Soul Love

In his groundbreaking first book, *Your Soul's Plan: Discovering the Real Meaning of the Life You Planned Before You Were Born*, Robert Schwartz (yoursoulsplan.com) brought the concept of pre-birth planning into the mainstream. In his second book, *Your Soul's Gift: The Healing Power of the Life You Planned Before You Were Born*, he dove even deeper by examining the pre-birth planning of other common life challenges. Now, in his third book, *Your Soul's Love*, he explores the pre-birth planning of challenges related to romantic relationships or their absence: infidelity; impotence; raising children alone after

the death of one's partner; being single; and celibate relationships. Working again with several gifted mediums and channels, and this time incorporating the Between Lives Soul Regressions he does as a skilled hypnotist, Schwartz brings forth great wisdom and love from "the other side" to explain why we plan such experiences before we are born. Through the stories in *Your Soul's Love* you can: -Cultivate greater love and respect for both your partner and yourself -Empathize more deeply with your partner -Forgive your partner and yourself for any pain caused, thus healing your relationship -See how your romantic relationship fosters your and your partner's evolution -Replace resistance and suffering with abiding joy and peace

Your Soul's Love

In this guide to conscious soul practice, a psychotherapist reveals the importance of making one's life open and receptive to the spiritual realms.

Love and the World

How do we heal our difficult relationships and nurture our healthy ones? What is their significance in our spiritual life? In this deeply moving, groundbreaking book, John E. Welshons answers these questions and many more. He shows why the path to real and lasting happiness lies in recognizing that we are all One, and in living in that awareness. He shows us how to heal our most difficult relationships by transforming them into our greatest spiritual lessons and how to love, forgive, and care for our fellow human beings — even those we find most difficult to love and forgive. With compassion and wisdom, Welshons invites us into a revolutionary new understanding of ourselves, our spiritual life, our world, and all our relationships.

One Soul, One Love, One Heart

We can't live as soul mates if we don't know ourselves as souls Both visionary and practical, *Holy Love* offers a groundbreaking method to ignite profound self-growth and create fulfilling relationships. This method activates intuition, empowering us to navigate common relationship issues that can otherwise trap us in an endless cycle of misunderstanding and separation. These techniques clarify and heal conflict in all relationships: marriages, short-term romances, friendships, and those with children and even acquaintances. In this sacred undertaking, instead of giving or receiving love, we become love.

Love and Awakening

For generations, the Greek gods have been at war with each other; fighting to sit on the throne of Mt. Olympus. Eros, the god of love and the most powerful of the Ancients, has been waging his own secret war. For eons, he has been looking for his lost soul mate, Psyche; her return marks the beginning of

the end of the reign of the Olympians, and the restoration to power by the primordial gods. But she has been reborn a mortal, with no memory of him. Psyche holds the key to the throne of Mt. Olympus. With her and Eros' enemies coming out of the shadows to stop them, it is a race against time. If she cannot reunite her soul with Eros, her powers, memories, and the lives of the gods and mortals alike will be forever lost.

Soul Mates and Twin Flames

People everywhere are looking for a higher perspective on love than the popular view of romance. *Loving from Your Soul - Creating Powerful Relationships*, an inspiring and unusual book by Shepherd Hoodwin, goes to the core of the issue by exploring the nature of love itself. It is a collection of

discourses and counseling Hoodwin channeled from the Michael entity that views love as an eternal reality not dependent on other people or situations - it is something we can learn to access all the time through connecting directly with our soul. Michael is well-known to readers of metaphysical books. There are several Michael books in print, from the work of various channels, and most of them deal with a technical body of information called the Michael teachings. However, *Loving from Your Soul* is not a technical book. It deals with topics such as sexuality, anger, body image, loneliness, boundaries, listening, friendship, finding a mate, and alternative lifestyles. These subjects are framed within a larger context of explorations such as "Loving Yourself," "Being at Your Source," "Different Ways of Loving," "Oneness," "Communicating Your Whole Being," and "Expanding Love." According to *Loving from Your Soul*, "Love is a unified experience that does not cut off any portion of your reality. When you are loving yourself, you are loving others. When you are loving others, you are loving yourself. When you are having joy in what you are doing, you are giving joy to the world - there is no separation between you and the world." "What does it mean to love and to be loved? People everywhere are seeking a higher perspective than the popular view of romance. This outstanding book goes to the core of the issue by illuminating the nature of love itself as a reality that is always available. Topics include sexuality, anger, body image, loneliness, boundaries, listening, and finding a mate, framed within a larger context. With vibrant clarity, it will have a resounding impact on the way we look at love from now on." -Sheila Andersen, *Leading Edge Review* "This book positively radiates love. There is genuine wisdom here." -Key Carey, author of *The Starseed Transmissions* *Loving from Your Soul* is quite beautiful. Michael comes through loud and clear. I'm delighted that Michael is around." -Ram Dass, author of *How Can I Help?* and *Be Here Now* "This is channeling at its best. *Loving from Your Soul* is more than just excellent-it captures a lovely combination of compassion and intellectual clarity." -John Friedlander, author of *Psychic Psychology* "Loving from Your Soul is superb and brings great joy. It touches the profound depths of who we are. It is far and away the best book on love I have ever read, exploring how we can love from the deepest and strongest part of ourselves. I experienced tears of recognition as I read it." -Mayo Gray, author of *The Savage Season* "The truths emerge powerfully in this loving, compassionate material. A wonderful experience." -Catalyst

