Weekend

A dream vacation in Mexico turns into a nightmare.

Weekend

The sun is out. The beach is beautiful. And for nine friends this weekend in Mexico is a dream holiday. But the dream turns into a nightmare when they are poisoned and trapped in a snake-filled room - someone seems to be out to spoil their fun - but surely it couldn't be one of the group?

Weekend

This juicy volume features two classic Christopher Pike thrillers: "Slumber Party" and "Weekend." This double feature of romance, betrayal, and horror is to die for.

Weekend

From the New York Times bestselling author of *The Midnight Club*—now an original Netflix series! The sweetest words of love can often be the deadliest... In a riveting tale of vengeance turned to terror, a teenage girl devises a plot for revenge that goes too far—with murderous results.

To Die for

Herb just wanted to photograph the cheerleaders in the school showers, but then he realizes he may also have photographed a murder.

Slumber Party

The dream vacation in Mexico turned into a nightmare.

Gimme a Kiss

A terrifying novel of horror and salvation from the New York Times bestselling author of *Bury Me Deep*. Dr. Lauren Wagner is eager to take part in the first American manned expedition to Mars, but a mystery awaits the expedition. What happened to the Russians who reached Mars first? And what of the voices Lauren hears?

Die Softly

Returning home one day, Roxanne and Pepper find their small town--and surrounding towns--empty. Finally they find three other teens and realize that all five are each connected through the death of Betty Sue, the plain, shy girl who committed suicide only three months before. Betty Sue had written stories about them, stories of hate, revenge, and death . . . in a dead world.

Weekend

From the New York Times bestselling author of *The Midnight Club*—now an original Netflix series! Teresa Chafey is running away from home. Driving north along the California coast, she picks up two mysterious hitchhikers: Poppy Corn and Freedom Jack. Together the three of them tell stories: Teresa of her devastating relationship with her boyfriend, Poppy of a sad young woman she once knew, and Freedom of a talented young man with a violent temper. Yet as they talk, a darker story unfolds around them. A story of life and death, of redemption and damnation. It will be the longest night of Teresa's life. And maybe the last night of her life.

The Season of Passage

Two favorite thrillers from #1 New York Times bestselling author Christopher Pike are now available in one bone-chilling collection. When Alison first got the chain letter signed "Your Caretaker," she thought it was a sick joke. But then it became clear that someone, somewhere knows about that awful night when she and six friends committed an unthinkable crime. And now that person is determined to make them pay. One by the one, the chain letter comes to each of them, demanding dangerous, impossible deeds. No one wants to believe that this nightmare is really happening, but then the accidents start. And the deaths. Finding the truth behind the stalker's identity seems to be the only option, but even that might not be enough. The Caretaker has a prodigy who is even more frightening than the first, and this time he wants more than retribution. He's out for blood.

Whisper of Death

After her untimely death, eighteen-year-old Shari tries to prove that she did not commit suicide and attempts to keep the person responsible from killing again.

Road to Nowhere

The "New York Times" bestselling author of *"Bury Me Deep"* offers another great hit. High-school senior Marvin is a bestselling author of teen fiction. When Marvin becomes caught in a web of mystery more complex and horrifying than any of his books, he realizes the tales he's spinning are all too frighteningly true. Available now.

Chain Letter

Now an original Netflix series! From the author of *The Wicked Heart* and *The Immortal* comes a beautiful and haunting novel about a group of five terminally ill teenagers whose midnight stories become their reality. Rotterham Home was a hospice for young people—a place where teenagers with terminal illnesses went to die. Nobody who checked in ever checked out. It was a place of pain and sorrow, but also, remarkably, a place of humor and adventure. Every night at twelve, a group of young guys and girls at the hospice came together to tell stories. They called themselves the Midnight Club, and their stories could be true or false, inspiring or depressing, or somewhere in-between. One night, in the middle of a particularly scary story, the teenagers make a secret pact with each other, which says, “The first one who dies will do whatever he or she can do to contact us from beyond the grave, to give us proof that there is life after death.” Then one of them does die...

Remember Me

Paperback contains excerpt from Christopher Pike's *Red Queen*.

Master of Murder

From the New York Times bestselling author of *The Midnight Club*—now an original Netflix series! Dusty Shame was a high school senior, and a serial killer. Already he has murdered three young women, and he has more planned. Yet Dusty did not want to hurt anybody. There was something inside him, or perhaps outside him, that compelled him to kill. Sheila Hardolt has lost her best friend to Dusty's brutal attacks. It will be her task to probe the clues Dusty has left at the site of each of his murders. Clues that will point her into the past—to a time when a large portion of mankind lost all sense of decency. There she will find the seed of Dusty's evil compulsion, the *Wicked Heart*, and the reason why it did not die the first time it was destroyed.

The Midnight Club

She didn't know what she had done. She awoke in the woods beside a dead body with a knife in her hand and blood on her clothes. Had she killed the young woman beside her? She couldn't remember anything--not even her own name. It was as if someone had stolen her mind--stolen her soul.

Strange Girl

From the New York Times bestselling author of *The Midnight Club*—now an original Netflix series! Julia is a young woman with extraordinary powers. She has the ability to heal people with her touch. She also knows things that are happening in faraway places when she looks in water that has sunlight shining on it. She comes from a tradition of witches—good witches. But before Julia's mother died, she warned her daughter never to look in water that had moonlight shining on it. Unfortunately, almost by accident, Julia does. What she sees is a vision of the future, a scene in which a young man she doesn't know is shot and dies in her arms. Only later, when Julia attends a football game at school, does she meet the young man. He is her girlfriend's new boyfriend. Julia immediately falls for the guy, but it is an ill-fated love. Julia doesn't know if her vision of the future is set, or if it can be changed. She doesn't know why the gunman in her vision evokes such hatred in her, and why she feels she must destroy him at all costs. But by using the supernatural powers at her command and risking her own life plus the lives of her friends, Julia will find the answers to all these questions—at a terrible cost.

The Wicked Heart

Alisa Perne is the last vampire. Beautiful and brilliant, she hunts alone, living among humans, living off humans. But someone is stalking her. Someone wants her dead. And Alisa has a choice to make - to keep a long held promise or protect the mortal she seems to be falling for.

