This compilation of books are all clean Cozy Mystery short stories that do not contain any foul language, sexual situations, witches, or paranormal events. Book 1 - Forest For The Trees Angela Crawford returned to her home town of Millerston to work in the family lumber business after going through a difficult divorce. She had always considered herself to be a strong woman, but just as she was starting to get comfortable in her new surroundings her ex suddenly shows up in town. Could his visit result in murder? Book 2 - Put Your Affairs In Order After 60 years owning and operating Crawford Lumber Angela Crawford's parents have decided to take a vacation. Angela of course thinks that she will be in charge of running the business while they're gone. Will her parents trust her to run the business in their absence or do they have another plan that could result in murder? Book 3 - A Snake In The Grass Small town USA, Millerston Oregon, is about to get its first new big box store and the protesters are already lining up. Angela Crawford is looking for a creative way to help the local protesters block the new store from ruining the small-town businesses. Will the new change in the landscape result in murder? Book 4 He Loves Me He Loves Me Not Angela Crawford just received a job offer from her former employer in California with a starting salary at twice her prior wages. Now she must decide whether to leave her family owned business, and her new boyfriend, to move back to California where her ex-husband currently resides. Could that decision result in murder? Book 5 The Proof Is In The Printing After the recent threat of a national big-box store coming to Millerston, Angela Crawford decided it's time to put her marketing skills to work. Family owned Crawford Lumber hasn't added any new products to sell for many years, and it's time change that. Will adding a new product line result in murder? Book 6 Deck The Walls Snow is falling and Christmas is just a short time away. Crawford Lumber had closed due to inclement weather and Angela Crawford decided to work on her own home remodeling project during the downtime. Could the house she inherited from her grandmother hold a secret from long ago?

Act of Murder

When one of Professor Emmeline Prather's students dies while working on the fall musical, Em has reason to suspect foul play. She teams up with fellow English professor Lenny Jenkins to comb the campus and vicinity for clues, a venture that puts their reputations, their jobs, and even their lives at risk. Book 1 of a new cozy mystery series.

Uncharted Territory

Angela Panther's ability to communicate with the dead gets her called in on the case when an unidentified fourteen-year-old boy takes a dive off an interstate overpass. Atlanta detective Aaron Banner knows she's legit, and he wants to know: was the boy's death suicide, or murder? The problem is, the spirit can't remember who he was or the night he died, and to make matters worse, he doesn't care. To complicate matters Angela's best friend Mel, newly single and on the prowl, has her sights set on the sexy Detective Banner, and Angela's mother drives her even more crazy dead than alive.

The Mystery at Underwood House

Chilling new YA, perfect for fans of Orange is the New Black and Stephen King. After three years in juvie, Angela Davis is just three months shy of release. She'll finally see her little brother again. And she'll get the hell out of the pit that is Brunefield Correctional Facility. But then Jessica arrives ... She's young, only ten years old, and she's brought to Brunefield in shackles under the highest security possible. She doesn't speak and is placed in the segregation ward. No one knows what she did to end up there. But there are plenty of rumours. Soon creepy things begin to happen to Angela and her friends that can only be traced to the new girl's arrival and it becomes clear that Jessica is more dangerous than anyone ever expected ...

Lost Girls

Everybody needs someone who gets their crazy Hank Kirby can't catch a break. He doesn't mean to screw up. It just happens. Case in point: his attempt to ask out the girl he likes literally goes up in flames when he spelled "prom" in sparklers on Amanda Carlisle's lawn...and nearly burns down her house, without ever asking her the big question. Hank just wants to pretend the incident never happened. And he might've gotten away with it-except there is a witness. Peyton Breedlove, brooding loner and budding pyromaniac, saw the whole thing, and she blackmails Hank into an unusual friendship. Sure, Hank may be headed for his biggest disaster yet, but it's only when life falls apart that you can start piecing it back together. "Funny, authentic, and, at turns, heartbreaking."-Jessi Kirby, author of Things We Know by Heart and Moonglass "I had so much fun reading this book."-Adi Alsaid, author of Never Always Sometimes and Let's Get Lost

