

Robin Hood Gang

[#Robin Hood](#) [#Sherwood Forest outlaws](#) [#Medieval English folklore](#) [#Justice for poor](#) [#Legendary archer](#)

The Robin Hood Gang is a legendary band of outlaws led by the skilled archer Robin Hood, dwelling deep within England's Sherwood Forest. Famed for their daring exploits, they notoriously steal from the rich and corrupt, redistributing wealth to the impoverished and oppressed, embodying a timeless symbol of justice and rebellion against tyranny in medieval folklore.

The Adventures of Robin Hood

Recounts the legend of Robin Hood, who plundered the king's purse and poached his deer and whose generosity endeared him to the poor.

Robin Hood - His Book

This vintage book contains the tale of one of England's most famous legendary heroes, Robin Hood. Fantastically retold by Eva March Tappan, it tells the story of the ranger of the forest who is outlawed for shooting the king's deer but who becomes the embodiment of resistant to injustice in England and beyond. These classic legends are accompanied by wonderful full colour illustrations by Charlotte Harding. This volume is highly recommended for those with an interest in the legend of Robin Hood, and it would make for a charming addition to any collection. Contents include: "Robin and the Merry Little Old Woman"

Robin Hood

When Jack's father is arrested by the evil Sheriff of Nottingham, Jack must seek help from the notorious Robin Hood. Bring the legend of Robin Hood alive with this beautiful picture book. This is a highly illustrated ebook that can only be read on the Kindle Fire or other tablet.

The Story of Robin Hood: For tablet devices

Excerpt from Robin Hood: His Book As in the Old Ballads in Prose, so in this rendering of some of the Robin Hood legends I have not scrupled to wander away from the exact incident and to add that story between the lines which the simple words of the ballad have brought to me without effort or searching of my own. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

Robin Hood

Twelve selected adventures of Robin Hood and his outlaw band who stole from the rich to give to the poor.

Some Merry Adventures of Robin Hood

'I charge you, Sir Alan Dale, with administering my death. At the end of the game, I would rather die by your hand than any other' England rebels War rages across the land. In the wake of Magna Carta, King John's treachery is revealed and the barons have risen against him once more. Fighting with them is the Earl of Locksley - the former outlaw Robin Hood - and his right-hand man Sir Alan Dale. France invades When the French enter the fray, with the cruel White Count leading the charge, Robin and Alan must decide where their loyalties lie: with those who would destroy the king and seize his realm or with the beloved land of their birth. A hero who will live for ever Fate is inexorable and Death waits for us all. Or does it? Can Robin Hood pull off his greatest ever trick and cheat the Grim Reaper one last time just as England needs him most?

ROBIN HOOD

In this engaging and deeply informed book, Knight looks at the different manifestations of Robin Hood at different times and places in a mythic biography with a thematic structure. Illustrations.

Robin Hood; a tale of the olden time

Among the narrative traditions of the Middle Ages, the Robin Hood legend holds a unique, important, and often overlooked position. Robin Hood's uniqueness and importance begins with his status as the only English contribution to world mythology. His is also the only lasting myth to arise from the High Middle Ages and the last Western legend to achieve a sustained international appeal. Several Robin Hood ballads survive from the Middle Ages, and from the 15th to the 17th centuries he figured prominently in folk drama. Since then, he has appeared in numerous proverbs, placenames, operas, novels, children's stories, films, and television series. A tale told so often must be profoundly significant to the society that retells it. Yet in spite of its importance and popularity, the legend of Robin Hood has received surprisingly little study. This book overviews the genesis and development of the Robin Hood legend from the Middle Ages to 1700. As is appropriate for a work that bridges the divide between the worlds of fiction and history, this volume incorporates the strengths of both historical and literary

approaches, respecting both the circumstances of the historic setting and the legend's status as a fictive creation. The principal focus of the book is the interaction between the text and the social context in which the legend arose and developed. The first two chapters examine the early Robin Hood tradition, including the initial nondramatic manifestations of the legend and the later dramatic representations. The volume then looks at the transformation of the legend in the 16th and 17th centuries and considers how the various elements of the legend interacted with each other and with society as a whole.

The Death of Robin Hood

This book has been considered by academicians and scholars of great significance and value to literature. This forms a part of the knowledge base for future generations. So that the book is never forgotten we have represented this book in a print format as the same form as it was originally first published. Hence any marks or annotations seen are left intentionally to preserve its true nature.