The Lost Mind

When a student dies at a party held at the start of the high school year, a group of students are convinced it was more than a mysterious suicide, and their investigation leads them into danger.

Witch

Rela finds she can watch next weeks news on her new VCR - but then she sees herself!.

The Starlight Crystal

I once knew this girl who thought she was God. She didn't give sight to the blind or raise the dead. She didn't even teach anything, not really, and she never told me anything I probably didn't already know. On the other hand, she didn't expect to be worshipped, nor did she ask for money. Given her high opinion of herself, some might call that a miracle. I don't know, maybe she was God. Her name was Sati and she had blonde hair and blue eyes. For all who meet her, Sati will change everything. Sati may change everything for you.

The Last Vampire

THEY CALLED HER A WANDERER. Shari Cooper is dead, the victim of a murderous attack. She is on the other side, in a place of spirits, an eternal realm of light and love. But she is given a rare offer. To return to Earth without having to be reborn. Into the body of a depressed teenage girl. A transfer of souls, they call it. Shari is given a chance to be a Wanderer, and to do a great service for humanity. It is an offer she gladly accepts. Then she is back, in a human body. Yet she does not remember being Shari Cooper. At first she recalls nothing of the afterlife. Perhaps it is just as well. Not everybody on Earth welcomes Wanderers. Of the few who know of their existence, some want them dead. And others, the truly evil ones, wish them much worse than that.

Until the End

Epic love crosses space and time in these two sexy, suspenseful stories from #1 "New York Times"-bestselling author Pike. Includes "Spellbound" and "See You Later."

The Eternal Enemy

From the New York Times bestselling author of The Midnight Club—now an original Netflix series! Mark has just fallen in love for the first time. The girl's name is Becky and unfortunately for Mark, she already has a boyfriend. Mark tries his best, but he is unable to win Becky for himself—until he meets young couple Vincent and Kara and strange things start to happen.

Sati

Sharing a love that most people envy, Charlie and Mary find their lives shattered when Mary is unfaithful and Charlie turns murderous, a situation that has Charlie on the run and Mary ostracized by her peers.

The Tales of Terror

Anne McFarland is dead, and her best friend, Sharon McKay, stands accused even though no body has been found. Nevertheless, the prosecution is almost certain of victory, and Sharon must prove that her friend committed suicide--and unravel the vengeful scheme of an obsessed teenager.

Remember Me 2 (Reissue)

An innocent man is attacked by a cult and buried alive. A pretty girl meets a fascinating guy, who hardly seems to blink or breathe, and emits a cool presence. They're both living in a weird realm where life and death mirror each other--where the grave no longer promises escape.

Bound to You

Several high school students, transferred to a new school when their old one closes, invite classmates, new and old, to a party. One of the girls is found dead. Was it suicide or murder?

See You Later

Pike explores the depth and breadth of human emotion through two brilliantly etched characters: Kelly Feinman, who pays a terrible price to understand the nature of true evil; and Matt Connor, a classic anti-hero. They should be enemies. Instead, they become friends, and together, they help each other become whole.

Execution of Innocence

On a high-school graduation road trip to Las Vegas, Jessie, still in love with ex-boyfriend Jimmy, discovers that she possesses extraordinary powers and the ability to exist in both the real world and an alternate one.

Fall Into Darkness

Another hit from the New York Times bestselling author of *Bury Me Deep*. Mary Carlson had wanted to kill more than the two people she blew away with a shotgun at the party. And when her best friend Angela asks her why, Mary responds, "Because they're no longer human". At first Angela thinks she's crazy. But soon she discovers a horror so unimaginable, she wonders if she should have let Mary go on killing.

The Grave

The kids from Spooksville are held prisoner on a planet of slaves after requesting money, gadgets, clothes, and galactic peace from a magic alien wishing stone.

The Cold One

She won't let them forget... Shari Cooper wakes up dead. The last thing she can remember is falling from a balcony during her friend's party. Her death has been ruled a suicide, but Shari knows she was murdered. All of her closest friends are now suspects. As she tries to find her killer from the other side, she discovers her friends may not have been so loyal to her after all. Now, Shari is not just out for justice, she's out for revenge....

The Party

Falling

Berserker

Long ago, in a distant part of the galaxy, two alien races met—and fought a war of mutual extinction. The sole legacy of that war was the weapon that ended it: the death machines, the BERSERKERS. Guided by self-aware computers more intelligent than any human, these world-sized battle craft carved a swath of death through the galaxy—until they arrived at the outskirts of the fledgling Empire of Man. These are the stories of the frail creatures who must meet this monstrous and implacable enemy—and who, by fighting it to a standstill, become the saviors of all living things. This is Saberhagen's classic book length collection of the first eleven Berserker stories. Meet Berserker hunter extraordinaire Johann Karlsen, his evil brother Felipe Nogara, The Third Historian of the Carmpan Race, gallant fighters of the killer machines and the deranged killer machine, Mr. Jester.

The Possession

WINNER OF THE 2022 NOBEL PRIZE IN LITERATURE Self-regard, in the works of Annie Ernaux, is always an excruciatingly painful and exact process. Here, she revisits the peculiar kind of self-fulfillment possible when we examine ourselves in the aftermath of a love affair, and sometimes, even, through the eyes of the lost beloved.