Burning

Meet Detective Lottie Parker in this page-turning serial killer thriller, guaranteed to keep you reading late into the night that's great for fans of Rachel Abbott, Karin Slaughter and Robert Dugoni. When a woman's body is discovered in a cathedral and hours later a young man is found hanging from a tree outside his home, Detective Lottie Parker is called in to lead the investigation. Both bodies have the same distinctive tattoo clumsily inscribed on their legs. It's clear the pair are connected, but how? The trail leads Lottie to St Angela's, a former children's home, with a dark connection to her own family history. Suddenly the case just got personal. As Lottie begins to link the current victims to unsolved murders decades old, two teenage boys go missing. She must close in on the killer before they strike again, but in doing so is she putting her own children in terrifying danger? Lottie is about to come face to face with a twisted soul who has a very warped idea of justice.

My Kind of Crazy

Winner of the British Fantasy Award, The Scar by China Miéville is a colossal fantasy of incredible diversity and spellbinding imagination, set in the richly visualized world of Bas-Lag. A human cargo bound for servitude in exile . . . A pirate city hauled across the oceans . . . A hidden miracle about to be revealed . . . These are the ingredients of an astonishing story. It is the story of a prisoner's journey. Of the search for the island of a forgotten people, for the most astonishing beast in the seas, and ultimately for a fabled place - a massive wound in reality, a source of unthinkable power and danger.

The Missing Ones

I'm not supposed to leave the house. But what my husband doesn't know won't kill him. I break his rules every morning on my runs. It's always been best when I have a routine. So every day I wake up, run, clean the house, wish for a better life, repeat. And every day is exactly the same. Except for Thursdays. I live and breathe for Thursdays. It's when he comes. I watch him from a distance. I can't help myself. But I was never supposed to talk to him. I know what you're thinking. But you don't know my story. You don't know the kind of monster my husband is. And trust me, you have no idea who I am.*This is a standalone thriller with an unforgettable twist.*

The Scar

Blake Moreno doesn't do relationships, ever. With more money than he knows what to do with and his pick of beautiful women, he has no plans of becoming tied down. Hadley Jacobs doesn't have time for dating. With plans to finish culinary school and to own her own bakery, she has her life all mapped out.

Blake thinks Hadley is infuriating... Hadley thinks Blake is controlling... Both couldn't be more wrong. When life throws them a curve ball, they have no choice but to catch it and to prove that in the end, love wins. Every. Time.

The Truth in My Lies

Bianca will risk everything to be with Lucas. After escaping from Evernight Academy, the vampire boarding school where they met, Bianca and Lucas take refuge with Black Cross, a fanatical group of vampire hunters. Bianca must hide her supernatural heritage or risk certain death at their hands. But when Black Cross captures her friend—the vampire Balthazar—hiding is no longer an option. Soon, Bianca and Lucas are on the run again, pursued not only by Black Cross, but by the powerful leaders of Evernight. Yet no matter how far they travel, Bianca can't escape her destiny. Bianca has always believed their love could survive anything . . . but can it survive what's to come?

Gold Digger

A new novel from Angela Cervantes that uses the story of Frida Kahlo to help readers discover the true power of heritage, art, and family. A room locked for fifty years. A valuable peacock ring. A mysterious brother-sister duo. Paloma Marquez is traveling to Mexico City, birthplace of her deceased father, for the very first time. She's hoping that spending time in Mexico will help her unlock memories of the too-brief time they spent together. While in Mexico, Paloma meets Lizzie and Gael, who present her with an irresistible challenge: The siblings want her to help them find a valuable ring that once belonged to beloved Mexican artist Frida Kahlo. Finding the ring means a big reward -- and the thanks of all Mexico. What better way to honor her father than returning a priceless piece of jewelry that once belonged to his favorite artist! But the brother and sister have a secret. Do they really want to return the ring, or are they after something else entirely?

Hourglass

The impact on a 16-year-old girl when her mother abandons the family. On the one hand she is glad to be free of her mother's criticism, on the other she feels an aching emptiness. By the author of Suspicious River.

