This document is one of the most sought-after resources in digital libraries across the internet.

You are fortunate to have found it here.

We provide you with the full version of Golden Age Childrens Literature completely free of charge.

Secret Gardens

Covering the period from the publication of Alice's Adventures in Wonderland to Winnie-the-Pooh, Humphrey Carpenter examines the lives and writings of Lewis Carroll, Kenneth Grahame, George MacDonald, Louisa May Alcott, Frances Hodgson Burnett, A.A. Milne and others whose works make up the Golden Age of children's literature. Both a collective biography and a work of criticism, Secret Gardens forces us to reconsider childhood classics in a new light. 'Secret Gardens permits us to see in a fresh light the interaction between cultural history and literature, and to realize that ... it wasn't mere misfits who withdrew into the writing of children's books, but rather the sort of misfits who reflected the prevailing dissatisfactions of the age.' New York Times Book Review

The Secret Garden - Illustrated by Charles Robinson

The Secret Garden' is the timeless story of Mary Lennox, a sickly girl who is left orphaned and alone when an outbreak of cholera kills her parents and the staff of their home in India. She eventually ends up in Yorkshire with her uncle Archibald Craven, and becomes inspired by the curious story of a nearby 'secret garden' she hears from a neighbour. Frances Hodgson Burnett's novel 'The Secret Garden' was first published as a serial beginning in 1910, it numbers amongst Burnett's most famous works and is widely considered to be a classic of English children's literature. This edition was originally published in 1912 and is accompanied by Charles Robinson's beautiful illustrations. Charles Robinson (1870-1937) was an active painter in his own right, and brother of the famous Thomas and William Heath Robinson, his illustrations still delight both young and old over a century later. Robinson started his illustrative career with 100 pen and ink drawings for 'A Child's Garden of Verses' (1895). The book was an instant hit, and from that point onward, Robinson continued to illustrate fairy tales and children's books - with his characteristic style of subtle line, combined with delicate watercolours. Pook Press celebrates the great 'Golden Age of Illustration' in children's classics and fairy tales - a period of unparalleled excellence in book illustration. We publish rare and vintage Golden Age illustrated books, in high-quality colour editions, so that the masterful artwork and story-telling can continue to delight both young and old.

A Hundred Years of The Secret Garden

Frances Hodgson Burnett published numerous works for an adult readership, but she is mainly remembered today for three novels written for children: Little Lord Fauntleroy (1886), A Little Princess (1905) and The Secret Garden (1911). This volume is dedicated to The Secret Garden. The articles

address a wide range of issues, including the representation of the garden in Burnett's novel in the context of cultural history; the relationship between the concept of nature and female identity; the idea of therapeutic places; the notion of redemptive children in *The Secret Garden* and *Little Lord Fauntleroy*; the concept of male identity; constructions of 'Otherness' and the redefinition of Englishness; film and anime versions of Burnett's classic; Noel Streatfeild's *The Painted Garden* as a rewriting of *The Secret Garden*; attitudes towards food in children's classics and Burnett's novel in the context of Edwardian girlhood fiction and the tradition of the female novel of development.

The Secret Garden is a children's novel by Frances Hodgson Burnett first published as a book in 1911, after a version was published as an American magazine serial beginning in 1910. Set in England, it is one of Burnett's most popular novels and is considered a classic of English children's literature. Several stage and film

The Secret Garden

"If you look the right way, you can see that the whole world is a garden." --- Frances Hodgson Burnett, *The Secret Garden* *The Secret Garden* is a novel by Frances Hodgson Burnett. It was initially published in serial format starting in the autumn of 1910, and was first published in its entirety in 1911. It is now one of Burnett's most popular novels, and is considered to be a classic of English children's literature. Several stage and film adaptations have been produced. Public reception Marketing to both adult and juvenile audiences may have had an effect on its early reception; the book was not as celebrated as Burnett's previous works during her lifetime. *The Secret Garden* paled in comparison to the popularity of Burnett's other works for a long period. Tracing the book's revival from almost complete eclipse at the time of Burnett's death in 1924, Anne H. Lundin noted that the author's obituary notices all remarked on *Little Lord Fauntleroy* and passed over *The Secret Garden* in silence. With the rise of scholarly work in children's literature over the past quarter-century, *The Secret Garden* has steadily risen to prominence, and is now one of Burnett's best-known works. The book is often noted as one of the best children's books of the twentieth century. In 2003, the novel was listed at number 51 on the BBC's survey *The Big Read*. Based on a 2007 online poll, the National Education Association named the book one of its "Teachers' Top 100 Books for Children." It was one of the "Top 100 Chapter Books" of all time in a 2012 poll by *School Library Journal*. Jeffrey Masson considers it, "one of the greatest books ever written for children".