Consciousness And The Novel

Human consciousness, long the province of literature, has lately come in for a remapping - even rediscovery - by the natural sciences, driven by developments in Artificial Intelligence, neuroscience, and evolutionary biology. But as the richest record we have of human consciousness, literature, David Lodge suggests, may offer a kind of knowledge about this phenomenon that is complementary, not opposed, to scientific knowledge. Writing with characteristic wit and brio, and employing the insight and acumen of a skilled novelist and critic, Lodge here explores the representation of human consciousness in fiction (mainly English and American) in the light of recent investigations in cognitive science, neuroscience, and related disciplines. How, Lodge asks, does the novel represent consciousness? And how has this changed over time? In a series of interconnected essays, he pursues this question down various paths: how does the novel's method compare with that of other creative media such as

film? How does the consciousness (and unconscious) of the creative writer do its work? And how can criticism infer the nature of this process through formal analysis? In essays on Charles Dickens, E.M. Forster, Evelyn Waugh, Kingsley and Martin Amis, Henry James, John Updike and Philip Roth, and in reflections on his own practice as a novelist, Lodge brings to light - and to engaging life

The Forge Of God

On July 26, Arthur Gordon learns that Europa, the sixth moon of Jupiter, has disappeared. Not hiding, not turned black, but gone. On September 28th, Edward Shaw finds an error in the geological records of Death Valley. A cinder cone was left off the map. Could it be new? Or, stranger yet, could it be artificial? The answer may be lying beside it—a dying Guest who brings devastating news for Edward and for Planet Earth. As more unexplained phenomena spring up around the globe—a granite mountain appearing in Australia, sounds emanating from the earth's core, flashes of light among the asteroids—it becomes clear to some that the end is approaching, and there is nothing we can do. Facing the destruction of all they know, some people turn to God, others to their families, and a few turn to saviors promising escape from a planet being torn apart. Will they make it in time? And who gets left behind to experience the last moments of beauty and chaos on earth?

Brother Assassin

DigiCat Publishing presents to you this special edition of "The Cords of Vanity" (A Comedy of Shirking) by James Branch Cabell. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

The Cords of Vanity

Mark and Ben travel deep into the Blue Temple's hidden horde in an attempt to recover whatever gold and Swords they can for the forces of Sir Andrew. Gods, demons and human traitors have other plans for the Swords and for the adventurers. In the game of the gods, no one's survival is secure, even a god's.

The Second Book of Swords

Figures of Earth is the second installment in James Branch Cabell's Biography of the Life of Manuel, set in the imaginary province of Poictesme. Young Manuel is a simple, well-liked swineherd who is often seen continually reshaping a small figure he made from the marsh clay from the pool of Haranton. One day, a stranger appears and tells Manuel of an adventure to save the Count of Arnaye's daughter from a wizard who carried her off to the gray mountain called Vraidex. Manuel accepts this adventure (and many more that follow)—and his life will never be the same. The book was originally published in 1921 and was dedicated to "six most gallant champions," each of whom were real persons who came to Cabell's defense during the legal battle over alleged obscenity in his previous novel, Jurgin. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

Jurgin: A Comedy of Justice

With contributions from Aristotle to Lakoff and Johnson, and incorporating the work of philosophers, linguists, literary theorists, and cognitive psychologists, this wide-ranging and multidisciplinary six-volume collection on metaphor and figurative language is a new title from Routledge's Critical Concepts in Linguistics series. Metaphor and Figurative Language is fully indexed and has a comprehensive introduction, newly written by the editors, which places the collected material in its historical and intellectual context ...

Figures of Earth

In 'The Line of Love; Dizain des Mariages,' James Branch Cabell offers readers a rich tapestry of chivalric romance and sardonic wit, woven together in an exploration of love across different ages. Cabell's literary style is marked by an elegant, archaic prose that underpins the ironic commentary on the romantic ideals and societal mores of bygone eras. This work, structured as a sequence of interrelated stories, not only reflects the author's clear fascination with the Medieval period but also situates itself within the early 20th-century's revival of interest in chivalric tales, thus providing a complex

interplay between past and present literary traditions. James Branch Cabell, an important figure in American literature, was known for his unique blend of fantasy and realism, his eloquent storytelling, and his finely-crafted satirical narratives. Cabell's passion for history, mythology, and his own Virginian heritage often inspired his works. In 'The Line of Love,' his background and interests manifest in his use of historical settings and the deconstruction of romantic myths, culminating in a book that both celebrates and questions the very nature of love and marriage. 'The Line of Love; Dizain des Mariages' is recommended for those who delight in literary craftsmanship that transcends time. Cabell's adept storytelling and intricate characterizations make this book an appealing read for lovers of classic literature. The novel's subtle irony and reflection on eternal themes of love and matrimony will resonate with modern readers, offering a nuanced perspective that challenges as much as it charms. It is a significant work that continues to merit scholarly attention and appreciation among connoisseurs of literary art.

Metaphor and Figurative Language

James Branch Cabell (1879-1958) wrote many of the Twentieth Century's finest fantasies, including the controversial "Jurgen," which was famously banned by the New York Society for the Suppression of Vice. It was only after the furor died down that readers and critics were fully able to appreciate that the author was no mere sensationalist, but a literary artist of very high calibre. Cabell was above all else, an elegant stylist, whose gently caustic, beautifully fantastic comedies struck a chord in the Jazz Age and still resonate today. He was an important influence on subsequent writers as diverse as Fritz Leiber and Neil Gaiman. "[He] is a delightful author . . . I like the sheer audacity and the scope [of his work]." -- Neil Gaiman "One of the all-time greats of fantasy, whose cynical yet romantic view of the human comedy is simultaneously hilarious, beautiful, and melancholy. A writer you must read." -- Darrell Schweitzer "From the Hidden Way" collects Cabell's poetry, which illustrates a mastery of a wide range of styles and forms, and is filled with sly allusions to Cabell's other books. It was included in the famous Storisende Edition of the collected "Biography of Manuel," which Cabell considered to be the centerpiece of his art.

The Music from Behind the Moon

"The Devil's Own Dear Son" is Cabell's final philosophical comedy, about a man who discovers that his father was a demon and goes to Hell for a disquieting family reunion. James Branch Cabell (1879-1958) wrote many of the Twentieth Century's finest fantasies, including the controversial Jurgen, which was famously banned by the New York Society for the Suppression of Vice. Smirt

The Witch Woman collects three fantastic novellas set in Poictesme, the imaginary medieval land featured in such Cabell classics as _Jurgen_ and _Figures of Earth_, _all dealing with the most central

of Cabell themes, the elusive feminine ideal, here personified in the seductive Ettarre la Beale, the third daughter of Dom Manuel the Redeemer. Here we read how a poet, a king, and a bishop (who also happens to be a werewolf) sought the unattainable Ettarre, and what became of them

Townsend of Lichfield

Dr Emile Corday, aka Dracula, is summoned to the aid of the Sutherland family, descendants of his great love, Mina Harker. Corday finds himself facing a rebellious faction of American vampires out to see him and anyone he cares for annihilated. Leading his adversaries is the evil and alluring enchantress Morgan Le Fay. Corday, the Sutherland family, and policeman Joe Koege will cross paths again in Saberhagen's Dracula series.