The Soul of Love

We long for boundless love as we long for home. But how can we find our home our meaning and purpose if we don't know our self? *Wise-Love* is an exploration of the self, or consciousness, guided through the meditative eyes of saints, sages, seers, and mystics. We discover that the self's most charming characteristic -- part of its unchanging nature is that it is a lover, a lover only when ordinary love evolves into wise-love. Pranada, a devoted pilgrim and teacher, illuminates bhakti's wisdom school of heartfulness and shows why mindfulness can never satisfy the self. Joy comes from an awakened heart not a stilled mind. The first part of *Wise-Love* explores the nature of self/consciousness and how we interface in the world with our physical and subtle body (mind, intelligence, and ego). Understanding the distinctions between our real and false selves, we can answer the questions Who am I? What is my purpose? How can I be happy? The second half examines the nature of matter, the world of consciousness, karma, faith, mysticism, the efficacy of sacred sound, the maha-mantra, kirtan, humility, depth compassion, and how to culture wise-love. Each chapter unfolds with an understanding of matter and consciousness to present a key that unlocks our eternal nature so that we can experience the unbounded joy of the self in our daily lives. When we encounter the self, we're automatically introduced to our Divine Inner Suitor and our loving relationship. Filled with insight and fresh perspectives, *Wise-Love* offers a map for the journey to our home of eternal affection, where a porch light is always lovingly lit, and a warm embrace from our Divine Other awaits. Secretly nestled in the Upanishads and extolled in the Bhagavad Gita, bhakti yoga shines as the crown jewel on the head of India's timeless wisdom about consciousness and how to live one's meditation. Often over-simplified as devotion, bhakti is the method of experiencing the self and its Essence/Source. This concise, comprehensive handbook exploring the meaning of bhakti's sophisticated philosophy promises to enrich you wherever you are on the spiritual path.

Soul Love

When Betsey Townsend was ten years old, her grandmother, a passionate mystic, left a lasting impression on her. She explained to Betsey that everyone is born with a soul mate--a Twin Soul--and that Betsey's Twin kissed her soul right before she was born, promising he would find her one day.

Wise-Love

The encouragement behind this book is to inspire everyone to try and understand your mate, significant other, and even a family member. Sometimes, we may feel that our feelings can be overwhelming if we do not feel the love we are seeking from that special person in return. Feeling unloved can lead to malicious intent toward others and cause trust issues with someone who really loves you, so it's best to always talk out your feelings and express them deeply from within your soul from the beginning. This book, *How to Love from the Soul*, is a special guide for the young generation as well as the older and mature generations. These days and times, we're all trying to work and provide for our families and household, but we can get pulled apart just from the stresses of work, school, and so forth. We have to remember how to love from the soul on any journey that we take on to succeed in life as adults. Believe in yourself, and you'll make others want to follow your path and have a passion to win instead of feeling like they failed. If something hasn't progressed as you thought it would, do not lose confidence in yourself or be discouraged. I'm speaking about loving from the soul because I've experienced this all too well in my life. When loving from the soul, that love comes from deep down in your body, mind, and spirit. Prayer and a relationship with God also teach a person the sole meaning of loving from the soul. Sometimes go to your mate and hug and kiss them to assure them that they're appreciated for their accomplishments. Always show your true love no matter the circumstances and issues you may be experiencing. Love is a special bond and does not stop at any age.

Soul Love Never Ends

Do you long for a closer, deeper walk with God? Would you like to know more about what the Bible says about spiritual intimacy? We say we know about God's love in our heads, but has it really percolated through to our hearts? The Bible employs the metaphor of Christ, the Lover, and believers, his beloved. Yet this rich relationship potential is relatively unexplored in modern popular books, and we are the poorer for it. Using Song of Songs and other Bible sources, the author explores the dynamics of our relationship. We come to understand more fully what it is for Christ to love us and for us to love him. This portrayal of the living dynamics of a believer's relationship with Christ cannot fail to transform our devotional life profoundly.

The Power of Twin Soul Love

Zoe comes from a line of clairvoyant, empathic women. Each one, including Zoe, is deeply connected to the world around them. Zoe's gifts are much more intense and hard to go unnoticed by those who get close to her so she often hides what she knows to avoid being seen as unstable. She's always known who the love of her life was going to be, she just hadn't met him yet. He could live halfway across the world for all she knew. But if she saw him... or if she met him ... she would know she was meeting her soul mate. The man for her. Her man to love ... Rashaad. Rashaad, only wants two things: to play his music and explore the world, and women, while he does it. So far, he's been managing that very well, until he is pulled to the less than bustling, more like unassuming, city of Pittsburgh. He figures he can just get in and get out and move on, but getting in, is more about love, and getting out, would be about leaving it. He doesn't know how to make that decision when it involves Zoe, his someone new. His once in a lifetime. Soul Love is book three of Aja's Best-Selling Soulmates series. e For more information about Aja, her work, or specifically the Soulmates series, visit ajathewriter.com .
