The Song of Hannah

In the tradition of the international bestseller *The Red Tent* comes a beautiful, sexy novel featuring Hannah, one of the most well-known and beloved heroines of the Old Testament. Hannah and Prinah, once close childhood friends, become rivals for the attention of Elkanah, the man who has married them both. Prinah, passionate and independent, easily bears Elkanah many children, but bitter that he has taken her friend as a second wife, seeks fulfillment with her own secret lover. Hannah, the epitome of goodness and grace, remains completely devoted to her husband, but remains childless for many years, until a promise to God brings her the son she has yearned for. Despite their differences, these two women must learn to live together, protecting their own interests as well as each other's, while sharing not only the love of their husband, but that of Hannah's son Samuel, who will become one of the great prophets of the Jewish people.

Firefly Lane

Now a major Netflix series, *Firefly Lane* is an unforgettable coming of age story about friendship and betrayal, by Kristin Hannah, the bestselling author of *The Four Winds* and *The Nightingale*. It is 1974 and the summer of love is drawing to a close. Kate Mularkey has accepted her place at the bottom of the secondary school social food chain. Then, to her amazement, Tully Hart – the girl all the boys want to know – moves in across the street and wants to be her best friend. Tully and Kate became inseparable and by summer's end they vow that their friendship will last forever. For thirty years Tully and Kate buoy each other through life, weathering the storms of friendship, jealousy, anger, hurt and resentment. Tully follows her ambition to find fame and success. Kate knows that all she wants is to fall in love and have a family. What she doesn't know is how being a wife and a mother will change her. They think they've survived it all until a single act of betrayal tears them apart. But when tragedy strikes, can the bonds of friendship survive? Or is it the one hurdle that even a lifelong friendship cannot overcome? Continue *Firefly Lane*'s emotional journey with the sequel *Fly Away*. Praise for Kristin Hannah: 'Powerful and compelling' – Delia Owens, bestselling author of *Where the Crawdads Sing* 'Moving and unforgettable' – Christy Lefteri, bestselling author of *The Beekeeper of Aleppo* 'A classic storyteller' – Matt Haig,

bestselling author of The Midnight Library 'A rich, compelling novel of love, sacrifice and survival' – Kate Morton 'A masterclass . . . This is a story that will stay with me for a long, long time.' – Karen Swan

Hannah's Song

A night of shattered glass for the entire human race. They are with us now This new humanity And they are THE GHOST-WALKERS OF THE APOCALYPSE. The story of a woman who has seen our future. A human being become the impossible; become the un-become. That is, not the Ghost in the Machine But the Machine in the Ghost. You are needed for the dwindling food supply. You are needed for spare parts. This is what will happen to hundreds of millions as darkness descends upon humanity. You will be 'wiped'. Humanity is being reformed. "Hannah's Song" A true story: a work of Visionary-Mystical-Apocalyptic.

Song of the Nile

Luxor, 1946. When young nurse Aida El Masri returns from war-torn London to her family's estate in Egypt she steels herself against the challenges ahead. Eight years have passed since her father, Ayoub, was framed for a crime he did not commit, and died as a tragic result. Yet Aida has not forgotten, and now she wants revenge against the man she believes betrayed her father – his best friend, Kamel Pharaony. Then Aida is reunited with Kamel's son, the captivating surgeon Phares, who offers her marriage. In spite of herself, the secret passion Aida harboured for him as a young girl reignites. Still, how can she marry the son of the man who destroyed her father and brought shame on her family? Will coming home bring her love, or only danger and heartache? Set in the exotic and bygone world of Upper Egypt, Song of the Nile follows Aida's journey of rediscovery – of the homeland she loves, with its white-sailed feluccas on the Nile, old-world charms of Cairo and the ancient secrets of its burning desert sands – and of the man she has never forgotten. A compelling story of passion and intrigue – a novel that lays open the beating heart of Egypt.

A Passionate Hope

Hannah and her husband, Elkanah, share a deep and abiding love, for each other, for their God, and for his tabernacle at Shiloh. Greatly disturbed by the corruption of the priests, they long for restoration and pray for a deliverer. But nothing changes as the years pass. Years that also reveal Hannah to be

barren. Pressured by his family to take another wife, Elkanah marries Peninnah, who quickly begins to bear children. Disgraced and taunted by her husband's new wife, Hannah turns again to prayers that seem doomed to go unanswered. Do her devotion and kindness in the face of Peninnah's cruelty count for nothing? Why does God remain silent and indifferent to her pleas? Travel back to the dusty streets of Shiloh with an expert guide as Jill Eileen Smith brings to life a beloved story of hope, patience, and deliverance that shows that even the most broken of relationships can be restored.

Hinds' Feet on High Places

This book has inspired millions of people to become sure-footed in their faith even when facing the rockiest of life's terrain. The story of Much-Afraid is based on Psalm 18:33: "He makes me as surefooted as a deer, enabling me to stand on mountain heights." The complete Hinds' Feet story is accented by 80 full-color paintings, photography, and hand-lettered Scripture.