The King was in His Counting House

Satiric and symbolic romance in which Manuel's widow institutes the cult of the Redeemer of Poictesme.

These Restless Heads

A new entity is being born. Its cells are microprocessors, its soul lives in data banks from Wall Street to Red Square. It is neither good nor evil. But it is very dangerous. The Angra Oil Corporation thinks it is just another resource to be used up.... Coils: The story of a man and a woman trapped in the battle between a soulless corporation and the soul of a new machine.

The Witch-Woman

The third and final novel in 'The Book of Swords' trilogy. More stories of the twelve Swords continue with The Lost Swords series. The gods, the creators of the twelve Swords, realize their error in giving powerful Swords to humans. The humans, both good and evil, are ready to fight to the death to acquire and retain the Swords. With the Swords, new ideas and new dreams have entered the world. A change is taking place that threatens the gods' very existence.

An Old Friend of the Family

Michel Geulincx is an eleven year old boy living a quiet life on an earth-like colonial planet with his adoptive parents. His life direction suddenly changes when he is offered a scholarship to a prestigious art school. But it isn't his artistic talent that interests the recruiters. Uniquely talented and strong of character, Michel discovers his biological identity and learns he alone among the human warriors can meld with Lancelot, humanity's most advanced weapon devised to oppose the life-eradicating berserkers. He will become a living machine dedicated to saving humanity as he takes humanity's fight to the berserkers and to the heart of the galaxy.

The Way of Ecben

Stories tell of game-playing machines, a champion chess player, parallel worlds, and a deadly machine that randomly destroys inhabited planets

The Silver Stallion

Contains: book 7 and final book of the lost swords series - Wayfinders story; Shieldfinders story.

Coils

In Synners, the line between technology and humanity is hopelessly slim. To be a Synner is to join the online hardcore, an outlaw band of hackers, simulation pirates, and reality synthesizers hooked on artificial reality and virtual space. Now you can change yourself to suit the machines - all it costs you is your freedom, and your humanity. Synners shows us a world perilously close to our own. A constant stream of new technology spawns new crime before it hits the streets, and the human mind and the external landscape have fused to the point where any encounter with "reality" is incidental. Equal parts thrill-ride and cautionary tale, this classic novel by the Queen of Cyberpunk offers us a terrifying glimpse into the future of our race. Winner of the Arthur C. Clarke Award for best novel, 1992

The Billionaire's Obsession:

Down on her luck, nursing student and full-time waitress Kara Foster gets a massive blow to her already desperate financial situation that will surely find her living on the streets. Needing nothing less than a miracle to save her, Kara gets rescue from an unknown, unlikely and overwhelming source. Billionaire Simon Hudson makes her an offer that is impossible to refuse, but terrifying to accept from a man that she's never met. Will the handsome, alpha billionaire really be a solution to her problems, or will he end up being a major complication and a danger to her emotional sanity? Reclusive billionaire Simon Hudson would rather be behind a computer creating computer games than rubbing elbows with the elite and he knows exactly what he wants...until he meets Kara Foster. Something about Kara touches Simon in ways he's never experienced and definitely doesn't like. For over a year, Simon watches over Kara, but stubbornly refuses to admit his desire to possess her, not even to himself. But when she ends up in a situation that could very well be her destruction, Simon steps up to help her, not realizing that in saving Kara, he might very well be salvaging his own soul. Powerful Prose

What makes a reading experience »powerful«? This volume brings together literary scholars, linguists, and empirical researchers who tackle the question by investigating the effects and reader responses generated by selected extracts of literary prose. The twelve contributions theorize this widely-used, but to date insufficiently studied notion, and provide insights into the therefore still mysterious-seeming power of literary fiction. The collection explores a variety of stylistic as well as readerly and psychological features responsible for short- and long-term effects - topics of great interest to those interested or specialized in literary studies and narratology, (cognitive) stylistics, empirical literary studies and reader response theory.

Cinematography: Theory and Practice

There's more to being a DP than holding a light meter! With this book as your guide, you are on your way to learning not only about the equipment and technology, but also about the concepts and thought processes that will enable you to shoot professionally, efficiently, and with artistic mastery. A leading book in the field, Cinematography has been translated into many languages and is a staple at the world's top film schools. Lavishly produced and illustrated, it covers the entire range of the profession. The book is not just a comprehensive guide to current professional practice; it goes beyond to explain the theory behind the practice, so you understand how the rules came about and when it's appropriate to break them. In addition, directors will benefit from the book's focus on the body of knowledge they should share with their Director of Photography. Cinematography presents the basics and beyond, employing clear explanations of standard practice together with substantial illustrations and diagrams to reveal the real world of film production. Recognizing that professionals know when to break the rules and when to abide by them, this book discusses many examples of fresh ideas and experiments in cinematography. Covering the most up-to-date information on the film/digital interface, new formats, the latest cranes and camera support and other equipment, it also illustrates the classic tried and true methods.

Justice on Demand

Justice on Demand: True Crime in the Digital Streaming Era offers a theoretical rumination on the question asked in countless blogs and opinion pieces of the last decade: Why are we so obsessed with true crime? Author Tanya Horeck takes this question further: Why is true crime thought to be such a good vehicle for the new modes of viewer/listener engagement favored by online streaming and consumption in the twenty-first century? Examining a range of audiovisual true crime texts, from podcasts such as Serial and My Favorite Murder to long-form crime documentaries such as The Jinx and Making a Murderer, Horeck considers the extent to which the true crime genre has come to epitomize participatory media culture where the listener/viewer acts as a "desktop detective" or "internet sleuth." While Facebook and Twitter have re-invigorated the notion of the armchair detective, Horeck questions the rhetoric of interactivity surrounding true crime formats and points to the precarity of justice in the social media era. In a cultural moment in which user-generated videos of real-life violence surface with an alarming frequency, Justice on Demand addresses what is at stake in the cultural investment in true crime as packaged mainstream entertainment. Paying close attention to the gendered and racialized dimensions of true crime media, Horeck examines objects that are not commonly considered "true crime," including the subgenre of closed-circuit television (CCTV) elevator assault videos and the popularity of trailers for true crime documentaries on YouTube. By analyzing a range of intriguing case studies, Horeck explores how the audience is affectively imagined, addressed, and commodified by contemporary true crime in an "on demand" mediascape. As a fresh investigation of how contemporary variations of true crime raise significant ethical questions regarding what it means to watch, listen, and "witness" in a digital era of accessibility, immediacy, and instantaneity, Justice on Demand will be of interest to film, media, and digital studies scholars.

