Canadian Master Tax Guide provides helpful and practical guidance on Canadian tax issues. This edition, the 75th, reflects federal tax changes in 2019 to the date of publication and provides fast, reliable answers to tax questions affecting individual and business income tax. The 2020 Canadian Master Tax Guide contains timely and precise explanations of federal income taxes for individuals, partnerships, corporations, estates, and trusts, as well as changes established by key court decisions and the Canada Revenue Agency. Significant new tax developments are conveniently highlighted and concisely explained for quick reference and understanding. The book's explanations provide tax practitioners with accurate guidance to help them understand, apply, and comply with today's complex tax laws. Conveniently cross-referenced to the Income Tax Act, Income Tax Regulations, court decisions, CRA technical publications, and Wolters Kluwer's Canadian Tax Reporter, this reliable reference is a must for anyone involved with federal taxation.

Canadian Income Taxation : Planning and Decision Making, Second Edition. Solutions Manual

A world list of books in the English language.

Canadian Income Taxation (fourth Edition)

This text is appropriate for one- or two-term courses covering personal and corporate taxation from a practitioner's perspective. Written in an accessible style, this text assumes that the student has no previous education in taxation. Byrd & Chen's Canadian Tax Principles, 2007-2008 Edition, can be used with or without other source materials (this includes the Income Tax Act, Information Circulars, Interpretation Bulletins, and other official materials). The Income Tax Act is referenced in the text where appropriate for further independent study. Students should be able to solve all of the end-of-chapter problems by relying solely on the text as a reference. The text and problem materials are comprehensive of the syllabus requirements of the CGAs, CAs, and CMAs.

Introduction to federal income taxation in Canada : commentary and problems

Shows where current business information is located and how to get it. Lists over 5,000 publications (appearing in English throughout the world), covering all subjects of interest to the business world. Focuses on periodic publications and services such as magazines, newsletters, continuously revised loose-leaf services, computerized data bases, printouts, and microforms.

Introduction to Federal Income Taxation in Canada

Written in an accessible style, this text assumes that the student has no previous education in taxation. Byrd & Chen's Canadian Tax Principles, 2010-2011 Edition, can be used with or without other source materials (this includes the Income Tax Act, Information Circulars, Interpretation Bulletins, and other official materials). The Income Tax Act is referenced in the text where appropriate for further independent study. Students should be able to solve all of the end-of-chapter problems by relying solely on the text as a reference. The text and problem materials are comprehensive of the syllabus requirements of the CGAs, CAs, and CMAs. For your convenience, the text material is now presented in two separate volumes.

Solutions Manual to Accompany Canadian Income Tax Problems

A cumulative list of works represented by Library of Congress printed cards.

Solutions Manual for Use with Income Tax Problems

The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States (1789-1824), the Register of Debates in Congress (1824-1837), and the Congressional Globe (1833-1873)
