Golfing in Ireland

Ireland is one of the world's fastest growing golf destinations. Travel agents and golf magazines are selling it. . . . Entrepreneurs, eager to ride the wave, are investing substantial sums. Since 1990 more than a half dozen major new golf courses have opened, others have expanded and more development is planned. Rob Armstrong In addition to the best courses in both the Irish Republic and Northern Ireland, author Rob Armstrong describes other courses of note, and provides complete lists of Ireland's 9 and 18 hole golf courses. A chapter is included on where to stay, what to eat, and what to do when not golfing. With this guide, anyone can enjoy hitting the links on the Emerald Isle. Rob Armstrong is a veteran, award-winning Correspondent for CBS News. An avid golfer, he visits Ireland annually to both enjoy the area and to hit the links.

GOLFING IN IRELAND

Unlike many other books written by American writers for an American market, Golfing in Ireland is notable in that real understanding, humour and irreverence are key to the visitor being told exactly what they need to know.-The KerrymanIreland is Europe's hottest golfing destination and one of the most popular golf venues for Americans eager to sample the fabled links. Author Rob Armstrong predicted the Irish golf boom in the first edition of Golfing in Ireland; in the third, he revisits old courses that have undergone revision or expansion and uncovers the best of Ireland's new courses. In his crisp, irreverent style, he also points out those courses that have not stood up, those that have been poorly maintained or managed, and those that have simply proved disappointing.Profited in this edition are: the magnificent Old Head Golf Club in County Cork, one of the most exciting new golf courses in the world; the extraordinarily beautiful new Ring of Kerry Golf and Country Club in County Kerry that overlooks Kenmare Bay; and the expanded golf complex at Ballyliffin in County Donegal. He also reviews several new hotels and restaurants that cater to golfers and are near some of Ireland's best

courses. Armstrong's travel tips include a discussion of the Euro, which will soon become the unit of currency in the Irish Republic, and a warning about the proliferation of Irish golf tours.

Ireland's Golf Courses

Legendary courses like Ballybunion, Lahinch, Waterville, Portmarnock and Royal Portrush, the only Irish course to host the Open championship, are featured alongside a new breed of course such as Druid's Glen, Mount Juliet and the K Club.

Trolleys and Squibs

For anyone planning a dream golfing vacation to Ireland, Trolleys and Squibs is the most comprehensive guidebook in the market. Frustrated by sketchy guidebooks while on a golfing tour, authors Louise and Rick Miracle decided to compile their own definitive guide to Irish links. In addition to its practical travel tips, this book offers insightful essays -- including several by leading figures in Irish golf -- that explain the history and particular character of golfing in Ireland. Vacation planners will especially love the book's extensive, geographically balanced coverage of individual golf courses, presented by way of two whimsically named lists. The Trolleys List contains thorough summaries of 153 courses, including small maps and directions for getting there, scorecard data, descriptions of each course's layout and club facilities, and recommendations on local restaurants and hotels. The Squibs List offers basic information -- addresses, phone numbers, brief descriptions -- about 138 additional golf courses. With Trolleys and Squibs, you can plan a detailed itinerary and make your reservations, even before landing on Irish shores (though armchair travelers as well will gain immense enjoyment from the colorful portraits of the courses and countryside).

Mark Twain had it all wrong: golf is not a good walk spoiled, golf is a journey. And when Ireland provides the map it becomes an 11,000km odyssey for one man in a camper van. Kevin plays every 18-hole golf course in Ireland in all kinds of weather and with all kinds of golfers. He deals with a leaky roof, potholes, born-again Christians and even an Irish mammy. Ireland's beauty shines through but the people encountered along the way, the golf clubs visited and the idiosyncrasies of a twenty-year-old camper van form the fairways on which this story plays. From tee-off to putting the final hole, this is a true Irish golfing adventure. OCo Also available: *Hooked: An Amateur's Guide to the Golf Courses of Ireland*

Hooked: An Amateur's Guide to the Golf Courses of Ireland

What makes playing a golf course a great experience? Kevin Markham travelled 6,800 miles in a 20-year-old camper van, walked 2,100 miles, lost countless balls, and wore out three pairs of golf shoes to find out. He played and rated every 18-hole course - all 350 of them. The result is the most comprehensive, best-researched guide to Irish golfs, from expensive, well-known courses to affordable little gems. Kevin assesses each course in a detailed review and from a novel perspective, rating the golfing experience using the same criteria for all courses. Courses are ranked out of 100, across 8 criteria, such as design, appeal and value for money. This concise, detailed book is for golfing tourists looking for great value courses; for golfing societies that want to go beyond their local area; and for Irish golfers searching for excellent but unsung courses in Ireland. Written from an amateur's perspective, reviews focus on the energy and excitement of playing each course to give a true representation of the golf experience, and provides all the information necessary to book your round.

