Luke Chapter 1 Many Have Undertaken To Draw Up an Account of the Things That Have Been

Fulfilled among Us Just as They Were Handed Down to Us by those Who from the First Were Eyewitnesses and Servants of the Word with this in Mind since I Myself Have Carefully Investigated Everything from the Beginning I Too Decided To Write an Orderly Account for You Most Excellent Theophilus so that You May Know the Certainty of the Things You Have Been Taught in the Time of Herod King of Judea

.in the Time of Herod King of Judea There Was a Priest Named Zechariah Who Belonged to the Priestly Division of Abijah His Wife Elizabeth Was Also a Descendant of Aaron both of Them Were Righteous in the Sight of God Observing All the Lord's Commands and Decrees Blamelessly but They Were Childless because Elizabeth Was Not Able To Conceive and They Were both Very Old The Lord God Will Give Him the Throne of His Father David and He Will Reign over Jacob's Descendants Forever His Kingdom Will Never End How Will this Be Mary Asked the Angel You Will Find a Baby Wrapped in Cloths and Lying in a Manger Suddenly a Great Company of the Heavenly Host Appeared with the Angel Praising God and Saying Glory to God in the Highest Heaven

Prophet Anna the Daughter of Penuel of the Tribe of Asher

They Found Him in the Temple Courts

It Is Written He Will Command His Angels Concerning You To Guard You Carefully They Will Lift You Up in Their Hands so that You Will Not Strike Your Foot against a Stone Jesus Answered It Is Said Do Not Put the Lord Your God to the Test When the Devil Had Finished All this Tempting He Left Him until an Opportune Time Jesus Returned to Galilee in the Power of the Spirit and News about Him Spread throughout the Whole Countryside

The Spirit of the Lord Is on Me because He Has Anointed Me To Proclaim Good News to the Poor He Has Sent Me To Proclaim Freedom for the Prisoners and Recovery of Sight for the Blind To Set the Oppressed Free To Proclaim the Year of the Lord's Favor Then He Rolled Up the Scroll Gave It Back to the Attendant and Sat Down the Eyes of Everyone in the Synagogue Were Fastened on Him He Began by Saying to Them

After this Jesus Went Out and Saw a Tax Collector by the Name of Levi Sitting at His Tax Booth Follow Me Jesus Said to Him and Levi Got Up Left Everything and Followed Him Then Levi Held a Great Banquet for Jesus at His House and a Large Crowd of Tax Collectors and Others Were Eating with Them but the Pharisees and the Teachers of the Law Who Belonged to Their Sect Complained to His Disciples

Chapter 7 When Jesus Had Finished Saying All this to the People Who Were Listening He Entered Capernaum

Whoever Has Will Be Given More Whoever Does Not Have Even What They Think They Have Will Be Taken from Them Now Jesus's Mother and Brothers Came To See Him but They Were Not Able To Get near Him because of the Crowd Someone Told Him Your Mother and Brothers Are Standing outside Wanting To See You He Replied My Mother and Brothers Are those Who Hear God's Word and Put It into Practice

Jesus Asked Him What Is Your Name

Chapter 9 When Jesus Had Called the Twelve Together He Gave Them Power and Authority To Drive Out all Demons and To Cure Diseases and He Sent Them Out To Proclaim the Kingdom of God and To Heal those Who Were Ill He Told Them Take Nothing for the Journey no Staff no Bag no Bread no Money no Extra Shirt Whatever House You Enter Stay There until You Leave that Town

An Argument Started among the Disciples as to Which of Them Would Be the Greatest Jesus Knowing Their Thoughts Took a Little Child and Made Him Stand beside Him Then He Said to Them Whoever Welcomes this Little Child in My Name Welcomes Me and Whoever Welcomes Me Welcomes the One Who Sent Me for It Is the One Who Is Least among You all Who Is the Greatest Master Said John We Saw Someone Driving Out Demons in Your Name

.the 72 Returned with Joy and Said Lord Even the Demons Submit to Us in Your Name He Replied I Saw Satan Fall like Lightning from Heaven I Have Given You Authority To Trample on Snakes and Scorpions and To Overcome All the Power of the Enemy Nothing Will Harm You However Do Not Rejoice that the Spirits Submit to You but Rejoice that Your Names Are Written in Heaven at that Time Jesus Full of Joy through the Holy Spirit

