Piers Morgan Urges Kate Middleton To 'Explain' And 'Complain' - Piers Morgan Urges Kate Middleton To 'Explain' And 'Complain' by Piers Morgan Uncensored 253,300 views 1 day ago 34 minutes - Piers Morgan urges **the**, Princess of Wales to come forward and 'explain' and 'complain' - if **the**, royals are to win back public ...

Piers Morgan: 'The Royals have completely lost the narrative they'd clearly like to control'

Piers Morgan: 'On the same day Princess Diana's memory was being honoured, Meghan Markle launched a new luxury lifestyle brand'

TMZ Editor, Harvey Levin, on the first published picture of Kate after her surgery

TMZ Editor: 'I haven't seen this kind of bungling since prosecutors handed OJ Simpson that glove'

TMZ Editor: 'People are so sceptical they are now reviewing the picture we posted'

TMZ Editor: 'The trust of Buckingham Palace has been obliterated.'

Kim Kardashian's 'on my way to go find Kate'

America is asking What is going wrong with the Royal Family? Is it the beginning of the end?

TMZ Editor: 'Harry and Meghan are on the upswing. Meghan was right. It's impossible to be a member of that family.'

Why is this so damaging for the Royal Family in America?

Who is running the palace press teams that is allowing this to happen?

Ukraine's British Embassy has given an official statement saying King Charles is alive after Russia media claimed he died.

Princes Harry and William think the media killed their mother, Princess Diana

Why did none of the public take a picture of Kate Middleton at the farm shop?

Free Kate T-shirts - is James Barr mocking Kate Middleton?

Kate Middleton's health issue is one that 'many women have'

Kate Middleton was called a racist by her sister-in-law, Meghan Markle

Did you believe at the time Meghan Markle's racism claims?

Americans are starting to think, was Meghan right?

Locals know their lives are difficult and so they don't take pictures of Kate Middleton

Is this the beginning of the end for the British Monarchy?

The story of an ambassador's wife who struggles between her societal role and her desire to face herself, to explore her own potentialities. The story of her breakdown, flight, and eventual psychic reintegration is suspenseful and moving in both its dramatic and psychological action.

Anna-Lisas antikviteter

Anna-Lisa Johansson forlader sit kedelige kontorjob i Stockholm for at gøre sin store drøm til virkelighed: Hun åbner en antikvitsforretning i en nedlagt landhandel i Roslagen. Den unge antikvitetshandler nyder til fulde livet på landet og får hurtigt venner i landsbyen. En af dem er Johnny, automekanikeren med de grønne øjne, som oftere og oftere kommer på besøg. Men mørke skyer hober sig op. Antikvitetsstyre hærger området, og på det nærliggende Solstaholms slot får Anna-Lisa en fjende at tage sig i agt for. "Anna-Lisas antikviteter" er anden bog om antikvitetshandleren Anna-Lisa Johansson, en feelgood-serie om at realisere sin drøm, finde lykken i et enkelt landliv og om at tilvælge kærligheden.

Den 7. bog om Satan

En lille pige dør efter flere års vanrøgt og indgår i en nedslående statistik over børn ladt i stikken af både forældre og det system, der skulle tage over. Journalisten Regitze, der skal skrive om sagen, får rippet op i smertefulde minder fra sin egen opvækst – og en gammel plageånd dybt inde i hende vågner af sin dvale. Hun forsøger at rette op på fortiden ved at stille de ansvarlige for pigens død til regnskab. Men er det resultatet, eller er det intentionen bag, der afgør, om en handling er ond? Historien er inspireret af virkelige hændelser.

Et fuldt møbleret liv. En bog om Børge Mogensen

Ida Jessen har siden sin barndom været en lidenskabelig læser. Hvad gør Sigrid Undset, Kathrine Mansfield, Alice Munro, St. St. Blicher, Fjodor Dostojevskij og Kerstin Ekman til nogle af verdens bedste forfattere? Hvor henter de deres stof fra, og hvordan former de det, så det bliver alment menneskeligt? Hvor henter hun selv sit stof? Hvordan kan man konstant forny sig? Og det værste af alle spørgsmål: Hvornår er man færdig som forfatter og skal holde op?

Endnu en bog jeg aldrig skrev

Om Ole Lund Kirkegaards (1940-1979) forfatterskab med hovedvægten på beskrivelsen og analysen af de enkelte værker og bøgernes særlige univers

En Danmarkskrønike 1945-72: Kagen skæres, 1961-68

How do people tell of experiences, things and events that mean a lot to them and are unforgettable? Eight Nordic folklorists here examine personal experience stories and the way they are narrated in an attempt to gain an understanding of the people behind them and to reveal how these people handle their history, their lives and their cultural memory. All the articles are based on interviews and narrator-researcher collaboration. The stories tell about birth, sickness and miraculous cures, intergenerational relations, war, and matters not normally talked about. The analyses complement one another and the work may be used as a university course book.

