A Night of Errors

An ex–Scotland Yard inspector is pulled out of retirement to investigate a murder and a family's fiery legacy in this classic British mystery. Sir John Appleby has left Scotland Yard behind to retire to the country—but there's no escaping crime. In the middle of a hot summer night, he is woken up by a phone call. Inspector Hyland of the Sherris Magna police is in dire need of assistance after a local baronet has been murdered . . . Of course, it's far more complex than that. Authorities believe Sir Oliver Dromio was hit over the head with a revolver then burned in his study's fireplace. There's also the matter of Oliver's brothers. The late baronet was a triplet who lost his two brothers in a fire forty years ago. Was Oliver's murder an act of retribution? Appleby makes his way to Sherris Hall where he gets caught up in a family's melodrama in a household teeming with legend and tragedy. Sifting through family secrets in squabbles, Appleby must smoke out a killer before they strike again . . . Praise for Michael Innes and Inspector Appleby "The author's ingenuity and wit are seemingly endless." —The Daily Telegraph "Altogether a brilliant piece of work." —Birmingham Post "Innes is in a class by himself when it comes to detective fiction." —The Times Literary Supplement

The Comedy of Errors

A gruelling night of shrouded motives and confused identities develops when the last of the Dromios is found murdered, with both of his hands burnt off. Inspector Appleby wrenches the facts from a melodrama in which the final solution is written in fire.

The Night of Errors

Shipwrecked by a storm at sea, two sets of identical twins are separated soon after their birth. Years later, when they happen to be in the same city, what follows is a drama of mistaken identities, confusion, and bafflement. The Comedy of Errors is Shakespeare's shortest written comedy. A sensational farce, this play continues to be staged worldwide, enthraling the public.

A Night Of Errors

"Sleep is one of the most important but least understood aspects of our life, wellness, and longevity ... An explosion of scientific discoveries in the last twenty years has shed new light on this fundamental aspect of our lives. Now ... neuroscientist and sleep expert Matthew Walker gives us a new understanding of the vital importance of sleep and dreaming"--Amazon.com.

A Night of Errors

Appleby's End was where Detective Inspector John Appleby got off the train from Scotland Yard. But that was not the only coincidence. Why did Ranulph Raven's mysterious descendants make such a point of inviting Appleby to spend the night at their house?

The Comedy of Errors

Shakespeare Survey is a yearbook of Shakespeare studies and production. Since 1948, Survey has published the best international scholarship in English and many of its essays have become classics of Shakespeare criticism. Each volume is devoted to a theme, or play, or group of plays; each also contains a section of reviews of that year's textual and critical studies and of the year's major British performances. The theme for Volume 73 is 'Shakespeare and the City'. The complete set of Survey volumes is also available online at <https://www.cambridge.org/core/what-we-publish/collections/shakespeare-survey> This fully searchable resource enables users to browse by author, essay and volume, search by play, theme and topic and save and bookmark their results.

Why We Sleep

Best known as one of the stars of the Fast Show (where he played characters such as Dave Angel -- Eco-Warrior, Tommy Cockles and Competitive Dad) and Bellamy's Peopleco-starring Paul Whitehouse, Simon Day tells the shocking, sometimes sad and hilariously funny story of his life so far. Simon Day's memoir is a story of unlikely successes and secret lives. In the early 1980s he was a petty thief living rough in South East London and stealing whatever he could to fund an addiction to fruit machines. He was arrested and sentenced to borstal. Simon's memoir tells the story of how this nice, middle-class boy from the suburbs -- a self-confessed 'crap criminal' -- served time with the professionals and hard-cases in a jail fiercely divided along racial lines during the height of the 1981 riots. It moves on to the lucky breaks, the talent getting recognised, the 'redemption' of his years as a celebrity . . . with the parallel story of his addiction which -- with money and success -- became fuelled by drugs. Dark and dramatic, Simon Day's memoir is a laugh-out-loud-funny story of drugs, crime and comedy.

Appleby's End

Presents a collection of essays discussing aspects of William Shakespeare's historical play, plus a summary of the play, key passages, characters and biographical information.