Chapter 11 One Day Jesus Was Praying in a Certain Place When He Finished One of His Disciples Said to Him Lord Teach Us To Pray Just as John Taught His Disciples

Your Eye Is the Lamp of Your Body

Pharisees Clean the Outside of the Cup

Do Not Worry about Your Life What You Will Eat or about Your Body What You Will Wear for Life Is More than Food and the Body More than Clothes Consider the Ravens They Do Not Sow or Reap

They

.You Also Must Be Ready because the Son of Man Will Come at an Hour When You Do Not Expect Him Peter Asked Lord Are You Telling this Parable to Us or to Everyone the Lord Answered Who Then Is the Faithful and Wise Manager Whom the Master Puts in Charge of His Servants To Give Them Their Food Allowance at the Proper

On a Sabbath Jesus Was Teaching in One of the Synagogue

As He Made His Way to Jerusalem Someone Asked Him Lord Are Only a Few People Going To Be Saved He Said to Them Make every Effort To Enter through the Narrow Door because Many I Tell You Will Try To Enter and Will Not Be Able To once the Owner of the House Gets Up and Closes the Door You Will Stand outside Knocking and Pleading Sir Open the Door for Us but He Will Answer I Don't Know You or Where You Come from Then You Will Say We Ate and Drank with You and You Taught in Our Streets

.When Someone Invites You to a Wedding Feast Do Not Take the Place of Honor for a Person More Distinguished than You May Have Been Invited if So the Host Who Invited both of You Will Come and Say to You Give this Person Your Seat Then

His Way to Jerusalem Jesus Traveled along the Border between Samaria and Galilee

Jesus Told His Disciples a Parable To Show Them that They Should Always Pray and Not Give Up He Said in a Certain Town There Was a Judge Who neither Feared God nor Cared What People Thought and There Was a Widow in that Town Who Kept Coming to Him with a Plea

He Said to those Standing By Take His Minor Away from Him and Give It to the One Who Has Ten Meaners Sir They Said He Already Has Ten He Replied I Tell You that to Everyone Who Has More Will Be Given but as for the One Who Has Nothing Even What They Have Will Be Taken Away but those Enemies of Mine Who Did Not Want Me To Be King over Them Bring Them Here

Luke Chapter 20 One Day as Jesus Was Teaching the People in the Temple Courts and Proclaiming the Good News the Chief Priests and the Teachers of the Law Together with the Elders Came Up to Him Tell Us by What Authority You Are Doing these Things They Said Who Gave You this Authority We Know that You Speak and Teach What Is Right and that You Do Not Show Partiality but Teach the Way of God in Accordance with the Truth Is It Right for Us To Pay Taxes to Caesar or Not He Saw through Their Duplicity and Said to Them Show Me a Denarius Whose Image and Inscription Are on It Caesars They Replied He Said to Them Then Give Back to Caesar What Is Caesar's

Comments from the Audience

There Are People Who Summarized the Belief by Words Similar to that but the Doctrine the Trinity Is in no Way Shape or Form Dependent upon that and My Biggest Concern Is this Is that if We Include the Cameo Hannam in the New Testament We Are Saying that the Greek Manuscript Tradition Can Become Completely Corrupted for 1500 Years and Lose Vitally Important Doctrinal Material no One Who Believes in a Majority Text Theory Should Ever Support the Communion because the Majority Text Doesn't Contain It either It Is a Much Later Edition It Is Found Only in Latin Manuscripts and Only in Very Late 14th Century and beyond Greek Manuscripts

Let Me Give You an Example John 14 : 14 in the New World Translation Does Not Contain a Reference of Prayer to Christ That Is in the Niv in the New American Standard neither Does the King James the King James Lacks the Very Same Phrase the New World Translation Does Now Does that Mean the King James Translators Were Denying the Deity of Christ no the Greek Text They Were Translating Didn't Have the Phrase in It but the Java's Witnesses They Are Trying to Knight a Deity of Christ because Their Greek Text Has the Phrase in It and They Refuse To Translate It so You See You Have To Be So Careful It's So Easy to Broad-Brush

I Don't Know whether My Friend Has Memorized out of It whether He Reads It through whether a Multi-Version Approach Allows a Person To Really Spend Time with the Bible Itself Do You Flip from One to another so with a Standard You Have a Standard Now You Know We've Got Let's Say We've Got Two Discs Here We've Got this Disc over Here Which Is the Originally a Preserved Inspired Word and Then We've Got the Translators Disc and that's the Translation of that Alright the Av Was Accurately Translated but It Can't Fill Up this Disc Entirely