Booker's Song

Rillian Mascini is one of the most knowledgeable mages in the world. Spending his days and sometimes nights with his nose in a book has taught him magic and histories that few care to remember. He has a passion for dragons that pulls him to learn all he can about them, including their language. He is one of the last people left alive who can speak to the magnificent beasts. Conwyn D'Aver is squad leader of the Dragon Riders. He will do whatever it takes to protect the dragons and people he has given his oath to serve. Nothing is more important, and when Neela, his personal dragon, is attacked, Conwyn is out for blood. He vows to find the threat and defeat it. When an old spell book is found that gives a person the power to control all dragons, Conwyn will do anything he can to keep it from getting into the wrong hands, even if that means teaming up with the bookish Rillian to find a way to overcome the evil enemies who seek to gain the power. Together with the dragons, the two men must find a way to protect everything they both love, but while doing so, they risk losing their own hearts to each other. As their enemies seek to destroy them, they learn that sometimes it takes love and trust to defeat the things we fear the most.

Hannah's Song

The Works of Hannah More

Ivy K. Harlowe is a lot of things. She's my best friend. She's the center of attention. She is, without fail, the hottest girl in the room. Anytime. Anyplace. She has freckles and dimples and bright green eyes, and with someone else's energy she'd be adorable. But there is nothing cute about Ivy. She is ice and hot metal and electricity. She is the girl who every lesbian wants, but she has never been with the same

person twice. She's one-of-a-kind but also predictable, so I will always be "best friend Andie," never "girlfriend Andie." Then she meets Dot, and Ivy does something even I would have never guessed—she sees Dot another day. And another. And another. Now my world is slowly going up in smoke, and no matter what I do, the flames grow higher. She lit that match without knowing who or what it would burn. Ivy K. Harlowe is a lot of things. But falling in love wasn't supposed to be one of them...unless it was with me.

The Love Song of Ivy K. Harlowe

A biography of the Jewish heroine whose mission to help rescue European Jews in World War II cost her her life.

The Works of Hannah More

A historical novel imagines the riveting story behind the Book of Ruth. Sitting beneath a tree in ancient Bethlehem, Osnath, niece of the prophet Samuel, examines a dusty scrap of parchment she found hidden in her relative's scroll room. Scrawled on the decaying page is an intriguing message addressed to Ruth the Moabite—great-grandmother of David, the future king of Israel. Compelled to discover the truth about Ruth's life, Osnath begins searching for the identity of Ruth's nameless lover and the secret that is cloaked behind his anonymity. But as she digs deeper into the past, she finds her inquiries blocked by David's brother Eliab. What is the long-buried truth he fears will come to light? And what is the threat that Ruth's story poses to his family's vast inheritance? Eva Etzioni-Halevy's novel deftly interweaves history and fiction to create a compelling exploration of a prominent biblical figure. Told through the voices of both Osnath and Ruth herself, *The Garden of Ruth* transports readers into the ancient world—and offers a dramatic and thought-provoking new perspective on a well-known tale.

The Garden of Ruth

'A glorious love story' – Sarah Winman, author of *Still Life* Longlisted for the Dublin Literary Award
A stunning story about the impossible lengths we go to for the ones we love, with a breathtaking twist, from the bestselling author of *Burial Rites*, Hannah Kent. Hanne and Thea's friendship is a miracle. Before, Hanne always felt apart from the local girls, but with Thea it all came easy. Suddenly she could imagine a future for herself, a happy one, by Thea's side. But when their tight-knit community embarks on a long and brutal journey to Australia, in search of new freedoms on old land, Hanne and Thea's bond must find a way to survive the most impossible devastation. Will their love prove too strong for even Nature to break? 'Extraordinarily daring . . . a remarkable novel, an almost visionary celebration of the death-defying power of the women's love' - Sunday Times
'Exquisite . . . it's taken root in my heart' – Kiran Millwood Hargrave, author of *The Mercies*
'So beautiful and so raw . . . Devotion is impossibly good' – Evie Wyld, author of *The Bass Rock*

Mountains of Spices

Jonah Weston and Hannah Morgan were, quite simply, made for each other. Inseparable from the start, they fell into their very own epic love story. Then Jonah left. After a traumatic event had revealed the depths of his father's hostility, Jonah's only reprieve was to move away for college. But the distance quickly took its toll, and his once-perfect relationship with Hannah turned to ash. Now, five years later, the death of Jonah's father forces him to return to his small hometown and face everything he left behind. What he discovers rattles him to the core.

Devotion

"A masterpiece of contemporary Bible translation and commentary."—Los Angeles Times Book Review, Best Books of 1999
Acclaimed for its masterful new translation and insightful commentary, *The David Story* is a fresh, vivid rendition of one of the great works in Western literature. Robert Alter's brilliant translation gives us David, the beautiful, musical hero who slays Goliath and, through his struggles with Saul, advances to the kingship of Israel. But this David is also fully human: an ambitious, calculating man who navigates his life's course with a flawed moral vision. The consequences for him,

his family, and his nation are tragic and bloody. Historical personage and full-blooded imagining, David is the creation of a literary artist comparable to the Shakespeare of the history plays.

Still the Song

Hannah Hurnard writes "How deeply we who love the Lord of Love and desire to follow him long for the power to surmount all difficulties and tests and conflicts in life in the same exultant and triumphant way. To learn the secret of victorious living has been the heart's desire of those who love the Lord, in every generation." Her allegorical masterpiece, in the tradition of "The Pilgrim's Progress," describes a journey from salvation to spiritual maturity.