Twisted

To the world, I no longer exist. The life I live occurs outside the third dimension—a memory, a ghost, the boogeyman, or perhaps simply a figment of the imagination. When I'm passed on the street, there is no connection. No eye contact. I'm the one whose presence leaves a cold chill of uncertainty, quickly erased by minds who don't want to acknowledge that men like me exist. On the dark web, I'm known as Kader, and for the right price, I will do what others can't or won't. I've learned to exist within the hard shell I've created—until I see her. Laurel Carlson. Her blue eyes see beyond my impenetrable exterior. Her sensual lips long to be kissed and her hidden curves caressed. My mind is obsessed and my body ignited. Though I exist outside her comfort zone, I must enter her world, take the chance, and learn what it is about this beautiful, intelligent, and marked woman that has me entranced—before her time is up. The Life and Works of Celestine Ukwu

For any woman who has experienced illness, chronic pain, or endometriosis comes an inspiring memoir advocating for recognition of women's health issues. In the fall of 2010, Abby Norman's strong dancer's body dropped forty pounds and gray hairs began to sprout from her temples. She was repeatedly hospitalized in excruciating pain, but the doctors insisted it was a urinary tract infection and sent her home with antibiotics. Unable to get out of bed, much less attend class, Norman dropped out of college and embarked on what would become a years-long journey to discover what was wrong with her. It wasn't until she took matters into her own hands -- securing a job in a hospital and educating herself over lunchtime reading in the medical library -- that she found an accurate diagnosis of endometriosis. In Ask Me About My Uterus, Norman describes what it was like to have her pain dismissed, to be told it was all in her head, only to be taken seriously when she was accompanied by a boyfriend who

confirmed that her sexual performance was, indeed, compromised. Putting her own trials into a broader historical, sociocultural, and political context, Norman shows that women's bodies have long been the battleground of a never-ending war for power, control, medical knowledge, and truth. It's time to refute the belief that being a woman is a preexisting condition.

Ask Me About My Uterus

Buried deep below the everyday life of our society lives an underground world of nightmares-of violence and murder no one dares speak about. Contracts and laws weave the web of our culture together. Our Masters walk amongst us. They can be our friends, or the ones to make us disappear forever. Where I once had found peace within my existence, it all ended with the death of my cruel, yet caring owner. My world shattered and I was taken back to the one place I had hoped to never see again-the cells of Whitlock-a subterranean fortress for slaves who await their new placement. Now I have no rights. I have no say. My feelings and wellbeing are meaningless. Escape is impossible, but I have nothing left to lose. To stand any chance of survival, I must give my life as collateral to the highest bidder: Soul for Sale. slave 24690

A fully-fledged doctrine of signs, with many horizons for the future, was the result of Thomas A. Sebeok's work in the twentieth century. This volume, using the testimonies of key witnesses and participants in the semiotic project, offers a picture of how Sebeok, through his development of knowledge of endosemiotics, phytosemiotics, biosemiotics and sociosemiotics, enabled semiotics in general to redraw the boundaries of science and the humanities as well as nature and culture.

Semiotics Continues to Astonish

She listened as he stepped forward with his belt, moving closer to her and crowding her with the musky scent he was wearing. She fought to hold back her fear as finally, he came to stand behind her. She felt his fingers gently combing her hair down over her shoulders. Then he started speaking slowly, his deep voice starting to shake her demeanor as he talked to her. "You didn't marry a soft knight in shining armor that will cuddle, ignore and pet you every time you choose to deliberately get out of line. I will punish you thoroughly for your disobedience..." (DARK LOVE STORY: After playing a reckless game, a spoiled and gullible girl did not expect to find herself in a serious relationship with an intriguing and no-nonsense guy who starts to discipline her.

Dark Love

BOOK ONE OF THE DARK DUET: Caleb is a man with a singular interest in revenge. Kidnapped as a young boy and sold into slavery by a power-hungry mobster, he has thought of nothing but vengeance. For twelve years he has immersed himself in the world of pleasure slaves searching for the one man he holds ultimately responsible. Finally, the architect of his suffering has emerged with a new identity, but not a new nature. If Caleb is to get close enough to strike, he must become the very thing he abhors and kidnap a beautiful girl to train her to be all that he once was. Eighteen-year-old Olivia Ruiz has just woken up in a strange place. Blindfolded and bound, there is only a calm male voice to welcome her. His name is Caleb, though he demands to be called Master. Olivia is young, beautiful, naïve and willful to a fault. She has a dark sensuality that cannot be hidden or denied, though she tries to accomplish both. Although she is frightened by the strong, sadistic, and arrogant man who holds her prisoner, what keeps Olivia awake in the dark is her unwelcome attraction to him. WARNING: This book contains very disturbing situations, dubious consent, strong language, and graphic violence.