Twelfth Night, Or, What You Will

This collection of essays and reviews represents the most significant and comprehensive writing on Shakespeare's A Comedy of Errors. Miola's edited work also features a comprehensive critical history, coupled with a full bibliography and photographs of major productions of the play from around the world. In the collection, there are five previously unpublished essays. The topics covered in these new essays are women in the play, the play's debt to contemporary theater, its critical and performance histories in Germany and Japan, the metrical variety of the play, and the distinctly modern perspective on the play as containing dark and disturbing elements. To compliment these new essays, the collection features significant scholarship and commentary on The Comedy of Errors that is published in obscure and difficultly accessible journals, newspapers, and other sources. This collection brings together these essays for the first time.

Shakespeare Survey 73

Essay from the year 2019 in the subject English Language and Literature Studies - Literature, grade: 1,3, Uppsala University (English Department), course: MA Course: Perspectives on Shakespeare, language: English, abstract: This essay compares William Shakespeare's comedies "The Comedy of Errors" and "Twelfth Night" with regard to the characters' identity struggles. Both plays feature main

characters who are twins. The plot of "The Comedy of Errors" focuses on the topic of mistaken identity, which causes the main characters to question their sense of self. The theme of mistaken identity also plays a role in "Twelfth Night". Additionally, this play raises questions about gender and traditional gender roles.

A Midsummer-night's Dream

ONE OF THE YEAR'S BEST BOOKS The Wall Street Journal • Slate • Kansas City Star • Flavorwire • Policy Mic • BuzzFeed "Necessary Errors is a very good novel, an enviably good one, and to read it is to relive all the anxieties and illusions and grand projects of one's own youth."—James Wood, The New Yorker The exquisite debut novel by the author of Overthrow that brilliantly captures the lives and romances of young expatriates in newly democratic Prague It's October 1990. Jacob Putnam is young and full of ideas. He's arrived a year too late to witness Czechoslovakia's revolution, but he still hopes to find its spirit, somehow. He discovers a country at a crossroads between communism and capitalism, and a picturesque city overflowing with a vibrant, searching sense of possibility. As the men and women Jacob meets begin to fall in love with one another, no one turns out to be quite the same as the idea Jacob has of them—including Jacob himself. Necessary Errors is the long-awaited first novel from literary critic and journalist Caleb Crain. Shimmering and expansive, Crain's prose richly captures the turbulent feelings and discoveries of youth as it stretches toward adulthood—the chance encounters that grow into lasting, unforgettable experiences and the surprises of our first ventures into a foreign world—and the treasure of living in Prague during an era of historic change.

The Comedy of Errors

Night Of Error by Kay Thorpe released on Jan 24, 1992 is available now for purchase.

The Comedy of Errors

.. an ad-rap-tation, hip-hop theatre retelling of Shakespeare's The comedy of errors"--P. [4] of cover.

Comedy and Error

All's well that ends well. Twelfth night. Comedy of errors. Winter's tale. King John

The razor-sharp first novel in the Night Angel trilogy, from international bestseller Brent Weeks The perfect killer has no friends. Only targets. For Durzo Blint, assassination is an art. And he is the city's most accomplished artist, his talents required from alleyway to courtly boudoir. For Azoth, survival is precarious. Something you never take for granted. As a guild rat, he's grown up in the slums, and learned the hard way to judge people quickly - and to take risks. Risks like apprenticing himself to Durzo Blint. But to be accepted, Azoth must turn his back on his old life and embrace a new identity and name. As Kylar Stern, he must learn to navigate the assassins' world of dangerous politics and strange magics - and cultivate a flair for death. 'Brent Weeks is so good it's beginning to tick me off' Peter V. Brett 'Weeks has a style of immediacy and detail that pulls the reader relentlessly into the story. He doesn't allow you to look away' Robin Hobb 'I was mesmerised from start to finish. Unforgettable characters, a plot that kept me guessing, non-stop action and the kind of in-depth storytelling that makes me admire a writers' work' Terry Brooks 'Weeks has truly cemented his place among the great epic fantasy writers of our time' British Fantasy Society Books by Brent Weeks Night Angel The Way of Shadows Shadow's Edge Beyond the Shadows Perfect Shadow (novella) Lightbringer The Black Prism The Blinding Knife The Broken Eye The Blood Mirror The Burning White

The Comedy of Errors

Among the most enduring poetry of all time, William Shakespeare's 154 sonnets address such eternal themes as love, beauty, honesty, and the passage of time. Written primarily in four-line stanzas and iambic pentameter, Shakespeare's sonnets are now recognized as marking the beginning of modern love poetry. The sonnets have been translated into all major written languages and are frequently used at romantic celebrations. Known as "The Bard of Avon," William Shakespeare is arguably the

greatest English-language writer known. Enormously popular during his life, Shakespeare's works continue to resonate more than three centuries after his death, as has his influence on theatre and literature. Shakespeare's innovative use of character, language, and experimentation with romance as tragedy served as a foundation for later playwrights and dramatists, and some of his most famous lines of dialogue have become part of everyday speech. HarperPerennial Classics brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperPerennial Classics collection to build your digital library.