The David Story: A Translation with Commentary of 1 and 2 Samuel

From the New York Times number one bestselling author of *The Nightingale* and *The Great Alone*, Kristin Hannah, comes *Wild*, a remarkable story about the resilience of the human spirit, the triumph of hope and the promise of new beginnings. In the rugged Pacific Northwest of the United States lies the Olympic National Forest – a vast expanse of impenetrable darkness and impossible beauty. From deep within this mysterious woodland, a six-year-old girl appears. Speechless and alone, she offers no clue as to her identity, no hint of her past. Having retreated to her hometown after a scandal left her career in ruins, child psychiatrist Dr Julia Cates begins working with the extraordinary little girl. Naming her Alice, Julia is determined to free her from a prison of unimaginable fear and isolation, and discover the truth about Alice's past. The shocking facts of Alice's life test the limits of Julia's faith and strength, even as she struggles to make a home for Alice – and find a new one for herself. 'One of Kristin Hannah's most compelling and riveting novels' – Booklist ** Published in the US as *Magic Hour* ** **** Here's what readers love about *Wild*: 'I was moved to tears and devoured this book in a day' 'Couldn't put it down' 'Gritty and thought-provoking'

Hinds' Feet on High Places

This study analyses the biblical personage Hannah as a literary entity, to illustrate her uniquely significant place in the traditions of Israel as the mother of Samuel and thus of the reform of the priesthood, the creation of the monarchy, and the teacher of all Israel. There are three interweaving themes: first, the literary issue of the barren mother type scene; second, the theological theme of divine guidance and human initiative; and third, the perspectives of early biblical interpretation. The study develops around four works: the Hannah narrative in 1 Samuel 1-2, Pseudo-Philo's *Biblical Antiquities*, the Targum of the Prophets, and the Infancy Narrative in Luke 1-2.

Wild

Prussia, 1836 Hanne Nussbaum is a child of nature - she would rather run wild in the forest than conform to the limitations of womanhood. In her village of Kay, Hanne is friendless and considered an oddity ... until she meets Thea. Ocean, 1838 The Nussbaums are Old Lutherans, bound by God's law and at odds with their King's order for reform. Forced to flee religious persecution the families of Kay board a crowded, disease-riddled ship bound for the new colony of South Australia. In the face of brutal hardship, the beauty of whale song enters Hanne's heart, along with the miracle of her love for Thea. Theirs is a bond that nothing can break. The whale passed. The music faded. South Australia, 1838 A new start in an old land. God, society and nature itself decree Hanne and Thea cannot be together. But within the impossible ... is devotion. This long-awaited story demonstrates Hannah Kent's sublime ability with language that creates an immersive, transformative experience for the reader. Devotion is an audiobook to savour.

The Mission Song

Best-selling poet Sophie Hannah returns with a wonderful collection of poems that explore and celebrate strong feelings: love, hate, anger, hope - and which strip away the veils of hypocrisy and pretence from all aspects of everyday life. From relationships to the world of work, motherhood and marriage, Sophie Hannah tells it how it is in her own inimitable style. Funny and moving, these poems combine traditional form and rhyme with a contemporary take on modern life that simultaneously raises a smile and provides thoughts to linger over. This collection also includes A Woman's Life and Loves, eight poems set to music by the composer Gabriel Jackson that form a song cycle originally conceived as a contemporary and feminist response to the Schumann song cycle. Sophie Hannah's first book was greeted with amazement. The Poetry Review declared, 'Shall I put it in capitals? SOPHIE HANNAH IS A GENIUS.' Each subsequent collection has been formally more inventive, thematically more complex, yet each has met with a similar welcome, and she has become that rare thing, a popular and best-selling poet.

God Bless You and Good Night

A son of the vow...a voice for a nation For many long years, Hannah prayed for a son; a son finally granted to her only when she promised him back to God. Samuel, son of the vow, grows up in the Tabernacle, his childhood spent in the company of priests and Levites, in service to a God who was always silent. Samuel watches in dismay as the sons of the High Priest flaunt their wicked behavior, yet he knows that Yahweh will eventually have a reckoning. It is not until he hears a Voice call to him from within the flames of the altar that he realizes he has a part to play in this drama. This young man hears another voice from a maiden who captures his heart, and he begins to dream of a future beyond the confines of the Tabernacle. But when Israel's enemies threaten to destroy his world, it appears as though everything Samuel ever held dear may come tumbling down around him. Not even a great prophet, whose words never fall to the ground, can keep Israel from crying out for a king. The Lord calls upon Samuel to guide the nation and her new king through the years of turmoil they must face. In this tale of triumph and scorn, deepest love and burning rivalries, the new epoch is given a voice...and it is a Song of Prophets and Kings.

Archie and the Song Snatcher

In ancient Greece, one of the twelve labours of Heracles was to bring back a golden apple from the Garden of Hesperides. To archaeologist Oriel Anderson, joining a team of Greek divers on the island of Helios seems like the golden apple of her dreams. Yet the dream becomes a nightmare when she meets the devilish owner of the island, Damian Lekkas. In shocked recognition, she is flooded with the memory of a romantic night in a stranger's arms, six summers ago. A very different man stands before her now, and Oriel senses that the sardonic Greek autocrat is hell-bent on playing a cat and mouse game with her. As they cross swords and passions mount, Oriel is aware that malevolent eyes watch her from the shadows. Dark rumours are whispered about the Lekkas family. What dangers lie in Helios, a bewitching land where ancient rituals are still enacted to appease the gods, young men risk their lives in the treacherous depths of the Ionian Sea, and the volatile earth can erupt at any moment? Will Oriel find the hidden treasures she seeks? Or will Damian's tragic past catch up with them, threatening to engulf them both?