Bog-anmelderen

Cecilie har fået nok af magi. Det er, som om jo mere magi hun laver, jo mere falder hendes liv fra hinanden. Men hvad nu, hvis det er rigtigt, at Kasper er forelsket i Samira? Og hvad nu, hvis hun skal holde jul sammen med sin mor og Hinke? Så dukker den onde Patrik op igen, og Cecilie tager en beslutning. Sammen med sine venner vil hun prøve den farligste form for magi: De vil hidkalde en dæmon ... "Karma og dæmoner" er 6. bog i serien om Cecilie og hendes veninder. Besøg også www.magiskbog.dk, hvor du kan få smagsprøver på bøgerne, dele din egen magi eller gå på opdagelse i alle de magiske tips og tricks, som Cecilie har fundet i Den magiske bog. Anmelderne skrev: "Der er grin og gisp lige til finalen, der er som taget ud af en western uden heste og pistoler. ... Ømhed og ømme følelser er ramt rent." Steffen Larsen, Politiken (4 hjerter)

Efterskolen Lindenberg Blå Bog 2014

Episk nutidsroman bygget op over en novellecyklus, hvor begyndelse og slutning flyder sammen til et hele. Romanen konstitueres af en række underliggende noveller, der hver for sig repræsenterer de forskellige hændelsesforløb, som over tid former og udvikler såvel den mandlige som den kvindelige hovedperson. Alle novellerne er brudt op, og teknisk anvendes flash backs helt konsekvent. De mange flash backs bliver stille og roligt længere og længere og kommer tættere og tættere på hinanden i tid, så tempoet langsomt falder, og tid og rum efterhånden flyder sammen og samler sig til et hele. En rolig bølgebevægelse mellem højspændt drama og ro og balance, vekselvirkning mellem de smukkeste tænkelige sexscener og hverdagsagtige gøremål og udstrakt brug af humor. Hertil kommer brugen af hverdagskristne holdninger og minutiøse miljøbeskrivelser, der giver læseren en ekstra dimension, da det gør det mulig for læseren at genkende samtlige steder og hændelser undervejs i fortællingen. Temaet er dels et klassisk tema om balance mellem had og kærlighed, dels konflikten mellem hverdagens konventioner og følelserne. Netop da fortællingens hovedpersoners fælles barn fejrer sin 60-års fødselsdag, tager hun mod til sig og kigger nærmere på, hvad det er hendes biologiske far i efterladte dokumenter har at fortælle hende om forældrenes særegne kærlighedshistorie. Slutscenerne vender tilbage til fødselsdagen. Forældrene er travle forretningsfolk. På et tidligt tidspunkt, og mens de er forholdsvis unge, opstår på Island en situation, hvor de fuldstændig forpasser muligheden for at møde kærligheden. Ondskaben tager fart, og den viser sig helt ukontrollabel. Dramatiske begivenheder i bl.a. Norge, hvor hovedpersonerne nærmest efter tur ser døden i øjnene, begynder imidlertid at flytte grænserne for dem både mentalt og på anden vis. Også nogle dramatiske hændelser i både U.S.A. og Danmark, flytter grænser for både hovedpersonerne og nogle af bipersonerne. Kærligheden står overfor ondskaben. Lyset skifter, og kærligheden sejrer; men kun ved nogle få, udvalgte bipersoners aktive indgriben og medvirken over tid. Af dette kaos opstår og udvikler sig så de to hovedpersoners fælles barn som en slags Fugl Phønix fra forældrenes fejltagelser og dybeste kærlighed, hvilket får især slutscenerne til at blive nærmest tidløse.

Ole Lund Kirkegaard. Et Forfatterskab

En dansk bibliotekar flytter til en andalusisk bjerglandsby, som trues af turismen. Efterhånden trives hun, men der skal en naturkatastrofe til, før tilflytterne og de fastboende spaniere finder sammen. Anna Ladegaard (1913-2000) er en dansk forfatter med et internationalt udsyn; Hun arbejdede med turisme i flere europæiske lande og blev senere ansat ved den danske ambassade i Stockholm. I 1953 flyttede hun til Rhodesia, men vendte tilbage til Danmark i 1960. Hendes internationale baggrund spiller en stor rolle for forfatterskabet, som består af både rejseartikler, noveller, kronikker og anmeldelser til dag- og ugeblade. Debutromanen *Opbrud* i oktober (1966) udspiller sig desuden i Rhodesia og er en psykologisk analyse af et ægteskabs opløsning. Ud over ægteskabsanalytisk indhold er Anna Ladegaards romaner kendetegnet ved en omhyggelig komposition og elementære spændingsmomenter. Synsvinklen er altid kvindens. Anna Ladegaard blev tildelt boghandlernes prestigefulde pris De Gyldne laurbær i 1973 for *Egoisterne*.