American Book Publishing Record

The Girl on the Train meets Before I Go to Sleep with a dash of Bridget Jones in this chilling tale of love gone horribly wrong ... Any woman who's ever been involved with a bad, bad man and been dumped will understand what it feels like to be broken, broken-hearted and bent on revenge. Taylor Bishop is hurt, angry and wants to destroy Angus Hollingsworth in the way he destroyed her: 'Insidiously. Irreparably. Like a puzzle he'd slowly dissembled ... stolen a couple of pieces from, and then discarded, knowing that nobody would ever be able to put it back together ever again.' So Taylor consults The Art of War and makes a plan. Then she takes the next irrevocable step – one that will change her life forever. Things start to spiral out of her control – and The Sunday Girl becomes impossible to put down. Praise for The Sunday Girl 'A gripping psychological thriller.' – The Daily Telegraph 'The Girls Club of psychological thrillers has a worthy new member.' – Herald Sun 'Exciting, irresistible, and real.' – Good Reading ? 'An abrasive thriller that will leave readers with a bit of a burn' – Booklist

Me, Frida, and the Secret of the Peacock Ring (Scholastic Gold)

Thyla is a story of Tasmania: of darkness, of convicts, of devils and tigers, and of promises that stay true through the centuries. It is the story of what happened to Cat, and what Tessa really is. My name is Tessa. I am strong. I am brave. I do not cry. These are the only things I know for certain. I was found in the bush, ragged as a wild thing. I have no memory - not even of how I got the long, striping slashes across my back. They make me frightened of what I might remember. The policewoman, Connolly, found me a place in a boarding school and told me about her daughter, Cat, who went missing in the bush. I think there is a connection between Cat, me, and the strange things going on at this school. If I can learn Cat's story, I might discover my own - and stop it happening again. A thrilling paranormal tale of shapeshifting, a centuries-old war and finding out who you really are when your memories betray you.

White Bird in a Blizzard

This is not your typical happily ever after... Lauren Brooks wants to do three things: Escape the small town she grew up in, get accepted to her dream school in Chicago, and graduate without drowning in debt. Now she's working her ass off to do just that. With a full course load and a waitressing job at one of the hottest night clubs in Chicago, she does not have time for distractions; namely ones who only want to get into her pants. She's been burned before. Only a fool goes for a second round.. With just two semesters left until graduation, everything's on track. Until she meets Cal. Enter distraction. At six-foot-two, with ebony hair, deep grey eyes, and a smile that could only hide an agenda, she knows he's trouble. And for the first time in her life, a little trouble might be just what she needs. No what she wants. It isn't like she'd ever marry the guy. Until she does. What she thinks will be her happily ever after, is only the beginning. Cal has a secret. One that makes loving him come with a price, and being his wife cost more than she bargained for.

The Sunday Girl

Does love have a cost? Brian Silver is CEO of the world's largest coffee house chain in the world, Silver Coffee. Growing up in a wealthy family, Silver had it all: money, fame, and any man he wanted, but that was never enough. Silver wants more. After a tragic health event that leaves him vulnerable in life, he realizes that business will not bring him the happiness he needs, and he'll do anything to find that happiness. Greyson Black is a coffee house barista in one of the Silver Coffee chains in downtown Manhattan. Greyson is finishing school and determined to find the best path for his life. When Brian Silver makes a "surprise" stop at the franchise, he's more than intrigued by the young, gorgeous Greyson. Silver knows there's only one thing that he must have now, and he will do whatever it takes to get him. When Silver and Greyson get together, sparks fly. Silver is perfect in Greyson's eyes, but is love blind? A mysterious stranger is out for Greyson, and the mind games have just begun. Greyson starts to question everything, including Silver's advances. When Danger is lurking around every corner, no one is safe. Greyson will have to determine if love is worth the danger and excitement. Can attraction be fatal, or will attraction be the saving grace Greyson needs? Will Silver's secrets ruin them or will someone else have the first shot? Love is blinding, but suspicion is the real killer. Silver & Black is a gay mystery romance. 18+ for gay sexual content, language, and some violence.