And Then We Will Give You both a Few Minutes To Sum Up and Then if We Still Got Time I Take a Few More Questions for a Few More Comments from the Audience Yeah I Guess It's One That Says Jack Mormon Says the King James Version Is a Standard Well Where Do You Go with the King James Version Differs in Three Different Places in Jeremiah 3416 Chronicles 33 19 and Navy 316 the Oxford King James Differs from the Cambridge King James if the King James Are Supposed To Be the Standard Which of the Two Should Be Our Standard if You Say We Go Back to the Greek You Expose the Error of the King James Only Ism and Prove that the King James Is Not To Be Used Exclusively Jews

Because the King Had Given Them Guidelines as to They Could Not Translate Baptized as Immerse They Had To Transliterate It so There Were Guidelines that the King Provided along those Lines Are Important I Hope Everyone Understands What the Real Issue Here Is this Evening the Real Issue Is What Did the Inspired Apostles Originally Write and I Think We've Seen by Looking at Revelation 16 5 There Are a Number of Other Places the Tr Has a Unique Reading That no Manuscript in the World Reads What that Means Is if You if You Take the Position that Pastor Mormon Has Taken Is that Christians for 1 , 600 Years Could Not Claim To Have Had the Full Word of God

The Book of Ezekiel, Chapters 25–48

This work completes Daniel Block's two-volume commentary on the book of Ezekiel. The result of twelve years of studying this difficult section of Scripture, this volume, like the one on chapters 1-24, provides an excellent discussion of the background of Ezekiel and offers a verse-by-verse exposition that makes clear the message of this obscure and often misunderstood prophet. Block also shows that Ezekiel's ancient wisdom and vision are still very much needed as we enter the twenty-first century.

The Idea of Retribution in the Book of Ezekiel

After a brief review of recent literature on retribution in the Old Testament, the book seeks to demonstrate that underlying Ezekiel are three principles of retribution: covenant, the disposal of impurity, and poetic justice.

The Book of Ezekiel_ Authorship and Outline

Harris Kakoulides writes about the Authorship of The Book of Ezekiel and gives a Outline on the Book

The Rhetorical Function of the Book of Ezekiel

This study analyses the book of Ezekiel as a tool of communication, arguing that the book was designed to shape the self-understanding of the exilic community. A discussion of the historical context precedes a chapter that deals with the basic thrust and literary arrangement of Ezekiel. A detailed examination of individual rhetorical techniques (use of the watchman motif, legal traditions, emotional language, and others) and of crucial passages (especially 24:15-27 and 37:1-14) follows. The final chapter explores the book's suitability for the situation for which it was designed. This work gives readers the opportunity to study the book of Ezekiel as a whole and to explore some of its intricacies. Its methodology is an example of the fruitful integration of traditional critical methods and more recent literary and sociological approaches. The Book of Ezekiel, Chapters 1-24

A study of the first half of the biblical book of Ezekiel with commentary on what his message could mean for the church in the twentieth century.

Volume 1 of Ezekiel's Story - The Whirlwind

The book of Ezekiel contains unique information about God's chosen people. The whole scope of God's love, sovereignty, power, omniscience, righteousness, mercy, anger, wrath and judgment towards saved, but rebellious people is revealed. God's treatment of His chosen people is a model of the way that He treats with saved, but rebellious individuals. In 1 Pet 4:17-18, Peter said, "For the time is come that judgment must begin at the house of God: and if it first begin at us, what shall the end be of them that obey not the gospel of God? And if the righteous scarcely be saved, where shall the ungodly and the sinner appear?" Ezekiel's story of the whirlwind is the account of the reason for God's judgment of the nation of Israel, and corresponds perfectly with Peter's statement that "judgment must begin at the house of God." That nation was outwardly committed to God. They maintained that they trusted in God but they were guilty of being like neighboring nations.

Ezekiel

A much-neglected prophet, Ezekiel is nevertheless a key figure in Old Testament religion. Standing where he does, at the great crisis point of Israel's history, the exile, he confronts the basic questions, can the nation survive?, and, should it? Ezekiel represents the priestly strand in Israel's thinking, which lays such weight on the temple as the place of the presence of God. How can the nation be sustained when it has been deprived of its traditional place of worship? Ezekiel's reply is that the presence of God is still available, even in the land of exile, but that the presence is yet to be restored to its proper place in Jerusalem. Like the other volumes in the Old Testament Guides series, this compact study of Ezekiel will be much appreciated by the student turning to the study of the prophet for the first time.