Captive in the Dark

From USA Today bestselling author K Webster comes a thrilling and steamy dark romance standalone! He's filthy rich. Spoiled beyond belief. The gorgeous man always gets what he wants. Normally, I stay far, far away from his type. Men like Braxton Kennedy are dangerous and sick. But he's made an offer I can't refuse. Six months. A ton of money. All I have to do is be his dirty, ugly toy. Play his dark and twisted games. Let him dress me up and parade me around in front of his friends. Pretend I'm someone I'm not. A sane person would run away from the likes of this bad boy billionaire. Me? I can't sign on the dotted line fast enough. I'm not a damsel in distress or some princess needing saving. I've been to hell and back all on my own. All I need from him is the fat paycheck he's offering. One problem. I start to like

his games. A little too much. When my heart gets involved, he only wants to toy with it. The thing with spoiled boys and their toys, though... They eventually get bored and throw them away. **Dirty Ugly Toy is an enemies-to-lovers dark billionaire romance standalone. There are triggers in this story including drug use/overdose and some sexual violence.**

Dirty Ugly Toy

Alternate Paperback Cover A sinner Marcello Lastra has always wanted one thing-to be left in peace. When his estranged brother commits suicide, it's up to him to take up the leadership mantle within the famiglia. Thrust into a mob war he wanted no part of, he must secure allies and outsmart his enemies. A marriage alliance might be his only lifeline, but how can a man with an aversion to touch willingly tie himself to another? A saint Catalina Agosti has always wanted one thing-to protect her child. Spurned by her family for being 'damaged goods,' Catalina has been exiled to a convent for the last ten years. One tragic event takes away all her choices, and she has to seek protection from a man with a mysterious past. But how can Catalina trust another, when all her life she's been betrayed by those who should have loved her? As Marcello and Catalina navigate their new circumstances, past mistakes resurface and new secrets seek to turn them against each other. Warring Families. Fractured Alliances. A Serial Killer on the loose. And yet... The greatest enemy might just be the one within.

First Comes Love

I helped hide a criminal and now we're both on the run. A week-long vacation was what I thought I needed after my treacherous divorce that my ex dragged on for months, but I couldn't have been more wrong. Instead of unwinding and relaxing in the sun, I was under Storm's lock and key while he held me hostage--until we had to pretend that we were a normal couple. But when we started pretending, the feelings became all too real for me. That's when I realized he wasn't a criminal; he was just what I needed. He was what I had always secretly wanted: muscles, attitude, and a raging mass hidden beneath his zipper. With the root of his problems staring us in the face, we're forced to test the strength of our relationship. I just hope that I can hold on to this bad boy long enough to make it to the end. On The Run (A BWWM Bad Boy Dark Romance Novel) (Interracial Romance)

In life and love, it's never too late for a second chance... As editor-in-chief of New York's leading fashion magazine, Fiona Monaghan was utterly content with her life, jetting back and forth between Manhattan and Europe--until the day John Anderson strolled into her office. A widower with two daughters, John was as conservative as Fiona was freewheeling, and was both amused and appalled by her world of high-strung designers, anorexic models, and Sir Winston, her snoring bulldog. But after Fiona impulsively invited John to the Paris couture shows, somewhere between the magic of the catwalk and the stroll along the Seine, she let him into her heart. Within weeks of their return to New York, John was making friends with Sir Winston - and Fiona was making room in her closets. A dazzling tale of modern misadventures, career-crossed relationships, the heady magic of instant attraction and the hope that comes when we dare to do it all over again...

Second Chance

From New York Times Bestselling Author Penelope Sky comes a darkly twisted tale of debt, repayment, and violence. Follow Pearl's story of betrayal, damnation, and redemption, as she struggles to overcome her situation and growing feelings for her captor, Crow. I owe him a debt. A big one. The payment can't be settled with money or favors. He only wants one thing. Me. Every action gets a reward. A button. Once I fill his jar with three hundred and sixty-five buttons, he'll let me go. He'll let me walk away. But I have to earn every single one. By submitting to the darkest, cruelest, and most beautiful man I've ever known. "5 dark s! Pearl clearly has gone through hell and more... this story is so breathtaking !!!! I am awed by her defiance, gallantry, and great fortitude! As far as Crow is concerned, under his savageness, there are shreds of compassion and humanity" -Goodreads Reviewer "Haunting, disturbing, emotionally

tormenting and oh so dark! I loved Pearl's strength and bravery. I got lost in Crow's complexity and fell in love with the man behind the mask. Being a fan of the dark, this definitely ticked all the right boxes for me." -Goodreads Reviewer "I read A LOT of books and this series will always be my favorite. Crow and Pearl. I fell in love with both of them. Penelope Sky knows how to develop her characters and does it very well. The story never gets boring. This would make a great mini-series for television!" -Amazon Reviewer "Good golly, Miss Molly! At first, I was apprehensive about reading this book, but ... it is truly a work of art. When I find a book that's this good I end up staying awake till 4 in the morning because I just can't put it away till my hubby makes me. This book makes you a little stronger and gives worth to the reason why you should never stop fighting for yourself. I would recommend it to anyone." -Amazon Reviewer Trigger Warning: Not for the faint of heart.

Buttons and Lace

I am Caesar. Broken and conflicted. I am a man who gives false goodness to those who crave it. I provide solace to the ones who beg to be saved, giving them the goodbyes they want. But, my quiet little world is about to be shattered by the whispers from heaven and hell. I am Mateo. Unlovable and unworthy. I am the boy everyone runs from. I keep love close to me in little jars of perfection, reminding me of a thousand goodbyes I never had to say, because I left them before they could leave me. I am Svetlana. Dirty and Used. Birthed into brutality while still trying to comprehend my version of normal. I am an injured lamb, eaten by filthy wolves day after day. Just as salvation seems like it's within reach, a goodbye from this awful world is all that I wish for.

The Red Market

A collection of very Dark Erotica - the scenes are blazing, the relationships are not traditional (if they can even be considered relationships), and a happily-ever-after is not guaranteed. These tales are NOT for the faint of heart!*Trigger Warning - Some of the adult content could be upsetting to some readers - the stories get darker as you read, if you start to feel uncomfortable it's best to retreat*Prison Sentence: Noelle White chooses to forgo a traditional prison sentence, choosing to be auctioned off as a pleasure slave to repay her debt to society and the company she stole from. She tells herself it'll be easier to serve a year as a pleasure slave rather than spend ten years in a jail cell. She hadn't expected just how shockingly aroused serving a man who literally owns her would be. Her body betrays her as she finds her pleasure being owned by a man who cares nothing for her. MF.The Lord's Personal Maid - set in Victorian England. When the lord of the manor, Sir Ethan, discovers his favorite maid engaged in clandestine activities, rather than turn her out for lewd behavior, he gives her the option of being lewd with him and retaining her position. It is an opportunity which she gladly takes despite the great age difference between them. As his desires become more depraved, her own satisfaction grows greater. MF and MFM.The Truth Will Set You Free - a hot mind control short story. Sam confronts his ex-girlfriend using a new truth serum he created. He's determined to get to the truth behind all the lies she's told him. When her fantasies of being forced and her obvious arousal at having to cater to his every demand becomes apparent, Sam finds himself crossing some shocking lines. MF and MFF.A Rough Sorority Rite - Lacy is willing to do anything to become a sister in the most influential sorority on campus. Her last night as a pledge includes servicing the president of the sorority. Zara is both cruelly and sensually dominant and Lacey finds herself responding in depraved ecstasy. FF.Being the Maid - When a princess and her maid are captured by a group of bandits, the leader of the group immediately claims the princess for his own, and the poor maid is handed off to his three cohorts for their own amusement. At least one of them is more than he seems and Bridget, the maid, finds herself more and more confused as the days pass and her heart is drawn to Garrett even as her body is shared between him and his rougher cohorts. MF, MFM, MMFM.