The Secret Garden (1911) .

The Secret Garden is a novel by Frances Hodgson Burnett first published in book form in 1911, after its serialization in *The American Magazine* (November 1910 - August 1911). Set in England, it is one of Burnett's most popular novels and is considered a classic of English children's literature. Several stage and film adaptations have been made. The American edition was published by the Frederick A. Stokes Company with illustrations by Maria Louise Kirk (signed as M. L. Kirk), and the British edition by Heinemann with illustrations by Charles Heath Robinson

The Secret Garden: Large Print

The Secret Garden is a novel by Frances Hodgson Burnett first published in book form in 1911 following the publication in 1910 of a serial version in a US magazine. Set in England, it is one of Burnett's

most popular novels and is considered a classic of English children's literature. Several stage and film adaptations have been made.

The Secret Garden (Illustrated)

The Secret Garden is a novel by Frances Hodgson Burnett; illustrated by M. B. Kork. It was initially published in serial format starting in the autumn of 1910, and was first published in its entirety in 1911. It is now one of Burnett's most popular novels, and is considered to be a classic of English children's literature. Several stage and film adaptations have been produced. Frances Eliza Hodgson Burnett (1849–1924) was an English playwright and author. She is best known for her children's stories, in particular *Little Lord Fauntleroy* (published in 1885-6), *A Little Princess* (1905), and *The Secret Garden* (1911). When orphaned Mary Lennox comes to live at her uncle's great house on the Yorkshire Moors, she finds it full of mysterious secrets. There are nearly one hundred rooms, most of which are locked, and the house is filled with creepy old portraits and suits of armor. Mary rarely sees her uncle, and perhaps most unsettling of all is that at night she hears the sound of someone crying down one of the long corridors. The gardens surrounding the odd property are Mary's escape and she explores every inch of them—all except for the mysterious walled-in, locked garden. Then one day, Mary discovers a key.

It is now one of Burnett's most popular novels, and is considered to be a classic of English children's literature. Several stage and film adaptations have been produced.

The Secret Garden

It's a secret garden, and I'm the only one in the world who wants it to be alive. When orphaned Mary Lennox first arrives at Misselthwaite Manor, she is coming to a large, dark house full of secrets. Indoors, she slowly uncovers the truth about her invalid cousin, Colin, and helps him rebuild his strength and

spirit. But it is outdoors that the real magic lies, behind the hidden door to the walled secret garden which, with the help of her new friend Dickon, she brings back to life. This entrancing story has charmed generations and become one of the key classics of children's literature. The Secret Garden was first published in 1911. Full of mystery and romance, it has never been out of print.

The Secret Garden

A gripping, beautifully written historical mystery, from an incredible new voice in children's fiction. The body seemed to fall for a long time. There was no splash, or if there was it was lost in the waves. Isobel was frozen to the spot for a moment - and then her common sense caught up with her, and she stepped back quickly into the shadows. When Isobel Petty is orphaned, she finds herself being taken away from her home in India and sent to live with a distant uncle in England. On board the S.S. Marianna, she witnesses a shocking act - somebody being thrown overboard in the middle of the night. But when the ship's captain insists that nobody is missing, Isobel and her two new reluctant friends must solve two mysteries - the identities of both the murderer and the victim - before they reach England and the culprit has the chance to escape. Inspired by The Secret Garden and the golden age of crime writing, The Secret Detectives is perfect for fans of Robin Stevens and Katherine Rundell. "A thoroughly entertaining mystery and a heartening story of friendship. I loved it." - Katherine Woodfine, author of The Mystery of the Clockwork Sparrow

