" from self established Saraswati Press Literary life began in 1901: articles in the Zamana, first short story in 1907, left over 220 stories on his death. First novel in 1901 but that which stamped him as a writer of marked ability was "Sevasadan\

The Complete Short Stories

It is an attainment for the Hindi Literature that at the very initial times of its journey, it got a deft painter of human mind like Munshi Premchand. As a story writer Munshi Premchand had become a legend in his own life time. The themes of his stories are rooted to the rural life with urban social life appearing as the contrast to illustrate a complete picture of contemporary life. They also effected the foundation of a new philanthropic heritage of welfare of society. His distinctive style and content are deeply steeped in the hardcore of reality. In view of variety of topics, he, as though, has encompassed the entire sky of humane world into his fold, and are generally based upon some inspiration or experience. Each of Munshi Premchand's stories unravels many sides of human mind, streaks of human's conscience, the evils in some societal practices and heterogeneous angles of economic tortures. His stories are the strongest assets of our literature, thus are still relevant today, as much as they were five decades ago. His stories have been translated in almost all the languages of India and world.

Revised Curriculum and Credit Framework of Under Graduate Programme, Haryana According to KUK/CRSU University Syllabus as Per NEP-2020

The Best of Premchand

Complete short stories of a Hindi writer.

Stories of Munshi Premchand

Containing eight translations of a short story.

21 Selected Stories of Munshi Premchand

Texts and Their Worlds I (Literatures of India: An Introduction) attempts to introduce students to literatures of India. The selections provide a sampling of diverse texts which open windows into the worlds in which they were created. They bid the reader to think, to understand, and most importantly, to deploy those ideas beyond the classroom. The book integrates Indian writing in English with Indian literatures written in English in India alongside all other literatures produced in India, providing tremendous scope for discussions of commonalities and differences. Key features - A brief introduction to each author and his/her popular works - A critical write-up on each literary piece to prepare students to read the full text - A glossary of words and phrases to facilitate proficiency in reading - Discussion questions to encourage literary and critical analysis

Introduction to Short Story and Basic Grammar (Major/MDC)

"Munshi Premchand, widely lauded as the greatest Hindi fiction writer of the twentieth century, wrote close to 300 short stories in the course of a prolific career spanning three decades. His range and diversity were limitless as he tackled themes of romance, satire, gender politics and social inequality with unmatched skill and compassion. By turns poignant, acerbic, comical and tragic, many of his stories powerfully invoke the countryside its pastoral simplicity as well as its harsh realities while others capture the hopes and anxieties that accompany life in a teeming city where the underdog and the exploiter are caught in an age-old conflict. For the first time ever, Penguin Classics brings together Premchand's entire short-fiction Oeuvre for the delight of the English-speaking world. Along with M. Asaduddin's illuminating Introduction, this path-breaking anthology features several stories not hitherto accessible either in Hindi or Urdu. Also included are comprehensive- notes that provide the publication history of each story-highlighting the- differences, sometimes significant and radical, between the Hindi and the Urdu versions of the same story-as well as a definitive chronology, making this a truly singular collection."--Page 4 de la couverture.

Lanchan And Other Short Stories

Munshi Premchand, a pioneer of realist Hindi fiction as well as one of the most celebrated authors of the Indian sub-continent, lived and wrote during the British colonial period. He has written more than a dozen novels and two hundred fifty stories. Included in this collection are of some of his most famous stories which cover on a microcosmic level almost all the themes dealt in his entire oeuvre. Premchand's stories recreate with great fidelity the life in the country side and small towns of India.

Even though he wrote in a period which now appears to be a distant past, with a value system which is now on the verge of its extinction, the issues raised in his works are still very relevant. Premchand was a master story teller who has created a wide spectrum of characters ranging from feudal lords, noblemen, government officials, prosperous farmers to landless labourers many of whom have become archetypal characters in Hindi fiction. Written in an inimitable but simple language, these stories provide an excellent introduction to the corpus of Premchand. Replete with satire, irony and incidental humour which is typical of Premchand, these stories also provide a delightful reading. Dinesh Verma, who has translated these stories, is also an author. His collection of stories 'The Fine Print and Other Yarns' about life of expatriate Indians in Paris was published in 2009 by UBS Publishers Pvt Ltd, New Delhi. It is now available on Amazon.com and Createspace.com

M nasarovara

These are some of the best stories of legendary Indian Hindi writer and author Munshi Premchand and are a must read for everyone. They have been translated from Hindi to English in a very simple to read language while effort has been made to maintain the flow of the language.

Texts and Their Worlds i

MUNSHI PREMCHAND is one of the most important writers of the Hindi-Urdu canon. His prolific writing contributed largely to shape the genre of the short story as we know it in India. His range and diversity were limitless as he tackled themes of romance and satire, gender politics and social inequality, with unmatched skill and compassion. Premchand's love for the countryside is evident in his fictional and non-fictional writings. Nonetheless, he understood that the seeming idyllic village life was ridden with its own issues. This carefully curated collection brings together some of his best short stories on Indian village life, which he used as an opportunity to critique social issues such as moral bankruptcy, caste injustices, money woes, and blind faith.

The Shroud

Munshi Premchand, widely lauded as the greatest Hindi fiction writer of the twentieth century, wrote close to 300 short stories over the course of a prolific career spanning three decades. His range and diversity were limitless as he tackled themes of romance and satire, gender politics and social inequality, with unmatched skill and compassion. By turns poignant, acerbic, comical and tragic, many of his stories powerfully invoke the countryside-its pastoral simplicity as well as its harsh realities-while others capture the hopes and anxieties that accompany life in a teeming city where the underdog and the exploiter are caught in an age-old conflict. For the first time ever, Penguin Classics brings together Premchand's entire short-fiction oeuvre for the delight of the English-speaking world. Along with M. Asaduddin's illuminating Introduction, this pathbreaking anthology features several stories not hitherto available either in Hindi or Urdu. Also included are comprehensive notes that provide the publication history of each story-highlighting the differences, sometimes significant and radical, between the Hindi and the Urdu versions of the same story-as well as a definitive chronology, making this a truly singular collection.