She stoops to conquer or the errors of a night

The New York Times—bestselling author of *Unsinkable* “recounts the disaster from the vantage point of nearby vessels” (Publishers Weekly). A few minutes before midnight on April 14, 1912, the “unsinkable” RMS Titanic, on her maiden voyage to New York, struck an iceberg. Less than three hours later, she lay at the bottom of the Atlantic Ocean. While the world has remained fascinated by the tragedy, the drama of those fateful hours was not only played out aboard the doomed liner. It also took place on the decks of two other ships, one fifty-eight miles distant from the sinking Titanic, the other barely ten miles away. The masters of the steamships Carpathia and Californian, Capt. Arthur Rostron and Capt. Stanley Lord, were informed within minutes of each other that their vessels had picked up the distress signals of a sinking ship. Their actions in the hours and days that followed would become the stuff of legend, as one would choose to take his ship into dangerous waters to answer the call for help, while the other would decide that the hazard to himself and his command was too great to risk responding. After years of research, Daniel Allen Butler now tells this incredible story, moving from ship to ship on the icy waters of the North Atlantic—in real time—to recount how hundreds of people could have been rescued, but in the end, only a few outside of the meager lifeboats were saved. He then looks at the US Senate investigation in Washington, and ultimately, the British Board of Trade inquiry in London, where the actions of each captain are probed, questioned, and judged, until the truth of what actually happened aboard the Titanic, the Carpathia, and the Californian is revealed. “Powerful . . . very, very well-done.” —New York Times—bestselling author Clive Cussler

The Comedy of Errors

Shakespeare's dextrous comedy of two twin masters and two twin servants continually mistaken for one another is both farce and more than farce. The Comedy of Errors examines the interplay between personal and commercial relationships, and the breakdown of social order that follows the disruption of identity. As well as detailed on-page commentary notes, this new edition has a long, illustrated introduction exploring the play's performance and critical history, as well as its place in the comic tradition from Classical to modern times.

Comedy of errors. Much ado about nothing. Love's labour's lost. Midsummer night's dream

No matter how much teachers may talk about the importance of solid writing skills, nothing beats giving students the opportunity to make their own edits. Find the Errors! is a light-hearted approach to this age-old challenge. 37 passages contain short, humorous anecdotes, letters, crossword puzzles and more. But each passage is also riddled with errors! Now it's up to your students to go into those passages and identify and annotate the mistakes. They'll work on spelling, capitalization, punctuation, sentence structure, and style. For middle school students, this is a very successful way to engage them, while giving them a palpable sense of accomplishment as they improve each passage. Extensive teacher support includes grammatical rules, answer keys, additional activities, and tests for easy assessment See also Find the Errors II

The Comedy of Errors

A Midsummer Night's Dream is a comedy play by William Shakespeare, believed to have been written between 1590 and 1596. It portrays the events surrounding the marriage of the Duke of Athens, Theseus, and Hippolyta. These include the adventures of four young Athenian lovers and a group of six amateur actors, who are controlled and manipulated by the fairies who inhabit the forest in which most of the play is set. Life of William Shakespeare is a biography of William Shakespeare by the eminent critic Sidney Lee. This book was one of the first major biographies of the Bard of Avon. It was published in 1898, based on the article contributed to the Dictionary of National Biography. William Shakespeare (1564 – 1616) was an English poet and playwright, widely regarded as the greatest writer

in the English language and the world's pre-eminent dramatist. He is often called England's national poet and the "Bard of Avon". His extant works, including some collaborations, consist of about 38 plays, 154 sonnets, two long narrative poems, and a few other verses, the authorship of some of which is uncertain. Sir Sidney Lee (1859 – 1926) was an English biographer and critic. He was a lifelong scholar and enthusiast of Shakespeare. His article on Shakespeare in the fifty-first volume of the Dictionary of National Biography formed the basis of his Life of William Shakespeare. This full-length life is often credited as the first modern biography of the poet.