The Secret Detectives

The Secret Garden by Frances Hodgson Burnett. The Secret Garden is a children's novel by Frances Hodgson Burnett first published as a book in 1911, after a version was published as an American magazine serial beginning in 1910. Set in England, it is one of Burnett's most popular novels and is considered a classic of English children's literature. Several stage and film adaptations have been made. At the turn of the 20th century, Mary Lennox is a sickly and unloved 10-year-old girl, born in India to wealthy British parents who never wanted her. She is cared for by servants, who allow her to become a spoiled, aggressive, and selfish child. After a cholera epidemic kills her parents and the servants, Mary is discovered alive but alone in the empty house. She briefly lives with an English clergyman and his family before she is sent to Yorkshire, in England, to live with Archibald Craven, an uncle whom she has never met, at his isolated house, Misselthwaite Manor. At first, Mary is as rude and sour as ever. She dislikes her new home, the people living in it, and most of all, the bleak moor on which it sits. However, a good-natured maid named Martha Sowerby tells Mary about the late Mrs Craven, who would spend hours in a private walled garden growing roses. Mrs Craven died after an accident in the garden, and the devastated Mr. Craven locked the garden and buried the key.

Pippi Longstocking

The beloved story of a spunky young girl and her hilarious escapades. Tommy and his sister Annika have a new neighbor, and her name is Pippi Longstocking. She has crazy red pigtails, no parents to tell her what to do, a horse that lives on her porch, and a pet monkey named Mr. Nilsson. Whether Pippi's scrubbing her floors, doing arithmetic, or stirring things up at a fancy tea party, her flair for the outrageous always seems to lead to another adventure. "A rollicking story." —The Horn Book

Pippi Longstocking (Puffin Modern Classics)

The beloved story of a spunky young girl and her hilarious escapades. "A rollicking story."--The Horn Book Tommy and his sister Annika have a new neighbor, and her name is Pippi Longstocking. She has crazy red pigtails, no parents to tell her what to do, a horse that lives on her porch, and a flair for the outrageous that seems to lead to one adventure after another!

Pippi Longstocking Small Gift Edition

Pippi Longstocking, Astrid Lindgren's nine-year-old heroine, burst onto the bookshelf in 1945 and has remained a firm favourite with children the world over. Here her story is illustrated with flair and humour by Lauren Child, known to children everywhere as the creator of Charlie and Lola, and winner of the Kate Greenaway and Nestle Gold Awards.

Pippi Longstocking

Ten-year-old Lisa tells about her brothers and playmates and the happy times they spend at work and at play in their Swedish village.

The Children of Noisy Village

"Any reappearance of the irrepressible Pippi Longstocking is cause for celebration. This installment is no exception".--The New York Times.

Pippi in the South Seas

Pippi Longstocking has her own special way of doing everything, even going to school. She's not about to walk, she'd rather ride her horse. And Pippi can't be bothered with spelling and math; she's more interested in drawing on the floor and finding out when Christmas vacation starts. Pippi may be ready for school, but is school ready for Pippi? Pippi Goes to School is a great introduction for young children to the wacky, wonderful world of Pippi Longstocking.

Pippi Goes to School

When Pippi Longstocking moves in next door to Tommy and Annika they are completely amazed by their new playmate. Pippi is cheeky, courageous and completely unpredictable. She lives alone with a monkey, a horse, and no rules whatsoever! Everything is fun with Pippi around! In this story she performs at the circus, uses her super strength to stop two robbers, and throws an unusual birthday party. This charming heritage edition is the perfect introduction to Pippi. The story is published in its original picture book form, with classic illustrations that bring Pippi and all the mayhem she causes to life.

Do You Know Pippi Longstocking?

The day the Melkerson family arrive on Seacrow Island, it's a bit of a shock to their system. It's so quiet there-none of the shops and bustle they're used to. And the cottage they've rented for the summer

is a little bit well ... basic. But what Seacrow Island does have is woods to wander in, fish to catch, boats to sail in, and all kinds of animals. And before long they find it has even more important things, too-adventure, fun, exploration, friends. Perhaps it's going to be leaving that's the really hard thing?

