Fast Facts for Career Success in Nursing

"This is a very practical and easy to read book that could be very useful for nurses starting out in their careers. As the foreword states, it could be a resource for formal mentoring programs, residency programs, and nursing educational programs. The information and advice in this book may also keep new nurses from leaving the field if they are able to develop successful mentoring relationships. It is a bargain at \$25.00."--Choice "For those looking for a mentor, this book provides invaluable advice on what attracts mentors and makes them believe in you and be willing to support your development...This book is an excellent resource for mentors and protégés."--Nurse Educator "Dr. Vance's pioneering work on mentorship has provided us with the language, understanding, and strategies for building these essential professional support relationships. This book extends her work in practical and useful ways that will help us build the new generation of excellent clinical experts, advocates, and nurse leaders." From the Foreword by Diana J. Mason, PhD, RN, FAAN Editor-in-Chief Emeritus, The American Journal of Nursing This newest addition to the Fast Facts series provides insight for protégés and mentors on using mentoring to build new generations of successful nurses. It covers a quick history of why mentoring is important, how a protégé can identify and mentor, and how to develop and maintain a healthy mentor-protégé relationship. It also contains the necessary tools to help novice nurses benefit from mentor support through difficult and sometimes frightening and confusing times. Written by Connie Vance, an innovator in nursing mentorship research, this book presents new nurses with tools to identify the perfect "mentor match" and cultivate the mentor relationship in ways that result in valuable career-building insight. It includes guidelines to ensure a truly valuable and influential mentor relationship, contributing to career success in nursing. Key Features: Contains guidelines for creating a personal mentor action plan, complete with a chart for use in mentoring practice Provides 10 tips on raising mentor intelligence and how to use it as a source for career success Highlights resources for networking and collective mentoring to assist in career development

Fast Facts for Career Success in Nursing

Fast Facts for the School Nurse

"Fast Facts for the School Nurse is a comprehensive guide to school nursing. It compiles any and all information a new school nurse could possibly need, all in one easy and accessible place. This guide is, as promised, a way to quickly glean needed information about confusing and unexpected situations that may arise in the course of duty as a school nurse."--Advance for Nurses "Fast Facts for the School Nurse is a virtual compendium of situations that school nurses encounter in their practice. It will direct school nurses to the answers for many questions and to wiser counsel when a dilemma seems unsolvable. It is a reference for school nurses authored by a school nurse of publically acclaimed distinction who brings a lifetime of experience to these pages." Lucille A. Joel, RN, EdD, FAAN Rutgers, College of Nursing This concise handbook provides quick access to all of the information that new and more experienced school nurses need to perform their duties competently and efficiently. Organized for ease of use, it offers guidelines for the range of daily tasks, nursing responsibilities, and clinical protocols needed for safe management of common childhood illnesses, accidents, and emergencies. The book covers legal and ethical issues, documentation requirements, guidelines for managing acute and chronic conditions, behavior problems, gender issues, disaster planning, infectious disease control, delivery of culturally appropriate care, drug abuse, and teen parenting. A key asset for the busy school nurse is the prioritization of tasks and responsibilities. This handy reference is designed for new nurses entering the field or transitioning from a hospital setting, as well as experienced school nurses. Key Features: Presents guidelines and management protocols for commonly occurring childhood disorders, accidents, and emergency situations Prioritizes tasks and responsibilities Alerts the school nurse to high risk legal issues and includes requirements of the Individuals with Disabilities Act Includes a "Special Health Issues" section focusing on today's most prevalent health situations

Fast Facts for Health Promotion in Nursing

This addition to the Fast Facts series provides a succinct guide for nurses in adult-health clinical settings and fills the need for an easy-to-use clinical reference that delivers a quick-access reference on ways to incorporate wellness into their work, helping to improve patient outcomes, and throughout their daily lives, helping to reduce personal and professional stress and improve their overall wellness. There currently is no clinical reference book that nurses can use for health promotion in general and health promotion for wellness in particular. Having such a reference is especially pertinent to nurses who learned about health promotion in academic nursing programs, but did not learn about health promotion in the broader context of promoting wellness. Since Florence Nightingale, nurses have considered health promotion interventions ñ particularly patient education -- as an essential component of nursing care. Historically, these interventions traditionally focused on physical health concerns, such as nutrition, exercise, and fresh air, and more recently, on immunizations, and screening for disease (e.g., cancer, diabetes, hypertension, and cardiovascular disease). Because health promotion has expanded to include wellness, nurses now address issues related to broader aspects, such as stress reduction, body-mind connectedness, and self-responsibility. At the same time that wellness has become an important focus of care, health care providers increasingly are emphasizing cost effectiveness and use of advanced technology. As a result of these concurrent trends, nurses experience high levels of job-related stress and have less time to promote patient wellness as an integral part of their care, even though they recognize its importance. In addition, nurses increasingly recognize that job-related pressures negatively affect them personally and they are looking for ways to incorporate wellness in their work and personal experiences. Fast Facts for Health Promotion for Wellness (FF HP) fills the need for an easy-to-use clinical reference that delivers a quick-access reference on ways to incorporate wellness into their work and throughout their daily lives. This book: Helps nurses understand wellness in the context of health promotion Clearly defines wellness as it applies to the practice of nursing Describes evidence-based techniques that nurses can readily incorporate into their usual care to promote wellness for their patients Provides easy-to-use assessment tools for identifying wellness-related needs of patients Provides easy-to-use tools for teaching patients about interventions to promote wellness Provides evidence-based information about complementary and alternative practices that nurses often address in patient care situations Provides information about reliable resources for patient teaching and additional information about topics Discusses ways in which nurses can achieve self wellness

Fast Facts for the Triage Nurse

This is a concise, user-friendly orientation guide and reference for new and seasoned nurses, paramedics, preceptors, educators, management teams, and anyone else in triage situations. It features a consistent format with pithy information guidelines covering key processes and practices Triage Nurses use daily. Chapters address core elements of triage such as tips for success for triage orientees and triage preceptors, point-of-entry, evaluation processes, understanding a variety of acuity scales, "red-flag" diagnoses and how to handle them, coordination and communication with other health care team members, documentation guidelines, and care considerations for special populations.

Fast Facts for Developing a Nursing Academic Portfolio

"[A] great guide and resource for a nurse at any level who wishes to construct and present a professional nurse portfolio."--Journal for Nurses in Professional Development "With an academic portfolio nursing faculty members can monitor their career development and present their work for others to review and critique. This is an easy-to-read book that will serve as a valuable resource for nursing faculty members in developing their academic portfolios." Marilyn H. Oermann, PhD, RN, FAAN, ANEF Professor and Chair of Adult and Geriatric Health School of Nursing University of North Carolina at Chapel Hill Using the Fast Facts style of concise, easy-to-access information, this book is the only comprehensive guide to creating an outstanding professional academic portfolio for entry into, and promotion and tenure within, an academic nursing setting. It is designed for recent nursing graduates who want to teach, faculty who need to polish their academic portfolio, and individuals already established in academia who seek promotion or tenure. This volume will help nursing academics: Assess their strengths and weaknesses Write a personal statement Demonstrate their teaching skills Showcase their research/scholarship Organize and present their portfolio Develop an E-portfolio The book provides clear guidelines on what to include in a professional portfolio, and elements to highlight when seeking work in a specific discipline or academic role. It describes pitfalls to be avoided and how to insure effective coverage of teaching, scholarship, and service, as well as addresses the differences between systems and policies of academia, versus those of community college nursing programs and diploma schools of nursing. This guide also helps prepare nurses for the rigors of promotion and tenure by clarifying what to expect and how candidates are evaluated. Numerous examples illustrate actual professional faculty experience and include personal statements written by successful nurse educators. Key Features: Provides a concise, step-by-step guide for aspiring, new, and experienced nurse faculty who need to prepare an outstanding professional portfolio for promotion and tenure Organized for quick access to types of content to be included in portfolio Includes numerous examples from real-life portfolios Features "Fast Facts in a Nutshell" to clearly guide new nurse faculty Provides recommendations for achieving academic advancement Based on SBAR (Situation, Background, Assessment, and Recommendation) method of communication