Expository Parenting

There is much to be said for men and women who courageously evangelize on college campuses, in prisons, and near shopping centers. After all, the Bible indicates that disciples are primarily made by going out to meet lost people where they are. But make no mistake about it: if you're a parent, The Great Commission has come to you—in a bassinet, a booster seat, or a bunk-bed. While other parenting philosophies rely on "what seems to work" (i.e. pragmatism), "what we've always done" (i.e. traditionalism), or "what's right for us" (i.e. relativism), a better perspective is founded upon a biblical approach: teaching the full counsel of God and allowing Scripture to do its work in a child's heart. How do we accomplish this? We must examine the Bible's instructions for pastors, and then apply those principles in the home. In other words, just as the preacher must be committed to expository preaching, so too must the parent be committed to expository parenting.

This is a print on demand book and is therefore non-returnable. Hals analyzes in detail the structure and intention of the unusually long prophecies of Ezekiel. Because this prophet genuinely qualifies for the designation "theologian," Hals devotes much attention to examining Ezekiel's theological perspective and style. He argues that Ezekiel, despite his proclamations of judgment, is not a prophet of despair. Rather, Ezekiel affirms the stubborn grace of Israel's sovereign Lord — the God who follows his people into the death of exile and loss of nationhood and promises them life out of death via a new exodus, a new "peoplehood," and a new temple.

The Changing Face of Form Criticism for the Twenty-first Century

The Book of the Old Testament prophet Ezekiel (6th century B.C.E.) is a book of forceful language and impressive images. Its message is often clear, sometimes mysterious. The book had great impact in Jewish and early Christian literature as well as in western art. This book deals with the intentions of the book of Ezekiel, but also focuses on its use by subsequent writers, editors or artists. It traces Ezekiel's influence in Jesus' teaching about the Kingdom of God, in Paul, the Gospels, and Revelation, and also shows that Ezekiel's imagery, via Jewish mysticism, influenced the visionary art of William Blake. Presenting contributions from leading biblical scholars in Oxford and Leiden, based on their unique collaborative research, this book will be of interest to a wide range of scholars working in the

field of biblical studies, including those studying the Hebrew Bible, its early versions, 'inter-testamental' Judaism, New Testament and Early Christianity, and the reception of Biblical literature in later centuries.

The Book of Ezekiel

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

The Book of Ezekiel and Its Influence

Where is God when the world falls apart, when he doesn't seem to care? Ezekiel brought God's word to his people at the lowest point in their history, suffering the trauma of exile. But with exile comes the opportunity to renew their faith and hope in God himself. Although God had judged his people, he would also restore them and dwell with them forever – promises which find their ultimate fulfilment in Christ. Antony Billington's six-session guide, with his astute mini-features, skilful questions, and timely notes, will help you explore how Ezekiel's message of challenge and comfort speaks today, enabling you to live in the light of God's presence, Monday through Sunday – whatever you're facing.

Revelation

Ezekiel was called as one of the Lord's prophets in Jerusalem just before the end of Jeremiah's ministry. He was a contemporary of the prophet Daniel, though his 23-year ministry was only a third as long as Daniel's 71-year calling. He began his prophetic labors in Judah, but was carried into captivity in Babylonia during the first deportation in approximately 598 BC. He lived in poverty in Babylonia. After presenting extensive background and historical data, the book analyzes each chapter of Ezekiel in one of four main sections: (1) his call to the ministry and introductory visions, (2) his prophecies against Judah and Jerusalem, (3) his prophecies against surrounding nations, and (4) his prophecies of the last days. Each chapter is outlined and provides numerous historical and interpretational notations. Ezekiel is the most important scriptural source for many key last-day doctrines. These include the restoration of the house of Israel, with the ten tribes and Judah reunited in their promised land; the rule of David the prince; the battle of Armageddon; the rebuilding of the Jerusalem temple and the reinstituting of temple ordinances there; and the expanded borders of the land of Israel in the last days. No other book is as effective a study guide for Latter-day Saint readers on Ezekiel's great prophetic contributions as *How to Understand the Book of Ezekiel*.

