BLURB Since she was a teen all Laurel wanted to do was to become a Sister. With a mere three weeks until she says her permanent Sisterhood vows, everything's in place and her goal's in sight. But when she visits Java Joint, her favorite coffee house, something happens, which flips her tidy, organized life, upside down. As if they were born for each other, she and Julian, the handsome, young man who brazenly takes a seat at her table are drawn to each other. Smitten, she knows it's wrong, especially when she finds out he's an...ATHEIST! Nevertheless, she can't resist the charming, intruder. Within days they become lovers and soon she's contemplates giving up her dream for her man, until his guilty conscience forces him to confess. EXCERPT As soon as I walked in the door, Seth looked up from the TV. "Hi sweetheart, where are the kids?" "At your mother's. They're spending the night. Meet me in the bedroom. I have a surprise for you." "Bedroom, surprise?" He rose as the corners of his mouth curled up. "Those two words used in the same sentence sound very promising." "Don't get too excited." I smiled back and took the big guy's large hand in mine. "You might be able to only look for now and not touch." As we entered the bedroom I explained, "Laurel and I spent the day at a spa and guess what?" "I'm sure I don't know, but from the way you're acting I'd guess you got that Brazilian wax treatment you've been threatening to get for months." Was I disappointed? Of course, but I was also pleased. I stood in front of him and pinched his nose as he lifted my skirt and started to drag my panties down. "You're just too smart for your own good, doctor. Maybe that's why I love you." "And you are too sexy for your own good and that is why I love you. Mmmm. Look at this? It's all red." He touched me. "It's warm too. Let me lick it better." "Seth, the sex crazed doctor." "Only with you baby and the doctor prescribes copious amounts of cooling saliva upon the injured area." He stuck out his long tongue, wiggling it, slowly heading in the direction of my suddenly sodden pu**y. I reciprocated by edging in toward him. "You are evil." "I know and you love it." My cell phone rang. "Let it ring." I wanted too. I wanted that tongue bad. "I can't. It could be your mother-the kids." He groaned as I kicked the panties around my ankles off and pulled down my skirt. I reached in my purse, which I'd set on the nightstand, grasped the ringing phone and quickly flipped open the cover. "Hello." "Hi Baby. It's Dad. I didn't disturb anything, did I?" Only a little blissful oral sex. "Of course not! Nice of you to call." "I've been meaning to ring you, but this isn't a social call." "Oh?" "No. Laurel just visited me. She's very conflicted about this young man." I shooed Seth over. He flashed a disgusted look, but moved and I sat on the bed. "I know. I met him. I like him. I think he'll be good for her." "That's what she said. That you seem to be pushing him on her." "Daddy, I don't have to push very hard. I know they've only known each other a short time, but she is enthralled by him. And frankly, he seems every bit as beguiled by her." "I know. They even slept together." "She told you that?" "You know Laurel. She's an open book. After I figured it out she admitted it. That bothers me some, but not as much as the fact she can't remember." "Why Daddy?" "Something bad must have happened for her subconscious to expunge the memory." "Daddy. I think we better talk. I'll be there at eleven tomorrow. And don't make lemonade." "I thought you like my lemonade." "I do but for this discussion, coffee is in order. Oh. One more thing Daddy." "What Sweetheart?" "Julian reminds me of you."

"Lisa Plumley creates charming characters. Her books are a delight!" -- USA Today best-selling author Rachel Gibson
USA Today bestselling author Lisa Plumley does it again with another sparkling, sexy novel of crazy coincidences—and crazier love... About the book...Her name was Josie, she was a showgirl.....until the night she Heimliched a martini olive out of fabulously wealthy and eccentric casino owner Tallulah Carlyle. Now Josie Day—proud new owner of one of Tallulah's spare estates—is leaving Vegas behind for...Donovan's Corner, Arizona? Ironically, her "reward" has brought her right back to the dusty hometown she thought she'd left behind forever. Still, Josie's ready to prove there's more to her than feathers and a wicked rumba. She plans to sell the old mansion and use the profits to open a dance school. But first, she'll have to figure out some fancy footwork to avoid knocking heads—and other things—with caretaker and local bad boy Luke Donovan... It isn't every day a woman like Josie comes strutting into town—which is fortunate, since her presence on the estate has Luke hotter and more bothered than he's been since, well, ever. He's a little annoyed with his Aunt Tallulah, though. This was supposed to be his property to renovate and sell—an opportunity to make good after being cut off from the family fortune. But Josie doesn't have to know that...at least not until Luke figures out a way to make both their dreams come true—and prove that Vegas isn't the only place where taking a chance can change everything... What people are saying..."In this heartwarming, often humorous story, the feisty Josie proves that you can go home again --if you've got the right stuff. And once again, the talented Plumley, whose books include Perfect Switch, proves that when it comes to writing romantic comedy, few do it better." --Booklist (starred review) "Secrets, misunderstandings, and miscommunications complicate this bright, amusing story, which takes a pair of protagonists with opposing goals, adds a host of family upheavals, and lets the off-beat tale unfold. For readers who like their contemporaries with up-front humor, sassy dialog, and small-town settings." --Library Journal "Turning not-so-perfect, unlikely characters into romance heroes and heroines is Lisa Plumley's forte, and she once again delivers a zany cast who will make you laugh. If you want a light romance that will have you chuckling every few pages, Josie Day Is Coming Home won't disappoint you." --The State newspaper "Plumley's story is lighthearted, with some serious tug-at-the-heart moments. Josie is upbeat and unbeatable, while Luke is determined and just the sort of guy Josie needs to make that happily ever after ending." --The Oakland Press "Josie Day is a delight. Plumley writes her lead character using determination, beauty, and notorious appeal. Luke Donovan is simply: sexy, dangerous and fun. They are a wonderful couple." --Contemporary Romance Writers

