The ARTHASHASTRA

An extraordinary detailed manual on statecraft and the science of living by one of classical India's greatest minds; Kautilya; also known as Chanakya and Vishnugupta; wrote the Arthashastra not later than 150 AD though the date has not been conclusively established. Legend has it that he was either a Brahmin from Kerala or from north India; however; it is certain that Kautilya was the man who destroyed the Nanda dynasty and installed Chandragupta Maurya as the King of Magadha. A master strategist who was well-versed in the Vedas and adept at creating intrigues and devising political stratagems; Kautilya's genius is reflected in his Arthashastra which is the most comprehensive treatise of statecraft of classical times. The text contains fifteen books which cover numerous topics viz.; the King; a complete code of law; foreign policy; secret and occult practices and so on. The Arthashastra is written mainly in prose but also incorporates 380 shlokas. Artha; literally wealth; is one of four supreme aims prescribed by Hindu tradition. However; it has a much wider significance and the material well-being of individuals is just a part of it. In accordance with this; Kautilya's Arthashastra maintains that the state or government of a country has a vital role to play in maintaining the material status of both the nation and its people. Therefore; a significant part of the Arthashastra has to do with the science of economics. When it deals with the science of politics; the Arthashastra describes in detail the art of government in its widest sense—the maintenance of law and order as also of an efficient administrative machinery.

Kautilya's Arthashastra

Chanakya Neeti is a book based on Chanakya, an Indian theorist, teacher, philosopher, economist and a noble mentor to the Mauryan emperors between 350 -275 BC. The book portrays about his ideologies and ideas in diverse situations, which are pertinent even to today's times. People follow his ideas to escape from the web of several evils to lead a happy and peaceful life. Chanakya was also known as Kautilya or Vishnu Gupta. He was prominent lecturer at the ancient Takshashila University. He was an expert of economics and political science. Besides teaching, he also advised the Mauryan kings, Chandragupta and his son Bindusara. Chanakya played a crucial role in the establishment and expansion of the Mauryan Empire. In this book, the author tells about Arthashastra, the ancient thesis about Indian Polity. The book focuses on Chanakya's detailed theories. He wrote his discoveries as to the manner people used to live their lives in ancient India. The book explains the behaviours and patterns a person should follow with different people in life. This book was published in 2002 and is available in paperback form. It comprises of Neeti Sutras in Sanskrit, which are in concise form, but are very impressive. Their translation is done in English and a bit is explained in laymen's terms too. It is available online on Amazon India. About the author: B.K. Chaturvedi is an Indian Civil Servant. He is also former Cabinet Secretary, Government of India. He was awarded the Padma Bhushan for his involvement in the field of civil services, in 2010. He belongs to the 1966 IAS batch. About the Author: B. K. Chaturvedi is a famous Indian author, who is also a journalist and translator. His works are mainly based on Hindu Gods and saints. He also focusses on historically famous Indian people. Chaturvedi's works are published both in English and Hindi. He mostly studied in Bangalore and Allahabad. Apart from this book, Chaturvedi has authored Linga Purana, Kautilya's Arthashastra and A Complete Guide To Numerology. He has also written for some programmes on TV and radio.

Chanakya Neeti

CHANAKYA NITI EVAM KAUTILYA ARTHASHASTRA

Chanakya in You is the charming, lighthearted yet profound tale of a man inspired by his grandfather to seek the wisdom of the Arthashastra. Journey with a modern-day disciple of Chanakya as he goes

from being an aimless youth to the richest man in the world, inspiring a whole nation to take up study of Sanskrit and ancient Indian literature for business success. Interestingly, this book does not have a single character with a name. The story is about you and your journey through life. While you flip through the pages, you may well find yourself walking the hero's path to bring out the Chanakya inside you. The book can be read by a parent or a young adult, by a business tycoon or an academic scholar, with equal ease and interest. This is a book for the people; a book that makes you think. Don't put it down until you discover the Chanakya in You! Radhakrishnan Pillai, has an MA in Sanskrit and is a certified explorer of the magic of Chanakya and the Arthashastra. After the runaway success of his first book Corporate Chanakya, followed by a second bestseller, Chanakya's 7 Secrets of Leadership, Pillai brings Chanakya to life in his business fiction Chanakya in You. He can be reached at Twitter@rchanakyapillai and Facebook : /RadhakrishnanPillaiOfficial