Inden frosten

Jens Baggesen (1764–1826) var en litterær outsider både i sin samtid og i den senere danske litteraturhistoriskrivning. Med sine formeksperimenter, sin humor og sans for polemik, men også med sin følsomhed og melankoli har han været svær at få rede på for den samtidige offentlighed, der efter 1800 blev tiltagende nationalistisk. Anna Sandberg stiller skarpt på den tyske del af Baggesens forfatterskab, der hidtil har været overset i den danske forskning. Hun fremstiller Baggesen som en grænsegænger, ikke blot mellem det danske og tyske, men også mellem det 18. og 19. århundrede, mellem kosmopolitisme og nationalisme, mellem oplysning og romantik. Bogen behandler som den første hele Baggesens tyske litterære forfatterskab. De versepiske rejsedigte *Parthenais* og *Oceania*, det satiriske drama *Der vollendete Faust* og sonetromanen *Der Karfunkel oder Klingklingelalmanach* samt syndefaldsdigtningen *Adam und Eva* læses med udblik til udvalgte danske værker, særligt *Labyrinten*. Analyserne viser, hvordan Baggesen eksperimenterer og diskuterer med de forskellige litterære epoker og med den tyske idealisme, filosofi og romantik. En grænsegænger mellem oplysning og romantik er et bidrag til undersøgelsen af verdensborgeren Baggesen godt 250 år efter, at han kom til verden i Korsør, og til udforskningen af den dansk-tyske litteraturhistorie. Anna Sandberg, ph.d., er lektor ved Institut for Engelsk, Germansk og Romansk, Københavns Universitet. Hun forsker især i dansk-tyske litterære og kulturelle relationer omkr. 1800 og 1900. Hun har publiceret artikler og bøger om Jens Baggesen og om forfattere som Henrich Steffens, Friedrich Schlegel og Herman Bang.

Narrating, Doing, Experinecing

Dr. Robert Judson Cole forlader i 1839 det politisk urolige Skotland for at drage til Amerika. Her arbejder han i en periode som læge i Bostons slumkvarter, men drager derefter videre til Illinois, hvor han behandler både de lokale hvide og sauk-indianerne, som indvier ham i deres højt udviklede lægekunst. Hans søn, af indianerne kaldet Shaman, rammes som lille af en sygdom, som gør ham døv, men han lærer at leve videre med dette handicap og fører lægetraditionen i familien videre. Shamanen er andet selvstændige bind i amerikanske Noah Gordons succestrilogi. De to andre er Helbrederen og En kvindes valg. .

Desirée og Tårnmesterens triumf

En knaldgul, aflåst container. En efterårsmorgen i 2018 står den bare der, længst ude på havnekajen i Norrtälje. Ingen ved, hvor den kommer fra, eller hvem der ejer den. Og da den langt om længe åbnes, forandrer dens indhold alting i byen. Den dagligdags venlighed, som alle har taget for givet, smuldrer og forsvinder. Vi følger seks personer omkring de 30 år, som også selv er i transformation. Max og Johan spiller minigolf og Pokémon Go og spekulerer på, hvornår det virkelige liv begynder. Siw og Anna går i fitnesscenter for at slippe af med overvægten. Marko og Maria flygtede som børn fra Bosnien og har tilsyneladende klaret sig godt, men noget gnaver. De arbejder ved vej og park, som kassemedarbejder, i ældreplejen, i en bowlinghal og som fotomodel og formueforvalter. Som fortællingen skrider frem, udvikles og indvikles deres indbyrdes relationer, og de føres sammen på en måde, der er uventet for dem alle. VENLIGHEDEN er en roman om forandring, kærlighed og venskab og er John Ajvide Lindqvists hidtil mest ambitiøse tværsnit af samtiden i det mikrokosmos, der hedder Norrtälje.

