Holy Bible and the Book of Changes - Part One - The Prophecy of The Redeemer Jesus in Old Testament (Simplified Chinese Edition)

My Mission of Christianity as writing an Excerpt Collection of the Holy Bible is made for numerous believers who are seeking for Truth on Earth. Due to the great amount of volumes of Old Testament, I have decided to publish it in one volume while another volume is published based on my research of New Testament. The Bible (Old and New Testaments) is completed, the most important philosophy for Chinese readers is "The Book of Changes." In this work, I have made a comparison with annotation based on these two great works "The Holy Bible" and "The Book of Changes." "The Book of Changes" can be regarded as a work with the highest level of the Chinese culture and readership on earth. It is always my mission of Christianity in leading those who are seeking for the Truth not only in "The Book of Changes" but also in the "Holy Bible." Before the main burden. May the Lord give me strength to complete this work, and to bless Him for his salvation of countless believers. Amen! This Collection contains four sections in glory of Him: (1) Summary of the Old Testament (2 parts); (2) Summary of the New Testament; (3) Summary of the Book of Changes; (4) My Interpretation of the Holy Bible and the Book of Changes.

Holy Bible and the Book of Changes - Part One - The Prophecy of The Redeemer Jesus in Old Testament (Traditional Chinese Edition)

In China, an Army Is Rising... For years, China's population size, economic growth, and thirst for military power have taken center stage by those who study biblical prophecy. Most end-time experts have seen the "Red Dragon" as an aggressor to Israel. In Revelation 16 and 19, John's mention of the armies involved in the final battle marking the end of the world could well depict China's army today. However, a different kind of army is also rising in China, and it is quickly approaching two hundred million people.

This army is for Christ, not against Him. It is a host of Christians from the Chinese underground house church who are fighting a battle against principalities and powers and spreading the gospel in unprecedented ways under intense persecution. These Christians are motivated by a powerful vision called "Back to Jerusalem." The Chinese church is quietly working to complete the Great Commission by bringing the gospel to unreached peoples in China's eastern provinces and to all the countries between the border of China and the city of Jerusalem. Yet there's even more to this fascinating development. What you read in this book may change your view of end-time prophecy. Back to Jerusalem is not just a missions movement of the Chinese church. It is an eschatological event confirmed by both the Old and New Testaments. God is using the Red Dragon to fulfill His ultimate purposes. China and End-Time Prophecy explores the surprising connection between ancient prophecy and China's modern missions phenomenon. This book will give you a new vision of what it means to go into all the world with the gospel. Most of all, it will show you why the completion of the Great Commission is inevitable and the return of Christ is unstoppable.

Holy Bible and the Book of Changes (Simplified Chinese Edition)

The Old Testament tells the tales of the Jewish Patriarchs and Prophets, beginning with Creation itself and ending with a curse from Malachi, the last of the Prophets of God. Furthermore, the Old Testament is the singular story of God's relationship with His Chosen People and His promise of the coming of the Messiah, His Only Begotten Son, Jesus the Christ. Its Messianic prophecies could only be fulfilled in the books of the New Testament, the second Testament of the Holy Bible Trilogy. The New Testament tells the Good News of the birth, ministry, crucifixion, and resurrection of Jesus of Nazareth and the infancy of the Apostolic Christian Church. Moreover, the New Testament is the fulfillment of the Messianic prophecies of the Old Testament that could only be fulfilled with the coming of the Messiah, God's Only Begotten Son, Jesus the Christ. But it is more than this. Its own Apocalyptic prophecies, by John of Patmos and Jesus of Nazareth Himself, could only be fulfilled in the books of the Next Testament, the third Testament of the Holy Bible Trilogy. The Next Testament, on the surface, tells the stories of the infancy of the Apostolic Christian Church through to the destruction of Jerusalem by the Romans. The Next Testament, in reality, is the fulfillment of the Apocalyptic prophecies of the New Testament, which are believed by the majority of Christians to be events to be fulfilled in our own time, but were, in fact, fulfilled through the destruction of Jerusalem by the Romans in AD 70. Only in The Next Testament can you find the prophetic story mysteriously left untold by the young Apostolic Church. The Word of God has been silent for two thousand years, but now, the Holy Spirit breaks this silence through the books of The Next Testament, being the third Testament of the Holy Bible Trilogy.