Chanakya in You

The essential writings of Dharampal compiled and edited by his daughter Gita Dharampal

Essential Writings of Dharampal

This is the greatest and probably the earliest book on statecraft, royalty, diplomacy and politics. Famous with the name of Indian Machiavelli, Chanakya also known as Kautilya is the writer. Another name of book is Chanakya neeti.

Arthashastra

Basic Approach Developed as a comprehensive introductory work for scholars and students of ancient and early medieval Indian history, this book provides the most exhaustive overview of the subject. Dividing the vast historical expanse from the stone age to the 12th century into broad chronological units, it constructs profiles of various geographical regions of the subcontinent, weaving together and analysing an unparalleled range of literary and archaeological evidence. Dealing with prehistory and protohistory of the subcontinent in considerable detail, the narrative of the historical period breaks away from conventional text-based history writing. Providing a window into the world primary sources, it incorporates a large volume of archaeological data, along with literary, epigraphic, and numismatic evidence. Revealing the ways in which our past is constructed, it explains fundamental concepts, and illuminates contemporary debates, discoveries, and research. Situating prevailing historical debates in their contexts, Ancient and Early Medieval India presents balanced assessments, encouraging readers to independently evaluate theories, evidence, and arguments. Beautifully illustrated with over four hundred photographs, maps, and figures, Ancient and Early Medieval India helps visualize and understand the extraordinarily rich and varied remains of the ancient past of Indian subcontinent. It offers a scholarly and nuanced yet lucid account of India's early past, and will surely transform the discovery of this past into an exciting experience. Table of Contents List of photographs List of maps List of figures About the author Preface Acknowledgements A reader's guide 1. Understanding Literary and Archaeological Sources 2. A History of Ancient and Early Medieval India

One of the greatest figures of wisdom and knowledge in the Indian history is Chanakya. Chanakya is regarded as a great thinker and diplomat in India who is traditionally identified as Kautilya or Vishnu Gupta. Originally a professor of economics and political science at the ancient Takshashila University, Chanakya managed the first Maurya Emperor Chandragupta's rise to power at a young age. Instead of acquiring the seat of kingdom for himself, he crowned Chandragupta Maurya as the emperor and served as his chief advisor. Chanakya Neeti is a treatise on the ideal way of life, and shows Chanakya's deep study of the Indian way of life. These practical and powerful strategies provide a path to live an orderly and planned life. If these strategies are followed in any sphere of life, victory is certain. Chanakya also developed Neeti-Sutras (aphorisms ? pithy sentences) that tell people how they should behave. Chanakya used these sutras to groom Chandragupta and other selected disciples in the art of ruling a kingdom. But these sutras are also relevant in this modern age and are very useful for us. For the first time, Chanakya Neeti and Chanakya Sutras are compiled in this book to make Chanakya's invaluable wisdom easily available to the common readers. This book presents Chanakya's powerful strategies and principles in a very lucid manner for the benefit of our valuable readers.

Chanakya Neeti

The Arthashastra is an ancient Indian treatise on statecraft, economic policy and military strategy which identifies its author by the names 'Kautilya' and 'Vishnugupta', both names that are traditionally identified with Chanakya (c. 350-283 BC), who was a scholar at Takshashila and the teacher and guardian of Emperor Chandragupta Maurya, the founder of Mauryan Empire.-Wikipedia

Kautilya's Arthashastra

Kautilya's Arthashastra, a treatise on ancient Indian statecraft and social theory, and Ziya al-Din Barani's Fatawa-i-Jahandari, a treatise on political theory of the early medieval period.

