Inmate beaten to death in Montreal Detention Centre - Inmate beaten to death in Montreal Detention Centre by Montreal Gazette 23,766,481 views 5 years ago 2 minutes, 21 seconds - A jury in its 11th day of deliberation emerged on Tuesday at the Montreal courthouse with verdicts in the case involving the death ...

Inmate Michel Barrette was killed on June 21, 2016.

The Crown argues Barrette was beaten to death after smuggling tobacco into the prison.

They say Tarik Biji orchestrated the attack. He was charged with first-degree murder along with Garmy Guerrier and Jason Côté.

The prosecutor says this was a sign that the beating was all about tobacco.

They then walk to Biji's cell at the end of the hall.

Barrette then leaves his cell and enters Biji's neighbouring cell.

After the beating, inmates are seen celebrating and hi-fiving each other.

Barrette is seen limping back to his cell in the background.

Biji then brings a mop to clean up his cell.

An unseen inmate congratulates him before he peeks into Barrette's cell.

Hours later, Barrette dies of internal bleeding.
