

Demon Corrupted Fallen Son

[#demon corruption](#) [#fallen son story](#) [#dark fantasy character](#) [#evil awakened](#) [#corrupted hero lore](#)

Explore the tragic narrative of a once-noble son, whose spirit has been irrevocably tainted by a sinister demonic corruption. This compelling dark fantasy tale delves into the struggle for control, the depths of despair, and the terrifying power of an evil awakened within.

Le secret de Shambhala

Quelque part dans l'Himalaya, en un lieu mythique appelé Shambhala, vivrait une communauté secrète chargée de l'évolution spirituelle de l'humanité. Simple légende tibétaine ou réalité ? Guidé par une série de coïncidences, le héros de James Redfield va partir en quête de ce lieu mystérieux et faire des découvertes inattendues. Aidé du moine Yin et du lama Rigden, il va comprendre pourquoi personne n'a encore réussi à localiser Shambhala. Aucun être ne peut y accéder à moins d'élever ses énergies et de se libérer de ses peurs les plus profondes. Traqué par les services secrets chinois, il poursuit

une initiation difficile qui le mènera aux portes de Shambhala, une ville extraordinaire habitée par des humains aux pouvoirs puissants. Ces êtres lui révèlent la onzième prophétie qui changera le destin du monde.

The Secret of Shambhala

MYSTICISM MEETS ADVENTURE - A THRILLING EXPLORATION OF SPIRITUALITY AND SELF-DISCOVERY In the remote snow-covered mountains near Tibet lies a community long thought to be a mere myth called Shambhala, or Shangri-La. Here, in this place, is knowledge that has been kept hidden for centuries - and an insight that can have profound impact on the way each of us lives our lives. Your search for Shambhala will lead to Kathmandu, Nepal and then to Lhasa, Tibet. You will meet the secret Tibetan sect that guards mysterious legends. You will pass regions where anger and compassion struggle for ascendancy, and arrive at a place where the stunning reality about human prayer-energy is about to be revealed. Like all of James Redfield's books The Secret of Shambhala has a parable effect. Open yourself to this adventure and the experience will stretch your worldview and leave you determined to channel your thoughts and wishes into a dynamic force that can help you liberate your life, enhance others and actively change the world. 'The best yet from James Redfield ... even better than The Celestine Prophecy' Marianne Williamson 'In his inimitable style of great storytelling, James Redfield opens us up to a world of insight, synchronicity and power. Read this book.' Deepak Chopra

Il segreto di Shambhala

De zoektocht naar het legendarische Shangri-La (Shambhala) en de ontdekking van een mysterieuze gemeenschap, waar de spirituele toekomst van de mensheid al geruime tijd wordt beleefd.

El secreto de Shambhala

James Redfield neemt zijn lezers mee naar Tibet, op zoek naar het Elfde Inzicht. Het geheim van Shambhala is het vervolg op het avontuur dat begon in De Celestijnse Belofte en doorliep in Het Tiende Inzicht. Dit schitterende nieuwe boek begint met de zoektocht naar het legendarische Tibetaans-boeddhistisch utopia Shambhala (ook wel Shangri-La genoemd), een magische plek die niet alleen werkelijk bestaat, maar ook voorbeschikt is om in onze tijd gevonden en begrepen te worden. Op het spoor gezet door een kind en geleid door een fascinerende synchroniciteit wordt het Himalayagebergte bedwongen en wordt hoog op een Tibetaanse bergtop een mysterieuze gemeenschap ontdekt, waar de spirituele toekomst van de mensheid al geruime tijd wordt beleefd. Uiteindelijk zal - ondanks Chinese bemoeienis - het geheim van Shambhala worden doorgrond en kan het vanaf dat moment de wijde wereld ingaan. Met deze zoektocht naar het Elfde Inzicht heeft James Redfield, die miljoenen mensen over de hele wereld heeft beroerd met zijn Celestijnse boeken, de zoektocht naar een mysterieuze, heilzame plaats beschreven, een plek die in ieder van ons schuilt, maar soms overwoekerd is geraakt door de gebeurtenissen in ons leven. Met eeuwenoude wijsheden en spirituele ervaringen formuleert Redfield opnieuw een visie die uiterst waardevol is voor onszelf en onze samenleving