Romance

From USA TODAY best-selling author Anya Karin comes a hilarious, steamy, naughty, delicious werewolf romance! Sometimes a wolf's gotta fight and growl and bite. But Erik? He just needs a mate. Erik Danniken is the alpha of Jamesburg, a small town hidden from the world and full of shifters of all stripes. But underneath it all, he's just a muscled-up, rough-shod bad boy of a werewolf with a tattoo that goes all the way up his chest and sticks out the collar of his shirt. He's down to his last nerve, but he's willing to fight one last time... for the woman he loves. Sometimes a girl needs romance and wine and sweet kisses. But Izzy? She just needs a job. Isabel Taylor was more than a little frustrated when she answered a very vague job ad to be the personal assistant of a mayor in a town she didn't know existed. That was two years ago. Curvy, tough and with more than a little bit of a naughty streak, Izzy has long since gotten used to the weirdness of everyday life in Jamesburg... but she's fallen hard for Erik's rough charm. Erik wants to claim her forever, marking Izzy as his honest-to-goodness mate. Izzy wants him to quit being such a coward and just come out and do it, but will a good old-fashioned small town scandal make them keep their love a secret, and in the process, kill it before it can grow? Note: The Jamesburg Shifters is a series of standalone books. Each installment has its own hero and heroine, and the stories never cross over. Each novel or novella is a complete story, complete with happy-ever-after ending. Enjoy!

Christmas at Yuletide Farm

On a fine spring evening, the young Spanish Count Cesara came, with his companions, Schoppe and Dian, to Sesto, in order the next morning to cross over to the Borrom³/₄an island, Isola Bella, in Lago Maggiore. The proudly blooming youth glowed with the excitement of travelling, and with thoughts of the coming morrow, when he should see the isle, that gayly decorated throne of Spring, and on it a man who had been promised him for twenty years. This twofold glow exalted my picturesque hero to the form of an angry god of the Muses. His beauty made a more triumphal entry into Italian eyes than into the narrow Northern ones from the midst of which he had come; in Milan many had wished he were of marble, and stood with elder gods of stone, either in the Farnese Palace or in the Clementine Museum, or in the Villa of Albani; nay, had not the Bishop of Novara, with his sword at his side, a few hours before, asked Schoppe (riding behind) who he was? And had not the latter, with a droll squaring of the wrinkle-circle round his lips, made this copious answer (by way of enlightening his spiritual lordship): "It's my Telemachus, and I am the Mentor. I am the milling-machine and the die which coins him, Ñthe wolf's tooth and flattening mill which polishes him down, Ñthe man, in short, that regulates him"? The glowing form of the youthful Cesara was still more ennobled by the earnestness of an eye always buried in the future, and of a firmly shut, manly mouth, and by the daring decision of young, fresh faculties; he seemed as yet to be a burning-glass in the moonlight, or a dark precious stone of too much color, which the world, as in the case of other jewels, can brighten and improve only by cutting hollow. As he drew nearer and nearer, the island attracted him, as one world does another, more and more intensely. His internal restlessness rose as the outward tranquillity deepened. Beside all this, Dian, a Greek by birth and an artist, who had often circumnavigated and sketched Isola Bella and Isola Madre, brought these obelisks of Nature still nearer to his soul in glowing pictures; and Schoppe often spoke of the great man whom the youth was to see to-morrow for the first time. As the people were carrying by, down below in the street, an old man fast asleep, into whose strongly marked face the setting sun cast fire and life, and who was, in short, a corpse borne uncovered, after the Italian custom, suddenly, in a wild and hurried tone, he asked his friends, "Does my father look thus?" But what impels him with such intense emotions towards the island is this: He had, on Isola Bella, with his sister, who afterward went to Spain, and by the side of his mother, who had since passed to the shadowy land, sweetly toyed and dreamed away the first three years of his life, lying in the bosom of the high flowers of Nature; the island had been, to the morning slumber of life, to his childhood's hours, a Raphael's painted sleeping-chamber. But he had retained nothing of it all in his head and heart, save in the one a deep, sadly sweet emotion at the name, and in the other the squirrel, which, as the family scutcheon of the Borrom³/₄ans, stands on the upper terrace of the island.