Hannah Montana #19: Reality Check

Hannah Lowe taught for a decade in an inner-city London sixth form. At the heart of this book of compassionate and energetic sonnets are 'The Kids', her students, the teenagers she nurtured. But the poems go further, meeting her own child self as she comes of age in the riotous 80s and 90s, later bearing witness to her small son learning to negotiate contemporary London. Across these deeply felt poems, Lowe interrogates the acts of teaching and learning with empathy and humour. Social class, gender and race - and their fundamental intersection with education - are investigated with an ever critical and introspective eye. The sonnet is re-energised, becoming a classroom, a memory box and even a mind itself as 'The Kids' learn and negotiate their own unknown futures. These boisterous and musical poems explore and explode the universal experience of what it is to be taught, and to teach, ultimately reaching out and speaking to the child in all of us. The poems in the first section of the book draw on Hannah Lowe's experiences as a teacher in the 2000s, but the scenarios are largely fictitious, as are the names of the students. The Kids is a Poetry Book Society Choice.

The Legacy

****Devotion, the new novel from Hannah Kent, is out now!**** 'Exquisite' – Daily Mail Shortlisted for the Walter Scott Prize One woman's mercy is another's murder . . . Ireland, 1825. Nóra, bereft after the sudden death of her husband, finds herself alone and caring for her young grandson Micheál. Micheál cannot speak or walk and Nóra is desperate to know what is wrong with him. What happened to the healthy, happy grandson she met when her daughter was still alive? Mary arrives in the valley to help Nóra just as the whispers are spreading: stories of unexplained misfortunes, of illnesses, and rumours that Micheál is a changeling child who is bringing bad luck to the valley. Nance has lived in the valley all of her life. She is a healer who knows how to use the plants and berries of the woodland; she understands the magic in the old ways. And she might be able to help Micheál . . . As these three women are drawn together in the hope of restoring Micheál, their world of folklore and belief, of ritual and stories, tightens around them. It will lead them down a dangerous path, and force them to question everything they have ever known. Hannah Grace Kane has her life planned out in an orderly, meaningful way-or so she thinks. But her world turns upside down when the new sheriff comes to town.

The Good People

LIANE MORIARTY says that "No one writes twisted, suspenseful novels quite like Sophie Hannah." Packed with twists and clues, simmering with tension, this electrifying new thriller shows why. She's the most famous murder victim in America. What if she's not dead? Pushed to the breaking point, Cara Burrows flees her home and family and escapes to a five-star spa resort she can't afford. Late at night, exhausted and desperate, she lets herself into her hotel room and is shocked to find it already occupied — by a man and a teenage girl. A simple mistake at the front desk... but soon Cara realizes that the girl she saw alive and well in the hotel room is someone she can't possibly have seen: the most famous murder victim in the country, Melody Chapa, whose parents are serving natural life sentences for her murder. Cara doesn't know what to trust — everything she's read and heard about the case, or the evidence of her own eyes. Did she really see Melody? And is she prepared to ask herself that question and answer it honestly if it means risking her own life?

Standing in the massive shadow of his famous father, young king Solomon wavers between fear and bravado, wisdom and folly. In the uncertain world of alliances and treachery, Solomon longs for peace and a love that is true and pure--a love that can be his cornerstone. A shepherdess in the northern city of Shunem, Arielah remembers the first time she laid eyes on Solomon in Jerusalem when she was just seven years old. Since then she has known that it was her destiny to become his bride. When her father, a leader of their tribe, secures a promise from King Solomon to marry Arielah as a treaty bride to help unite the kingdom, it seems her dreams may come true. But how can this simple shepherdess live as part of Solomon's harem? Can Solomon set aside his distractions to give himself completely to just one woman? Or will he let duty, deception, and the daily routine divide his heart? Mesu Andrews expertly weaves the words of the Song of Solomon into this touching story of the power of love. Readers will be transported from the glowing fields of Shunem to the gleaming city of Jerusalem as they experience this rich and textured novel from a master storyteller.

The Thinking Girl's Guide to Drinking

An edgy cocktail book with more than 100 recipes for delicious alcoholic drinks and mocktails made from quality, healthful ingredients to keep you feeling sexy, healthy and fabulous. The Thinking Girl's Guide to Drinking is all about showing you how you can, and should, enjoy drinking healthfully. Author Ariane Resnick wants to wipe away the notion that drinking healthfully has to mean downing glasses of green smoothies and juices and otherwise starving yourself. The key to drinking mindfully is to exercise moderation and use high-quality, wholefood ingredients.

Absinthe—The Cocaine of the Nineteenth Century

With an alcohol content sometimes as high as 80 percent, absinthe was made by mixing the leaves of wormwood with other plants such as angelica root, fennel, coriander, hyssop, marjoram and anise for flavor. The result was a bitter, potent drink that became a major social, medical and political phenomenon during the late nineteenth and early twentieth centuries; its popularity was mainly in France, but also in other parts of Europe and the United States, particularly in New Orleans. Absinthe produced a sense of euphoria and a heightening of the senses, similar to the effect of cocaine and opium, but was addictive and caused a rapid loss of mental and physical faculties. Despite that, Picasso, Manet, Rimbaud, Van Gogh, Degas and Wilde were among those devoted to its consumption and produced writings and art influenced by the drink. This work provides a history of “the green fairy”, a study of its use and abuse, an exploration of the tremendous social problems (not unlike the cocaine problems of this century) it caused, and an examination of the extent to which the lives of talented young writers and artists of the period became caught up in the absinthe craze.