Holy Bible and the Book of Changes - Part Two - Unification Between Human and Heaven fulfilled by Jesus in New Testament (Simplified Chinese Edition)

This volume presents the insights of Chinese pastor-teacher Watchman Nee into the book of Revelation and into the general subject of prophecy. His teaching was not dogmatic, but rather designed to prepare people to meet their Lord in due time.

The Holy Bible Aionian Edition is the world's first Bibleun-translation! (free at AionianBible.org and Google Playstore) What is an un-translation? Bibles are translated into each of our languages from the original Hebrew, Aramaic, and Koine Greek. Occasionally, the best word translation cannot be found and these words are transliterated letter by letter. Four well-known transliterations are Christ, baptism, angel, and apostle. The meaning is then preserved more accurately through context and a lexicon. The Aionian Bibleun-translates and instead transliterates ten additional Aionian Glossary words to help us better understand God's love for individuals and all mankind, and the nature of after-life destinies. The key Greek word un-translated in the Aionian Bible is *aionios*, typically translated as eternal and also world or age. However, *aionios* means something much more wonderful than eternal! Ancient Greeks used the adjective *aionios* to mean entirety and completeness, such as the complete amount from the beginning to the end of the *aion*, but never eternal time. So *aionios* is the perfect description of God's Word which has everything we need for life and godliness! And the *aionios* life promised in John 3:16 is not a simple ticket to eternal life in the future, but the invitation through faith to a complete life now! Visit AionianBible.org/Preface for further explanation. The un-translation helps us to see *aionios* and the additional Aionian Glossary words in context. The original translation is not changed at all and an inline note is inserted in sixty-three Old Testament and two hundred three New Testament verses. Also to

facilitate parallel study and use of Strong's Concordance, apocryphal text is removed and most variant versenumbers are mapped to the English standard. The Merciful God of Prophecy

"What is your opinion about the meaning of Bible prophecy? Is the book of Revelation a prophecy about the future of this earth that is still yet to come -- or is it prophecy that has mostly already been fulfilled through this passing Christian Age? Christians living in our world today are familiar with the many futuristic interpretations of the prophetic books of the Bible that have been offered to us by the publishing industry -- especially some of the wild and radical interpretations of the Book of Revelation. There are rivers turning to blood, stars falling to the earth, a "last chance to go to heaven" theology, and on and on it goes. Every few years, as the passing history of our world takes new turns, these predictions that are supposedly based upon Bible prophecy have to be revised again and again to make them suit the changing world scene. This means that there were some wrong interpretations somewhere along the line. But there is a better way. Before the middle of the 20th century when futurism developed such an amazing acceptance into the Christian community, there was another method of interpretation that was very prominent called "historicism". This simply means that the Book of Revelation is really prophecy about events that have been happening for about 2,000 years now, and that agree in description and in timely order with the chapters of Revelation. The same is true with much of the Book of Daniel. Loren Wilson, with his academic background in history and his preaching experience as a pastor, has updated the writings of the old historicist Bible commentators by including events of the 20th and 21st centuries into the mix. The results may change your perspective of what Daniel and Revelation is all about."

Life-Study of Zechariah

The rise of China as a superpower and of Chinese Christians as vital members of the global church mean that world Christianity would be a dynamic transformation and bountiful blessing to the world by engaging with Chinese biblical interpretations among global theologies. This book, a twentieth-anniversary revised and expanded edition, includes studies that range from exploration of the philosophical structure of Eastern culture to present-day sociopolitical realities in Malaysia and China--all in support of cross-cultural methods of reading the Bible culturally and reading the cultures biblically.

The Complete Layman's Guide To End Times Prophecy A Biblical Perspective

In the Lord's recovery during the past five hundred years the church's knowledge of the Lord and His truth has been continually progressing. This monumental and classical work by Brother Witness Lee builds upon and is a further development of all that the Lord has revealed to His church in the past centuries. It is filled with the revelation concerning the processed Triune God, the living Christ, the life-giving Spirit, the experience of life, and the definition and practice of the church. In this set Brother Lee has kept three basic principles that should rule and govern every believer in their interpretation, development, and expounding of the truths contained in the Scriptures. The first principle is that of the Triune God dispensing Himself into His chosen and redeemed people; the second principle is that we should interpret, develop, and expound the truths contained in the Bible with Christ for the church; and the third governing principle is Christ, the Spirit, life, and the church. No other study or exposition of the New Testament conveys the life nourishment or ushers the reader into the divine revelation of God's holy Word according to His New Testament economy as this one does.