Arthashastra of Kautilya and Fatawa-i-Jahandari of Ziauddin Barani

Chanakya was one of the best strategic thinkers of the world. In the fourth century BC, he wrote the Arthashastra, an unrivalled political treatise that has since been used by leaders across the globe. In Inside Chanakya's Mind, for the first time, Radhakrishnan Pillai, the bestselling author of Corporate Chanakya, will distil Chanakya's age-old wisdom on how to think to the masses through his practical and innovative approach.

Inside Chanakya's Mind

Strategies for Success “An action contemplated shouldn't ever be advertised; But kept a secret like a mantra, and revealed in time.” We all feel stuck at times. There could be many reasons for this—issues at work, unhappy family life, financial troubles or embarrassing social situations. Most of us could use a little advice in these circumstances. Chanakya Neeti provides precisely that guidance to face life's many daunting challenges. Chanakya, the great thinker and teacher, is wellknown for his insights into the needs of both the privileged and the masses. The original Chanakya Neeti was written over two thousand years ago, but its brilliant verses are still applicable today because the basic quests of man remain the same—peace, prosperity and happiness. In this volume, Radhakrishnan Pillai offers a modern interpretation of Chanakya's crisp and practical maxims in his characteristic easytofollow and elegant prose. Imbibe Chanakya's wisdom to break loose from the web of troubles and create the life you desire on your terms. Radhakrishnan Pillai is the bestselling author of Corporate Chanakya, Chanakya's 7 Secrets of Leadership, Chanakya in You, Katha Chanakya and Thus Spoke Chanakya. He has a Master's degree in Sanskrit and has done his PhD in Kautilya's Arthashastra. A renowned management consultant and speaker, he is the Deputy Director of the Chanakya International Institute of Leadership Studies (CIILS) at the University of Mumbai. He tweets using the handle @rchanakyapillai and is also active on other major social media platforms.

Kautilya's Arthashastra

'Chanakya Neeti' is a treatise on the ideal way of life and shows Chanakya's deep study of the Indian way of life. Chanakya is regarded as a great thinker and diplomat in India. The book portrays about his ideologies and ideas in diverse situations, which are pertinent even to today's times. The topics discussed in this book are morality, ethics, governance and several others. Chanakya, traditionally known as Kautilya or Vishnu Gupta, was an Indian teacher, philosopher, economist, jurist and royal

advisor. He wrote the 'Arthashastra', an ancient Indian political treatise. Considered a pioneer in the field of Political Science and Economics in India, his works, lost towards the end of the Gupta Empire, were fortunately rediscovered in 1915. He played a crucial role in the establishment and expansion of the Mauryan Empire.

Artha[stra

Ancient Wisdom for Daily Inspiration “CONQUER YOURSELF TO REMAIN UNBEATABLE. On your path to success, both the biggest hurdle and the biggest support is your own mind – depending on how you have trained it.” – CHANAKYA No school or university teaches us how to make friends, have a successful career, maintain a healthy married life, run a family or live life in general. How many times have we wished for a roadmap to navigate the confusing landscape of daily-life, to have a guidebook to show us the way? In his much-awaited book Thus Spoke Chanakya, bestselling author Radhakrishnan Pillai decodes ancient texts from the illustrious Kautilya's Arthashastra within the context of modern times and doles them out in short, crisp passages for everyday practice and use. A perfect read for those who yearn to master the teachings of Chanakya for overall success. Radhakrishnan Pillai is the bestselling author of Corporate Chanakya, Chanakya's 7 Secrets of Leadership, Chanakya in You and Katha Chanakya. He has a PhD in Kautilya's Arthashastra and a Master's degree in Sanskrit. A renowned management consultant and speaker, he heads the Leadership Center at the University of Mumbai.