Not Thinking Like a Liberal

In a compelling meditation on the ideas that shape our lives, one of the world's most provocative and creative philosophers explains how his eccentric early years influenced his lifelong critique of liberalism. Liberalism is so amorphous and pervasive that for most people in the West it is background noise, the natural state of affairs. But there are nooks and crannies in every society where the prevailing winds don't blow. Raymond Geuss grew up some distance from the cultural mainstream and recounts here the unusual perspective he absorbed: one in which liberal capitalism was synonymous with moral emptiness and political complacency. Not Thinking like a Liberal is a concise tour of diverse intellectual currents--from the Counter-Reformation and communism to pragmatism and critical theory--that shaped Geuss's skeptical stance toward liberalism. The bright young son of a deeply Catholic steelworker, Geuss was admitted in 1959 to an unusual boarding school on the outskirts of Philadelphia. Outside was Eisenhower's America. Inside Geuss was schooled by Hungarian priests who tried to immunize students against the twin dangers of oppressive communism and vapid liberal capitalism. From there Geuss went on to university in New York in the early days of the Vietnam War and to West Germany, where critical theory was experiencing a major revival. This is not a repeatable journey. In tracing it, Geuss reminds us of the futility of abstracting lessons from context and of seeking a universal view from nowhere. At the same time, he examines the rise and fall of major political theories of the past sixty years. An incisive thinker attuned to both the history and the future of ideas, Geuss looks beyond the horrors of authoritarianism and the shallow freedom of liberalism to glimpse a world of genuinely new possibilities.

The Thinking Drinkers Almanac

The Times Best Food Books of the Year 2021 'Ben McFarland and Tom Sandham bring a much-needed lightness of touch to what can perversely be a very dry subject.' The Times No matter what day of the year it is and regardless of the occasion, there is always a very good reason to enjoy a drink. Responsibly of course. Aimed at discerning drinkers keen to broaden their booze horizons and those looking to become more adventurous in their elbow-bending, this enlightening and alternative almanac celebrates every day of the year with an appropriate alcoholic drink - featuring everything from Absinthe and Zinfandel to Martinis and Monastic beers. It's a cocktail of cultural history, eccentric events, unlikely anniversaries, recipes and recommendations infused with all manner of 'interestingness', several dashes of drinking did you knows, fascinating facts, famous folk, unsung heroes, lesser-known legends from all walks of life and major weird, wonderful and well-known moments from our past.

Thinking and Reasoning

This completely rewritten textbook reflects on the revolutionary changes that have occurred in the field of Thinking and Reasoning in recent years.

Thinking and Reasoning

The area of psychological research reviewed in this book is one that is not only increasing in popularity in college curricula, but is also making an ever larger impact on the world outside the classroom. Drawing upon research originally cited in Ken Manktelow's highly successful publication *Reasoning and Thinking*, this completely rewritten textbook reflects on the revolutionary changes that have occurred in the field in recent years, stemming from the huge expansion in research output, as well as new methods and explanations, and the appearance of numerous books on the subject aimed at the popular market. The main areas covered are probability judgment, deductive and inductive reasoning, decision making, hypothetical thinking and rationality. In each case, the material is almost entirely new, with topics such as the new paradigm in reasoning research, causal reasoning and counterfactual thinking appearing for the first time. The book also presents an extended treatment of decision making research, and contains a chapter on individual and cultural influences on thinking. *Thinking and Reasoning* provides a detailed, integrated and approachable treatment of this area of cognitive psychology, and is ideal reading for intermediate and advanced undergraduate students; indeed, for anyone interested in how we draw conclusions and make choices.

Thinking About Art

Thinking about Art explores some of the greatest works of art and architecture in the world through the prism of themes, instead of chronology, to offer intriguing juxtapositions of art and history. The book ranges across time and topics, from the Parthenon to the present day and from patronage to ethnicity, to reveal art history in new and varied lights. With over 200 colour illustrations and a wealth of formal and contextual analysis, *Thinking about Art* is a companion guide for art lovers, students and the general reader, and is also the first A-level Art History textbook, written by a skilled and experienced teacher of art history, Penny Huntsman. The book is accompanied by a companion website at www.wiley.com/go/thinkingaboutart.

Stephanus the Philosopher and Physician

This volume is an edition of the Commentary by Stephanus of Athens, the seventh-century physician and philosopher, on book One of Galen's *Therapeutics to Glaucón*. It comprises introduction, Greek text with critical apparatus and index of sources, English translation, notes, bibliography, and index. As one of the few medical texts to date from this period, and one of the most detailed and complete, the commentary sheds important light on the nature and extent of medical education in the West, on the eve of the Arab conquest.

Stephanus the Philosopher and Physician

This edition of the Stephanus Commentary on Galen's "*Therapeutics to Glaucón*" sheds important light on the nature and extent of medical education in the West on the eve of the Arab conquest.

Absinthe

One hundred forty-four proof, notoriously addictive, and the drug of choice for 19th-century poets, absinthe is gaining bootleg popularity after almost a century of being banned. Due to popular demand, this book is back in a new paperback edition. 60 color photos. 100 illustrations. Copyright © Libri GmbH. All rights reserved.

Artists, Writers, Thinkers, Dreamers

This cultural who's-who illuminates 50 famous figures, from Leonardo da Vinci to Coco Chanel, through the fascinating trivia of their lives. Artist James Gulliver Hancock depicts historical icons in quirky annotated portraits surrounded by their associated possessions, baggage, and foibles. Hemingway's hobbies, Amelia Earhart's preferred dessert, Martin Luther King Jr.'s favorite TV show—each portrait reveals the ordinary quirks of these extraordinary people and captures their personalities in the process. An exquisitely illustrated almanac and cultural literacy cheat sheet, this fun and informative collection offers both history buffs and art lovers a treasure trove of interesting facts about beloved artists, writers, thinkers, and dreamers.