Understanding Bible Prophecy

Pastors Van Lees and Robert Peterson by God's grace know and love the Lord and are eager for others to know and love him too. This book tells the greatest story ever told, the story of Jesus's life. It is also about Old Testament prophecies that predict Jesus's coming and events in his life. In this way, the book shows the supernatural origin of the Bible, because only God could make many prophecies hundreds of years before he fulfilled them in Jesus.

You Can Understand Bible Prophecy

In this series of messages we want to study the prophecy of the four 'sevens' in the Bible. If we are going to know the prophecy concerning the consummation of this present age, we need to know the truth concerning these four 'sevens.' In [the first] message we want to see the prophecy of the first 'seven,' which is the last seven years of this age spoken of as the last week of the seventy weeks in Daniel 9. The three other sets of 'sevens' are in the book of Revelation. They are the seven seals, seven trumpets, and seven bowls. Revelation may be considered as a book of prophecy constituted with these three sets of 'sevens.' The first 'seven' in Daniel 9 is related to these three sets of 'sevens' in Revelation. The prophecy of these four 'sevens' is related to the Messiah (Christ), the nation of Israel, the New Testament believers, and the church.

The Lady and the Dragon

The governing and controlling vision in the Bible is the economy of God. For the fulfillment of His economy, "God Himself went through five major steps—incarnation, human living, crucifixion, resurrection, and ascension—to produce the church. None of the five major steps is simple. God Himself becoming flesh was not a simple matter. To God, it was not simple to experience human living. He was God yet He lived in a man on the earth to have the human living for thirty-three and a half years. He also passed through death and then resurrected and ascended to heaven. Without passing through these processes, God could not produce the church."

Jesus in Prophecy

Calling to YOU the Brethren! "That these Words thereof are from He who sent me; and all willingness be of thine My Most Holy". That day of December 25, 1983 forever changed our lives. Connie had received many visions of Christ as a young girl, but now as an adult something changed. A new Visitation unlike any of the previous encounters with God. The Vision was in the form of a Golden Book located in Heaven with small and minute in script and in delved upon Gold of the purest form. The writing was on Pearl of white paper. As I inquired to the Lord about the nature of the Book God revealed to us "Therefore this thy Book of True Revealing be restored yet unto Her which is to say "My Jerusalem". And also adhering to Gods command. "Neglect not the Work of Mine Hand that is upon ye; For that which I have spoken shall come to pass and at "this place that ye harbor" shall I release The Prophecy of Written Word....as that which was spoken of in Scripture as a "Overture" to come. And so now you have it to read, and Overture comes. It is written in Revelation 11.3: "And I will give power unto my two witnesses, and they shall prophesy a thousand two hundred and three score days... These have power to shut heaven, that it rain not in the days of the prophecy: and have power over waters to turn them into blood, and smite the earth with all plagues, as often as they will". These Testaments reveal great earthquakes, Wars, and The Plague of Ephods that threatens 25% of mankind with extinction! The Earth toppling on its axis, as a final judgment! We have no weapons, no guns, no poisons, no armies, to fight with to arrest those committing high crimes and treason against humanity. As Moses was at the back of the mountain tending his sheep and was summoned to Gods Holy Mountain and there was told he must go and free God's people from bondage with only a staff so we have found ourselves in similar circumstances... We have the Spirit of Prophecy, Gods secret weapons to set against those wishing to oppress Israel and God's people. The earth is deserving.

Faça Acontecer Hoje!