Chanakya Neeti

Papers presented at the National Seminar on "Kautilya's Artha[stra and Social Welfare\

Kautilya's Artha[astra

Communication is not always through sound or language. Much can be said with gestures and movement of eyes. In fact, more often than not, it is the body language that 'says' more than words. Now discover all the finer points and the nuances of body language in this masterly work. How does a thumb gesture display dominance, superiority and aggression? How does dilation of eyes send a romantic signal? What does a sideways glance indicate? Given these incredible insights, the book can prove to be of immense use for professionals like advocates, doctors, policemen, judges, salesmen, politicians, judges, executives, bureaucrats and customers etc - in short, people who are essentially in public dealing. But then, it is for all, a true guide for analysing behaviour and attitudes. #v&spublishers

Chanakya Neeti

Kautilya, also known as Chanakya, is India's most illustrious political economist of all time. He regarded economic activity as the driving force behind the functioning of any political dispensation. In fact, he went to the extent of saying that revenue should take priority over the army because sustaining the army was possible out of a well-managed revenue system. Kautilya advocated limiting the taxation power of the State, having low rates of taxation, maintaining a gradual increase in taxation and most importantly devising a tax structure that ensured compliance. He strongly encouraged foreign trade, basing it on the premise that for a successful trade contract to be established, it had to be beneficial to all. He emphasised State control and investment in land, water and mining. Kautilya was a true statesman who bridged the gap between experience and vision. For Kautilya, good governance was paramount. He suggested built-in checks and balances in systems and procedures for the containment of malpractices. Many postulates of Kautilya's philosophy of political economy are applicable to contemporary times.

Katha Chanakya

This book provides an analysis of one of the ancient world's foremost political realists, Kautilya. Kautilya's treatise Arthashastra stands as one of the great political books of the ancient world, its ideas on the science of politics strikingly similar to those of Thucydides, Machiavelli, Hobbes, Clausewitz, and even Sun Tzu. The author's commentary on Kautilya's text draws out the essential realist arguments for modern political analysis and demonstrates the continued relevance of Kautilya's work to modern Indian strategic thinking and our understanding of the relationship between politics and economics. Striking a balance between textual analysis and secondary scholarship, this work contributes to the study of ancient Indian history, Eastern political thought, and international relations.

Kaumilya's Artha[stra

The only extant treatise on statecraft from classical India, the Arthashastra is an invaluable resource for understanding ancient South Asian political thought; it also provides a comprehensive and unparalleled panoramic view of Indian society during the period between the Maurya (320-185 BCE) and Gupta (320-497 CE) empires. This volume offers modern English translations of key selections, organized thematically, from the Arthashastra. A general Introduction briefly traces the arc of ancient South Asian history, explains the classical Indian tradition of statecraft, and discusses the origins and importance of the Arthashastra. Thorough explanatory essays and notes set each excerpt in its intellectual, political, and cultural contexts.

Thus Spoke Chanakya

Max Weber declared that compared to the Arthashastra, Machiavelli's "The Prince" is harmless. The Arthashastra -- "The science of politics and political economy" -- is an extended treatise on how to found and rule an empire. The author Chanakya (also known as Kautilya) was the masterful advisor to ruler Chandragupta Maurya, the founder of the Mauryan empire, one of the greatest our world has ever seen.

Kaumilya's Artha[stra

Different than other usual time management books available, this book details 30 strategies and tactics proven methods to get more done in the 24 hours that every single human being on earth has been granted. Discover how to maximize your time by setting priorities, create useful schedules and learn to overcome procrastination, how to boost your energy level and productivity with good habits, proper food habits, exercise and sleep. Learn how to use the latest technology etc. can enable you to manage information and communicate more effectively and efficiently.