El secreto de Shambhala

Plongée dans les coulisses de l'incroyable série ! Uncharted prend toutes les allures du grand classique d'aventure, dont on aimera se remémorer les meilleurs passages et savourer les précieuses répliques. Une chose est certaine : peu de séries vidéoludiques n'avaient auparavant autant mérité ce qualificatif. Ce livre, outre la découverte des arcanes de la création de chacun des titres qui composent la saga, vous permettra de fouiller dans son univers et d'y découvrir les inspirations historiques de cette dernière. Vous constaterez alors que la grande Histoire n'a rien à envier aux péripéties de notre héros. Découvrez l'univers et l'histoire de l'Indiana Jones des temps modernes ! **EXTRAIT** Lors d'une interview accordée au site américain IGN, Tate Mosesian raconte ses premiers jours chez Naughty Dog au moment de son arrivée en 2002 : « Il suffisait de rentrer dans le studio pour que la magie opère. Sans doute possible, ces types travaillaient dur pour faire sortir le meilleur d'eux-mêmes... Et chaque jour passé en ces murs vous faisait invariablement progresser. Tout ce qui concernait la réalisation du jeu était d'un professionnalisme indiscutable... Mais tout le reste n'était qu'un vaste bordel. C'était l'anarchie. L'état même des locaux était à mille lieues de ce qu'on pouvait imaginer d'un studio qui produit des jeux triple A. Lors de mon arrivée, je n'avais même pas d'ordinateur pour travailler... Le second jour, j'avais enfin une machine, en vrac, et le clavier était recouvert de sauce spaghetti.. Alors, même si j'aurais préféré que mon prédécesseur fasse un peu le ménage, je dois reconnaître qu'il n'y a pas d'endroit plus fantastique et plus stimulant pour créer. Ces mecs sont fous,

mais ils sont incroyables... ». À PROPOS DES AUTEURS Omnivore gavé de Kaiju-Eiga, de films de SF en noir et blanc et de romans de piraterie, Nicolas Deneschau tente encore de retrouver son poulet en caoutchouc avec une poulie au milieu. Passé par la case cinéma via Cinegenre.net avant de traîner sa plume sur le site Merlanfrit, il collabore aujourd'hui avec Third Éditions. Fêru de jeux vidéo et de cinéma fantastique depuis sa plus tendre enfance, Bruno Provezza a occupé de 2002 à 2006 la fonction de rédacteur en chef du site officiel du magazine Mad Movies, avant d'intégrer la rédaction du mensuel papier. Il y a également dirigé le numéro hors série consacré aux jeux vidéo. Collaborateur de Gameblog.fr de 2008 à 2014, il œuvre par ailleurs en qualité de traducteur pour le compte des éditions Flammarion et Pix'n Love.

Het geheim van Shambhala

De hoofdpersoon uit "De Celestijnse belofte" vertrekt naar Kathmandu, Nepal, en reist van daar met een gids naar de spirituele gemeenschap Shambhala waar hij tot het elfde inzicht komt.

Uncharted

Many know of Shambhala, the Tibetan Buddhist legendary land of spiritual bliss popularized by the film, Shangri-La. But few may know of the role Shambhala played in Russian geopolitics in the early twentieth century. Perhaps the only one on the subject, Andrei Znamenski's book presents a wholly different glimpse of early Soviet history both erudite and fascinating. Using archival sources and memoirs, he explores how spiritual adventurers, revolutionaries, and nationalists West and East exploited Shambhala to promote their fanatical schemes, focusing on the Bolshevik attempt to use Mongol-Tibetan prophecies to railroad Communism into inner Asia. We meet such characters as Gleb Bokii, the Bolshevik secret police commissar who tried to use Buddhist techniques to conjure the ideal human; and Nicholas Roerich, the Russian painter who, driven by his otherworldly Master and blackmailed by the Bolshevik secret police, posed as a reincarnation of the Dalai Lama to unleash religious war in Tibet. We also learn of clandestine activities of the Bolsheviks from the Mongol-Tibetan Section of the Communist International who took over Mongolia and then, dressed as lama pilgrims, tried to set Tibet ablaze; and of their opponent, Ja-Lama, an "avenging lama" fond of spilling blood during his tantra rituals.