Excerpt from Allen's Synonyms and Antonyms The collation and application of these memoranda have taken me many years of intense labor but these memoranda form the basis upon which the present dictionary has been constructed. My aim has been to make the scope of the book as broad as possible in order to meet the requirements of my most critical advisers, though this has not been easy. Some have urged that obsolete and rare words be omitted' others have advised that they be retained. Some have thought the contextual notes superfluous; others, even among professional writers, have considered them highly valuable. And so with other features of the book. At some have thought needless, others have thought helpful. As a Result it has seemed advisable to meet all

reasonable requirements by including those features which serve any widely felt need. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Book description to come.

Then Comes Marriage

Her She's the definition of lost. Doesn't know her name? Check. Cruelly beaten within an inch of her life? Check. No memory of anything that's happened since she woke up from that beating? Check. Losing a child she doesn't remember conceiving? Check. She hasn't felt anything but lost in a very long time. Then an old biker tells her danger is on the horizon. He sends her to a man that she instantly feels a connection with. A bone deep connection. Him He's the definition of despair. After the death of his young wife while on a tour of duty in Afghanistan, he hasn't seen the appeal of participating in the world around him. He's lost the only thing he ever loved. He's been a shell of the man he once was. His only escape from reality is feeling the wind in his hair, going as fast as he can get his old Harley to take him. That's the only time he can push his demons back far enough to feel peace. That is until she screams his name.

Last Day of My Life

As a young woman in Victorian England, Anna Champion knows all too well the social mores that value prettiness over sense, and etiquette over honesty. But when she stands up to the boorishness of dashing Christopher Davenport at a summertime ball, Anna unwittingly attracts his wrath--and becomes entangled in his malicious scheming. After a lifetime of harboring shame and resentment, Christopher, a ruthless con artist, wants revenge, and unfortunately for Anna, he's decided that she will be the perfect pawn in his terrible plot. With a fierceness of spirit uncommon in well-bred young ladies in the nineteenth century, Anna will have to use her intelligence and courage to protect her loved ones. But can she also save herself?

Lemonade

Graduate student Vivienne Charles is afraid and ashamed of her own fantasies: being taken by force by a man who will claim her completely. When the mysterious Jonah Marks learns her secret, he makes a stunning offer: they will remain near-strangers and meet in secret so that he can fulfil her fantasies. Their arrangement is twisted. The sex is incredible. And soon their emotions are bound together as tightly as the rope around Vivienne's wrists. But the secrets in their pasts threaten to take their arrangement down an even darker path.

Asking for It

In my world, women are property. Made to be owned. Born for one reason--to be tied to a powerful man, to bear the next generation. That reason is why I don't want to be married. But women aren't the only ones with zero say in their lives... And my bride? Bratva scum. Only Inessa isn't scum. Inessa is... Perfect. Except for one thing. Someone has touched my property, and for a Five Points' man, that means someone is going to pay. With their lives. They say I'm filthy rich, but what they don't know is that I'm just plain filthy, and Inessa? She's about to learn what it means to be married to a filthy fecker. We kill to protect our women. We reap nightmares on those who harm them. And me? I'm the biggest nightmare

of them all. Book ONE of the Filthy Feckers' series is a standalone without cliffhanger, but there are elements that will be explored in the following book. FILTHY DARK is now available for pre-order!

Filthy Rich

From two of the world's leading experts in endometriosis comes an essential, first-of-its kind book that unwraps the mystery of the disease and gives women the tools they need to reclaim their lives from it. Approximately one out of every 10 women has endometriosis, an inflammatory disease that causes chronic pain, limits life's activities, and may lead to infertility. Despite the disease's prevalence, the average woman may suffer for a decade or more before receiving an accurate diagnosis. Once she does, she's often given little more than a prescription for pain killers and a referral for the wrong kind of surgery. Beating Endo arms women with what has long been missing--even within the medical community--namely, cutting-edge knowledge of how the disease works and what the endo sufferer can do to take charge of her fight against it. Leading gynecologist and endometriosis specialist Dr. Iris Kerin Orbuch and world-renowned pelvic pain specialist and physical therapist Dr. Amy Stein have long partnered with each other and with other healthcare practitioners to address the disease's host of co-existing conditions--which can include pelvic floor muscle dysfunction, gastrointestinal ailments, painful bladder syndrome, central nervous system sensitization--through a whole-mind/whole-body approach. Now, Beating Endo formalizes the multimodal program they developed, offering readers an anti-inflammatory lifestyle protocol that incorporates physical therapy, nutrition, mindfulness, and environment to systematically addresses each of the disease's co-conditions on an ongoing basis up to and following excision surgery. This is the program that has achieved successful outcomes for their patients; it is the program that works to restore health, vitality, and quality of life to women with endo. No more "misdiagnosis roulette" and no more limits on women's lives: Beating Endo puts the tools of renewed health in the hands of those whose health is at risk.