Arthashastra

Sri Ramana Maharshi is widely thought of as one of the most outstanding Indian spiritual leaders of recent times. Having attained enlightenment at the age of 16, he was drawn to the holy mountain of Arunachala in southern India, and remained there for the rest of his life. Attracted by his stillness, quietness and teachings, thousands sought his guidance on issues ranging from the nature of God to daily life. This book brings together many of the conversations Maharshi had with his followers in an intimate portrait of his beliefs and teachings. Through these conversations, readers will discover Maharshi's simple discipline of self-enquiry: knowing oneself and looking inwards as the road to true understanding and enlightenment. This updated edition will appeal to anyone looking for peace, self-awareness, and guidance on how to embrace the self for well being and calm.

Kautilya Arthashastra (Set Of 2 Vols.)

The aim of this work is to establish Kautilya as a great Indian jurist, who has so far remained hidden from the legal world. It is a matter of great satisfaction that the work has found a permanent place in the field of legal philosophy of law. Kautilya is also known as Vishnugupta or Chanakya. He gave Arthashastra first translation to the world which was a naturally crude. He made valuable contributions in the field of maintaining law and order and prevention of crimes etc. This book consists of the following heads of legal action: (i) Laws of contract, (ii) Laws of marriage and Conjugal relation, (iii) Laws relating to property of women, (iv) family laws relating to partition and inheritance of male property, (v) Laws relating to landed property, (vi) laws of debts and deposits, (vii) Laws of service and partnership (viii) Laws of gifts, purchase and sale, (ix) Laws of civil injuries and (x) Gambling and miscellaneous subjects. Now in the 21st century, Publication of this work may herald a new era. The Kautilya system of law has many and various kinds of legal procedures which needs study and research. This book is a goldmine for researchers and thinkers in numerous fields. It will be a useful work of reference for jurists, judges, advocates of higher courts, diplomats, students of legal research and comparative law, historians, Sanskrit scholars, writers and the general public. It is hoped that the book will bring an awareness, recognition and re-diffusion of the Indian learning at home, and in other parts of the world.

The Kautilya Artha[stra...

Comparative study concerning the political philosophy of two great philosophers of the world.

Kautilya's Arthashastra

Kaumilya's Arthashastra and Social Welfare

Chanakya's Chant is a racy and gripping account on Chanakya, one of the greatest political strategists India has seen. The story changes track as it narrates the tale of Gangasagar Mishra, the reincarnation of Chanakya, in parallel. Will he be the next kingmaker? Gangasagar Mishra, a denizen of a quaint old Indian town, is no ordinary man. Society sees him as a Brahmin teacher who can barely make ends meet, but he's the reincarnation of the man who brought the fragmented subcontinent together under a single empire – Chanakya. Chanakya's Chant by Ashwin Sanghi gives its readers a look into two parallel worlds that are tied together by the intelligence of the main protagonists. The first story is set in 340 BC, when a young Brahmin man, fueled by the death of his father, vows revenge against the king and overthrows his rule by bringing in Chandragupta Maurya, the first emperor of the Maurya Dynasty. The scene then shifts to modern day India, where Gangasagar Mishra leads his life as a nonentity – until he decides to groom an ambitious girl from Kanpur into India's prime minister. Will Chanakya's manipulative mechanisms change the face of the nation again? The book takes readers on a joyride through Chanakya's cold and calculating moves. Chanakya's Chant was very well received by critics and readers. Renowned bureaucrat and writer Shashi Tharoor released the book in Mumbai and termed it a gripping and delightful read. The book is a historical account, but features many colloquial terms too.

Body Language (Kannada)