Silver and Black

A new town, a fresh start. A chance to escape old demons. Or meet new ones. He got on the Trailways bus in Galbraith, North Dakota, booked all the way through to Spokane. But the Help Wanted sign at the diner in Cross Creek was calling his name. Soon, he had a job working the grill and a place to stay, and a new name to go with them. But what he didn't have was peace of mind. Or a clear conscience. Or any memory at all of what he'd done the night before fleeing Galbraith. What he'd done to get the scratches on his wrists and the backs of his hands]] In this brand new novella, Mystery Writers of America Grand Master Lawrence Sanders delivers an unforgettable portrait of a troubled man trying to lay the ghosts of his past and make a new life for himself. But there are things you can't run away from, and one of them is who you really are. Subtle and painful and beautifully crafted, Resume Speed is Lawrence Sanders at the pinnacle of his storytelling powers.

Talking Book Topics

"A free-wheeling vehicle . . . an unforgettable ride!"—The New York Times Cat's Cradle is Kurt Vonnegut's satirical commentary on modern man and his madness. An apocalyptic tale of this planet's ultimate fate, it features a midget as the protagonist, a complete, original theology created by a calypso

singer, and a vision of the future that is at once blackly fatalistic and hilariously funny. A book that left an indelible mark on an entire generation of readers, Cat's Cradle is one of the twentieth century's most important works—and Vonnegut at his very best. "[Vonnegut is] an unimitative and inimitable social satirist."—Harper's Magazine "Our finest black-humorist . . . We laugh in self-defense."—Atlantic Monthly

He thinks he sees a flash of emotion in her eyes. Sympathy? Then it's gone. 'Whatever you think this is going to be like,' she whispers, 'it's going to be worse.' When beautiful serial killer Gretchen Lowell captured her last victim - the man in charge of hunting her down - she quickly established who was really in control of the investigation. So why, after ten days of horrifying physical and mental torture, did she release Detective Archie Sheridan from the brink of death and hand herself in? Two years on, Archie now returns to lead the search for a new killer, whose recent attacks on teenage girls have left the city of Portland reeling. Shadowed by vulnerable young reporter Susan Ward, Archie knows that only one person can help him climb into the mind of this psychopath. But can Archie finally manage to confront the demons of his past without being consumed by them? 'Dark, distressing and disturbing . . . Just pray you never meet Gretchen' Val McDermid 'What may be the creepiest serial killer ever created. This is an addictive read!' Tess Gerritsen 'Move over Thomas Harris, there's a new kid on the block . . . Compelling, highly believable and very sexy' Daily Mirror

Since Kate Beaton appeared on the comics scene in 2007 her cartoons have become fan favourites and gathered an enormous following, appearing in the New Yorker, Harper and the LA Times, to name but a few. Her website, Hark! A Vagrant, receives an average of 1.2 million hits a month, 500 thousand of them unique. Why? Because she's not just making silly jokes. She's making jokes about everything we learned in school, and more. Praised for their expression, intelligence and comic timing, her cartoons are best known for their wonderfully light touch on historical and literary topics. The jokes are a knowing look at history through a very modern perspective, written for every reader, and are a crusade against anyone with the idea that history is boring. It's pretty hard to argue with that when you're laughing your head off at a comic about Thucydides. They also cover whatever's on her mind that week - be it the perils of city living or the pop-cultural infiltration of Sex and the City, featuring an array of characters, from a mischievous pony, to reinvented superheroes, to a surly teen duo who could be the anti-Hardy-Boys. Perceptive, sharp and wonderfully irreverent, Hark! A Vagrant is as informative as it is hilarious, and a comic collection to treasure.

Hue & Cry

1579, St Andrews. Hew Cullan, a young lawyer, returns home from studying in Paris. But it proves to be a cold homecoming as Hew's friend, university regent Nicholas Colp, is accused of murdering a thirteen-year-old boy. The boy was a private pupil of Nicholas, and salacious gossip backed up by incriminating letters have him judged, convicted, and heading for the hangman's noose. Investigating the crime, Hew uncovers a dark tale of duplicity and passion amidst a world of religious piety and the chilling austerity of university life. From a case that seems to be open and shut, a Pandora's Box of lies and corruption emerges. Hue & Cry is the first in the must-read series of Hew Cullan Mysteries, for fans of thrilling historical fiction.

Hue and Cry

1579, St. Andrews. A thirteen-year old boy meets his death on the streets of the university city of St. Andrews and suspicion falls upon one of the regents at the university, Nicholas Colp. Hew Cullan, a young lawyer recently returned home from Paris, uncovers a complex tale of passion and duplicity, of sexual desire and tension within the repressive atmosphere of the Protestant Kirk and the austerity of the academic cloister.

