A Wife for Big John by Lauri Robinson

Lauri Robinson ... At first sight, Dani Jones fell in love- not with Big John, but with his stove. It's the latest model and makes her believe her cooking alone will encourage the Boss Man to let her stay until she has enough money to travel to California and be reunited with the man she promised to marry.

A Wife for Big John by Lauri Robinson

Short but sweet romance about a female cook and a man who owns a lumberjack camp in Minnesota at the turn of the 20th century. The story was believable and the hero hunky. Definitely G-rated, nothing more explicit than a few serious kisses and the hero doing a little daydreaming.

A Wife for Big John: Robinson, Lauri - Books

John can hardly take his eyes of Dani, but she is another man's fiancé and John's interactions with women have been mainly limited to the occasional (ahem) visit to a certain house in the nearest town. Confused by her own feelings, Dani decides that the best course of action is to find Big John a wife.

A WIFE FOR BIG JOHN by Lauri Robinson Read by Arielle ...

Narrator Arielle DeLisle's sweet performance fits this romance story.