"THE MAHABHARATA ENDURES AS THE GREAT EPIC OF INDIA. While Jaya is the story of the Pandavas, told from the perspective of the victors of Kurukshetra, Ajaya is the tale of the Kauravas, who were decimated to the last man. From the pen of the author who gave voice to Ravana in the national bestseller, ASURA, comes the riveting narrative which compels us to question the truth behind the Mahabharata. THE DARK AGE OF KALI IS RISING and every man and woman must choose between duty and conscience, honour and shame, life and death... o The Pandavas, banished to the forest following the disastrous games of dice, return to Hastinapura. o Draupadi has vowed not to bind her hair till she washes it in the blood of the Kauravas. o Karna must choose between loyalty and gratitude, friend and Guru. o Aswathama undertakes a perilous mission to the mountains of Gandhara, in search of the Evil One. o Kunti must decide between her firstborn and her other sons. o Guru Drona has to stand with either his favourite disciple or his beloved son. o Balarama, having failed to convince his brother about the adharma of violence, walks the streets of Bharatavarsha, spreading the message of peace. o Ekalavya is called to make the ultimate sacrifice to uphold a woman's honour. o Jara, the beggar, sings of Krishna's love while his blind dog, Dharma, follows. o Shakuni can almost see the realization of his dream to destroy India. As the Pandavas stake their claim to the Hastinapura throne, the Kaurava Crown Prince, Suyodhana, rises to challenge Krishna. As great minds debate dharma and adharma, power hungry men prepare for an apocalyptic war. The women, highborn and humble, helplessly watch the unfolding disaster with deep foreboding. And greedy merchants and unscrupulous priests lie in wait like vultures. Both sides know that beyond the agony and carnage the winner will take all. But even as gods conspire and men's destinies unfold, a far greater truth awaits. ***** One of the six most remarkable writers of India. DNA An Amazing read. The WEEK Unique voice of a rebellious author telling the story from the other side, a feat a few have dared or managed so well. Bihar Times"

So the Ruby Is Red Cult My My Consciousness Colors the Ruby Red and the Emerald Green What It Basically Means Is It's in My Consciousness that Everything Gets Its Existence We'll See in the Meditation Today How We Are Oceans of Existence and Consciousness in Which the Entire Universe all of this There Waves in the Ocean that You Are You Are Not a Body You're Not Even Just a Mind all Bodies and Minds and Things of the Universe Are but Waves Arising and Floating and Playing around My Ear unto Muhammad Oh in Me the Infinite Ocean of Existence

What Is the Goal of Spiritual Life It Is To Be Delivered from Suffering Why Sheikh What Is the Goal of Spiritual Life It's To Bring an End to Suffering Sankhya What Is the Goal of Spiritual Life Pestered Afflicted by the Three Kinds of Suffering the Suffering Inflicted by Nature Suffering Inflicted by Other Beings and Internal Suffering from Our Own Minds and Bodies Afflicted by Three Kinds of Sufferings People all Human Beings Are Seeking for a See Cessation of Suffering It Does Not Even Say They're Seeking Joy They're Just Seeking Relief from Suffering and Ultimately They Find Only in Spiritual Life Can a Final End to Suffering Be Found sankhya Yoga What Happens in Enlightenment

You Are Separated from the Universe from Prakruti from Nature You Remain as Pure Consciousness no Mention of Ananda You Remain as Pure Awareness in Serenity no Positive Bliss There So All these Post to Panasonic Philosophies They Concentrated on Suffering and an End to Suffering that Was What Spirituality Was About but Vedanta Is Constantly without Fail Asserts that Positive Bliss Is To Be Found and Your Real Nature Is Bliss in Fact the Entire Universe Misperceived Suffering Truly Understood this Entire Universe There Are Waves and Waves of Please You Said I Don't See that this Way I See It as Crime and Terrible Suffering and Most Horrible Things in the World You Are on this Side of the Ignorance

That Was What Spirituality Was About but Vedanta Is Constantly without Fail Asserts that Positive Bliss Is To Be Found and Your Real Nature Is Bliss in Fact the Entire Universe Misperceived Suffering Truly Understood this Entire Universe There Are Waves and Waves of Please You Said I Don't See that this Way I See It as Crime and Terrible Suffering and Most Horrible Things in the World You Are

on this Side of the Ignorance once We Cross Over and See the Reality as It Is and See Yourself as It Is You See the Underlying Bliss Whose Expressions Are Pleasure and Pain Whose Expressions Are Pleasure Anything Right I'll Come to You One More Point You Go Further Down into the Bugbee Philosophies Which Come About a Thousand Years Back 1500