Texts And Their Worlds - I Literature Of India An Introduction

Munshi Premchand, widely lauded as the greatest Hindi fiction writer of the twentieth century, wrote close to 300 short stories over the course of a prolific career spanning three decades. His range and diversity were limitless as he tackled themes of romance and satire, gender politics and social inequality, with unmatched skill and compassion. By turns poignant, acerbic, comical and tragic, many of his stories powerfully invoke the countryside-its pastoral simplicity as well as its harsh realities-while others capture the hopes and anxieties that accompany life in a teeming city where the underdog and the exploiter are caught in an age-old conflict. For the first time ever, Penguin Classics brings together Premchand's entire short-fiction oeuvre for the delight of the English-speaking world. Along with M. Asaduddin's illuminating Introduction, this pathbreaking anthology features several stories not hitherto available either in Hindi or Urdu. Also included are comprehensive notes that provide the publication history of each story-highlighting the differences, sometimes significant and radical, between the Hindi and the Urdu versions of the same story-as well as a definitive chronology, making this a truly singular collection.

Premchand - Short Stories

Premchand, the undisputed master short story writer has written many short stories and novels. To introduce the master craftsman to the English reader these short stories have been selected for this volume. Each story is a classic in itself. A Pair of two Oxen, The Chess Players, Secret Treasure, Jamai Babu, Game of Tip Cat, The Spell, Idgah and The Tall Talker are all nonpareil of the great writer. The stories have survived the long spell of time and are still the most cherished stories of the reader. Quite a few stories have been selected by various film producers for successful films like The Chess Players as Shatranj Ke Khilari. The stories speak volumes about the economic, social and political conditions of the era. While presenting the English version no compromise has been made with the quality and original flavour of the stories. So the esteemed reader will feel the same magnetic pull in each of the selected stories as in the original by the writer.

Munshi Prem Chand

MUNSHI PREMCHAND is one of the most important writers of the Hindi-Urdu canon. His prolific writing contributed largely to shape the genre of the short story as we know it in India. His range and diversity were limitless as he tackled themes of romance and satire, gender politics and social inequality, with unmatched skill and compassion. Premchand wrote widely about life in the city in the India of his time. In fact, his fictional corpus, if read uncritically, would lend itself to an easy binary between country and city life. This collection attempts to break away from this binary to bring to light the nuance in his understanding of city life.

Premchand

Premchand is considered the first Hindi author whose writings prominently featured realism. Considered the epitome of Hindi literature, Premchand used literature to arouse public awareness about national and social issues and often wrote about topics related to corruption, child widowhood, prostitution, the feudal system, poverty, casteism and colonialism. Undoubtedly, Premchand's vivid characters and unassuming plots make for beautiful, charming stories. The 12 tales in this book bring to you simple plots with characters that you will remember for life. The author's empathy and knowledge of human nature are showcased in each of his expertly crafted unassuming yet heart-touching story.

Selected Short Stories

Pratiyogita Darpan (monthly magazine) is India's largest read General Knowledge and Current Affairs Magazine. Pratiyogita Darpan (English monthly magazine) is known for quality content on General Knowledge and Current Affairs. The Divine Arbiter and Other Stories

(Sahni Imprint)

Mansrovar-V-2

The central argument in this volume is that contemporary social consciousness is marked by an underlying ambivalence that resists analysis in terms of neat binary categories. Exploring the interplay of contradictory impulses and the confluence of apparently irreconcilable forces in the making of social and political phenomena, the essays here deal with a wide range of issues concerning our colonial past and the post-colonial present. The author deals with the stirrings of the nationalist consciousness in nineteenth-century India to show that the same person(s) or movement often revealed both progressive and reactionary attitudes. The ambivalence, further, reveals itself equally in the texts of nineteenth-century writers and in cataclysmic events like Hindu Muslim riots in Gujarat today. Two essays on Govardhan-ram Tripathi, a Gujarati litterateur, bring out the unresolved contradictions that underlay his own consciousness and that of his society. More than a century later, the post-1992 riots in Surat and the Hindutva terror in Gujarat in 2002 reveal the vulnerability of broader social forces. Gandhi's realization of the failure of swadeshi in the wake of Noakhali, as indeed the dilemma posed by his attitude to religious conversion, further prove the point. Sudhir Chandra is the author of *Enslaved Daughters: Colonialism, Law and Women's Rights* (1997), *The Oppressive Present: Literature*

and Social Consciousness in Colonial India (1992), Dependence and Disillusionment: Emergence of National Consciousness in Later Nineteenth Century India (1975).

Modern Library Science Series

I am very closely related to the biography of Munshi. My home town Gorakhpur and Playground Lucknow is so very common to the life story of Munshi Premchand. But the similarity ended there I believe. Munshi was and is an immensely talented yet under-rated story teller. I have always been awed by the simplistic writing skills of Munshi which never fails to touch our heart and his stories have an uncanny ability to get imbibed in your memory for ever. Today I feel elated and lucky to be able to present an English translation of some of his short stories in this book for a better reach to the youngsters and nostalgia for the older generation. I am a huge fan and disciple of Munshi Premchand and take lessons from his humble and honest background. Best Wishes... Dr Anshumali Pandey