Ezekiel

One of the most perplexing and misunderstood books of the Bible, Ezekiel has left many scholars and exegetes scratching their heads regarding its message, coherency, and interpretation. Brian Peterson's look at the book of Ezekiel as a unified whole set within an exilic context helps explain some of the more difficult symbolic aspects in the book and makes Ezekiel as a whole more intelligible. Drawing on ancient Near Eastern concepts and motifs such as covenant and treaty curses, the various gods that made up the Babylonian pantheon, and the position that Israel held as the people of Yahweh, Peterson enlightens readers by showing that Ezekiel can only be understood in its original context. By placing the book first in its historical context, Peterson demonstrates how the original hearers of its message would have understood it, and how this message can be appreciated and applied by people today as well.

Outlines of a Commentary on the Book of Revelation

Millard C. Lind has taught the book of Ezekiel for thirty years in seminary and in the church. He skillfully opens the prophet's message about God's presence, covenant, victorious rule, concern for the nations, and cleansing for worship and obedience. The "wheel" and "dry bones" are not just for entertainment. This actor, singer, and instrumentalist is prophesying to a battered people who need the word of the Lord for survival and mission. God has called Ezekiel to be a sentinel for his people, to warn them of pending danger. They must not look back to unjust Jerusalem nor join a revolt against Babylon. Instead, they are to turn and live by God's law, even in a foreign land. After judging the nations and Jerusalem, God will restore Israel to a renewed land. The people will be given a new heart and spirit—a resurrection. God will defeat international terror and organize Israel as a new temple community, with

the Lord in their midst. Then all will now that God leads world history, not by militarists, but through a people serving as a moral exemplar for the nations. Free downloadable study guide available [here](#).

The Book of the Prophet Ezekiel

An introduction to the study of Ezekiel that lays out for the reader the central issues for the interpretation of the book of Ezekiel. After explaining how the message of the prophet was relevant to the exilic situation in which he lived, this thorough guide shows how later generations shaped, transmitted, and used Ezekiel in their own communities. The book summarizes the literary shape and contents of Ezekiel, then examines the theories and methodologies used in current scholarship that explain the formation of Ezekiel. Lyons next explains for the reader the theology and major themes of Ezekiel, and closes by evaluating how the arguments of Ezekiel relate to each other as a coherent rhetorical strategy.

How to Understand the Book of Ezekiel

This book addresses one of the ever-aching problems of human society – failed leadership in secular and sacred domains. It points out, from Ezekiel's use of symbolism and shepherd motif, what society stands to suffer and or lose under a bad human leadership structure and bad governance. This plays out in the book's x-ray of the characteristics of sheep needing a shepherd. Dr. Biwul contends that Ezekiel used symbolic sign-acts to indict both Israel's bad and imperfect human shepherds as well as the Babylonian exiles as being responsible for their plight for not upholding the norms of Deuteronomic theology. Particularly, he argues forcefully from Ezekiel's shepherd motif that a major factor responsible for the exile of Israel as a covenant community is the massive failure of its bad and imperfect human shepherds who did not possess the requisite shepherding qualities inherent in Yahweh as chief shepherd of Israel. Biwul therefore draws particular attention to the reality of Ezekiel's use of the recognition formula when Yahweh acts at last to restore his people. This is rooted in the theological-eschatological motif which would come to its full reality in the anticipated eschatological community when Yahweh would shepherd his people.

The Expositor's Bible: The Book of Ezekiel

This wide-ranging volume looks at the reception history of the Bible's many texts; Part I surveys the outline, form, and content of twelve key biblical books that have been influential in the history of interpretation. Part II offers a series of in-depth case studies of the interpretation of particular biblical passages or books.

The Book of Ezekiel

Vision reports occupy large space in the Book of Ezekiel and the texts put special emphasis on the details of receiving a vision. In Thailand, Buddhist monks or Hindu priests also have seen visions. Mediums travel to distant places in visions and meet with spirits. Christian churches set goals for the future and call them visions. This study takes a closer look at visions both in the Book of Ezekiel and in the Thai context by focusing on the Thai translation of Hebrew terms for visions. Besides that, it compares the Hebrew concepts behind visions with the Thai understanding.