Fast Facts for the School Nurse, Second Edition

This is a concise reference providing quick access to information busy school nurses use every day to perform their duties competently and efficiently. It is written for nurses who are transitioning to a school setting, yet has much to offer more experienced school nurses. The second edition has been substantially revised to address the relevancy of the Affordable Care Act (ACA) and Healthy People Initiatives 2020 to school age children and their families, and incorporate information about the push towards formal evaluation of school nurses. It discusses new technology and the effects of head trauma and other sports-related injuries on academic performance. New information also includes the move towards standardized immunization, completely computerized health records, self-administered student medications, and prioritization of tasks for novice and substitute school nurses.

Fast Facts for Wound Care Nursing

"This book is a user-friendly, real-world guide to assessing and managing any type of wound. The author presents vital information for nurses and nursing students who provide wound care in any setting...a wonderful resource for nurses."--The AORN Journal (Association of Perioperative Registered Nurses)

"Wound care is arguably the single most difficult topic in medicine. It has no defined solution like insulin for the diabetic...no easy strategy that covers all wounds...we are so tremendously blessed when [a wound care specialist] like Zelia carves out time to capture a career of experiences in text so that it can be shared with others. We are indebted to her for making this important contribution to the clinician's armament for dealing with [the] difficult-to-heal wounds of their patients." Bruce Gibbins, PhD Founder, Chief Technical Officer and Chairman of the Board of AcryMed, Inc. Former faculty at the University of Otago Medical School

Using the concise, compact Fast Facts format, this guide encompasses the multitude of new healing technologies and presents important breakthroughs in understanding why some wounds don't heal. Each chapter builds, step-by-step, on the essential principles of wound care including wound assessment and documentation, the spectrum of wounds from simple to complex, wound treatment guidelines and protocols, and the legal aspects and regulations surrounding wound care. This user-friendly guide organizes the vast amount of information relating to wound care products and eases the complexity of wound management. A "Fast Facts in a Nutshell" section in each chapter provides quick access to important wound care principles, and bullet-point information and tables enable readers to quickly locate relevant information. This guide will be a useful companion in the day-to-day care of wound patients, reinforcing knowledge needed in all practice settings, including acute care, critical care, long-term care, home care, operating room, and outpatient settings.

Key Features: Organizes and simplifies a vast amount of wound care information into a compact, user-friendly format
Addresses wound care assessment, protocol, and treatment of the spectrum of wounds from simple to complex for all levels of practitioners
Encompasses new healing technologies and information regarding difficult-to-heal wounds
Presents comprehensive wound care algorithms, dressings, debridement procedures, ostomy care, optimal surface and equipment for wound patients, and adjunctive therapies

Self-Care for New and Student Nurses

Self-Care for New and Student Nurses presents techniques to prepare you for stressors present now and those to come. No matter where you are in your nursing career, this book offers you multiple ways to prioritize your own mental, physical, and emotional health.

The New Nurse Educator

This practical text guides novice nurse educators step-by-step through the process of becoming a confident nurse educator, and discusses how to transition from the service setting to the academic setting. It is the only text to comprehensively address not just the teaching and curriculum development components of being an educator, but also the many other skills and duties inherent in this role. Based on the author's personal journey from nursing practice to academe, the text offers a hands-on approach to this challenging process and conveys the author's hard-earned wisdom as she faced hurdle after hurdle but eventually gained tremendous gratification as a nurse educator. The book addresses ways to "test the waters" to see if the teaching role is right for you, outlines educational preparation requirements, and demonstrates how to utilize past nursing experiences in this new role. It discusses learning styles, curriculum development, theoretical frameworks, legal issues, professional ethics, cultural diversity, and students with learning disabilities. The role of the faculty member is covered in such topics as tenure and promotion, collegiality, service, leadership, and mentoring. The book also addresses writing for publication, research, and scholarly activities. Included in each chapter are learning objectives and review questions, along with suggested assignments intended to assist the teacher and student in professional role development. Additionally, the text prepares students for the interview process and includes sample CVs, patient education handouts, course objectives, and additional resources. The book will be of value in both academic and hospital settings. Key Features: Provides highly practical, step-by-step information on all components of being a nurse educator/faculty member Helps nurses transition from service role to educator/faculty role Includes reflections and advice from novice and seasoned nurse educators, nurse leaders, and a well-known nursing theorist Includes learning objectives and review questions in each chapter Provides samples of forms and documents for developing course content and sample CVs

The Nurse Professional

Reflection questions and resources for further exploration conclude each chapter. Key Features: Delivers practical guidance on the DNP degree, potential roles, and career opportunities Describes how to integrate DNP Essentials into practice Discusses key competencies required for success in any DNP role Illustrates potential career paths with education and certification requirements Promotes self-reflection with thought-provoking questions Includes resources for further exploration

Fast Facts for the Nurse Psychotherapist

"[A] unique addition to the sparse literature on learning to become a nurse psychotherapist.... focuses not only on psychotherapeutic techniques, but also the work a nurse must be willing to do to become a skilled and helpful therapist.... a valuable resource for both psychiatric nursing graduate students and the practicing nurse psychotherapist." —Angie S. Chesser, PhD, RN, APRN, CNS "Human beings are hot-wired biologically for relationship-building, and as such, it is the nurse–patient relationship that becomes central to healing.... This much-needed book gives voice to the very real perils of abandoning patients to pills. It is a clarion call to return to our roots and our strengths." —Patrice Rancour, MS, RN

Fast Facts for the Nurse Psychotherapist is the first book to guide the novice and experienced psychiatric APRN on the process of truly becoming a psychotherapist. It is grounded in the concept of self-reflection as a foundation for successful psychotherapeutic practice and addresses a variety of strategies and styles that foster positive outcomes; the use of dreams and other conscious/unconscious techniques; the clinical supervision process; and how to continually grow as an individual and therapist. This resource includes a variety of tools to promote self-reflection and provides practical considerations for the work environment, billing and other administrative responsibilities, and political concerns. Abundant case examples allow the reader to "sit in" on therapy sessions. The book also offers an overview of the history of the psychiatric nurse as therapist and the seminal work of Hildegard Peplau. Written in an approachable and conversational style, this unique resource will prepare nurse psychotherapists to become mindfully ready to help their clients to the fullest.