Robin Hood

Oscar® winner Russell Crowe stars as the legendary figure known by generations as Robin Hood, whose exploits have endured through out popular mythology. In 13th century England, Robin and his band of marauders lead an uprising against the crown that will forever alter the balance of world power. And whether thief or hero, one man from humble beginnings will become an eternal symbol of freedom for his people. Robin Hood chronicles the life of an expert archer, previously interested only in self-preservation, from his service in King Richard's army. Upon Richard's death, Robin travels to Nottingham, a town suffering from a despotic sheriff and crippling taxation, where he falls for the spirited widow Lady Marion (Oscar® winner Cate Blanchett), a woman skeptical of the identity and motivations of this crusader from the forest. Hoping to earn the hand of Maid Marion and salvage the village, Robin assembles a gang whose lethal mercenary skills are matched only by its appetite for life. Together, they begin preying on the indulgent upper class to correct injustices under the sheriff. With their country weakened from decades of war, embattled from the ineffective rule of the new king, and vulnerable to insurgencies from within and threats from afar, Robin and his men heed a call to ever greater adventure. This unlikeliest of heroes and his allies set off to protect their country from slipping into bloody civil war and return glory to England once more. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Robin Hood

If you thought you knew about Robin Hood... then think again! Written by Robert White, chairman of the World Wide Robin Hood Society. Many tales have been told about Robin Hood. The traditional stories of good versus evil and his quest to regain his rightful inheritance are universally appealing. The legend has intrigued generation after generation and everyone has their own personal vision of Robin Hood - a swashbuckling hero; a romantic outlaw; a bandit thief; a fighter of injustice or a benevolent champion of the people. Numerous books have been written by historians trying to untangle the myth, establish his actual existence and speculate on just who he might have actually been. Consequently, the subject of the globally renowned hero of English folklore has become extensively complex but the observations included in this publication should provide a brief overview of some of the key facts, issues and perceptions surrounding Robin Hood. Robin Hood: The Legacy of a Folk Hero gives a fascinating insight into the numerous aspects of one of the world's most enduring and iconic legends. Robert White discusses interesting facts and titbits surrounding the outlaw, and then reflects on how the Sherwood Forest hero has become a global phenomenon who, over 800 years, evolved into 'the people's champion'. Embark on an journey from the legend's mythical roots to how, across the ages, the tales of Robin and his merry men has developed in many diverse ways that still impact us to this day. Whatever your opinions and beliefs, this title will reveal just why Robin Hood has become so much more than simply a mythical outlaw of English folklore.

Robin Hood, His Book

Authentic English ballads describing the adventures of Robin Hood, who with his band of followers lived in Sherwood Forest as an outlaw dedicated to fighting tyranny.

Robin Hood

When the girl of his dreams is captured by the Sheriff of Nottingham's deputies, Will Scarlet desperately wants to save the day. But he fails. Utterly. Will is rescued by a mysterious man named "Little John," who urges him to get a closer look at his face. Little John is actually Will's absent Aunt Josephine, who is now living as a man. Little John introduces Will to Robin of Locksley, the half-Saracen daughter of the deceased Earl of Locksley. Will is smitten with her, but he knows the beauty would never be interested in him.

Robin Hood

British Library Additional MS 71158.

Robin Hood

An exciting story from the legend of Robin Hood, retold for English language learners. When Much Middleton's father is arrested by the evil Sheriff of Nottingham, Much seeks the help of the mysterious outlaw, Robin Hood.

Robin Hood, a complete history of all the notable and merry exploits performed by him and his men

A life-long fascination with the Robin Hood legend is explored in this entertaining and readable exploration of both myth and fact.

Lady of Locksley

A range of new novels based on the new BBC serialisation of Robin Hood, stating on television Autumn 2006. Includes an 8 page colour section.

Robin Hood

Escape to Sherwood Forest to meet the heroic outlaw. Forty-four illustrations to color, accompanied by captions, depict dramatic scenes from the story of Robin Hood and his merry men.

Robin Hood

DigiCat Publishing presents to you this special edition of "Robin Hood" by Henry Gilbert. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

Robin Hood

Chronicles the life and adventures of Robin Hood, who, with his band of followers, lived in Sherwood Forest as an outlaw dedicated to fight against tyranny.

Robin Hood. A Collection of the Popular Poems, Songs, and Ballads, Relative to that Celebrated English Outlaw

The author presents historical evidence, together with the theories and conclusions of previous authorities, to argue that the folk-hero Robin Hood was in fact a living person and not a mythical or legendary personage.

Who Shot the Sheriff?

