What Jael Did

Jael Drives a Tent Peg Through Sisera's Head

Deborah's Story

When she is sentenced to death by her cruel master after saving the life of an innocent man, Deborah is rescued by Lappidoth who takes her into his home, where she heals and learns to use her gift of sight to become a prophetess for God's chosen people. Original.

Sex and Slaughter in the Tent of Jael

"This book traces the retelling of the biblical story from Judges 4-5 in ancient retellings of the Bible, visual art, poems, plays, and novels. The book shows how these cultural productions of an old biblical story intersect with broader conversations about the often conflicted, and sometimes violent, relationship between women and men"--

Women of the Bible: Jael's Story

The Bible is filled with women of faith, bravery, and cunning. Here is one woman's tale—as it might have happened . . . "Blessed above women shall Jael the wife of Heber the Kenite be, Blessed shall she be above women in the tent." Judges 5:24" Like many a bride-to-be, Jael looks forward to a long, loving marriage. But when her husband, Heber, takes her home to live in the company of his other wife and concubine, Jael's dreams begin to crumble. The women in her tent warn Jael that, to bear Heber the sons he demands, she will have to risk shame, betrayal of her vows, even possible execution. But in the darkest moment of her life, there sparks a flame: a young warrior named Levi enters her life—and Jael is presented with a life-changing decision, one that will affect the fate of all the people of Israel. Now there's no turning back on the path that will lead her to change history—by doing the unthinkable. "Terrific biblical biographical fiction, the genesis of a new series."—Midwest Book Review

With Hammer and Nail

Jael the Conqueror By Bishop Donald Downing Through Biblical research, visions, and inspiration from the Holy Spirit, Bishop Downing brings to life Judges 4 & 5, the tale of a female warrior, a little-known heroine of the Bible: Jael the Conqueror. Like her counterpart David, who slew the giant Goliath, Jael was a black Kenite maiden chosen by God to fulfill her destiny, to slay the giant Sisera and deliver the children of Israel from bondage to Jabin, the wicked king. Deborah the prophetess, a judge over Israel, prophesied that the Lord would sell Sisera into the hands of a woman. As Sisera came running into her tent, fleeing from Barak, Jael knew her life was in danger. She learned how to use her inner weapons of faith and wisdom, as God gave her strength to use milk, a hammer and a nail. As she placed the nail against Sisera's head, she felt the anointing power of God as never before. The Bible states in Judges 4:21, the nail went completely through Sisera's forehead and fastened itself deep into the ground. Jael professed her faith in the true and living God and chose to worship with the Israelites, despite her ancestral lineage. She never allowed her battles to be greater than her worship, prayers and praises to her God. Bishop Donald Downing gives a richly imaginative look into the possible life of Jael the Conqueror, from her childhood to adulthood, as she fought for the rights and protection of all women. He is of the opinion that we should not judge the battles of others if we are not willing to help them to fight their wars.

Women of the Bible

Ann Burton pens a historical novel about the Biblical heroine who risks all by wielding a tent peg and mallet. In this compelling tale of faith, courage, and romance, Jael boldly seizes a pivotal opportunity to free Israelites--and herself--from years of oppression.

Jael the Conqueror

The skull, the cross, the drink-the symbols of the death of Christ might have their precursors in one of the first heroine stories of the Bible. Jesus Christ's crucifixion and resurrection is the most widely known story of the New Testament-indeed, the foundational narrative in Christianity itself, one that has been retold and examined endlessly. Even though the accounts of events given by the four Evangelists have been at the center of academic research for centuries, scholars have rarely considered intertextual evidence connecting them to the Old Testament. In this revelatory book, *The Cross and the Tent Peg: How Jesus Retraced Jael's Story*, Julie Walsh explores new links between Jael from the Book of Judges and the crucifixion and resurrection and persuasively argues why this nexus is a fulfillment narrative pattern. Many scholars of Genesis have considered the "protoevangelium" of God's declaration to the serpent in the Garden of Eden as the first messianic prophecy, which was fulfilled in the death of Christ. Walsh, however, invigorates this discourse by taking a fresh look at the story of Jael as evidence of a link between these two events. Although Jael was a member of the Kenite tribe, which was at peace with King Jabin, Jael killed Sisera, the general leading Jabin's army against Israel, driving a tent peg through his skull. Walsh delves deep into this oft-overlooked chronicle to detail twelve striking similarities connecting this gruesome murder to the crucifixion narrative, thus casting both in a new light. *The Cross and the Tent Peg* is an eye-opening work of assiduous scholarship, drawing on a wealth of existing literature and distinguished by an astute, original analysis of Biblical verses. By demonstrating that Jesus saw a woman's action as having significance for his own death, Walsh raises crucial questions about the traditional roles of women in the family, in society, and within the church. *The Cross and the Tent Peg* is Walsh's second book, and the first theological text of a promising new author in the field of egalitarian research. Julie Walsh (Th.M., Regent University, M.A. Ministry, Nashotah House Theological Seminary) is a writer living in the Washington D.C. area.

