Human beings have long questioned the meanings of existence and contemplated the infinitesimal position and the mortal fate of mankind in the vast expanse of the cosmos. In our modern secular world, most people held the belief that they could exercise free will and control their destiny. Some people decided to resign to fate because they believe that their life is probably cast in stone. What if they are all wrong? Have you ever contemplated the possibility that the blueprint of your life is predetermined, and that only when you gain insight into the past, present and future of your life, that you can then better exercise free will? And with these insights, do you wish to have the mean to capitalize on opportunities and to avert impending misfortune? The Fate of Man may be written in the stars and the celestial bodies, within The Empyrean Matrix. Life may be unkind; a prolonged and weary struggle. Winning Destiny With Zi Wei Dou Shu

This would be the first and only book in English that reveals the secrets of the ancient Chinese Star astrology known as the Purple Star astrology. The Chinese royalty kept this knowledge secret and banned from being taught outside of the palace because of its uncanny accuracy. This powerful Purple Star astrology system which has been developed over a few thousand years and which the Chinese emperors relied in managing the state affairs was largely lost during the communist cultural revolution. But Eugene Lee meticulously has researched and brought back this guarded Chinese ancient knowledge to the English speakers. This would be the first complete book to teach readers to decipher not only their own fate but also to predict future events for others using the Purple Star astrology. This is the only book that explains the science behind the Purple Star astrology and I Ching. By studying this book meticulously, you can become a Chinese astrologer who can use the same knowledge that guided the Chinese dynasties. This book is a great text book for not only students of astrology but also for anyone who is interested in the Asian history and the ancient Chinese metaphysics.

The Prosperity Sigma is a "get rich self help" book, but of the metaphysical kind. Wealth and success are important aspects for most people. Many have worked hard for riches and fortune, but they always lead to variable outcomes, usually futile. Without knowledge of our destiny, we often fumble along in the darkness, believing that the future is but a mere figment of our mind and that by the sheer volition of our freewill, we can shape our own future. That is right to a certain extent if we do not place fate in the equation. Freewill does play a part in shaping our destiny, but fate is a predestined condition that is not apparent to most people. Using the most highly renowned and accurate system of astrology: Purple Star Astrology also known as Zi Wei Dou Shu, it will prove them otherwise; that fate is already cast in stone from the day that we are born, and that only with knowledge of fate can we then exercise our freewill effectively. This is a book that will help to improve your fiscal situation. The Prosperity Sigma is a treasure map that will help you identify the hidden pots of gold that you might pass by throughout the course of your life, as well as allowing one to navigate safely from potential pitfalls along the way. This book reveals the following: • 144 Types of Birth Template Profiles from Single Star, Double Stars and Empty Life Palaces for easy reference on financial strengths, weaknesses, career options, investment

strategies and extensive insight of personality for individuals. • Identification of specific good and bad luck periods for important financial decisions and timings. • Detailed and thorough concepts of wealth in Zi Wei Dou Shu from stars to formations. • Special tools and techniques that can be used to test for affinity to wealth, perform assessment on potential partnership, and analysis of luck periods. • Secret and effective remedies for wealth enhancement and luck improvement.

This guide brings Chinese astrology back to its ancient roots, providing all the information you need for understanding one of the world's oldest systems of divination. The ancient Chinese people developed a sophisticated science of astrology that continues to have profound influence in China today. Rooted in the fundamentals of Taoism, it evolved into a system vastly different from Western astrology. Rather than determining personality by the time of the year in which you are born, in Taoist astrology it is the

year itself that determines your character. The years form a twelve-year cycle of signs, each named after an animal. Additionally, your personality depends on which of the five traditional Taoist elements you are born under--water, wood, fire, earth, or metal. This makes for a cycle of sixty unique signs. Taoist Astrology includes information for each sign's personality, compatibility, child-parent relations, and rising and falling fortunes during the twelve-year cycle. Discussions of yin and yang, Confucianism and Buddhism, Taoist alchemy, and the connection between Taoist astrology and Western astrology give you all the background you need for understanding one of the oldest systems of divination known to humanity. Taoist Astrology differs from other books on the subject by grounding its concepts in the ancient traditions from which it originated.

You'll learn... . why the human body reacts to the vibrations of the planets that we interpret as astrology . how to interpret the complex influence of the planets on each of the signs of the zodiac . how the zodiacal signs affect human health, and which signs rule which parts of the body . how a healer can ensure his vibrations will complement his patient's for maximum therapeutic impact . how horoscopes can diagnose disease . and much more.

My journey in learning Zi Wei Dou Shu started as an accident. Zi Wei Dou Shu has been under my radar for longest time but I did not manage to learn it for various reasons until my friend and celebrity chef, Daniel Tay suggested that I go over to Malaysia to learn from Master Jessmond Ong and Master Ng. It was an eye opening experience for me. From there I bought an English book by Master Ng titled Flying Star Zi Wei Dou Shu. In that book, there is a foreword written by Si Hua Grandmaster, Kang Hui Huat. After some searching, I realised that Grandmaster Kang is from Singapore, and I managed to contact him. After meeting Grandmaster Kang, I decided to take private classes with him and subsequently completed his version of Si Hua Zi Wei Dou Shu. Zi Wei Dou Shu is a very complex system for destiny analysis but it has a high level of accuracy. It gives you multiple dimensions of analysis. I hope this book will give you some insights into Zi Wei Dou Shu. However, to actually learn and understand how to analyse Zi Wei Dou Shu, I would suggest that you attend a proper course. Lastly, the Zi Wei Dou Shu stars in this book are arranged by Palaces for easy reference.