Hue and Cry

1581, Edinburgh. Running from his new responsibilities as head of the family in St Andrews, young lawyer Hew Cullan arrives in the vibrant capital of medieval Scotland. There he plans to publish his late father's book and quietly endure the completion of his legal training under an old family friend. Life in the whirl of Edinburgh is full of dangers and distractions for Hew. Beautiful women, fashionable living and the treacherous world of the law threaten to turn his head. But a brutal murder and hints of a long-hidden mystery draw him into a deadly game against an unrepentant foe. When the game is murder, can Hew Cullan play to win? Fate & Fortune is the second Hew Cullan mystery by Shirley McKay.

Fate & Fortune

Featuring a half-Chinese detective protagonist, A GENTLEMAN'S MURDER is a must for those who love mysteries and reads like a Christie-esque whodunit with a modern eye toward the historical treatment of Chinese veterans and post-war racism.

A Gentleman's Murder

When Tom is sent to stay at his aunt and uncle's house for the summer, he resigns himself to endless weeks of boredom. As he lies awake in his bed he hears the grandfather clock downstairs strike . . . eleven . . . twelve . . . thirteen . . . Thirteen! Tom races down the stairs and out the back door, into a garden everyone told him wasn't there. In this enchanted thirteenth hour, the garden comes alive - but Tom is never sure whether the children he meets there are real or ghosts . . . This entrancing and magical story is one of the best-loved children's books ever written.

Tom's Midnight Garden

St Andrews, 1583, and tensions are running high. Dissension rages between King and councillors, and between separate factions of the Kirk. Hew Cullan is called to investigate a mysterious incident, and finds suspicion falling upon him as he is ensnared in a world of superstition, subterfuge and death. Hew Cullan finds himself once again in the company of his sister Meg and her husband, Giles Locke, in their most challenging case yet. Alliances are formed; there are old scores to be settled; old ghosts reappear and spies are abroad. The king's escape from captivity throws all into confusion, and as Hew's loves and loyalties are put to the test, his own life and future are no longer secure. Friend & Foe is the fourth Hew Cullan mystery by Shirley McKay.

Friend & Foe

The first book in an enthralling mystery series from award-winning author Peter May. "A WRITER I WOULD FOLLOW TO THE ENDS OF THE EARTH." --Marilyn Stasio, The New York Times Book Review "SHINES WITH INTRIGUE AND SUPERB PLOTTING." --USA Today Every step toward solving the case brings Scottish detective Fin Macleod closer to a dangerous confrontation with the dark events of the past that shaped--and nearly destroyed--his life. When a grisly murder occurs on the Isle of Lewis that bears similarities to a brutal killing on mainland Scotland, Edinburgh detective and native of the Isle of Lewis Fin Macleod is dispatched to the Outer Hebrides to investigate, embarking at the same time on a voyage into his own troubled past. As Fin reconnects with the people and places of his tortured childhood, the desolate but beautiful island and its ancient customs assert their grip on his psyche.

* Instant NEW YORK TIMES and USA TODAY bestseller ** GOODREADS CHOICE AWARD WINNER for BEST DEBUT and BEST ROMANCE of 2019 ** BEST BOOK OF THE YEAR* for VOGUE, NPR, VANITY FAIR, and more! * What happens when America's First Son falls in love with the Prince of Wales? When his mother became President, Alex Claremont-Diaz was promptly cast as the American equivalent of a young royal. Handsome, charismatic, genius—his image is pure millennial-marketing gold for the White House. There's only one problem: Alex has a beef with the actual prince, Henry, across the pond. And when the tabloids get hold of a photo involving an Alex-Henry altercation, U.S./British relations take a turn for the worse. Heads of family, state, and other handlers devise a plan for damage control: staging a truce between the two rivals. What at first begins as a fake, Instagramable friendship grows deeper, and more dangerous, than either Alex or Henry could have imagined. Soon Alex finds himself hurtling into a secret romance with a surprisingly unstuffy Henry that could derail the campaign and upend two nations and begs the question: Can love save the world after all? Where do we find the courage, and the power, to be the people we are meant to be? And how can we learn to let our true colors shine through? Casey McQuiston's *Red, White & Royal Blue* proves: true love isn't always diplomatic. "I took this with me wherever I went and stole every second I had to read! Absorbing, hilarious, tender, sexy—this book had everything I crave. I'm jealous of all the readers out there who still get to experience *Red, White & Royal Blue* for the first time!" - Christina Lauren, New York Times bestselling author of *The Unhoneymooners* "*Red, White & Royal Blue* is outrageously fun. It is romantic, sexy, witty, and thrilling. I loved every second." - Taylor Jenkins Reid, New York Times bestselling author of *Daisy Jones & The Six*