Jael's Story

Inspired by the story of Jael and Deborah in the book of Judges, Jaime Hope McArdle shares her personal journey to a life of purpose and freedom through finding identity as a daughter of the Creator King. She takes on the old stories and passages of the Bible with fresh eyes asking how they impact her life today and challenges her readers to consider becoming freedom fighters-beginning in their own lives and then becoming a force for transformation in the world around them. With chapters titled "A Danger to the Gates of Hell" and "Freedom Fighter," Jaime uncovers the spiritual battle raging under the surface in the world around us and challenges women to reconsider what being in prison looks like and to find the courage to try the door because it cannot be locked. In "The Healing" and "Daughter of a King," she walks through revelation of a true identity that is the right of every woman who will "Choose This Day." This new identity defies the cultural norms for women with "The Greatest Love of All" and calls women to see their power is not in becoming more like men or in manipulation through sexuality. She encourages the power to change the "Operating Systems" that directs everyday life and challenges to accept a new "Assignment" to see life as a daily adventure to bringing love, forgiveness, grace, and freedom to a world growing darker each year. Finally, the assurance of "Getting It Wrong" to know the promise that God will have his way. And as we attempt to follow his call on our life, we can make mistakes and learn. In our triumphs and failures, his grace brings all things together for our good. We can walk confidently through difficult seasons knowing who we are and whose we are. www.jaelfinishingschool.com

Deborah and the Very Big Battle

Jael's story found in the Book of Judges oozes blood and strength--a story of the enemy blood and feminine strength. In a gruesome but justifiable act in the eyes of God, Jael drives a tent peg through the head of the Captain Sisera of the Canaanite Army. Who was this woman called Jael? Scripture provides few personal details about Jael. According to Judges 4:11, Jael's husband was named Heber and he was a Kenite. Therefore, I assume that Jael was also a Kenite. Jael and Heber is an insignificant gentile couple who have relocated from the town of Arad to Kedesh, located near Galilee. It was there that Jael commits the courageous act that helps to wrestle the Israelites from under the control of an evil king. Afterwards Jael is honored in a victory song by Judge/Prophetess Deborah and Commander Barak. Jael is praised by all and called "blessed above women." Amazingly, this honor would remain Jael's alone until bestowed upon the Virgin Mary centuries later. But, sadly, afterwards, Jael, the village heroine, disappears into eternity, never to be heard from again. In the story I am giving Jael a face, a personality, and resurrecting her from the dark ages of obscurity. I believe Jael possessed a Bathsheba-kind-of-beauty that a king would kill for and a Rachel-kind-of-loveliness that a man toils seven years to possess. I am convinced that Jael had the genius of Rahab and the cunningness of Esther. Jael could have done what any of the biblical women did, but none of these women could have done what Jael did. What Jael did is the most significant factor about her story. Are you a Jael? Are you willing to do God's bidding? Are you ready and faithful to obey? Every assignment won't be as challenging as Jael's, or as sweet as Queen Esther's. Prepare yourself, be ready, and be confident knowing that when God calls you, you will be empowered by his strength.

The Riddle of Jael

A.S. Byatt has always alternated novels with shorter fiction. Different literary and linguistic models are applied here to analyse how she guides her readers' understanding of vital, complex issues within her perennial themes of life, creativity and death. This study focuses on certain stories from the six volumes of short fiction she has produced to date. The two novellas of *Angels and Insects* are scrutinised for their intertextuality, while stories from *Sugar and Other Stories*, *The Matisse Stories*, *The Djinn in the Nightingale's Eye*, *Elementals: Stories of Fire and Ice* and *Little Black Book of Stories* are novel discussions of creativity and related gender issues.

The NIV Application Commentary helps you communicate and apply biblical text effectively in today's context. The books of Judges and Ruth have relevance for our lives today. Judges, because it reveals a God who employs very human deliverers but refuses to gloss over their sins and their consequences. And Ruth, because it demonstrates the far-reaching impact of a righteous character. K. Lawson Younger Jr. shares literary perspectives on the books of Judges and Ruth that reveal ageless truths for our contemporary lives. To bring the ancient messages of the Bible into today's context, each passage is treated in three sections: Original Meaning. Concise exegesis to help readers understand the original meaning of the biblical text in its historical, literary, and cultural context. Bridging Contexts. A bridge between the world of the Bible and the world of today, built by discerning what is timeless in the timely pages of the Bible. Contemporary Significance. This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages. The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved. This unique, award-winning commentary is the ideal resource for today's preachers, teachers, and serious students of the Bible, giving them the tools, ideas, and insights they need to communicate God's Word with the same powerful impact it had when it was first written.