Continuing the story told in the classic 'The Prince of Thieves,' 'Robin Hood the Outlaw' picks up where the first book left off. Maid Marian and the Merrie Men are all present, but readers hoping that Robin has time to put down his bow and relax will be sorely disappointed. Instead, he must consider his loyalty to King Richard, while keeping one step ahead of the Sherriff of Nottingham. Throw a dastardly betrayal into the mix and you've got all the ingredients for a rollicking read, packed with historical detail and heroic swordplay. Alexandre Dumas (1802 – 1870) was one of the most popular French authors and playwrights of the 19th Century. After the death of his father, Dumas travelled to Paris where he eventually decided to work in the theatre. He first came to public attention at the age of 27 with his first play, 'King Henry III and his Courts.' After a succession of successful stage plays, Dumas

turned his hand to writing novels. Many of these were serialised in newspapers, such as 'La Comtesse de Salisbury; Édouard III,' and 'Le Capitaine Paul.' Many of Dumas' later works have been hailed as timeless classics and adapted for television and the silver screen, such as 'The Three Musketeers', starring 'Lord of the Rings' Orlando Bloom, and 'The Count of Monte Cristo', starring 'Superman' star, Henry Cavill.

The Story of Robin Hood Coloring Book

A classic tale of adventure and bravery charting the transformation of Robert of Locksley into Robin Hood, the outlaw of myth and legend. Join Robin and his band of Merry Men as they battle injustice and seek to defeat the villainous Sheriff of Nottingham and Guy of Gisborne.

Robin Hood

Recounts the life and adventures of Robin Hood, who, with his band of followers, lived in Sherwood Forest as an outlaw dedicated to fighting tyranny. Illustrations by Wyeth, Pyle, and others are compiled from other editions.

Robin Hood: a collection of all the ancient poems, songs, and ballads, now extant, relative to that celebrated English outlaw [based on the ed. by J. Ritson].

From Errol Flynn to Kevin Costner to Daffy Duck, the bandit of Sherwood Forest has gone through a variety of incarnations on the way to becoming a cinematic staple. The historic Robin Hood--actually an amalgam of several outlaws of medieval England--was eventually transformed into the romantic and deadly archer-swordsman who "robbed from the rich to give to the poor." This image was reinforced by popular literature, song--and film. This volume provides in-depth information on each film based on the immortal hero. In addition, other historical figures such as Scottish rebel-outlaws Rob Roy MacGregor and William Wallace are examined. Nollen also explores nontraditional representations of the legend, such as Frank Sinatra's Robin and the Seven Hoods and Westerns featuring the Robin Hood motif. A filmography is provided, including production information. The text is highlighted by rare photographs, advertisements, and illustrations.

Robin Hood

The identity of Robin Hood is one of the great historical mysteries of English history - until now. Everyone has heard of Robin Hood, the brilliant archer who 'robbed the rich to give to the poor' and who always triumphed over the forces of evil, but the man behind the legend is as mysterious as King Arthur. There were outlaws who lived in the royal forests preying on unwary travelers, and Robin Hoods whose names are recorded in historical documents: but no one has been able to prove that one of these real Robins was the individual whose exploits were commemorated in ballad and song. David Baldwin sets out to find the real Robin Hood, looking for clues in the earliest ballads and in official and legal documents of the thirteenth and fourteenth centuries. His search takes him to the troubled reign of King Henry III, his conclusions turn history on its head and David Baldwin reveals the name of the man who inspired the tales of Robin Hood.

Robin Hood. His Deeds and Adventures as Recounted in the Old English Ballads

ROBIN HOOD

Traveling With Harold is a personal account of one man's 60+ year journey to find himself. Along the way he discovered the love of his life, overcame racism, gained influence with a millionaire contractor, and impacted the lives of thousands.

Traveling With Harold

Traveling With Harold is an account of the four decades of ministry leadership of Pastor Harold C. Huggins.

Harold Peto, Architect and Designer of Gardens, 1854-1933

Clara the Rabbit realizes she is tired of her small town and looks for an opportunity to escape to the thrilling New York City. Her hairy friend Harold (a gorilla) goes along on the adventurous trip that pushes him to face his biggest fear. In the end, Harold will make a great sacrifice, one that will reveal the way back home, but will also help them both realize the true meaning of friendship. Hairy Harold's & Curious Clara's Extraordinary Trip to New York is a picture book devoted to ordinary characters who discover something extraordinary. It's about Harold, a rather uncouth gorilla with an appreciation for the simple things in life, and Clara, a rabbit who enjoys the latest trends and has an insatiable desire for attention. It's a story that takes place in an enigmatic city full of superlatives and nonstop action, a place sometimes unforgiving to newcomers. The unique and beautifully crafted illustrations in this book explore complex tensions, constantly evoking the combating themes of narcissism and sacrifice.