Quem sonhou os meus sonhos? Foi Jesus! A Bíblia não me habilita a usar a palavra encantamento, então pense num sentimento equivalente a encanto, para definir a minha sensação ao conhecer esse jovem levita e escritor Jackson Vieira, na Igreja Assembleia de Deus, Ministério Paulo Cesar, no Catumbi (RJ). Seu traje elegante fazia jus a um príncipe. E foi isso que pensei, um príncipe de Deus! O seu louvor a Deus envolveu toda a igreja, muito além do que os olhos podiam ver. Era um congresso de jovens, eu era a preleitora, e o Senhor me revelou algo sobre ele que lhe confidenciei após o término do culto. Disse-lhe: "Eu ainda vou te aplaudir de pé pelo que Deus vai fazer na tua vida, me envia o convite!". Naquele instante, a palavra profética estava se cumprindo em carne e sangue "O Senhor é o que tira a vida e a dá; faz descer à sepultura e faz subir. Amado(a) eis em suas mãos o livro "Quem sonhou os meus sonhos? Foi Jesus!". Um instrumento comparado ao bisturi, pequeno, mas usado para salvar vidas. Este livro pode parecer sem importância só até você ler e entender que, quando o diabo e as circunstâncias frustram nossos sonhos, Deus se levanta do trono e brada dos altos céus a

nosso favor, dizendo: "Não temas, porque sou eu quem sonha os teus sonhos!" Missionária Christina Santos (in memoriam)

Dicionário dos sonhos

Manejo é o modo peculiar de trabalho do psicanalista, abrangendo a forma como ele lida com as situações encontradas durante um processo de análise. Dessa forma, surge a pergunta: como lidar com o silêncio do analisando? E diante de uma resistência ou do relato de um sonho? O que fazer nessas circunstâncias e quais são os pontos a serem trabalhados? Além disso, falar sobre manejo também envolve abordar as situações que ocorrem fora do ambiente de análise, como quando o analisando procura o analista para esclarecer dúvidas ou em situações de emergência. Também é importante mencionar que o analista deve se manter atualizado e comprometido com o tripé analítico, que consiste em sua própria análise pessoal, estudos e supervisão.

Acenda sua intuição psíquica Sintonize-se com seu Poder Superior

No início, muitas pessoas desejam técnicas simples de meditação. Alguns tipos de meditação que são bons para iniciantes são a meditação das ondas cerebrais, a meditação respiratória ou a meditação hipnótica. O terceiro olho (relacionado ao sexto chakra) é uma propriedade conhecida do corpo etérico. Ele contém numerosos poderes psíquicos de consciência superior, incluindo clarividência e PES. Pesquisas recentes estão cada vez mais convergindo sobre a possível conexão entre o terceiro olho e a glândula pineal, que é uma parte única do cérebro porque não está diretamente conectada a nenhum dos hemisférios. Estudos subsequentes forneceram evidências conclusivas dos efeitos adversos do flúor na glândula pineal. No interesse do desenvolvimento da consciência humana, é essencial nutrir a glândula pineal e evitar que contaminantes inorgânicos danifiquem irreversivelmente esta parte crítica do cérebro. Abrir o seu coração é uma indicação de abrir literalmente o seu coração físico para a frequência do amor verdadeiro, que é o amor incondicional. É um amor próprio que não se baseia nas necessidades do ego, no reconhecimento ou nas conquistas mundanas. Quando você abre seu coração físico, você abre seu chakra cardíaco, e isso faz o amor fluir através de seu cérebro, de seu corpo e do mundo inteiro. É uma vida autêntica. A maioria das pessoas pensa que sente amor verdadeiro quando está apaixonada ou em um relacionamento. Este pode ser o caso de alguns, mas a maioria das pessoas assume ansiedade, depressão, cinismo, violência interna e falta de autocompaixão, então elas realmente partem do amor condicional. Quando você dá amor para receber amor, você está em um relacionamento condicionado. As leis da atração sempre direcionam sua mente e sua vida para o bem-estar. Esse fluxo é bloqueado quando você para de aceitar as coisas como elas aparecem. Se você aprender a aceitar as coisas boas ou ruins, descobrirá que todas as coisas levam a uma parte melhor de você mesmo. Para expandir sua mente, você precisa estar mais aberto às coisas. Estar aberto às coisas pode ser diferente do que você imaginava anteriormente. Quando você expande sua mente, as coisas que você gostaria de trazer para si mesmo tornam-se mais rápidas do que você as persegue. A maioria das pessoas não tem ideia de como isso funciona. As técnicas de meditação podem ajudá-lo a lidar com a vida atual, que é cheia de lutas e estresse. Se você optar por desacelerar, há uma boa chance de que ele fique para trás. A maioria de nós vive uma vida estressante e está sobrecarregada de trabalho para acompanhar os outros. O estresse é a porta de entrada para todas as queixas mentais e emocionais. A meditação é a melhor maneira de aliviar o estresse e viver uma vida saudável e feliz. A meditação é tradicionalmente feita com foco em objetos como uma vela ou a respiração. Através da meditação, a mente e o corpo relaxam e você experimenta paz interior. Quanto mais concentrado você estiver, melhores resultados obterá. A meditação ajuda a desenvolver seu nível de concentração. Muitas pessoas entre nós acreditam que a meditação não é para nós e não pode funcionar na nossa situação. Bem, isso está completamente errado, e o fato é que qualquer pessoa pode aprender meditação facilmente, e se você praticá-la regularmente, isso o ajudará a se conhecer melhor.