Judges, Ruth

Markus McDowell examines how the literature of the Second Temple period portrays women at prayer through an examination of the literary context and character of those prayers. The goal of this work is a greater understanding of how women were portrayed in literary sources and an offering of some fresh insights for the study of women's religious and social roles in the ancient world. The texts are analyzed and categorized within five areas: social location, content, form, occasion, and gender perspective. The prayers are also compared and contrasted with men's prayers in the same sources. The analysis includes locating (as much as possible) the historical, literary, and cultic context of each document in which these prayers appear. By examining all prayers in these texts uttered by women (not just prayers of named or prominent women), and then comparing them with all the prayers of men in those same texts, certain patterns appear. This study adds to our knowledge of women and religion in Second Temple Judaism by primarily exploring patterns that appear among the prayers in the literature of the Second Temple period. While there are fewer prayers by women than men in this literature, the prayers of women are not portrayed as significantly different from those of men in terms of social location, content, form, or occasion. At the same time, the prayers of women exhibit other patterns of language - and in a minor way, form and occasion - that differ from the prayers of men.

Women of the Bible

The Texts @ Contexts series gathers scholarly voices from diverse contexts and social locations to bring new or unfamiliar facets of biblical texts to light. Joshua and Judges focuses attention on themes and tensions at the beginning of Israel's story in the Bible. How do these books represent conquest, war, trauma, violence against women and their marginalization? How does God appear to relate to these realities? And what do contemporary men and women do with biblical ambivalence? Like other volumes in the Texts @ Contexts series, these essays de-center the often homogeneous first-world orientation of much biblical scholarship and open up new possibilities for discovery.

Prayers of Jewish Women

Deborah was unique among women of her time. No other could describe herself as a mighty combination of judge, intercessor, prophetess, mother of Israel, and military strategist. She governed God's people with a nurturing heart and a soldier's strength. Deborah broke outside of her culture—not out of rebellion—but in obedience to God to set her people free. Rise up in your area of influence and be a pillar in the kingdom of God. Imagine the outcome if women in today's society boldly took hold of the same discerning spirit, courageous heart, and nurturing gift to see transformation in their homes and workplaces. The Deborah Anointing is available to you to overcome the cultural and social pressures and prejudices that women encounter. Through prophetic teaching and applicable prayers you will experience freedom, healing, and deliverance from: Fear and control issues Dry seasons in personal life, career, or ministry Disappointment, doubt, and indecision Delays on the promises of God And much more!

The Deborah Anointing

After her traumatic experience at Ramsgate, Georgiana Darcy finds strength and inspiration in the story of Jael, a warrior woman of the Bible. Determined to protect her fellow women from the depredations of George Wickham, she descends on Meryton and Netherfield with righteous determination to see the man pay for his crimes. Fitzwilliam Darcy is bewildered by his young sister's resolve to stop Wickham from harming other women. With some reluctance, he joins with his sister and cousin Colonel Fitzwilliam to bring Wickham to justice. Elizabeth Bennet, initially charmed by the handsome George Wickham, is shocked to discover that the man has a dark past. When she discovers the truth, she is determined to assist in ensuring that the handsome and silver tongued military man does not harm those around her. Elizabeth and Darcy find themselves strongly attracted to one another, though Elizabeth questions whether the wealthy owner of Pemberley is willing to set aside his pride to wed a woman whose sometimes vulgar family has ties to trade. In the end, Georgiana's courage brings much needed change in the lives of the Bennets, the Bingleys, the de Bourghs, and Mr. George Wickham himself. This is a low angst, clean, sweet Regency romance of 50,000 words. Warning: this book includes a non-explicit description of a sexual assault against a minor, original character.

Kings of Fate

"Jael" is a three-act play inspired by the biblical story of Jael. It drives powerfully home the irony that Jael, an outsider to God's covenant with Israel, had a strong and eager faith that won her timeless

honor, while Barak, at the center of the covenant and for whom destiny was crying, balked in his faith and as a consequence ceded grounds of honor.

