The Cabuliwallah and Other Stories

The modern Indian short story, as we understand it today, came into its own in the nineteenth century, and has since then scripted a rich history for itself. Rupa Kahani showcases this popular genre of literature, featuring select works of masters of the form, across centuries and locations. These stories were written originally in Punjabi and have been transcreated into English by the author himself, with no loss to the spirit and rhythms of the originals. They stand out for their thematic variety as also as registrations of contemporary problems ---notably the spurt of militancy in Punjab. Short, crisp, with the veritable twist in the end, the stories reflect the author's maturity and sensitivity as a seasoned practitioner of the genre.

Kabuliwala and Other Stories

"Rabindranath Tagore, who died in 1941 at the age of eighty, is a towering figure in the millennium-old literature of Bengal. Anyone who becomes familiar with this large and flourishing tradition will be impressed by the power of Tagore's presence in Bangladesh and in India. His poetry as well as his novels, short stories, and essays are very widely read, and the songs he composed reverberate around the eastern part of India and throughout Bangladesh." -The New York Review of Books

The Necklace and Other Stories

"You remember the Grigley's Mahatma, that queer Bengali chap they brought back with them from Bombay? This is one of the tales he told them. At one time he used to turn up for supper at the Grigleys' every Sunday, dressed in a very long black frock-coat, and a high waistcoat buttoned up to his chin like a clergyman's, and a great white turban wreathed round his head and flopping over one ear. He would arrange himself on Grigley's divan, with his face very meek and his backbone very stiff and his legs very sinuous and curly, like a cross between a blessed Buddha and a boa-constrictor sitting up on its coils. He told his stories in a little quiet, sing-song voice, smiling at the Grigleys all the time, as if they were very young and rather silly children. We would sit before him on the floor, staring at him, the Grigleys with solemn faces full of childlike wonder, and the rest of us rather critical and incredulous—enlightened Westerners, you know..." The Hungry Stones and Other Stories

This “beautifully written and soulful” story collection explores the lives and struggles of those on the fringes of California society (Mark Haskell Smith, author of Baked). In Masha'allah and Other Stories, debut author Mariah K. Young brings readers deep into the unpredictable landscape of East Oakland, and the varied lives of remarkable individuals who rarely take center stage. In these nine tales, we take a ride with a hired driver who gets more than he bargains for with an unusual fare; we meet a day laborer whose search for work leads him to the edges of human sacrifice and hope; we join a plucky house cleaner named Chinta, who sets up impromptu beauty parlors in the houses she cleans. Young's fiction shines not only with literary power and warmth but with eye-opening freshness and honesty that cuts straight to the heart, reflecting our unflagging allegiances to love, family, luck, and hope. Winner of the first James D. Houston Award

Masha'allah

Considered as one of the most sensitive and creative writers of his times, Rabindranath Tagore elevated the genre of short stories to an art-form. Most of his stories revolve around the life in rural and urban Bengal, beautifully portraying intricate aspects of the nature of society and the people in it. Tagore's style merged stark realism with poetic idealism. One can find this reflecting in over a hundred short stories written by him. Known as a prolific writer from Bengal, his poems became famous and appreciated across the globe as they carried a message of India's spiritual heritage. Rabindranath Tagore became the first Indian to be awarded a Nobel laureate when he won the Nobel Prize for his collection of poems, Gitanjali, in 1913. In spite of their inherent simplicity, Tagore's stories lead to profound insights of the human mind. They have a capacity to touch your core and leave you thinking deeply about human values. This collection contains some famous short stories including: The Postmaster The Cabuliwallah Subha The Castaway The Hungry Stones The Son of Rashmani The Babus of Nayanjore Master Mashai The Child's Return The Home-coming The Skeleton The Auspicious Vision The Riddle Solved Once There Was a King The Victory and many more Tagore, during his time and even today continues to remain a literary institution that every Indian would love to read. Embassy Books proudly presents this book as part of the Embassy Classics Series, which comprises of some of the best literary works of great authors.