(Continuação) transmutação epistemológica que sua psicanálise sofre com a entrada em cena da teoria das funções a partir dos anos 60. De Winnicott tentaremos rastrear em detalhes a profunda presença em sua clínica, oferecida espontaneamente por suas crianças, dos impasses no espaço onírico e de sonhos dissociados do self global da criança. Pretendo demonstrar como a própria natureza singular de sua clínica da transicionalidade, que antecipou na prática humana do analista sua própria conceituação, surge conectada à extrema atenção e a aprendizagem dos problemas e das limitações do sonhar humano tal qual as crianças lhe trouxeram. Por fim Winnicott propõe uma inovação radical na compreensão do sonhar humano e de sua possibilidade: esta tese se dedica à pouco estudada teoria de Winnicott, - porque não plenamente esboçada ainda no momento de sua morte -, de que é necessário que sejamos sonhados por um outro humano, ou por toda a cultura humana, para que possamos chegar a sonhar um nosso próprio sonho pessoal.

Após ter estudado durante mais de dez anos os sonhos de mulheres, a autora condensou sua pesquisa neste livro, no qual analisa oitenta tipos de sonhos femininos universais. Recorrendo a exemplos de contos de fada, folclore e mitologia como referência, K. Signell ajuda a mulher moderna a desvendar seus problemas atuais de relacionamento, trabalho e sexualidade, através dessas imagens do inconsciente. Um livro rico e intenso, tanto para profissionais como para a leitora que procura entender seus sonhos sozinha.

A Arte De Perseguir Um Sonho

Quando dormimos, o sono percorre estágios que começam com o cochilo. No segundo estágio, a capacidade a estímulos visuais e sonoros é reduzida, começamos, então, a dormir de verdade. O terceiro marca o início do sono profundo, mas os músculos só relaxam quando chega ao quarto estágio. É durante este sono profundo que, finalmente, podemos sonhar. Ao dormir, 20% do sono é dedicado aos sonhos, embora não seja sempre que conseguimos nos lembrar. Nesta edição, vamos mostrar o significado dos sonhos e como eles podem nos ajudar a compreender e resolver problemas que estão em nosso subconsciente.

Matheus Machado, escritor e especialista em finanças, desenvolveu, ao longo de anos, cursos, workshops, palestras e imersões, sobre nossa relação com o dinheiro – uma atitude mental e prática que precisa ser revista. Matheus revela de forma instigante como a nossa gestão da vida financeira pode e precisa ser aprimorada e trabalhada sob uma ótica cristã, tendo a Bíblia como inspiração. Pessoas criadas com raízes cristãs estão muito propensas a ter dificuldade em falar sobre dinheiro e, muitas vezes, em gerenciar bem os recursos que possuem. "Como administrar os recursos que Deus coloca em suas mãos" é mais que uma obra que fala sobre vida financeira; ela fala do todo: talentos, dons e oportunidades que temos de valorizar e multiplicar os recursos que Deus nos confia. É um fator decisivo para que todo o nosso potencial seja explorado. Você vai mudar a maneira de entender o dinheiro e como ele pode ser bem trabalhado na sua vida.