Het geheim van Shambhala

Comment la Chine a-t-elle connu sa vertigineuse ascension et rattrapé son retard technologique pour devenir une superpuissance militaire dans l'espace ? Cette incroyable transition débuta au sein de programmes hautement confidentiels des forces aériennes américaines, il y a plus de 75 ans ! Alors qu'il habite aux États-Unis, un brillant scientifique chinois est désigné pour travailler, pendant plus d'une décennie, aux technologies militaires américaines les plus secrètes. Puis un jour, de façon très étrange, il sera ciblé par le FBI, puis renvoyé en Chine dans le cadre d'un échange de prisonniers par le président Eisenhower. Cet épisode l'amènera à développer en Chine, sous l'égide de l'armée, un programme spatial secret (PSS) utilisant des systèmes inusités de propulsion électromagnétique qui, à présent, mettent au défi la domination de l'armée américaine au sol et dans l'espace. Ce livre vous révélera : les origines du PSS chinois dans le travail novateur du Dr Tsien Hsue-shen, qui a transmis à la Chine sa connaissance avancée des PSS de l'Allemagne nazie et des États-Unis ; d'anciennes technologies aéronautiques enfouies dans de mystérieuses pyramides chinoises qui ont été secrètement étudiées et soumises à une rétro-ingénierie ; d'anciens artefacts de contacts extraterrestres dans les régions lointaines du Tibet et du désert de Gobi ; la participation de la Chine à un PSS dirigé par les Nations unies et destiné à engendrer une plus grande coopération internationale en réponse à l'existence de la vie extraterrestre ; les armes de l'espace et le vaisseau spatial à propulsion électro-magnétique que la Chine développe et déploie présentement. D'ici 2030, l'économie chinoise va dépasser celle des États-Unis, et la Chine a l'intention d'utiliser ses vastes ressources économiques pour projeter sa présence loin dans l'espace. Les États-Unis et la Chine sont-ils voués à un affrontement violent lors d'une inévitable guerre spatiale, ou doivent-ils devenir des partenaires stratégiques pour guider la transition paisible de l'humanité vers une civilisation galactique

Books Out Loud

The classic guide to enlightened living that first presented the Buddhist path of the warrior to Western readers—with a new foreword and cover presentation. This timeless classic presents a vision of basic human wisdom that synchronizes the mind and body—what Chögyam Trungpa called the sacred

path of the warrior. This discipline embodies characteristics that many cultures, regions, and spiritual traditions throughout time have found valuable. The sacred warrior conquers the world not through violence or aggression but through gentleness, courage, and self-knowledge, discovering the basic goodness of human life and radiating that goodness out into the world for the peace and sanity of others. That's what the Shambhala teachings are all about, and this is the book that has been presenting them to a wide and appreciative audience for more than thirty years. This book is part of the Shambhala Pocket Library series. The Shambhala Pocket Library is a collection of short, portable teachings from notable figures across religious traditions and classic texts. The covers in this series are rendered by Colorado artist Robert Spellman. The books in this collection distill the wisdom and heart of the work Shambhala Publications has published over 50 years into a compact format that is collectible, reader-friendly, and applicable to everyday life.

Programmes spatiaux secrets et alliances extraterrestres, tome IV

In einem verborgenen Tal des Himalaja soll sich das legendäre Shambhala verbergen, das geistige Zentrum unseres Planeten. Eine abenteuerliche Entdeckungsfahrt nach den letzten spirituellen Geheimnissen der Menschheit nimmt ihren Lauf.