Mellem Fjeldene

Det er ikke nogen nyhed, at lærere samarbejder i team, og at samspelet med kolleger kan være med til at skabe et godt arbejdsmiljø i skolen. Men samarbejdet kan også være besværligt, endda nogle gange spild af tid. Særligt hvis det ikke gavner eleverne. Alligevel ved vi, at god undervisning ofte opstår, når lærere arbejder sammen i undersøgende team. Hør Thomas R.S. Albrechtsen fortælle om Undersøgende team i forlagets podcastserie Fagbøger, der giver genlyd. Podcasten er produceret af Videnslyd for Aarhus Universitetsforlag.

Den magiske bog 6: Karma og dæmoner

"Grass har begået et sprogligt mesterværk og en intellektuel bedrift." – Peter Poulsen i Information
Günter Grass (f. 1927), oprindelig uddannet grafiker og billedhugger. Har skrevet adskillige romaner, bl.a. Bliktrommen (da. 1961), Flynderen (da. 1978), Kat og mus (da. 1963), Hundear (da. 1965), Lokalbedrøvet (da. 1970), Af en snegls dagbog (da. 1973), Rottesken (da. 1986) og Række tunge (da. 1989). Grass modtog Sonningprisen i 1996. En længere historie er historien om østberlinereren Theo Wuttke, kaldet Fonty, en forsvundet, indadvendt, distant og drømmende helt; og hans modpol, den evige følgesvend og „dagognatskygge“ Hoftaller, tidligere Stasiagent og stikker. Wuttkes kælenavn, Fonty, dækker over hans store interesse, 1900-tals forfatteren Theodor Fontane. Fonty er født på nøjagtig samme dato som Fontane, præcis 100 år efter, i samme by, og hans liv former sig som en mystisk gentagelse af den gamle forfatters liv. Ligesom Fonty er tilskuer til det 'nye' Tysklands genforening oplevede Fontane både den borgelige revolution i 1948 og rigets samling i 1871. – En kras kommentar til Tysklands genforening. „Grass' bog er en modig påmindelse til de sejrende vesttyskere, om at enheden er skrøbelig, og at der ikke er nogen grund til at hovre. „En længere historie“ er en sprudlende og underfundig Tysklandskrønike.“ – Jes Stein Pedersen i Det fri Aktuelt

Lutheraneren

Første bind i Anna Fredrikssons store svenske familiefortælling om mødre og døtre, om forsoning og tilgivelse og om at finde modet til at gå sine egne vegne. En familie har mange hemmeligheder. Sally har aldrig fået svar på, hvorfor hendes mor forlod hende, da hun blot var tre år gammel, og det er en smerte, hun stadig lever med nu næsten halvtreds år senere. Smerten bliver ikke mindre af, at hun også selv har fejlet som mor og kun har sporadisk kontakt med sin voksne datter, Josefin. Da Sally arver sin onkels hus i den lille skånske by Kivik, beslutter hun sig for at flytte dertil, da det også vil bringe hende tættere på datteren, der bor på en gammel gård i nærheden. Dog venter der Sally noget af et chok, da hun opdager, at hendes egen mor, Vanja, også bor i byen og har knyttet et stærkt bånd til barnebarnet. Sally står nu over for et valg: Skal hun blive i Kivik og forsøge at blive den mor, hun aldrig

selv fik, eller skal hun vende tilbage til sit gamle liv i Stockholm? Sally står nu over for et valg: Skal hun blive i Kivik og forsøge at blive den mor, hun aldrig selv fik, eller skal hun vende tilbage til Stockholm?

Astrið

Vandrebøgerne Vandrebøgerne, er skrevet i perioden 1938-1952. De cirkulerede mellem 8 søskende og deres forældre. Sammen med deres ægtefæller og efterhånden også deres børn skrev de om dagliglivet og kommenterede begivenhederne i samfundet. Bøgerne var et led i, at holde sammen på familien i takt med, at de efterhånden som de blev uddannet og gift blev spredt over hele landet. Det blev til i alt ca. 2500 sider fordelt i 12 vandrebøger, der afspejler mange af de begivenheder, der på godt og ondt ramte familien, men som de også kunne stå sammen om. Vandrebøgerne repræsenterer et specielt stykke dansk samtidshistorie. Man kan følge dagligdagen i familien og deres syn på samtiden. Vandrebøgerne er interessante langt ud over deres samtid og ikke mindst en værdifuld arv til de næste generationer efter dem. Denne bog omfatter de 6 første af de i alt 12 vandrebøger. Bøgerne er "oversat" fra håndskrift, som selv de nærmeste efterkommere har besvær med i dag. Familien Kirstine Mathiasen (omtalt som mor) var den ældste af en børneflokk på 7 søstre, født i 1883 i Dyrvig, Hoven sogn i det midtjyske. Hun kom i huset i 1899 hos Venstres leder I.C. Christensen, der var lærer i Stauning, hvor hun også virkede som hjælpelærer. I 1903 blev hun husbestyrerinde hos IP Hansen, som var bestyrer af Sdr. Omme Plantage og som hun blev gift med i 1905. Jens Peter Hansen (IP Hansen, omtalt som far) blev født i Ringgive i 1879. Han blev uddannet plantør og dræningsingeniør på Birkebæk plantage under Dalgas. 1901-1910 blev han den første bestyrer af Sdr. Omme Plantage. 1910-1915 bestyrer af Fæsteholt Plantage. 1915-1929 gårdejer af "Damkjær" ved Vejle. 1929-1944 gårdejer "Hedelund" ved Esbjerg. Kirstine og IP fik i alt 8 børn og 22 børnebørn. Vandrebøgerne fortæller også en historie, der viser den kærlige ballast børnene fik hjemmefra og ikke mindst friheden og lysten til at debattere mange kulturelle og politiske emner i tiden.