Thinking Drinkers

Fun and quirky illustrations highlight celebrated drinks, characters, places in time and the drinks themselves, while McFarland and Sandham bring together the best of their well-informed and hugely entertaining writing in this handsome and covetable volume that is simply an imbibers' delight.

The Absinthe Earl

Miss Ada Quicksilver, a student of London's Lovelace Academy for Promising Young Women, is spending her holiday in Ireland to pursue her anthropological study of fairies. She visits Dublin's absinthe bars to investigate a supposed association between the bittersweet spirit and fairy sightings. One night a handsome Irishman approaches her, introducing himself as Edward Donoghue. Edward takes absinthe to relieve his sleepwalking, and she is eager to hear whether he has experience with fairies. Instead, she discovers that he's the earl of Meath, and that he will soon visit a mysterious ruin at Newgrange on the orders of his cousin, the beautiful, half-mad Queen Isolde. On learning about Ada's area of study, he invites her to accompany him. Ada is torn between a sensible fear of becoming entangled with the clearly troubled gentleman and her compelling desire to ease his suffering. Finally she accepts his invitation, and they arrive in time for the winter solstice. That night, the secret of Edward's affliction is revealed: he is, in fact, a lord in two worlds and can no longer suppress his shadow self. Little does either of them realize that their blossoming friendship—and slowly kindling passion—will lead to discoveries that wrench open a door sealed for centuries, throwing them into a war that will change Ireland forever.

Chambers Pocket Dictionary

A Selection of the Scientific American Book Club Want to add more excitement to your life? This daring combination of science, history, and DIY projects will show you how. Written for smart risk takers, it explores why danger is good for you and details the art of living dangerously. Risk takers are more successful, more interesting individuals who lead more fulfilling lives. Unlike watching an action movie or playing a video game, real-life experience changes a person, and Gurstelle will help you discover the true thrill of making black powder along with dozens of other edgy activities. All of the projects—from throwing knives, drinking absinthe, and eating fugu to cracking a bull whip, learning bartitsu, and building a flamethrower—have short learning curves, are hands-on and affordable, and demonstrate true but reasonable risk. With a strong emphasis on safety, each potentially life-altering project includes step-by-step directions, photographs, and illustrations along with troubleshooting tips from experts in the field.

Chorus and Coda

Focusing on the kind of thinking that occurs in the English classroom, this book explores the propositions that good teaching is often deliberately unreasonable and has a strong element of interested experiment and good teachers often do not (quite) know what they are doing.

Manet

The Mysteries of Paris tells of the fight between good and evil set on the streets of French capital in the mid 19th century. The hero of the novel is the enigmatic and distinguished Rodolphe, who is really the Grand Duke of Gerolstein, but is disguised as a Parisian worker. Rodolphe can speak in argot, is extremely strong and a good fighter. Yet he also shows great compassion for the lower classes, good judgment, and a brilliant mind. He can navigate all layers of society in order to understand their

problems, and to understand how the different social classes are linked. Rodolphe is accompanied by his friends Sir Walter Murph, an Englishman, and David, a gifted black doctor, formerly a slave. The antagonist and the representative of evil is Ferand, a lawyer and delegate of a new commercial order.

Thinking Through English

Here approximately two hundred works by French and Spanish artists chart the development of this cultural influence and map a fascinating shift in the paradigm of painting, from Idealism to Realism, from Italy to Spain, from Renaissance to Baroque. Above all, these images demonstrate how direct contact with Spanish painting fired the imagination of nineteenth-century French artists and brought about the triumph of Realism in the 1860s, and with it a foundation for modern art."--BOOK JACKET.

The Mysteries of Paris (Vol. 1-6)

The Western Herbal Tradition provides a comprehensive and critical exploration of the use of plant medicines through 2000 years of history from Dioscorides to the present day. It follows each of the 27 herbs through a wide range of key sources from European, Arabic and American traditions including Greek, Roman and Renaissance texts. A rich discussion of the historical texts is balanced with current application and research. The herbs have been selected on the basis of common use by practising herbalists. Each illustrated monograph contains: Species, identification and botanical description A study of the characterisation and medicinal use of the plants consistently drawn from featured herbals which includes the authors' own translations from the Latin Assessment of past and current texts in the transmission of herbal knowledge Consideration of traditional therapeutics, including humoral and physiomedical approaches Suggestions towards a modern experiential approach through Goethean methodology Current evidence on pharmacological constituents Review of evidence on safety Recommendations for internal and external uses, prescribing and dosage Excellent illustrations accompany each monograph to aid learning First book to cover broader historical perspective and discussions of issues surrounding each herb Written by leading experts who are well known in the field Includes some monographs of which there is little material already available The bibliographic evidence provided could support applications for registration of Herbal Medicinal Products under the provisions of the Traditional Herbal Medicinal Product Directive An excellent valuable resource for everyone interested in herbal medicine

A Cyclopaedia of drug pathogenesis v. 1, 1886

This new commentary approaches Revelation from a Pentecostal perspective, but you may be surprised at what this does and doesn't mean in this case. This is a serious commentary based on the Greek text and includes discussion of all the standard topics (authorship, date, audience, etc.). It gives interpretive priority to the original context and audience while also discussing application today. Newton eschews all populist interpretations of Revelation and questions many assumptions built on futurist or historicist readings, but includes a survey of recent scholarly Pentecostal work on Revelation and an extended discussion of what an authentic Pentecostal reading of Revelation might look like. The commentary highlights features of Revelation that Pentecostals often look for, such as its pneumatology, but also draws attention to features that Pentecostal readers should take more seriously than they often do, such as its missional focus, the narrative flow, intertextual references, and the focus on atonement. This makes it a more optimistic commentary than many available. The commentary interacts in depth with five leading commentaries over the past twenty-five years as well as over two hundred other books and articles, including the oldest existing commentary on Revelation.