Key Features: Highlights the importance of self-reflection and delivers helpful tools to promote it Provides strategies and styles for effective therapeutic practice Allows the reader to "sit in" on therapy sessions with vivid case examples Provides a foundation for independent professional and personal growth Written in an approachable, conversational style

An outstanding feature is the prominently displayed Fast Facts in a Nutshell highlighting key takeaway points at a glance. The resource reviews common GI symptoms and disorders from irritable bowel disorders (including key differences between Crohn's disease and ulcerative colitis) to gallstones and GERD. A section on liver disease describes essential liver functions, reviews liver function tests, and addresses commonly and less commonly seen liver disease diagnoses. Complications of cirrhosis are examined to assure prompt recognition of these potentially deadly symptoms. Additionally, the book addresses liver transplantation with comprehensive attention to the evaluation process, organ donation/allocation, and post-transplant care for donor and recipient alike. Each chapter includes an overview, significant laboratory or imaging findings, treatment options, expected outcomes, and Fast Facts in a Nutshell An additional feature is the provision of ICD-10 codes for billing and reimbursement. Key Features: Provides speedy access to current information on diagnosing, managing, and treating common GI and liver disorders for front-line professionals Includes comprehensive review of the liver, abnormal liver function tests (LFTs), and transplantation Reflects up-to-date information on the latest treatment guidelines for gastrointestinal and liver disease, including celiac disease and Hepatitis C Addresses common gastrointestinal diseases and guidelines for treatment as outlined by ACG Discusses current liver disease management and guidelines for treatment as outlined by AASLD

Fast Facts for the Nurse Preceptor

Dedicated and competent nurse preceptors are vital to the success of health care organizations and to the retention of nurses in the profession. Yet clinical teaching and supervision is a skill that must be developed; a knowledgeable and experienced practitioner does not automatically become a successful nurse preceptor. This pithy reference guide for nurses in the preceptor role is brimming with information about how to successfully educate, protect, socialize, and evaluate nurses transitioning into a new environment. In an easy-access, bulleted format, this resource helps preceptors to establish clinical objectives, execute evaluation and feedback techniques, identify role responsibilities, develop positive communication skills, and develop effective teaching/learning strategies. The guide addresses the qualities of a good preceptor, communication and delegation skills, and the importance of evidence-based practice for the preceptor role. It discusses how to prepare new nurses for the reality shock of entering a new arena, and how to recognize and help the preceptee who is struggling. Nurse preceptors will gain insight into how to assist preceptees in organizing their clinical day and prioritizing their responsibilities. From suggestions in conflict resolution and bullying to aids in developing critical thinking skills to advice on completing relevant documentation, this guide helps new nurse preceptors to provide a well-orchestrated orientation that will ensure a positive experience for novice nurses and the subsequent delivery of quality, patient-centered care. Sample competency forms and clinical tools add to the book's utility, as well. Key Features: Delivers vital information on all aspects of successful nurse preceptorship in a concise, easy-access format Includes evidence-based content throughout Provides guidance on identifying and developing successful nurse preceptors Addresses organization, prioritization, delegation, effective communication, conflict resolution, and the development of critical thinking skills Offers key information on competency assessment and evaluations A special "Preceptor's Problem Solver" chapter addresses clinical issues unique to the nurse preceptor's role

Return of the Dinosaurs

Dig up the past and jump into action with this captivating prequel to Jurassic Park. Do you have what it takes to unlock the secrets of the Five Deaths? Summer of 1984. Australian forensic Kenneth Turner and his 10 year-old daughter Aileen are flying back home when something terrible happens. After a nightmarish time lost at sea, they are eventually rescued by fishermen off the coast of Central America. Turner and all other survivors are then taken to an island shrouded in mystery. There, they are placed under quarantine. But why are they kept under lock and key in the medical center? And what are those electrified fences for? The crash survivors are going to learn the hard way that a paramilitary group is occupying the premises. The soldiers all work for an enigmatic company called inGen. What is going on in this facility? What are they really up to on site C? Why is the archipelago marked as "maximum security prison" on the maps? Something out of this world is happening on Isla Matanceros, something beautiful and dangerous. Turner and his daughter are going to find themselves at the heart of a hazardous operation involving more than just politics and science. Groundbreaking medical treatments, futuristic food-processing solutions, mass rearing and technology patents are just the tip of the iceberg. What if inGen was hiding a far more spectacular discovery? A discovery that could change the world of genetics forever. But things will not go as planned and the survivors will have to face hardship as South American arms traffickers decide to visit the island. The threat is real. Go back to where it all began, 8 years before the events of Jurassic Park! Find out who the scientists, rangers and inGen workers involved in the creation of the iconic park were. The path is littered with pitfalls and, although the islands look magical, they also turn out to be deadly. Jurassic Park: Dead Islands introduces brand new characters encountering new dinosaur species in hostile territory. How will they tackle these terrifying situations? InGen creatures may be young, but they are definitely lethal... Yet the real monsters may not be the ones roaming the forest. Will Kenneth and Aileen manage to escape safe and sound? Sign the non-disclosure agreement and enter the world of Jurassic Park. The legend unfolds before your very eyes and, like all legends, it's made of blood, sweat and tears. Will you survive the origins of the myth? Includes never-before-seen original artworks by Robert Jack, Aram Papazyan & Yerlik Zharylgapov

Dino Hybrid (Jurassic World)

The Kathryn Dance Collection 1-3

Three gripping suspense novels featuring Special Agent Kathryn Dance: a kinesics expert whose understanding of human behaviour makes her a brilliant investigator and interrogator.

The Sleeping Doll

Lincoln Rhyme is back! The brilliant criminologist returns with his partner and paramour Amelia Sachs, in a blistering bestseller that tests forensic detective work in a brave new world. When Special Agent Kathryn Dance—a brilliant interrogator and kinesics expert with the California Bureau of Investigation—is sent to question the convicted killer Daniel “Son of Manson” Pell as a suspect in a newly unearthed crime, she feels both trepidation and electrifying intrigue. Pell is serving a life sentence for the brutal murders of the wealthy Croyton family in Carmel years earlier—a crime mirroring those perpetrated by Charles Manson in the 1960s. But Pell and his cult members were sloppy: Not only were they apprehended, they even left behind a survivor—the youngest of the Croyton daughters, who, because she was in bed hidden by her toys that terrible night, was dubbed the Sleeping Doll. But the girl never spoke about that night, nor did the crime's mastermind. Indeed, Pell has long been both reticent and unrepentant about the crime. And so with the murderer transported from the Capitola superprison to an interrogation room in the Monterey County Courthouse, Dance sees an opportunity to pry a confession from him for the recent murder—and to learn more about the depraved mind of this career criminal who considers himself a master of control, a dark Svengali, forcing people to do what they otherwise would never conceive of doing. In an electrifying psychological jousting match, Dance calls up all her skills as an interrogator and kinesics—body language—expert to get to the truth behind Daniel Pell. But when Dance's plan goes terribly wrong and Pell escapes, leaving behind a trail of dead and injured, she finds herself in charge of her first-ever manhunt. But far from simply fleeing, Pell turns on his pursuers—and other innocents—for reasons Dance and her colleagues can't discern. As the idyllic Monterey Peninsula is paralyzed by the elusive killer, Dance turns to the past to find the truth about what Daniel Pell is really up to. She tracks down the now teenage Sleeping Doll to learn what really happened that night, and she arranges a reunion of three women who were in his cult at the time of the killings. The lies of the past and the evasions of the present boil up under the relentless probing of Kathryn Dance, but will the truth about Daniel Pell emerge in time to stop him from killing again?

Roadside Crosses

The chilling second Kathryn Dance novel from the bestselling author of *The Bone Collector*. A highway patrol trooper notices something strange on the side of the road: a homemade cross, fashioned as a memorial. Except the date being 'remembered' is the following day - the day the police find a kidnapped teenage girl in the trunk of a car, left for dead. Special Agent Kathryn Dance, kinesics expert with the California Bureau of Investigation, is on the case. The teenage victim points her to an online community where criticism is vicious. It looks as though one teen has finally snapped. Then further crosses appear. Now Dance must race against the clock to find the attacker before he can carry out his deadly plans for revenge ...in the cyber world and the real.