Shambhala

Hitler et les sociétés secrètes. Les arrières-plans occultes du nazisme... Sur un tel sujet, que restait-il à dire ? TOUT ! Ce livre dévoile entre autres : 1) le rôle véritable du « baron » Rudolf von Sebottendorf, le fondateur islamisant de la fameuse Société Thulé, 2) La réalité historico-mythique qui se dissimule derrière cet Ordre du Dragon Vert auquel fut affilié Karl Haushofer, le père de la géopolitique nazie, 3) L'identité des mystérieux « Soixante-Douze » dénoncés à la face du monde, dès 1919, par le ministre allemand Walther Rathenau. Mais il ne s'agit pas seulement d'éclairer un passé tragique. Hitler, en effet, a déclaré : « Je sais que je ne suis pas Celui qui doit venir ». De qui donc le Führer – marionnette du diable – fut-il le PRÉCURSEUR ? Il est urgent de le dire : le nazisme, « allié objectif » d'un messianisme islamique dévoyé, prépare aujourd'hui, depuis des bases secrètes, la plus apocalyptique des revanches. C'est pourquoi cet ouvrage est plus qu'un livre d'histoire. C'est un AVERTISSEMENT.

Oser le plurivers

THE INTERNATIONAL BESTSELLER - A BOOK THAT CAPTURES 'THE SPIRITUAL MOMENT'. Are three decades of interest in modern physics, ecology, mystical religion and interpersonal psychology finally synthesizing into a new spiritual 'common sense'? Are we now beginning to live this new common sense? Can it become the dominant paradigm of the next century? An ancient manuscript has been found in Peru. Its contents: nine insights the human race is predicted to grasp as we enter an era of true spiritual awareness. In this gripping adventure-tale, James Redfield offers a compelling vision of the new spiritual understanding that is emerging in human culture. You will instantly understand the truth of the First Insight: in each of our lives occur mysterious coincidences - sudden, unexplained events that, once interpreted correctly, serve to guide and direct our actions. Join the adventure and embark on a bold quest to uncover the remaining insights. Each will be found in turn, and each will clarify how a growing link with the spiritual is relentlessly transforming human life. Reading like a story of high adventure, but having the in-depth effect of a spiritual parable, The Celestine Prophecy will take you on a journey that will lighten your soul, and connect you with a perspective and experience that is slowly changing the world. 'In his inimitable style of great storytelling, James Redfield opens us up to a world of insight, synchronicity and power.' Deepak Chopra

Das Geheimnis von Shambhala

In The Ancestor Syndrome Anne Ancelin Schutzenberger explains and provides clinical examples of her unique psychogenealogical approach to psychotherapy. She shows how, as mere links in a chain of generations, we may have no choice in having the events and traumas experienced by our ancestors visited upon us in our own lifetime. The book includes fascinating case studies and examples of 'genosociograms' (family trees) to illustrate how her clients have conquered seemingly irrational fears, psychological and even physical difficulties by discovering and understanding the

parallels between their own life and the lives of their forebears. The theory of 'invisible loyalty' owed to previous generations, which may make us unwittingly re-enact their life events, is discussed in the light of ongoing research into transgenerational therapy. Anne Ancelin Schutzenberger draws on over 20 years of experience as a therapist and analyst and is a well-respected authority, particularly in the field of Group Therapy and Psychodrama. First published as *Aie, mes Aieux* this fascinating insight into a unique style of clinical work has already sold over 32,000 copies in France and will appeal to anyone working in the psychotherapy profession.

CAMION NOIR

Face à un monde tendant à l'uniformisation et à la globalisation, l'on peut défendre l'expérience interculturelle et dialogique. Toutefois, si cette dernière permet d'échapper au spectre de l'imposition d'un système à d'autres, qu'appelle-t-elle en termes de prise de distance avec soi, de désarmement culturel, d'ouverture à l'autre ? Et en quoi cette entreprise peut-elle permettre de penser/panser le monde ? Quels sont ses prolongements si on parle de paix et d'apprentissage, de responsabilité et de courage ? Autant d'équations auxquelles C. Eberhard intègre un dernier élément: le détour par les fondements du bouddhisme tibétain. Recueillant quatre études, qui elles-mêmes décrivent quelque vingt ans de réflexion, ce nouvel ouvrage de C. Eberhard se veut le moyen de décentrer nos regards par trop occidentaux sur des questions cruciales en nous invitant à considérer d'autres points de vue. Non pas pour affirmer que ceux-ci sont supérieurs ou valent mieux. Mais bien pour faire entendre qu'il n'existe pas de hiérarchie entre les traditions, et que nous nous situons à un moment où celles-ci doivent se rencontrer, s'inspirer, faire retour sur elles-mêmes, pour retirer de ceci les moyens de résoudre les problématiques modernes. Aspiration pour le moins noble, qui innervait un essai aux éclairages radicalement neufs.