Seacrow Island

A civilian, a mother, and a writer's unique account of a world devastated by conflict 'A rare glimpse of life in neutral Sweden and an insight into the dark setting that created her best-known work' FT Before she became internationally known for her children's books, Astrid Lindgren was an aspiring author living in Stockholm with her family at the outbreak of The Second World War. In these diaries, Lindgren emerges as a morally courageous critic of violence and war, as well as a deeply sensitive and astute observer of world affairs. Alongside political events, she includes delightful vignettes of domestic life, moments of personal crisis, and reveals the origins of Pippi Longstocking - soon to become one of the most famous and beloved children's books of the twentieth century.

A World Gone Mad

The Modern Classic edition makes an appealing edition for older readers. Good for struggling readers

Pippi Longstocking

Step aside, ringmaster. Pippi's in charge! Pippi Longstocking has her own special way of doing things. When she goes to the circus, she doesn't just watch--she takes over! She stands on the back of a trotting horse, does spectacular tricks on the tightrope, and lifts the strongest man in the world over her head. You've never seen a circus like this before! "Pippi Longstocking...has inspired generations of children with her spunk and power." --Kirkus Reviews

Pippi Goes to the Circus

Pippi always does things her own way. When she cleans her kitchen, she ties scrub brushes to her feet. When she has a picnic, she serves pancakes. One thing is for sure---there's never a dull moment when Pippi is around! "Pippi Longstocking...has inspired generations of children with her spunk and power."--Kirkus Reviews

Pippi's Extraordinary Ordinary Day

Goran has a bad leg and can't walk anymore. One day, just as darkness is falling, Mr Lilyvale knocks on the window and takes Goran to the Land of Twilight, where Goran can fly, drive a bus, eat candy from trees and visit the King and Queen.

In the Land of Twilight

The adventures of the strongest girl in the world, who takes her two friends with her when she travels from Sweden to visit her father, king of an island in the South Seas.

Pippi in the South Seas

This outstanding book by the author of Pippi Longstocking--and winner of the Hans Christian Andersen Award--has been called a "picture book of rare distinction" by the Chicago Tribune. Full color. Copyright © Libri GmbH. All rights reserved.

The Tomten

Before she became internationally known for her Pippi Longstocking books, Astrid Lindgren was an aspiring author living in Stockholm with her family at the outbreak of the Second World War. The diaries she kept throughout the hostilities offer a civilian's, a mother's, and an aspiring writer's unique account of the devastating conflict. She emerges as a morally courageous critic of violence and war, as well as a deeply sensitive and astute observer of world affairs. We hear her thoughts about rationing, blackouts, the Soviet invasion of Finland, and the nature of evil, as well as of her personal heartbreaks, financial struggles, and trials as a mother and writer.

War Diaries, 1939-1945

The story of six children living on farms in Noisy Village, a small Scandinavian town.

Springtime in Noisy Village

Christmas is over, but at Pippi Longstocking's house, the fun has just begun! A dance around the Christmas tree, a feast of hot chocolate and cream cake, and a sled ride down the roof of Villa Villekulla are only a few of the events planned for Pippi's after-Christmas party. There are new people to meet and old friends like Tommy, Annika, and Mr. Nilsson to see again. Come join the festivities at Pippi's. "Sure to be a hit with Pippi's many fans as well as a nice introduction for the uninitiated." -- School Library Journal

Pippi Longstocking's After-Christmas Party

People around the world are familiar with the Swedish storybook character Pippi Longstocking and the musical group ABBA. Explore Sweden's other contributions to literature and music, as well as the country's rich cultural traditions in architecture, art, and film.

Sweden

Published in 1945, Astrid Lindgren's Pippi Longstocking has long since become one of the great international children's classics. At long last, Scottish Gaelic-speaking children will be able to share in the fun of Pippi's adventures.

Pippi Fhad-Stocainneach

Astrid Lindgren, author of the famed Pippi Longstocking novels, is perhaps one of the most significant children's authors of the last half of the twentieth century. In this collection contributors consider films, music, and picturebooks relating to Lindgren, in addition to the author's reception internationally. Touching on everything from the Astrid Lindgren theme park at Vimmerby, Sweden to the hidden folk songs in Lindgren's works to the use of nostalgia in film adaptations of Lindgren's novels, this collection offers an important international and intermedial portrait of Lindgren research today.