XO

Catapulted into sudden fame by her beauty and talent, country pop artist Kayleigh Towne turns for help to Special Agent Kathryn Dance to stop a sadistic stalker who is targeting the people closest to the singer.

The Stone Monkey

When a smuggler known as the Ghost scuttles a ship filled with undocumented Chinese immigrants right outside New York harbor, detective Lincoln Rhyme and his partner must stop him before he murders the two families who made it to shore.

The Sleeping Doll

A vicious killer escapes from a California super-prison and embarks on a mysterious and deadly quest. It's up to Kathryn Dance and her CBI partners to track him down before he can get to the lone survivor of the murders he had committed. Now in a tall Premium Edition.

Xo Kathryn Dance

"One of Deaver's most diabolical villains." - New York Times Book Review "Deaver is the most creative, skilled, and intriguing thriller writer in the world." - Daily Telegraph A tragedy occurs at a small concert venue on the Monterey Peninsula. Cries of "fire" are raised and, panicked, people run for the doors, only to find them blocked. A half dozen people die and others are seriously injured. But it's the panic and the stampede that killed them; there was no fire. Kathryn Dance--a brilliant California Bureau of Investigation agent and body language expert--discovers that the stampede was caused intentionally and that the perpetrator, a man obsessed with turning people's own fears and greed into weapons, has more attacks planned. She and her team must race against the clock to find where he will strike next before more innocents die.

Solitude Creek

When Christopher Thomas, a curator at San Francisco's Museum of Fine Arts, is murdered and his decaying body is found in an iron maiden in Berlin, his wife Rosemary Thomas is the prime suspect. Long suffering under Christopher's unfaithful ways, Rosemary is tried, convicted and executed. Ten years later, Jon Nunn, the detective who cracked the case, becomes convinced that the wrong person was put to death. Along with financier Tony Olsen, he plans to gather everyone who was there the night Christopher died and finally uncover the truth about what happened that fateful evening. Could it have been the ne'er do well brother Peter Hausen, interested in his sister's trust fund having got through his own; the curatorial assistant Justine Olengard, used and betrayed by Christopher; the artist Belle who turned down his advances only to see her career suffer a setback; or someone else all together? No Rest for the Dead is a thrilling, page-turning accomplishment that only the very best thriller writers could achieve.

No Rest for the Dead

Now a major television series starring Russel Hornsby, Arielle Kebbel, and Michael Imperioli, "Lincoln Rhyme is more relentless than ever" (People) and Jeffery Deaver delivers "supercharged tension" (USA TODAY) in this New York Times bestselling suspense masterwork. NYPD criminalist Lincoln Rhyme joins his brilliant protégé Amelia Sachs, in the hunt for the Coffin Dancer—an ingenious killer who changes his appearance even faster than he adds to his trail of victims. They have only one clue: the madman has a tattoo of the Grim Reaper waltzing with a woman in the front of a coffin. Rhyme must rely on his wits and intuition to track the elusive murderer through New York City—knowing they have only forty-eight hours before the Coffin Dancer strikes again. Coffin Dancer is a "heart-stopping" (Booklist) thriller from #1 international bestselling author Jeffery Deaver's "simply outstanding" (San Jose Mercury News) Lincoln Rhyme series.

The Coffin Dancer

SOON TO BE A MAJOR TELEVISION EVENT FROM NBC, STARRING RUSSELL HORNSBY, ARIELLE KEBBEL, AND MICHAEL IMPERIOLI. The follow-up to Jeffery Deaver's massive bestseller The Bone Collector (also a feature film starring Angelina Jolie and Denzel Washington) The Stone Monkey is a "simply outstanding" (San Jose Mercury News) addition to the Lincoln Rhyme series. Recruited to help the FBI and the Immigration and Naturalization Service, Lincoln Rhyme and Amelia Sachs manage to track down a cargo ship headed for New York City carrying two dozen illegal Chinese immigrants, as well as the notorious human smuggler and killer known as "the Ghost." But when the Ghost's capture goes disastrously wrong, Lincoln and Amelia find themselves in a race to track him down before he can find and murder the two surviving families from the ship, who have vanished into the labyrinth of New York City's Chinese community. As Rhyme struggles to locate the families, aided by a quirky policeman from mainland China, Sachs finds herself forming a connection with one of the immigrants that may affect her relationship with her partner and lover.

The Stone Monkey

This book sheds new light on the political economy of Russia under Putin's rule. The author, a former EU diplomat, presents a historical review of the Russian economy and 60 years of state-communist mismanagement, followed by oligarchic privatization. The book offers profound insights into Putin's rule and the power mechanics of the state-dominated management of the Russian economy. It identifies and assesses the lack of rule of law, together with an arbitrary and often corrupt administration that systematically discourages entrepreneurship and the emergence of an independent middle class. Furthermore, the book discusses Russia's budgetary policy, its dependence on the export of natural resources, state-owned enterprises and their privileges, and Russia's external trade. This hard-hitting, substantial analysis debunks the myth of Russia's economic might and is a must read for anyone seeking to understand the economic realities of the Eurasian continent, or considering doing business with Russia.

Putinomics

SOON TO BE A MAJOR TELEVISION EVENT FROM NBC, STARRING RUSSELL HORNSBY, ARIELLE KEBBEL, AND MICHAEL IMPERIOLI. From New York Times bestselling author Jeffery Deaver—Lincoln Rhyme and Amelia Sachs must track a brilliant illusionist and escape artist whose masterful magician's tricks are matched only by his ruthless murders. Forensics expert Lincoln Rhyme is called in to work the high-profile investigation of a killer who seemingly disappeared into thin air just as the NYPD closed in. As the homicidal illusionist baits him with grisly murders that grow more diabolical with each victim, Rhyme and his protégée, Amelia Sachs, must go behind the smoke and mirrors to prevent a horrific act of vengeance that could become the greatest vanishing act of all...

The Vanished Man

Move over Bonnie and Clyde . . . Hollywood location scout John Pellam thought the scenic backwater town of Maddox, Missouri, would be the perfect site for an upcoming gangster film. But after real bullets leave two people dead and one cop paralysed, he's more sought after than the Barrows gang. Pellam had unwittingly wandered onto the crime scene just moments before the brutal hits. Now the feds and local police want him to talk. Mob enforcers want him silenced. And a mysterious blonde just wants him. Trapped in a town full of sinister secrets and deadly deceptions, Pellam fears that death will imitate art, as the film shoot - and his life - race toward a breathtakingly bloody climax.

Bloody River Blues

DEAVER. DANGEROUSLY GOOD. A spring night in a small town in Wisconsin. A call to police emergency from a distant lake house is cut short. Is it a phone glitch or something more sinister? Off-duty deputy Brynn McKenzie leaves her family's dinner table to find out... ..And stumbles onto the scene of a heinous murder. Before she can call for backup she finds herself the next potential victim. Deprived of her phone, weapon and car, Brynn flees, along with the only survivor of the crime. These unlikely allies can survive only by escaping into the dense, deserted woods, on a desperate trek to safety. And ultimately to a life or death choice. Flight. Or fight? 'Confirms his status as one of the finest crime writers in the world . . . grabs the reader by the throat from the beginning. Superb.' Independent on Sunday

The Bodies Left Behind

"Everything on the job is going as expected. The target has been dealt with, and all that's left to do is remove the body. But a surprise is waiting for Quinn and Nate, one that completely changes their mission. Then when the client who gave them their new orders disappears, they find themselves on their own, with a human asset holding a dark secret that several parties are interested in obtaining, by force if necessary. To keep the asset alive, the two cleaners must stay on the run, but even that doesn't guarantee success. Because no matter how closely a secret is guarded, if enough people want it, it won't stay buried forever"--Page 4 of cover.