The Celestine Prophecy

First multi-year cumulation covers six years: 1965-70.

The Ancestor Syndrome

Dans les années 1920, dans un laboratoire secret, Gleb Boki – un bolchevique spécialiste de cryptographie, de codes secrets et de surveillance électronique – et son ami Alexandre Bartchenko, un écrivain occultiste de Saint-Petersbourg, menèrent en commun des recherches sur la cabbale, le soufisme, le kalachakra, le chamanisme et d'autres traditions ésotériques, tout en préparant une expédition au Tibet afin de partir à la recherche de la ville légendaire de Shambhala. Dans les mêmes années, à New York, le peintre russe émigré Nicolas Roerich et son épouse Hélène, préparaient eux aussi une expédition dans le cœur même de l'Asie profonde, espérant voir se réaliser la prophétie de Shambhala, c'est-à-dire l'établissement d'un royaume spirituel qui serait un modèle à suivre pour l'humanité. Pour faire aboutir leur projet, ils caressaient l'idée d'apparier le bouddhisme tibétain et le communisme. Associer le marxisme à l'occultisme et au bouddhisme tibétain n'est pas chose habituelle et pourtant des contacts et des alliances improbables eurent lieu, Shambhala, le royaume rouge, premier ouvrage à traiter de ce sujet, rend compte d'une partie de ceux-ci en suivant les itinéraires croisés du dirigeant de la Guépéou Gleb Boki, de l'écrivain occultiste Alexandre Bartchenko, et des précurseurs du New Age Nicolas et Hélène Roerich.

The Publishers Weekly

The book examines the lives of the famous Russian artist, thinker and mystic Nikolai Roerich and his wife Elena Roerich by focusing on their spiritual quest, their travels in Central Asia and Far East and their Buddho-Communist social Utopia.

Vers une société éveillée

Aux confins de l'Inde et du Népal, dans le Tibet occidental, le Kailash est la montagne sacrée par excellence de l'Asie. Mythique mont Mérou, axe du monde et demeure des dieux pour les hindous, mandala pour les bouddhistes, ce pic solitaire est vénéré depuis la nuit des temps. Longtemps interdit aux Occidentaux, il ne put être approché que par quelques rares étrangers. Depuis la mainmise chinoise sur le Tibet, la Montagne reste presque inaccessible. Sur des pistes de haute altitude, la route du Kailash est sans doute l'une des dernières aventures possibles: un périple de près de 2500 kilomètres au départ de Kathmandou, en passant par le lac Manasarovar, jusqu'à la cité oubliée de

Tsaparang. Plus qu'un simple carnet de voyage, le récit de Claude B. Levenson entraîne le lecteur dans un autre monde, en marge du temps: domaine des nomades, des caravanes, des hémiones et du vent, vaste solitude sacralisée par une dévotion millénaire.

Current Catalog

Présentation du bouddhisme, de son émergence en Inde, de ses différentes écoles, de ses différentes croyances et pratiques, de ses textes fondateurs, etc.

National Library of Medicine Current Catalog

Ce livre présente, pour la première fois en Occident, les sciences et les yogas internes de Kalachakra, traduits de l'original sanskrit, qui sont les bases de l'Ayurveda et de la médecine tibétaine. Transmis en Inde par le souverain de Shambhala, le Tantra de Kalachakra intègre les interdépendances du vivant à une méditation sur les destinées du monde, inspirant l'enseignement de la responsabilité universelle du Dalaï-lama. Tout vibre, tout est énergie et, comme dans l'entrelacement quantique, le cœur humain bat à l'unisson de l'univers. L'Éveil est à portée de nos souffles. Sofia Stril-Rever est diplômée d'Études indiennes et biographe du Dalaï-lama, autour duquel elle organise les séminaires Better We Better World. Au Jardin de la Paix, près de Paris, elle anime des formations en méditation, axées sur la transmission spirituelle de la médecine tibétaine. www.betterwebetterworld.org & www.menlaling.org