Hairy Harold and His Extraordinary Trip to New York

In this book Harold L. Vogel comprehensively examines the business economics and investment aspects of major components of the travel industry, including airlines, hotels, casinos, amusement and theme parks and tourism. The book is designed as an economics-grounded text that uniquely integrates a review of each sector's history, economics, accounting, and financial analysis perspectives and relationships. As such, it provides a concise, up-to-date reference guide for financial analysts, economists, industry executives, legislators and regulators, and journalists interested in the economics, financing and marketing of travel and tourism related goods and services. The third edition of this well-established text updates, refreshes, and significantly broadens the coverage of tourism economics. It further includes new sections on power laws and price-indexing effects and also introduces new charts comparing airline and hotel revenue changes and lodging revenue changes in relation to GDP.

Travel Industry Economics

In his rich new body of work, the Belgian artist Harold Ancart turns an immersive landscape of trees, mountains, and seas into a meditation on painting itself. Ancart often paints subjects that naturally invite contemplation, such as the horizon, clouds, flowers, flames, and icebergs. His newest body of work captures the experience of landscape seen in motion or from a distance: trees blurred while driving past, a far-off inky-black sea, an evocative Martian mountain range. Recalling René Magritte, Egon Schiele, Gustav Klimt, and Piet Mondrian, who approached this subject matter in distinct ways, Ancart blurs form and color, figure and ground, and figuration and abstraction. Reproduced here in magnificent foldouts, two multipanel canvases situate the viewer between a mountainscape and a seascape, both monumental in scale. Ancart segments the seascape with a stark horizon line, dividing sky and ocean. Like other comparable motifs within the artist's oeuvre, the vividly colored cloudy sky functions in an anthropomorphic way, alluding to the endless possibilities and personalities of organic forms. Including an interview with the artist by Bob Nickas, this catalogue offers insight into Ancart's frank reflections on painting, writing, nature, and more. The publication also features a new essay by Laura McLean-Ferris. Taken together, the works in *Traveling Light* meditate on the expansive possibilities of painting.

Mastering Your Away Trip

This course book is written because Mastering Your Away Trip helps make sure your trip goes smoothly and allows you to be the good citizen of the United States: to demonstrate consideration, appreciation, and taste.

Harold Ancart: Traveling Light

Demonstrates that US travelers abroad were not limited to the rich and privileged even in previous centuries, by presenting over 2,000 titles with full bibliographic citations and brief evaluative descriptions.

Arranged alphabetically by author and indexed by place and author's occupation. Updated from the 1969 edition with titles subsequently discovered. Annotation copyrighted by Book News, Inc., Portland, OR

Mastering Your Away Trip

Harold L. Vogel examines the economics and investment aspects of major industry components including airlines, hotels, casinos and theme parks.

American Travellers Abroad

The Singers Drummer chronicles the music and times of Harold Jones, a world class musician whose career spans the last five decades of jazz and big band swing music. This book highlights Jones career as he evolved into the drummer of choice for some of our most popular vocal legends. But it is about much more than that. It also gives us an entertaining insight into life on the road and is filled with Harolds insightful, sometimes humorous, anecdotes and musings about the famous sidemen, legendary jazz musicians and vocal headliners he has known; featuring more than 100 photos of his renowned friends. Read The Singers Drummer and learn why Paul Winter called Harold the Michael Jordan of young jazz drummers in Chicago. Read why Harold became acknowledged as Count Basies favorite drummer. And why Tony Bennett says This book is a knockout! I am happy that someone is finally putting together a history of what really happens on the road!

Childe Harold's Pilgrimage

Reprint of the original, first published in 1869.

Travel Industry Economics

Childe Harold's Pilgrimage is a lengthy narrative poem in four parts written by Lord Byron. The poem describes the travels and reflections of a world-weary young man who, disillusioned with a life of pleasure and revelry, looks for distraction in foreign lands. In a wider sense, it is an expression of the melancholy and disillusionment felt by a generation weary of the wars of the post-Revolutionary and Napoleonic eras.

Harold travels to the sky with the help of his purple crayon.

Childe Harold's Pilgrimage

Harold Klemp, the leading authority on past lives, dreams, and Soul Travel, brings you startling insights in this breakthrough book. Past Lives--Learn to recall memories of past lives! Lessons of long ago can be recaptured now to help our lives today. Our character is made up of virtues and shortcomings, and all are a development from past lives. Dreams--Dreams are real, another way to find wisdom from the heart. Dreams open new avenues of truth and give insights just for you. Soul Travel--Soul Travel is simply a shift in consciousness. Its main benefit is to let us tap into the wisdom and knowledge of the last great frontier--our inner worlds. To fully, consciously ride the wave of divine love coming into our lives every day. Past Lives, Dreams, and Soul Travel prepares you to set foot on the grandest adventure of your life. Find your true purpose. Find greater love than you've ever known. Find spiritual freedom beyond your dreams. This book can change you forever. Eckankar is a modern-day spiritual teaching with ancient roots founded in 1965 by Paul Twitchell. Harold Klemp is the current spiritual leader of Eckankar since 1981.