A grisly murder. A vanishing corpse. A secret romance. A ghostly tale. An innocent accused. Set in the year of the Armada, 1588: *A Calendar of Crime* brings together five short stories featuring Hew Cullan. From the gruesome murder of a candlemaker to Spanish ghosts on Halloween, Shirley McKay delivers five gripping tales of mystery that will keep you reading long into the night.

1588: A Calendar of Crime

Captivating and action-packed, *From Blood and Ash* is a sexy, addictive, and unexpected fantasy perfect for fans of Sarah J. Maas and Laura Thalassa. A Maiden... Chosen from birth to usher in a new era, Poppy's life has never been her own. The life of the Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to experience pleasure. Waiting for the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers. A Duty... The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard honor bound to ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her anger, makes her question everything she believes in, and tempts her with the forbidden. A Kingdom... Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more, determined to take back what they believe is theirs through violence and vengeance. And as the shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. Poppy is not only on the verge of losing her heart and being found unworthy by the gods, but also her life when every blood-soaked thread that holds her world together begins to unravel. Reviews for *From Blood and Ash*: "Dreamy, twisty, steamy escapism. Take me back!" - New York Times bestseller Wendy Higgins "Jennifer Armentrout has the power to control my emotions with every word she writes. From swooning to crying to racing through the pages to find out what happens next, I couldn't stop reading about Hawke and Poppy, and you won't be able to either." - Brigid Kemmerer, New York Times Bestselling Author of *A Curse So Dark and Lonely* "Action, adventure, sexiness, and angst! *From Blood and Ash* has it all and double that. Ulysses

1582, St Andrews. A violent storm wrecks a ship nearby, and the only man about dies without revealing how he came to be there alone, or where the ship was headed. But neither he nor the wreck is really of interest to the townsfolk of St Andrews. Lashed to the deck of the ship is a windmill, a much-needed innovation for the town, but one which soon brings devastation as squabbling over its ownership breaks out. Tasked with tracing the ship to its source, reluctant lawyer Hew Cullan embarks on a journey that will take him far from the security of home and family to Ghent, in the war-torn Low Countries. But are

the truth and tragedy surrounding the windmill's real owner – and the death's connected to it – closer to home than Hew could ever imagine? *Time & Tide* is the third Hew Cullan mystery by Shirley McKay.

MacKayla Lane's life is good. She has great friends, a decent job, and a car that breaks down only every other week or so. In other words, she's your perfectly ordinary twenty-first-century woman. Or so she thinks . . . until something extraordinary happens. When her sister is murdered, leaving a single clue to her death—a cryptic message on Mac's cell phone—Mac journeys to Ireland in search of answers. The quest to find her sister's killer draws her into a shadowy realm where nothing is as it seems, where good and evil wear the same treacherously seductive mask. She is soon faced with an even greater challenge: staying alive long enough to learn how to handle a power she had no idea she possessed—a gift that allows her to see beyond the world of man, into the dangerous realm of the Fae. . . As Mac delves deeper into the mystery of her sister's death, her every move is shadowed by the dark, mysterious Jericho, a man with no past and only mockery for a future. As she begins to close in on the truth, the ruthless Vlane—an alpha Fae who makes sex an addiction for human women—closes in on her. And as the boundary between worlds begins to crumble, Mac's true mission becomes clear: find the elusive Sinsar Dubh before someone else claims the all-powerful Dark Book—because whoever gets to it first holds nothing less than complete control of the very fabric of both worlds in their hands. . . . From Blood and Ash