XO

Most careers begin with an interview and a handshake. Others require a little ... something more. Meet Jake Oliver. The day will come when he's one of the best cleaners in the business, a man skilled at making bodies disappear. At the moment, however, he's a twenty-two year old rookie cop, unaware his life is about to change. In a burning barn a body is found--and the fire isn't the cause of death. The

detectives working the case have a pretty good idea about what went down. But Officer Oliver thinks it's something else entirely, and pursues a truth others would prefer remain hidden--others who will go to extreme lengths to keep him quiet. Every identity has an origin. This is Quinn's.

The Buried

DEAVER. DANGEROUSLY GOOD. 9am, 31st December. A man gets onto the packed escalator of a metro station and fires a silenced machine gun through a paper bag. He escapes without being spotted in the chaos that follows. A note is delivered to the mayor of Washington, D.C., demanding \$20 million, or the writer will instruct the gunman to strike again, at 4 pm, 8 pm and midnight. The mayor decides to pay up. But then a man is killed in a hit and run accident - and his fingerprints match the ones on the note. With the brains behind the operation dead, there's no way of stopping the gunman killing again, and again, and again... The only evidence the FBI have is the note. And Parker Kincaid, forensic document expert, is the only man who can stop the killer. But he's running out of time... 'Deaver is a terrific storyteller, and he takes the reader on a rollercoaster of suspense, violence and mystery' Daily Telegraph

Becoming Quinn

In Hell's Kitchen, New York City, to work on a low-budget documentary on the area's colorful history, ex-stuntman-turned-location-scout John Pellam finds himself investigating a series of suspicious fires that may be linked to efforts to hide the past.

Forty Stories

Tate Collier, his ex-wife Bett, and their estranged daughter Megan are targeted by psychopathic psychologist Aaron Matthews for his own brand of revenge.

The Devil's Teardrop

Hermione Lee sees Virginia Woolf afresh, in her historical setting and as a vital figure for our times. Her book moves freely between a richly detailed life-story and new attempts to understand crucial questions - the impact of her childhood, the cause and nature of her madness and suicide, the truth about her marriage, her feelings for women, her prejudices and obsessions. This is a vivid, close-up portrait, returning to primary sources, and showing Woolf as occupying a distinct, even uneasy position with 'Bloomsbury'. It is a writer's life, illustrating how the concerns of her work arise and develop, and a political life, which establishes Woolf as a radically sceptical, subversive, courageous feminist. Incorporating newly discovered sources and illustrated with photos and drawings never used before, this biography is a revelation - informed, intelligent and moving.

Hell's Kitchen

In the aftermath of two brutal New York City murders, quadriplegic detective Lincoln Rhyme and his team work doggedly to prevent additional killings by a time-obsessed serial murderer.

Speaking In Tongues

SOON TO BE A MAJOR TELEVISION EVENT FROM NBC, STARRING RUSSELL HORNSBY, ARIELLE KEBBEL, AND MICHAEL IMPERIOLI. "Deaver's labyrinthine plots are astonishing" (The New York Times Book Review) in this bestselling thriller featuring a hitman who is out to kill a young girl in Harlem and in order to save her, Lincoln Rhyme has to solve a cold case that's over 150 years old. Unlocking a cold case with explosive implications for the future of civil rights, forensics expert Lincoln Rhyme and his protégé, Amelia Sachs, must outguess a killer who has targeted a high school girl from Harlem who is digging into the past of one of her ancestors, a former slave. What buried secrets from 140 years ago could have an assassin out for innocent blood? And what chilling message is hidden in his calling card, the hanged man of the tarot deck? Rhyme must anticipate the next strike or become history—in the New York Times bestseller that proves "there is no thriller writer today like Jeffery Deaver" (San Jose Mercury News).

The Cutting Edge

Holy Island

Detective Chief Inspector Ryan retreats to Holy Island seeking sanctuary when he is forced to take sabbatical leave from his duties as a homicide detective. A few days before Christmas, his peace is shattered and he is thrust back into the murky world of murder when a young woman is found dead amongst the ancient ruins of the nearby Priory. When former local girl Dr Anna Taylor arrives back on the island as a police consultant, old memories swim to the surface making her confront her difficult past. She and Ryan struggle to work together to hunt a killer who hides in plain sight, while pagan ritual and small-town politics muddy the waters of their investigation.

Cragside

After his climactic battle with notorious serial killer THE HACKER, DCI Ryan is spending the summer with his fiancée within the grounds of Cragside, a spectacular Bavarian-style mansion surrounded by acres of woodland. When they are invited to attend the staff summer party - a Victorian murder mystery evening - it's all a joke until the lights go out and an elderly man is found dead. It looks like an unfortunate accident but, as the dead man's life begins to unfold, Ryan and his team of detectives realise that all is not as it appears. When a second body is found, terror grips the close-knit community and Ryan must uncover the killer who walks among them, before they strike again...

High Force

Detective Chief Inspector Ryan's worst nightmare has just become a reality. Notorious serial killer THE HACKER has escaped prison and kidnapped one of his best detectives from her own home. His brutality is the stuff of legend - Ryan lost his sister and nearly his own life bringing the man to justice first time around. Can Ryan do it again to save his friend? There's a nationwide manhunt underway but the trail has gone cold and fear spreads like a virus. Ryan and his team must find THE HACKER before he takes another life - but are they too late? The clock is ticking...

Heavenfield

When a man is found dead at the remote church of Heavenfield, DCI Ryan is the only other person for miles around. The police have no weapon, no motive and no other suspects. Already suspended from Northumbria CID, Ryan must fight to clear his name. But soon, more than his career is at stake when prominent members of the mysterious 'Circle' begin to die. Somebody wants Ryan's name to be next on the coroner's list and to survive he must unmask the devil who walks among them - before it is too late. Unfortunately for Ryan, the devil looks just like everybody else...

The Hermitage

Christmas can be murder... After a busy year fighting crime, DCI Ryan and his team of murder detectives are enjoying a festive season of goodwill, mulled wine and, in the case of DS Phillips, a stottie cake or two--that is, until a freak snowstorm forces their car off the main road and into the remote heart of Northumberland. Their Christmas spirit is soon tested when they're forced to find shelter inside England's most haunted castle, where they're the uninvited guests at a 'Candlelit Ghost Hunt'. It's all fun and games--until one of the guests is murdered. It seems no mortal hand could have committed the crime, so Ryan and Co. must face the spectres living inside the castle walls to uncover the grisly truth, before another ghost joins their number... Murder and mystery are peppered with romance and humour in this fast-paced crime whodunnit set amidst the spectacular Northumbrian landscape. The Rock

After a long and eventful winter, DCI Ryan and his team are looking forward to the joys of spring. But, when one of their colleagues is shot dead on her own doorstep and the brass think it's an inside job, Ryan finds himself drafted in to investigate. He's barely scratched the surface when reports flood in of a terror explosion at Durham Cathedral. Chaos descends on the sleepy, historic city and, when the smoke clears, they find a priceless artefact that once belonged to Saint Cuthbert is missing. With tensions running at an all-time high, and unable to trust the local police, can Ryan and his team bring a killer to justice...and restore Cuthbert's cross to its natural resting place?