Canon of Design

This revised edition of *The Collected Works of St. John of the Cross* was produced to mark the fourth centenary of the death of St. John of the Cross (1542–1591). The result is an English translation of his writings that preserves the authentic meaning of the great mystic's writings, presents them as clearly as possible, and at the same time gives the reader the doctrinal and historical information that will lead to a deeper understanding and appreciation of the teachings of the Mystical Doctor. Included in *The Collected Works* are St. John's poetry, *The Ascent of Mount Carmel*, *The Dark Night*, *The Spiritual Canticle*, and *The Living Flame of Love*, as well as his extant letters and other counsels. More Information: Complementing St. John's writings are a comprehensive General Introduction for the entire work, as well as brief, enlightening introductions for each specific work, explaining theme and structure. These are enhanced by new and expanded footnotes and a glossary of terms. About the Translators Kieran Kavanaugh, O.C.D. Father Kieran, a native of Milwaukee, Wisconsin, made his profession as a Discalced Carmelite in 1947. He has held several important positions within the order, including prior, formation director, and provincial councilor. A founding member of the Institute of Carmelite Studies, he subsequently served as its chair, as well as publisher of ICS Publications. Father Kieran's major contributions in the field of Carmelite studies are his translations from the Spanish of the works of St. Teresa of Jesus and St. John of the Cross, in collaboration with Father Otilio Rodriguez. He also was the English translator of *God Speaks in the Night: The Life, Times and Teaching of St. John of the Cross*, a pictorial biography of St. John of the Cross commemorating the 400th anniversary of his death, published in several languages. In addition to translations, Father Kieran is also the author of two ICS Publications' study editions of the works of St. Teresa, and has written several other books on St. Teresa and St. John of the Cross. Father Kieran has lectured and written widely on the teaching of both of these Carmelite saints. He is a member of the Discalced Carmelite community in Washington, D.C. Otilio Rodriguez, O.C.D. Father Otilio was born in Mantinos, Palencia, Spain, and was a Carmelite for more than fifty years. He was provincial of the Burgos province several times and also served as rector of the Discalced Carmelites' international pontifical theological faculty, the Teresianum, in Rome. Father Otilio was one of the founders of the Institutum Historicum Teresianum and was a member of the Institute of Carmelite Studies. Both internationally and throughout the United States he gave retreats and lectures on Carmelite history and spirituality and wrote extensively on Carmelite subjects. Father Otilio died in Rome in 1994.

Contains: **HOT PURSUIT** **HOT MESS** **DANGEROUSLY HOT** **HOT PACKAGE** **HOT SHOT** **HOT REBEL** and **RECKLESS HEAT** **HOT PURSUIT**: She failed at life. Can she win at love? Evie Baker lost everything that mattered. Her restaurant, her money, her self-respect. When she comes home to tiny Rochambeau, Louisiana, she's looking for a fresh start. What she isn't looking for is the tall, sexy, badass Cajun who stomped on her heart and left it for dead. Hostile Operations Team soldier Matt Girard isn't home for long. He's been ordered to stand down after a mission gone wrong. Above all, he's supposed to stay out of trouble. Easy enough to do for a few days. Until Evie rolls into town with danger on her heels. Evie's not a warrior. But Matt is. And he'll do whatever it takes to protect her, even if it costs him everything he's ever worked for. Because sometimes you don't realize what you had until it's gone. Or what matters most until you get a second chance... **HOT MESS**: It starts with a single kiss. It'll end with complete surrender... Georgeanne Hayes is his best friend's little sister. Off limits. Too perfect for the likes of Hostile Operations Team soldier Sam McKnight. No matter how badly he wants to corrupt her. Georgie has loved Sam for as long as she can remember. But all he's ever done is push her away. Now that someone wants her dead, he'll fight to save her - and he won't give in to the need that haunts his every waking moment. His life is far too dangerous. Too unpredictable. She plans to convince him he's wrong. That she's strong enough. She'll fight for him, and she'll win. She has to. Because her very survival might depend upon it... **DANGEROUSLY HOT**: She's the one that got away... Kevin MacDonald's been in love with linguist Lucky San Ramos since the moment he first saw her. Kev let the better man have her when his teammate fell for her too. But now Marco's dead, and Lucky's in grave danger. When Kev is tasked with bringing her back to HOT HQ for an explosive mission to capture a terrorist, Lucky fights him at every step. It's not easy being forced to work with the man she once loved while also battling her deep guilt over marrying the one she didn't. As the mission grows more dangerous, secrets from the

past get harder to keep. And when the truth's finally exposed, their love will either rise from the ashes - or burn completely away. If they can survive an enemy's deadly plan...