CAMION NOIR

Written for both lay readers and practitioners, *Awaken to Healing Fragrance* is divided into three parts structured around the past, present, and future of aromatherapy. The book begins with profiles of prominent female historical figures—from Cleopatra to Elizabeth I—known to have used essential oils for mind, body, and spiritual health. Part two explains the value of aromatherapy today: modern methods for using essential oils—from relaxation practices like massage and facials to treating common conditions like PMS, stress, and a sore throat—and describes how and why they work. Also featured are case studies, research on anti-infectious qualities of the oils, and a section on psychoneuroimmunology that shows how essential oils can help restore the mind-body-spirit connection and create balance. *Awaken to Healing Fragrance* concludes by exploring the future of essential oil therapy and how it can be integrated into traditional medical systems. Jones discusses energetic medicine, creating aromatic gardens, and establishing integrative medicine clinics where doctors trained in Western medicine would collaborate with alternative therapists such as acupuncturists, nutritionists, and aromatherapists to bring a new consciousness and sense of well-being to healthcare.

The Myth of the Masters Revived

Les plus grands savants dont Descartes ont avancé l'idée que le globe terrestre pouvait être doté de gigantesques cavités souterraines. L'illustre astronome Halley ira même jusqu'à supposer l'intérieur de la terre forme de sphères creuses emboîtées et habitées. Les auteurs d'utopies, de voyages extraordinaires et de science-fiction ne tarderont pas à les accompagner dans ces profondeurs inconnues. Nombre d'illuminés se lanceront également dans la quête d'une prétendue terre creuse, voire d'une terre concave plus ahurissante encore. C'est à cette aventureuse — et souvent délirante — exploration speleologique conjecturale, rassemblant plus de 2200 notices bibliographiques commentées et illustrées, précédées d'une étude exhaustive, que vous convient Costes et Altairac, dans la grande tradition de Messac, Blavier, Bleiler, ou Versins.

Kailash, joyau des neiges

Et si Jules Verne avait raison ! Si son récit "Voyage au centre de la Terre" n'était que l'aboutissement merveilleusement maquillé d'une connaissance interdite ? Se pourrait-il qu'il représente ainsi le dernier ouvrage de son œuvre à se transformer lui aussi, et très bientôt, en une réalité manifeste ? De très anciennes croyances l'affirment : la Terre est creuse et habitée par d'anciens peuples dont certains, pouvant être des géants, très avancés d'un point de vue spirituel. Ils seraient les gardiens d'une connaissance universelle qu'ils sauront mettre à disposition des hommes dès lors que ceux-ci auront suffisamment retrouvé la sagesse et la conscience de leurs origines. Rares sont les textes décrivant ce monde inconnu, rares sont les téméraires ayant pu y pénétrer et encore plus rares ceux ayant pu en témoigner. Les Pôles de la planète en seraient les entrées idéales. Mais tous ceux qui parlèrent un jour ont été oubliés, mais plus que cela, ils furent dénigrés puis réduits au silence. Alors sortons dès

à présent du mutisme et d'un mythe lâchement imposé. Le moment est venu d'un nouvel élan vers une connaissance occultée, l'heure est venue de redonner la parole aux sages, aux pionniers, aux explorateurs, aux hommes vrais qui expérimentèrent cet autre continent si merveilleusement réel mais si souvent insaisissable, l'Agartha. Certainement le livre le plus complet jamais écrit sur ce sujet insolite, bénéficiant de larges et nombreux articles de presse, de cartes, de documents et de témoignages inédits.

Le grand livre du bouddhisme

Les Mystères de l'Eurasie est un des tout premiers livres d'Alexandre Douguine puisqu'il fut d'abord publié en samizdat, dans une version abrégée, avant la disparition de l'URSS, puis dans sa totalité, en 1991, après la chute du régime soviétique. Ce qui frappe dans cet ouvrage est d'abord son côté spiritualiste et même mystique, tout à fait à l'opposé du « matérialisme historique » soviétique officiel du temps où il a été conçu. Douguine cherche des signes, et cherche à découvrir le mystère de l'histoire du monde, et surtout de l'histoire de la Russie. La deuxième chose frappante dans le livre est le patriotisme de l'auteur, un patriotisme mystique typiquement russe, très différent du nationalisme étroit qu'on connaît en Occident. Contrairement à d'autres dissidents, Douguine ne prit pas l'Occident pour modèle, et surtout pas le capitalisme et le libéralisme. Il comprit très tôt que la Russie devait échapper au « double abîme », celui du système soviétique (matérialiste et collectiviste) et celui du système occidental (mercantiliste et individualiste). Cette recherche d'une troisième voie finira par déboucher sur l'eurasisme qu'il développera dans ses écrits ultérieurs.