The popular image of Scotland is dominated by widely recognized elements of Celtic culture. But a significant non-Celtic influence on Scotland's history has been largely ignored for centuries? This book argues that much of Scotland's history and culture from 1100 forward is Jewish. The authors provide evidence that many of the national heroes, villains, rulers, nobles, traders, merchants, bishops, guild members, burgesses, and ministers of Scotland were of Jewish descent, their ancestors originating in France and Spain. Much of the traditional historical account of Scotland, it is proposed, rests on fundamental interpretive errors, perpetuated in order to affirm Scotland's identity as a Celtic, Christian society. A more accurate and profound understanding of Scottish history has thus been buried. The authors' wide-ranging research includes examination of census records, archaeological artifacts, castle carvings, cemetery inscriptions, religious seals, coinage, burgess and guild member rolls, noble genealogies, family crests, portraiture, and geographic place names.

Time & Tide

Lips Touch: Three Times

By the author of *Black Narcissus*. 'Her craftsmanship is always sure; her understanding of character is compassionate and profound; her prose is pure, delicate, and gently witty' *New York Times* 'The motto was Pax but the word was set in a circle of thorns. Peace, but what a strange peace, made of unrelenting toil and effort.' Bruised by tragedy, Philippa Talbot leaves behind a successful career with the civil service for a new calling: to join an enclosed order of Benedictine nuns. In this small community of fewer than one hundred women, she soon discovers all the human frailties: jealousy, love, despair. But each crisis of heart and conscience is guided by the compassion and intelligence of the Abbess and by the Sisters' shared bond of faith and ritual. Away from the world, and yet at one with it, Philippa must learn to forgive and forget her past . . .

The Secret Garden

The *New York Times* bestseller about West Point's Class of 1966, by Pulitzer Prize-winning journalist and author Rick Atkinson. "A story of epic proportions [and] an awesome feat of biographical reconstruction."—*The Boston Globe* A classic of its kind, *The Long Gray Line* is the twenty-five-year saga of the West Point class of 1966. With a novelist's eye for detail, Rick Atkinson (author of the *Liberation Trilogy*) illuminates this powerful story through the lives of three classmates and the women they loved—from the boisterous cadet years, to the fires of Vietnam, to the hard peace and internal struggles that followed the war. The rich cast of characters also includes Douglas MacArthur, William C. Westmoreland, and a score of other memorable figures. The class of 1966 straddled a fault line in American history, and Atkinson's masterly book speaks for a generation of American men and women about innocence, patriotism, and the price we pay for our dreams

Disenfranchising Democracy

One of the most popular storytellers of all time, V.C. Andrews (*Flowers in the Attic*, *My Sweet Audrina*) continues an engrossing saga of psychological suspense with this second book of the Landry Family series—soon to be a Lifetime movie! Fate has whisked Ruby away from a simple life in the Louisiana Bayou but her new riches bring more treachery than happiness in this unputdownable and darkly evocative novel. Even a year removed from living in the bayou, Ruby still wonders at the splendor of her family's New Orleans mansion. She rejoices in the love of the father she had never known, even as true happiness remains as elusive as swamp mist. Her stepmother sneers at her backwater upbringing, and while discovering she has a twin sister should be a cause for joy, Gisselle has greeted Ruby with nothing but a bitter heart. When Ruby's father chooses an idyllic boarding school for his daughters' senior years, a fresh start with Gisselle seems possible. But Ruby's kind isn't welcome at Greenwood, and the legendarily strict headmistress plots with her stepmother to make life miserable. Worse, with her twin on a mission to break every school rule, Ruby is left to suffer the humiliating punishments. So when a terrible tragedy leaves Ruby alone in a world that never really wanted her, only her Cajun strength can give her daring escape plan any hope of success. The weather on the bayou was nothing compared to the storm about to tear through her family.

In this House of Brede

Young American Carina Rourke grew up in blissful innocence in the Middle East until at age fifteen she succumbed to her obsessive desire to search inside her mother's forbidden jewelry box. In so doing, she discovered a shocking family secret. On the heels of her discovery, she and her family pursued her father's dream of an exotic drive through the Middle East and Europe. This journey serves as a metaphor for the woman Carina became--a silent nomad searching for identity.