Beyond Pippi Longstocking

The further adventures of Pippi and her friends Tommy and Annika.

Pippi Goes on Board

First published: O.U.P., 1956.

Pippi Goes Aboard

THE LOST MASTERPIECE FROM ASTRID LINDGREN'S CHILDREN'S CLASSIC Pippi Moves In marks the first time that the legendary Pippi Longstocking comics by the famed children's author and creator Astrid Lindgren and Danish illustrator Ingrid Vang Nyman will be published outside of Scandinavia in thirty years, as well as their first ever publication in English. The outspoken strong-girl with the carrot-colored pigtails and the mismatched socks has enthralled generations of children the world over with her fabulous exploits at Villa Villekulla, where she lives with her horse and monkey. Countless translations of the chapter books are available in more than sixty languages. Pippi is Sweden's best-known children's export, making it all the more remarkable that D+Q has discovered what will be a three-volume series. The comics are re-imaginings of the classic chapter book stories and were originally published in the Swedish magazine Humpty Dumpty in 1957–1959, a decade after the original books. The comics spotlight both Lindgren's brilliant writing and Vang Nyman's bold bright colors that seem presciently and eerily modern. The original illustrator for the chapter books, Vang Nyman was an avant-garde champion of the importance of children's literature who insisted that art in children's books needed to meet the same esthetic standards as art in any other medium. Sadly Vang Nyman never achieved international success, and tragically committed suicide in 1959 due to mental health issues, while Lindgren went on to become one of the world's best-loved writers with more than 145 million books sold worldwide. Similar to D+Q's 2005 unearthing of the Tove Jansson's Moomin comic strip, which has more than 100,000 units in print, these mid-century classics are waiting to be discovered and enjoyed by the world's legions of Pippi fans, both young and old.

Pippi Moves In

The first English-language biography of Astrid Lindgren provides a moving and revealing portrait of the beloved Scandinavian literary icon whose adventures of Pippi Longstocking have influenced generations of young readers all over the world. Lindgren's sometimes turbulent life as an unwed teenage mother, outspoken advocate for the rights of women and children, and celebrated editor and author is chronicled in fascinating detail by Jens Andersen, one of Denmark's most popular biographers. Based on extensive research and access to primary sources and letters, this highly readable account describes Lindgren's battles with depression and her personal struggles through war, poverty, motherhood, and fame. Andersen examines the writer's oeuvre as well to uncover the secrets to the books' universal appeal and why they have resonated so strongly with young readers for more than seventy years.

Astrid Lindgren

For use in schools and libraries only. Pippi has no problem living without adults, but when her long-lost father reappears, she decides to sail the seas with him.

Pippi Goes on Board

Five-year-old Lena longs to go to school and is excited when her older brother takes her with him to spend the day at his school.

I Want to Go to School Too

Pippi Longstocking is one of the most popular children's characters of all time and is still much loved by millions of children today. This anniversary edition of Pippi Longstocking in the South Seas will introduce Pippi and her adventurous spirit to a whole new generation of readers. Nine year old Pippi is an unusual and unpredictable character, she lives alone with a monkey, a horse, and no rules whatsoever! Every day is a crazy adventure with Pippi, but what else would you expect from the daughter of a swashbuckling pirate captain?! In this collection of stories Pippi and her friends, Tommy and Annika, set sail for the Canny Canny Islands, where Pippi's father is king. They explore secret caves, and play marbles with real pearls. Luckily the pirates and sharks they meet are no match for Pippi Longstocking! Suitable for 7+

Pippi Longstocking in the South Seas

The adventures of the strongest girl in the world, who takes her two friends with her when she travels from Sweden to visit her father, king of an island in the South Seas. Copyright © Libri GmbH. All rights reserved.

Pippi in the South Seas

Do you know Pippi Longstocking? There's no one quite like her! Her cheeky, dare-devil spirit is much loved throughout the world, making her one of the all-time greatest children's characters.