Ezekiel in Context

Pastors and leaders of the classical church--such as Augustine, Calvin, Luther, and Wesley--interpreted the Bible theologically, believing Scripture as a whole witnessed to the gospel of Jesus Christ. Modern interpreters of the Bible questioned this premise. But in recent decades, a critical mass of theologians and biblical scholars has begun to reassert the priority of a theological reading of Scripture. The Brazos Theological Commentary on the Bible enlists leading theologians to read and interpret Scripture for the twenty-first century, just as the church fathers, the Reformers, and other orthodox Christians did for their times and places. In this addition to the series, esteemed theologian Robert W. Jenson presents a theological exegesis of Ezekiel.

Ezekiel

To many readers the book of Ezekiel is a hopeless riddle. We may still find many features of the man and his message difficult and sometimes even shocking or offensive. The bizarre opening vision catches us off guard and tempts us to stop reading. A persistent reader, however, who meditates long and hard

on individual utterances and sign actions, will discover that despite the strangeness of the man, this is the most clearly organized of the major prophetic books. Individual prophecies are clearly marked by headings and often by conclusions. The priestly prophet knew his audience, something that is evident if one continues to delve deeper: he recognized in Judah's rebellion against YHWH the underlying cause of the divine fury that resulted in the exile of his people and the fall of Jerusalem to the Babylonians in 586 BCE. However, he also recognized that YHWH's judgment could not be the last word: his covenant is eternal and irrevocable. A day of spiritual renewal and national restoration is anticipated. This is the first of two volumes of essays on Ezekiel and his book. The seven general essays and two studies of particular texts in this collection explore the times, the message, and the methods of the prophetic priest.

A Theological Examination of Symbolism in Ezekiel with Emphasis on the Shepherd Metaphor

Books by evangelical scholars on messianism in the Old Testament are either outdated, too brief, or lack balance, Ó observes the author. Messianic Revelation in the Old Testament represents the most thorough, conservative analysis of the century. Van Groningen traces the messianic expectation as it is progressively revealed in the Hebrew Scriptures. He first introduces the messianic concept, defining its terms and uncovering its source. He finds these messianic presentations rooted in, and shaped by, divine revelation. The major part of this volume explores messianism's philological, historical, and theological aspects. The result of this study, Ó writes the author, reveals that the messianic concept refers to a royal-priestly-prophetic person...and his work. Ó Passages that deal with these messianic motifs have been selected for close scrutiny and evaluation. Ó The author believes that a correct understanding of messianism in the Old Testament requires a balanced hermeneutical approach - from exegeting the relevant texts and studying their historical context to interpreting prophecy and organizing its theological truths. In the words of the author, To omit one [element] is to do injustice to the Old Testament. Ó Van Groningen has included an extensive bibliography of both books and articles for those wishing to pursue additional study. A Scripture index helps one to locate the author's exegetical insights on various passages. An index of persons concludes the work.

Ezekiel (Brazos Theological Commentary on the Bible)

The current state of scholarship on the book of Ezekiel, one of the three Major Prophets, is robust. Ezekiel, unlike most pre-exilic prophetic collections, contains overt clues that its primary circulation was as a literary text and not a collection of oral speeches. The author was highly educated, the theology of the book is "dim," and its view of humanity is overwhelmingly negative. In *The Oxford Handbook of Ezekiel*, editor Corrine Carvalho brings together scholars from a diverse range of interpretive perspectives to explore one of the Bible's most debated books. Consisting of twenty-seven essays, the Handbook provides introductions to the major trends in the scholarship of Ezekiel, covering its history, current state, and emerging directions. After an introductory overview of these trends, each essay discusses an important element in the scholarly engagement with the book. Several essays discuss the history of the text (its historical context, redactional layers, text criticism, and use of other Israelite and near eastern traditions). Others focus on key themes in the book (such as temple, priesthood, law, and politics), while still others look at the book's reception history and contextual interpretations (including art, Christian use, gender approaches, postcolonial approaches, and trauma theory). Taken together, these essays demonstrate the vibrancy of Ezekiel research in the twenty-first century.

His books include *Bible Study That Works* and *God's Healing for Hurting Families*. Dr. Thompson, an ordained elder in The Wesleyan Church, has pastored several churches. Eugene Carpenter (Ph.D., Fuller Theological Seminary) is Scholar in Residence and Professor of Old Testament, Hebrew, and Biblical Theology at Bethel College, Mishawaka, IN. He has authored and contributed to several books including commentaries on Exodus and Deuteronomy.