The Ampleforth Journal

LukeCall me what you want to call me. Only one thing mattered and that's claiming the NFA heavyweight title once again. I don't trust people, which is why I have my crew, my manager, Lenny, and myself. That's all I need. At least that was until Syd walked into my gym.SydI'm here to train Luke. He's defensive and rarely lets anyone into his inner circle, but there's something between us that's undeniable. It's a spark neither one of us saw coming. Once secrets are revealed we're left fighting for more than Luke's shot at the title.The question remains, will the bond Luke and I have created be strong enough to carry us through to the other side?

Beating Endo

Welcome to the City, London's most prestigious square mile, where finance reigns and Oliver King is a rising prince. I used to rule the world. There might be wolves on Wall Street, but there were crocodiles in Canary Wharf. Some of us craved money. Some of us craved power. I liked money, and power had its advantages, but what I really wanted was to excel, to surpass the men who came before me. I never cared much for love and romance until I met Alexis. I could feel it the very moment she walked into the interview, with her outspoken charm and vivacious personality. She cast all the others in shadow, made me laugh when life held no humour. Our friendship should have remained professional, but it wasn't long before the lines started to blur. You know what they say about the best laid plans of mice and men? Well, I never foresaw where my plans would lead, and only in my darkest hour did I finally see the light... You can have all the money and prestige in the world and still be the poorest man alive. And love, well, I hate to use a tired old cliché, but love can be the thing that truly sets you free."

Luke: The A**hole Club

Book 1 of 2 (Duet) FAUSTO I am the darkness, the man whose illicit empire stretches around the globe. Not many have the courage for what needs to be done to maintain power . . .but I do. And I always get what I want. Including my son's fiancée. She's mine now, and I'll use Francesca any way I see fit. She's the perfect match to my twisted desires, and I'll keep her close, ready and waiting at my disposal. Even if she fights me at every turn. FRANCESCA I was stolen away and held prisoner in Italy, a bride for a mafia king's only heir. Except I'm no innocent, and it's the king himself-the man called il Diavolo-who appeals to me in sinful ways I never dreamed. Fausto's wickedness draws me in, his power like a drug. And when the devil decides he wants me, I'm helpless to resist him-even if it means giving myself to him, body and soul. He may think he can control me, but this king is about to find out who's really the

boss. **MAFIA MISTRESS** is a full-length mafia romance written by a USA Today Bestselling author. It's the first book in the Italian Kings duet, not a standalone.

King of Hearts

"If you're looking for sensuality, you won't be disappointed in Johanna Lindsey." —Chicago Tribune A classic romance novel from #1 New York Times bestselling author Johanna Lindsey, *Warrior's Woman* boldly goes where no romantic fiction has gone before! An ingenious blend of sizzling passion, paranormal romance, and science fiction romantic fantasy, *Warrior's Woman* travels far into the future—where a fearless intergalactic traveler hoping to save her endangered home world seeks a champion on a planet of strapping barbarians...and finds herself making very physical contact with a truly magnificent savage.

Mafia Mistress

I was captured ... That's just the beginning of my tale. I've survived Purgatory, abuse, and near death. In that abandoned farmhouse I nearly lost everything, but Jacob saved me. We were trapped in this hell together, giving each other the strength to hold on. I fell into darkness with my captor's son. Until I left him behind. She was perfect, my Alana. Brilliant and full of pain. She understood my darkness and fueled the fire. When she left, I waited patiently to find her, and in her honor, I killed men who took away from innocents. Then I found her... She's deadly now, a killer too, and perfectly mine. It was beautiful to behold, but she belongs in a cage. My cage. She'll love me again, or I'll expose her dirty secrets for the world to see while going down in flames with her. In darkness, it's most definitely till death do us part. Warning: This book is full of triggers. It's wicked dark, with created evil falling in love. People die. They are hurt horribly. The bad guys get away, and there is no apology for it. Hardcore trigger within these pages.

Warrior's Woman

Brothers Black: Wyatt the Heartbreaker Book 1 in Brothers Black Series I don't just love my woman, I protect her, I provide for her, I would die for her. Nellie walked into my life when I needed her most. Now I'm not willing to let her go. I will destroy anyone that even thinks of harming my woman. Nellie is nothing like the women I used to bring pleasure to. Oh Yes, I bring pleasure on levels that will numb your mind for months. When I lay eyes on Nellie, I know I want to bring her and only her that pleasure. I just need her to see past my past. I'm the oldest of seven hardheaded brothers. Some call me the ring leader, some call me the voice of reason, and everyone knows me as the heartbreaker. Only I never wanted her to know that. Now I'll just have to show her that I can heal a heart much better than I can break one because I want hers. I am running from my past. I never thought that I would run right into the arms of freaking Wyatt Black. I watched him break hearts from afar. The last thing I need is to be next. But like I said this is Wyatt freaking Black, the six foot three, golden eyed breathing definition of sexy. Women line up to get their hearts broken by him. So really how am I supposed to resist him? I'll give in and when I do, I'll find that he is more than what I bargained for in so many ways. I mean in every way imaginable. If sex were a weapon Wyatt Black would be lethal. Who I am kidding Wyatt is lethal, especially when it comes to me. When the past comes to haunt us, Wyatt will always protect me, without thought, without question. Wyatt isn't a heartbreaker, he is my heart healer. Find out what happened to lead to the text message Nathan Briggs received at his wedding, in *Legally Bound 3*. *This is Book 1 in the Brothers Black Series a spin-off from the bestselling *Legally Bound Series* placed after book 3 in the *Legally Bound Series*. While you can read this book as a standalone, it will enhance the read to read the *Legally Bound Series* first. Blue Saffire's books are written to weave, loop and intertwine with one another. You will find that the series build together for a greater experience. **This book has strong language and sexual content. Whispers in the Dark (Dark Romance)

Vince Morelli. The closest I ever wanted to get to him was several rows away in English class. We'd never spoken, but of course I heard the stories about his family. I know they're dangerous. I know he's dangerous. Vince never had a reason to notice me, anyway-until I inadvertently witnessed his first mob hit. His family doesn't believe in leaving witnesses alive, but Vince seems different. He knows the best thing he can do for me is stay away, but something keeps drawing us together. Despite knowing the risks of getting mixed up with him, I can't resist. Only problem is, Vince is a package deal-you don't

get him without getting swept up in his family's dark games. Now entangled with a notorious Chicago crime family, will my life ever be mine again?