The Golfers Guide to Ireland

Golf has become one of the most important outdoor activities in Ireland over the past five years and the number of courses has grown to over 385. Ireland has also been chosen as the venue for the 2005 Ryder Cup. The golf correspondent of the "Irish Times" reviews Ireland's 18 hole courses offering suggested itineraries of selected courses to play. Information on hotels, B&Bs, restaurants, pubs and inns are all included and cross-referenced to the local golf courses. 500 pps.

The American Golfer's Guide to Ireland

Maybe the game of golf wasn't invented in Ireland but to most visitors it seems that way. After all, there are more golf courses per square mile in Ireland than in any part of the world. A golfing visit to Ireland will be the trip of a lifetime for many reasons. First, links courses sparkle like an emerald necklace around the coastline of Ireland. It is subjective to pick the best from so many great courses but here are a few: Royal Portrush, Portstewart, Royal County Down, Baltray, Portmarnock, The European Club, Old Head, Waterville, Ballybunion, Tralee, Lahinch, Doonbeg, Connemara, Carne, Enniscrone, Murvagh, Ballyliffin and Rosapenna. Second, the past two decades have brought world class resorts with the finest facilities and championship level courses, including The K Club, Lough Erne, Druids Glen, Mount Wolsely, Killeen Castle, Glasheen, Galgorm Castle, Slieve Russell, The Heritage, Powerscourt, Adare, Fota Island, Dromoland Castle and many more. Third, visitors can enjoy over 400 private golf clubs scattered throughout Ireland where greens fees offer excellent value and local members make you feel at home. Not least, the 19th hole is a great opportunity to meet local golfers. An old saying puts it like this: There are no strangers in Ireland, only friends you haven't met before. The successes of Irish golfers on the international circuit has also put the spotlight on the great golf found throughout the Island. Padraig Harrington, Graeme McDowell, Rory McIlroy, Darren Clarke, Paul McGinley, Shane Lowry and others have been not just successful competitors but wonderful ambassadors for Irish fun and hospitality. I hope you and your friends will come to experience golf in Ireland for yourselves. I can assure you a warm welcome and some wonderful memories. Joe Byrne Executive Vice-President Tourism Ireland

The Life of O'Reilly is a chronicle of the career of one of the European PGA Tour's most famous caddies-John O'Reilly-and it's full of funny stories as only this Irishman can tell them. Like the one about the time he and some fellow caddies were arrested and jailed in East Germany on their way to the German Open in Berlin. Or the one about the Tour pro who, in a fit of temper after a bad shot, put his foot through the bottom of his golf bag and could not get it out again! The Life of O'Reilly is a rollicking ride around the world-and the world of professional golf-by one of the game's most interesting characters. No golf library would be complete without it. "I hope that you'll find this book as entertaining as I found Johnny to be throughout our three successful years on tour. There was never a dull moment!" --Padraig Harrington

Intro

Why did you write a book about human nature?

How do we reverse a lack of self-awareness?

How to get rid of qualities we don't like about ourselves

Where does our dark side come from?

How to pursue that thing you've always wanted to do

The unseen importance of creating a sense of urgency

How to know if you're following a false purpose

Should a young person just be saying yes to everything?

How to manage other people that get in the way of what we want to do

Do we have to lie to be successful?

How to read someone's body language

A smile says loads about how someone feels about you

People's personalities are contagious

Frenemies, what they mean and how to spot one

What's the most controversial point from your book?

Does equality exist when we all strive for power?

Becoming the best, what it really means

Is death a motivator for you?

The importance of relationships

How to deal with dark thoughts

Advice for people going through self-doubt & hard moments

Why did you write this book, The Sublime?

What would be your parting message to the world?

How can we rise above our emotional reactions?

How has your research influenced how you view politics?