Penshaw

When the gods made man, they made a weapon... After uncovering a fresh wave of corruption within the ranks of Northumbria CID, Detective Chief Inspector Ryan was looking forward to an uneventful summer. But, when a young woman is shot dead on the remote army ranges of the Northumberland National Park, Ryan is called in to investigate. Meanwhile, violent crimes are being committed across sites of historic importance in the North East, the perpetrator leaving only a graffitied symbol as their calling card. As the body count rises, Ryan and his team must unravel the mystery behind its meaning - before it's too late... The Shrine

A breakneck procedural that is beautifully written and masterfully crafted, Erin Young's The Fields is a dynamite debut—crime fiction at its very finest. Some things don't stay buried. It starts with a body—a young woman found dead in an Iowa cornfield, on one of the few family farms still managing to compete with the giants of Big Agriculture. When Sergeant Riley Fisher, newly promoted to head of investigations for the Black Hawk County Sheriff's Office, arrives on the scene, an already horrific crime becomes personal when she discovers the victim was a childhood friend, connected to a dark past she thought she'd left behind. The investigation grows complicated as more victims are found. Drawn deeper in, Riley soon discovers implications far beyond her Midwest town.

Borderlands

When former Special Forces officer Mitch is offered a dangerous undercover mission, he must trust his five new teammates as they rescue a West African freedom fighter.

Dead Level

From the creator of the hit BBC drama Silent Witness, comes the gripping second instalment in the acclaimed Mark Lapslie series, sees the DCI come under attack from all sides. Perfect for fans of M.J. Arlidge and Angela Marsons. By now he had knifed, strangled, blown up, drowned, bludgeoned and tortured ten people. Ten people that he had never even met, and had no knowledge of... Carl Whittle is seemingly a murderer without a motive. He's just tortured a beautiful, young TV presenter to death and now he's planning to blow an anonymous commuter to pieces. Who will be next? What is the motive behind the attacks? And how will he strike? DCI Mark Lapslie needs something to do. He suffers from a rare neurological condition that has forced him to leave his family and avoid the police station. For his superiors, he is nothing but a nuisance to be avoided - and the spate of unconnected murders is just what they need to send him into retirement. Carl wants every death to be different. More violent, bizarre and shocking. But as Lapslie gets on the scent and the force brings in a profiler, Carl makes a new plan. He hasn't killed a policeman yet . . . Discover the other books in the DCI Mark Lapslie series: Core of Evil, Scream, Thirteenth Coffin and Flesh and Blood.

This volume is the newest release in the authoritative series of quantitative estimates of nutrient intakes to be used for planning and assessing diets for healthy people. Dietary Reference Intakes (DRIs) is the newest framework for an expanded approach developed by U.S. and Canadian scientists. This book discusses in detail the role of vitamin C, vitamin E, selenium, and the carotenoids in human physiology and health. For each nutrient the committee presents what is known about how it functions in the human body, which factors may affect how it works, and how the nutrient may be related to chronic disease. Dietary Reference Intakes provides reference intakes, such as Recommended Dietary Allowances (RDAs), for use in planning nutritionally adequate diets for different groups based on age and gender, along with a new reference intake, the Tolerable Upper Intake Level (UL), designed to assist an individual in knowing how much is "too much" of a nutrient.

The Fields

A passenger plane explodes. Eighty-three people die. One man is responsible. When a routine operation ends in tragedy, decorated ex-Royal Marine, Ryan Kaine, becomes the target of a nationwide manhunt. The police want him on terrorism charges. A sinister organisation wants him dead. Kaine is forced to rely on two women he hardly knows: one, a country vet who treats his wounds, the other an IT expert with a secret of her own. Battling overwhelming guilt, life-threatening injuries, and his own moral code, Kaine hunts the people who turned him into a mass-murderer. Can Kaine's combat skills, instincts, and new-found allies lead him to the truth and redemption?

Jungle Kill

The Silent Room is the first tense police procedural in the thrilling Matthew Ryan series by Mari Hannah. 'Nobody understands the many faces of cops better than Mari Hannah' - Val McDermid A security van sets off for Durham prison, a disgraced Special Branch officer in the back. It never arrives. En route it is hijacked by armed men, the prisoner sprung. Suspended from duty on suspicion of aiding and abetting the audacious escape of his former boss, Detective Sergeant Matthew Ryan is locked out of the manhunt. Desperate to preserve his career and prove his innocence, he backs off. But when the official investigation falls apart, under surveillance and with his life in danger, Ryan goes dark, enlisting others in his quest to discover the truth. When the trail leads to the suspicious death of a Norwegian national, Ryan uncovers an international conspiracy that has claimed the lives of many. Continue the gripping crime series with The Death Messenger.

Come Hell Or High Water

After a turbulent time, DCI Ryan's life is finally returning to normal and he's looking forward to spending an uneventful Easter bank holiday weekend with his fiancée. Then, on Good Friday morning he is called out to a crime scene at one of the largest cemeteries in Newcastle. The body of a redheaded woman has been found buried in a shallow grave and the killer has given her wings, like an angel. Soon, another woman is found at a different cemetery, followed quickly by another. Panic spreads like wildfire as a new serial killer is born, and Ryan's band of detectives must work around the clock to unmask him before he can strike again.

Tooth and Claw

"[Parker's found] the pitch-perfect voice for a guy who is straining every muscle to cut down on the booze, hang on to his new job as police chief, and not get rattled by the body of a teenage girl" (The New York Times) in this bestselling mystery in the Jesse Stone series. Robert B. Parker takes readers back in Paradise, where Detective Jesse Stone is looking for two things: the killer of a teenage girl—and someone, anyone, who is willing to claim the body... The local cops haven't seen anything like this, but Jesse's L.A. past has made him all too familiar with floaters. This girl hadn't committed suicide; she hadn't been drowned: she'd been shot and dumped, discarded like trash. Before long it becomes clear that she had a taste for the wild life; and her own parents can't be bothered to report her missing, or even admit that she once was a child of theirs. All Jesse has to go on is a young man's school ring on a gold chain, and a hunch or two. Filled with magnetic characters and the muscular writing that are Parker's trademarks, *Death in Paradise* is a storytelling masterpiece.

Ryan Kaine: on the Run

Six weeks. Just forty-two short days. That's all it takes to rip the heart out of a city and change the lives of those who live there. Forever. One such life belongs to Ryan Jarrod. In the early hours of a

wet winter's morning on Tyneside, Ryan Jarrod approaches the end of his second shift as a Special Constable when he stumbles across the body of a savagely beaten Teddy McGuffie, a down-at-heel taxi driver. On the same night, an explosion rips through the heart of Newcastle upon Tyne's student community. Casualties are high; the city brought to a standstill. And the University blast is only the beginning of a bloody reign of terror which threatens the very fabric of the region. With the McGuffie case shelved, Ryan vows to investigate it himself. When he uncovers links between the assault on McGuffie and a series of letters which seem to foretell the terror attacks, members of the force ridicule his theories. Except for one man: DCI Stephen Danskin. Danskin sees a lot of himself in the young Special. He breaks protocol. Invites Jarrod into the case. Together, they dive deeper into the tangled lives of those associated with the letters - and lay a trap to lure the killer to one of the region's most iconic landmarks: The Angel of the North. What could possibly go wrong? Think of Anne Cleeves or LJ Ross with a gritty, urban twist - that's the DC Ryan Jarrod series.