Childe Harold's Pilgrimage

Childe Harold's Pilgrimage was the poem which brought Lord Byron public recognition. He himself disliked the poem, because he felt it revealed too much of himself. In it a young man (called childe after the medieval term for a candidate for knighthood) travels to distant lands to relieve the boredom and weariness brought on by a life of dissipation. It is thought to be a comment on the post-Revolutionary and -Napoleonic generation, who were weary of war.

Childe Harold's pilgrimage

This edition made to fit most pockets and formatted for a smaller page. Makes a great traveling companion. Childe Harold's Pilgrimage is a classic narrative poem in four parts. It describes the travels and reflections of a world-weary young man who, disillusioned with a life of pleasure and revelry, looks for distraction in foreign lands. Byron, through Childe Harold, regrets his wasted early youth and so re-designs himself on this pilgrimage, which takes him through Portugal, the Mediterranean and Aegean Sea between 1809 and 1811. Many of the events are said to be auto-biographical, with Byron himself initially hesitating to publish the first two cantos of the poem as he felt it revealed too much of himself.

Childe Harold's Pilgrimage (With Byron's Biography)

Edition bilingue anglais-grec

Childe Harold's Pilgrimage. [With a Portrait.]

This book is the true story of one man's attempt to live out his lifelong dream of sailing around the world to strange foreign ports in his own sailboat. Upon retiring from teaching school and farming in Michigan, Harold Knoll, Jr. left his forthcoming sedentary life, took his sailboat down to the Gulf, and headed around the world. Few men have the courage to do this, even though a lot of us have these dreams. Volume I covered the first part of his journey from Michigan to Trinidad. Volume II covered his journey from Trinidad to Spain and through France to Amsterdam and Scandinavia. Volume III covered the third part of his journey from Amsterdam around the British Isles, through the French canals to the Mediterranean, and down the coast of Italy. Volume IV covers his trip from Rome to Greece and through the Aegean Sea to Turkey. Volume V covers his trip to the Black Sea and back to Turkey. This Volume VI covers his trip from Turkey to Cyprus to Lebanon, to Israel to Egypt and the Red Sea. Captain Knoll, a true free spirit, picks up crew as he travels along. In the process, he meets many very fascinating people and has many thrilling, and sometimes humorous, experiences. Forthcoming volumes will cover the future trips that he takes as he proceeds on his voyage around the world the "wrong way" (against the prevailing winds).

Childe Harold

Childe Harold's Pilgrimage is a long poem about a traveling young man who journeys across the world to combat his disillusionment with his own society. Since the title character is a "childe\

Harold's Trip to the Sky

With his magic purple crayon, Harold draws himself into a rocket voyage to Mars, then safely back to earth just in time for breakfast.

Childe Harold's pilgrimage

COMMENTS FROM THOSE THAT ARE THE LIGHT OF SHAG DANCING "Harold Bessent and Fat Harold's Beach Club are to shag dancing and beach music as baseball and apple pie are to America. The resurgence and continued growth and popularity of the shag and beach music are due in a large way to Harold's enthusiastic, energetic, and consistent support." —Charlie Womble and Jackie McGee, professional shag dancers "Fat Harold's Beach Club and Harold himself have kept a place to dance for years now, for those young and old alike. There has never been someone that has loved the dance and the people it brings into his life more than Fat Harold. Every beach band wants to say that they have played at Fat Harold's Beach Club and HOTO's! That must surely say something about Harold Bessent as a man!" —Jeff Hargett, 2005 National Shag Dance champion "I have known Harold Bessent since I was eleven years old, and for all that time and still today, he has provided a place for the people to dance and listen to this music called beach music. He is truly an ambassador, and I thank you." —Judy Collins, owner, Judy's House of Oldies, North Myrtle Beach, South Carolina

Childe Harold's Pilgrimage, complete

H.W. Tilman has been called 'arguably the best expedition writer and best explorer-mountaineer' of the 20th century. This omnibus of exploratory mountain travel covers the years 1919-1952.

Past Lives, Dreams, and Soul Travel

Covers receipts and expenditures of appropriations and other funds.