Arv

Becca Stenlund har det hele. Hun er ung og smuk og bor i den skønneste gamle villa i skovbrynet; blåmalet, nænsomt renoveret og perfekt retro-chikt indrettet. Og så driver hun den populære livstilsblog Becca i Den blå villa, hvor hun deler ud af sit billedskønne liv med upcycling-projekter, bæredygtigt børnetøj og økologisk plantekost. Alt emmer af overskud og idyl. En sen sommernat trasker Beccas 5-årige søn Bruno alene afsted langs landevejen for at finde sin far. Hjemme på køkkengulvet ligger hans mor ubevægelig og smurt ind i blod. Hårdt kvæstet bliver Becca kørt til sygehuset, og kriminalassistent Anna Glad får til opgave at udrede, hvad der er sket i Den blå villa. Har nogen gjort alvor af de modbydelige trusler, som på det seneste er dukket op i bloggens kommentarspor? Mens Becca svæver mellem liv og død på hospitalet, finder mystiske hændelser sted omkring Den blå villa. Hønsene forsvinder, friske blomster dukker op i vaserne, og en skovtroll holder øje med Bruno. DEN BLÅ VILLA er første selvstændige roman om kriminalassistent Anna Glad.

Dansk litteraturhistorie: Fra Oehlenschläger til Kierkegaard, af Gustav Albeck, Oluf Friis og Peter P. Rohde

Svend Åge Madsens roman BESØGET fra 1963 i e-bogsudgave. BESØGET foregår i en særlig drømmetilstand, hvor fortælleren tvinges længere og længere mod afgrunden. I sine tanker forsøger fortælleren at opbygge forsvarspositioner og planer mod de farer, der hele tiden lurar. I angst for at blive misforstået eller fremstå provokerende, når han dog aldrig at udføre sine nøje udtænkte planer og forsvarspositioner. BESØGET er Svend Åge Madsens debut. Hans tidlige bøger er kendetegnet ved at være skrevet i en bevidst abstrakt stil, rensat for handling og miljø. Inspireret af eksistentiel filosofi og litterær modernisme skildrer de absurd-humoristisk det isolerede jeg, som forgæves søger at finde en mening i verden.

Dansk litteratur historie

Krimi. Er verdens fugle dinosaurernes efterkommere? Det er emnet for Annas speciale på biologistudiet, og jo dybere hun trænger ned i emnet, des tydeligere bliver det, at både videnskabelig og almenmenneskelig uredelighed kan få voldsomme konsekvenser

Her på bjerget

J. P. Jacobsen er en af Danmarks væsentligste forfattere. Han var berømt i sin samtid, oversatte Darwins hovedværker til dansk, og romanerne Marie Grubbe og Niels Lyhne var de mest omtalte udgivelser, da de udkom, ligesom novellen "Mogens" – i hvert tilfælde i bakspejlet – betegnede et skel i litteraturhistorien. Efter sin død blev han en regulær litterær verdensstjerne og var bl.a. Rilkes absolutte yndlingsdigter: «Lev for en tid i disse bøger, lær af dem, hvad der synes Dem værd at lære, men frem for alt, elsk dem».

En grænsegænger mellem oplysning og romantik

En ung, streng og ambitiøs præst, hr. Poul, ankommer til Færøerne for at overtage et afsidesliggende kald. Her lever den unge præsteenke, Barbara, som trods sin unge alder allerede har to ægteskaber bag sig. Hr. Poul forelsker sig - meget mod sin vilje - i hende og de bliver gift, hvilket får fatale konsekvenser for dem begge.