The Moor

Loyalty, commitment, the fight against injustice - these are the things that have always driven Elvis Cole and Joe Pike. If they make a promise, they keep it. Even if it could get them killed. When Elvis Cole is hired to locate a woman who may have disappeared with a stranger she met online, it seems like an ordinary case - until Elvis learns the missing woman worked for a defence contractor and was being blackmailed to supply explosives components for a person or persons unknown. Meanwhile, in another part of the city, LAPD officer Scott James and his patrol dog, Maggie, enter an abandoned building to locate an armed and dangerous thief, only to discover far more than they expected. Soon, Scott and Maggie find themselves targeted and, as their case intertwines with Elvis and Joe's, join forces to follow the trail of the missing woman as well. From inner-city drug traffickers to a shadowy group of Afghan

war veterans with ties to a terrorist cell, the people they encounter on that trail add up to ever-increasing odds, and soon the four of them are fighting to find the woman not only before she is killed ... but before the same fate happens to one of them.

The Angel Falls

Meet Zoe Finch, West Midlands Police's newest Detective Inspector. She's outspoken, ambitious, and damaged. And she's working a case that could make her career, or cost her everything... Fresh from the success of the Canary investigation into depravity and corruption at the highest levels, Zoe has attracted attention. Not least from Assistant Chief Constable Bryn Jackson. But when Jackson is brutally murdered on the night of his retirement party, Zoe is dragged into a case that's deeply personal. All the evidence points to the victim's downtrodden wife, who has secrets of her own. But Zoe begins to suspect all isn't as it seems. Could Jackson's death be linked to the Canary case? And what is her new boss, DCI David Randle, hiding? Seeking out the truth will force Zoe to confront her own past and put her career, and her team's lives, on the line. *Deadly Wishes* is a gritty crime thriller perfect for fans of Angela Marsons, Caroline Mitchell, and the BBC's *Line of Duty*.

The Runaway Wife

Meet DCI Lesley Clarke. She's a straight-talking city copper who doesn't suffer fools gladly... and she's been transferred to rural Dorset. After being injured in a bomb attack, Lesley is presented with a choice - early retirement, or a period of respite in a calmer location. But things don't stay calm for long. Before she's even started her new job, Lesley is dragged into investigating a murder at one of England's most iconic landmarks, the imposing Corfe Castle. Lesley must hit the ground running. Can she get along with her new partner DS Dennis Frampton, a traditionalist who doesn't appreciate her style? How will she navigate the politics of a smaller force where she's a bigger, and less welcome, fish? And most importantly, can she solve the murder before the killer strikes again? *The Corfe Castle Murders* is a compelling, character-driven mystery perfect for fans of Ann Cleeves, Faith Martin and Joy Ellis.

Lie Beside Me

When Maggie Taylor accepts a new job in Manchester, she is sure it is the right move for her family. The children have settled well although her husband, Duncan, doesn't appear to be so convinced. But nothing prepared her for the shock of coming home from work one night to find that Duncan has disappeared, leaving their young children alone. His phone is dead, and she has no idea where he has gone, or why. And then she discovers she's not the only one looking for him. When a woman who looks just like Maggie is brutally murdered and DCI Tom Douglas is brought in to investigate, Maggie realizes how little she knows about Duncan's past. Is he the man she loves? Who is he running from? She doesn't have long to decide whether to trust him or betray him. Because one thing has been made clear to Maggie--another woman will die soon, and it might be her.

Running Blind

A young London socialite is brutally murdered by a notorious serial killer in this "compelling" page-turner of dark secrets and deadly investigations (NYT bestselling author Jeffrey Deaver). Her eyes are wide open. Her lips parted as if to speak. Her dead body frozen in the ice . . . she is not the only one. When a young boy discovers the body of a woman beneath a thick sheet of ice in a South London park's pond, Detective Erika Foster is called in to lead the murder investigation. The victim appeared to have the perfect life -- what dark secrets is the girl in the ice hiding? When Erika begins to dig deeper, she starts to connect the dots between the murder and the killings of three prostitutes. All were found strangled, hands bound and dumped in water around London. As she inches closer to uncovering the truth, the killer is closing in. With her failing career hanging by a thread, Erika must now battle her own personal demons as well as a killer more deadly than any she's faced before. But will she get to him before he strikes again?

The Promise

In this "tour de force" of a mystery, the British detectives investigate a disappearance in a deceptively idyllic Yorkshire village (San Diego Union-Tribune). Reginald Hill "raised the classical British mystery to new heights" when he introduced pugnacious Yorkshire Det. Inspector Andrew Dalziel and his partner, the callow Sgt. Peter Pascoe (The New York Times Book Review). Their chafing differences

in education, manners, technique, and temperament made them “the most remarkable duo in the annals of crime fiction” (Toronto Star). Adapted into a long-running hit show for the BBC, the Gold Dagger Award–winning series is now available as ebooks. It’s the Day of Reckoning in the village of Enscombe, a two-day celebration among locals to feast and to pay old debts. When Enscombe’s constable vanishes, it’s time for Dalziel and Pascoe to upend the party. At first they’re confronted with what appear to be only niggling hiccups in the enclave: break-ins, a vicar with a lustful bent, and family feuds. But as Enscombe’s past comes into focus, the investigators begin to see a bigger crack in the picture-perfect village. Now, in this season when misdeeds must not go unpunished, reckoning will indeed be paid. And it may already be too late for Dalziel and Pascoe to change the course of local history. Pictures of Perfection is the 15th book in the Dalziel and Pascoe Mysteries, but you may enjoy reading the series in any order.

Deadly Wishes

A semi-secret society of ten women out for justice. A young recruit who will have to expose the truth...or die trying to escape their wrath. "A Taut, twisting tale of justice and revenge" - Bob Mayer

Former victim Palmer Reed is facing the 20th anniversary of her kidnapping when she is recruited to the board of a prestigious foundation dedicated to helping the victims of crime. Run by Marjoram Swall, a woman known as The Vindicator, who helped rescue Palmer twenty years ago from the hands of their mutual enemy, the foundation grants Palmer something to believe in, hoping that by helping other victims, she will resolve her own painful past. But something dark lies beneath the foundation's surface, and after Palmer learns of their use of blackmail to raise money for their cause, she discovers that several of those who escaped their blackmail attempts and went unpunished for their crimes all later died in mysterious accidents. Accidents, she believes, are anything but accidental. Faced with the dilemma of staying loyal to her mentor and the foundation that's provided her with a purpose, or exposing the truth and tearing her life apart, she's forced to question her own ethical boundaries, whether the pursuit of justice and the equalization of a faulty legal system is worth murder. But her mentor won't risk giving her that choice, and soon Palmer finds herself the target of an unknown killer, her former kidnappers, and even Marjoram herself. For Palmer has opened a deadly link to their past, and she's on a mission to uncover the truth. A page-turning suspense thriller that is part of the Women of Redemption Series, books that feature women who may not be perfect, but perfectly kick-ass when given a second chance.

Interview with the Author

Q - So, what makes the Women of Redemption books special? A - I think it really boils down to the characters. When I write, I let the characters tell me who they are, and what I discover is that like any of us, they wrestle with the challenges life throws at them in a varied manner. The emotions they experience are real - anger, betrayal, hurt, grief, guilt - and the choices they make as a result - whether revenge, vengeance, or just turning a blind eye - may not be good or right, but they're human. The question facing each in the end, is what will they do to make the wrong right?

Q - You like to throw your strong female protagonists into some impossible situations. Why is that? A - I've always liked books about ordinary people facing extraordinary circumstances. I believe people often find the best in themselves when faced with the worst. I want readers to put themselves in these women's shoes, and think... How far would I go to get justice if I was kidnapped and the perpetrators responsible were never punished? What would I do if I found out the woman I most respected was taking justice into her own hands? What if I discovered the man I found guilty of murder was innocent and I was the one responsible for securing his death sentence?