Do You Know Pippi Longstocking?

"This is a bedtime story that small children will want to hear over and over again."—The New Yorker In this sequel to the classic *The Tomten*, the creator of Pippi Longstocking adapts a Swedish folk tale into a beloved children's story. When a hungry fox wanders into a farm late at night looking for food, the guard troll Tomten finds a way to keep the farm animals safe and feed the fox at the same time. "The illustrations have a luminous beauty. There's a kind, quiet calm here that warms the winter air."—The New York Times "Charming, hushed illustrations and quiet text together evoke the soft, snowy silence and winter beauty of a Swedish night. The troll Tomten mercifully saves the farm animals from the depredations of Reynard the fox, and manages to assuage the fox's hunger to boot!"—School Library Journal (starred review)

Never Violence!.

Welcome to Noisy Village! Well, it's not really quite what it sounds. Lisa, who tells the story, lives on Middle Farm with her parents and two brothers, Karl and Bill. Britta and Anna live at North Farm and Olaf and Kerstin live at South Farm. It is because the houses are right next door to each other in a clump

as they liked to do these things in rural Sweden years ago, and because the because the children make so much racket that the farmhouses came to be so honestly and happily named. A large linden tree grows between Middle and South Farms and so the boys in the two houses visit each other by climbing through the branches--even the girls do it sometimes, like the night they all waited for Olaf to go to sleep so that they could pull out his loose tooth without his knowing it! That is only one of the many escapades designed to make readers young and old wish they could step right into the pages of this little book. Join the fun in this companion volume to *The Children of Noisy Village* (published by Viking Penguin). Illustrated with delightful line drawings by Ilon Wikland; translated by Florence Lamborn.

The Tomten and the Fox

Pippi Longstocking is back and as crazy and as funny as ever! But for Tommy and Annika, the fun might stop all too soon if Pippi agrees to go back to sea with her father.

Mardie

Pippi Longstocking makes the everyday extraordinary, and spreads fun wherever she goes. In this new, highly-illustrated edition of one of her classic adventures, she invents a new word - and then becomes determined to find out what the word means. Join her and her friends Tommy and Annika as they set out to find a snirkle...

Happy Times in Noisy Village

"The stories are funny and mischievous and ahead of their time." —USA Today, Best Comics of 2013
The world's strongest girl, Pippi Longstocking, is back with a fresh set of funny problems and even funnier solutions. In *Pippi Won't Grow Up*, she takes on school quizzes, refuses to be evicted from her home, and brings Tommy and Annika to visit the island where her father lives. Astrid Lindgren's expert storytelling and Ingrid Vang Nyman's vivid characters and bright colors make this eye-catching volume stand out.

Pippi Longstocking Goes Aboard

Eleven-year-old Pippi returns to Villa Villekulla and has a series of humorous adventures with neighbors Tommy and Annika, the horse Alfonso, and her monkey, Mr. Nilsson.

Pippi Longstocking and the Snirkle Hunt eBook

Racism is resilient, duplicitous, and endlessly adaptable, so it is no surprise that America is again in a period of civil rights activism. A significant reason racism endures is because it is structural: it's embedded in culture and in institutions. One of the places that racism hides--and thus perhaps the best place to oppose it--is books for young people. *Was the Cat in the Hat Black?* presents five serious critiques of the history and current state of children's literature tempestuous relationship with both implicit and explicit forms of racism. The book fearlessly examines topics both vivid--such as *The Cat in the Hat's* roots in blackface minstrelsy--and more opaque, like how the children's book industry can perpetuate structural racism via whitewashed covers even while making efforts to increase diversity. Rooted in research yet written with a lively, crackling touch, Nel delves into years of literary criticism and recent sociological data in order to show a better way forward. Though much of what is proposed here could be endlessly argued, the knowledge that what we learn in childhood imparts both subtle and explicit lessons about whose lives matter is not debatable. The text concludes with a short and stark proposal of actions everyone--reader, author, publisher, scholar, citizen-- can take to fight the biases and prejudices that infect children's literature. While *Was the Cat in the Hat Black?* does not assume it has all the answers to such a deeply systemic problem, its audacity should stimulate discussion and activism.