Manual definitivo dos sonhos Ed.01

UM GRANDE SONHO É UMA DECLARAÇÃO DE FÉ Sonhar é o primeiro passo para desenvolver nossa maturidade espiritual e transformar nossa vida. A Bíblia está repleta de histórias de pessoas cujos sonhos dados por Deus se tornaram realidade - mas, para chegar lá, elas tiveram de encarar uma jornada de fé, onde cada etapa os moldou e aproximou de Deus. Em Criado para sonhar, Rick Warren revela como Deus usa seis fases para nos aproximar dele e cultivar nossa fé enquanto realiza os sonhos que ele nos dá. Fase 1: Sonho - Deus coloca um sonho empolgante em nosso coração. Fase 2: Decisão - Decidimos ir atrás do sonho. Fase 3: Espera - Deus permite contratempos para que nos preparemos. Fase 4: Dificuldade - Enfrentamos problemas que desenvolvem nosso caráter. Fase 5: Impasse - Deus usa adversidades para aprofundar ainda mais nossa fé. Fase 6: Livramento - Deus realiza o sonho de formas extraordinárias. Conhecer as seis fases bíblicas da fé nos preparará para o caminho de Deus que leva a realização de tudo que ele sonhou para o nosso futuro. O sonho de Deus para nossa vida nos espera!

A Música do Mundo - Um Homem, Um Sábio, Um Destino

Existem dezenas de milhares de livros de autoajuda na área de psicologia e das relações humanas; porém, poucos deles abordam também a alma e o espírito. A maioria dos livros se concentra no plano da personalidade, da realização pessoal. A nova tendência no campo da psicologia é a psicologia da alma, ou transpessoal, que conduz à psicologia monádica, (do espírito) no caso dos alunos mais avançados. Toda a compreensão da psicologia é completamente modificada quando a ela se integra, de modo apropriado, o conceito de alma. A autorrealização no nível da personalidade traz a felicidade, no nível da alma traz júbilo, enquanto no nível monádico e espiritual traz o êxtase. Cabe a nós buscar essa meta, procurando nos orientar pela psicologia da alma e do espírito.

Apesar de percebermos naturalmente através de nosso corpo e de nosso subconsciente todos os perigos ambientais, não sabemos utilizar essas percepções para assegurar a nossa segurança

peçoal. Os animais ainda sabem fazê-lo e é o que os mantêm em alerta e o que lhes permite a fuga antes que as catástrofes naturais ocorram. Porém, ao aprender a se servir dos seus sonhos, o ser humano pode ultrapassar os animais nesse domínio. Fruto de mais de 20 anos de pesquisa, este livro explica um método acessível a todos, permitindo a reconstrução de pontes entre o corpo, o consciente e o subconsciente com o objetivo de obter mais informações sobre os perigos do nosso ambiente. Uma vez que o diálogo seja restabelecido com o seu subconsciente e o seu corpo, o ser humano se torna, de fato, bem superior aos animais e a todas as tecnologias atuais para sentir a vinda de todo o tipo de perigo, sejam de origem natural, humana ou tecnológica. Ao utilizar a técnica explicada neste livro, poderá aprender a «recuperar» as informações importantes para a sua segurança e a dos seus próximos que estão a vossa disposição quando estão no estado de sonho. Assim, será capaz por exemplo : - de evitar uma morte por acidente, fugindo antes do início de uma catástrofe natural, sismo, erupção vulcânica, desliz de terras, dilúvio, tempestade, maremoto, avalanche, tornado, etc. ; - de impedir qualquer tentativa de agressão, terrorismo, roubo, violação ou assalto ; - de saber, antes de viajar, por exemplo de avião ou de barco, se irá chegar sã e salvo ao seu destino, ou se será melhor renunciar à viagem por causa de um atentado, um naufrágio, de um acidente ou de um desastre natural... ; - de pressentir ainda outros perigos e assim evitá-los; - poderá também, e isto para os leitores mais dotados, desenvolver uma maior sensibilidade e uma maior intuição diretamente no estado de vigília, o que permitirá uma reação ainda mais eficaz aos perigos do vosso ambiente; - aprenderá também a não alimentar inutilmente angústias quando tiver pesadelos porque saberá detetar o que os motivou e saberá também distingui-los dos verdadeiros sonhos de alerta de catástrofes naturais, atentados, assaltos, incidentes de centrais nucleares, etc