The Western Herbal Tradition E-Book

This book is a thorough introduction to climate science and global change. The author is a geologist who has spent much of his life investigating the climate of Earth from a time when it was warm and dinosaurs roamed the land, to today's changing climate. Bill Hay takes you on a journey to understand how the climate system works. He explores how humans are unintentionally conducting a grand uncontrolled experiment which is leading to unanticipated changes. We follow the twisting path of seemingly unrelated discoveries in physics, chemistry, biology, geology, and even mathematics to learn how they led to our present knowledge of how our planet works. He explains why the weather is becoming increasingly chaotic as our planet warms at a rate far faster than at any time in its geologic past. He speculates on possible future outcomes, and suggests that nature itself may make some unexpected course corrections. Although the book is written for the layman with little knowledge of science or mathematics, it includes information from many diverse fields to provide even those actively working in the field of climatology with a broader view of this developing drama. Experimenting on a Small Planet is a must read for anyone having more than a casual interest in global warming and climate change - one of the most important and challenging issues of our time. This new edition includes actual data from climate science into 2021. Numerous Powerpoint slides can be downloaded to allow lecturers and teachers to more effectively use the book as a basis for climate change education.

The Encyclopaedia Britannica

"If John Berger's *Ways of Seeing* is a classic of art criticism, looking at the 'what' of art, then David Salle's *How to See* is the artist's reply, a brilliant series of reflections on how artists think when they make their work. The 'how' of art has perhaps never been better explored." —Salman Rushdie
How does art work? How does it move us, inform us, challenge us? Internationally renowned painter David Salle's incisive essay collection illuminates these questions by exploring the work of influential twentieth-century artists. Engaging with a wide range of Salle's friends and contemporaries—from painters to conceptual artists such as Jeff Koons, John Baldessari, Roy Lichtenstein, and Alex Katz, among others—*How to See* explores not only the multilayered personalities of the artists themselves but also the distinctive character of their oeuvres. Salle writes with humor and verve, replacing the jargon of art theory with precise and evocative descriptions that help the reader develop a personal and intuitive engagement with art. The result: a master class on how to see with an artist's eye.

The Encyclopædia Britannica

This book provides a broad reference covering important drugs of abuse including amphetamines, opiates, and steroids. It also covers psychoactive plants such as caffeine, peyote, and psilocybin. It provides chemical structures, analytical methods, clinical features, and treatments of these drugs of abuse, serving as a highly useful, in-depth supplement to a general medical toxicology book. The style allows for the easy application of the contents to searchable databases and other electronic products, making this an essential resource for practitioners in medical toxicology, industrial hygiene, occupational medicine, pharmaceuticals, environmental organizations, pathology, and related fields.

The Encyclopaedia Britannica

This revised edition of *The Collected Works of St. John of the Cross* was produced to mark the fourth centenary of the death of St. John of the Cross (1542–1591). The result is an English translation of his writings that preserves the authentic meaning of the great mystic's writings, presents them as clearly as possible, and at the same time gives the reader the doctrinal and historical information that will lead to a deeper understanding and appreciation of the teachings of the Mystical Doctor. Included in *The Collected Works* are St. John's poetry, *The Ascent of Mount Carmel*, *The Dark Night*, *The Spiritual Cantic*, and *The Living Flame of Love*, as well as his extant letters and other counsels. More Information: In addition to the respective page listings in the contents, this new edition features gray page tabs that separate the individual works, enabling the reader to more easily locate a desired section of the book. Complementing St. John's writings are a comprehensive General Introduction for the entire work, as well as brief, enlightening introductions for each specific work, explaining theme and structure. These are enhanced by new and expanded footnotes, a glossary of terms, and general and scriptural indices. About the Translators Kieran Kavanaugh, O.C.D. Father Kieran, a native of

Milwaukee, Wisconsin, made his profession as a Discalced Carmelite in 1947. He has held several important positions within the order, including prior, formation director, and provincial councilor. A founding member of the Institute of Carmelite Studies, he subsequently served as its chair, as well as publisher of ICS Publications. Father Kieran's major contributions in the field of Carmelite studies are his translations from the Spanish of the works of St. Teresa of Jesus and St. John of the Cross, in collaboration with Father Otilio Rodriguez. He also was the English translator of *God Speaks in the Night: The Life, Times and Teaching of St. John of the Cross*, a pictorial biography of St. John of the Cross commemorating the 400th anniversary of his death, published in several languages. In addition to translations, Father Kieran is also the author of two ICS Publications' study editions of the works of St. Teresa, and has written several other books on St. Teresa and St. John of the Cross. Father Kieran has lectured and written widely on the teaching of both of these Carmelite saints. He is a member of the Discalced Carmelite community in Washington, D.C. Otilio Rodriguez, O.C.D. Father Otilio was born in Mantinos, Palencia, Spain, and was a Carmelite for more than fifty years. He was provincial of the Burgos province several times and also served as rector of the Discalced Carmelites' international pontifical theological faculty, the Teresianum, in Rome. Father Otilio was one of the founders of the Institutum Historicum Teresianum and was a member of the Institute of Carmelite Studies. Both internationally and throughout the United States he gave retreats and lectures on Carmelite history and spirituality and wrote extensively on Carmelite subjects. Father Otilio died in Rome in 1994.

A Pentecostal Commentary on Revelation

Bringing together more than a thousand unpublished letters as well as all the widely scattered published ones, these four volumes represent the first attempt at a complete edition of the letters of Edward Fitzgerald (1809-1883). Originally published in 1980. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

The Collected Works of St. John of the Cross

The name on the screen was "Absinthe." But I knew her as the sultry voice blowing up my phone for late night chats about Proust and Hemingway interspersed between the filthiest little ... conversations. We'd never met. Until the day she walked into my office, her cherry lips wrapped around a candy apple sucker and an all too familiar voice that said, "You wanted to see me, Principal Hawthorne?"