The Belfast Monthly Magazine

In July 1863 New York City experienced widespread rioting unparalleled in the history of the nation. Here for the first time is a scholarly analysis of the Draft Riots, dealing with motives and with the reasons for the recurring civil disorders in nineteenth-century New York: the appalling living conditions, the corruption of the civic government, and the geographical and economic factors that led up to the social upheaval.

The Long Gray Line

John Law argues that methods don't just describe social realities but are also involved in creating them. The implications of this argument are highly significant. If this is the case, methods are always political, and it raises the question of what kinds of social realities we want to create. Most current methods look for clarity and precision. It is usually said that only poor research produces messy findings, and the idea that things in the world might be fluid, elusive, or multiple is unthinkable. Law's startling argument is that this is wrong and it is time for a new approach. Many realities, he says, are vague and ephemeral. If methods want to know and help to shape the world, then they need to reinvent themselves and their politics to deal with mess. That is the challenge. Nothing less will do.

The Syrian Jewelry Box

The rule of faith was a summary of apostolic preaching and teaching made by writers of the early Christian centuries. As such it carries great importance for what the early church considered basic to its being and identity. It was not a fixed text, like a creed, but varied in wording and content according to circumstances. Yet, despite this flexibility and diversity, there is a clear Christ-centered, Trinitarian core at the heart of the rule shared by the early apostolic churches. In this short guide, Everett Ferguson introduces readers to the primary sources of our knowledge of the rule, the variety of ways in which ancient Christian authors spoke of the rule, and different scholarly attempts to interpret this ancient evidence. Ferguson argues that statements of the rule of faith were used to instruct new or potential

converts, to combat false teachings, and to provide a framework for interpreting the Scriptures. He maintains that the rule retains considerable importance for churches of the twenty-first century.

The Armies of the Streets

Accessible, challenging, funny, and one of the best reads on how to love others in any situation. Love and hospitality can change the way you see the world and others. That's exactly what modern-day theologian, Richard Beck, experienced when he first led a Bible study at a local maximum security prison. Beck believed the promise of Matthew 25 that states when we visit the prisoner, we encounter Jesus. Sure enough, God met Beck in prison. With his signature combination of biblical reflection, theological reasoning, and psychological insight, Beck shows how God always meets us when we entertain the marginalized, the oppressed, and the refugee. Stories from Beck's own life illustrate this truth -- God comes to him in the poor, the crippled, the smelly. Psychological experiments show how we are predisposed to appreciate those who are similar to us and avoid those who are unlike us. The call of the gospel, however, is to override those impulses with compassion, to "widen the circle of our affection." In the end, Beck turns to the Little Way of St. Thérèse of Lisieux for guidance in doing even the smallest acts with kindness, and he lays out a path that any of us can follow.

The Book of Mackay

Published to accompany the 1994 exhibition at The Museum of Modern Art, New York, this book constitutes the most extensive survey of modern illustrated books to be offered in many years. Work by artists from Pierre Bonnard to Barbara Kruger and writers from Guillaume Apollinaire to Susan Sontag. An important reference for collectors and connoisseurs. Includes notable works by Marc Chagall, Henri Matisse, and Pablo Picasso.

After Method

Shakespeare is both the world's most quoted author and a frequent quoter himself. This volume unites these creative practices.

The Philosophy of Mystery

This erudite volume examines the moral universe of the hit Netflix show Black Mirror. It brings together scholars in media studies, cultural studies, anthropology, literature, philosophy, psychology, theatre and game studies to analyse the significance and reverberations of Charlie Brooker's dystopian universe with our present-day technologically mediated life world. Brooker's ground-breaking Black Mirror anthology generates often disturbing and sometimes amusing future imaginaries of the dark side of ubiquitous screen life, as it unleashes the power of the uncanny. This book takes the psychoanalytic idea of the uncanny into a moral framework befitting Black Mirror's dystopian visions. The volume suggests that the Black Mirror anthology doesn't just make the viewer feel, on the surface, a strange recognition of closeness to some of its dystopian scenarios, but also makes us realise how very fragile, wavering, fractured, and uncertain is the human moral compass.