Bibliographie du Québec

Si le thème prophétique du Grand Monarque est bien connu, il en va tout autrement de celui de la Grande Mère. Clairement énoncé dans l'hindouisme, ce thème est également présent dans les textes de Nostradamus... Il fallait fouiller et trouver ! En 1989, l'auteur prit connaissance d'une citation cruciale du Shambhala oasis de lumière de l'auteur Andrew Tomas, extraite du Kalki Purana, équivalent hindouiste de l'Apocalypse de Jean de Patmos... Cette citation indique clairement la manifestation messianique attendue pour notre époque par les hindouistes. Elle concernait non pas un homme seul, mais bien un homme et une femme. Son de cloche analogue dans l'authentique christianisme où Jésus annonça, pour la fin des Temps, LA MANIFESTATION CONJOINTE D'UN NOUVEAU SALOMON ET D'UNE NOUVELLE REINE DU MIDI... La Genèse indique que Dieu est à la fois homme et femme, dans le verset 27 : « Et Dieu créa l'homme, l'Humanité, à son image ; il le/la créa à son image; homme et femme il les créa. » De grands moments de lecture en perspective pour celles et ceux qui ne peuvent plus supporter une interprétation aussi réductrice que phallocrate de leurs Écritures sacrées respectives. La Grande Mère et le Grand Monarque seront les messagers du Verseau, idée novatrice de l'auteur dans la recherche identitaire du nouveau Messie.

Tantra de Kalachakra

An anthology of English translations of primary texts of the Quanzhen (Complete Perfection) school of Daoism.

Livrehebd

Light-Seeds has about it the scent of surpassing wisdom: A spiritual revelation narrated as soul-expanding adventure in two parts, Zen of Stars & ForeSeen, reveals the discoveries awaiting humanity. It considers our true cosmic history and destiny: it answers to the most fundamental issues. Core message: By 2020 we see merging hyper-dimensions challenging us into direct action - to end thought. Our today is a disconnect from our true past. St.Clair alters reality with light-encoded words, looking at it through the seer eyes of the leading world astrologer. He delivers solutions in a mind-altering, precision-guided prophecy. Via the new mind, his knowing is designed for you to engineer the paths of your incarnation from your own future. St.Clair - his Master of The Light, and his vision - changes your life, as he frees mankind, one soul at a time. Once a decade perhaps, a special book of profound impact appears: Light-Seeds is hailed by a sub-culture to be "it."

Awaken to Healing Fragrance

"Arktos is the first book ever written on the archetype of the Poles: celestial and terrestrial, North and South. It is a hair-raising voyage through cosmology, occultism and conspiracy theory leads to startling

revelations about the secrets of the Poles. The author investigates legends of a Golden Age, which some claim ended in a prehistoric catastrophe, a shift in the earth's axis. This is examined in the light of the latest geological theories, as are predictions of a coming pole-shift. The perennial fascination of these ideas is shown to be part of a "polar tradition" of hidden wisdom. There are many recorded tales of an ancient race said to have lived in the Arctic regions, which later spread through the Northern Hemisphere. This supposedly "Aryan Race" entered the pantheon of Nazi Germany, with dreadful consequences. The author examines the origins of modern neo-Nazi ideology, its "polar" inspiration, and its links with other arcana, including the survival of Hitler, German bases in Antarctica, UFOS, the Hollow Earth, and the hidden kingdoms of Agartha and Shambhala. However, "Arktos" differs from most writings on these subjects in its responsible and scholarly treatment, and its extensive use of foreign-language sources."--Provided by publisher.