The Very Best Of Rabindranath Tagore - Short Stories

This seminal work examines the concurrence of childhood rebellion and conformity in Bengali literary texts (including adult texts), a pertinent yet unexplored area, making it a first of its kind. It is a study of the voice of child protagonists across children's and adult literature in Bengali vis-à-vis the institutions of family, the education system, and the nationalist movement in the nineteenth and twentieth centuries.

This Volume Was An Offering To The Memory Of Rabindranath Tagore On The Occasion Of The Centenary Of His Birth. If The Best Homage To A Great Man Is To Be Paid Through An Understanding Of The Significance Of His Life And Work, This Publication Should Help Inspire Such A Homage Of Understanding. This Reprint Of The Book; Undertaken To Mark The 125Th Birth Anniversary Of The Poet, Will Bring Once Again To The Collective Consciousness Of A New Generation Of Men And Women The Memory Of A Greatness Which Was Amazing In Its Versality And Universal In Its Integrated Vision Of Life. Rabindranath Has Not Only Been A One-Man Synthesis Of The Old And The New, The Ancient And Modern, But He Has Also Been, Because Of His Extra-Ordinary Catholicity Of Mind, A Leading Light To The World Struggling To Be Reborn Into Sanity. Great Poets, It Is Said, Are For Ever Our Contemporaries And Some Of The Essays In This Volume Should Hopefully Drive Home The Relevance Of Rabindranath And All That He Stood For, As A Corrective To Our Age Of Cynic Despair. The Volume Contains Valuable Studies On The Many Aspects Of Tagore's Personality And Genius Contributed By Eminent Writers And Scholars From Many Parts Of The World. There Are, Besides, A Full And Comprehensive Chronicle Of The Poet's Life, From Year To Year, And A Bibliography Of His Publications In Bengali And English. Reproductions In Colour Of Some Famous Portraits Of The Poet By Distinguished Artists Add To The Value Of This Publication Which Is As Much A Tribute To The Genius Of Tagore As A Guide To Its Comprehension.

Our Reading Heritage: England and the world

Sociological research on Indian families has largely focused on questions of household form and structure, to the exclusion of not only the more nebulous dimensions of family life and relationships but also the discursive and imagined aspects of our familial worlds such as may be accessed through an analysis of film, literature and the electronic media. Moreover, when sociological inquiry has sought to go beyond the demographic and census aspects of the household, it has trained its eye on the heterosexual family centred on the conjugal couple, frequently at the expense of those relational patterns and diversities that fall outside the familiar circuits of desire within the family. The present volume brings together ten essays from a range of disciplines including law, literature, anthropology, sociology, and queer studies, to engage with hitherto neglected and emergent aspects of Indian family life. This book was published as a special issue of South Asia: Journal of South Asian Studies.

Flux all intersections
Line up all pieces on layout sheet below
Give your hot iron - a clean with the way sponge
Solder all intersections
Doing so stops all pieces from moving around
Flux the whole item
Fluxing the stick
Now, tin all the outer edges
Begin soldering beads
Always bring the solder to the iron
Keep adding solder
Do not run the liquid 'solder too far
Smooth out the solder with a second pass
Run the iron slow and steady
Add solder as you go
Add solder before it runs out.
Spot the iron slowly over bumps to smooth them out
Tweak any bumps then turn the item over
Flux everything
Tin the edges first
Now, the tricky bit
The edges must be beaded
Dip the iron down over the solder
The spot you are soldering **MUST BE HORIZONTAL!**
All edges must be beaded
Always put your iron back in the holder
This black piece is fragile and could break off
We're going to add some strength by soldering in some brazing rod
Flux it
Position with rod with tweezers and spot solder in place
Attention to detail will ensure it's strength and durability
If you apply too much heat the solder will fall through
So, allow a spot to solidify before doing more
Next, make a small hook from brazing rod
Position, and solder it in
Always have two hooks
on both sides

wash with dish soap it's almost finished