They jar our minds and our biases.... This book is a valuable contribution to gender-oriented biblical scholarship. Its content is accessible to both the scholarly and the less technically trained reader. All will be well served by this important collection of essays."? The essays in *Bible Trouble* all engage queer theories for purposes of biblical interpretation, a rare effort to date within biblical scholarship. The title phrase "Bible Trouble" plays on Judith Butler's *Gender Trouble*, gesturing toward a primary text for contemporary queer theory. The essays consider, among others, the Lazarus story, the Ethiopian eunuch, "gender trouble" in Judges 4 and 5, the Song of Songs, and an unorthodox coupling of the books of Samuel and the film *Paris Is Burning*. This volume "troubles" not only the boundaries between biblical scholarship and queer theory but also the boundaries between different frameworks currently used in the analysis of biblical literature, including sexuality, gender, race, class, history, and literature. The contributors are Ellen T. Armour, Michael Joseph Brown, Sean D. Burke, Heidi Epstein, Deryn Guest, Jione Havea, Teresa J. Hornsby, Lynn R. Huber, S. Tamar Kamionkowski, Joseph A. Marchal, Jeremy Punt, Erin Runions, Ken Stone, Gillian Townsley, Jay Twomey, and Manuel Villalobos.

Jael

Book 5 in The OBSCURE Bible Study Series features seven amazing women that display admiral character traits. The eighth woman is Gomer, whose adulterous character was used to try to capture the attention of Israel because the Jews were treating God just like Gomer treated her husband Hosea. The first lesson in the book describes the courage of Jael, Heber's wife. The story is a tale of allies, friends, traitors, and mixed loyalties. The story climaxes when Jael drives a tent peg into the skull of Sisera, the commander of Jabin's army. The story of Rizpah is almost as strange as the story of Jael is exciting. Rizpah is the mother of two sons who were executed in retaliation for past bloodshed by Saul against the Gibeonites. Rizpah watches over her son's bodies to protect them from being scavenged by predators. This was a 24/7 commitment that may have lasted as long as five months. The Woman of Tekoa is recruited to go to King David with a fabricated story in order for David to realize how his treatment of his son Absalom was impacting all those around him as well as the kingdom. The lesson examines the trickery of those involved with the charade as well as David's discernment. The book then investigates the miracle of Dorcas' (Tabitha) restoration to life and asks the question, "Do you need a miracle in your life?" This is followed by the story of "the other Mary." The primary focus of this study is the Sabbath and how the rules surrounding the Sabbath should impact us in our walk with the Lord today. Shiprah and Puah are another example of the bravery and courage of women choosing to fear God rather than obey man. These two women were in charge of the midwives who refused to kill Israel's baby boys. This provided the opportunity for Moses to be floated in the Nile, rescued, and to become the adopted son of the Pharaoh's daughter. He ultimately led his people out of Egypt. Lastly we have the story of Lydia who was a dealer in purple cloth. Lydia was discovered at a "place of prayer" by Paul and Silas. She was a follower of the Jewish religion, but God stirred Lydia to understand the truth as her "heart was opened." She was baptized and she brought her whole household to Paul for conversion. Lydia's house became home base for Paul, Silas, and his traveling group when they were in Philippi.

In Violence in the Hebrew Bible scholars reflect on texts of violence in the Hebrew Bible, as well as their often problematic reception history. Authoritative texts and traditions can be rewritten and adapted to new circumstances and insights. Texts are subject to a process of change. The study of the ways in which these (authoritative) biblical texts are produced and/or received in various socio-historical circumstances discloses a range of theological and ideological perspectives. In reflecting on these issues, the central question is how to allow for a given text's plurality of possible and realised meanings while also retaining the ability to form critical judgments regarding biblical exegesis. This volume highlight that violence in particular is a fruitful area to explore this tension.

Women of War, Women of Woe

Four alternate selves from radically different realities come together in this “dazzling” and “trailblazing work” (The Washington Post). Widely acknowledged as Joanna Russ’s masterpiece, *The Female Man* is the suspenseful, surprising, darkly witty, and boldly subversive chronicle of what happens when Jeannine, Janet, Joanna, and Jael—all living in parallel worlds—meet. Librarian Jeannine is waiting for marriage in a past where the Depression never ended, Janet lives on a utopian Earth with an all-female population, Joanna is a feminist in the 1970s, and Jael is a warrior with claws and teeth on an Earth where male and female societies are at war with each other. When the four women begin traveling to one another’s worlds, their preconceptions on gender and identity are forever challenged. With “palpable anger . . . leavened by wit and humor” (The New York Times), Russ both employs and upends genre conventions to deliver a wickedly satiric and exhilarating version of when worlds collide and women get woke. This ebook includes the Nebula Award–winning bonus short story “When It Changed,” set in the world of *The Female Man*.