Q - These books seem to cross genre boundaries, a bit mystery, suspense, and thriller. A - I think all authors like to create books that mirror the kind of books they like to read. My top picks are usually serial killer thrillers, psychological thrillers, private detectives, and any number of thriller and mystery best sellers. I love a fast-paced style that keeps me on the edge of my seat. As a result, I think my books tend to take a part from each genre - a bit "whodunit"

The Corfe Castle Murders

“Women either ran from Lord Ravenscar or ran to him.” Alan Rothwell, Lord of Ravenscar is furious when unconventional heiress Lily Wallace refuses him purchase of her property. He can't even win her over with his infamous charm. But when fever seizes him and they're trapped together, Alan realises Lily's attentions will compromise them both! Kill Me Again

A visceral thriller from the creator of the hit BBC drama *Silent Witness*, introducing synaesthetic detective DCI Mark Lapslie. I've looked into the eyes of women who have banged nine-inch nails into the skulls of their victims with hammers ... we evaluate them, trying to determine whether they have actually changed, or whether there's still a core of evil within them... Before his diagnosis, DCI Mark Lapslie thought everyone was like him. Now he knows he suffers from synaesthesia - a rare neurological condition that has cross-wired his senses. The sickening clamour of sounds he can taste has smothered his marriage and stifled his career. At the scene of a fatal traffic accident, Lapslie's interest isn't in the recently deceased driver, rather the desiccated corpse found lying next to him. Something about the body stirs a fleeting recollection at the back of Lapslie's mind... he can't quite put his finger on it, but he can almost taste it... Memories haunt Violet Chambers. Taking tea with her friend Daisy, she knows it's time to move on. As Daisy falls to the floor, eyes streaming, face burning, Violet calmly waits. Black hellebore is remarkably potent. It won't be long now. Discover the other books in the DCI Mark Lapslie series: *Tooth and Claw*, *Scream*, *Thirteenth Coffin* and *Flesh and Blood*.

The Girl in the Ice

A reunion between childhood friends stirs up the traumas of the past—and poses a threat in the present ... As a young, deeply insecure girl, Karen was targeted, and traumatized, by her friend Sandra's father. Now, decades later, he is dead—and Karen has been reunited with Sandra, whom she hasn't seen in ages. Against her better judgment, she agrees to meet Sandra at a nearby restaurant, and Sandra proves to be just as thoughtless and self-absorbed as she was back when the two of them and their friend Yvonne were attending school dances together. Karen has a husband and children now, and they live in a beautiful home thanks to a successful family business. Sandra is supposed to be in town only temporarily, so Karen tolerates her excessive drinking and intrusive questions. But things become more difficult as her life starts to go awry—and as this taut, unsettling novel moves between past and present, secrets come to the surface and both women will come to understand the true cost of betrayal ...

Dark Prisms

The mythological, folkloric, and religious beliefs of Western culture have resulted in a long and ongoing history of esoteric themes in theatre from the Middle Ages to the present in Spain and the America. Now Robert Lima, a noted comparatist, brings to bear on this material his wide knowledge of the world of the occult. Lima defines the terms "occult" and "occultism" broadly to embrace the many ways in which humans have sought to fathom a secret knowledge held to be accessible only through such supernatural agencies as alchemy, angelology, asceticism, astrology, demonolatry, divination, ecstasy, magic, necromancy, possession, Santeria, séances, voodoo, and witchcraft. The dramatic works covered range from medieval materializations of Hell to the Golden Age plays of Lope de Vega, Tirso de Molina, and Calderón de la Barca, to modern stage works by Valle-Inclán, García Lorca, Casona, Miras, and a number of significant Afro-Brazilian and Caribbean dramatists. The concluding comprehensive bibliography of the drama of the occult is invaluable.

The King of Hot Sands and His Substitute Love

Stages of Evil

"The evil that men do" has been chronicled for thousands of years on the European stage, and perhaps nowhere else is human fear of our own evil more detailed than in its personifications in theater. Early writers used theater to communicate human experiences and to display reverence for the gods governing daily life. Playwrights from Euripides onward sought inspiration from this interplay between the worldly and the occult, using human belief in the divine to govern characters' actions within a dramatic arena. The constant adherence to the supernatural, despite changing religious ideologies over the centuries, testifies to a deep and continuing belief in the ability of a higher power to interfere in human life. Stages of Evil is the first book to examine the representation and relationship of evil and the occult from the prehistoric origins of drama through to the present day. Drawing on examples of magic, astronomy, demonology, possession, exorcism, fairies, vampires, witchcraft, hauntings, and voodoo, author Robert Lima explores how theater shaped American and European perceptions of the occult and how the dramatic works studied here reflect society back upon itself at different points in history. From representations of Dionysian rites in ancient Greece, to the Mouth of Hell in the Middle Ages, to the mystical cabalistic life of the Hasidic Jews, to the witchcraft and magic of the Elizabethan and Jacobean stage, Lima traces the recurrence of supernatural motifs in pivotal plays and performance works of the Western tradition. Considering numerous myths and cultural artifacts, such as the "wild man," he describes the evolution and continual representation of supernatural archetypes on the modern stage. He also discusses the sociohistorical implications of Christian and pagan representations of evil and the theatrical creativity that occultism has engendered. Delving into his own theatrical, literary, folkloric, and travel experiences to enhance his observations, Lima assays the complex world of occultism and examines diverse works of Western theater and drama. A unique and comprehensive bibliography of

European and American plays concludes the study and facilitates further research into the realm of the social and literary impact of the occult.

The Darkest Prison

At long last, he'll finally have his revenge. He, Atlas, remembers when Nike, a goddess, had trapped him, a Titan. She had carved her name into his chest, and even now it burned and ached. Following the fall of the Greek gods, he's become responsible for this prison. His imprisonment, until only a few days earlier, is still fresh and raw in his mind, especially the female prison guard, Nike. She had tried to claim his body for herself by carving her name into him, and the hatred he feels for her can only be reduced by inflicting the same humiliation upon her. He pins her down, while she screams and cries, and carves his own name into her porcelain-white back. After he is done, he commits to memory this dark yet pleasant feeling. With this she will know who she belongs to.

Encyclopedia of Humor Studies

The Encyclopedia of Humor: A Social History explores the concept of humor in history and modern society in the United States and internationally. This work's scope encompasses the humor of children, adults, and even nonhuman primates throughout the ages, from crude jokes and simple slapstick to sophisticated word play and ironic parody and satire. As an academic social history, it includes the perspectives of a wide range of disciplines, including sociology, child development, social psychology, life style history, communication, and entertainment media. Readers will develop an understanding of the importance of humor as it has developed globally throughout history and appreciate its effects on child and adult development, especially in the areas of health, creativity, social development, and imagination. This two-volume set is available in both print and electronic formats. Features & Benefits: The General Editor also serves as Editor-in-Chief of HUMOR: International Journal of Humor Research for The International Society for Humor Studies. The book's 335 articles are organized in A-to-Z fashion in two volumes (approximately 1,000 pages). This work is enhanced by an introduction by the General Editor, a Foreword, a list of the articles and contributors, and a Reader's Guide that groups related entries thematically. A Chronology of Humor, a Resource Guide, and a detailed Index are included. Each entry concludes with References/Further Readings and cross references to related entries. The Index, Reader's Guide themes, and cross references between and among related entries combine to provide robust search-and-browse features in the electronic version. This two-volume, A-to-Z set provides a general, non-technical resource for students and researchers in such diverse fields as communication and media studies, sociology and anthropology, social and cognitive psychology, history, literature and linguistics, and popular culture and folklore.
